Ms. Helen McElyea, President of the High Country Crafters, said there was a need to involve other property owners to redevelop their property. She said total cooperation between the City and property owners was needed. She said we could not rely on the government to do everything if the property owners are not willing to do for themselves.

Mr. James Ellis, Executive Vice-President of the Asheville Area Chamber of Commerce, said the basic concept was presented last spring and was endorsed at that time by the Chamber, the Mid-City Merchants Association and the Central Asheville Association. He said it may not be the answer but represents a good start toward solving the problem.

Mr. Paul Warlick, who said he lives in the County because he can not afford city taxes, told Council that people were being driven out of the City when they need to be attracted. He suggested that professional people occupy the downtown area. He suggested that the Land-of-Sky Regional Council, Metropolitan Sewerage District, and other such agencies that have been receiving substantial grants should use some of this money to locate their offices downtown.

Ms. Stewart emphasized the need to retain or create more spaces - personal spaces which would be on a human scale.

Mr. E. R. McCarthy, said the City needs to clarify where the taxes would be levied and whether or not it would affect the residential area.

Mayor Ochsenreiter indicated, in response to questions by Mr. Chandler W. Gordon, president of the Captain's Bookshelf on Haywood Street, that there would be a forum for answering all questions, starting from this public hearing and work sessions.

Mayor Ochsenreiter closed the public hearing at 4:13 o'clock p. m.
Mayor Ochsenreiter called for a five minute recess at 4:14 o'clock p. m.

Council reconvened at 4:20 o'clock p. m.

ORDINANCE NO. 943- AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 30 CRESCENT STREET, 114 MILLBROOK ROAD, 37 RAVENSCROFT DRIVE, AND 7 TOXAWAY STREET

3. Consideration was given to the second reading of Ordinance No. 943, an ordinance directing the Housing Officer to demolish those dwelling houses known as 30 Crescent Street, 114 Millbrook Road, 37 Ravenscroft Drive and 7 Toxaway Street.

Mayor Ochsenreiter stated that the ordinance was previously read on first reading and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Mrs. Callie James, owner of 30 Crescent Street, explained the approximately two year background of a burst city storm drain that forced them to move out of their house. The burst storm drain caused the back of their house to fall in. She said the City had denied a claim for damages, however, she still felt the problem was due to negligence on the City's part. She said she had approximately $30,000 invested in the house.

Mr. Tisdale submitted a letter which read, in part; that Southern Bell would not oppose the creation of a commission to submit a plan for downtown improvements and from the Company's standpoint the only concern was in the manner in which the plan might be financed, should it be financed through the use of a special tax to include real and personal property Southern Bell will oppose it due to the gross inequity on the large investment in personal property the Company has in the area.

Mr. Tisdale repeated his offer to assist the Council in any way he could in addressing the problems facing the downtown.

Mr. George Coggins, Owner of Westgate Shopping Center, indicated that he had invested a sum of money to study the potential for redeveloping downtown Asheville. He said that he did not believe that a piecemeal approach by seven amateurs using tax funds was the way to do it. He said certainly if redevelopment does not appeal to investors as a business enterprise, it is doomed before it starts. Redevelopment if it is interesting to investors should be done by private investors.

Mr. Coggins indicated that he has consulted with planners, financers, and merchants to finance such a redevelopment project. He said it cannot be done by public committees, tax funds, ad hoc committees, or by the present property owners. He said he had presented a proposal to the property owners in the form of a private investment corporation as a volunteer effort.

Mr. Coggins said one of the problems would be that no lot in the Central Business District is large enough to hold a major department store and related supportive facilities. So the idea of taking the present properties and the present streets in the Central Business District and spending millions of tax dollars to redevelop them is simply a fallacy. He said you must put some of the properites together, eliminate a lot of streets, rebuild the utility systems and provide facilities for two major department stores. He said there would be no use in inviting other businesses downtown until you have the department stores. He said the effort must be coordinated with someone with the know-how to put together the development of commercial properties.

Mr. Coggins suggested that the City utilize the existing Urban Renewal authority to undertake the effort, and not a body or commission that would work in competition with and against the free enterprise system.

Ms. Molly Lay, co-owner of High Tea on Wall Street, described the plan as the best of the alternatives that had been offered. She made several suggestions for changes, including a requirement that the plans to be proposed by the "seven amateurs" on the Downtown Improvement Commission be backed up by professional substantiation. She also urged that the seventh member of the commission be a representative of the small businesses. She insisted that the proposed 180 days would be insufficinet time for the task of preparing the required development plan and asked that the commissioners be given an extra 90 days before that in which to get organized.

Mr. Leon D. Rocamora, downtown property owner and merchant, supported the proposal.

The City Manager read the resolution and explained that the purpose of this resolution is to give the Director of Parks and Recreation authority to condemn several parcels of land for the park development.

Ray Kisiah, Parks and Recreation Director, reviewed, by the use of map, the properties that have been acquired and those to be acquired through purchase procedures and/or condemnation proceedings for the Montford Recreation Complex Project.

Councilman Michael expressed concern about the families to be displaced. He said most of the residents in the area are tenants and not homeowners. He requested that the Community Development Coordinator conduct a survey of the residents to see that they are being aided in relocation.

Mr. Kisiah said under the federal requirements families are required to be given relocation assistance.

Upon motion of Councilman Michael, seconded by Councilwoman Swilling, Resolution No. 77-25 was unanimously adopted.

Complete text of Resolution No. 77-25 will be found in Resolution Book No. 9 at page 210.

PUBLIC HEARING SCHEDULED - REVISED SIGN AND OUTDOOR ADVERTISEMENT REGULATIONS

7. Consideration was given to a motion scheduling a public hearing relative to amendment to the Asheville Zoning Ordinance which would incorporate revised Sign and Outdoor Advertisement Regulations for the City of Asheville and its one mile extraterritorial jurisdiction.

Councilwoman Swilling moved to schedule a public hearing on the matter for March 10, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO._____ - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE LEASE AGREEMENTS FOR SPACE IN THE ASHEVILLE AIRPORT TERMINAL BUILDING.

8. The City Manager requested that Council pass a motion postponing action on a resolution authorizing the Mayor to execute lease agreements for space in the Asheville Airport Terminal Building in order for more details to be worked out.

Councilman Morris moved to postpone action on the resolution until March 3, 1977. This motion was seconded by Vice-Mayor Horton and carried unanimously.

CLAIM - MR. AND MRS. LEROY SCOTT

The City Manager presented a claim received from Joseph A. Connolly, Attorney, representing Mr. and Mrs. Leroy Scott and their two minor children.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

Councilman Michael said he could not vote to demolish Mrs. James' house until he was satisfied that the City was not responsible for the damages.

Mayor Ochsenreiter suggested that, before the third reading of the ordinance, Council members review the previous files relative to the City's part in the damages at 30 Crescent Street.

On a roll call vote of 6-0, Ordinance No. 943 passed on second reading.

RESOLUTION NO. 77-23 - RESOLUTION AUTHORIZING THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION TO PLACE THERMOPLASTIC MARKINGS AT ALL PAVED RAILROAD CROSSINGS ON NON-STATE SYSTEM STREETS IN THE CITY OF ASHEVILLE

4. Consideration was given to a resolution authorizing the North Carolina Department of Transportation to place thermoplastic markings at all paved railroad crossings on non-state system streets in the City of Asheville.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 77-23 was unanimously adopted.

Complete text of Resolution No. 77-23 will be found in Resolution Book No. 9 at page 208.

RESOLUTION NO. 77-24 - RESOLUTION AUTHORIZING THE MAYOR AND CITY CLERK TO ENTER INTO A CONTRACT WITH THE NORTH CAROLINA BOARD OF TRANSPORTATION FOR THE PURPOSE OF RE-EVALUATION OF THE TRANSIT PLAN AND OTHER RELATED TRANSIT PLANNING ACTIVITIES

5. Consideration was given to a resolution authorizing the Mayor and City Clerk to enter into a contract with the North Carolina Board of Transportation for the purpose of re-evaluation of the Transit plan and other related transit planning activities.

The City Manager read the resolution and explained that the revenue for this project has been budgeted and the City's share would be in-kind contributions.

Verl Emrick, Planning Director, said this was an annual contract that the City has been utilizing for several years to offset the City's cost in providing the planning phase of the project. He said the Planning Division is re-evaluating the Transit plan to find ways to offset a $250,000 deficit.

Upon motion of Councilman Michael, seconded by Councilwoman Swilling, Resolution No. 77-24 was unanimously adopted.

Complete text of Resolution No. 77-24 will be found in Resolution Book No. 9 at page 209.

RESOLUTION NO. 77-25 - RESOLUTION AUTHORIZING THE CITY OF ASHEVILLE TO PROCEED WITH THE PURCHASE OF AND/OR CONDEMNATION OF PROPERTY IN THE MONTFORD RECREATION COMPLEX PROJECT

6. Consideration was given to a resolution authorizing the City of Asheville to proceed with the purchase of and/or condemnation of property in the Montford Recreation Complex Project.

Councilman Michael read the following letter and requested that it be made a part of the minutes:

February 17, 1977

The Honorable Mary Nesbitt, I. C. Crawford
James M. Clarke, Claude DeBruhl, Robert
Swain, and Gordon Greenwood
Legislative Building
Raleigh, North Carolina 27611

Dear Buncombe County State Legislators:

I think that it is a shame and unfair for the Buncombe County State Legislative Representatives to single out the City of Asheville to limit it's powers of annexation, extraterritorial jurisdiction and limitations as far as breaking even or making a profit on the sale of water outside the City of Asheville.

It is a known fact that the tax base of Asheville has decreased yearly, tax rates have remained the same and double that of county residents and other municipalities in Buncombe County. People that can afford to are moving out of the City limits as rapidly as possible. The City of Asheville residents are supporting many services that are being used by the County, such as parks and recreation, library facilities, the Civic Center, Airport, and water services just to name a few. Other state legislators have refused to go along with you as far as enacting Sullivan Acts and the recent bills on annexation and extraterritorial jurisdiction are concerned. You have stated that Buncombe County is different from other counties. The only difference that I can see is that the County of Buncombe's State Legislators do not want the City of Asheville to grow, want us to pay the same double taxation and provide the same services. You refuse to realize the fact that we cannot pay any more taxes, the cost of living is going up and we will have no choice but to turn some of these services over to the County because we can no longer afford to provide them without some relief.

It is my plea to you as a Councilman of the City of Asheville that you change your way of thinking and try to help Asheville which is the largest city in Buncombe County instead of attacking it for political reasons and help Asheville and Buncombe County to prosper. I also disaprove of your bill limiting the powers of the Buncombe County Chairman. They should be allowed to work this out for themselves.

RESOLUTION NO. 77-26 - RESOLUTION OPPOSING HOUSE BILL 44 OF THE GENERAL ASSEMBLY OF NORTH CAROLINA, SESSION 1977, AN ACT TO REQUIRE APPROVAL BY COUNTY COMMISSIONERS OR A REFERENDUM BEFORE A MUNICIPALITY MAY ADOPT OR AMEND AN ORDINANCE TO EXERCISE THE POWERS GRANTED IN ARTICLE 19, CHAPTER 160A OF THE GENERAL STATUTES IN THE EXTRATERRITORIAL JURISDICTION AND TO PROHIBIT CHARGING OE FEES FOR APPEALS

Consideration was given to a resolution opposing House Bill 44 of the General Assembly of North Carolina, Session 1977, an act to require approval by County Commissioners or a referendum before a municipality may adopt or amend an ordinance to exercise the powers granted in Article 19, Chapter 160A of the General Statutes in the Extraterritorial Jurisdiction and to prohibit charging of fees for appeals.

The City Manager read the resolution.

Councilwoman Swilling said she did not feel the resolution was necessary because it was her understanding that Representative Nesbitt has withdrawn House Bill #44 and plans to support a bill that would impose a two year moratorium on the City's annexation. She said she felt like the City needs to do more researching into annexation as well as the extraterritorial jurisdiction.

Councilman Rainey said he felt the City did not need any more local legislation that applies only to the City of Asheville. He said he felt like the Asheville-Buncombe Local Government Study Commission's recommendations had nothing to do with House Bill #44 and he suggested removing the paragraphs pertaining to the the Local Government Study Commission and amending the last paragraph to read as follows: "Whereas, the effect of this Bill applied only to Buncombe County would cause the same growth and financial constraints to the City of Asheville residents as the 1933 Sullivan Act, an act that should also be repealed."

Vice-Mayor Horton commented that in his opinion the recommendations of the Asheville-Buncombe Local Government Study Commission needed to remain in the resolution. He said the Commission members were appointed by the State legislators, the County of Buncombe, and all municipalities in Buncombe County and their recommendations would give strength to the resolution.

Councilman Michael said he was in favor of the resolution as read. He said he felt that Representative Nesbitt is taking a different approach to get the Bill adopted.

Councilman Rainey moved to amend the resolution by deleting the paragraphs pertaining to the Asheville-Buncombe Local Government Study Commission and by amending the last paragraph to read as previously suggested. The motion failed for the lack of a second.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 77-26 was adopted as read, with Councilman Rainey and Councilwoman Swilling voting "no".

Complete text of Resolution No. 77-26 will be found in Resolution Book No. 9 at page 211.

PROGRESS REPORT - FROZEN WATER PROBLEMS

The City Manager reported that the cost factor in thawing the many frozen water lines is increasing rapidly. He said the contingencies would probably carry without an additional appropriation of money through the next two or three weeks. He said after that time other problems would arise with respect to the water system as well as the streets such as pot holes, breakage in the streets, broken water lines that have been frozen that have not been found and will not be found until it thaws. He said the City could be foreseeing a re-appropriation in excess of $100,000 in the next few weeks and he was giving this information to Council as a forewarning.

PUBLIC HEARING SCHEDULED - ARROWHEAD APARTMENTS - OAKLEY

The City Manager read a letter from William M. Tate, from Alco Properties, Inc. and Ridgley K. Robinson, architect, requesting that the Council hold a public hearing on the proposed Arrowhead Apartments in Oakley, to be funded with Section 8 Housing funds. He said he had been advised by HUD that the developer for the proposed apartments has 30 days to receive positive action on the proposed site in East Asheville. He said the plan had been amended to withdraw all the family units previously proposed based on objections at the last meeting.

Councilman Hoyle moved to schedule a public hearing on the matter for March 17, 1977 and to notify HUD of Council's intention to hold the public hearing. This motion was seconded by Councilman Rainey and carried unanimously.

COMMENTS - RE: POLICE DEPARTMENT

Councilman Michael said he would like to clarify, for the record, that he disagreed with Councilman Rainey's comments made during the last weeks Council meeting in that the whole Police Department was bad. He said he did not go along with Councilman Rainey's statement. He said he had confidence in the Police Department but if he did not he would have went to the City Manager and followed the channels.

Councilman Rainey responded by saying that he did not say the Police Department was bad and he to had confidence in the Police Department.

Councilman Morris commented that, except at such times as the Council members vote, that each members comments are his own individual comments and it should not be construed as an opinion of the Council as a whole.

MRS. ROY ROGERS - SENIOR OPPORTUNITY CENTER VAN

Mrs. Roy Rogers, representing the Senior Opportunity Center, again requested that Council consider purchasing a van for the Senior Opportunity Center.

Adjournment.

MAYOR

CITY CLERK

I would hope that we can work together more closely in the future and trust one another and try to help all citizens of Buncombe County, but not at the expense of a few.

Very truly yours,

Otis B. Michael, M. D.
Councilman

OBM/msm

This is an Open Letter submitted for publication in THE ASHEVILLE CITIZEN-TIMES NEWSPAPER.

Councilwoman Swilling commented that she felt Representative Nesbitt's intentions with House Bill #44 was to improve relations with the City of Asheville and the County of Buncombe. However, she did feel that the City of Asheville should not be restricted or forced to do something by legislation.

RESOLUTION NO. 77-27 - RESOLUTION OPPOSING HOUSE BILL 45 OF THE GENERAL ASSEMBLY OF NORTH CAROLINA, SESSION 1977, AN ACT TO REQUIRE APPROVAL BY THE COUNTY COMMISSIONERS OR A REFERENDUM BEFORE A MUNICIPALITY MAY ANNEX PURSUANT TO PART 2 AND PART 3 OF ARTICLE 4-A OF CHAPTER 160-A OF THE GENERAL STATUTES

Consideration was given to a resolution opposing House Bill 45 of the General Assembly of North Carolina, Session 1977, an act to require approval by the County Commissioners or a referendum before a municipality may annex pursuant to Part 2 and Part 3 of Article 4-A of Chapter 160-A of the General Statutes.

The City Manager read the resolution.

Councilman Rainey said he had the same feelings toward this resolution as he did with Resolution No. 77-26.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 77-27 was adopted with Councilman Rainey voting "no".

Complete text of Resolution No. 77-27 will be found in Resolution Book No. 9 at page 213.

ORDINANCE NO. 943 - ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 30 CRESCENT STREET, 114 MILLBROOK ROAD, 37 RAVENSCROFT DRIVE, AND 7 TOXAWAY STREET

3. Consideration was given to the third and final reading of Ordinance No. 943, an ordinance directing the Housing Officer to demolish those dwelling houses known as 30 Crescent Street, 114 Millbrook Road, 37 Ravenscroft Drive, and 7 Toxaway Street.

Mayor Ochsenreiter stated that the ordinance was previously read on the first and second readings and members of Council had been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Councilman Michael commented that he had reviewed all the proceedings leading up to the demolition of 30 Crescent Street, and he was still not satisfied that the damage to 30 Crescent Street was not the responsibility of the City. He said according to the proceedings of the hearing, Mrs. James was not given the opportunity to find out who was responsible for the damage.

J. E. Johnson, Director of Inspections, said the only concern at the hearing was to determine if Mrs. James' house at 30 Crescent Street was fit or safe for human habitation. He said he did not have the authority to determine the responsibility for damage.

Councilman Michael said he still felt that Mr. and Mrs. James were not treated fairly. He said they should have been told that they would have to present a claim for damages.

Councilman Rainey moved to amend Ordinance No. 943 to include a provision that the City Manager is directed to obtain the services of a reputable construction engineer to be at the site of 30 Crescent Street when the house is demolished. His or her task will be to determine whether the house collapsed because of water erosion from a break in the City's water main; eroded by water that the City was not responsible for; because the house was built on a storm drain which collapsed; or a weakness in the fill dirt on which the house was built. This motion was seconded by Councilman Morris and carried unanimously.

The Assistant City Manager stated that a new storm drain has been put in at this location with extensive construction at the rear of 30 Crescent Street, and that there was a possibility that damages might not be determined.

John M. Jerose, Manager of Thoms Cablevision which owns property adjacent to 30 Crescent Street, said there is evidence of a large volume of water coming down from somewhere and he felt Mr. and Mrs. James were treated unfairly in this matter. He said his interest in the matter involves the relocated storm drain which crosses the Thoms Cablevision property. He asked who is responsible for the storm drain, the City which installed it without an easement or Thoms Cablevision Company which bought the property on which it was located. He said a clear-cut policy should be established on such matters of responsibility.

Mayor Ochsenreiter instructed the staff to look into the situation of responsibility requested by Mr. Jerose and report back to Council on their findings.

Mayor Ochsenreiter then called for the vote on the third reading of the ordinance, as amended.

Thursday - February 24, 1977 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen Gene E. Rainey, Otis B. Michael, Ralph D. Morris, Jr., Councilwoman JoAnn M. Swilling, Corporation Counsel William C. Moore, Acting City Manager Kenneth M. Michalove, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: J. W. Hoyle

APPROVAL OF MINUTES

1. Approval of the minutes of the February 17, 1977 meeting.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, the minutes of the February 17, 1977 meeting were approved as submitted.

PUBLIC HEARING - CLOSING LAUREL STREET AND PORTIONS OF MCLEAN STREET AND OAK STREET

RESOLUTION NO. 77-28 - RESOLUTION TO CLOSE LAUREL STREET AND PORTIONS OF MCLEAN STREET AND OAK STREET

2. A public hearing was held relative to closing Laurel Street and portions of McLean Street and Oak Street.

Mayor Ochsenreiter opened the public hearing at 3:07 o'clock p.m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing, which took the form of Resolution No. 77-9, and the affidavit of publication.

Peter Best, attorney representing Thomwins Inc., said the streets were actually "paper streets" that had never been opened and had never been used. However, they were dedicated to the City in 1913. He reviewed the location of the streets by the use of a map. He said the closing of the streets was requested for the benefit of a new subdivision to be entitled "Pine Meadow". He said one street would be located in the subdivision to serve all the lots. He said all the adjacent property owners were in cooperation with the closings. He said the 1913 dedication was a private and public dedication and Council's closing of these streets would clear the public dedication, then all private dedications from adjacent property owners must be relinquished before the streets could finally be closed.

Mr. Glenn Hollis, adjacent property owner, said he had no objections to Council closing the streets.

Upon inquiry of Mr. E. R. McCarthy, the Mayor said the streets to be closed would be recorded and proper taxes would be applied to the property.

Mayor Ochsenreiter closed the public hearing at 3:20 o'clock p.m.

The City Manager read the resolution closing said streets and an affidavit from Mr. Peter Best stating that all adjacent property owners were notified by certified mail of the intent to close the streets.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 77-28 was unanimously adopted.

Complete text of Resolution No. 77-28 will be found in Resolution Book No. 9 at page 215.

City Clerk's Office 2/22/88 4:18 pm (mm)

PETITION

We, the residents (numbering 12 families) on Maple Avenue in Candler, wish to bring to the attention of someone responsible, the problem that grips our neighborhood.

We are now being served with a 3/4 inch water pipe which was installed 25 years ago by The Church Cruel Water Works. It has rusted into in three places that we are now aware of. After having been repaired, it continues to leak.

The water line is now 4 inches underground for a distant of 75 to 100 feet. We know this fails to meet with local codes and specifications required by law.

The water has now been frozen for 5 weeks. We have been told by your own work crews, both times they have been out here to thaw out the frozen lines, that it is because of low pressure they cannot thaw them successfully. When they are thawed, they refreeze almost instantly. Also, we have no water pressure at all for long periods of time in the summer time. This is very inconvient.

We feel that we are being short changed by the water department by failure to supply us with an adequate supply of water. After receiving no water for 5 weeks, due to no fault of our own, we are faced with having to pay a water bill the same as people having water for this period of time.

Because we do pay our water bills the same as everyone else, we ask that this 3/4 inch water line be replaced with a 2 inch line.

We feel that this should be done immediately because this problem is beginning to be no longer just a water problem but a health problem as well.

We hope this will receive prompt action so that we may not have to carry this any further.

On a roll call vote of 5-0, Ordinance No. 943, as amended, passed on third and final reading.

Complete text of Ordinance No. 943 will be found in Ordinance Book No. 7 at page 99.

BIDS - VAN TYPE TRUCK - OFFICE OF THE CITY ENGINEER

4. Consideration was given to bids received February 21, 1977 for a van type truck for the Office of the City Engineer.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Apple Tree Chevrolet in the amount of $4,687.03. The van is to be used as a survey van in the Engineering Division and is to replace a 1972 International "Carry-All" truck recently damaged in an accident beyond economical repair. Sufficient funds for the proposed expenditure are available in the total appropriation for the Water and Sewer Engineer Activity 30-720 by line item transfer. Excess funds in line item 0002 for salaries and wages will exceed total bid amount due to three (3) positions, Engineer Technician II, Laborer, and Civil Engineer II were budgeted but never filled thus creating surplus funds.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Apple Tree Chevrolet in the amount of $4,687.03. This motion was seconded by Councilman Morris and carried unanimously.

Bid Summary

Bidder	Bid
Matthews Motors, Inc.	$5,451.44
Apple Tree Chevrolet, Inc.	4,687.03

PETITION - RESIDENTS OF MAPLE AVENUE IN CANDLER - WATER PROBLEMS

The City Manager read the following petition:

The Assistant City Manager commented that the water in this area must be pumped three times before it reaches the customers. He said the plans for a new reservoir are being formulated by Register and Cummings Engineers and it would probably be another three years or more before it is built. He said the only reserve is what is in the pipes and any unusual water use such as a fire on Haywood Road, a large withdrawal of water by the Sealtest Plant causes a loss of pressure and cuts off the water supply to the residents of the mountain.

Councilman Michael said he serves on a ad hoc committee appointed by the Mayor to study the water problems and recommend solutions. He said they have come to the conclusion that the City is going to have to raise water rates or leave things as they are. He said the extra pumping in this area greatly increases the cost of supplying the water and the City is prohibited by the 1933 Sullivan Act from charging County customers any more for their water than City residents are charged. He ask the residents of the area to support the City in its efforts to get the Act repealed in order to charge an equitable amount to people that it costs more to get water to.

Mr. Smith said he would be willing to pay more for water if he could get the water. He also complained that the residents were receiving water charges when they haven't received any water.

Mr. J. W. Haynes, also complained of the water problems and complained of the Inspections Division not allowing Mr. Snyder to put a trailer on a lot on Deaverview Road.

Mr. Snyder of 552 Deaverview Road complained of the water problems and of the Inspections Division causing him problems in putting a trailer on his property on Deaverview Road.

Verl Emrick, Planning Director, said the area in question is possibly in violation of the Subdivision Regulations. He said Mr. Haynes or Mr. Snyder have not obtained approval for a subdivision through the Subdivision Regulations. He also said the area was also possibly in violation of the Zoning Ordinance.

Mayor Ochsenreiter instructed the City Manager to work with Mr. Haynes in an effort to solve the problems presented.

Councilman Rainey suggested that Corporation Counsel review the contract regarding the reservoir to see what the City is obligated to.

Upon inquiry of Councilwoman Swilling the City Manager advised that the City is required to charge a minimum water bill because it is tied in with the Metropolitan Sewerage District charge.

MRS. DOROTHY PEEKE - USE OF THOMAS WOLFE AUDITORIUM FOR NORTH CAROLINA SYMPHONY CONCERT

Mrs. Dorothy Peeke, Asheville School Teacher, appealed to Council for the use of the Thomas Wolfe Auditorium for the North Carolina Symphony Concert rent free on April 28, 1977, for one hour in the morning. She said the concert would be for City school students from elementary through junior high grades.

Mayor Ochsenreiter advised Mrs. Peeke that a strict policy had been established on the rental of the Civic Center.

It was the consensus of Council that Mrs. Peeke should take her request to the Asheville Area Civic Center Commission during their meeting on Monday, February 28, 1977, to obtain approval through the Commission.

Mayor Ocksenreiter instructed the City Manager to have the Water Engineering Department look into the request and report their findings to Council at next week's Council meeting.

PETITION - CEDAR HILL ROAD - DEAVERVIEW MOUNTAIN AREA - WATER PROBLEMS

TO: THE CITY OF ASHEVILLE CITY COUNCIL

Mr. Thomas A Smith read the following petition, signed by approximately 105 people:

WE, THE UNDERSIGNED RESIDENTS OF THE CEDAR HILL ROAD - DEAVERVIEW MOUNTAIN AREA, RESPECTFULLY REQUEST THAT THE COUNCIL CAUSE AT AN EARLY DATE A SURVEY BE MADE OF THE CITY WATER SITUATION IN THIS AREA AND CONSTRUCTIVE ACTION TAKEN TO HELP US WITH THE OVERWHELMING PROBLEM OF LITTLE OR NO WATER FOR LONG PERIODS OF TIME. IT WOULD APPEAR THAT THE TWO INCH LINE IS INADEQUATE TO PROVIDE WATER FOR THE NUMBER OF CONSUMERS THAT THE CITY HAS ALLOWED TO TAP ON TO THE SMALL LINE IN THIS ELEVATED SECTION. THE LAND WAS DONATED AND A LARGE RESERVOIR PROMISED BUT NOW THE RESIDENTS HAVE NO INFORMATION AS TO WHETHER THE RESERVOIR AND PUMPING STATION WILL BE CONSTRUCTED. MANY OF THE RESIDENTS HAVE BEEN WITHOUT WATER FOR SIX WEEKS OR MORE. GREAT HARDSHIP RESULTS FROM INADEQUATE PRESSURE. THE RESIDENTS NEED THE RESERVOIR WITHA MAIN LINE OF AT LEAST SIX INCHES AND SOME PUMPING FACILITIES TO INCREASE THE PRESSURE. THE SIX INCH LINE AND THE PUMPING STATION ON THE DEAVERVIEW ROAD SIDE DOES NOT NOW BENEFIT THE CEDAR HILL ROAD - DEAVERVIEW MOUTAIN AREA. IT IS RESPECTFULLY REQUESTED THAT WE BE GIVEN INFORMATION AS TO THE PLANS THE CITY WATER DEPARTMENT HAS FOR THIS AREA AND THIS SITUATION.

NAME	ADDRESSES
Thomas A Smith	Rt 9 Box 552F Bvl. NC.
Donna C Smith	Rt 8 Box 552F Asbe NC 28804
Donald Statham	Vionmont Dr. Asheville NC

TO: ALL MEMBERS OF THE ASHEVILLE CITY COUNCIL
FROM: MEMBERS OF THE ASHEVILLE POLICE DEPARTMENT

WE, THE UNDERSIGNED MEMBERS OF THE ASHEVILLE POLICE DEPARTMENT, WISH TO EXPRESS OUR DISAPPOINTMENT IN THE ASHEVILLE CITY COUNCIL BY THEIR VOTE TO RE-INSTATE KENNETH C. EDWARDS TO OUR DEPARTMENT.

JOE BRADY - RECRUITMENT OF CHIEF OF POLICE

Mr. Joe Brady requested that the Council and the City Manager thoroughly review the qualified applicants for Chief of Police in the Asheville Police Department. He said he felt sure there was a qualified person in the department.

PETITION FROM FRATERNAL ORDER OF POLICE - RE: K. C. EDWARDS

Mr. Cecil Burnett, President of the Fraternal Order of Police, presented the following petition and documents relative to the reinstatement of K. C. Edwards:

(See next page)

328

I was driving on Biltmore Avenue on May 30, 1975, about 4:00 in the morning when I was stopped by an Asheville policeman, who I later learned was Officer K. C. Edwards and was asked for my drivers license. I told him that I did not have them with me and he called in on his radio and told me that my license had been revoked. I was then arrested and my car was picked up by a wrecker and I was taken to the Magistrates office in the Court House. Officer Edwards told the Magistrate that I should be recognized and I was released. He then offered to drive me to where I was staying and I agreed. The officer and I drove to the Travel Inn Motel and he told me that if I had sex with him, he would testify in court that there were several people in the car, a lot of moving around and that no one admitted to driving, and that if he testified this way I would win the case. Officer Edwards and I went to my room, room 101, after parking the car about 4 or 5 places from my room and had sexual relations. We were in my room about 15 minutes when we saw lights reflect on the windows and we got up and looked out and saw another police car outside. The police car turned around and left. Officer Edwards immediately started getting dressed and told me that he thought it was Captain Best in the other police car. As soon as he was dressed, Officer Edwards left. About 2 weeks later I saw the officer who arrested me driving around the motel and we talked. I reminded him of the deal that we had made and he acted like he didn't remember it and told me he didn't remember the deal. I went to court on June 2, 1975 and Officer Edwards was there against me and my case was continued until June 17, 1975. Officer Edwards and I talked and he said he would ask the solicitor to go easy on me and I told him that he better not appear against me on the next court date or I would reveal the deal that we had made and the reason for making the deal. Sometime between the first time I went to court and the second time I went to court, Edwards called the Travel Inn Motel and left a message for me to call him at the Buncombe County Ambulance Service where he was working another job. I returned his call and agreed to meet him at the Court House. I went to the Court House around midnight and was taken upstairs on the elevator to the office of the ambulance service. Edwards and I went into a back room where there was a bed and had sex and we were there for about 1 hour. Edwards told me he would not appear in court against me. I went back to court on June 17, July 14 and July 18, 1975, and did not see Officer Edwards in court and the case was postponed until August 8, 1975. Between July 18 and August 8, 1975, he came to the motel and talked with me and told me that if I would go to bed with him again, he would tell the Court that I had moved to Florida, and then attempt to take the warrant from the court files. He left his car in the rear of the motel and we entered room 147 and had sex. I did not appear on August 8, 1975, in court and recently when checking with the police department, I was told that there was a warrant out for my arrest.

City of Asheville

ASHEVILLE, NORTH CAROLINA

February 23, 1977

Representative James Clark
House Representative
Legislative Building
Raleigh, North Carolina 27611

Dear Jamie:

Yesterday I read in the Institute of Government legislative bulletin that you had introduced House Bill 230, a local bill applying only to Buncombe County, requiring a moratorium on further annexation and/or incorporation until July 1, 1979. So far I have not received a copy of the bill but the Asheville City Council has previously discussed the negative effects of legislation which applies only to Buncombe County. In particular, I am referring to our opposition to the proposed House Bills 44 and 45 and the 1933 Sullivan Act. Copies of those City Council resolutions are attached.

Since this is your first year in the General Assembly you may not be aware of a 1975 House Bill that created the Asheville-Buncombe Local Government Study Commission. Briefly this legislation put a moratorium on annexation and/or incorporation in Buncombe County until February 1, 1977 and until such time as a study was made by a commission to be named by the 1975 North Carolina General Assembly delegates, the County of Buncombe and all of the municipalities in Buncombe County. This committee of twenty-six (26) met for seventeen months studying the local governments and it was their conclusion that "The Commission has examined the state's policy on municipal annexation and finds that the statutes adequately protect individual citizens and property owners and are necessary to the orderly growth of our cities and towns and the proper development of our community. The Commission recommends, therefore, that the moratorium on use of the "standards and services" method be ended and that the county's cities and towns annex territory whenever appropriate and in accordance with state law."

To the members of the Asheville-Buncombe Local Government Commission and the Asheville City Council the proposed directive is clear, follow current state law, end the moratorium, and no further legislation is needed. We hope

He also invited all Council members and their wives to attend a retirement party for Chief J. C. Hall, Bill Allison, and Sgt. Rhew on March 11, 1977, at 6:30 at the Holiday Inn - West.

Mayor Ochsenreiter told Mr. Burnett that Council will consider the matters presented and decide what response, if any, to make.

DOWNTOWN ADVISORY COMMITTEE

Mayor Ochsenreiter thanked the members of the Mayor's Downtown Advisory Committee for their efforts. He said it was his recommendation that Council will move forward in establishing a formal Downtown Advisory Committee for the revitalization of downtown.

REGIONAL AIRPORT MEETING

Mayor Ochsenreiter reported that Councilman Michael, the City Manager, and himself had attended a meeting on the Regional Airport Concept. He said it was a very successful meeting with the WNC representatives. He said another meeting is planned in early April to discuss the concept in detail.

SOUTHERN RAILWAY MEETING - RAILROAD CROSSING AT BILTMORE

Mayor Ochsenreiter reported that he, along with the City Manager, met with Southern Railroad officials regarding the problems of the railroad crossing at Biltmore. He said recommendations were discussed and the City Manager would be giving a report on the findings in the near future.

LETTERS TO LEGISLATORS - RE: HOUSE BILL 44, 45, AND 230 - ANNEXATION - EXTRATERRITORIAL JURISDICTION

Vice-Mayor Horton requested that the following letters be made a part of the minutes.

332

CITY OF ASHEVILLE

ASHEVILLE, NORTH CAROLINA

EUGENE G. OGHENEMEITEN, JR.
MAYOR

February 23, 1977

Representative Mary Nesbitt
Legislative Building
Raleigh, North Carolina 27611

Dear Mary:

On Thursday, February 17, 1977 the Asheville City Council passed two resolutions opposing legislation which involved your sponsorship.

1. Resolution opposing House Bill 44 of the General Assembly of North Carolina, Session 1977, an act to require approval by County Commissioners or a referendum before a municipality may adopt or amend an ordinance to exercise the powers granted in Article 19, Chapter 160A of the General Statutes in the Extraterritorial jurisdiction and to prohibit charging of fees for appeals.

2. Resolution opposing House Bill 45 of the General Assembly of North Carolina, Session 1977, an act to require approval by the County Commissioners or a referendum before a municipality may annex pursuant to Part 2 and Part 3 of Article 4-A of Chapter 160A of the General Statutes.

Media accounts of our action and rumors have a way of distorting and magnifying out of context what personal communications can resolve, so let me briefly describe our intent. Due to the mandates of the 1933 Sullivan Act the City of Asheville has had to finance the supply, maintenance and engineering of a countywide water system for years until recently at the expense of the City of Asheville resident paying for the bonds to supply the water and the County residents paying consumption rates equal to those paid by City residents. This is the only place in the State of North Carolina that this situation exists and this situation is the direct result of well intentioned local legislation designed to meet the problems of the 1930's.

that the seventeen months of hard work by this broadly representative group of citizens has not gone for naught and we hope that the members of the Buncombe County Delegation will follow recommendations of the Commission and the feelings of the Asheville City Council.

There has been some rumor that it is the intent of the City of Asheville to immediately annex large tracts of land. This is strictly a rumor. We have no intention of any annexation except for the possibility of "rounding out the City Limits" to include some commercial and residential property which is logically now receiving city services, such as Beaver Lake Golf Course and the Hilton Inn. Quite frankly, with the financing needed to make the police-fire pension actuarially sound and other drastically needed capital projects, the City of Asheville cannot finance the capital expense required by law to annex large tracts of land.

I hope these comments will lead you and the other members of the delegation to the decision of not moving forward with local legislation that is not supported and applicable on a statewide basis.

Very truly yours,

Eugene C. Ochsenreiter, Jr.
Mayor

Adjournment.

Eugene S. Schroeder
MAYOR

William F. Malecek
CITY CLERK

The City Council viewed House Bills 44 and 45 as the same type of restrictive legislation and therefore felt it necessary to discuss the bills publicly and to voice our concerns by resolution.

I hope that you and the other members of the delegation will thoroughly consider our concerns and that you will not pursue the passage of these two Bills or any other local Bill that would cause growth and financial constraints to the City of Asheville residents.

Very truly yours,

Eugene C. Ochsenreiter, Jr.
Mayor

Enclosures: 1) Resolution opposing House Bill 44 of the General Assembly of North Carolina, Session 1977, an act to require approval by County Commissioners or a referendum before a municipality may adopt or amend an ordinance to exercise the powers granted in Article 19, Chapter 160A of the General Statutes in the Extraterritorial jurisdiction and to prohibit charging of fees for appeals.

2) Resolution opposing House Bill 45 of the General Assembly of North Carolina, Session 1977, an act to require approval by the County Commissioners or a referendum before a municipality may annex pursuant to Part 2 and Part 3 of Article 4-A of Chapter 160A of the General Statutes.

Councilwoman Swilling moved to direct the City Clerk to send a letter to the Asheville Area Civic Center Commission stating Mrs. Peeke's request to Council for their information and consideration and to also send a copy of the City Council minutes of February 24, 1977 to the Commission which stated Council's feelings about Mrs. Peeke's request. This motion was seconded by Councilman Morris and carried unanimously.

RESOLUTION NO. 77-29 - RESOLUTION REQUESTING THE BUNCOMBE COUNTY LEGISLATIVE DELEGATION TO INTRODUCE LEGISLATION INTO THE GENERAL ASSEMBLY AMENDING CHAPTERS 242 AND 243 OF THE PUBLIC LOCAL LAWS OF 1939, AS HERETOFORE AMENDED, SO THAT THE POLICEMEN'S PENSION AND DISABILITY FUND AND THE FIREMEN'S PENSION AND DISABILITY FUND CAN BE CLOSED TO FUTURE PARTICIPATION AND PLACED ON AN ACTUARIALLY SOUND FINANCIAL BASIS AND SO THAT THE CITY COUNCIL CAN BEGIN NEW ACTUARIALLY SOUND PENSION PLAN FOR FUTURE EMPLOYEES

5. Consideration was given to a resolution requesting the Buncombe County Legislative Delegation to introduce legislation into the General Assembly amending Chapters 242 and 243 of the Public Local Laws of 1939, as heretofore amended, so that the Policemen's Pension and Disability Fund and the Firemen's Pension and Disability Fund can be closed to future participation and placed on an actuarially sound financial basis and so that the City Council can begin new actuarially sound pension plan for future employees.

The City Manager read the resolution and explained that the document detailing the description of the changes to be made in the law has been circulated amongest the employees of the Police and Fire Department.

He then read the following letter from John R. Young, President of the Fraternal Order of Firefighters:

DATE: March 3, 1977

MEMORANDUM TO: Asheville City Council

FROM: John R. Young, President
Fraternal Order of Firefighter's

SUBJECT: Asheville Firemen's Pension and Disability Fund

At a Meeting February 25, 1977, City Manager Ben Richelove, Mike Smith, and representatives from the Fire and Police Departments agreed, the City freeze the present Fire and Police Pension Plans, with the present number of Firemen and Policemen under these Pension Plans.

It was also agreed, the City of Asheville would pay into these pension plans enough money to meet the standards of Actuarial Soundness set forth in N. C. General Statutes 160-A-163 and that this money would be used only to pay benefits for participants, retired participants or their beneficiaries.

Since this meeting 137 firemen have been contacted personally and all are in agreement with the City freezing these present pension plans and setting up a new plan for future firemen.

J. R. Young

Thursday - March 3, 1977 - 7:30 o'clock p. m.

Regular Meeting

Present: Vice-Mayor Bill B. Horton, Presiding; Councilmen J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Ralph D. Morris, Jr., Councilwoman JoAnn M. Swilling, Corporation Counsel William C. Moore, Acting City Manager Kenneth M. Michalove, Assistant City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Eugene C. Ochsenreiter, Jr.

APPROVAL OF MINUTES

1. Approval of minutes of February 24, 1977 meeting.

Upon motion of Councilman Michael, seconded by Councilwoman Swilling, the minutes of the February 24, 1977 meeting were unanimously approved as submitted.

REPORT ON STORM DRAINAGE PROBLEM - PROPERTY OF THOMS CABLEVISION

2. Vice-Mayor Horton said at the February 24, 1977 meeting Mr. John Jerose brought to the attention of Council a storm drainage problem located around the Cablevision property. He said the Mayor had instructed staff to look at the situation and report back to Council their findings. He asked the City Manager if the report was available.

The City Manager reported that the staff was in the process of obtaining the circumstances surrounding the storm drainage problems in the area as well as the City policy on such matters. He said the report should be available within two weeks.

DEAVERVIEW ROAD - WATER PROBLEMS

3. Upon request of the Vice-Mayor, the City Manager reported that he had met with Mr. Haynes on Friday, February 25, 1977 and toured the area. He said he was beginning meetings with the Water Department, Planning Department, and the Inspection Division on the matter. He said the Water Department had been in the area during the past week and was able to increase the pressure by 30 lbs. by manipulating valves. He said he felt the City had done as much as could be done for the time being.

MRS. DOROTHY PEEKE - USE OF THOMAS WOLFE AUDITORIUM - N. C. SYMPHONY CONCERT

4. Councilwoman Swilling said at the February 24, 1977 meeting Mrs. Dorothy Peeke, an Asheville school teacher, appeared before Council requesting the use of the Thomas Wolfe Auditorium for the Asheville City school children to hear the N. C. Symphony in April. She said Council had referred Mrs. Peeke to the Asheville Area Civic Center Commission regarding her request. She said it was her understanding that Mrs. Peeke was unable to attend the Commission's meeting.

RESOLUTION NO. 77-31 - RESOLUTION AMENDING AND APPROVING PROGRAM BUDGET CHANGES IN THE ASHEVILLE COMMUNITY DEVELOPMENT REHABILITATION GRANT PROGRAM CONTRACT

7. Consideration was given to a resolution amending and approving program budget changes in the Asheville Community Development Rehabilitation Grant Program Contract.

The City Manager read the resolution. He said during Council's work session it had been decided to add areas outside the Community Development area however, HUD has informed the City that the area outside the Community Development area could not be included. He said this resolution would offer no budget changes but would merely raise the income levels of applicants to $5,000 instead of $4,000 and raise the maximum grant to $5,000 instead of $3,500.

Logan Delany, Community Development Coordinator, said, these changes should allow for better use of the money. He said the cost of rehabilitation has gone up since the inception of the Grant Program as has the income of the families and individuals in need of grant funds for rehabilitation. He said the list of families of $4,000 or less with homes requiring $3,500 or less to bring them to the minimum property standards had nearly been exhausted.

Larry Holt, Deputy Director of the Asheville Housing Authority, said approximately 36 families will be included in the grant program by these changes.

The City Manager said Mr. O'Neil Maney of the Asheville Housing Authority said these amounts are consistent with other cities in North Carolina participating in the Grant Program.

Councilman Michael emphasized that the $5,000 income level is based on adusted net income rather than the gross income.

Upon motion of Councilman Morris, seconded by Councilman Rainey, Resolution No. 77-31 was unanimously adopted.

Complete text of Resolution No. 77-31 will be found in Resolution Book No. 9 at page 219.

RESOLUTION NO. 77-32 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO CONTRACT FOR ENGINEERING SERVICES WITH TALBERT & COXE ASSOCIATES, INC. FOR IMPROVEMENTS TO THE ASHEVILLE AIRPORT

8. Consideration was given to a resolution authorizing the City Manager to enter into contract for engineering services with Talbert & Coxe Associates, Inc. for improvements to the Asheville Airport.

The City Manager read the resolution and explained that the contract calls for the consultant's services to include the necessary studies and investigation to develop the data needed to prepare the Airport Master Plan and Report as outlined in the Scope of Work which accompanied the City's Airport Master Planning Grant Application. Further, the Plan and Report shall be done in accordance with FAA Advisory Circular 150/5060, Airport Master Plans and Order 5900.1, Planning Grant Program Handbook. FAA Forms 5090-1, 2, 3, and 4 will be completed and furnished to FAA as a part of this contract. These services shall include conferences with the appropriate City and State officials, and other interested local and State parties, preparation of the actual Airport Master Plan and

He said it was his understanding that the Police Department has also prepared a similar letter.

Vice-Mayor Horton commented that Council had been working for over two years to get the Police and Fire Pension Plan resolved in such a manner to preserve the benefits and maintain the funding in such proportion that the City taxpayers could afford. He then reviewed the background details leading up to the proposed legislation. He said Council had met with the delegation on several occasions regarding the proposed plan.

Councilman Rainey said it was his hope that the Buncombe County delegation would support the proposed plan.

Councilwoman Swilling and Councilman Hoyle expressed their appreciation to the staff for working with the employees on the matter and expressed appreciation to the employees for their acceptance of the proposed plan.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, Resolution No. 77-29 was unanimously adopted.

Complete text of Resolution No. 77-29 will be found in Resolution Book No. 9 at page 217.

RESOLUTION NO. 77-30 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE LEASE AGREEMENTS FOR SPACE IN THE ASHEVILLE AIRPORT TERMINAL BUILDING

6. Consideration was given to a resolution authorizing the Mayor to execute lease agreements for space in the Asheville Airport Terminal Building.

The City Manager read the resolution and explained that this resolution involved the leases for the gift shop location and space in the baggage room and right to conduct limousene service for the Asheville Airport.

The City Manager advised that proper publication pursuant to Section 7 of the Charter Appendix-Related Laws relative to the leases had been made.

At the request of Council, the City Manager reviewed the details of the lease agreements as well as the differences in revenue from the previous lease of 1972-1977. He said the lease agreements are on a 5-year basis. He also reviewed the option to renew or terminate clause of the leases. He said the Airport Manager conducted a survey of other airports and these leases are consistent with the other airports.

Upon motion of Councilman Hoyle, seconded by Councilman Michael, Resolution No. 77-30 was unanimously adopted, with Councilman Morris abstaining from the vote.

Complete text of Resolution No. 77-30 will be found in Resolution Book No. 9 at page 218.

RESOLUTION NO. 77-35 - RESOLUTION OF INTENT TO CLOSE ALLEY AND CALLING A PUBLIC HEARING ON THE QUESTION (REQUESTED BY SEABORN PARKS FOSTER - SPRING STREET)

11. Consideration was given to a resolution of intent to close alley and calling a public hearing on the question, requested by Seaborn Parks Foster.

The City Manager read the resolution.

Councilman Morris moved for the adoption of Resolution No. 77-35 scheduling the public hearing for March 31, 1977. This motion was seconded by Councilman Michael and carried unanimously.

Complete text of Resolution No. 77-35 will be found in Resolution Book No. 9 at page 224.

RESOLUTION NO. 77-36 - RESOLUTION OF INTENT TO CHANGE NAMES OF SOME STREETS AND CALL FOR OBLITERATION OF OTHER STREETS IN THE RENEWAL AREA, N. C. R-13 AND CALLING A PUBLIC HEARING ON THE QUESTION

12. Consideration was given to a resolution of intent to change names of some streets and call for obliteration of other streets in the Renewal Area, N. C. R-13 and calling a public hearing on the question.

The City Manager read the resolution and explained that this resolution derived from a request by Beverly-Hanks Associates as well as other businesses in the area.

Councilman Rainey expressed concern about the residents living on these streets, particularly on Poplar Street.

The City Manager advised that the owners/residents on these streets would be contacted prior to the public hearing.

Councilman Michael moved for the adoption of Resolution No. 77-36 scheduling the public hearing for March 31, 1977. This motion was seconded by Councilman Morris and carried unanimously.

Complete text of Resolution No. 77-36 will be found in Resolution Book No. 9 at page 226.

PETITION - RESIDENTS OF CANDLER KNOB ROAD OFF DEAVERVIEW ROAD - WATER PROBLEMS

The City Manager read the following petition from residents of Candler Knob Road off Deaverview Road relative to their water problems:

Report, preparation of the Environmental Assessment Report, coordination with the Federal Aviation Administration as the work progresses so that, upon completion the Plan and Report can be approved by FAA.

The City Manager said the services would be $55,645.00 with the majority to be paid for by a Planning Grant previously received. He said Talbert & Coxe Associates have been involved with the Airport since its inception. He said the Regional Airport concept officials, which met for the first time last week, will also be a part of the Airport Master Plan.

Upon motion of Councilman Michael, seconded by Councilwoman Swilling, Resolution No. 77-32 was unanimously adopted.

Complete text of Resolution No. 77-32 will be found in Resolution Book No. 9 at page 220.

RESOLUTION NO. 77-33 - RESOLUTION ACCEPTING THE DEDICATION AND QUITCLAIM DEED WITH REFERENCE TO PROPERTY IN THE CIVIC REDEVELOPMENT PROJECT N. C. R-13

9. Consideration was given to a resolution accepting the dedication and quitclaim deed with reference to property in the Civic Redevelopment Project N. C. R-13.

The City Manager read the resolution and explained that this would complete the legal language of land conveyance in order to officially close out Civic Redevelopment Project N. C. R-13.

Mr. Larry Holt, Deputy Director of the Asheville Housing Authority, described the location of the streets.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 77-33 was unanimously adopted.

Complete text of Resolution No. 77-33 will be found in Resolution Book No. 9 at page 221.

RESOLUTION NO. 77-34 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE EASEMENT IN FAVOR OF THE CAROLINA POWER AND LIGHT COMPANY

10. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company.

The City Manager read the resolution and explained that Carolina Power and Light Company is requesting this easement in order to update an existing power line on Kimberly Knoll.

Councilman Rainey said he would like to see Carolina Power and Light Company install their lines underground.

Upon motion of Councilwoman Swilling, seconded by Councilman Michael, Resolution No. 77-34 was unanimously adopted.

Complete text of Resolution No. 77-34 will be found in Resolution Book No. 9 at page 223.

Vice-Mayor Horton instructed the City Manager to follow through with investigations relative to the petition.

MRS. COY JOHNSON - 26 FOURTH STREET - WATER PROBLEM

Mrs. Coy Johnson of 26 Fourth Street in Oakley complained to Council because she has had no water since January due to frozen water lines on the City's side. She said since she has had no water she has received two water bills and she was informed that the bills were sent according to law. She said if that is the case the law should be changed. She said she would like immediate attention to her problem.

The City Manager explained that the minimum water change is set by ordinance and can only be changed by Council. He said Mrs. Johnson's water bill would be adjusted when the meters are read. He said bills for January and February were estimated due to frozen meter taps.

Assistant City Manager Wolcott said he would take care of Mrs. Johnson's frozen water line.

The City Manager suggested that he research the minimum water bill charge and make a recommendation to Council regarding same at Council's Tuesday agenda meeting.

Councilman Rainey requested that the City Manager also report on the Metropolitan Sewerage District charge on the water bill and research as to where the minimum water charge came from.

RON HARRIS - JUSTICE RIDGE ROAD - WATER PROBLEM

Mr. Ron Harris, said he was representing several waterless citizens. He said in the fall of 1976 the group requested from Council and the County Commissioners that something be done to improve the water system on Justice Ridge Road. He said Council granted the new system, however the project has never been started.

The City Manager said the money was appropriated and the City went through a bid process and then the City felt like the job could be handled with City forces rather than contracting the job. However, about that time weather conditions took most of the city forces time and the job could not be started. He said this matter would be given further consideration and an answer should be ready in a week to ten days.

JOE ROTOWITZ - 51 DILLINGHAM ROAD - COMPLAINT RE: STREETS AND SIDEWALKS

Mr. Joe Rotowitz, 51 Dillingham Road, complained to Council about the street condition at 51 Dillingham Road. He said it was a very flat portion of the street and when it rains it fills up with water and icys over. He said he had requested assistance with the problem for 3 or 4 years. He also complained of inadequate fire protection on Dillingham Road, due to no fire hydrant.

Received 2/28/77 City Clerks Office - 11:23 mm

ASHEVILLE, N C

February 25, 1977

WE, the undersigned residents of Candler Knob Road, off Deaverview Road, West [redacted]sheville, N C Buncombe County demand immediate attention be given to the water situation in our area. The water pressure is so low, if we have any water at all, that it is resulting in damages to our appliances and causing unsanitary living conditions. The signatures below represent the entire families on our road.

REPORT OF VICE-MAYOR HORTON - "KISS" CONCERT - MARCH 1, 1977

Vice-Mayor Horton said he had received several disturbing reports from people who attended the "Kiss" concert on March 1, 1977 at the Asheville Civic Center. He said based on these reports, he concluded that the building was overcrowded, overwarm, and the crowd was over offensive. He said since this is the second time for community embarrassment due to a rock concert he felt this matter should be carefully studied by the City Council and the Asheville Area Civic Center Commission.

Vice-Mayor Horton then presented the following request of the City Manager:

To Ken Michalove

From Bill B. Horton

Subject Report on "KISS" Concert at Civic Center, 3-1-77.

Dear Ken:

For my personal information, and so that it might be made known publicly to the citizens of Asheville, and in order that this information be available to all members of City Council for their consideration, will you please seethat answers to the following questions are provided.

(1) What was the attendance at the "KISS" Concert held on March 1:
(a) Paid.
(b) Unpaid.

(2) What form of seating was used and why?

(3) What is the maximum seating capacity for such a performance if reserved seating is used with everyone theoretically remaining in his seat?

(4) Were complaints made to any Civic Center staff member of alleged possession and use of alcohol or drugs, or disorderly conduct, or use of abusive and vulgar language so as to create a nuisance to others in the audience?

(a) If so, what was done about these complaints?

(5) Were any persons ejected from the Civic Center for the possession or use of alcohol or drugs or for disorderly or abusive conduct?

Mr. Rotowitz also complained of the street conditions downtown as well as the sidewalk conditions. He cited such places as in front of the old S & W Cafeteria, Lexington Avenue, and Starnes Avenue. He said this should be put on some type of street program before the spring or summer when tourist arrive.

Councilman Rainey said he felt these problems should be looked into as well as attention to the proposed weed ordinance and a garbage ordinance to deal with non-containerized garbage blowing downtown.

Arthur Brooks said he was in a meeting with Quality Forward and these same problems were discussed. He said Southside Avenue at Beech Hill was a dumping area. He said he would like for the Sanitation Department to pick up this trash and place a "No Dumping" sign on the property. He said Quality Forward as well as several of the city staff are planning to attend a workshop on how to make a beautiful city, which he felt would be very helpful. He also said the trash on Sweeten Creek Road was discussed during the Quality Forward meeting.

PROCLAMATION - GIRL SCOUT WEEK - MARCH 6 - 12, 1977

Vice-Mayor Horton read a proclamation proclaiming March 6-12, 1977 as Girl Scout Week in the City of Asheville.

COUNCILMAN MICHAEL - RE: NEWS REPORT BY DIRECTOR OF AVIATION - AIRPORT EMPLOYEES LIVING IN HENDERSON COUNTY

Councilman Michael expressed concern about Gary Taylor, Director of Aviation, stating on a T. V. interview that airport employees may be required to move back into the County of Buncombe or lose their jobs. He said this statement may jeopardize the City's chances of establishing better communication and cooperation between the WNC counties regarding participation in a Regional Airport concept. He said it was his understanding that a city policy was previously established that no department head or employee of the City of Asheville were to make any statements about the policies of the City, which included the Civil Service Commission unless they first consulted the City Manager. He said the City Manager was not aware of this news statement and he felt Mr. Taylor should be censored for this statement.

Councilman Michael moved that no statements shall be given relative to the City of Asheville's rules, regulations and decisions by city employees unless they first consult the City Manager and the City Council.

Vice-Mayor Horton said he did not feel a motion was necessary because this was an accepted policy procedure.

Councilman Rainey said it should be understood that this procedure is established to prevent confusion on policy matters between department heads and the City Manager.

Thursday, March 10, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, Acting City Manager Kenneth M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman JoAnn M. Swilling

APPROVAL OF MINUTES

1. Approval of minutes of March 3, 1977 meeting.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, the minutes of the March 3, 1977 meeting were unanimously approved as submitted.

RECOGNITION OF RETIRED CITY EMPLOYEES

The City Manager recognized four recently retired City employees who worked a total of 116 years for the City of Asheville. W. B. Allison worked 31-1/2 years for the Asheville Police Department; Charles R. Rhew worked 25-1/2 years for the Asheville Police Department; Jesse C. Metcalf worked 23-1/2 years for the Sanitation Department; and Thomas A. Yarborough worked 35-1/2 years for the Street Department. The City Manager gave the background of each employees job classification, length of service, promotions, and retirement dates.

Mayor Ochsenreiter, on behalf of the Council, thanked the employees for their dedication and service to the City of Asheville.

PUBLIC HEARING - AMENDING ORDINANCE NO. 322 - SIGN AND OUTDOOR ADVERTISEMENT REGULATIONS

2. A public hearing was held relative to amending Ordinance No. 322, as amended to incorporate revised Sign and Outdoor Advertisement Regulations for the City of Asheville and its one mile extraterritorial jurisdiction.

Mayor Ochsenreiter opened the public hearing at 3:08 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Ochsenreiter stated that the ordinance would be read in its entirety before any comments would be accepted and then anyone with comments or suggestions concerning the sign ordinance should present them in writing at the end of the meeting or within the next two days. He said then the Planning Staff and Council will review the comments before the second reading of the ordinance.

The City Manager, Corporation Counsel and Planning Director read the ordinance.

Mayor Ochsenreiter then asked for a motion relative to the ordinance, stating that comments would be received after the roll call vote on the first reading of the ordinance.

(6) What specific steps were taken to prevent illegal possession or use of alcohol or drugs on the Civic Center premises for this performance?

(7) Both daily newspapers quoted a staff member as saying, "Everything went real smooth." In your opinion, did everything "go real smooth" during the "KISS" concert?

(8) Please inquire and advise what policy restrictions are being utilized in other Civic Arenas in our region for crowd control and control of alcohol and drug abuse, smoking, etc. at Rock Concerts.

If practicable, will you please respond to this request by Thursday, March 10.

Bill B. Horton
Vice Mayor

The City Manager advised Vice- Mayor Horton that due to staff workload the report might not be ready by March 10 but he would do his best to have the report ready. He said he had not received any calls regarding the "Kiss" concert one way or the other and he stated that if anyone had any information they should call the City Manager's office and leave the information.

Joe Rotowitz said 70% of the attendance at the "Kiss" concert was children under 15 and alcoholic beverages should not be allowed. However, it would take 700-800 policement to enforce the smoking law and he felt the police at the concert did the best they could. He said if too many restrictions were placed on the concerts you might as well close the Civic Center .

John Jerose, a member of the Asheville Area Civic Center Commission, said he had also received several complaints regarding the "Kiss" concert. He said he did not feel the commission could look into the situation by March 10 due to a budget session planned by the Commission. However, the Commission would be addressing this situation.

Vice-Mayor Horton commented that the request was directed to the City Manager. However, the Commission would be furnished a copy of the answers to the request for their information.

Adjournment.

Bill B. Horton
MAYOR

Marian F. Holcomb
CITY CLERK

Mr. Mike Summey, of Summey Outdoor Advertising, also objected to the Section dealing with "non-conforming" signs. He said amortization in any form without compensation is not fair and if this section is left into the ordinance his company would have to test the ordinance in court.

Max Coffey, Porta Sign Company, objected to the prohibition against flashing lights on portable signs and the requirement of a minimum clearance of 14' feet from the ground.

E. R. McCarthy said this ordinance should not apply to signs required by the City or any other governmental agency. He also commented that the word "lot" in the ordinance should be described in another manner for defining footage.

Mayor Ochsenreiter closed the public hearing at 4:26 o'clock p. m.

PUBLIC HEARING - CLOSING OF PORTION OF CLUB VIEW ROAD

RESOLUTION NO. 77-37 - RESOLUTION TO CLOSE PORTION OF A STREET (Club View Road).

3. A public hearing was held relative to closing a portion of Club View Road.

Mayor Ochsenreiter opened the public hearing at 4:27 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication. The advertised notice taking the form of Resolution No. 77-13.

The City Manager then read the resolution to close portion of a street, known as Club View Road.

Jack Westall, representing the petitioners, presented photographs to explain the closing of the portion of Club View Road. He said it was felt that this closing would be beneficial to traffic flowing on Club View Road. He said the Grove Park Inn, adjacent property owner, supports the resolution. He said he maintained that the City would be obligated to pave over the grass portion of the turnaround to square off the street.

Mayor Ochsenreiter closed the public hearing at 4:33 o'clock p.m.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, Resolution No. 77-37 was unanimously adopted.

Complete text of Resolution No. 77-37 will be found in Resolution Book No. 9 at page 229.

RESOLUTION NO. 77-38 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO ENTER INTO AN AGREEMENT WITH THE DEPARTMENT OF AGRICULTURE AND THE DEPARTMENT OF INTERIOR THROUGH THE RECREATION DIVISION OF THE DEPARTMENT OF NATURAL AND ECONOMIC RESOURCES OF THE STATE OF NORTH CAROLINA FOR A YOUTH EMPLOYMENT, CONSERVATION AND ENVIRONMENTAL EDUCATION PROGRAM FOR THE SUMMER OF 1977

4. Consideration was given to a resolution authorizing the Director of Parks and Recreation to enter into an agreement with the Department of Agriculture and the Department of Interior through the Recreation Division of the Department of Natural and Economic Resources of the State of North Carolina for a youth employment, conservation and environmental education program for the summer of 1977.

Councilman Rainey moved for the adoption of Ordinance No. 945. This motion was seconded by Councilman Michael.

On a roll call vote of 5-0, Ordinance No. 945 passed on its first reading.

Mr. Michael Summey requested that Council take a 5 minute recess to discuss the Mayor's suggestion for amendments to the sign ordinance.

COMMENT BY COUNCILMAN MICHAEL - COMMUNITY DEVELOPMENT FUNDS FOR REHABILIATION OF SUBSTANDARD HOUSES

Councilman Michael commented that most of the $200,000 appropriated from the Community Development Budget for the rehabilitation of substandard houses had not been spent. He said, an investigation revealed that a lot of the houses to be rehabilitated were not owner occupied and the owners could not qualify for grants due to net incomes exceeding $5,000. He requested that the City Manager meet with a HUD representative to see if this problem could be resolved in some manner to offer the grants to tenants.

PUBLIC HEARING ON SIGN ORDINANCE CONTINUED

Council reconvened the meeting at 4:08 o'clock p. m.

Councilman Michael was excused from the meeting at 4:08 o'clock p. m.

Mr. George Gontero, of Lamar Dean Outdoor Advertising Co., Inc., said his company would not accept "amortization without just compensation". He said he was in agreement with all aspects of the proposed ordinance except the section providing for Non-Conforming signs to be removed or brought into compliance within three (3) years from the effective date of the ordinance.

Mrs. Samuel Bingham said she felt Mr. Gontero's request could be handled through the Board of Adjustments.

Mike Traber, Executive Director of Quality Forward, read a statement urging adoption of the ordinance as presented. She said the new ordinance reflects Quality Forward's goals.

Lee Thompson of Exxon, objected to the 40-foot height restriction for free-standing signs. He said this restriction would place eight (8) of Exxon's signs into nonconformance.

Robin Daniel of the League of Women Voters, said her organization was pleased that Council was addressing Asheville's need for such an ordinance. She urged its approval without delay.

Ernest A. Hammill cited several sections that needed language clarification. He said he would present those, in writing, to the Council.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 77-40 was unanimously adopted.

Complete text of Resolution No. 77-40 will be found in Resolution Book No. 9 at page 233.

CITY MANAGER'S REPORT ON "KISS" CONCERT

The City Manager read the following report from Civic Center Manager Jim Evans relative to the "Kiss" Concert held in the Asheville Civic Center on March 1, 1977:

March 10, 1977

MEMORANDUM TO: Ken Michalove
Acting City Manager

FROM: Jim Evans
Civic Center Manager

Listed below are the answers to the eight questions from Vice-Mayor Horton regarding the KISS concert, March 1 1977.

1. a. paid attendance: 7,772
   b. unpaid attendance: 129

2. Festival seating was used because this was the promoter's requirement. This is what other buildings use and this is the way the rock fans wish to enjoy concerts. (Festival seating means no seats on the main Arena floor area. This gives a seating capacity of approximately 6,400 and leaves the Arena floor open for people to stand.)

3. The maximum seating capacity for this performance if reserved seating was used is 7,654. (Permission was received from the Fire Marshall to allow 8.000 tickets to be sold for this event due to the additional room available because of festival seating.)

4. There were no complaints made to any Civic Center staff member of illegal possession and use of alcohol or drugs, or disorderly conduct, or abusive or vulgar language during the concert nor have we received any by mail or telephone since that date. The only complaint we have received to date was before the concert began when a women complained to Sonny Hollifield of the crowded conditions in the lobby area prior to the doors opening and people pushing in an attempt to gain entrance to the building. There was one isolated case that was viewed by a member of my staff. where one individual used the lobby area as a public restroom. This incident was related to a policeman who investigated same but was unable to locate the individual who had done this.

The City Manager read the resolution and explained that this would be the third year for the City to participate in the program and there would be no cost to the City, all services would be in-kind.

Upon motion of Councilman Morris, seconded by Councilman Rainey, Resolution No. 77-38 was unanimously adopted.

Complete text of Resolution No. 77-38 will be found in Resolution Book No. 9 at page 231.

RESOLUTION NO. 77-39 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE RIGHT-OF-WAY AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR A WATER LINE ON STATE ROAD 3521 AND STATE ROAD 3522, FOR THE WESTINGHOUSE ELECTRIC PLANT IN SKYLAND, NORTH CAROLINA

5. Consideration was given to a resolution authorizing the Mayor to execute right-of-way agreement with the North Carolina Department of Transportation for a water line on State Road 3521 and State Road 3522 for the Westinghouse Electric Plan in Skyland, North Carolina.

The City Manager read the resolution and explained that the encroachment agreements are for a water line to be constructed on Old Shoals Road and Beale Road to serve the Westinghouse Electric Plant in Skyland.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 77-39 was unanimously adopted.

Complete text of Resolution No. 77-39 will be found in Resolution Book No. 9 at page 232.

PUBLIC HEARING SCHEDULED - REZONING PROPERTY ON HAYWOOD STREET - SEABORN P. FOSTER

6. Consideration was given to a motion scheduling a public hearing relative to rezoning property on Haywood Street from R-3 Residential District to CR Commercial Regional District, property owned by Seaborn P. Foster.

The City Manager read a letter from the Planning and Zoning Commission which recommended the approval of the petition submitted by Mr. Seaborn P. Foster for the rezoning of Lot 3, Sheet 3, Ward 4. The Commission also recommended to Council that Lots 4, 5, 6, 7, 9, 10, 11, and 4'1/2 be rezoned from R-3 Residential District to CR Commercial Regional District.

Vice-Mayor Horton moved to schedule a public hearing on the matter for March 31, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

RESOLUTION NO. 77-40 - RESOLUTION ELECTING MEMBER OF BOARD OF EXAMINERS FOR POLICEMEN'S AND FIREMEN'S PENSION AND DISABILITY FUND (Dr. Bruce E. Elliston)

7. Consideration was given to a resolution electing member of Board of Examiners for Policemen's and Firemen's Pension and Disability Fund. (Dr. Bruce E. Elliston)

CITY MANAGER'S REPORT - A. M. PULLEN AND COMPANY REPORT ON SHILOH-OAKLEY PROJECTS COST OVERRUN

The City Manager reported that he had furnished members of Council a copy of the report from the A. M. Pullen and Company regarding an investigation into the cost overruns on the Shiloh-Oakley Public Works Projects. He said he had requested the City staff to look into the items mentioned in the report and to meet with the contractor to resolve any problems.

CLAIM - S. M. SCHOCHET - THE BOOTERY

The City Manager presented a claim received from S. M. Schochet for water damage to The Bootery at 16 Patton Avenue.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM AMENDMENT - DR. W. P. CAVE, HOLLY McKEE, DR. JOE B. ROBERSON, JR., AND DENTAL ASSOCIATES, INC.

The City Manager presented an amended claim received from Morris, Bolding, Blue and Phillips on behalf of Dr. W. P. Cave, Holly McKee, Dr. Joe B. Roberson, Jr., and Dental Associates, Inc. relative to electrical damage in thawing water pipes.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - HILLIARD MASSEY

The City Manager presented a claim received from Mr. Hilliard Massey for water damage.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - ARNOLD JONES & SON, INC. - RESIDENCE ON PATTON CEMETARY ROAD

The City Manager presented a claim received from Arnold Jones & Son, Inc. for water damage to a new residence on Patton Cemetary Road.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

FLOOD INSURANCE STUDY - TENNESSEE VALLEY AUTHORITY

The City Manager reported that a letter had been received from the Department of Housing and Urban Development advising that the Federal Insurance Administration has executed a contract with the Tennessee Valley Authority to conduct a flood insurance study for the City of Asheville. The study will begin immediately and is scheduled for completion in June,1978. This study will provide the technical information needed to establish actuarial flood insurance rates (rates which reflect true flood risk) and provide a basis for the community's flood plain management program.

5. To my knowledge one person was ejected from the Civic Center and arrested for the possession of marijuana. Twenty police officers were utilized for this concert in addition to twelve doorguards. Prior to the concert I met with Miles Webb, head of security, and laid out the location of each police officer and told him that the officers were employed by the Civic Center and the promoter for the purpose of building security and to assure that those attending the concert act in an orderly manner. I further explained to him that any actions beyond this should be a police matter and handled by the City of Asheville Police Department.

6. Upon my instructions, police officers were stationed at the ticket entrance to watch for any persons possessing alcohol. Anyone bringing alcohol into the building was told that they would have to take it back to their vehicle or leave it in the custody of the Civic Center until after the concert. A total of two bottles of beer were left in the custody of the Civic Center and upon not being retrieved after the concert were destroyed. No persons were searched as they entered the building.

7. In my opinion every facit of the KISS concert went extremely well. There were no crowd control problems other than prior to opening the doors and the massive number of people who were here at this time acted in an extremely orderly manner. There was only minimun damage as a result of the concert (hardware was broken on one exit door and several toilet tissue dispenser broken off from the wall). This is not an unusual amount of damage for a crowd of this size at any type function. I commend the police officers who worked this function for the excellent manner in which they handled the crowds.

8. As soon as I receive the present policies in other coliseums in our area relative to rock concerts I will report to you in full on question #8.

I have been instructed by the Civic Center Commission to report to you that they have not had time to study these questions and provide you with a report and this is their intention to have this item on the agenda at the March 14th meeting.

The City Manager further advised that his office had not received any calls regarding the concert.

Vice-Mayor Horton said he felt rock concerts should be looked at as a "very special type situation". He said a firm operating policy should be established for such situations. He said that he believes there was more that went on than was reported. He asked what procedures are followed for making any necessary arrests at such events and what instructions are given to the police officers. He said perhaps the responsibility of the police officers should be defined.

Thursday - March 17, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, Acting City Manager Kenneth M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of minutes of March 10, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the March 10, 1977 meeting were unanimously approved as submitted.

PUBLIC HEARING - ARROWHEAD APARTMENTS PROPOSAL

2. A public hearing was held relative to the proposed Arrowhead Apartments to be located on Wood Avenue.

Mayor Ochsenreiter opened the public hearing at 3:02 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, commented that he had received one verbal objection to the project from Mrs. Nancy Burrell of 8 Cherrio Lane.

Frank Jemison, President of Alco Properties, Inc., developer of the proposed project, gave a brief history of the project to be developed. He said since the objectors at the last meeting based their objections on occupancy by children, Alco, with HUD's approval, has withdrawn all the family units previously proposed to be built at Arrowhead. Instead, Alco is now proposing that there be 75 efficiency units for elderly, 25-1 bedroom units for the elderly and 16 - 1 bedroom regulars, with 10 per cent (10%) of the units designed for the handicapped. He said this composition would add no children to the area schools and would help meet Asheville's need for elderly units. He said he felt the impact to the area would be positive. He commented that bus service would be available to the proposed project. The project will be a low density one, built on a beautiful, wooded site with areas for shuffleboard and other group activities.

Mr. Jemison commented that the area is properly zoned and meets all code requirements. He said the funds for development of these housing units, through Section 8 Housing funds, have been reserved for over 18 months and HUD wants to know whether Alco Properties will be able to use the allocation. If the project is cancelled the funds would be recaptured by HUD and could possibly be allocated for some other area other than Asheville.

Councilman Rainey asked Alco Properties for a commitment or guarantee that the elderly would be given priority to the 16-1 bedroom regulars.

PROCLAMATION - EMPLOY THE OLDER WORKER WEEK - MARCH 13 - 19

Mayor Ochsenreiter proclaimed the week of March 13 - 19, as Employ the Older Worker Week.

RALPH BISHOP - METER FEEDING - CLARIFICATION

Mr. Ralph Bishop requested a clarification of "meter feeding". He said it was his understanding that Council had deleted "meter feeding" from the parking ordinance. His complaint was based on his receiving a parking ticket for meter feeding.

MEETING WITH LEGISLATIVE DELEGATION - PENSION PLAN

Upon inquiry of Vice-Mayor Horton, Mayor Ochsenreiter announced that the legislators had requested that the Council meet with them in Raleigh on Tuesday night and Wednesday morning, March 16, 1977, for a work session on the proposed police and fire pension plan.

COMMENTS BY VICE-MAYOR HORTON - BIDDING PROCEDURES

Vice-Mayor Horton said he had received an advertisement for bid form from Biltmore Iron and Steel Company for galvanized corrugated steel pipe. The bid form was sent from the City of Asheville Purchasing Division. He said the form had a notation on it that Biltmore Iron and Steel Company wished to have their name removed from the mailing list because they did not wish to bid against their competitors who were not local businesses or local taxpayers.

Vice-Mayor Horton expressed concern that the bidding goes out to people that are not truly competitive to local bidders. He requested that the City Manager forward the advertisement for bid to the Purchasing Division and asked the City Manager to review this matter.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

Marian D. Rabenau
CITY CLERK

Lamar Dean Outdoor Advertising Company

March 11, 1977

Mr. Verl Emrick
Planning Director
P.O. Box 7148
Asheville, N.C.

Dear Verl:

Enclosed please find my recommendations for Sec. 30-9-5, Nonconforming Signs per the Mayor's request.

Attached please find a letter from our home office explaining the new type of molding we will be using on our poster panels and our paint units in the City of Asheville in the future.

The observation reports are filled out by each Lamar Dean employee when he sees that maintenance is needed on one our units.

Verl, please show all this information to City Council members before the next reading of the Ordinance.

Thank you.

LAMAR DEAN OUTDOOR ADVERTISING
COMPANY OF NORTH CAROLINA, INC.

George A. Gontero
General Manager

GAG/jjn

cc: Carl Bogle

172 SWANNANOA RIVER ROAD / P.O. BOX 448 / ASHEVILLE, NORTH CAROLINA 28802 / 704-252-3874

Mr. Jemison gave Councilman Rainey his guarantee that Alco Properties, Inc. would give priority to the elderly for the remaining 16-1 bedroom regulars. He also commented that under the guidelines of the U. S. Department of Housing and Urban Development, which will subsidize the apartments under its Section 8 program, no children above the age of three will be permitted to live in the one-bedroom units. This will eliminate any possibility of school-age children in the project.

Councilman Michael questioned whether or not the approval of the project would affect the elderly projects proposed for Battery Park and Oteen VA Hospital. He said from a survey of the elderly people in Asheville it was determined that Oteen VA Hospital was preferred.

Mr. Jemison commented that he felt Asheville has a need for all three elderly projects.

At the request of Council, David Jones, Executive Director of the Asheville Housing Authority, reported that their office has approximately 418 active applications on file for elderly units. He said the Asheville Housing Authority is now constructing 114 elderly units, but there is a definite need in Asheville for elderly units. He commented that he has found that isolating the elderly people from the younger people has proven to be successful.

Mr. Ray Barr, Mrs. Cecilia Rhodes, and another Oakley resident, all said they felt the site was an undesirable location for the elderly, since it is adjacent to a railroad track, a heavy industrial area and the Oak Knoll project. The main reason seemed to be the presence of two housing complexes in the area already.

After discussion, Mayor Ochsenreiter closed the public hearing at 4:20 o'clock p. m.

Councilman Rainey moved for the approval of the proposed Arrowhead Apartment project to be located on Wood Avenue. This motion was seconded by Councilwoman Swilling.

Councilman Morris requested a roll call vote on the matter.

On a roll call vote of 5-1, the motion passed with Councilman Michael voting "no".

ORDINANCE NO. 945 - ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Sign Ordinance)

3. Consideration was given to the second reading of Ordinance No. 945, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended. (Sign Ordinance)

Mayor Ochsenreiter stated that the ordinance was previously read on first reading and members of Council have been furnished with a copy of the ordinance and the ordinance would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Planning Director, presented the following comments received relative to the proposed sign ordinance:

358

January 21, 1977

To: All Plant Managers

From: Mike Ohland

Enclosed are some photos and drawings of painted bulletins and poster panels done in rough sawn cedar. Please pass the blueprints and one copy of this memo along to your superintendent so he can refer to them when building units like these. The photos are for your lease department to use.

PAINTED BULLETINS

The apron is 45' long for a 48' paint unit. Starting with the center of the first board in the center of the paint copy, working out from the center each way leave 3/8" space between each board. The rough sawn cedar boards are 5/8" thick by 11 5/8" wide. Run the board up behind the section 3" so there isn't any daylight between the apron and the section; then run the boards down past the platform brackets about 3". Also paint the toeboards a sandlewood color to match the cedar prior to installing the cedar stain on all the boards. Use Olympic Stain #716, which is a clear natural sealer. The stringers for the apron are 2 x 4's painted a sandlewood color, and the boards are nailed to the stringers with a coated nail so no rust will run down the face of the apron.

We will install this base on all new painted bulletins. Paint the steel beams #114 medium brown.

POSTER PANELS

Also enclosed is a template for the jagged edge rough sawn cedar trim for poster panels. Use a 1 x 12 x 12 and a 1 x 12 x 14 for the top and bottom trim and a 1 x 12 x 14 for each column. Build out the top and bottom trim with a 4" cedar block at each bracket point, then overlap the end columns over the top and bottom trim, firring out the center with two cedar blocks. Use two 1/4" carriage bolts at each bracket so the boards won't warp.

Install this trim on new poster panels, specifically in "bedroom community" areas. Paint the beams #114 medium brown.

If you have any questions, please give me a call.

Page 15

Sec. 30-9-5. Nonconforming Signs

A. After the effective date of this Ordinance, it shall be unlawful for any person to erect or place any sign which does not conform to the requirements of this Section.

B. A nonconforming sign my be continued but shall be maintained in good condition, and it shall not be:

(1) changed to another nonconforming sign;

(2) structurally altered (except to meet safety requirement);

(3) altered so as to increase the degree of nonconformity of the sign;

(4) expanded;

(5) reestablished after its discontinuance for sixty (60) days;

(6) continued in use after cessation or change of the business or activity to which the sign pertains; or

(7) reestablished after damage or destruction if the estimated cost of reconstruction exceeds seventy-five (75%) percent of the appraised replacement cost (as determined by the Building Inspector).

The third area is the Non-Conforming Signs to be removed or brought into compliance within three years. This will definitely place a hardship on our Company, and dealers. In our opinion, these signs mean so much to the success of these stations. To comply with this ordinance as written, would mean that we would have to remove the signs, since trying to reduce these to the height allowed would make the signs useless. In our opinion, the volume of these stations would be affected to the point of closing, which would definitely not help the economy in Asheville, North Carolina.

I will appreciate very much if you will pass a copy of this letter on to the City Council prior to the next meeting. I do appreciate all the help that you can give us in these three critical areas that is mentioned in this letter.

Yours very truly,

H. D. Moore

Asheville, North Carolina 28807

Proposed Sign Ordinance
Asheville, North Carolina

Dear Mr. Emrick:

Reference is made to the City of Asheville proposed Sign and Outdoor Advertising Ordinance. As I mentioned at one of the planning meetings, this revised ordinance is a big improvement over the first proposed ordinance, and I know you spent many hours on this project.

We do have at least three areas of the new revised ordinance that will affect us badly. These are located under Section 30-3-3 District Sign Regulations, Required Setbacks, Free Standing Signs. Section 30-9-2 Use Regulations,which states that our sign shall not exceed 40' in height. In Section 30-9-5 Non-Conforming Signs, which states shall be removed or brought into compliance herewith within three years from the effective date of the ordinance.

First of all the two recent signs were installed at Expressway and Charlotte Streets, and Expressway and Merriman Avenue. We secured permits on both of these and we feel that both signs will be affected by the required setback.

We have eight signs that will be affected in height which are over 40'. These are as follows:

1. Expressway and Merriman Avenue approximately 90'.
2. Expressway and Charlotte Street approximately 105'.
3. Cox and Southside Street approximately 80'.
4. 873 Merriman Avenue approximately 75'.
5. Tunnel Road and White Pine Street approximately 70'.
6. Tunnel Road and Parkway approximately 70'.
7. Smokie Park Highway approximately 80'.
8. I-40 & Hwy. 19-23 approximately 80'.

5.) Sec 30-3-3(B)(6) read off premisis advertising signs over three hundred square feet be allowed to abut, but not encroach upon the established right-of-way of the nearest public street or highway, but in no case be closer than 30' from the edge of the pavement of said street or highway.

6.) Sec. 30-3-3(B) (6,7,8,& 9) be changed to Sec. 30-3-3(B) (7,8,9,10).

7.) Sec. 30-9-5(A) The last sentence be deleted.

8.) Sec. 30-9-5(B) be changed to read "A non-conforming sign may be continued, but shall be maintained in good condition and it shall not be:"

9.) A new sub paragraph be added as Sec. 30-9-1(A)(8):

"No person, firm, or corporation shall engage in the business of placing or maintaing off premisis advertising signs without first obtaining an outdoor advertising license which must be kept in force at all times when off premisis advertising is being maintained in the City of Asheville. To obtain and to renew said license the licensee must submit a location list of all outdoor advertising structures under his control within the jurisdiction of this ordinance"

Verl Emrick, Planning Director, said amendments, proposed by members of Council, were not yet finalized but would be presented at the next reading of the ordinance.

Upon inquiry of Council, Mr. Emrick explained that the fee schedule which requires higher fees for sign building than for other types of construction was done partly to provide additional revenues to offset the expense of enforcing the ordinance and possibly as a deterrent to larger signs.

Michael Summey, of Summey Sign and Outdoor Advertising Company, insisted that if sign builders are going to have to pay higher fees, other builders should have to so too.

Jane Bingham said the signs are a privilege that the city is granting and the city has the right to decide how much this privilege is worth and charge for it. She said the fee schedule does not necessarily have to be the same as for building contractors.

George Gontero, of Lamar Dean Outdoor Advertising Company again said that his company could not accept any ordinance calling for amortization without compensation and if the amortization goes into the ordinance his company would have no alternative except to go to court. He cited a number of cases in which the courts have ruled in favor of outdoor advertising companies because just compensation was not granted.

ASHEVILLE PLANNING AND ZONING COMMISSION

March 11, 1977

To: Mayor Ochsenrieter
Members of the Asheville City Council

Re: Suggested changes to the proposed City of Asheville Sign and Outdoor Advertising regulations.

1.) Sec. 30-9-1(A)(3)(a) be changed to allow 180 days to begin construction rather than 60 days. This would be in keeping with the time period presently used for all other building permits.

2.) Sec. 30-9-1(A)(5) be changed to the same fee schedule currently used for all other building permits or in the alternative the current fee schedule be changed to the one in this section.

3.) Sec. 30-3-3(B)(4) read: off premisis advertising signs, 75 square feet per face, or less shall be allowed to abut, but not encroach upon the established right-of-way of the nearest public street or highway, but in no case be closer than ten feet from the edge of the pavement of said street of highway.

4.) Sec. 30-3-3(B)(5) read: off premisis advertising signs, three hundred square feet per face or less, shall be allowed to abut, but not encroach the established right-of-way of the nearest public street or highway, but in no case be closer than twenty feet from the edge of the pavemcnt of said street or highway.

over the southeast, competing for awards and prizes. These aircraft would be on display Saturday and Sunday, free of charge to the public. All activities would culminate in an "old-fashion style" air show on Sunday afternoon.

Last year the Western N. C. Pilots Association presented an outstanding air show featuring the U. S. Army Silver Eagles and Golden Knights under extremely adverse weather conditions, and, thanks to the cooperation of airport personnel, the air show was a tremendous success, in spite of the weather.

Your consideration in the above matter and an early approval will expedite booking the outstanding aviation performers which we have tentatively contacted for the above date. Once again, our Association will cooperate fully with the FBO, City of Asheville and Buncombe County authorities and the Department of Aviation, and will work closely with these people to see that the week-end goes along smoothly.

Thank you for any consideration in helping us celebrate the 50th anniversary of modern aviation.

Amogene Norwood,
President

cc: Mr. Ken Michaelove, Acting City Manager
Mr. Gary Taylor, Director of Aviation

Councilman Michael urged that the City Manager receive a report on this matter at an early date.

The City Manager advised that a report would be ready at next week's meeting.

RESOLUTION NO. 77-41 - RESOLUTION AUTHORIZING DIRECTOR OF FINANCE TO SELL SURPLUS PROPERTY

4. Consideration was given to a resolution authorizing the Director of Finance to sell surplus property.

The City Manager read the resolution and explained that this resolution was to sell an old, inoperable and obsolete Rectigraph #2251 Copy Camera in the Division of Inspections and Demolitions.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 77-41 was unanimously adopted.

Complete text of Resolution No. 77-41 will be found in Resolution Book No. 9 at page 235.

Mayor Ochsenreiter announced that a work session between the Council members and the Planning and Zoning Commission would be held next Tuesday, March 22, 1977 to discuss the amendments suggested.

Councilman Rainey suggested that Mr. Emrick review the Black Mountain Sign Ordinance in relationship to political signs before the work session.

Council also discussed the possibility of changing the setback provisions to require that the distance be measured from the pavement rather than from the right-of-way, since several of Asheville's major thoroughfares are not in the center of their respective rights-of-way. It was the consensus of Council to discuss this provision at the work session.

Vice-Mayor Horton requested that Mr. Emrick obtain the front footage of Mom and Pop's Restaurant and Shoney's on Tunnel Road.

Councilman Morris moved to continue the second reading of Ordinance No. 945 until March 24, 1977. This motion was seconded by Councilman Michael and carried unanimously.

AMOGENE NORWOOD - WNC PILOTS ASSOCIATION, INC. - REQUEST FOR AIR SHOW

Mrs. Amogene Norwood, President of the Western North Carolina Pilots Association read the following letter requesting permission to conduct an air show the week-end of May 21-22, 1977:

WESTERN NORTH CAROLINA
PILOTS ASSOCIATION, INC.

P. O. BOX 6617
W. ASHEVILLE, N. C. 28806

March 17, 1977

Hon. Gene Ochsenreiter, Mayor
Asheville City Council

May 20, 1977 commemorates the 50th anniversary of Charles Lindbergh's historic solo flight non-stop from New York City to Paris, France. On May 20, 1927 the course of world history was changed and the birth of modern aviation as a means of rapid transit of globe shrinking proportions was begun.

In commemoration of this historic event, the Western N. C. Pilots Assn. requests permission from the Asheville City Council, through its Department of Aviation, to conduct a Lindbergh Memorial Air Show the week-end of May 21-22, 1977. We propose a Saturday and Sunday celebration through the cooperation of the Department of Aviation and the FBO commemorating the progress of modern aviation with static displays of classic and antique aircraft, replicas and "home builts" from all

ASHEVILLE CONVENTION AND VISITORS BUREAU VOTED INTO INTERNATIONAL ASSOCIATION OF CONVENTION AND VISITOR BUREAUS

Councilwoman Swilling read the following letter:

March 17, 1977

Mayor Eugene C. Ochsenreiter, Jr.
Office of the Mayor
City of Asheville
Asheville, North Carolina 28801

Mayor Ochsenreiter:

It is with extreme pleasure that I inform that on Monday, March 14, the Asheville Convention & Visitors Bureau, representing the City of Asheville, was voted into the membership of the International Association of Convention and Visitor Bureaus.

The significance of this can best be expressed by the fact that there are only 109 member bureaus throughout the world. Included are cities such as San Francisco, Los Angeles, Chicago, Atlanta, London, San Salvador, and Montreal. Our membership in this organization will give Asheville the credibility much needed in once again attracting large national, international, and regional conventions.

I wish to express my sincere appreciation to you and the members of Council for your support of the Convention Bureau. Without this support we could not have possibly advanced so far in such a short period of time.

Cordially,

Dick Trammell

Dick Trammell, Manager
Convention & Visitors Bureau

DT/nsh

Councilman Michael was excused from the meeting at 5:10 o'clock p. m.

ORDINANCE NO. 946 - AN ORDINANCE AMENDING AND APPROVING COMMUNITY DEVELOPMENT BUDGET CHANGES IN THE CITY OF ASHEVILLE'S GENERAL FUND BUDGET, 1976-1977, TO INCLUDE CONSULTANT SERVICES WITHIN THE COMMUNITY DEVELOPMENT PLANNING BUDGET

5. Consideration was given to an ordinance amending and approving Community Development Budget changes in the City of Asheville's General Fund Budget, 1976-1977 to include consultant services within the Community Development Planning Budget.

The City Manager read the ordinance and explained that this ordinance would be transferring $10,000 from the Nasty Branch improvement fund to the Community Development planning budget to provide for the environmental reviews required before work can start on the Carroll Avenue access project, School Playgrounds, Appalachian Way-Huffman Road Fire Lines, Chestnut Street Water Line and Housing Incentive Program. He said these reviews should be completed within the next sixty (60) to ninty (90) days.

Vice-Mayor Horton moved for the adoption of Ordinance No. 946. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 5-0, Ordinance No. 946 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 946. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 946 passed on second reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the third and final reading of Ordinance No. 946. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 946 passed on third and final reading.

Complete text of Ordinance No. 946 will be found in Ordinance Book No. 7 at page 121.

SALE OF PARCELS 34 AND 124 IN EAST RIVERSIDE URBAN RENEWAL PROJECT N. C. R-48

6. Consideration was given to a motion relative to the sale of Parcels 34 and 124 in the East Riverside Urban Renewal Project N. C. R-48.

The City Manager read a letter from the Housing Authority of the City of Asheville requesting approval of the sale of Parcel 34 and 124 in the East Riverside Urban Renewal Project N. C. R-48. Parcel 34 would be sold to Mr. and Mrs. Robert Dorn for $350.00 and Parcel 124 would be sold to Mr. and Mrs. Bruce Kennedy for $2,300.00. Both redevelopers are adjacent property owners who plan no construction but intend to use the property in connection with their existing residence.

Councilwoman Swilling moved to approve the sale of Parcels 34 and 124 in the East Riverside Urban Renewal Project N. C. R-48 as recommended by the Housing Authority of the City of Asheville. This motion was seconded by Vice-Mayor Horton and carried unanimously.

BIDS - CONSTRUCT BALLFIELD LIGHTING SYSTEM AT LIVINGSTON STREET PARK FOR PARKS AND RECREATION DEPARTMENT

9. Consideration was given to bids received March 11, 1977 to construct ballfield lighting system at Livingston Street Park for Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by M. B. Haynes Electric Corporation in the amount of $14,582.00.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, M. B. Haynes Electric Corporation, in the amount of $14,582.00. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
M. B. Haynes Electric Corporation	$14,582.00
Electrical Constructors of America	16,480.00
Asheville Electric Company	15,720.00

BIDS - ONE (1) ENGINE ANALYZER FOR MOTOR TRANSPORT DIVISION

10. Consideration was given to bids received March 14, 1977 for one (1) engine analyzer for Motor Transport Division.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the only responsive bid received from Sun Electric Corporation in the amount of $6,236.00. He also commented that Sun Electric Corporation has a local service representative to service the equipment.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to the Sun Electric Corporation in the amount of $6,236.00. This motion was seconded by Councilwoman Swilling and carried unanimously.

BIDS - GALVANIZED CORRUGATED STEEL PIPE FOR PARKS AND RECREATION DEPARTMENT

11. Consideration was given to bids received March 14, 1977 for galvanized corrugated steel pipe for Parks and Recreation.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Southern Tank & Culvert Company, Inc. in the amount of $7,640.00. He said Vice-Mayor Horton had made an inquiry into this bid at last weeks' meeting and in response to that inquiry said the advertisement for bids for this pipe was in compliance with General Statutes of North Carolina, Section 143-129 which regulates bidding procedures and standards in awarding the contract to be followed by Local Governments in North Carolina.

Vice-Mayor Horton commented that it was his understanding that the local businessmen do not like to bid against their own suppliers because it puts them at a disadvantage. He further requested that the local businesses receive a copy of the list to whom the bid advertisements were mailed to let them know they were on the list. He said perhaps they could meet together to determine what, if anything, needs to be done about this type of bidding.

Mr. Dick Trammell, Manager of the Convention and Visitors Bureau of the Asheville Area Chamber of Commerce, said Asheville has been working on receiving this membership for over five (5) years. He briefly gave the criteria for receiving membership into this Bureau. He said he felt this membership would give Asheville the credibility much needed in attracting large national, international, and regional conventions.

Councilman Morris requested that a copy of the letter be presented to each Council member.

Councilwoman Swilling expressed appreciation to Mr. Dick Trammell and the Chamber staff for their efforts in Asheville receiving this membership.

BIDS - UNIFORMS FOR ASHEVILLE FIRE DEPARTMENT

7. Consideration was given to bids received March 11, 1977 for uniforms for Asheville Fire Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Asheville Army Store in the amount of $5,042.92.

Vice-Mayor Horton moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Asheville Army Store, in the amount of $5,042.92. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Asheville Army Store	$5,042.92
Stinnette Uniform Sales	5,407.10

BIDS - CONSTRUCT BALLFIELD LIGHTING SYSTEM AT MURPHY-OAKLEY PARK FOR PARKS AND RECREATION DEPARTMENT

8. Consideration was given to bids received March 11, 1977 to construct ballfield lighting system at Murphy-Oakley Park for Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by M. B. Haynes Electric Corporation in the amount of $14,582.00.

Upon inquiry of Councilman Rainey, Mr. Ray Kisiah, Parks and Recreation Director, said M. B. Haynes Electric Corporation was in compliance with the Davis Bacon Act in relationship to the Apprenticeship Program. He said M. B. Haynes Electric Corporation was on the eligible list to receive federal contracts.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, M. B. Haynes Electric Corporation in the amount of $14,582.00. This motion was seconded by Councilman Morris and carried unanimously.

Bid Summary

Bidder	Bid
M. B. Haynes Electric Corporation	$14,582.00
Electrical Constructors of America	16,480.00
Asheville Electric Company	15,720.00

CLAIM - JOHN W. CROMWELL

The City Manager presented a claim received from Mr. John W. Cromwell for damages to his car.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

REPORT ON MEETING WITH LEGISLATORS - PENSION BILL (POLICE AND FIRE)

Councilwoman Swilling reported that several Council members and city staff met with the Legislators on Wednesday, March 16, 1977, regarding the proposed police and fire pension bill. She said the meeting was very productive and informative and led to an assurance by the legislators that they will introduce the pension bill needed so that the city can set up an actuarially sound pension program for the police and firemen.

Councilman Morris commented that they had also met briefly with Mr. Thomas Bradshaw, Secretary of Transportation, regarding Valley Street and the Carroll Street Bridge.

Mayor Ochsenreiter said Mr. Bradshaw would be in Asheville next week to discuss Valley Street.

DISCUSSION - RESIDENCE OF AIRPORT EMPLOYEES

Mayor Ochsenreiter said for several weeks Council has received information from citizens, the media, and the Civil Service Board regarding the fact that certain city employees employed at the Asheville Airport live outside of Buncombe County. He suggested that prior to the City Council making any formal decision in this matter that the Council ask the Civil Service Board to make a thorough study of this problem and make their recommendations to the City Council if any changes in the existing rules are to be considered. He further suggested that the City Manager and the City Attorney provide the Civil Service Board with any staff assistance that the Civil Service Board may need in completing this study. He said his reason for making this suggestion is that the Civil Service Board is the chief vehicle for adopting and making changes in rules affecting the classified service.

Vice-Mayor Horton moved to request the Civil Service Board to make a thorough study of this problem and make their recommendations to the City Council if any changes in the existing rules on residency are to be considered. He further moved that the Civil Service Board present their recommendations to Council prior to May 4, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

RALPH BISHOP - METER FEEDING - CLARIFICATION

Mr. Ralph Bishop said he had not received a satisfactory answer to his request for a clarification of meter feeding. He asked Councilwoman Swilling what her intentions were when she moved to delete "meter feeding" from the parking ordinance.

After discussion, Mayor Ochsenreiter informed Mr. Bishop that he would receive an answer to his question at next week's Council meeting.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Southern Tank and Culvert Company, Inc. in the amount of $7,640.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Asheville Steel Company	$8,982.00
Wheeling Corru. Company	8,600.00
Southern Tank and Culvert Company	7,640.00
Armco Steel Corp.	11,861.00
Silverman Company	8,601.87
Biltmore Iron and Metal Company	No Bid

RESOLUTION NO. 77-42 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH HOBSON CONSTRUCTION COMPANY, INC. FOR THE PROJECT KNOWN AS HAYWOOD-SHELBURNE 12-INCH AND 16-INCH WATER MAIN AND DEAVERVIEW 10-INCH CONNECTION

12. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Hobson Construction Company, Inc. for the project known as Haywood-Shelburne 12-inch and 16-inch water main and Deaverview 10-inch connection.

The City Manager read the resolution. He said Council had previously authorized $217,000.00 for the project and the low bid of Hobson Construction Company amounted to $206,718.00. He further commented that when Council was considering this project a 14" water line was proposed, however after having an engineering firm study the project it was determined that a 16" line would fill the need better than a 14" line. Therefore, the bids were advertised for a 16" line. He said he felt the project should be completed with the appropriated amount but it may become necessary to appropriate extra money for the project.

Upon motion of Councilman Rainey, seconded by Councilwoman Swilling, Resolution No. 77-42 was unanimously adopted.

Complete text of Resolution No. 77-42 will be found in Resolution Book No. 9 at page 236.

CLAIM - MS. NANCY J. HEWITT

The City Manager presented a claim received from J. Lawrence Smith, Attorney for Ms. Nancy J. Hewitt.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - MRS. DONALD BROOKSHIRE

The City Manager presented a claim received from Mrs. Donald Brookshire for water damages.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

Thursday - March 24, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, Acting City Manager Kenneth M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

APPROVAL OF MINUTES

1. Approval of minutes of March 17, 1977 meeting

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, the minutes of the March 17, 1977 meeting were unanimously approved as submitted.

ORDINANCE NO. 945 -AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended (Sign regulations)

2. Councilman Michael moved to continue the second reading of Ordinance No. 945, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" as amended relative to sign regulations until the meeting of March 31, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. 77-43 - RESOLUTION APPROVING FAIR MARKET VALUE OF PARCEL NUMBER 16 OF REAL PROPERTY TO BE PURCHASED FOR THE DEVELOPMENT OF MONTFORD RECREATION COMPLEX

3. Consideration was given to a resolution approving fair market value of Parcel Number 16 of real property to be purchased for the development of Montford Recreation Complex.

The City Manager read the resolution.

Ray Kisiah, Director of Parks and Recreation, advised that Council had previously, by resolution, established a fair market value of $15,500 for Parcel Number 16. However, additional information provided by the property owner appeared to be justification for more equitable compensation for the parcel. He said an adjusted Fair Market Value of $17,350 for Parcel Number 16 has been recommended by the Review Appraiser.

Mr. Kisiah reviewed, by the use of a map, the location of Parcel Number 16.

After discussion, Councilwoman Swilling moved to adopt Resolution No. 77-43. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Complete text of Resolution No. 77-43 will be found in Resolution Book No. 9 at page 237.

Councilman Rainey requested the City Manager to find out who is responsible for putting "Meter Feeding" on the parking tickets when it was deleted from the ordinance.

COUNCIL COMMENDED MICHAEL SMITH, PERSONNEL DIRECTOR, FOR EFFORTS IN THE PENSION BILL

Mayor Ochsenreiter commended Personnel Director W. Michael Smith for his untiring efforts in the pension bill situation, both at Wednesday's day-long session with the legislators and during the three years of work that led up to it. He further requested that the City Manager put a notation in the Personnel Director's file of this commendation.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

William D. Metcalf
CITY CLERK

As you know from the record, the reason for the discharge was intoxication. I don't think the facts are really contested at all at the Civil Service hearing. Ray Kisiah testified. A number of people testified. I didn't see any real contridiction of the testimony. I think the facts are more less subtle. And those facts are that in November of 1975, Fred was suspended for one week for drinking. He was suspended for drinking at the Annual Convention of the Parks and Recreation Society at their party. In 1976, he was discharged for drinking at the party after the Annual Convention of the North Carolina Parks and Recreation Society. All the evidence and I brought the Board's attention at that time to the work record of Fred Brewer, the only infraction other than these two was an infraction for not following proper purchasing procedures. Other than that, his annual ratings were superior or satisfactory in all regards. We brought in a number of people, Senior Citizens from the Center, and I would like to bring to the Council's attention that we didn't subpeona those people to come. Fred went over there and asked if anyone would come and help him and I think ten to twenty people appeared on his behalf and a couple of these testified as character witnesses and their testimony about Fred's work was that he greets everybody with a smile, he does a good job, we're happy to see him, we want to help him. That was the feeling of people that work with him. There's no evidence that I could see in the record of any infraction of any rule while he's on his job. Now, Mr. Kisiah testified about what his work was. He said that Mr. Brewer's work is to provide a diversified program of activities for Senior Citizens and other age groups as may come to his particular recreation center and to supervise the staff under his direction at the center, to organize, promote and direct activities specifically for Senior Citizens. Recreational activities in the broad sense of the term. This is what Fred was hired to do. There is no indication that he neglected his work, that he drank of the job, that he neglected anyway his responsibilities to the City. The problem with Fred is that he's an alcoholic. And he's not an alcoholic in the sense of a man who gets up in the morning and has a drink, drinks at lunch, drinks in the afternoon and about 5:00 drops out. Fred is a periodical alcoholic. We had Mr. Wright testify, who is the Director of the Alcoholics Anonymous Group here in town at Trinity Church. He testified that this type of activity, this sort of annual, occasional drinking, that that's not uncommon. That that is a true alcoholic is a person who in the face of alcohol cannot resist it. Now Fred testified under oath and I had no reason not to believe him that the only times he became drunk in this period were the two times at the Annual Convention. In 1975 he got drunk and he was discharged for a week and he said that had an impact on him, that he talked to his wife and he swore he would never drink again. And he didn't for the entire year. Now when the Annual Convention came up, Ray, I think, performed his job properly. He said Fred don't drink, when you go to the meeting, don't drink. Now telling an alcoholic not to drink, I think does very little good because he's not dealing in the same framework that we're dealing. He's dealing with a serious illness. Now

HEARING ON APPEAL OF DISCHARGE OF FRED C. BREWER

4. A hearing was held on the appeal of the discharge of Fred C. Brewer.

Mayor Ochsenreiter stated that members of Council ha received and read the brief from the Civil Service Board. He said there would be presentation by Mr. Brewer's Attorney as well as the City Attorney.

Mayor Ochsenreiter: The public hearing will be opened at 3:06.

Mr. Vaughn: Mayor and members of Council . . .

Councilman Michael: May I ask a question before he starts? Does the same ground rules apply - are we to consider only the question as to whether we are going to approve or disapprove the Civil Service ruling?

Mr. Moore: That is correct.

Mr. Vaughn: May I ask a clarification of that? Understanding the circumstances of this case, I think if you have read the record, you'll see some extenuating circumstances. Would it be proper for the Council to consider something other than a mere reversal of the ruling?

Mr. Moore: No, it would not. Under Section 38 it says the City Council shall at regular session vote on the approval or disapproval of the same - that is the report of the Civil Service Board. It shall require the affirmative vote of five (5) members of the Council to disapprove the report. Lacking such five (5) votes, the report shall be approved. In either event, the action of the City Council is final.

Councilman Rainey: I haven't been a part of this conversation between the lawyers but let me ask if it would be possible to continue the hearing under certain circumstances.

Mr. Moore: I don't think so.

Councilman Rainey: Well, okay.

Mr. Moore: What sort of circumstances are you talking about, Dr. Rainey?

Councilman Rainey: Well, maybe I can explain them as we go along - I'm not sure. We'll have to see what this kind gentlemen does over here.

Mr. Vaughn: Thank-you. This matter arose on the discharge of Fred Brewer. Mr. Brewer is seated on the front row here and I know with the work load you have, you may not have read the entire record. I will just go over a few of the major points to familiarize everyone of the framework I think we should work in. Now, Mr. Brewer was employed on May 6, 1972 with Model Cities. He was employed there, he moved to the supervisor of one of the swimming pools of the City. Then he went to the Senior Opportunity Center on Grove Street as the supervisor. He was in that position until November 23, 1976 when he was discharged.

What I would think the City needs to do is to adopt a policy that is an alternative from the firing situation. An alternative that allows a supervisor like Mr. Kisiah the option which he doesn't have now to tell someone whom he believes has a drinking problem to obtain help. Go to the Mental Health Clinic, the alcohol program, voluntarily, we have no way to compel someone, but give them the option of seeking help. Now, if we can maintain a man that major industry has for a long time recognized this problem, and they have human reclamation projects. And when they have an executive or an employee or functionary who has a drinking problem, they don't fire him, they don't take a man with 20 years experience in the space industry or some type of industry and kick him out the door. Instead you save him, you help him with his problem and then he helps the corporation with their work. I think this is what the City needs to do. Fred has not only a great deal of experience in this field, but Fred has the type of personality that can go into the Senior Opportunity Center and do good for the people there. There are a couple of people that came to that meeting of the Civil Service Board and one elderly man said, I said what do you do with Fred. Oh, he plays pool with me. He said well, sometimes he'll play pool with me cause if he has any work to do he'll say no I'll get to you later but eventually he gets back to him and plays a game of pool with him. That's part of his work. His work is to operate a recreational center for the elderly members of our city, citizens of our city have a place to go, be entertained, to enjoy that day and in many cases they have their only decent meal during the day. Now, I think, what we should do and I'm recommending this not only as Fred's attorney but as a citizen, I think we need to start an alternative to the firing of people with problems. I think we shouldn't say to a man who has an illness, and alcoholism is a serious illness, that you drink, you're worthless, get out. I don't think that's the tact we should take. I think the wiser tact would be to say, Fred, we believe you have a drinking problem, let's develop some force for you in rehabilitation that will solve your problem. Now Fred has an option there, either to do something about his problem or be fired. And I think the City must maintain the right to fire when an employee does not function properly. I don't think we're at that point yet with Fred. That's what I am recommending. I am recommending that we reverse the Civil Service Board not to tell them that under these circumstances you're dead wrong and we're exactly right, but to tell them that when a situation is created where we have a useful person in the City who can be saved, let's save them if we can, if he wants to be saved. So Mayor and members of the Council, this is what I'm recommending. I think Mr. Buchanan and I talked the day of the hearing, I don't think there's really any contest to the facts, but I do think there should be a serious question as to the result of it. Thank you very much.

Mr. Buchanan: Members of the Council, the Administrative Head, Mr. Kisiah, discharged Mr. Brewer in November, 1976. After this discharge occured, Mr. Brewer requested a formal hearing by the Civil Service Board. This hearing was conducted in January of this year. At the hearing, Mr. Vaughn was present. At that hearing, we had a number of witnesses testify on Mr. Brewer's behalf. Mr. Brewer himself testified, the City also had witnesses

the General Assembly in this State has faced this problem and I think that's what the City Council needs to do. There's Chapter 122 dealing with Mental Health. In one part of it, 35.13, they allocated a half million dollars per biennium to deal with the problems of alcoholism. These are problems that affect not only workers in the City, but industry all throughout our society. The problem of alcoholism is a tremendous problem. Another part of that section directs the Department of Human Resources to study the problem, make an evaluation and decide how the State can deal with the problem of alcoholism. Now we are not offering an excuse for what Fred did cause I don't think there's an excuse but there's a reason. And what the City Council should do is weigh that reason in the light of the best interest of the City and the best interest of the employees of the City. Now when the further we got into the case, I had some serious doubts. I was hired as an attorney and I frankly had some serious doubts about whether or not this incident at this time constitutes a violation of his work responsibility. Despite the fact that Mr. Kisiah said well, this was part of this job, you're on duty 24 hours a day, I don't think that's true. I don't think we can make our employees indentured servants. To be ready at every beckoned call. I think we hire them for a job. If we hire a man to clean the streets, after he finishes cleaning the streets, he can do what he wants to. If we hire a man to run a Senior Opportunity Center, he should run the Senior Opportunity Center. And that's what Fred did, but I don't think that is the crucial point in this case. I think we're dealing more with a social moral issue of what we should do with people who are ill who work for the City. And I think Fred is ill. Now Fred testified back in January. He's willing to be sworn and testify again. Since this incident, he testified at the hearing that this was the first time he realized he had a problem. And since then, he joined Alcoholics Anonymous. Mr. Wright testified that he'd been to every meeting. Fred testified that he had not had a drink. Matter of fact, Fred said something that I thought was interesting. He said Ya know, every year I look forward to Christmas and he was discharged just before Christmas. That every Christmas . . .

TAPE HAD TO BE CHANGED

. . . that this did not affect his work. It didn't affect his duty at the center, the way he treated people there, how he performed his specific duties for the City. The only complaint that we have in the record, the only complaint that exists in fact is the conduct at the Annual Convention. Now, I would think that if we had an employee who drinks once a year at the Annual Convention, that the obvious solution is to say, Mr. Brewer, this year do not come to the Annual Convention. And with that we would obviate the problem. We would have a man then who can maintain his job, do a great service to the City, pay the mortgage on his home, and support his family. Now I want to move just away from Mr. Brewers problem to the bigger problem. According to the articles I've read on alcoholism it is a permeating problem. I don't know whether it affects only Fred in the City or whether we have 50 or 100 or 200 alcoholics working in the City. But I do know that this problem can destroy a man's life. It can destroy his ability to work, his ability to maintain his home, his ability to look after his children.

at the Civil Service Board hearing testified that yes, they had received this instruction. They complied with that instruction, they did not drink and no other employees of the City who were performing their official responsibilities drank at this meeting. Then the Board concluded appellant breached the specific and expressed orders referred to in the next proceeding paragraph by consuming alcoholic beverages on November 8, 1976 while at said conference and while on duty as an employee of the City of Asheville. Then the Court concluded as a matter of law that the appellant's conduct constituted a violation of Rule 21 entitled "Intoxicants of the Board." Now, that rule is an expressed rule. Number 21 says that employees are positively prohibited from drinking alcoholic beverages while on duty or prior to going on duty. This is important because not all acts of misconduct are dealt with specifically in expressed rules. But when this matter was inacted, the official rule of the Civil Service Board, it was felt that this was such a serious matter that it would be an absolute unquestioned prohibition that if an employee while performing his duties, if that employee consumes alcohol, he has violated the expressed Rule Number 21. Now, Mr. Kisiah was the man who had to make the decision. He realized that a violation had occurred. He realized that his direct order had been breached. Now, he is not a mean person, he is not out to punish anyone. But he was the departmental head of that department. He was the superior and he had to make the decision and he made it to terminate Mr. Brewer. Mr. Brewer exercised his right, asked for a full formal hearing and that was granted. The Board listened to all of the oral testimony and substantiated and affirmed what Mr. Kisiah had done. In conclusion, I would like to only state that the report itself is proper in form, that in view of the transcript and the evidence, it is based upon competent and legally effective evidence. Thank you.

Councilman Michael: May I ask a question?

Mayor Ochsenreiter: Let's get the ground rules established Ken as far as additional questions by any members of the Council.

Mr. Moore: Council is to make a decision here, Mr. Mayor, based on the transcript and on the arguments of Council. To go into any further evidence at this time is totally outside of the purview of the ordinance.

Councilman Michael: I don't want to ask anything about . . .

Mr. Moore: He asked me what the ground rules were and I am trying to make it clear.

Councilman Michael: What year was Rule 21 made?

Mr. Buchanan: I don't know from my own personal knowledge, Sir, but Mr. Smith has indicated that this was part of the original and that was inacted, I understand, in 1953.

Councilman Michael: This rule was inacted about 25 years ago?

Mr. Buchanan: Yes.

present, they testified and Mr. Vaughn had the opportunity, and did in fact, cross-examine all of the witnesses presented. This was a full, open, and completely fair judicial proceeding conducted by the Civil Service Board. After that proceeding was concluded, after Mr. Vaughn had completed his arguments, such as the arguments today, to the Board, and after I presented certain arguments to the Board, they signed and entered their formal report. And in this report they made a number of findings of fact which were based on the evidence that was sworn and presented to them. And these findings included some that I would like to read to you today. The finding number 2 says during November of 1975, Ray L. Kisiah the Administrative Head of the department of which appellant, that is Mr. Brewer, worked, suspended appellant for one week because appellant was intoxicated while on duty as an employee of the City of Asheville. The Board then found at the time of his suspension for one week during November of 1975, appellant was warned by Ray L. Kisiah as follows "I feel this action is necessary to impress upon you the seriousness of your offense and to warn you should a similar incident occur during the conduct of your duties, your services with this department and the City of Asheville will be terminated immediately." The Board then found on November 8, 1976, approximately one year later, appellant attended the North Carolina Recreation and Parks Society Annual Conference at the Great Smokies Hilton Inn in Asheville. Appellant was required to attend this conference as part of his duties as an employee of the City of Asheville and while at this conference he was on duty as an employee with an assigned task to perform. The transcript of the sworn evidence in this case will show the Council that this was a proceeding or conference sponsored by the City of Asheville. The City of Asheville was the host of this matter and it was designed to function for the City and the employees of the City who participated in that conference had specific task and duties to perform. They were required to be there. The Board then found on November 8, 1976 appellant became intoxicated at said conference while on duty as an employee of the City of Asheville and the odor of an intoxicant on appellant was detected by Ray L. Kisiah. At this time, appellant was unable to perform any of his duties as an employee. Due to his intoxicated condition appellant stumbled and fell to the floor at said conference and was unable to leave the Great Smokies Hilton Inn without physical assistance. Again, this was not a wind-up cocktail party or a social function. This was part of Mr. Brewer's expressed duties and responsibilities as an employee in the department under the direction and supervision of Mr. Kisiah. The Board found that prior to November 8, 1976, Ray L. Kisiah gave to appellant specific and express orders that appellant was not to consume any alcoholic beverages while at said conference. Now, Mr. Kisiah was aware of the circumstance that occured in 1975. He tried to work with Mr. Brewer, he warned him, he warned him in expressed terms, he made that in part of a letter also to Mr. Brewer that this can not happen again and if it does happen again I have no alternative but to terminate you. Prior to November, 1976 at this conference the evidence shows, which is sworn in your transcript, that Mr. Kisiah took Mr. Brewer aside and again individually, man-to-man, said do not drink, it cannot be permitted. In addition to that, Mr. Kisiah gave the exact same instruction to other employees at a group meeting where Mr. Brewer was present. The other employees who were present

thing. Each alcoholic displays somewhat different tendencies and the individual attitude and personality of the employee who is an alcoholic needs to be taken into consideration, whether or not he can stop. In the past when I've had to deal with these problems, I prefer to get the advise of clinical persons trained in the field to consult with the employee and to give me some, their own estimation of whether or not the employee probably could get over the problem or not.

Councilwoman Swilling: But if a city employee has been dismissed under Rule Number 21 then they are not prohibited from being re-employed by the City at another date? Is that correct?

Mr. Mike Smith: That is correct.

Mayor Ochsenreiter: Any other questions pertinent to the . . . needed. If not we'll close the . . .

Councilman Rainey: I have some! One is, what was on the card for reprimand. It comes up every time or several times in the hearing and someone, it seems like everyone, is waving it around, of course, I can't see it. Are there reprimands on the card for reprimand in the file?

Mayor Ochsenreiter: In the personnel file.

Mr. Buchanan: For Mr. Brewer specifically. There was only one question and that dealt with purchasing in which was really not material as to the specific matter before the Board at that time. I think that the purchasing procedures was the only other matter in the file that the Board even considered and that was very minor and non-material to what the problem was before the Board at that time.

Mayor Ochsenreiter: But there is a notation in his file about the other, or there isn't.

Mr. Buchanan: There is some, if I recall correctly, there was a letter or memo or something. This was not an exhibit, this was not a exhibit introduced by the City. I think the only reference to that . . .

Mayor Ochsenreiter: We're not allowed to go into a man's personnel file.

Mr. Buchanan: The only question is to that I believe might be raised by Mr. Vaughn to show that he had other than this one situation, a good work record.

Mr. Kisiah: As the transcript would show, I testified in the hearings about his record. During the hearing there was a previous suspension for violation of Rule 21.

Mayor Ochsenreiter: That's what we'll do.

Mr. Buchanan: But that's the November, 1975 one.

Councilman Rainey: What I'm referring to is on Page 6 of the transcript, where Mr. Vaughn says "If it pleases the Board, I would like to introduce the personnel record card and draw the Boards attention to the reverse side of the card for reprimands against this

Councilman Michael: Well, I put on my other hat as a physician. At that time, I don't think that alcoholism was considered an illness, I think it was considered as a breach of, well, drinking was considered a breach of conduct in just about any job. Since that time, I think that we have found that it is an illness. It is not curable. When someone becomes an alcoholic, they're always an alcoholic. As they take the first drink they, they're going to have to have the second one, they're totally irresponsible, from that time on. I know that the only thing I can address myself to is whether the Civil Service Board decision was right or wrong. But I think all the rules and regulations need to be updated and reviewed from time to time. And, again I go back to my statement I made to Mr. Edwards was being tried. If you're going to apply this rule just for drinking to this one particular person, then I think out of necessity it has to be applied to all. I think we might lose quite a few of our City employees. I notice that Council was asked if this could be continued and a re-evaluation. Well, this was not asked. I would like to ask if the Civil Service Commission could not re-evaluate Rule Number 21 relative to its application in 1953 and its application in 1977. At that time, I think that drinking was considered a criminal offense. I think now drinking is considered a sickness in some people and in other people it is not a sickness. But in no case is drinking at this time considered a criminal offense according to medical interpretation. . .

Mr. Buchanan: Dr. Michael, that is correct, but it is an illness . . .

Councilman Michael: . . . legal interpretation at this time.

Mr. Buchanan: and I believe everyone recognizes that it is an illness and everyone is very sorry that the situation arose. Mr. Brewer for example testified that he had a man from the Alcoholics Anonymous there to testify that yes, he had sought help. He was trying to correct his problem. And everyone prays and supports him in his effort to correct the problem. And it was a situation that no one had an ax to grind, I don't believe, that it was a matter that action had been taken by the departmental head based upon the rules and regulations, they had to consider whether or not that action was proper as a matter of law and they made that decision. And of course, in doing so it was a very hard and difficult task not only for the Board, but particularly for Mr. Kisiah who had to make the original decision. Obviously, he's not a physician and obviously as a departmental head he's not able to really solve this problem for Mr. Brewer, but as a departmental head, he too had a problem that he had to deal with and he had to make that hard and difficult choice which he did. And I know that he would probably preferred not to have been put in the situation to have to take the action, but he did and the Board considered that and they considered the other matters too about seeking help in fact, that alcohol problems are an illness and something perhaps that Mr. Brewer needs help with.

Councilwoman Swilling: I would like to ask Mr. Smith a question. Mr. Smith, if a person is dismissed under Rule Number 21 after their termination are they prevented from re-employment with the City at a later time?

Mr. Mike Smith: Nothing would prevent it. Drinking is the most individual sort of

the social part of the conference. That strains a bit and certainly if the social is considered part of the conference, I think it must be left to our personnel director to come up with a policy statement so that we understand this. So that when we have our employees getting ready to go to a convention or to a conference, the statement can be placed in their hands what is expected of them, rather than having it delivered to them verbally in a one-shot deal in a jumbled sentence that takes some 13 lines to give it. It sort of reminds me of, this 24 hour business osrt of reminds me of my high school football coach whom I played for at 135 pounds soaking wet, that he would say to us in practice, "I don't want you to think about girls while you're here." And then he would pause a minute and say, "as a matter of fact, I don't want you to think about girls anytime." Well, a 24 hour prohibition is very difficult to justify and obviously the coach's prohibition was more often observed in the breach. Or the police chief that says my officers should not be seen drinking beef off duty. We need, and I would only suggest it, we need to develop a policy covering employees attending a convention. At one conference Mr. Brewer is able to drive himslef home, at the other conference he is not. It seems to me that we'll have to be a little more specific in that regard.

I found Mr. Brewer, in owrking with him in Model Cities and as Chairman of the Model Cities Commission, to be a capable and concerned man. In fact, I found that the more I saw of him, the more I respected him and certainly the more I liked him. And the summary on Page 18 by Mr. Kisiah that his work was satisfactory, and, indeed, service did improve at the Senior Opportunity Center is certainly a tribute to him. I find Mr. Kisiah's actions going a second mile. He's more than lenient with his employees. It's certain that he is understanding or he tries to be understanding in a very difficult situation.

This brings me to the second policy need in which Mr. Vaughn and Dr. Michael have referred to and I'm not sure we can find our way into this second policy at midstream. We do lack a medical policy that businesses have. We do not have the capability, evidently except for what Mike was mentioning a minute ago, to call in consultants to tell a person that he is on leave for "X" amount of time and upon medical confirmation of the fact that he has solved or cured this in a medical sense, cured this disease then he can return or she can return to his or her regular job. Now, what I'm asking here is within the confines of what we face, can we continue this hearing for six months if Mr. Brewer can present to us medical evidence that he has been cured of the disease of alcoholism? Is that possible?

Mr. Moore: No, Sir.

Mayor Ochsenreiter: From a medical point of view, Otis has already said that this is sort of like anything else, I guess you make an analysis and it's been made by Dr. Michael that alcoholism is not a curable disease. It is not my observation, I was repeating what Otis has said.

Councilman Rainey: What do these businesses do then. I saw a glorified movie one time at a Rotary Club on this subject and was very impressed with it. Didn't sleep through it and watched it all and here they were doing it. They actually had medical doctors that would certify that an employee could come back to work.

employee." We may mark that - Mr. Buchanan Exhibit "A" Mr. Brewer. Now, I take it there is nothing on that side or is there something on that side?

Mr. Buchanan: There is only on that card the reference to the November of 1975 suspension for one week. And this was the one that was referred to in the report.

Mayor Ochsenreiter: Dr. Rainey, let's make sure of what we are allowed to do in our questioning. I don't think we're allowed to do anything, are we?

Mr. Moore: Well, what you do, you've had the report, you make your decision based on the report. You're not allowed to go into any additional or extraneous evidence outside the record.

Mayor Ochsenreiter: I'm not saying you are or not, I'm just saying you have to get it clear, Gene, so that we . . .

Councilman Rainey: No, I'm not going to get extraneous at all.

Mayor Ochsenreiter: Okay.

Mr. Moore: The only thing you can consider is what's in the record and what is come up to you.

Mayor Ochsenreiter: I just want to make sure that all Council members know what we are allowed to do and not to do.

Councilman Rainey: That's all I got is just the record. Now, I think personally, that we have to come down hard on the consumption of alcoholic beverages on the job. I don't think the City from a personal point of view could do anything else and this is what I think presents the dilemma of Fred Brewer's case.

I think, too, that we obviously have a weakness in our personnel, we have two weaknesses, two kinds of kinks in the armor in our personnel policy: One, a policy covering employees attending conferences and conventions. I assume there is no written policy on employees attending conferences and conventions. I think the problem is pointed up by Mr. Kisiah trying to explain on that day as he was quoted on Page 9 in a sort of jumble of sentences (which is all right, jumbles are all right) but he says at the bottom of that Page 9 "I specifically stated that our staff was not to engage in any alcoholic beverages that is was - that is was a work job for them and that they should remember that while, again, it would be a great temptation to visit with many of their friends and I certainly did not want to put a damper on that, nevertheless, they must remember that for this conference, we were the host and they were expected to assist with the presentation of the conference and not to participate in alcoholic beverages to the point - certainly not to the point that they would not be available for any assistance." That's a mouthful. That's one sentence. Now, it seems to me that we have a problem for any employees and we don't want to get into a Catch 22 situation where an employee that attends a conference should know the ground rules involved. He's certainly not on duty 24 hours a day. I agree with Mr. Vaughn in that regard, but to pass that type of verbal prohibition and then have your employees serve liquor 10 minutes out of the hour is obviously a type of contridicition that we have some problems with. On one occasion, Ray mentions we consider

him in the future, because . . . I think what I'm suggesting is that his job be held for him, under these conditions. If you have someone in the Sanitation Department, for instance, that is an alcoholic and drinking on the job, it's not enough to say "if we catch you again at this we will fire you." Essentially what we should say to this individual is "you are hereby suspended and your job will be held for you for X number of days and if you can present evidence of (or we won't use the word 'cure', lets use the word 'arrest') your alcoholism then you will be brought back into the same job." Now that essentially is what businesses or industry have learned to do and I'm wondering if we can do it. Now we're trying to make policy in midstream which is not sometimes a good way to make policy, sometimes you have to make it out of necessity, I suppose.

Councilman Michael: Might it be possible to, I'd still like to postpone this decision as to whether I approve or disapprove of the Civil Service recommendation. Would it be possible to postpone our decision and I know I'm not allowed to do this but ask Mr. Kisiah if he would maybe re-assign Mr. Brewer to another position, since he does not think Mr. Brewer can handle that position adequately. This is done frequently and watch him closely and report back to the Civil Service Commission and if he does the same thing, let him go.

Mr. Mike Smith: I'm not sure what can be done, Dr. Michael.

Councilman Michael: I'm not either, I just hate to make a decision.

Mr. Buchanan: . . . one other problem too on the postponement or continuous for say six months or however long, then you have another collateral legal question and that is what's the status of Mr. Brewer in that interim period in the event, for example, he report some future day when we approve - then we have a question of reimbursing him for back pay and fringe benefits and that sort of thing so it could create a situation where not only . . . job but the City has to subsidize his treatment . . . if something along this line. So I'm just raising that question because it's very familiar.

Mr. Vaughn: Just a moment, I discussed the problem of back pay with Fred, we're making no claim of back pay. Fred wants a job. We can turn him loose and like Dr. Michael said he's down the tubes. He'd gladly, I think, waive his fringe benefits and back pay and that's a tremendous, I think, loss for him personally. I think one problem that Bill Moore may be anticipating is whether or not at this stage the Council can do anything but either approve or reject. Now, I think there is a legal question here as to Rule 21. The difference between an alcoholic on the job with a drinking problem and a person who drinks on the job. A person who drinks is not necessarily an alcoholic. I think what the Council could do is to clarify that policy through a ruling that Rule 21 does not apply to people who are subject to the illness of alcoholism. That if a person drinks on the job who is not an alcoholic then he is susceptible to being fired. I think we have a man who is an alcoholic whose drinking does not follow this type of pattern that he would be subject to a reclamation type proceeding. Now, if it's a clarification of that ruling, I think the Council could refer this matter back to the Civil Service Board with that

Councilman Michael: Cause, the degrees of alcoholism and once you have lot what we call your reality testing ability due to alcohol, then you are classified as an alcoholic. And, the organic make-up changes are just like smoking. If I were to go back to smoking now, I would smoke a pack of cigarettes a day. One cigarette would lead to another because my system is made up at this time to crave tobacco at all times. Mr. Brewer's system has been changed organically so that if he takes another drink at any time in his life, he will have to take that second. If he continues with Alcoholics Anonymous they help each other and many people have returned to work, full-time activity and productivity. But still, if they take that first drink, they will take the second and third one.

Mayor Ochsenreiter: I think it has been indicated as a matter of general personnel policy, and Mike you can correct me, that that would not be a factor based on some of the general information we've had here. If someone did no matter what the problem was and this is one of the problems a personnel could have, if this met the satisfaction of our hiring system at the time and we felt like that individual could be or had been rehabilitated, he could be placed in a similar job or a job for the City. This would not be something that would prohibit him from being rehired.

Mr. Mike Smith: Yes, that's right, it would not. And as Dr. Michael indicated, my knowledge from an employee relations point of view of alcoholism is one that it is not curable. If you have alcoholics, you do drink. In those cases where alcoholics can successfully stop drinking, it's largely a question of motivation . . . it's very hard work, the cure rate is rather low. In those cases where it is successful, it is largely motivation.

Councilman Michael: At the same time, if we uphold the firing of Mr. Brewer then he's going to go down the tube. I think that in the vain of what Dr. Rainey said, if we could postpone this for six months or so and require that Mr. Brewer be re-evaluated by the Civil Service Commission and by Mr. Kisiah and a report be given by the representative of Alcoholics Anonymous that he is attending their meetings and that he is not drinking, maybe we've helped one person. But I think we have quite a, I can't say for sure, but we may have quite a few alcoholics that work for the City. And if we start firing all of them and some of them are probably in very high positions and decide that we're going to try to help them and say suspend them or put them on notice that they have to get reports back from their doctor or from the Alcholics Anonymous or what have you, that they are receiving treatment the same as someone that stays out of work for a month or two, they've got to get a statement from their physician stating that their blood pressure is being treated and they won't pass out from . . . or something like that and get periodic check-ups. We do this for other diseases and I would like to see it done for alcoholics.

Councilman Rainey: I think the key though is that the employee be given a leave of absence from his job. It's not a matter of the employee coming back to his job, and I'm not recommending that on part of Mr. Brewer, I think I would like to see him return to his job after a leave of absence in which he can have treatment for his medical problem. At that point, I would hope that he could return to his job. That's different from saying we might re-hire

whatever, the Council could approve or disapprove.

Councilman Rainey: Would Mr. Brewer sign an affidavit which he would forego any back pay and all of the benefits during that period of time?

Mr. Vaughn: Yes, sir.

Councilman Rainey: Would six months be too long a period of time?

Mr. Vaughn: He's been out since November, that's four months at this stage.

Mr. Michalove: I want to comment that we may have the idea that it's unusual to have a Rule 21 dismissal in the City. Just ask Mike how many approximately we've had in the last year. What would you say Mike?

Mr. Mike Smith: At the minimum, we've had twenty.

Mayor Ochsenreiter: How many?

Mr. Mike Smith: Twenty and I'd like to, I don't want to complicate things but from personnel management point of view drinking on the job, making the rules such as Dr. Rainey suggests or making the policy I fully support, making a rule to cover every case is quite difficult because as I indicated before each alcoholic's case is a little different. There are chronic alcoholics. Let me point out if a person drinks while he's at work or before he comes to work, he is an alcoholic. Now he may only take one drink, but if he's so far down the road that he feels the need to be irresponsible enough to drink while he is at work or before he comes to work, he has a drinking problem. The City of Asheville is no different than any other organization the size of the City of Asheville. There are a certain percentage of employees who do drink and I think we need a humane and reasonable policy to help salvage those employees if they are salvageable and it's largely within themselves to do it. They can only state that the City cannot make an alcoholic a non-drinking alcoholic. They must do it themselves. Number 2, we do need stringent rules so that when people fragrantly drink on the job and show that they cannot stop from drinking on the job, we must discharge them and we must not re-employ because in a way tolerating the use of alcohol on the job or re-employment, consistent re-employment after dismissal really sustains the alcoholic to believe that he can drink and still live a normal life. Again, the cure of alcoholism is largely motivation. And it can be positive or it can be negative.

Councilman Michael: Mike, the only thing I'm saying that among the twenty that have been dismissed this past year, and I don't know this but I would wager that Mr. Brewer is the highest paid of the twenty.

Mr. Mike Smith: Yes, sir.

Councilman Michael: Now, you get into the problem of an investment. We've invested alot of money and alot of training with this man. And it's not the same as firing a guy that digs ditches because we have no investment, we can get somebody immediately to replace him. I think that when you get to a certain level that rehabilitation has got to play a part, whether it be alcoholism

clarification. That Rule 21 should not apply to an alcoholic.

Councilman Rainey: Mike, that's not my problem, frankly. Because I think Rule 21 ought to apply to an alcoholic and frankly this is what you can use as part of the encouragement for an individual to solve his problem. What we're lacking here is a policy that spells out the following provisions; 1) We have an individual who has a problem of drinking alcoholic beverages on the job, 2) That individual is told that he will be given a leave of absence for X number of time to see if he can bring that under control. At the end of that time if he has not then he is dismissed. Now, I don't think that we can be... I think we have to be hard as far as this problem is concerned. I think we have to be lenient as far as the individual trying to solve that problem is concerned. Now if the individual doesn't want to solve it, and I'm satisfied in my own heart what you've said about... described here about Mr. Brewer that he's trying to solve it. But if he doesn't want to solve it, well then I think Rule 21 ought to be in vote.

Mr. Vaughn: I agree there should be some termination policy. My feeling is that it should be differentiated from Rule 21. That we should have a policy that allows an alcoholic to seek treatment, to seek some arrest to that problem. If he fails to do that, I think he has made the knowing choice then and would be subject to termination.

Mr. Moore: The ordinance says the City Council shall at a regular session vote on the approval or disapproval of the same and it shall require the affirmative votes of five (5) members of Council who disapprove the report. It says they shall vote on the approval or disapproval.

Mayor Ochsenreiter: Doesn't say can.

Mr. Moore: Doesn't say can or may, it says shall. And that's exactly what it means. It means you shall.

Mayor Ochsenreiter: That's the reason for the hearing.

Mr. Moore: That's the whole reason for the hearing. Now, I can't, I agree with Mr. Vaughn but at the same time I've got to give you what the ordinance is saying. It says you shall vote.

Mayor Ochsenreiter: Well, it's rather a difficult decision for Council cause here we are in midstream trying to establish a policy and we have known not particularly of one case but some cases in this area and we haven't addressed ourselves to it and here we are at this particular point and I'm sharing that because I'm part of the team who made this calculation and we've known some problems along this area and still haven't done anything about it. So, if there's nothing else. . .

Mr. Vaughn: The ordinance says that you shall vote. If the matter is continued it doesn't say which meeting that the vote . . . at some point the Council must make a decision. I think that's to the benefit of an appealing party as well as the City. Now, we would not object to a continuous to a later date and at that point I think if Mr. Brewer could present himself as rehabilitated, arrested

Mayor Ochsenreiter: What'd you say, prior to 1975?

Mr. Buchanan: Prior to 1975 there was questions, there were occasions testified to prior to 1975.

Mayor Ochsenreiter: What page is that on in the transcript?

Mr. Buchanan: Mike has referred me to Page 34. This is one of the witnesses also employed with the City of Asheville . . . Mrs. McDaniels.

Councilman Rainey: Well, I had a question about that testimony. She smelled it on his breath, is that not right?

Mr. Buchanan: Well, that creates a . . . presumption in Rule 21, the odor of alcohol under Rule 21 says the odor of any intoxicant upon the breath of any employees shall be sufficient grounds for disciplinary action by the department head. The mere detection of alcohol . . .

Councilman Rainey: The department head didn't smell it, according to the transcript.

Mr. Buchanan: But in the case, no disciplinary action was taken.

Councilman Rainey: Yea, right - So, I know Mrs. McDaniels, she's a very straight forward honest woman, so I don't question her testimony. I just question whether or not you can tell intoxication by this method.

Mr. Buchanan: They don't talk about intoxication but the rule says employees are positively prohibited from drinking alcoholic beverages while on duty or prior to going on duty. It does not say they have to have a certain blood alcohol level content or that they have to be intoxicated. It says the consumption, whether it be a glass or case, whether at work or going home to work, or before leaving home any fact that you can see.

Mr. Vaughn: If it pleases the Council, I asked . . . what an investigation would be, and there's never an indication that investigation . . . any reason for a reprimand. . . Again, the whole position of Mr. Kisiah's action focused not on any prior occasion . . . the focus of the hearing . . . on what occurred in November of 1975 and then what occurred on November of 1976. These are the two occurrences that were dealt with primarily were questioned about. The issue . . . this incident occurred after 8:00 p.m. . . . in this segment. All the incidences of drinking that occurred here . . . the Annual Convention . . . is social part of . . . his duty there taking up tickets or whatever his assignment was until the time the dance started and this was at the Smokies Hilton over here.

Councilman Hoyle: And this happened in 1975?

Mr. Vaughn: 1976

Councilman Hoyle: Oh, it also happened in 1976 again. At the same type of convention.

Mr. Vaughn: The same type of convention. Evidently the City sponsored a drinking party.

or whether it be heart disease, whether it be diabetes or whatever disease. At lower levels, I agree that there is no problem. You dismiss this person and you have no investment, but the City of Asheville is a business like everything else and I think that we have got to do like other businesses and consider rehabilitation of alcoholics who have a sickness. The same as we do the rehabilitation of the police chief that might have a heart attack or what have you.

Mr. Mike Smith: Certainly your ideas about rehabilitation of workers is worthwhile, some of the persons even though they may have been lower paid have had certain skills that the City, the City suffered a loss when they lost those skills. So I certainly, I would think that a policy ought to cover all levels of employees, not just the higher paid employees who might have higher skills.

Councilman Michael: I didn't mean it that way. I meant that rehabilitation should be implemented wherever possible.

Councilman Rainey: I don't know where we are, I would like to, Dr. Michael carried on a sort of dog and pony show here, and I'd like to see us continue this hearing till the new Council comes in.

Mayor Ochsenreiter: I think one of the problems are we've got a department head involved in making a decision, we've got a policy that twenty people have already been fired on, we've got some sympathetic observations, Fred is a well-liked individual, but we run the risk, whether it was Fred or anyone else, trying to be rehabilitate an individual which I've spent lot of time on different causes of doing this.

Councilman Hoyle: Let me ask a question. On your 21, it strictly says that's the law. Right there it is. Okay. Let me ask another question. On November, 1975 Mr. Kisiah you suspended him, would you tell me exactly why you suspended him? Was he drinking on the job, while he's on the job from 8 till 5? Was he? Yes sir, was he drinking on the job between the hour of 8 to 5? Can I ask that question?

Mr. Buchanan: It may present a legal problem in having Mr. Kisiah . . . interested party it may present a legal problem in having him give his unilateral views at this time outside of a formal hearing, sworn testimony and the right to cross examine, so I think . . .

Councilman Hoyle: I just question, I was looking over here, it says he was drinking at probably another convention in 1975 then another year later he was drinking again. Now my question, has he been drinking on the job.

Mr. Buchanan: If I could just say as far as the transcript is concerned, the only evidence of drinking and we made inquiries into, the only evidence of drinking that was presented to the Board for their consideration was the occurrence that occurred in November, 1975 and then after the warning over one year later approximately 1 year later in November 1976. As far as the evidence shows, there was no drinking in that interim period, there was testimony, I believe, prior to . . . the transcript, I believe that between November, 1975 and November of 1976, if my memory's correct there was no evidence of the drinking.

Councilman Michael: Well, you know I disapprove. I disapprove on the basis that Rule 21 is no longer, in my opinion, applicable because when it was made drinking was not an illness and now it is the same as other illnesses. And I think that all employees should be given an opportunity for rehabilitation prior to being dismissed. I'm not voting against the Civil Service, well, in essence I am voting against the Civil Service but I am mainly voting against Rule 21 and I would recommend the Civil Service Board re-evaluate this rule with the help of the Blue Ridge Mental Health Center or some other medical facility that will give them input as to the modern treatment of alcoholism.

Mayor Ochsenreiter: The vote sustains the recommendation passed for by the Civil Service Board.

RESOLUTION NO. 77-44 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH HUNTLEY CONSTRUCTION COMPANY, INC. FOR THE PROJECT KNOWN AS JUSTICE RIDGE ROAD WATER LINE

6. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Huntley Construction Company, Inc. for the project known as Justice Ridge Road Water Line.

The City Manager read the resolution.

Upon inquiry of Council, Associate City Manager William F. Wolcott, Jr., said construction could begin in as little as two weeks, with the project expected to take from three to four weeks to complete.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, Resolution No. 77-44 was unanimously adopted.

Complete text of Resolution No. 77-44 will be found in Resolution Book No. 9 at page 239 .

Bid Summary

Huntley Construction Company	$28,958.50
Hobson Construction Company	29,145.00
Wells & West, Inc.	31,582.50
W & W Contracting Company, Inc.	32,277.00

RESOLUTION NO. 77-45 - RESOLUTION AUTHORIZING THE MAYOR TO FILE AN APPLICATION FOR A FEDERAL GRANT WITH THE NORTH CAROLINA DIVISION OF LAW AND ORDER FOR THE POLICE-SCHOOL LIAISON OFFICER PROJECT

7. Consideration was given to a resolution authorizing the Mayor to file an application for a federal grant with the North Carolina Division of Law and Order for the Police-School Liaison Officer Project.

[redacted] Ochsenreiter: I believe that was out of order, Mike.

Mr. Vaughn: I think what happened in this case, the question I raised was that in the hearing . . . the City employee to serving alcohol, it was the needs of the Parks and Recreation people for one hour to take part.

Mayor Ochsenreiter: As an example, a couple times this year I went to an Easter service as the Mayor to represent the City to give welcome. At the breakfast I ended up serving hash, so it can happen whether your higher paid or lower paid, anything else. That's not very hard to do. I think we've discussed it and we'll close the public hearing at 4:07 and have Mr. Wolcott to call role. We'll wait, I beg your pardon, we'll wait till Otis gets back. Dr. Michael has been excused for two minutes.

Councilman Rainey: Could we have a little recess?

Mayor Ochsenreiter: We'll have a 3 minute recess, 3 minutes and 15 seconds.

RECESS

Mayor Ochsenreither: For the Council to vote on revolves around the decision and I think the word is we uphold, we approve or disapprove the Civil Service Board's recommendation regarding Mr. Fred C. Brewer. It's a roll call vote.

The City Clerk then called the roll on the approval or disapproval of the Civil Service Report.

Councilman Rainey: Well, in light of the evidence and in the absence of an alternative - I approve.

Councilman Hoyle: Approve.

Councilwoman Swilling: With the Council's approval of this Civil Service ruling Mr. Brewer is placed in a very peril situation but I feel like that Rule 21 is in black and white and it is set up and that the city employees are aware of this rule and that their knowledge, their job depends on this rule and it has been explained to all employees. I would hope and urge that the Council would seek through the Civil Service Board some type of plan and program to be work with people in this situation. I vote approved of the Civil Service Board Report.

Vice-Mayor Horton: I'd like to just state simply that I hope we can work on a alcohol rehabilitation policy in the immediate future because most businesses and industry have one and it is effective. I think it would have avoided this particular abrupt situation that we have here and yet apparently since Rule 21 addresses itself specifically to the situation that has been judged, I think we have no alternative but to approve the rule. I approve.

Councilwoman Swilling commented that she would like to proceed with an ordinance amendment deleting meter feeding in its entirety and to review the legal possiblity of putting in two hour parking meters.

Ralph Bishop said it was his understanding that all phases of meter feeding were deleted during the reading of Ordinance No. 914.

Councilwoman Swilling and Councilman Rainey said it was their intention in voting for Ordinance No. 914 to have "meter feeding" deleted altogether.

The City Manager read excerpts of the minutes dealing with Ordinance No. 914 relating to meter feeding, particularly with reference to Sections 28-115, 28-117, and 28-119. He said these sections were not a part of Ordinance No. 914 and if it was Council's intent to delete meter feeding altogether then these sections should have been deleted from the Code of Ordinances.

Mayor Ochsenreiter requested the city staff to review the ordinances then Council would take what action would be necessary to conform to Council's original intent.

Ralph Bishop asked if he would have to pay his penalty for meter feeding.

AFFIRMATIVE ACTION AND EQUAL EMPLOYMENT OPPORTUNITY REPORT

Mr. Samuel N. Graves, Personnel Analyst, presented members of Council with the Affirmative Action and Equal Employment Opportunity Report. He said the report would provide a historical basis in order for Council to have the benefit of what has been done in the past, as well as what is to be done in the future, in order for Council to address the area of affirmative action and equal employment opportunity.

Mr. Graves said the report contains a chronological listing of some of the major things, since 1970, that have been provided to this particular area, statistical information relative to the breakdown by sex and race by each department, and exhibits leading up to the adoption of the plan. He requested that Council members review the contents of the report which will be given further consideration at a joint meeting between the Civil Service Board and City Council at a later date.

Councilman Michael said he had reviewed the report and he was not satisfied with the program to date in that there has not been an appreciably increase in the number of blacks being employed.

Mr. Graves commented that the City Manager's hiring freeze greatly affected the program. He also said the rules of the Civil Service Act need to be reviewed as it relates to this particular matter.

Councilman Michael noted the various departments where no blacks were employed.

Councilman Rainey requested that Mr. Graves furnish a comparison of the total number of whites, blacks and others as well as males and females working as of January 1, 1976 opposed to January 1, 1977 in administrative positions versus non-administrative positions. He said this should show how the affirmative action program is progressing.

The City Manager read the resolution and explained that this was the second year funding for this project. He said the matching fund this year is 30% and next year it would require, if funded, that the City match it by 70%. The contents of the program consist of two officers employed full time to work in the Asheville City School system. The total amount of the grant is $31,461 with the federal providing $20,450; the state $1,573 and a local match of $9,438. He said if the City could not provide the local match in July, 1977 the project would not be funded.

Lt. Whitney Davis of the Asheville Police Department and Project Director, spoke very favorably about the program and urged Council to continue it not only this year but in the years to come. He said this program gives a closer contact with the Police Department and the school children.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, Resolution No. 77-45 was unanimously adopted.

Complete text of Resolution No. 77-45 will be found in Resolution Book No. 9 at page 240.

BIDS - INSTALL RESILIANT TILE FLOOR AT HILLTOP RECREATION CENTER

8. Consideration was given to bids received March 11, 1977 to install resiliant tile floor at Hilltop Recreation Center for Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the only bid submitted, Holladay Paint and Carpet Company in the amount of $14,800.00. He said purchasing procedures provided for in G. S. 143-132 have been complied with.

Councilman Michael commented that he would be meeting with Ray Kisiah, Parks and Recreation Director, concerning the feasibility of the use of Hilltop Recreation Center and he would give Council members a report of this meeting.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to Holladay Paint and Carpet Company in the amount of $14,800.00. This motion was seconded by Vice-Mayor Horton and carried unanimously.

RALPH BISHOP - METER FEEDING

In response to a request of Mr. Ralph Bishop, during the meeting of March 17, 1977 for a clarification of meter feeding, the City Manager said the City staff understood from the minutes of the Council meeting at the readings of Ordinance 914 where meter feeding was taken out that the Council understood that meter feeding was covered under another section and that the City should proceed to enforce meter feeding. He said in order for the City to stop enforcing meter feeding, a Council action would be necessary which would request the Police Department not enforce Section 28-115, 28-117, and 28-119, otherwise they would have to continue enforcing meter feeding. He said it was his understanding that the intent of the enforcement of meter feeding was to prevent employees in downtown businesses from using on-street parking that is designed for the public that shop. However, in the enforcement there is some difficulty in determining who owns the car, whether it is an employee of a downtwon business or a shopper. He said whatever Council's direction may be, the City staff will move ahead. He said one suggestion had been made to put in two hour parking meters and this would have to reviewed. He said if the ordinance is to be amended to delete meter feeding an ordinance amendment would be necessary.

Thursday - March 31, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Vice-Mayor Bill B. Horton, Presiding; Councilwoman JoAnn M. Swilling, Councilmen J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, Acting City Manager Kenneth M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Eugene C. Ochsenreiter, Jr.

APPROVAL OF MINUTES

1. Approval of minutes of March 24, 1977 meeting.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, the minutes of the March 24, 1977 meeting were unanimously approved as submitted.

Vice-Mayor Horton announced that Mrs. Mary Means will be in Asheville next week. She is the Mid-West Director of the National Trust for Historical Preservation and will be presenting a program April 5, 1977 at 12:30 p. m. at the Smokey Mountain Inn on the Plaza. He said the occasion will be sponsored by Quality Forward, French Broad Garden Club, and the Asheville Area Chamber of Commerce.

ORDINANCE NO. 945 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended (Sign regulations)

2. The City Manager requested a continuance of the second reading of Ordinance No. 945, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended relative to sign regulations until the meeting of April 7, 1977, pending information from the Attorney General's office.

Councilman Morris moved to continue the second reading of Ordinance No. 945 until the April 7, 1977 meeting. This motion was seconded by Councilwoman Swilling and carried unanimously.

PUBLIC HEARING - CHANGING NAMES OF SOME STREETS AND CALLING FOR OBLITERATION OF OTHER STREETS IN THE RENEWAL AREA N. C. R-13

3. A public hearing was held relative to changing names of some streets and calling for obliteration of other streets in the Renewal Area N. C. R-13.

Vice-Mayor Horton opened the public hearing at 3:12 o'clock p. m.

The City Manager stated that the advertised notice to the public was published, which took the form of Resolution No. 77-36, and the affidavit of publication. He also read an affidavit from Larry Ward, in the Planning Division, stating that the resolution was posted on the streets in question. He said the following streets were proposed to be changed:

1. The section of Woodfin Street extending easterly from Charlotte to the N. C. Department of Transportation right-of-way line be renamed Woodfin Place.

AIR SHOW - WEST ASHEVILLE OPTIMIST CLUB AND CIVIL AIR PATROL

The City Manager reported that at last weeks meeting a request was received from the WNC Pilots Association for an air show on May 21, 1977 and May 22, 1977. He said in checking into this it was found that the Optimist Club and the Civil Air Patrol had been working with the Director of Aviation for sometime to plan an air show on May 15, 1977. He presented a letter from the Director of Aviation requesting that the West Asheville Optimist Club and the Civil Air Patrol be granted permission to hold an air show on May 15, 1977 with a secondary date of May 22, 1977 in case of rain. He said this required a lot of planning and apparently this group has been working on this sometime prior to the request of the WNC Pilots Association. He said it was his understanding that Councilman Michael had talked with the President of the WNC Pilots Association and they have agreed to let the West Asheville Optimist Club and the Civil Air Patrol have the dates for the air show. He said WNC Pilots Association have started plans to hold an air show in the fall.

Councilman Hoyle moved to approve the request of the West Asheville Optimist Club and the Civil Air Patrol to hold an air show at the Asheville Airport on May 15, 1977, with a secondary rain date of May 22, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

Upon inquiry of Councilwoman Swilling the City Manager advised that the procedure for requesting approval of an air show, would be for the organization to work out the details with the Director of Aviation and then he would bring the request to Council.

CLAIM - REV. G. A. McCURRY - BILTMORE HOLINESS TEMPLE

The City Manager presented a claim for water damages received from Rev. G. A. McCurry of the Biltmore Holiness Temple.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

E. R. McCARTHY - COMMENTS RE: CITY CONVENTIONS - TOW-AWAY ZONES

Mr. E. R. McCarthy asked if the citizens of Asheville were paying for the drinking parties sponsored by the City as described by Attorney Vaughn in Mr. Fred Brewer's appeal. He said this matter should be looked into.

Mayor Ochsenreiter commented that he did not think the City of Asheville is sponsoring drinking parties at such conventions.

Mr. McCarthy also reminded Council that the Police Legal Advisor had not presented the survey from other cities relative to tow-away zones as promised.

The City Manager said he had requested a delay on this matter as well as others until more important matters could be resolved.

Councilman Rainey requested that a policy be established on employees attending conferences and conventions.

Adjournment.

Eugene D. Ochsenreiter
MAYOR

William J. Holcomb
CITY CLERK

UNITED STATES POST OFFICE

ASHEVILLE, NC 28801

OUR REF: 6:REB:ha DATE: March 30, 1977

SUBJECT: Street Name Changes P.O.CL:

TO: City of Asheville
Division of Planning
P. O. Box 7148
Asheville, NC 28807

Dear Sirs,

The following comments are furnished relative to Resolution No. 77 - 36 passed by City Council March 3, 1977.

With the exception of Item No. 3 of this resolution, name changes as proposed would create no substantial problems in mail delivery other than that customers would be required to change their mailing addresses.

The renaming of Popular Street to be known as College Street would create a problem. At present due to changes in streets, there are three sections of College Street. One section running from the center of town to the Valley Street/Oak Street intersection (numbered 1 - 205), another running from Pine Street to a dead - end at the crosstown expressway (numbered 315 - 334), and still another running from the intersection of Mountain Street to the top of Beaucatcher Mountain (numbered 400 - out). This proposal would create still another section of College Street with insufficient numbers remaining to properly number the new section. It would also create two sections of street running parellel to each other named College Street.

We would suggest that a change be made to this resolution renaming the section (College Street from Pine Street to the Expressway) North College Street. This would avoid duplicate streets and provide sufficient numbers for the new section of College Street from Valley Street to the tunnel. We would also suggest that if the plan is adopted that the existing numbers (315 - 334) in use on this portion of College Street not be reassigned to the new section.

If we can be of any assistance in this matter, please call us at 258 - 2850, Extension 630.

R E Blankenship

R. E. Blankenship
Supt./Delivery & Collection
Asheville, NC 28801

2. The extension of Woodfin Street southerly along the former alignment of Oak Street to College Street be named Woodfin Street.

3. Poplar Street, extending College Street from the intersection of Valley/ Woodfin Streets easterly to the mouth of Beaucatcher Tunnel, be renamed College Street..

4. The new street extending southerly from the intersection of Charlotte Street and (Old) Woodfin Street to College Street be named Charlotte Street.

Verl Emrick, Planning Director, said in addition to posting the notices on the streets, notices and requests for comments were mailed to each of the property owners that join the streets in question. He said commenters were received from Jack Bryant, Bryant Construction Company, First Baptist Church, the Post Office and the Allen Center.

March 18, 1977

Members of City Council
City of Asheville
Asheville, North Carolina

Dear Councilman:

We are writing in regards to your letter of March 14, 1977 notifying property owners of the proposed street name changes in the renewal area; in particular, Woodfin and Oak Streets.

As you know, the partnership of One Oak Plaza has under construction a million dollar office building on the corner of Oak and Poplar Streets. We have chosen to call this building One Oak Plaza thinking that it would be located at One Oak Street since the First Christian Church, diagonally across the street, is listed as 20 Oak Street.

We realize that the overall project is what is important; not our particular building. However, if it would not hinder the master plan, we would like to request that the name of Oak Street be retained or that the new name be Woodfin-Oak Street. In this way, our building will retain its original identity.

Any consideration you can give to this request will be appreciated.

Sincerely yours,

Wallace N. Hyde, General Partner
One Oak Plaza

Jack E. Bryant, General Partner
One Oak Plaza

Moultrie H. Truluck, Gen. Partner
One Oak Plaza

C. Mitchell Hatchett, Jr.
General Partner, One Oak Plaza

The City Manager said this request originated from a letter from Beverly-Hanks, Inc. and was in keeping with the plan for Renewal Area N. C. R-13.

November 22, 1976

Mr. Eugene Ochensenreiter, Jr.
Mayor
City of Asheville
City Hall
Asheville, North Carolina 28801

Dear Gene:

I would like to suggest to the City that they give consideration to the renaming of Poplar Street to College Street. As you are aware, College Street presently stops at Valley Street and from Valley Street to the Tunnel is Poplar Street. With the planned opening of the Tunnel into Poplar Street at the completion of the open cut it seems appropriate to me that Poplar Street become an extension of College Street to the Tunnel.

In directing persons to our Executive Park complex, it is much easier for them to find us at the corner of Charlotte and College rather than the corner of Charlotte and Poplar. I would appreciate very much your giving the above request serious consideration.

Yours very truly,

BEVERLY-HANKS & ASSOCIATES

George W. Beverly, Jr.

allen center... 331 college street, asheville, n. c. 28801 (704) 253-3378

March 30, 1977

Mr. Larry P. Ward
Transportation Planner
Planning and Zoning Commission
The City of Asheville
City Hall
Asheville, North Carolina 28801

Dear Mr. Ward:

We appreciate your notification concerning the city council's resolution #77-36 to change some street names. We would like to see the following addition made to the proposed resolution to appear between points four and five. Resolve that the section of College Street extending easterly from the intersection of Pine and Woodfin Place (old Woodfin Street) to the North Carolina Department of Transportation right-of-way be closed as a public street and the property deeded equally to the property owners abbuding the street.

We feel that this addition to the resolution will further minimize confusion. Thank you for your consideration.

Sincerely,

David D. Marks

DDM:mj

The Assistant City Manager said the North Carolina Department of Transportation is considering installing a ramp from College Street to the end of Poplar Street, giving College Street a new access route to replace the one that was cut off when construction began on the open cut.

The City Manager suggested that, in light of the proposal by the State, that Council postpone action on the resolution until a later date. He said the City could give their requests to the State for consideration.

David Jones, Executive Director of the Housing Authority, said all these changes were part of the overall redevelopment plan for N. C. R-13.

After discussion, Vice-Mayor Horton closed the public hearing at 3:29 o'clock p. m.

Councilwoman Swilling moved to continue consideration of the resolution until further information could be obtained. This motion was seconded by Councilman Hoyle and carried unanimously.

PUBLIC HEARING - CLOSING OF SPRING STREET

RESOLUTION NO. 77-46 - RESOLUTION TO CLOSE AN ALLEY (SPRING STREET)

4. A public hearing was held relative to the closing of Spring Street.

Vice-Mayor Horton opened the public hearing at 3:32 o'clock p. m.

The City Manager stated that the advertised notice to the public was published, which took the form of Resolution No. 77-35, and the affidavit of publication. He also read a letter dated March 25, 1977 from Thomas W. Bradshaw, Jr., Secretary for the North Carolina Department of Transportation stating that they had no objection to the closing of Spring Street.

Verl Emrick, Planning Director, reviewed the location of Spring Street, by the use of a map. He said he could see no problems with the closing of the street.

Mr. Ralph Hill, attorney representing Mr. Seaborn P. Foster, petitioner, presented an affidavit signed by Mr. Foster stating that the streets were posted with the resolution of intent in accordance with the provisions of the law.

Councilman Michael was excused from the meeting at 3:38 o'clock p. m.

Vice-Mayor Horton closed the public hearing at 3:40 o'clock p. m.

The City Manager read the resolution closing Spring Street.

Councilman Michael returned to the meeting at 3:43 o'clock p. m.

Upon motion of Councilman Morris, seconded by Councilman Rainey, Resolution No. 77-46 was unanimously adopted.

Complete text of Resolution No. 77-46 will be found in Resolution Book No. 9 at page 242.

HOUSING AUTHORITY OF THE CITY OF ASHEVILLE
ASTON PARK TOWERS 704 - 253-3806

March 30, 1977

Mr. Ken Michalove
Acting City Manager
City of Asheville
P. O. Box 7148
Asheville, North Carolina 28807

Re: Response to Memorandum 3/23/77
Street Name Changes
Civic Redevelopment Project

Dear Sir:

In response to the above referenced memorandum, please be advised that the Housing Authority of the City of Asheville continues to endorse the Redevelopment Plan for Civic Redevelopment Project approved by the City Council on the 2nd day of August, 1962, as amended. This plan calls for the new street running from Broadway to College being named Woodfin Street;and Poplar Street as improved, being named College Street. The Housing Authority however, feels that the naming of streets is a function or responsibility of the City Council and as such, would not object to a deviation from the plan for street names that seems reasonable and necessary by the City Council.

If additional information is needed, please advise.

Very truly yours,

Lawrence D. Holt
Deputy Executive Director

LDH/jh

The City Manager read the ordinance. He said the $17,000 appropriation taken from the Nasty Branch Study Project will be used to contract Environmental Review Assessment Services for the Third Year Community Development Social Service projects in which prompt start up by July 1, 1977 is judged necessary for continuity and maintenance of an acceptable spend rate for Third Year Community Development Projects. The $2,650 appropriation from the Citizen Participation Project will provide a permanent staff position for an Environmental Specialist charged with the responsibility to provide and maintain environmental review information necessary for Community Development Project approval in the future.

Councilman Rainey moved for the adoption of Ordinance No. 948. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 5-0, Ordinance No. 948 passed on first reading.

Ccuncilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 948. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 948 passed on second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 948. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 948 passed on third and final reading.

Complete text of Ordinance No. 948 will be found in Ordinance Book No. 7 at page 124.

RESOLUTION NO. 77-47 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN THE NECESSARY DOCUMENTS TO SELL A PORTION OF CITY PROPERTY ON GASTON AND LIVINGSTON STREETS TO THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE

7. Consideration was given to a resolution authorizing the Mayor to sign the necessary documents to sell a portion of City property on Gaston and Livingston Streets to the Housing Authority of the City of Asheville.

The City Manager read the resolution.

Upon motion of Councilman Hoyle, seconded by Councilman Michael, Resolution No. 77-47 was unanimously adopted.

Complete text of Resolution No. 77-47 will be found in Resolution Book No. 9 at page 244.

RESOLUTION NO. 77-48 - RESOLUTION AUTHORIZING THE AMENDMENT OF GRANT AGREEMENT FOR FEDERAL AND STATE PROJECT #6-37-0005-03, AIRPORT IMPROVEMENTS

8. Consideration was given to a resolution authorizing the amendment of Grant Agreement for federal and state project #6-37-0005-03, Airport Improvements.

The City Manager read the resolution.

PUBLIC HEARING - REZONING PROPERTY ON HAYWOOD STREET - R-3 RESIDENTIAL DISTRICT TO CR COMMERCIAL REGIONAL

ORDINANCE NO. 947- AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

5. A public hearing was held relative to rezoning property on Haywood Street from R-3 Residential District to CR Commercial Regional District, property owned by Seaborn P. Foster.

Vice-Mayor Horton opened the public hearing at 3:44 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing.

Verl Emrick, Planning Director, reported that the Planning and Zoning Commission voted to recommend approval of the petition submitted by Mr. Seaborn P. Foster to rezone Lot 3, Sheet 3, Ward 4, from R-3 Residential District to CR Commercial Regional District. He said the Commission also voted to recommend that Lots 4, 5, 6, 7, 9, 10, 11, and 4-1/2, be included to be rezoned from R-3 Residential District to CR Commercial Regional District.

The Commission voted to recommend this rezoning for the following reasons:

1) The site is contiguous with existing CR Commercial Regional District;

2) The property, due to its close proximity to Patton Avenue, is not well suited for residential development; and

3) The present zoning, which divides the property into two classifications, restricts the most reasonable use of the property.

He reviewed the location of the property in question and the surrounding zoning classifications. He said Mr. Foster wants to sell the property to a business organization for the construction of a storage warehouse. He said no objections have been received.

Mr. Fred Brown spoke in favor of the rezoning.

Vice-Mayor Horton closed the public hearing at 3:50 o'clock p. m.

The City Manager read the ordinance rezoning the property as recommended by the Planning and Zoning Commission.

Councilman Morris moved for the adoption of Ordinance No. 947. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 5-0, Ordinance No. 947 passed on its first reading.

ORDINANCE NO. 948 - AN ORDINANCE AMENDING AND APPROVING COMMUNITY DEVELOPMENT BUDGET CHANGES SET FORTH IN THE CITY OF ASHEVILLE GENERAL FUND BUDGET 1976-77 TO SUPPORT HUD ENVIRONMENTAL REVIEW REQUIREMENTS

6. Consideration was given to an ordinance amending and approving Community Development Budget changes set forth in the City of Asheville General Fund Budget 1976-77 to support HUD Environmental Review Requirements.

RESOLUTION NO. 77-50 - RESOLUTION APPOINTING MEMBERS OF ASHEVILLE SCHOOL BOARD

10. Consideration was given to a resolution appointing Mrs. Linda C. Winner, Mrs. Walter J. Boggs and Mr. Everett W. Clark, Jr. as members of the Asheville School Board.

The City Manager read the resolution.

Councilman Michael said he approved of all these appointments but he felt in the future Council should eliminate appointments as long as six years. He requested that the City Manager investigate the possibility of reducing the six year terms and report this information back to the Council.

Councilwoman Swilling commended Mrs. William T. Pennell for an outstanding job as Chairman of the Asheville School Board.

Councilman Rainey and Councilwoman Swilling requested that a joint meeting and work session be set up with the Council and the Asheville School Board to discuss the legislation that set up the Board in light of a discussion at a recent meeting with the Buncombe County Commissioners regarding Consolidated School Districts, Special School tax, and the reducing of some of the cost involved.

Councilman Michael said one of the reasons he would like to have the terms reduced is the fact that after Council appoints a member to this Board Council has absolutely no authority concerning this Board. He said perhaps a joint meeting would solve some of the problems.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 77-50 was unanimously adopted.

Complete text of Resolution No. 77-50 will be found in Resolution Book No. 9 at page 248.

RESOLUTION NO. 77-51 - RESOLUTION OF INTENT TO CLOSE A PORTION OF ASHELAND AVENUE AND ALL OF CROSS STREET, WALLACK STREET, SHORT McDOWELL, AND TWO (2) UNNAMED ALLEYS AND CALLING A PUBLIC HEARING ON THE QUESTION

11. Consideration was given to a resolution of intent to close a portion of Asheland Avenue and all of Cross Street, Wallack Street, Short McDowell, and two (2) unnamed alleys and calling a public hearing on the question.

The City Manager read the resolution and explained that the closing of these streets were in keeping with the original East Riverside Urban Renewal plan.

Councilman Hoyle moved for the adoption of Resolution No. 77-51 setting the public hearing date for May 5, 1977. This motion was seconded by Councilman Morris and carried unanimously.

Complete text of Resolution No. 77-51 will be found in Resolution Book No. 9 at page 249.

The City Manager said the Grant Agreement would be amended by adding a special condition which would permit minority business enterprises to have a maximum opportunity in bidding for work to be done under the Agreement.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, Resolution No. 77-48 was unanimously adopted.

Complete text of Resolution No. 77-48 will be found in Resolution Book No. 9 at page 245.

RESOLUTION NO. 77-49 - RESOLUTION ESTABLISHING A STORM DRAINAGE AND SUB-SURFACE DRAINAGE POLICY FOR THE CITY OF ASHEVILLE AND THE PROPERTY OWNERS OF THE CITY OF ASHEVILLE

9. Consideration was given to a resolution establishing a storm drainage and sub-surface drainage policy for the City of Asheville and the property owners of the City of Asheville.

The City Manager read the resolution and explained that this policy was not a new policy but a written-down version of the City's existing storm drain policy.

Councilman Rainey said the problem is that, in most cases, the property owners do not know that there is a storm drainage system on their property. He said he felt that the City should accept some responsibility for informing the citizens of the City of the storm drainage systems that do exist. He suggested an amendment that would require the City to have a map of the entire storm drainage system by a certain date, after which it would be the responsibility of the seller in any land transaction to tell the buyer of any storm drainage system that exist on the property.

Councilman Morris suggested that, since this policy has already been in effect, that Council go ahead with the adoption of the resolution as presented and ask the City Manager to consult with the Engineering Department to determine a feasible and reasonable mapping of storm drainage systems.

The Assistant City Manager said the City has maps that substanially show the City's drainage systems, but to go on private property searching for drainage lines would be difficult as it would require the cooperation of a lot of people.

Councilman Michael said he felt this resolution was a start in establishing a written policy on storm drainages. He said it could be amended at a later date when further problems arise.

The City Manager said this would also help to avoid problems in the future and past problems could be considered on an individual basis.

Councilman Rainey said he still felt the City should provide some type of system to notify the property owners of these storm drains.

After discussion, Councilman Michael moved for the adoption of Resolution No. 77-49. This motion was seconded by Councilwoman Swilling and carried unanimously.

Complete text of Resolution No. 77-49 will be found in Resolution Book No. 9 at page 246.

EXTRATERRITORIAL ZONING JURISDICTION - DISCUSSION - PUBLIC HEARING SET RELATIVE TO REVOKING THE CITY'S RIGHT TO ENFORCE EXTRATERRITORIAL ZONING

Councilman Rainey moved to schedule a public hearing on April 21, 1977 to discuss the following items:

1) Amend the Asheville Zoning Ordinance (Ord. 322, as amended) Section 30-1-3 Jurisdiction;

2) Amend the Asheville Subdivision Regulations (Ord. 424), Section 26-1, Purpose; and

3) Amend Section 30-4-1 Use Districts, where it refers to the Zoning Map.

He said the purpose of this public hearing will be to discuss whether the City of Asheville should revoke the extraterritorial zoning jurisdiction in the one-mile perimeter. This motion was seconded by Councilwoman Swilling.

Councilman Morris said it was his understanding that Council was in the process of negotiating with the County on this matter and he thought Council was waiting for the County to decide what they wanted to do relative to the extraterritorial zoning jurisdiction. He said he felt like the County wanted the City to tell them to take over the one-mile perimter and this could be done without a public hearing.

Buddy Gooden, of Gooden Mobile Homes and President of the WNC Mobile Home Association, said it was his understanding from the County that the legal process involved was for the City to voluntarily relinquish their extraterritorial zoning rights in the one-mile perimeter. He said most of the problems he has encountered with the City's zoning jurisdiction deals with the misinterpretation of the rules of North Carolina. He cited the problem of home owners not being permitted to install their own plumbing hook-ups even if they know how to do the job properly. He said he has been told by the State insurance department in Raleigh that the rules do not prohibit such individuals from doing the work themselves. He said the city inspectors have caused hardships by imposing these unnecessary expenses on home owners.

Vice-Mayor Horton asked the City Manager to make a note of the points raised regarding inspections and get an interpretation on why the City's interpretation differs from that of the county and state.

Councilman Morris said he would like to see the County take over the enforcement of zoning regulations in the one-mile perimeter but he was concerned about what would happen if the County didn't assume the zoning responsibility as soon as the City relinquished it.

Councilman Michael made a substitute motion that the City not exercise its prerogative in the one-mile perimeter extraterritorial zoning area and that the County be requested to take this over. He said under the authority granted in the General Statutes the City has the prerogative of exercising zoning authority in the one-mile area. He said he did not see the necessity of holding a public hearing.

Councilman Rainey cited the many costs involved by the City enforcing these regulations in the one-mile area.

PROCLAMATION - APRIL - FAIR HOUSING MONTH

Vice-Mayor Horton proclaimed the month of April as Fair Housing Month.

CLAIM - LAWRENCE GILLIAM

The City Manager presented a claim received from Lawrence Gilliam for damages.

Vice-Mayor Horton referred the claim to the Corporation Counsel for investigation and recommendation.

MINIMUM WATER RATES DISCUSSED - WAIVING OF RATES NOT RECOMMENDED

The City Manager reported that several weeks ago the waiving of minimum water charges was discussed during a Council meeting. He said Council had several requests to waive the charges. Since that time the problem has been studied as to why the City has the minimum water rate and what some other water systems are doing regarding the waiving of the minimum charge. He said after going through this study he felt that the waiving of the minimum rate would not be advisable. He said other water systems such as Black Mountain, Woodfin, Hendersonville, and Waynesville do not waive the minimum. He said the Water Department is making adjustments allowed by law and within the bounds of the Water Department policy when an excess amount of water was used during the recent cold weather. He also said in the next few weeks he would be assessing what the problems were this winter so that the City could avoid many of these problems in the future.

Councilman Michael agreed with the City Manager's recommendation and said he felt it was fair and equitable to pay a minimum water charge due to the cost involved in furnishing the water. He again noted that the Sullivan Act needed to be repealed in order for the City to give better water service.

STATEMENT BY MRS. VIDA REID - RE: EXTRATERRITORIAL ZONING JURISDICTION

Mrs. Reid read a statement urging Council to let the County enforce zoning in the one mile perimeter.

(Mrs. Reid's statement is on file in the Office of the City Clerk)

Vice-Mayor Horton told Mrs. Reid that Council was in the process of working with the County Commissioners on this matter and a decision should be forthcoming in the near future.

RALPH BISHOP - METER FEEDING

Mr. Ralph Bishop again appealed to Council relative to a clarification of deleting "meter feeding". He also complained about the parking meters being entirely removed from the Battery Park area when the Pack Square area still had parking meters.

Vice-Mayor Horton explained that the City Manager was in the process of studying the parking situation and a report should be available in the near future.

PERSONNEL AND PAYROLL POLICIES FOR PART-TIME EMPLOYEES - REQUEST BY COUNCILWOMAN SWILLING

Councilwoman Swilling also requested the City Manager to furnish Council members with information relative to any changes in personnel and payroll policies for part time employees.

Adjournment.

Paul Hilton

Eugene S. Ashworth
MAYOR

William F. Malcolm
CITY CLERK

Vida Reid, Manager and part owner of Town and Country Mobile Home Park, also had complaints about the way the City's inspectors enforce the state building codes within the one-mile area.

Councilwoman Swilling said she felt a public hearing, with citizens input, would help the Council to decide whether or not to give up this enforcement.

E. R. McCarthy told Council the inspections needed to be looked into, not only in the one-mile perimeter. He said such over-regulations occur in the City as well. He cited an unsuccessful attempt to get permission to do his own electrical work.

Councilman Hoyle also agreed to go ahead and relinquish the right to enforce the zoning in the one-mile area. He said he did not see the necessity of holding a public hearing.

Verl Emrick, Planning Director, said according to state law, any change in the zoning ordinance requires the holding of a public hearing. He said in order for Council to relinquish their rights the zoning ordinance would have to be amended.

Vice-Mayor Horton ruled that Councilman Michael's substitute motion died for lack of a second. He instructed the Corporation Counsel to review the legal technicalities in this matter.

Vice-Mayor Horton then called for a vote on Councilman Rainey's original motion to schedule a public hearing on the matter for April 21, 1977, which motion carried unanimously.

HILL TOP CENTER - COMMENT BY COUNCILMAN MICHAEL

Councilman Michael said he felt at last week's Council meeting there was a misinterpretation of his statement regarding Hill Top Center. He said he wanted to make it clear that he has no intention of pursuing the closing of Hill Top Center.

MOTOR POOL OF CITY VEHICLES - COMMENT BY COUNCILMAN MICHAEL

Councilman Michael requested the City Manager to pursue his request, make about a year ago, that a motor pool be established for city vehicles.

REHABILITATION GRANT PROGRAM - COMMENT BY COUNCILMAN MICHAEL

Councilman Michael requested the City Manager to research the guidelines of the Rehabilitation Grant Program. He said it was his understanding that a $5,000 net income was required to qualify for a grant loan. However, it has come to his attention that the $5,000 was gross income instead of net income, which presented a hardship on people to obtain a grant loan. He said if this was the case, he would like to request that the amount be increased to $10,000 gross or $5,000 net income.

PERSONNEL POLICY AT CIVIC CENTER - REQUEST BY COUNCILMAN RAINEY

Councilman Rainey requested that the City Manager furnish Council members with information, at next Tuesday's work session, about the changes in personnel policies at the Civic Center.

RESOLUTION NO. 77-53 - RESOLUTION OF APPRECIATION TO WILLIAM M PEYTON FOR SERVICES AS CHAIRMAN OF THE CITY OF ASHEVILLE PARKS AND RECREATION ADVISORY BOARD

5. Consideration was given to a resolution of appreciation to William M. Peyton for services as Chairman of the City of Asheville Parks and Recreation Advisory Board.

The City Manager read the resolution.

Councilman Rainey took his seat at 7:45 o'clock p. m.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 77-53 was unanimously adopted.

Complete text of Resolution No. 77-53 will be found in Resolution Book No. 9 at page 255.

Council commended Mr. Peyton for an outstanding job as Chairman of the Parks and Recreation Advisory Board.

Mr. Peyton said he was glad to have participated in the betterment of Asheville through the recreational division.

PRESENTATION OF 1976 AIR SAFETY AWARD TO THE ASHEVILLE MUNICIPAL AIRPORT PERSONNEL - SOUTHEASTERN AIRPORT MANAGERS' ASSOCIATION

6. The City Manager presented the 1976 Air Safety Award to the Asheville Municipal Airport personnel from the Southeastern Airport Managers' Association.

Mayor Ochsenreiter extended his congratulations to Mr. Gary Taylor, Airport Manager, for receiving the Air Safety Award.

RESOLUTION NO. 77-54 - RESOLUTION ESTABLISHING FAIR MARKET VALUE FOR A PORTION OF PROPERTY IMMEDIATELY ADJACENT TO WEST ASHEVILLE PARK AND AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO PROCEED WITH ACQUISITION OF SAID PROPERTY

7. Consideration was given to a resolution establishing fair market value for a portion of property immediately adjacent to West Asheville Park and authorizing the Director of Parks and Recreation to proceed with acquisition of said property.

The City Manager read the resolution. He said the failure to acquire a portion of this lot would render a steep bank that would be unsightly to the community. He said the acquisiton of this lot would be a considerable asset in the development of the West Asheville Park.

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 77-54 was unanimously adopted.

Complete text of Resolution No. 77-54 will be found in Resolution Book No. 9 at page 256.

Thursday - April 7, 1977 -7:30 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen J. W. Hoyle, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, Acting City Manager Kenneth M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Gene E. Rainey (took his seat at 7:45 o'clock p. m.)

APPROVAL OF MINUTES

1. Approval of minutes of March 31, 1977 meeting.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, the minutes of the March 31, 1977 meeting were unanimously approved as submitted.

ORDINANCE NO. 945 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended (Sign Regulations)

2. Mayor Ochsenreiter requested a motion for the continuance of the second reading of Ordinance No. 945, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended relative to sign regulations until the meeting of April 14, 1977.

Councilman Morris moved to continue the second reading of Ordinance No. 945 until the April 14, 1977 meeting. This motion was seconded by Councilwoman Swilling and carried unanimously.

ORDINANCE NO. 947 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Haywood Street).

3. Consideration was given to the second reading of Ordinance No. 947, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property on Haywood Street from R-3 Residential District to CR Commercial Regional District, property owned by Seaborn P. Foster.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 947 passed on its second reading.

RESOLUTION NO. 77-52 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE LEASE AGREEMENTS FOR SPACE IN THE ASHEVILLE AIRPORT TERMINAL BUILDING

4. Consideration was given to a resolution authorizing the Mayor to execute lease agreements for space in the Asheville Airport Terminal Building for National Car Rental of Asheville, Inc., Avis Rent-A-Car System, Inc., and the Hertz Corporation.

The City Manager read the resolution.

Upon motion of Councilman Hoyle, seconded by Councilman Morris, Resolution No. 77-52 was unanimously adopted.

Complete text of Resolution No. 77-52 will be found in Resolution Book No. 9 at page 254.

Vice-Mayor Horton moved for the adoption of Ordinance No. 949. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 6-0, Ordinance No. 949 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 949. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 949 passed on second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 949. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 949 passed on third and final reading.

Complete text of Ordinance No. 949 will be found in Ordinance Book No. 7 at page 126.

PUBLIC HEARING SCHEDULED - DELETING SECTION 28-119 OF THE CODE OF ORDINANCE - DEALING WITH METER FEEDING

10. Consideration was given to a motion calling for a public hearing for the purpose of deleting Section 28-119 of the Code of Ordinances of the City of Asheville dealing with meter feeding.

Ralph Bishop again appeared before Council requesting information dealing with meter feeding. He asked where in the code it states that a $5.00 penalty can be charged for not paying a meter feeding citation within 15 days.

Council informed Mr. Bishop that this information could be discussed at the public hearing.

Upon inquiry of Councilman Rainey, Mr. Bishop said he was still being sent delinquent notices on his meter feeding citation.

Councilman Rainey responded that it was his understanding that Mr. Bishop was not going to be held responsible for his citation and instructed him to give his citation to the City Manager for disposition.

Councilwoman Swilling moved to schedule a public hearing for the purpose of deleting Section 28-119 of the Code of Ordinance of the City of Asheville dealing with meter feeding for April 28, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

RESOLUTION NO. 77-56 - RESOLUTION RELATING TO THE COMPLAINT PROCEDURE POLICY OF THE ASHEVILLE CIVIC CENTER

11. Consideration was given to a resolution relating to the complaint procedure policy of the Asheville Civic Center Complex.

RESOLUTION NO. 77-55 - RESOLUTION REQUESTING THE ASHEVILLE HOUSING AUTHORITY TO ASSUME JURISDICTIONAL ADMINISTRATION OF THE HUD SECTION 8 EXISTING HOUSING PROGRAM FOR THE CITY OF ASHEVILLE

8. Consideration was given to a resolution requesting the Asheville Housing Authority to assume jurisdictional administration of the HUD Section 8 existing housing program for the City of Asheville.

The City Manager read the resolution. He said the program has been available for two or three years but has not been pursued because the fair market rents established by HUD were felt to be unrealistically low.

David Jones, Executive Director of the Housing Authority said it was determined by the City staff and the Housing Authority, after a meeting with HUD representatives, that it would be timely to pursue this program working toward the goals of the Housing Assistance Plan. He said the program is designed to provide, at no cost to the city, subsidy payments to owners of rental houses to make up the difference between 15-25 per cent of the tenants' income and the federally determined fair market rent. He said he was still somewhat skeptical of the fair market rents but felt like the program would work. He said HUD had promised to take another look into the fair market rents after the program begins. At present, HUD's fair market rents for existing units in the Asheville area range from $88 to $162, which includes utilities. He said HUD estimated that from 25 to 30 per cent of the families now paying more than 25 per cent of their incomes for rent would qualify for the subsidy without having to move from their present housing. He gave several examples of what tenants' would pay for rents using the existing federally determined fair market rents.

Mr. Jones said several technicalities would have to be worked out such as guidelines for housing standards and inspections of houses outside the City's jurisdiction. He said the Asheville Housing Authority Board would be considering approving this program at their board meeting next week.

After discussion, Councilman Rainey moved for the adoption of Resolution No. 77-55. This motion was seconded by Councilman Michael and carried unanimously.

Complete text of Resolution No. 77-55 will be found in Resolution Book No. 9 at page 257.

ORDINANCE NO. 949 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1976-77.

9. Consideration was given to an ordinance amending the operating budget of the City of Asheville for the fiscal year 1976-77 appropriating Antirecession Fiscal Assistance funds.

The City Manager read the ordinance and explained that the funds would be appropriated as follows:

General Longevity Pay	$107,388
Safety Supplies	15,784
Old Fire & Police Pension Fund	102,527

He said these uses meet with the guidelines of the Public Works Employment Act of 1976.

Councilman Michael said it was his understanding that someone could make a complaint without fear of reprisal by reporting incidences to Council without revealing their name. He said this way Council will be encouraging complaints.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, Resolution No. 77-56 was unanimously adopted.

Complete text of Resolution No. 77-56 will be found in Resolution Book No. 9 at page 258.

RESOLUTION NO._____ - RESOLUTION SUPPORTING THOMS CABLEVISION IN REQUESTING THAT THE FEDERAL COMMUNICATIONS COMMISSION AMEND SECTION 76.54 OF THE FCC REGULATIONS

12. Consideration was given to a resolution supporting Thoms Cablevision in requesting that the Federal Communications amend Section 76.54 of the FCC regulations.

The City Manager read the resolution.

Councilman Morris said he had received a substantial number of calls over the past several years complaining because Asheville is unable to receive Channel 3, television station WBT in Charlotte, North Carolina. He said Channel 3 is known for many sporting events not carried by local stations. He said Channel 3 is viewed by people in Black Mountain, Swannanoa, and Hendersonville. He said it was his understanding that Thoms Cablevision is not permitted to make this television station available to its subscribers by reason of the rules of the Federal Communications Commission, particularly Section 76.54 of those rules. He said this resolution would support Thoms Cablevision in requesting the FCC to amend this rule or to waive the rule to allow Thoms Cablevision to carry WBT, Channel 3. He said this in no way is an indication of criticism of local stations.

John Jerose, of Thoms Cablevision, also appealed to Council to pass this resolution of support. He said if the Asheville citizens wants Channel 3 his company is willing to turn the matter over to the Washington attorneys to see what can be done.

Councilman Rainey commented that he was in favor of supporting Thoms Cablevision in this matter but he felt the resolution contained language which could be interpreted as criticisms of the programming offered by the local television station.

Mayor Ochsenreiter read excerpts from the following letter from Morton S. Cohn, President and General Manager of WLOS-TV:

The City Manager read the resolution and also the following regulations relative to complaints:

Any and all complaints relating to the Asheville Civic Center Complex, in its entirety, will be considered by the Civic Center Commission and entered into the minutes for documentation only if submitted in writing to:

Asheville Area Civic Center Commission
P.O. Box 2194
Asheville, North Carolina 28802

Complaints should include the following information relating to the complainant:

1. Full name.
2. Street address.
3. City.
4. County.
5. State.

Complaints should include the following information relating to the incident referred to in the complaint:

1. Date on which same occurred.
2. Time of incident.
3. Function at which incident occurred.
4. Area of Civic Center Complex in which incident occurred (i.e., for example, Arena, Auditorium, Exhibition Level, Banquet Hall, Art Museum, Colburn Mineral Museum, Lobby, Restrooms, Concourse, etc.)
5. Detailed description of incident including, where possible, names and addresses of those involved and of any witnesses to the incident.
6. Name and title to whom any previous report of incident was made and date and time of such report, where applicable.

Complaint forms for this purpose will be made available at the Civic Center Business Office and Box Office on a permanent basis.

Written reports covering complaints reported personally to members of City Council, Asheville City Staff, members of the Commission will also be considered by the Commission and entered into the minutes for documentation.

The above regulation was unanimously passed by the Civic Center Commission at its meeting of April 4, 1977 and is hereby submitted to City Council for approval under Ordinance No. 933, Section 2, Sub-Paragraph (c).

Respectfully submitted,

ASHEVILLE AREA CIVIC CENTER COMMISSION

BY: B. Paul Goodman
Chairman

BPG/kc

WLOS•TV 13

Center, the airport, downtown improvement, Quality '76, hospitals, schools and scores of others, and totally disregards our numerous public affairs programs on behalf of the Community. If that is the intent of Council, then I suggest that that situation, if it actually existed, is far more serious than a failure to carry a basketball game, and Council should have brought it to the attention of the FCClong ago. If Council does not feel we have failed in our efforts to keep the public informed, however, it should not imply such to the FCC. If you are talking about basketball, then I suggest you say basketball, and stop there.

I would like to point out that, after several efforts, we have arranged to carry the football and basketball coaches' shows from the University of North Carolina for next season, and will continue our efforts to get some of the games. We shall continue these efforts, whether or not Council decides to proceed with a resolution. I do, however, hope you will consider the questions I have raised and will either amend the resolution so that it is limited to the point you wish to make, or will drop it entirely.

Thank you for your consideration.

Best regards,

WLOS-TV

Morton S. Cohn
President
General Manager

cc: All City Council Members

HAND DELIVERED

After discussion, Mayor Ochsenreiter said Council would take no action on the resolution until the City Attorney could go through it and remove the language that could be interpreted as criticisms.

WLOS-TV 13

288 MACON AVE. • P. O. BOX 2150 • ASHEVILLE, N. C. 28802 • (704) 255-0013

April 6, 1977

Mayor Eugene Ochsenreiter
City Hall
Asheville, N.C.

Dear Gene:

I regret that a previous commitment will make it impossible for me to be present at the April 7 City Council meeting. I understand that Council plans to consider a resolution which will support a request by Thoms Cablevision asking the Federal Communications Commission to revise its rules so as to allow Thoms to include non-network programs from WBTV in Charlotte on the system.

It is my understanding that certain members of Council were upset recently when they were unable to see some of the games of the NCAA tournament which were not broadcast in this market. This resolution appears to be a result of Council's disappointment in not being able to see those games. Yet the resolution is quite broad and goes beyond sporting events into areas of news and public affairs, which I feel are totally unwarranted.

First let me point out that the rights to the tournament games were held by another station in this market, and were not available to WLOS-TV, even though we made efforts to get them. This resolution appears to be aimed at WLOS-TV. Its charges of failure to serve the public needs certainly go far beyond basketball.

In my opinion several of the statements in the resolution have been included simply to add weight to the total resolution, and have not been carefully considered. The final "Whereas" states that the FCC rules are contrary to the interests of the citizens of Asheville. I wonder if the citizens of Asheville feel that way. If Council is interested in receiving basketball games, then the resolution should so state, and it should be limited to that.

Any statement by Council that it needs to add a Charlotte station in order to get North Carolina news demeans the tremendous efforts WLOS-TV has put forth on behalf of the citizens of Asheville. Such a charge belittles our editorial support and news coverage of such city projects as the Civic

Thursday - April 14, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Gene E. Rainey, J. W. Hoyle, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, Acting City Manager Kenneth M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of minutes of April 7, 1977 meeting.

Councilman Rainey said he took his seat at 7:45 o'clock p. m. during the April 7, 1977 meeting and requested that his name be moved from the absent position to the present position.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, the minutes of the April 7, 1977 meeting were unanimously approved as amended.

Councilman Rainey introduced his mother, Mrs. Paul Rainey, from Texas.

MRS. TULULA ROGERS - GOVERNOR'S COMMITTEE FOR VOLUNTEERS OF THE YEAR

Councilwoman Swilling recognized and announced that Mrs. Tulula Rogers, along with Sister Mary Joseph and Mrs. Catherine McRea were nominated to represent Western North Carolina on the Governor's Committee for Volunteers of the Year. She said Mrs. Rogers would be traveling to Raleigh to receive an award.

PROCLAMATION - PRIVATE PROPERTY WEEK - APRIL 17-23, 1977

Mayor Ochsenreiter proclaimed the week of April 17-23, 1977 as Private Property Week in the City of Asheville.

Mrs. Ruby Ballard, representing the Asheville Board of Realtors, presented Mayor Ochsenreiter a plaque in observance of Private Property Week.

ORDINANCE NO. 945 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Sign Regulations)

2. Consideration was given to the second reading of Ordinance No. 945, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended relative to sign regulations.

Mayor Ochsenreiter stated that the ordinance was previously read on first reading and members of Council were furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Verl Emrick, Planning Director, said the ordinance had been continued for several weeks pending information from the Attorney General concerning amortization.

PUBLIC HEARING SCHEDULED - CIVIL SERVICE RECOMMENDATION REGARDING RESIDENCE OF CITY EMPLOYEES

13. The City Manager presented recommendations from the Civil Service Board relative to the city's policy on residence for city employees. He said according to Section 28(a) of the Charter Appendix-Related Laws, Code of Ordinances, City of Asheville a public hearing is required before Council takes any action on the recommendations.

Councilwoman Swilling moved to schedule a public hearing on the matter for April 28, 1977 at 7:30 o'clock p. m. and further that the April 28, 1977 night meeting be held in lieu of the night meeting scheduled for May 5, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

CLAIM - MRS. MARJORIE P. LOCKWOOD

The City Manager presented a claim received from Mrs. Marjorie P. Lockwood.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - PARKING METERS REMOVED ON HAYWOOD STREET AND BATTERY PARK HILL -COMPLAINT

Mr. Ralph Bishop again complained of the parking meters being removed from Battery Park Hill and Haywood Street and not on Pack Square.

Mayor Ochsenreiter explained that the removal of the parking meters was a pilot program to see how it would help the business people downtown. He said Council would continue to make changes to benefit more businesses downtown.

Councilman Hoyle said he was responsible for the removal of the parking meters on Haywood Street and he said he felt this pilot program had helped some of the businesses in that area. He said he would also be working on helping other businesses downtown in the same manner.

Mr. Bishop said if Council makes a rule that the citizens have to abide by then everybody should be included on the Council and the citizens should be given the right to voice their opinion on such actions and they should be discussed in an open Council meeting.

Adjournment.

MAYOR

CITY CLERK

SEC. 30-9-3 (E) SCHEDULE OF SIGN REQUIREMENTS

ZONING DISTRICT	CLASS OF SIGN PERMITTED	TYPE OF SIGN PERMITTED	MAXIMUM SIGN AREA PERMITTED PER LOT	MAXIMUM AREA PER SIGN FACE	MAXIMUM NUMBER OF SIGNS PERMITTED	MAXIMUM HEIGHT OF FREE-STANDING SIGNS*
Residential R-1 R-2 R-3 R-4 R-5	Free-standing Wall Window	Identification Sign	For single-family residential uses: 4 sq.ft. For multi-family residential uses: 20 sq.ft. For non-residential uses-by-right: 30 sq.ft. For uses located in Group Developments as part of site plan apprval only: ---------- For Home Occupation 4 sq.ft.	2 sq.ft. 10 sq.ft. 15 sq.ft. ---------- 2 sq.ft.	1 per use 1 per use 1 per use ----------(See Sec. 30-6-1)---------- 1 per use	6 ft. 6 ft. 6 ft. ---------- 6 ft.
		Bulletin Board	For non-residential uses only: 32 sq.ft.	16 sq.ft.	1 per street frontage	6 ft
		Business Signs (in R-4 only)	For uses permitted by special review and for lawful nonconforming uses: the lesser of 50 sq.ft., or the maximum sign area permitted for the use in the zoning district wherein the use is permitted by the zoning ordinance.	15 sq.ft.	The lesser of: 1 per street frontage or 2 per use	8 ft.
		Real Estate Sign	8 sq. ft.	4 sq.ft.		3 ft.
		Temporary Sign	See pages			6 ft.
		Historical Marker (Bona Fide)		12 sq.ft.	1 per use	6 ft.
		Legal Notice		12 sq.ft.	As required by law	6 ft.
		Directional	For non-residential uses only: 24 sq.ft.	12 sq.ft.	1 per street frontage	6 ft.
		Political Sign	4 square feet (shall be removed 10 days after pertinent election)			6

*NOTE: Height of the sign shall be measured from the grade at the sign or the grade at the nearest roadway, whichever is higher.

Mr. Emrick then presented the following proposed modifications to the wording of the Sign Ordinance for Council's consideration.

RECOMMENDATIONS

1. Prohibited Signs

That Section 30-9-1 (C) Prohibited Signs be amended to insert as Item No. 10, the following:

10. "A" frame signs or sandwich board, sidewalk or curb sign.

2. Political Signs

That Section 30-9-2 Use Regulations be amended to insert as item "M" the following wording:

M. Political Signs. Signs concerning candidacy for public office or urging action on any ballot issue in a primary, general or special election shall be permitted in any zone as specified in Section 30-9-3 and shall be removed ten (10) days after the pertinent election or referendum.

3. Required Setbacks, Free-Standing Signs.

Based on conversations with the Corporation Counsel relative to placement of sign structures within a right-of-way (city or state maintained), no change is recommended in the existing proposal.

4. Section 30-9-3 (E) Schedule of Sign Requirements

For principal use identification signs located in the Office Institutional, Commercial and Industrial Districts, the following criteria shall apply.

(See Attached Tables)

ZONING DISTRICT	CLASS OF SIGN PERMITTED	TYPE OF SIGN PERMITTED	MAXIMUM SIGN AREA PERMITTED PER LOT	MAXIMUM AREA PER SIGN FACE	MAXIMUM NUMBER OF SIGNS PERMITTED	MAXIMUM HEIGHT OF FREE-STANDING SIGNS*
1. Commercial Service 2. Commercial General 3. Commercial Highway 4. Light Industrial 5. Heavy Industrial	Free-standing Marquee Projecting Suspended Vehicle-mounted Wall Wind Window	Identification Sign Bulletin Board Business Sign (This formula and its imposed restrictions shall not apply to locating off premise advertising signs).	(1) For principal use identification signs One (1) free-standing sign or wall sign of the maximum size shall be allowed per lot. Additional signage shall be approved by the Board of Adjustment (See Page 10 for permitted increases in sign area on major streets)	300 sq.ft. per face		40 ft.
		Joint Identification Sign	All exterior signage for shopping centers or industrial complexes shall be approved by the Board of Adjustement	300 sq.ft.	See Page 8	40 ft.
		Political Sign	300 sq. ft. (shall be removed 10 days after pertinent election or referendum)	300 sq.ft.		40 ft.
		Real Estate Sign	32 sq. ft.	16 sq. ft.	1 per street frontage	8 ft.
		Time-Temperature-Date Sign	See Page 9		1 per street frontage	
		Temporary Sign	See Page 8			

*NOTE: Height of the sign shall be measured from the grade at the sign or the grade of the nearest roadway, whichever is higher.

ZONING DISTRICT	CLASS OF SIGN PERMITTED	TYPE OF SIGN PERMITTED	MAXIMUM SIGN AREA PERMITTED PER LOT	MAXIMUM AREA PER SIGN FACE	MAXIMUM NUMBER OF SIGNS PERMITTED	MAXIMUN HEIGHT OF FREE-STANDING SIGNS*
Office-Institutional (OI)	Free-standing Wall	Identification Sign		150 sq.ft. for free-standing signs	1 per street frontage for free-standing signs	8 ft.
	Window		See Page 8			
		Temporary Sign	See Page 8			8 ft.
		Legal Notice		12 sq.ft.	As required by law	6 ft.
		Historical Marker (bona fide)		12 sq. ft.	1 per use	6 ft.
		Directional	For non-residential uses only: 24 sq ft.	12 sq.ft.	1 per street frontage	6 ft.
		Joint Identification Sign	1 sq. ft. sign area per linear foot of street frontage (maximum area per sign: 150 sq. ft.)	75 sq.ft.	1 per use	8 ft.
		Business Sign	Same as Commercial & Industrial Districts			
		Real Estate Sign	32 square feet	16 sq.ft.	1 per street frontage	8 ft.
		Political Sign	50 sq. ft. (Shall be removed 10 days after pertinent election or referendum)			8 ft.

*NOTE: Height of the sign shall be measured from the grade at the sign or at the grade of the nearest roadway, whichever is higher.

Mr. Emrick, commenting on the changes, said Section 30-9-(C) prohibited signs was proposed to be amended to prohibit "A" frame signs due to visiability problems with these types of signs. He said political signs would be added to Section 30-9-2 at the request of Council. He said Section 30-9-3 (E) was proposed to be amended to allow businesses a choice between having one free standing sign or one wall sign of the maximum size, which is 300 square feet per face, on each lot in districts zoned Commercial Service, Commercial General, Commercial Highway, Light Industrial and Heavy Industrial. The Commercial Regional zone would allow 150 square feet as the maximum area per sign face. He said in its present form the ordinance makes the size of the sign dependent on the street frontage.

Council instructed the Planning Division to define an "A" frame sign in the ordinance.

Mr. Emrick said at the first reading of the ordinance it was requested that the required setbacks be measured from the street line rather than the right of way line. However, based on conversations with the Corporation Counsel relative to the placement of sign structures within a right of way (city of state maintained) no change is recommended in the existing proposal. He said the State will not allow signage on their right of way.

Mr. Emrick then read the following letter from James F. Bullock, Senior Deputy Attorney General, concerning the legality of amortization.

State of North Carolina
Department of Justice
P. O. Box 629
Raleigh
27602

RUFUS L. EDMISTEN
ATTORNEY GENERAL

Received
APR 7 1977
ASHEVILLE PLANNING AND ZONING COMMISSION

7 April 1977

Mr. Verl R. Emrick, Jr.
Planning Director
City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Re: Opinion on Adequacy of Amortization Provisions for Asheville's Proposed Sign Ordinance.

Dear Mr. Emrick:

In your letter of April 1 you refer to the three alternatives for ordinances dealing with the amortization of signs and ask for our views as to how best to accomplish this task.

ZONING DISTRICT	TYPE OF SIGN PERMITTED	CLASS OF SIGN PERMITTED	MAXIMUM SIGN AREA PERMITTED PER LOT	MAXIMUM AREA PER SIGN FACE	MAXIMUM NUMBER OF SIGNS PERMITTED	MAXIMUM HEIGHT OF FREE-STANDING SIGNS*
1. Commercial Regional	Identification Sign	Free-Standing or Wall		150 sq.ft. per face	1 per lot	40 ft.*
	Bulletin Board Business Sign	Projecting		See Page 7	1 per use	See page
		Suspended		See Page 7	1 per use	See page
		Window		See Page 8	---	---
		Marquee		150 sq.ft. per face	1 per lot	
	Joint Identification Sign		See Page 8	150 sq.ft.		
	Political Sign		300 sq. ft. (Shall be removed 10 days after pertinent election or referendum)	150 sq.ft.		40 ft.
	Time-Tempera-ture-Date Sign		See Page 9		One Per Lot	
	Real Estate Sign		32 sq. ft.	16 sq. ft.	One Per Lot	8 ft.
	Temporary Sign		See Page 9			

*NOTE: 1. Height of the sign shall be measured from the grade at the sign or the grade of the nearest roadway, whichever is higher.
2. See Page 10 for permitted increases in sign area on major streets.

Mr. Emrick said based on this letter the following alternatives are presented for consideration:

ALTERNATE #1

Sec. 30-9-5. Nonconforming Signs.

A. After the effective date of this Ordinance, it shall be unlawful for any person to erect or place any sign which does not conform to the requirements of this Section. Any sign made nonconforming as a result of any amendment to this Ordinance shall be removed or brought into compliance herewith within seven (7) years from the effective date of such amendment.

B. A nonconforming sign may be continued for the period specified above and shall be maintained in good condition, but it shall not be:

(1) changed to another nonconforming sign;

(2) structurally altered (except to meet safety requirements);

(3) altered so as to increase the degree of nonconformity of the sign;

(4) expanded;

(5) reestablished after its discontinuance for sixty (60) days;

(6) continued in use after cessation or change of the business or activity to which the sign pertains; or

(7) reestablished after damage or destruction if the estimated cost of reconstruction exceeds seventy-five (75%) percent of the appraised replacement cost (as determined by the Building Inspector).

As you know, there have been few cases in North Carolina dealing with amortization provisions of an ordinance, the most recent being STATE v JOYNER, 286 NC 366, wherein the defendant contends that the ordinance was unconstitutional on its face in that it deprived him of his property without due process of law and that it was unconstitutional in that it constitutes a taking of his property for a public purpose without compensation.

The Court reviewed cases in other jurisdictions, some dealing with signs and which had concluded that such regulation of private property does not, per se, constitute a compensable taking.

We think it is clear from the JOYNER case that amortization ordinances have been upheld by many courts including the North Carolina Supreme Court and that a proper regulation thereof is not a taking of property which must be compensated. It is noted, however, that the Court stated in the JOYNER case, "We neither consider nor decide whether this ordinance would be considered reasonable had the defendant been the owner in fee." There was a dissenting opinion in that it was the taking of property for which the defendant should have been compensated.

We do not know which of the proposed ordinances would be most defensible should it be litigated. However, either No. 2 or No. 3, which provides for compensation, would certainly eliminate that angle of attack. From that viewpoint, if the City is going to pay just compensation for the taking of a sign, then it does not appear to be necessary tohave a period of time within which non-conforming use could be maintained before removal, since the amortization period is to offset the laws which would be sustained by an immediate removal of the non-conforming use.

We raise one question as to alternatives 2 and 3 as to whether the City has the authority to condemn property for this purpose.

We trust the above will be of some assistance to you.

Yours very truly

Rufus L. Edmisten
Attorney General

Jas F Bullock

James F. Bullock
Senior Deputy Attorney General

JFB:ae

The Director of Finance shall notify the owner or person entitled to possession of the sign or property of the total costs incurred for such alteration or removal of the sign, and if that person shall fail within thirty (30) days after the date of notification to pay the entire costs and expenses of such repair, alteration or removal, then such costs and expenses shall become a lien against the property, and the Director of Finance shall certify the same to the Buncombe County Tax Collector for collection in the same manner as general property taxes are collected.

The amount certified by the Director of Finance to the County Tax Collector for collection shall include the actual cost of repair or removal of said sign, plus fifteen (15%) percent, and in addition thereto, shall include an amount equal to ten (10%) percent representing penalty and interest for the cost of collection.

C. Any existing individual sign which exceeds the maximum area or height limitations of this Ordinance by ten (10) percent or less may be considered to be a conforming sign and need not be removed or altered. However, at the time such sign is to be replaced or renovated, that sign shall be made to conform to all provisions of this Ordinance.

D. Removal of Nonconforming Signs.

In the event that a taking of any sign is deemed advisable, the date of the taking shall be no earlier than the last day of the period applicable for removal of said sign as set forth in Sec. 30-9-5 herein. Further, in determining the commencement date for any period of time as set forth in Sec. 30-9-5 of this Ordinance, said time shall begin as of the date of the adoption of this Ordinance.

E. Notice to Repair or Remove: Creation of Lien.

If the Building Inspector shall find that any sign is maintained in violation of the provisions of this Article, he shall give written notice to the owner or person entitled to possession of the sign or the owner of the property where the sign is located. If such person fails to alter or remove the sign so as to comply with this Article within thirty (30) days after receipt of such notice, the Building Inspector may cause such sign to be altered or removed at the expense of the owner or person entitled to possession of the property or sign, and shall, upon determination of such expenses, certify same to the Director of Finance of the City of Asheville.

C. Any existing individual sign which exceeds the maximum area or height limitations of this Ordinance by ten (10%) percent or less may be considered to be a conforming sign and need not be removed or altered. However, at the time such sign is to be replaced or renovated, that sign shall be made to conform to all provisions of this Ordinance.

D. Removal of Nonconforming Signs.

The City of Asheville is authorized to acquire by purchase or gift all signs and all property rights pertaining thereto which are not in conformance with the provisions of this Ordinance.

In any acquisition or purchase, just compensation to the owner of the sign shall be limited to the fair market value at the time of acquisition whether by gift or purchase. However, in the event that a taking of any sign is deemed advisable, the date of the taking shall be no earlier than the last day of the period applicable for removal of said sign as set forth in Sec. 30-9-5 herein.

Further, in determining the commencement date for any period of time as set forth in Sec. 30-9-5 of this Ordinance, said time shall begin as of the date of the adoption of this Ordinance.

E. Notice to Repair or Remove: Creation of Lien.

If the Building Inspector shall find that any sign is maintained in violation of the provisions of this Article, he shall give written notice to the owner or person entitled to possession of the sign or the owner of the property where the sign is located. If such persons fails to alter or remove the

ALTERNATE #2

PROPOSED AMENDMENT AS OF MARCH 21, 1977

Sec. 30-9-5. Nonconforming Signs.

A. After the effective date of this Ordinance, it shall be unlawful for any person to erect or place any sign which does not conform to the requirements of this Section. Any sign made nonconforming as a result of any amendment to this Ordinance shall be removed or brought into compliance herewith within seven (7) years from the effective date of such amendment.

B. A nonconforming sign may be continued for the period specified above and shall be maintained in good condition, but it shall not be:

(1) changed to another nonconforming sign;

(2) structurally altered (except to meet safety requirements);

(3) altered so as to increase the degree of non-conformity of the sign;

(4) expanded;

(5) reestablished after its discontinuance for sixty (60) days;

(6) continued in use after cessation or change of the business or activity to which the sign pertains; or

(7) reestablished after damage or destruction if the estimated cost of reconstruction exceeds seventy-five (75%) percent of the appraised replacement cost (as determined by the Building Inspector).

Upon inquiry of Mr. George Gontero, of Lamar Dean Outdoor Advertising Company, Mr. Emrick said if Alternate #2 is enacted compensation would be limited to the fair market value at the time of acquisition. He said the sign would be appraised by qualified appraisers.

Mike Summey, of Summey Sign Company, said revenues derived from the sign differ and this would also have to be considered in appraisals.

Lee Thompson, representing Exxon expressed concern about the proposed amendment allowing one sign on a lot. He said his company has three stations in Asheville that face more than one highway and therefore have two major signs.

Mr. Emrick emphasized the possibility of a second sign being approved by the Board of Adjustment.

At the request of Council, Mr. Emrick noted that the North Carolina courts have been rather vague on the subject of amortization in ordinances such as this. He said the City would probably be breaking new ground in this area and would be developing a phase of law.

Councilman Morris suggested that Council not take any action on the second reading of the ordinance at this meeting. He said he felt all amendments should be worked out prior to the third reading of the ordinance. He took exception with the proposal allowing only one sign of the maximum size on each lot.

After discussion, Councilwoman Swilling moved to amend Ordinance No. 945 by amending Section 30-9-1 (C), Section 30-9-2, and Section 30-9-3 (E) as previously recommended by the Planning Division. She further moved that Ordinance No. 945 be amended to include Alternate #2 regarding amortization as recommended by the Planning Staff. This motion was seconded by Councilman Rainey, which motion carried on a vote of 4-2, with Councilman Morris and Vice-Mayor Horton voting "no".

On a roll call vote of 6-0, Ordinance No. 945 passed on its second reading.

ORDINANCE NO. 947 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Haywood Street)

3. Consideration was given to the third and final reading of Ordinance No. 947, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property on Haywood Street from R-3 Residential District to CR Commercial Regional District, property owned by Seaborn P. Foster.

Mayor Ochsenreiter stated that members of Council had previously been furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 947 passed on its third reading.

Complete text of Ordinance No. 947 will be found in Ordinance Book No. 7 at Page 123 .

sign so as to comply with this Article within thirty (30) days after receipt of such notice, the Building Inspector may cause such sign to be altered or removed at the expense of the owner or persons entitled to possession of the property or sign, and shall, upon determination of such expenses, certify same to the Director of Finance of the City of Asheville.

The Director of Finance shall notify the owner or person entitled to possession of the sign or property of the total costs incurred for such alteration or removal of the sign, and if that person shall fail within thirty (30) days after the date of notification to pay the entire costs and expenses of such repair, alteration or removal, then such costs and expenses shall become a lien against the property, and the Director of Finance shall certify the same to the Buncombe County Tax Collector for collection in the same manner as general property taxes are collected.

The amount certified by the Director of Finance to the County Tax Collector for collections shall include the actual cost of repair or removal of said sign, plus fifteen (15%) percent, and in addition thereto, shall include an amount equal to ten (10%) percent representing penalty and interest for the cost of collection.

WATER RATE INCREASES - PRESENTATION OF INFORMATION

6. The City Manager read the following memorandums in reviewing the background for the need of a water rate increase:

TO: Ken Michalove, Acting City Manager

FROM: Larry Fisher, Director of Finance

SUBJECT: Water Rates

DATE: April 6, 1977

Ken, during our budget session last Friday afternoon, we covered several topics. One of them was the status of the water rate increase proposal. You requested that I send you a memorandum recounting the history of this proposal to date and indicating its present status. Attached for your information is a copy of a memorandum I wrote to Ernest on December 1 which indicates the background work that I have done on this subject. Ernest took this package to Council. The Mayor appointed a Council Water Rate Study Committee of Councilmen Morris and Michael and Councilwoman Swilling. I met with Michael and Swilling in my office on January 11. I met with Councilman Morris by telephone. At Councilman Michael's suggestion, I believe, the Mayor's Water Rate Study Committee recommended a 7¢ increase in each step in our present water rate structure. This is not a percentage increase, but a flat 7¢ per 100 cubic feet consumed. This would, of course, result in a larger percentage increase for volume consumers. Councilman Morris was appointed chairman of the Mayor's Water Rate Study Committee. It was suggested that I telephone the results of the Committee's deliberations to the other Council members. I did so, and obtained basic concurrence from all Council members except Dr. Rainey. Dr. Rainey agreed with the necessity of a water rate increase, but would not specifically agree that a flat 7¢ in each step was the amount of increase that should be levied. I reported to Ernest the results of my telephone report with the various Council people. My report to Ernest would have been made in mid January. In retrospect, Ernest may have been heavily involved in his decision to leave at that time and that may be the reason why this situation got carried no further. Also, at about this time we began to experience our severe weather conditions and even I, as Prussian as I am in my attitudes, could understand the inappropriateness of discussing a water rate increase during that period of time.

RESOLUTION NO. _____ RESOLUTION SUPPORTING THOMS CABLEVISION IN REQUESTING THAT THE FEDERAL COMMUNICATIONS COMMISSION AMEND SECTION 76.54 OF THE FCC REGULATIONS

4. Consideration was given to a resolution supporting Thoms Cablevision in requesting that the Federal Communications Commission amend Section 76.54 of the FCC regulations.

Mayor Ochsenreiter stated that the resolution was considered at last week's meeting but was tabled until the language could be modified.

The City Manager read the resolution as modified by the Corporation Counsel.

John Jerose, of Thoms Cablevision, said he felt the resolution in its present form failed to make a convincing case for the change in the FCC regulations. He said the resolution makes no specific request from the citizens of Asheville and the public has indicated a desire to have WBT, Channel 3.

Councilman Morris said the resolution should have two more paragraphs indicating that members of Council have received requests from the citizens of Asheville to obtain WBT, Channel 3 and that the FCC Rule 76.54 works a hardship on the Asheville area due to the mountainous terrain of the area.

Mayor Ochsenreiter instructed the Corporation Counsel to work with Mr. Jerose to obtain an acceptable resolution for Council's consideration in two weeks.

ORDINANCE NO. 950 - AN ORDINANCE AMENDING AND APPROPRIATING COMMUNITY DEVELOPMENT BUDGET CHANGES RECLASSIFYING CAPITAL PROJECTS FOR 1975-76

5. Consideration was given to an ordinance amending and appropriating Community Development Budget Changes reclassifying captial projects for 1975-76.

The City Manager read the ordinance explaining that the ordinance would make accounting changes easier for the transferring of funds.

Vice-Mayor Horton moved for the adoption of the ordinance with the following change in the direction: "That the following Capital Projects as outlined on the attached schedule, be established and appropriated for the life of each included project:". This motion was seconded by Councilwoman Swilling.

On a roll call vote of 5-0, Ordinance No. 950 passed on its first reading.

Councilwoman Swilling moved to suspend the rules and proceed to the second reading of Ordinance No. 950. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 950 passed on its second reading.

Councilman Hoyle moved to suspend the rules and proceed to the third and final reading of Ordinance No. 950. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 950 passed on its third and final reading.

Complete text of Ordinance No. 950 will be found in Ordinance Book No. 7 at page 126 .

CITY OF ASHEVILLE

ASHEVILLE, NORTH CAROLINA

DEPARTMENT OF FINANCE

MEMORANDUM

TO: Ernest J. Ward, City Manager

FROM: Larry Fisher, Director of Finance

SUBJECT: Water Rates

DATE: December 1, 1976

Pursuant to your request and as indicated in your Fiscal 77 Budget Letter, I have made a study of our water rate schedule. Attached are copies of several documents prepared in the course of that study.

In preparation for the study, I examined the Water Fund to make a determination of approximately how much revenue would be needed from a water rate increase. At the same time, I asked Bill Edens to make a similar but independent determination. It is interesting to me to note that my estimate produced a figure of $380,000 and Mr. Edens' estimate produced a figure of $401,000. I also found it interesting to note that my estimate did not include any increases in operations as Mr. Edens' estimate did and that Mr. Edens' estimate did not include all of the funds necessary to balance the "33 Fund." It is my opinion, that if funds are needed to support expanded operations and a larger 33 Fund contribution from the Water Operating Funds, the estimate of revenue needed from the water rate increase should be approximately $500,000.

Schedule A is a study of who is using the water and who is paying for it. It lists, by rate step, the percentage of water used by the customers in each step and the percentage of revenue contributed by the customers in each step. Next, the schedule shows the effect of three separate rate increase proposals. Proposal A is an increase of 5¢ in Steps 1 through 4 and an increase of 4¢ in Steps 5 and 6. Proposal B is an increase of 5¢ in each of the 6 steps. Proposal C includes no increase in Step 1, a 5¢ increase in Step 2 and 7¢ increase in Steps 3 through 6. Proposal C was first discussed by Vice Mayor Porter and Mr. Edens and myself when we were balancing the Water Budget in April of this year.

Schedule B is a study of comparative charges for consumptions at our present rate table breaks. These charges have been ranked in order from highest to lowest. It was interesting for me to note that our system-wide charge in four of the five consumption levels selected ranked 9th, 11th and 12th out of the 13 systems studied.

Our present rates were set by Ordinance No. 825 adopted November 21, 1974, effective January 1, 1975. The fiscal '77 Budget Letter alludes to a water rate increase on Page 12 "in addition, I am recommending that a comprehensive study of our water rate schedule be made early in the fiscal year." My revenue estimates for water utility charges in fiscal '77 anticipate a water rate increase. I am presently anticipating a $155,906 short fall in water revenues in fiscal '77 due almost entirely to the non-receipt of the revenue from the increased rates. The fiscal '78 Water Fund budget, in its present condition, anticipates $500,000 of revenue to be generated by a water rate increase.

I hope this memorandum serves the purposes you had in mind, if not, please let me know. Drafting an ordinance changing the water rates is a relatively simple matter as long as any price or rate changes are applied to existing steps. If you need any more information, let me know.

Larry Fisher
Director of Finance

Attachment

Schedule C is a comparative study of charges at the most commonly billed consumption levels. While there are some disparities between Schedule B and Schedule C at the 300 cubic foot consumption level due primarily to varying and sometimes confusing minimum bill policies, Schedule C also indicates that our system-wide rate for these most commonly billed consumption levels ranks consistently 10th and 11th among the 13 systems surveyed.

Schedule D is a study of the effect of Proposal B from Schedule A on the 11 largest customers on our system.

If you have any questions about this study, please call me.

Larry

The City Manager reviewed the schedules referred to in the memorandum from Larry Fisher to Ernest Ward. The schedules were presented to members of Council.

Councilman Michael commented that the tables did not show an increase for Gerber Products, Inc. due to a previous agreement. However, he suggested that Gerber's rates be increased along with everyone else's despite the agreement.

The City Manager also compared these rates with other systems such as Mecklenburg and Forsyth Counties. He said it was rather consistent among these companies that, were they in other counties in North Carolina, even under the proposed increase, they would be paying more.

Councilman Michael, a member of the Mayor's Water Rate Study Committee, said the committee had wanted to raise the rates more steeply for the big water users than for the little ones. But, because almost all of the big users are outside the City the Sullivan Act would prohibit such an action.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the lowest bidder on a per item basis as follows:

Matthews Motors, Inc.
Item # 1 @ $4,479.63 - 1 Pick Up Truck with Utility Body
Item # 2 @ $4,908.17 - 1 cab and chassis with 1-1/2 dump bed
Item # 3 @ $22,517.10 - 2 cab and chassis with four yd. dump bed

Carolina Truck & Body Company
Item # 4 @ $4,787.65 - 1 Flat Bed Truck

Councilman Hoyle moved that the recommendation of the Purchasing Agent be accepted. This motion was seconded by Vice-Mayor Horton and carried unanimously.

A complete bid summary is on file in the Office of the City Clerk.

BIDS - AUTOMATIC SWIMMING POOL TREATMENT CONTROL SYSTEM FOR PARKS AND RECREATION DEPARTMENT

9. Consideration was given to bids received April 8, 1977 for an automatic swimming pool treatment control system for Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Duffield & Associates in the amount of $5,400.00.

Councilman Michael moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Duffield & Associates in the amount of $5,400.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Duffield & Associates	$5,400.00
Price Aquatech Pools	5,700.00

ORDINANCE NO. 951 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1976-77 (general aviation aircraft)

10. Consideration was given to an ordinance amending the operating budget of the City of Asheville for the fiscal year 1976-77 to allow general aviation aircraft to utilize the City's main terminal on a 60-day trial basis.

The City Manager read the ordinance and explained that funds for such a project were not provided for in the City's Fiscal 76-77 Operating Budget and the total cost of the project is estimated to be $3,000. He reviewed the details of the proposed project.

Councilman Michael commented that it was the hope that this project would create a better image of executives that come into Asheville to do business. He said it was also hoped that the revenues derived would offset the expenditures.

Councilman Michael instructed the Corporation Counsel to write the Attorney General to determine what the City Council needs to do in order to have the Sullivan Act repealed.

Larry Fisher, Director of Finance, said the additional charge would still leave the local industries considerably better off than they would be in most other areas of the state. He noted that he was comparing Asheville's water rates with those of other systems, not other cities. The importance of this distinction is in the fact that because of the 1933 Sullivan Act, Asheville, alone of all the cities in the state, is prohibited from charging higher water rates to county customers than to city customers.

Councilman Rainey said he was not opposed to the rate increase but would like to see the money used on large scale capital improvements.

Councilman Morris instructed that all the information relating to the water rate increase be forwarded to each member of the Buncombe County Commissioners.

Council discussed several variations in the proposed rate increase but no action was taken on the matter.

BIDS - ONE (1) FOUR DOOR SEDAN FOR METER READING DIVISION, ONE (1) FOUR DOOR SEDAN FOR STREET DIVISION, AND NINE (9) PICK-UP TRUCKS FOR VARIOUS WATER DIVISIONS

7. Consideration was given to bids received April 8, 1977 for one (1) four door sedan for Meter Reading Division, one (1) four door sedan for Street Division, and Nine (9) Pick-up trucks for various water division.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the lowest bidder on a per item basis as follows:

Dorato Motors, Inc. - Item # 1 @ $3,500 -1 four door sedan for Meter Reading

Apple Tree Chevrolet -Item #2 @ $4,123.13 -1 four door sedan for Street Division

Matthews Motors, Inc. - Item #3 @ $28,205.60- 8 1/2 ton pick-up trucks for Various Water Divisions
Item #4 @ $ 4,212.73-1 - 3/4 ton pick-up truck for Water Maintenance Division

Councilman Rainey moved that the recommendation of the Purchasing Agent be accepted. This motion was seconded by Councilwoman Swilling and carried unanimously.

A complete bid summary is on file in the office of the City Clerk.

BIDS - ONE (1) PICK-UP TRUCK WITH UTILITY BODY, AND THREE (3) DUMP TRUCKS FOR STREET DIVISION; AND ONE (1) FLAT BED TRUCK FOR WATER MAINTENANCE DIVISION

8. Consideration was given to bids received April 8, 1977 for one (1) pick-up truck with utility body, and three (3) dump trucks for Street Division; and one (1) flat bed truck for Water Maintenance Division.

COUNCILWOMAN JOANN SWILLING - APPOINTED TO RIVER IMPROVEMENT COMMITTEE

Mayor Ochsenreiter read a letter from Mr. Ed Todd, Chairman of the Land of Sky Regional Council, which appointed Councilwoman JoAnn Swilling a member of the River Improvement Committee to assist with the French Board River Project.

Councilwoman Swilling said the Committee would be working on the many potentials for the French Board River in the areas such as water resources and recreation.

CLAIM - MRS. ETHEL P. DASHER

The City Manager presented a claim received from Mr. Ethel P. Dasher.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

PUBLIC HEARING SET - ESTABLISHING AN ASHEVILLE DOWNTOWN REVITALIZATION AND APPEARANCE COMMISSION

The City Manager requested that Council schedule a public hearing for the purpose of receiving public comments on the establishment of an administrative body to be known as the Asheville Downtown Revitalization and Appearance Commission.

Councilman Rainey moved to schedule a public hearing on the matter for May 5, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

METER FEEDING - DISCUSSION

The Corporation Counsel read the following report from Drew Walker, Police Legal Advisor, relative to penalties for meter feeding:

Memorandum to: Bill Moore, City Attorney

From: Drew Walker, Police Attorney

Subject: Meter feeding

Here is the information you requested in our telephone conversation of April 11. It is my opinion that there no longer exists any lawful penalty for meter feeding, unless Section 1-5 of the Code of Ordinances serves to provide a penalty. Section 28-119 prohibits the act of meter feeding, but prescribes no specific penalty for committing the act. If the City Council did in fact delete the penalty for meter feeding in ordinance number 914 (to be codified as Section 28-159 of the Code), then there is no fixed penalty. (At the time of Council's deliberations on this ordinance six months ago, my understanding was that the motion regarding meter feeding was to drop the penalty from the $5.00 Council had substituted for the $1.00 in the original draft back to $1.00. The meeting minutes, however, say Council voted to do away not just with the additional penalty, but with the whole line on meter feeding. And apparently Council now has decided to wipe meter feeding from the Code altogether.)

As you of course know, the City of Asheville had no fixed penalties for any violations of Chapter 28 (except for overtime parking and some pedestrian offenses) from 1955 until 1976, when number 914 was adopted. This resulted from Council's passage in 1955 of ordinance number 376 (codified as Sections 28-113 through 28-124 of the Code), which repealed number 304 and left out any fixed fines for parking violations. Ordinance 914 remedied this situation.

Doug Ray, a private pilot, spoke in support of such a project.

The City Manager requested that the ordinance be amended to authorize the Mayor to enter into an agreement with Mr. Lacy Griffin for the project.

Councilwoman Swilling moved for the adoption of Ordinance No. 951, with the amendment that the Mayor be authorized to enter into an agreement with Mr. Lacy Griffin for the project. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 951, as amended passed on first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 951, as amended. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 951, as amended passed on second reading.

Vice-Mayor Horton again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 951, as amended. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 951, as amended passed on third and final reading.

Complete text of Ordinance No. 951, as amended will be found in Ordinance Book No. 7 at page 127.

RESOLUTION NO. 77-57 - RESOLUTION AUTHORIZING AN INCREASE IN CERTAIN SALARY RATES FOR SUMMER EMPLOYEES IN THE PARKS AND RECREATION DEPARTMENT

11. Consideration was given to a resolution authorizing an increase in certain salary rates for summer employees in the Parks and Recreation Department.

The City Manager read the resolution and explained that this resolution was requested by the Parks and Recreation Director in order to give the City the opportunity to compete for the best possible candidates. He reviewed the schedule of rates to be approved.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 77-57 was unanimously adopted.

Complete text of Resolution No. 77-57 will be found in Resolution Book No. _____ at page _____.

PROCLAMATION - FOOD DAY '77 - APRIL 21, 1977

Mayor Ochsenreiter proclaimed April 21, 1977 as Food Day '77 in the City of Asheville.

Councilman Rainey suggested that the City staff determine a cost estimate on replacing the two pipes in the area.

Mrs. Noblett said raw sewage was also running through her yard.

WATER DRAINAGE PROBLEM - 39 DELAWARE AVENUE - ROBERT LIPE

Robert Lipe, of 39 Delaware Avenue, complained of run off water from the streets into a branch that runs from Meadowbrook and Delaware. He said the water has taken over half of their yard. He said he felt the City should be responsible due to the street water run off.

Mayor Ochsenreiter advised that an investigation would be made and a report made on the matter.

Adjournment.

Eugene C. Ochsenreiter
MAYOR

Norman J. Noblett
CITY CLERK

The City Manager said, in light of this report, the City will stop issuing citations for meter feeding in that no penalty is established. He said this would be handled administratively, until after the public hearing regarding meter feeding on April 28, 1977.

FLOODING IN HAW CREEK - MRS. C. A. NOBLETT

Mrs. C. A. Noblett read the following statement relative to flooding in Haw Creek and presented photographs showing the damages done by the flooding:

April 14, 1977

Mr Mayor,

MEMBERS OF ASHEVILLE CITY COUNCIL:

Re: Flooding in Haw Creek

The problem of flood[illegible]is becoming more severe with each heavy rain, since the county has allowed Nixon Terrace, Rolling Greens, Happy Valley and Annex, and the new Haw Creek elementary school, to be built and all the drainage to be emptied into the creek. This creek is not large enough to carry all of this drainage. Mr. Clark Brown has been aware of this and has done all he can do within his power to help each flood damage that we have, he has the right ideas on how to help stop it.

When the bridge washed out and fell due to washing out, Mr. Bostic replaced it with two pipes , and this has made the situation much worse, because of the trash and logs, the pipes become clogged and works as a dam to pool all of the water above us, and causes severe flooding and washing out. All of the bridges above are like this, now the State is putting them in below.

Although a city street, it seems that McIntosh Road is no mans land. When they put the new water line in for the new school, Mr. Eaton told me he did not have to ask about coming into my front yard or down the side of the road which is all on our property, this was not the way that the plans called for, but agreed on when project began. The road was left in terrible shape, and he could see nothing wrong with it. It took Mr. Brown and his crew about one day fixing it back again.

The people who wanted to do away with the Sub-Division Ordinance should face what we do just once, I think that would be enough to change their minds.

We would appreciate any help in solving this problem, and I am sure the street department would appreciate it as much as we would.

Sincerely,

Mrs. C. A. Noblett

MR. PHIL RAMSEY - MR. DOUGLAS RAY - PROPOSED NEW SERVICE AT THE ASHEVILLE AIRPORT

Councilman Michael introduced Mr. Phil Ramsey, who proposes a second fixed base operation at the Asheville Airport.

Mr. Douglas Ray said he would be working with Mr. Ramsey in their new proposal. He read the following letter:

April 21, 1977

MR. MAYOR AND MEMBERS OF THE CITY COUNCIL:

We would like to propose at this time a new service that we feel will greatly promote the City of Asheville.

We wish to add to the Asheville Municipal Airport a new business called Mountain Air Corporation.

The Mountain Air Corporation is a "full-service" flight operation designed to offer all services needed by thegeneral aviation consumer.

Through extensive research and market survey effort we find the general aviation community is marked for rapid growth in our area. This new company will provide many new services and expansion on those now available to the Asheville community.

We intend to promote general aviation and Asheville as a single unit working toward one common goal...PROGRESS.

We will provide new jobs, additional revenues to the city treasury and a bright new outlook and renewed vitality toward Asheville's aviation operations.

Asheville needs this service to carry out its own commitment for increased industrial growth, expansion of resort capabilities, and in general to portray the progressive and productive atmosphere already generated by itself and its citizens.

Thursday - April 21, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Gene E. Rainey, J. W. Hoyle, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager Kenneth M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of minutes of April 14, 1977 meeting.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, the minutes of the April 14, 1977 meeting were unanimously approved as submitted.

OATH OF OFFICE - CITY MANAGER KENNETH M. MICHALOVE

Corporation Counsel William C. Moore administered the oath of office for City Manager to Kenneth M. Michalove.

Mr. Michalove thanked Council for their unanimous support in selecting his as City Manager. He said he was happy to have the opportunity to work with the Council, the City staff, and the City of Asheville in a goal to make Asheville the top city in the country.

RESOLUTION NO. 77-58 - RESOLUTION OF COMMENDATION TO MRS. MARGARET S. PENNELL

2. Consideration was given to a resolution of commendation to Mrs. Margaret S. Pennell, past Chairman of the Asheville School Board.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 77-58 was unanimously adopted.

Complete text of Resolution No. 77-58 will be found in Resolution Book No. 9 at page 260.

RESOLUTION NO. 77-59 - RESOLUTION APPOINTING MEMBERS TO THE RECREATION BOARD FOR ASHEVILLE

3. Consideration was given to a resolution appointing Mr. Bob Farzanegan and Mr. Richard Fain members of the Recreation Board for Asheville.

The City Manager read the resolution.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 77-59 was unanimously adopted.

Complete text of Resolution No. 77-59 will be found in Resolution Book No. 9 at page 261.

Councilwoman Swilling introduced Richard Fain.

Mr. Ramsey also presented letters of endorsement from Cessna Aircraft Company and Exxon Company. He said the proposal would be discussed in further detail at a later date.

PUBLIC HEARING - RELINQUISHING EXTRATERRITORIAL ZONING JURISDICTION

4. A public hearing was held relative to the City of Asheville relinquishing its extraterritorial zoning jurisdiction in the one-mile area surrounding the City Limits.

Mayor Ochsenreiter opened the public hearing at 3:21 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that in accordance with N. C. G. S. 160A-360 (g) the City would have to give a two years' written notice to the other governmental bodies involved before any rescission is accomplished. He noted that the County of Buncombe, by resolution, had requested the City of Asheville to enforce the zoning jurisdictional powers in the one-mile area. Therefore, under the North Carolina General Statutes, the agreement could be modified if agreed upon by all legislative bodies involved. He said the City could notify the two legislative bodies, County of Buncombe and the Town of Biltmore Forest, of the City's intention to drop their responsibilities in the one mile area. This notification, he said, should be in the form of a resolution and sent by registered mail to insure complete delivery. In the meantime the agreement could be modified if agreed upon. He suggested that a sub-committee be appointed to work with the other governmental units to come up with a modified agreement.

The City Manager noted that under the statutes involved, all of N. C. G. S. 160A is enforced in the extraterritorial area, which includes building code inspections. He said it seemed that most of the problems in the one-mile area dealt with code inspections.

Mr. Emrick said the Council could request the County to enforce the inspections of the building code and if the County agreed the agreement could be modified to that end.

Councilman Rainey said he would be in favor of giving the County of Buncombe notice that the City intends to relinquish its reponsibility in the one-mile area and to arrange for the building code inspections to be enforced by the County. He cited the many costs involved for the City to carry this responsibility.

Councilwoman Swilling said she was in favor of the City relinquishing their rights but was concerned over an area being left without any zoning regulations entirely. She said the people who live in the County have got to decide what they want in zoning controls and let their elected officials know.

Councilman Michael said the City needs a buffer zone to control the perimeter of the City Limits to some extent. However, he was not in favor of building code inspections in the one-mile area.

Mr. Phil Ramsey presented Council with the following details of the proposal:

1. SERVICE - 24 hour, 7 day service
   a. Aviation gas - 80 & 100 octane and jet fuel
   b. Maintenance facilities (engine and air frame)
   c. Aircraft radio maintenance
   d. Hangar space, tie downs, aircraft cleaning
   e. Courtesy transportation

2. SALES
   a. Authorized Cessna dealership
   b. Pilot equipment and supplies
   c. Consignment aircraft sales
   d. Aircraft parts and accessories
   e. Leasing

3. AIR TAXI AND CHARTER
   a. Recreational and business group charter plans
   b. Specialty - air ambulance and photography
      (air ambulance on call for emergency service)

4. FLIGHT TRAINING
   a. FAA approved flight school
   b. Training for private pilot through airline transport rating
   c. Aircraft rental
   d. Flying club promotion

5. AIRCRAFT INSURANCE
   a. Full line aviation coverage

COUNCIL RECESS

Mayor Ochsenreiter called for a five-minute recess of Council.

ORDINANCE NO. 945 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Sign Regulations)

5. Consideration was given to the third reading of Ordinance No. 945, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended relative to sign regulations.

Mayor Ochsenreiter advised that the ordinance was previously read on first and second readings and members of Council have been furnished copies of the ordinance and it will not be re-read in its entirety unless there is a specific request to do so.

James W. Daniels, Vice-Chairman of the Planning and Zoning Commission read the following letter:

MEMORANDUM

TO: Eugene C. Ochsenreiter, Jr., Mayor, and Members of the Asheville City Council

FROM: Asheville Planning and Zoning Commission

SUBJECT: The Proposed Sign Ordinance

DATE: April 21, 1977

As we once again approach the crucial third reading of this proposal, several suggestions have been offered relative to amendments being considered. One such suggestion would remand the proposal to the Planning Commission for further study. I have polled the members of the Commission on this subject and offer the following statements on behalf of the body:

1. While we agree that perhaps a number of the amendments offered thus far are meritorious and deserve your full consideration, we do not feel that the "one sign per business" provides an equitable solution and would recommend reinstatement of the original proposal or some other alternative.

2. Secondly, the Commission is opposed to the insertion of a grandfather clause and has stated so on numerous occasions. Therefore, we recommend to Council that you adopt Alternative #1, as presented on April 14. This requires that the nonconforming signs within the ordinance's jurisdiction be amortized and removed after seven (7) years with no compensation provided.

3. Finally, the Commission believes that no useful purpose would be served by remanding this proposal to us for further study. This was expressed at our meeting of March 22, 1977, and that opinion has not changed.

Therefore, we recommend that Council proceed with the passage of this proposal so that other pressing items of business may also be expedited.

James W. Daniels
Vice Chairman

Mrs. Patricia Merzlak, of McKinnish Cove Road, spoke in favor of the City keeping their jurisdictional powers within the one-mile area. She said Council had been hearing from people who are wanting to do something that is not for the good of the majority.

Mr. Brownloe Reeves said the city's exercise of its extraterritorial jurisdiction is unfair and unjust. He complained of having to meet city imposed requirements referring particularly to a trailer.

Mr. Bill Fass, also urged the City to relinquish its extraterritorial rights. He said as a taxpayer of the City he did not want to pay for anything that needs to be done in the County. He said the County gets many services they do not pay for.

Mr. Jeff Gould, Mr. Talman Dennis, Mr. Lon Ducker and Mrs. Vida Reed all spoke in favor of the City relinquishing their extraterritorial zoning jurisdiction in the one-mile area. Several cited complaints about hardships caused by the City in the one-mile area, mostly referring to building code inspection problems.

J. E. Johnson, Chief Building Inspector, noted that his division was responsible for enforcing the laws prescribed by the Council. He said the County has more liberal regulations such as allowing homeowners to do their own plumbing and electrical work so long as it meeting the codes.

Mayor Ochsenreiter closed the public hearing at 4:45 o'clock p. m.

The City Manager read a resolution for Council's consideration which would authorize the notification to the County Commissioners of the County of Buncombe and the Town Council of Biltmore Forest that two (2) years' from the adoption of this resolution the City of Asheville will appropriately amend all applicable ordinances to rescind all extraterritorial jurisdictional powers granted to the City of Asheville by N.C.G.S. 160A-360(a); that the City Council will meet with and present to the County Commissioners of Buncombe County, and the Town Council of the Town of Biltmore Forest alternative plans for amending the zoning jurisdictional map and enforcement procedures for their consideration for the purpose of mutually agreeing upon a plan calling for the specified modification of the extraterritorial jurisdiction responsibility; that the City Manager be requested to present for the consideration of the Council on May 5, 1977 alternate plans calling for the modification to: 1) the Zoning Map of the City of Asheville; and 2) enforcement of the Zoning Ordinance of the City of Asheville within the extraterritorial area; and that the County of Buncombe be requested to resume inspections for enforcment of applicable building codes and the issuance of applicable permits within the extraterritorial area as of May 1, 1977.

Councilman Rainey moved for the adoption of the resolution. This motion was seconded by Councilman Morris.

Vice-Mayor Horton made a substitute motion to table the resolution for further consideration. This motion was seconded by Councilman Michael and carried on a vote of 5-1, with Councilman Rainey voting "no".

Councilman Michael suggested that the City inspection regulations also be reviewed. He said he felt some of the regulations were too strict.

Councilwoman Swilling requested that a meeting be set up between the County and the City to discuss the alternatives.

5. Off-premise advertising signs over three hundred (300) square feet per face shall be measured thirty (30) feet from the edge of the pavement of the nearest public street or highway.

6. Portable and Mobile Signs. All primary use or off-premise advertising signs not permanently affixed and which have an overall area of fifty (50) square feet per face or less shall set back at least fifteen (15) feet as measured from the edge of the pavement of the nearest public street or highway.

For Paragraphs 7 - 9 of this section, no change has been recommended.

After discussion, Councilman Rainey moved to amend Ordinance No. 945 to include the changes recommended by the Planning Director in Sections 30-9-1 (c) and 30-9-3 (B). This motion was seconded by Councilwoman Swilling and carried unanimously.

Councilman Michael was excused from the meeting at 3:20 o'clock p. m.

In discussing Section 30-9-3 (E) Schedule of Sign Requirements relative to principal use identification signs Mr. Emrick offered three alternatives to the provision: 1) change the restriction to one sign per street frontage instead of one per lot; 2) allow an accessory sign in addition to the primary one (accessory sign not to be over 100 square feet); or 3) return to the original provision whereby the maximum square footage of the sign would be determined by the linear front footage of the lot.

Councilwoman Swilling moved to amend the ordinance by returning to the original provision whereby the maximum square footage of the sign would be determined by the linear front footage of the lot. This motion was seconded by Councilman Morris, which motion was defeated by a vote of 3-2, with Councilmen Rainey and Hoyle and Vice-Mayor Horton voting "no".

Councilman Rainey then moved to amend the ordinance by amending Section 30-9-3 (E) by allowing one sign per street frontage, with additional signage to be approved by the Board of Adjustments. This motion was seconded by Councilman Hoyle and carried on a vote of 4-1, with Councilwoman Swilling voting "no".

Councilman Morris commented that if Council passes the ordinance in its present form providing for an amortization period of seven (7) years' with compensation to be paid for the taking of non-conforming signs the City is in essence putting in a grandfather clause and passing an ordinance known to be illegal. He said the State Attorney General's office and the City Attorney have been unable to find any legal authority for the City's paying for these signs.

Councilman Morris then moved to amend the ordinance to provide a seven-year amortization period, with no compensation to be paid. This motion was seconded by Councilwoman Swilling, which motion carried on a vote of 3-2, with Councilmen Rainey and Hoyle voting "no".

Lee Thompson of Exxon, spoke in opposition to the amendment adopted by Council providing for one sign per lot and the prohibiting of an "A" frame sign, which would include many of Exxon's signs. He said Mr. Lloyd Kirk of the Forest Manor Motor Lodge had requested that he express to Council Mr. Kirk's opposition to the one sign per lot provision.

Verl Emrick, Planning Director, offered the following amendments for Council's consideration:

Section 30-9-1 (c) Prohibited Signs.

To add item #10 to read as follows:

"10. "A" frame or sandwich board signs which are placed on or near sidewalks or roadside curbs. Such signs commonly being used to advertise limited information. (This category shall be interpreted to include signs which indicate prices of commodities or services, or specific products or services offered on the site.)"

Section 30-9-3 (B) Setbacks. To read as follows:

"Free-standing signs in any zoning district shall be set back the following distances and no point on any sign shall extend beyond the required setback line. For any structure having more than one (1) sign face the total area of the largest display face on the structure shall determine the setback for the structure.

1. Business, identification, off-premise advertising, temporary or joint identification signs of seventy-five (75) square feet per face or less shall be set back ten (10) feet from the edge of the pavement of the nearest public street or highway.

2. Business, identification, or joint identification signs greater than seventy-five (75) square feet per face shall be set back fifteen (15) feet from the edge of the pavement of the nearest public street or highway.

3. For wall signs utilized as business, identification or joint identification signs as permitted by Ordinance, no setback shall be required as long as the sign is mounted on the building the sign is appurtenant to.

4. Off-premise advertising greater than seventy-five (75) square feet per face up to and including those of three hundred (300) square feet per face, the setback shall be measured twenty (20) feet from the edge of the pavement of the nearest public street or highway.

RESOLUTION NO. 77-60 - RESOLUTION APPROVING AND AMENDING THE COMMUNITY DEVELOPMENT HOUSING REHABILITATION INCENTIVE PROGRAM

8. Consideration was given to a resolution approving and amending the Community Development Housing Rehabilitation Incentive Program.

The City Manager read the resolution and explained that this resolution would remove the income restrictions, increase the maximum rebate to 30 per cent and open eligibility to owner-occupants of houses containing as many as four residential units. He said the program was started at the request of the Montford Community Club and these changes were also recommended by the Club. However, this program is available to anyone living in the Community Development Area.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 77-60 was unanimously adopted.

Complete text of Resolution No. 77-60 will be found in Resolution Book No. 9 at page 262.

RESOLUTION NO. 77-61 - RESOLUTION SUPPORTING THE QUALITY FORWARD "CLEAN COMMUNITY SYSTEM" PROGRAM

9. Consideration was given to a resolution supporting the Quality Forward "Clean Community System" Program.

The City Manager read the resolution. He said the Quality Forward staff, along with city staff, attended a seminar in Tifton, Georgia sponsored by the Keep America Beautiful Office on the Clean Community System Program. He said he felt this program would enhance the collection of trash in the City.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 77-61 was unanimously adopted.

Complete text of Resolution No. 77-61 will be found in Resolution Book No. 9 at page 264.

BI-MONTHLY BILLING OF WATER METERS

10. Consideration was given to a policy of bi-monthly billings of water meters.

The City Manager said, under this policy, the water meters would be read once every two months and estimated the other month. He said the establishment of this policy was based on a study by the Director of Billing. He said under the present policy 154 meter books must be read every 20 days and this policy would cut that number in half and the time could be spent on the cleaning out and repairing of water meters. The number of miles driven would also be cut eliminating a large gas consumption. Personnel would not be reduced because the manpower would be needed to enhance maintenance work and to resolve some of the problems experienced during the past cold winter months. However, he said he would be looking at the staffing of this division within the upcoming budget work session. He said the Data Processing Division was ready to begin this policy on May 1, 1977 if Council so desires.

Councilman Hoyle moved to adopt a policy of reading water meters bi-monthly beginning May 1, 1977. This motion was seconded by Councilwoman Swilling and carried unanimously.

After discussion, Councilman Morris moved to continue the third reading of Ordinance No. 945 until the Planning Director prepares a revised version of the ordinance as a whole, including all changes that have been made thus far. This motion was seconded by Vice-Mayor Horton and carried unanimously.

SALE OF PARCELS 62, 93, 163, 151, 153 - EAST RIVERSIDE URBAN RENEWAL PROJECT N. C. R-48

6. Consideration was given to the sale of Parcels 62, 93, 163, 151, and 153 in the East Riverside Urban Renewal Project N. C. R-48.

The City Manager read a letter from the Housing Authority of the City of Asheville requesting approval of the sale of the following parcels of land in the East Riverside Urban Renewal Project N. C. R-48:

PARCEL	USE	ESTABLISHED USE	AMOUNT BID	REDEVELOPER
62	Residential	500.00	500.00	Mr. & Mrs. Charlton Miller
93	Semi-Public	1,354.00	1,354.00	Brown Temple C.M.E. Church
163	Semi-Public	12,000.00	12,000.00	Brown Temple C.M.E. Church
151	Residential	425.00	425.00	Mr. & Mrs. Ora W. Jones
153	Residential	1,850.00	1,850.00	Mr. & Mrs. James T. Burgin

Parcels 62, 151, and 153 are fragmentary parcels, and the redevelopers are adjacent property owners. The improvements will consist primarily of landscaping. Parcels 93 and 163 are contiguous parcels. The redeveloper plans to construct a church building, this site being the former location of Brown Temple C.M.E. Church.

Councilman Morris moved to accept the recommendation of the Housing Authority for the sale of Parcels 62, 93, 163, 151, and 153. This motion was seconded by Councilman Hoyle and carried unanimously.

SALE OF DISPOSAL PARCEL 26 - CIVIC REDEVELOPMENT PROJECT N. C. R-13

7. Consideration was given to the sale of Disposal Parcel 26 in the Civic Redevelopment Project N. C. R-13.

The City Manager read a letter from the Housing Authority of the City of Asheville requesting approval of the sale of Disposal Parcel 26 in the Civic Redevelopment N. C. R-13 to Telco Credit Union of Asheville for the minimum price of $34,409.08. He said the developer proposes to construct a two-story office building containing 8,000 square feet with provisions for an elevator and two additional stories at some future time. Disposal Parcel 26 is located at the intersection of Orchard and Central Streets, just north of the expressway.

Vice-Mayor Horton moved for the approval of the sale of Disposal Parcel 26 in the Civic Redevelopment Project N. C. R-13 to Telco Credit Union of Asheville for $34,409.08. This motion was seconded by Councilman Morris, which motion carried, with Councilwoman Swilling abstaining from voting.

Vice-Mayor Horton was excused from the meeting at 6:40 o'clock p.m.

The City Manager advised that Councilwoman Swilling and Councilman Hoyle would be on a committee to review the proposals submitted.

Councilwoman Swilling moved to authorize the advertising for operators of a proposed snack shop in the City Hall Building. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. 77-63 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE EASEMENT IN FAVOR OF THE CAROLINA POWER AND LIGHT COMPANY

14. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company.

The City Manager read the resolution and explained that the easement was on property belonging to the City of Asheville bounded by lands of Redevelopment Commission of Asheville on the East and by Herman Avenue on the West and Livingston Street on the South for the purpose of updating an existing electric power line.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 77-63 was unanimously adopted.

Complete text of Resolution No. 77-63 will be found in Resolution Book No. 9 at page 266.

RESOLUTION NO. 77-64 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE FOUR SEPARATE RIGHT-OF-WAY AGREEMENTS WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE INSTALLATION OF A 12-INCH WATER LINE ON N. C. 280 (LONGSHOALS ROAD) AND A 8-INCH AND 12-INCH WATER LINE ON N. C. 191 (BREVARD ROAD) AND A 8-INCH WATER LINE ON N. C. 3468 (AVERY CREEK ROAD) AND A 6-INCH WATER LINE ON N. C. 3487 (McDONALD ROAD)

15. Consideration was given to a resolution authorizing Mayor to execute four separate right-of-way agreements with the North Carolina Department of Transportation for the installation of a 12-inch water line on N. C. 280 (Longshoals Road) and a 8-inch and 12-inch water line on N. C. 191 (Brevard Road) and a 8-inch water line on N. C. 3468 (Avery Creek Road) and a 6-inch water line on N. C. 3487 (McDonald Road).

The City Manager read the resolution. He said these encroachments are for several water lines ranging in size from 6-inch to 12-inches to be built in the Avery Creek Area. They will be financed by the Clean Water Bond Account project number SBH-246 known as Water System Improvements Avery Creek Sanitary District through the Buncombe County Commissioners and will be turned over to the City for operation.

Upon motion of Councilman Morris, seconded by Councilwoman Swilling, Resolution No. 77-64 was unanimously adopted.

Complete text of Resolution No. 77-64 will be found in Resolution Book No. 9 at page 267.

RESOLUTION NO. 77-62 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

11. Consideration was given to a resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

The City Manager read the resolution. He said the total grant is for $62,850, of which $50,208 is for the federal share, $3,500 for the state, and $9,070 for the City's share which will be provided through in-kind staff services. He said this program is an annual grant provided to examine the general transportation loads within the City of Asheville and its extraterritorial jurisdiction, planning in cooperation with the North Carolina Department of Transportation as well as for planning of mass transportation.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 77-62 was unanimously adopted.

Complete text of Resolution No. 77-62 will be found in Resolution Book No. 9 at page 265.

ANIMAL CONTROL ORDINANCE - DRAFT PRESENTED TO COUNCIL FOR CONSIDERATION

12. The City Manager presented a draft of an animal control ordinance prepared by the Planning Division and based on input from several staff, City Council members and citizen sources. He said this draft was only presented for information and he is in the process of obtaining information on the cost of establishing a control program. He requested that Council members and city staff as well as the public consider the value of establishing such an approach.

PROPOSED SNACK SHOP - CITY HALL BUILDING

13. The City Manager said there is a need to improve the snack shop services in the City Hall Building. He requested that Council consider a motion authorizing the advertisement for operators of a snack shop in the City Building. The specifics of the lease agreement would be as follows:

1. Lease 1,134 square feet of the first floor area in the City Building, formerly occupied by the Accounting Department, for the purpose of the operation of a City Hall Snack Bar.

2. The City will purchase and install all food service equipment and will furnish all utilities to lessor.

3. No proposals for less than the following will be considered:

   Lease payments will be at least seven and one-half per cent (7½%) of first ten thousand dollars ($10,000.00) of monthly gross and ten per cent (10%) of monthly gross in excess of ten thousand dollars ($10,000.00).

4. The City will set forth certain standards of operation in the lease and will retain the right to terminate the lease if food service operation falls below these established standards.

APRIL 28, 1977 COUNCIL MEETING TO BE HELD AT 7:30 P. M.

Mayor Ochsenreiter announced that the April 28, 1977 meeting of the Asheville City Council would be held at 7:30 o'clock p. m. in the Council Chambers.

Adjournment.

Eugene Ochsenreiter
MAYOR

Norman J. Morrett
CITY CLERK

RESOLUTION NO. 77-65 - RESOLUTION AUTHORIZING APPLICATION TO THE UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR A GRANT UNDER PROVISIONS OF SECTION 701 OF THE HOUSING ACT OF 1954, AS AMENDED

16. Consideration was given to a resolution authorizing application to the United States Department of Housing and Urban Development for a grant under provisions of Section 701 of the Housing Act of 1954, as amended.

The City Manager read the resolution and explained that the work program is to prepare capital budgeting information for the City and to continue an intergovernmental coordination activity by the Planning staff. The grant amount is $17,000 of which the local match is $8,500 to be provided by in-kind services.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, Resolution No. 77-65 was unanimously adopted.

Complete text of Resolution No. 77-65 will be found in Resolution Book No. 9 at page 269.

Mike Summey, of Summey Sign Company, said he had reviewed the proposed changes. Referring to Section 30-9-3 (E) of the ordinance he said, Mr. Emrick of the Planning Division had made several suggestions regarding principal use identification signs. He said he would recommend that Council approve the following suggestion: "For principal use identification signs an individual business may use either of the following:

(1) One (1) free-standing sign or wall sign of the maximum size shall be allowed, or

(2) One (1) free-standing and one (1) wall sign provided that the total square footage of both signs does not exceed five hundred (500) square feet.

Additional signage shall be approved by the Board of Adjustment in accordance with the provisions of Section 30-9-6 of the ordinance."

Mr. Summey also recommended that Council consider amending the ordinance to provide for a "grandfather clause" for existing fixed signs.

Lee Thompson of Exxon, Inc. also recommended that Council consider the amendment suggested by Mr. Mike Summey relative to Section 30-9-3 (E). He also suggested that Section 30-9-1 (B) (5) be amended to allow for information and direction signs to be four (4) square feet per face in lieu of the present three (3) square feet per face.

Mary Evelyn Hicks opposed Council inserting a "grandfather clause" into the sign ordinance. She said all the "trash" signs would be continued.

Councilman Rainey said he would not be in favor of a "grandfather clause". He presented several suggestions for amendments regarding licensing and enforcement if Council so desired to insert into the ordinance a grandfather clause.

Mayor Ochsenreiter said the ordinance amendments would be considered during the next two weeks prior to the third reading of the ordinance.

PUBLIC HEARING - RESIDENCY OF CITY EMPLOYEES

4. A public hearing was held relative to the residency of city employees.

Mayor Ochsenreiter opened the public hearing at 8:05 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager said the City Council had requested the Civil Service Board to review the residency rule for city employees and to make a recommendation of the Civil Service Board to the City Council. He said the recommendation of the Board is as follows:

Thursday - April 28, 1977 - 7:30 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Gene E. Rainey, J. W. Hoyle, Otis B. Michael, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of minutes of April 21, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, the minutes of the April 21, 1977 meeting were unanimously approved as submitted.

ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL - "CITY DAY" - PROPOSALS PRESENTED

2. Eddie Mullis with the Asheville-Buncombe County Youth Council presented a list of proposals to the Asheville City Council that were discussed during City Day. The proposals were as follows:

a) Lights for Oakley Ballfield, to replace vandalized and/or worn ones.
b) Roads, paving, city roads only.
c) Livingston Street Outdoor Basketball Court.
d) More clarification of city responsibilities.
e) Zoning Ordinance - citizens to be made more aware of zoning regulations.
f) More trash cans in park could solve many problems.
g) Picking up of leaves by the City - faster service.
h) School monitors at Civic Center functions are a bad idea.
i) Investigation of youth things at Civic Center is discriminatory if not applied to all events.
j) Airport officials to live inside city limits unfair.
k) Consider blending the city and county into a metropolitan system.
l) Consider concerts at Civic Center lasting longer than 12 a. m.
m) Revenue is lost by people moving to County for lower taxes.

Mayor Ochsenreiter thanked the Youth Council for the list of proposals and for participating in the City Day activities.

ORDINANCE NO. 945 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Sign Regulations)

3. Mayor Ochsenreiter stated that the third reading of Ordinance No. 945, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended relative to sign regulations would not be considered at this meeting. However, Council members as well as sign representatives have been furnished with copies of the proposed changes to the ordinance.

2. Employees working in City agencies headquartered outside the corporate boundaries of the City of Asheville are exempted from coverage of this Rule; provided, however, all such employees must be residents of Buncombe County within sixty (60) days after the effective date of this Rule. Such agencies shall include, but shall not be limited to, the City of Asheville Airport, the recreation facility at Bee Tree Lake, and the water production and treatment facility at North Fork Water Reservoir.

(b) Applicants for employment within the Classified Service of the City of Asheville are not required to be residents of the City, but must establish such residency, as defined in this Rule, within six (6) calendar months from the date of employment.

(c) The requirement for residency within the corporate boundaries of the City of Asheville may be waived upon written request of the appointing authority with the concurrence of the City Manager to the Civil Service Board in filling positions within the Classified Service requiring technical, scientific, or other special qualifications and skills or when the local supply of applicants, as determined by the Board, becomes inadequate to fill vacancies; provided, however, that no such employee of the City of Asheville may reside outside of Buncombe County.

If the Civil Service Board can provide you or any member of the City Council any additional information regarding this matter, we will be happy to meet with you at your convenience.

Respectfully submitted,

W. Earl Williams

W. Earl Williams
Director
Asheville Civil Service Board

Acting City Manager

CITY OF ASHEVILLE

CIVIL SERVICE BOARD

April 7, 1977

Asheville City Council
c/o Mayor Eugene C. Ochsenreiter, Jr.
P. O. Box 7148
Asheville, North Carolina 28807

Dear Mayor Ochsenreiter:

I am writing this letter to you in response to the City Council's request that the Civil Service Board make recommendations regarding questions that have arisen about the City's policy on residence for City employees. At the regular monthly meeting of the Civil Service Board on April 6, 1977, the Board considered this question and makes the following recommendation:

1. That Ordinance No. 640 (Section 2-3, Code of Ordinances, City of Asheville, North Carolina), be deleted and repealed in its entirety.

2. That the City Council, in accordance with Section 28(a) of the Charter Appendix - Related Laws, Code of Ordinances, City of Asheville, North Carolina, approve the following rule on residence for City employees:

   RULE 11 - Residence of City Employees.

   (a) All employees in the Classified Service of the City of Asheville must maintain their primary place of residence within the corporate boundaries of the City of Asheville after the effective date of this Rule. The following exceptions are granted to persons employed in the Classified Service of the City of Asheville prior to the effective date of this Rule:

      1. Employees residing outside the corporate boundaries of the City of Asheville but inside the boundaries of Buncombe County are exempted from coverage of this Rule; provided, however, if such employee changes his primary place of residence after the effective date of this Rule, he must then reside within the corporate boundaries of the City of Asheville.

The City Manager said he had also received a telephone call from a police officer, who was unable to attend the meeting, but expressed concern about the proposed rule change which would cause him a hardship.

Councilman Rainey commented that Council could change the rule at a later date and he felt Council members were not too happy with the unpopular provision requiring present employees to move into the City if they leave their present homes. He said perhaps Council could consider a "grandfather clause" for present employees.

Mayor Ochsenreiter said Council would not make a decision on the residency rule at this time but would hear public comments on the matter.

Albert L. Sneed, Jr., attorney representing Merle Baldwin, an airport employee, said nine (9) of the airport employees live in Henderson County. He distributed copies of his client's application for employment with the City, in which he indicated clearly that he lived neither in the City nor the County. Despite that fact, Baldwin's name was placed on the eligible list. He said other airport employees have letters from the Civil Service Board, addressed to them at their Henderson County homes, informing them of their certification to the city's eligible list.

Mr. Sneed noted that recently an airport employee had written to the Civil Service Board informing them of the employees living in Henderson County. He said Ordinance No. 640 adopted in 1969 allowing city employees to reside in Buncombe County was illegally adopted and that fact prompted the Civil Service Board to review the entire rule.

He asked Council to consider the unfairness of the proposal and recommended that the Airport be considered separate. He said airport employees need to be readily available to the Airport and this proposed rule would prohibit this readiness.

Ken Bishop, representing Local 865 of the International Association of Firefighters, spoke in opposition to the proposed residency rule. He said most city employees are in the lower or middle income bracket and must buy houses where they can afford them. He said the proposed rule could possibly prohibit the City from finding qualified personnel. He said the city employees are dedicated and "have the city at heart" and also patronize city businesses, churches, organizations, and functions even though they live in the County.

Mr. Bishop said other cities such as Durham, who are requiring their employees to live inside the City Limits are from a metropolitan government and in most cases encompasses an entire County.

Gary Taylor, Director of Aviation, representing his employees as well as himself read the following letter:

He said in compliance with Section 28(a) of the Charter Appendix of the City of Asheville Code of Ordinances the Council set this time for a public hearing on the matter. He said all city employees were sent a letter notifying them that they would be given the opportunity to voice their opinion regarding the rule change at the public hearing. He read the letter and the notice of the proposed rule change which was sent to all city employees.

The City Manager also read the following resolution adopted by the Asheville Area Civic Center Commission relative to the city employee residency rule:

ASHEVILLE AREA CIVIC CENTER COMMISSION

RESOLUTION NUMBER 77-4

DATE April 25, 1977

RESOLUTION OPPOSING THE REQUIREMENT OF CITY EMPLOYEES TO LIVE WITHIN CITY LIMITS

Whereas, the Asheville Area Civic Center Commission is of the opinion that requiring city employees to live within the city limits will severely inhibit the ability to attract qualified employees; and

Whereas, the Asheville Civic Center Commission is of the opinion that it limits employees from living where they choose; and

Whereas, the Asheville Area Civic Center Commission is of the opinion that the Civic Center is a facility for use by the people not only in the city limits;

Now, therefore, be it resolved by the Asheville Area Civic Center Commission: The Commission goes on record as opposing any requirement of city employees living with in city limits.

Read, unanimously approved and adopted, this 25 day of April 1977.

ASHEVILLE AREA CIVIC CENTER COMMISSION

By: B. Paul Goodman, Chairman

In order to comply with federal regulations it is necessary to create an Airport Aircraft Emergency Plan. This plan consist of letters of agreement from all the various fire departments servicing the airport, the Highway Patrol and the Sheriff's Department of counties other than Buncombe. These agreements state that each unit will exercise its complete service to the Asheville Airport when the need arises at no cost to the City of Asheville. Isolating employees to a restricted area has become a common in as much as these units have agreed to participate because they feel the airport is a vital asset to them as well as the City of Asheville and Buncombe County.

Certainly it makes sense that airport employees should live close to the airport. For example, several times this season due to adverse weather conditions, I have been forced to ask those employees that were on duty at the beginning of these adverse weather conditions to work additional hours because other employees could not get to there work because of the distance of their residence and weather conditions at the time. In an incidence this season my Superintendent spent sixteen hours on duty. His over exertion contributed to his suffering through heart condition.

I joined employment with the City of Asheville on June 6, 1965 at which time it was brought to my attention that myself and all of my employees would be restricted to live in the City limits and cost of transportation would be provided in excess of regular salaries. Shortly after this date it was brought to my attention that I had two employees whose residence was within a quarter of a mile of the airport. However, located in Henderson County. I brought this to the attention of the City Manager and also the Director of Civil Service Commission at that time. I was informed that one of these employees was a night watchman at the airport and one was responsible for opening and closing the restaurant. The restaurant being operated by the City at that time and that it was necessary that these persons reside at these locations to take quick action in emergencies. One of these employees at present is a Security Officer assigned to night duty and his residence is in approximately the same location as it was when I joined employment with the City of Asheville and his quick response has saved the City a considerable amount of money.

Attached please find letter dated August 7, 197[illegible] requesting the Asheville Airport be exempted from Sec. 11 of the Civil Service Rules and Regulations. The request was made due to additional management responsibilities. The [illegible]

CITY OF ASHEVILLE

Office of Aviation Department

U. GARY TAYLOR
DIRECTOR

P.O. BOX 847 • FLETCHER, N. C. 28732 • PHONE 684-2226

March 7, 1977

Mr. Ken Michelove
acting City Manager
P. O. Box 7148
Asheville, N. C. 28807

Dear Ken:

This is in reference to letter dated March 2, 1977 from Mr. Earl Williams concerning the residence restriction by Rule 11, Ordinance #640. Under the amendment to this rule approved by City Council November 6, 1969 and effective November 21, 1969, I feel in order to perform my assigned duties conscientiously and in a responsible manner, it is necessary that I be readily accessible to the airport at all times without regards to geographical boundaries that may be required under approved amended Rule 11.

With respect to my personal residence location I found it impossible to choose a location that would be within the limitation of Rule #11 and continue to perform the services expected in the supervision and operation of the airport. Further it is my opinion, rather than a restriction to residency in the City of Asheville or Buncombe County it would be in the best interest of those served by the Asheville Airport that all employees be required to reside in the immediate vacinity of the operational area.

Due to the location of the airport being in both Buncombe and Henderson County, it is very difficult to locate property with zoning and development of business trends and keeping in mind the importance of quick accessibility to the airport operational area that would comply with Rule 11. In order to comply with various federal regulations which includes aircarrier certification (FAR PART 139), I am required to have on duty and/or on call a staff which includes safety, security, maintenance, office staff, and etc.

I have discussed this with employees whose names have been previously furnished. From these interviews it was evident that to comply with this rule would cause the loss of personnel which have been trained to perform their assigned duties to assure a safe and serviceable facility for the area that is served by the Asheville Airport.

Mr. J. E. Johnson, Director of Inspections and Demolitions, said the employees in his department favor status quo. As for himself, although he has lived in the City since coming to work he said he thinks he should be allowed to move to the County if he wanted to.

Floyd Worley, of the Water Department, also spoke in opposition to the new ruling.

E. R. McCarthy said he thought city employees should reside in the City Limits.

Jim Evans, Manager of the Civic Center, spoke in opposition to the new ruling on behalf of his employees and himself.

Jack Babb, an Asheville Fireman, spoke in opposition to the proposed rule and asked Council what benefit the City could possibly derive if he moved into Asheville, since he would no doubt be occupying a residence where the previous occupant had already been paying either taxes or rent.

Fred Moeller, an employee of the Data Processing Division, spoke in opposition to the proposed rule.

Marvin Vierra, an employee in the Planning Division, presented Council with statements from several employees in the Planning Division opposing the proposed change. He said he had such high regard for the Personnel Division that he did not see the need for a Civil Service Board.

Mayor Ochsenreiter closed the public hearing at 9:26 o'clock p. m. and stated that Council would consider the comments made by the employees and a decision made on the matter in the near future.

COUNCIL RECESS

Mayor Ochsenreiter called for a recess of Council at 9:30 o'clock p. m.

Council reconvened at 9:40 o'clock p. m.

PUBLIC HEARING - ORDINANCE DEALING WITH ELIMINATION OF METER FEEDING

ORDINANCE NO. 952 - AN ORDINANCE DELETING SECTION 28-119 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE ENTITLED "DEPOSIT OF COIN FOR PURPOSE OF EXTENDING TIME"

5. A public hearing was held relative to an ordinance change dealing with the elimination of meter feeding.

Mayor Ochsenreiter opened the public hearing at 9:40 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager explained that this public hearing was brought about by a conflict in ordinances dealing with meter feeding. He said this has been done administratively however, this ordinance would legally delete meter feeding.

letter indicated, I could not get the highly qualified employees that were required for key positions in Buncombe County. Several qualified personnel were available, however when asked if they would reside in Buncombe County they immediately rejected any offer of employment.

My Civil Service records indicate I have requested on many occasions an eligible list of qualified persons to fill positions any many occasions the Civil Service Board could not furnish any qualified persons.

Due to the above reasons I respectfully request Civil Service Rule 11 and City Ordinance #640, be amended to enable employees to have residence in a limited diameter around the Asheville Airport.

Respectfully submitted,

U. Gary Taylor
Director of Aviation

UGT:ss
Enclosure
cc: Copies withheld pending your consideration

Mr. Taylor further commented that he felt the Airport should be considered separate and employees be allowed to live within a six to eight mile radius of the Airport.

Mr. Harold Trantham, an employee of the Fire Department, also spoke in opposition to the proposed residency rule. He also commented on the unfairness of the five-point provision given to City residents on Civil Service examinations.

Mr. John Young, also an employee of the Fire Department, presented Council with several petitions which he said had been signed by local citizens opposed to the new rule. He said an employee's residence is a personal matter and any residency restriction imposed by an employer is in violation of the employee's constitutional rights.

RESOLUTION NO. 77-68 - RESOLUTION RELATING TO RULES AND REGULATIONS FOR DISCO DANCES HELD AT THE ASHEVILLE CIVIC CENTER COMPLEX

8. Consideration was given to a resolution relating to rules and regulations for Disco Dances held at the Asheville Civic Center Complex.

The City Manager read the resolution and details of the rules and regulations for the Disco Dances.

John Jerose, a member of the Asheville Area Civic Center Commission, said incidents had occurred during these dances which prompted the establishment of these rules. He urged Council's approval of the regulations.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, Resolution No. 77-68 was unanimously adopted.

Complete text of Resolution No. 77-68 will be found in Resolution Book No. 9 at page 274.

RESOLUTION NO. 77-69 - RESOLUTION AUTHORIZING THE MAYOR TO FILE AN APPLICATION FOR FEDERAL GRANT WITH THE NORTH CAROLINA DIVISION OF LAW AND ORDER FOR THE PROJECT YOUTH OUTREACH PROGRAM

9. Consideration was given to a resolution authorizing the Mayor to file an application for federal grant with the North Carolina Division of Law and Order for the Project Youth Outreach Program.

The City Manager read the resolution.

Bill Fesperman of the YMCA and Director of the Project Youth Outreach Program explained that the program has proven to be very successful. He presented statistics showing the success of the program. He also noted that no city funds are involved in the project and that the YMCA will seek all necessary matching funds.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 77-69 was unanimously adopted.

Complete text of Resolution No. 77-69 will be found in Resolution Book No. 9 at page 275.

BIDS - ONE (1) FOUR DOOR CAR, FOUR (4) PICK-UP TRUCKS, TWO (2) DUMP TRUCKS, AND ONE (1) VAN TYPE TRUCK FOR PARKS AND RECREATION DEPARTMENT: AND ONE (1) CAB AND CHASSIS FOR TRAFFIC ENGINEERING DIVISION

10. Consideration was given to bids received April 14, 1977 for one (1) four door car, four (4) pick-up trucks, two (2) dump trucks, and one (1) van type truck for Parks and Recreation Department; and one (1) cab and chassis for Traffic Engineering Division.

Councilman Rainey suggested that a two hour limit be installed with no further time allowed for parking.

Vice-Mayor Horton noted that a study of this type is being made and should be forthcoming in the near future.

Mayor Ochsenreiter closed the public hearing at 9:45 o'clock p. m.

The City Manager read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 952. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 952, passed on first reading.

RESOLUTION NO. 77-66 - RESOLUTION SUPPORTING THOMS CABLEVISION IN REQUESTING THAT THE FEDERAL COMMUNICATIONS COMMISSION AMEND SECTION 76.54 OF THE FCC REGULATIONS

6. Consideration was given to a resolution supporting Thoms Cablevision in requesting that the Federal Communications Commission amend Section 76.54 of the FCC regulations.

Mayor Ochsenreiter stated that this resolution had been considered on two previous occasions but was tabled for language modification.

The City Manager read the revised resolution.

Upon motion of Councilwoman Swilling, seconded by Councilman Morris, Resolution No. 77-66 was unanimously adopted.

Complete text of Resolution No. 77-66 will be found in Resolution Book No. 9 at page 270.

RESOLUTION NO. 77-67 - RESOLUTION PROVIDING WRITTEN NOTICE TO THE COUNTY COMMISSIONERS OF THE COUNTY OF BUNCOMBE AND THE TOWN COUNCIL OF BILTMORE FOREST, NORTH CAROLINA, OF THE INTENT OF THE CITY COUNCIL OF THE CITY OF ASHEVILLE TO MODIFY THE EXISTING EXTRATERRITORIAL BOUNDARY DESCRIPTION AND CERTAIN FUNCTIONAL RESPONSIBILITIES

7. Consideration was given to a resolution providing written notice to the County Commissioners of the County of Buncombe and the Town Council of Biltmore Forest, North Carolina, of the intent of the City Council of the City of Asheville to modify the existing extraterritorial boundary description and certain functional responsibilities.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, Resolution No. 77-67 was unanimously adopted.

Complete text of Resolution No. 77-67 will be found in Resolution Book No. 9 at page 272.

PUBLIC HEARING SET - INCREASING WATER RATES

11. The City Manager requested that Council schedule a public hearing for the purpose of increasing water rates.

Councilman Michael moved to schedule a public hearing for the purpose of increasing water rates for May 19, 1977. This motion was seconded by Councilwoman Swilling and carried unanimously.

CLAIM - DR. W. P. CAVE, HOLLY McKEE, DR. JOE B. ROBERSON, JR., AND DENTAL ASSOCIATES, INCORPORATED

The City Manager presented an amended notice of claim on behalf of Dr. W. P. Cave, Holly McKee, Dr. Joe B. Roberson, Jr., and Dental Associates, Inc.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - RESPECT FOR LAW WEEK - MAY 1-7, 1977

Mayor Ochsenreiter proclaimed the week of May 1 - 7, 1977 as "Respect for Law Week".

PROCLAMATION - SHRINE HOSPITAL WEEKEND - APRIL 29 - MAY 1

Mayor Ochsenreiter proclaimed the weekend of April 29 through May 1, as "Shrine Hospital Weekend."

PROCLAMATION - ORA BLACKMUN WEEK - MAY 1 - 7

Mayor Ochsenreiter proclaimed the week of May 1 - 7 as "Ora Blackmun Week" honoring Ora Blackmun, 915 Vanderbilt Apartments for her efforts in providing "Western North Carolina; Its Mountains and its People to 1880".

PROCLAMATION - NATIONAL SECRETARIES WEEK - APRIL 24 - 30, 1977

Mayor Ochsenreiter proclaimed the week of April 24 - 30, 1977 as National Secretaries Week.

SHOW-MOBILE REQUEST - JEAN JOHNSON - QUALITY FORWARD

Jean Johnson, a committee member with Quality Forward, requested that City Council consider sharing expenses with the County for a Show Mobile. She said the Show Mobile would be used by many agencies for various occasions and events such as arts and crafts, street dances, symphonies, and plays. She said the cost of the Show Mobile is $32,000.

Mayor Ochsenreiter informed Mrs. Johnson that Council would consider her request.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the lowest bidder on a per item basis as follows:

Apple Tree Chevrolet

Item # 1	Four Door Car	$4,348.59
Item # 6	Metro Van Type Truck	6,814.50

Matthews Motors, Inc.

Item #2	(3) Pick-up trucks	$12,802.02
Item #3	Pick-up Dump Truck	4,993.34
Item #4	One Cab and Chassis w/5 yd. Dump Bed	13,089.61
Item #5	1 Flat Bed Dump Truck	7,440.40
Item #7	One Cab and Chassis	5,634.40

A complete bid summary is on file in the Office of the City Clerk.

The City Manager advised that if Council desires to accept the bids as recommended the bids exceed the original appropriation in the total amount of $3,884.00 and he was prepared to present a budget ordinance amendment to cover the deficit.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent on the foregoing bids. This motion was seconded by Councilman Hoyle and carried unanimously.

ORDINANCE NO. 953 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1976-77 (Appropriating funds to cover bid deficit on vehicles)

The City Manager read the ordinance.

Vice-Mayor Horton moved for the adoption of Ordinance No. 953. This motion was seconded by Councilman Rainey.

On a roll call vote of 6-0, Ordinance No. 953 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 953. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 953 passed on second reading.

Councilwoman Swilling moved to suspend the rules and proceed to the third and final reading of Ordinance No. 953. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 953 passed on third and final reading.

Complete text of Ordinance No. 953 will be found in Ordinance Book No. 7 at page 132.

Thursday - May 5, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Gene E. Rainey, J. W. Hoyle, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Otis B. Michael

APPROVAL OF MINUTES

1. Approval of the minutes of the April 28, 1977 meeting.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, the minutes of the April 28, 1977 meeting were unanimously approved as submitted.

RAY STEPP - ASHEVILLE CENTRAL LABOR UNION - CITY EMPLOYEES PARTICIPATING IN POLITICS

Mr. Ray Stepp, President of the Asheville Central Labor Union, presented a resolution urging Council to review the entire act establishing the Asheville Civil Service system, with particular attention and emphasis being given to those portions purporting to control political participation on the part of municipal workers.

A complete copy of the resolution presented by Mr. Stepp is on file in the Office of the City Clerk.

The City Manager advised that he had requested that this matter be brought before the Asheville Civil Service Board for recommendations on any changes needed. He said a report from the Board should be forthcoming in the next week or two.

ORDINANCE NO. 945 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Sign Regulations)

2. Mayor Ochsenreiter stated that the third reading of Ordinance No. 945, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended relative to sign regulations would not be considered at this meeting. However, proposed changes to the ordinance would be considered.

Verl Emrick, Planning Director, reviewed the amendments made to the ordinance through the April 21, 1977 meeting.

Mr. Emrick suggested that Council amend Section 30-9-3 (E) relative to prinicipal use identification signs to read as follows:

"For principal use identification signs an individual business may use either of the following:

(1) One (1) free-standing sign or wall sign of the maximum size shall be allowed, or
(2) One (1) free-standing and one (1) wall sign provided that the total square footage of both signs does not exceed five hundred (500) square feet.

Additional signage shall be approved by the Board of Adjustment in accordance with the provisions of Section 30-9-6 of this Ordinance. "

REQUEST FOR REVIEW OF RULE 21 OF THE CIVIL SERVICE RULES AND REGULATIONS

Councilwoman Swilling requested the City Manager to review Rule 21 of the rules and regulations of the Civil Service Board relating to City employees participating in political activities.

GEORGE MOOREFIELD - PARKING

Mr. George Moorefield requested information relative to the removal of parking meters on Haywood Street and the surrounding area and not on the Pack Square side of town.

Councilman Hoyle explained that this program was a pilot program to determine if the removal of the meters would help the downtown businesses. He said a study is being made to extend the program to other areas of downtown in the near future.

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop again complained to Council about the lottery sales in the City of Asheville.

Mayor Ochsenreiter suggested that he meet with the City Manager regarding the problem.

Adjournment.

Eugene C. Ochsenreiter
MAYOR

William S. Malcolm
CITY CLERK

AMENDMENT TO THE ZONING ORDINANCE

Section 30-9-4 Maintenance and Enforcement.

(A) To insure that signs are erected and maintainted in a safe and esthetic manner, it shall be unlawful for any sign visible from any public street or highway within the City of Asheville to be erected, posted, placed, hung or painted by any person, firm or corporation other than by a sign contractor properly licensed under Section 30-9-1 or by a designated representative of such licensed contractor.

(B) The following maintenance requirements must be observed for all signs visible from any public street or highway within the jurisdiction of this ordinance:

1. No sign shall have more than 10% of its surface area covered with disfigured, cracked, ripped or peeling paint or poster paper for a period of more than 30 successive days.

2. No sign shall be allowed to stand with bent or broken sign facing, broken supports, loose appendages or struts or be allowed to stand more than 15 degrees away from the perpendicular for a period of more than 30 successive days.

3. No sign shall be allowed to have weeds, trees, vines or other vegetation growing upon it or obscuring its view from the street or highway from which it is to be viewed for a period of more than 30 successive days.

4. No neon or internally illuminated sign may be allowed to stand with only partial illumination for a period of more than 30 successive days.

(C) The duties of the Building Inspector of the City of Asheville with regard to sign maintenance and enforcement shall be as follows:

1. To inspect all free standing signs, wall signs, projecting signs and roof signs in the jurisdiction of this ordinance at least once annually in order to determine that the same meet the requirements set forth in paragraph (B) of this Chapter.

2. To attach an inspection tag to all signs meeting the requirements set forth in paragraph (B) of this Chapter. Such inspection tag shall give the month and year of inspection and said tag shall be attached to the sign structure in a manner and in a place so as to be easily visible to any member of the public wishing to view the tag.

Councilman Morris moved to amend Section 30-9-3 (E) as recommended by the Planning Director. This motion was seconded by Vice-Mayor Horton and carried unanimously.

After discussing Section 30-9-1 (A) (7) Councilman Rainey moved that Section 30-9-1 (A) (7) be amended to read as follows:

Section 30-9-1 (A) (7) Sign Contractor's License to read as follows:

"No person, firm, or corporation shall engage in the business of installing, erecting, moving, or maintaining signs in the City of Asheville unless said person, firm, or corporation has been issued a sign contractor's license which license is in effect at the time of said work."

Section 3091 (A) (8) Outdoor Advertising License to read as follows:

"No person, firm, or corporation shall engage in the business of off premises advertising in the City of Asheville unless said person, firm, or corporation has been issued an outdoor advertising license which license is then in effect. In order to obtain an outdoor advertising license, the licensee must be a licensed sign contractor, as described in paragraph (7) above, and must submit annually upon renewal of this license a listing of all sign structures leased, owned or maintained by the licensee and such list shall give the specific location of each sign by reference to streets, business buildings or other identifiable geographic landmarks.

This motion was seconded by Councilman Morris and carried unanimously.

A discussion was held relative to Section 30-9-5, Non-Conforming Signs, however, no amendments were made to this particular section.

Councilman Rainey offered the following amendment to Section 30-9-4, relative to Maintenance and Enforcement, for Council's consideration:

5. To issue citations for any violation of this Ordinance, other than Section 30-9-4(B), said citations to be issued to the owner of the sign or if the owner of the sign cannot be ascertained from the public record or the reports filed under this Chapter, then to the land owner or the lessee in control of the property where the violation occurs.

6. Cure Orders and Remove Orders issued under this section may be appealed to the Board of Adjustment within 10 days after the receipt thereof. During the appeal, the time limits herein shall be suspended. If the Board of Adjustment finds that the Cure Order or Remove Order, as the case may be, has been issued in accordance with this Ordinance, then the time period for compliance shall run from the date of the Order of the Board of Adjustment.

7. To remove immediately any sign or sign structure which the Building Inspector reasonably deems to be in danger of falling or otherwise creating an immediate safety hazard. Such removal shall be at the expense of the land owner as provided in Section 30-9-5(d) of this Ordinance.

(E) The following penalties shall be imposed upon any person, firm, or corporation found guilty of any violation of this Article 9 "Sign Regulations":

1. First Offense - Fine of not less than $25.00 and court costs.

2. Second Offense Involving the Same Sign - Fine of not less than $50.00 and court costs.

3. Third Offense Involving the Same Sign - Fine of not less than $100.00 and court costs.

4. Fourth Offense Involving the Same Sign - Fine of not less than $200.00, confiscation of the sign and court costs.

After discussion, it was the consensus of Council to review the language of the proposed amendment before taking a final vote on the amendment.

ORDINANCE NO. 952 - AN ORDINANCE DELETING SECTION 28-119 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE ENTITLED "DEPOSIT OF COIN FOR PURPOSE OF EXTENDING TIME"

3. Consideration was given to the second reading of Ordinance No. 952, an ordinance deleting Section 28-119 of the Code of Ordinances of the City of Asheville entitled "Deposit of Coin for purpose of extending time."

Mayor Ochsenreiter advised that the ordinance was previously read on first reading and members of Council were furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

3. To require proof that any newly-discovered sign work has been or is being done by a licensed sign contractor as provided for in Section 30-9-1 (a) of this Ordinance.

(D) To enforce the regulations set forth in this Ordinance, the Building Inspector shall have the following authority:

1. To issue a Cure Order for any violation of paragraph (B) above. Said Cure Orders are to be delivered by certified mail, return receipt requested to the owner of the sign in violation of this Ordinance and the time period provided herein shall begin upon receipt of said Cure Order. If the owner of the sign cannot be ascertained, the notice may be sent to the record land owner owning the land whereon the sign is erected. The Cure Order shall be directed to the sign owner and land owner and shall describe in detail the exact nature of the violation, reference the section of the Ordinance violated and specify what actions must be taken to effect the Cure.

2. To grant a single 30 day extension of time within which the sign owner must comply with the Cure Order, upon receipt of a written request for an extension of time in which to cure all or part of the violations set out in the Cure Order stating valid reasons for not being able to comply within the time period allowed.

3. To issue Remove Orders for any sign not repaired within the time allotted under a Cure Order as set out above or for any prohibited sign as defined in Section 30-9-1(C) of this Ordinance. Said Remove Orders are to be issued to the owner of the sign and if such owner cannot be ascertained to the record owner of the real property whereon the sign is located. Such notice is to be delivered by Certified Mail, Return Receipt Requested and shall not be effective until delivered. The sign owner or the land owner as the case may be shall be allowed a period of 30 days after the receipt of the Remove Order within which to remove the sign at his own expense. The Remove Order shall be directed to the sign owner and land owner and shall describe with particularity the location of the sign to be removed and all of the reasons for issuance of the Remove Order, making specific reference to the section of this Ordinance.

4. To remove or cause to be removed any sign not removed within 30 days of the receipt of a Remove Order and to tax the property owner for said removal as provided for in Section 30-9-5(D) of this Ordinance.

PUBLIC HEARING - CLOSING PORTION OF ASHELAND AVENUE AND ALL OF CROSS STREET, WALLACK STREET, SHORT McDOWELL STREET, AND TWO UNNAMED ALLEYS

RESOLUTION NO. _____ RESOLUTION TO CLOSE A PORTION OF ASHELAND AVENUE AND ALL OF CROSS STREET, WALLACK STREET, SHORT McDOWELL STREET, AND TWO (2) UNNAMED ALLEYS

6. A public hearing was held relative to closing a portion of Asheland Avenue and all of Cross Street, Wallack Street, Short McDowell Street, and two unnamed alleys.

Mayor Ochsenreiter opened the public hearing at 5:00 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing, which took the form of Resolution No. 77-51, and the affidavit of publication. He also read an affidavit from Charles E. Vess stating that the properties in question had been posted with the Resolution of Intent to close and that the adjacent property owners had been notified by certified mail.

Larry Holt, Deputy Executive Director of the Asheville Housing Authority, described the location of each of the streets in question.

Mr. Trayham Houston, part of owner of Warlick, et al, properties on Wallack Street, appealed to Council to leave a portion of this alley open for public access.

Mr. Holt explained that a right-of-way or easement could be provided but no improvements could be made to the topography.

After discussion, Councilman Hoyle moved to continue the public hearing until Mr. Houston's problem could be worked out with the Housing Authority for the City of Asheville. This motion was seconded by Councilman Morris and carried unanimously.

PUBLIC HEARING SET - NEW RETIREMENT AND DISABILITY PLAN FOR POLICE AND FIRE EMPLOYEES

7. The City Manager requested that Council schedule a public hearing regarding the adoption of an ordinance establishing a new retirement and disability plan for the Police and Fire Department employees.

Councilwoman Swilling moved to schedule a public hearing on the matter for May 26, 1977. This motion was seconded by Councilman Morris and carried unanimously.

ORDINANCE NO. 955 - AN ORDINANCE AUTHORIZING THE REFUND OF AD VALOREM TAXES TO INTER-CHURCH HOUSING ASSOCIATION, INC.

8. Consideration was given to an ordinance authorizing the refund of ad valorem taxes to Inter-Church Housing Association, Inc.

The City Manager read the ordinance and explained that N. C. G. S. 105-278.6 (a) (8) exempted certain non-profit organizations from ad valorem taxation and the Buncombe County Board of Tax Supervision approved a request for refund of taxes on property charged in the name of Inter-Church Housing Association, Inc., known as Mountainside Apartments. He said the Tax Collector, R. D. Eskridge has requested that the Director of Finance refund ad valorem taxes paid by this association for the City of Asheville for the years 1973, 1974, and 1975 totaling $21,752.03. He said after research and inquiry the Corporation Counsel has recommended that the City abide by this request. This budget amendment would be necessary due to no funds appropriated for this refund in the current fiscal year budget.

On a roll call vote of 5-0, Ordinance No. 952 passed on its second reading.

PUBLIC HEARING - ASHEVILLE DOWNTOWN REVITALIZATION AND APPEARANCE COMMISSION

ORDINANCE NO. 954 - AN ORDINANCE ESTABLISHING AN ADMINISTRATIVE BODY KNOWN AS THE ASHEVILLE DOWNTOWN REVITALIZATION AND APPEARANCE COMMISSION

4. A public hearing was held relative to the establishment of an administrative body to be known as the Asheville Downtown Revitalization and Appearance Commission.

Mayor Ochsenreiter opened the public hearing at 4:20 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, highlighted the details of the proposed establishment of the Asheville Downtown Revitalization and Appearance Commission.

Council also discussed enabling legislation providing for tax reduction on redeveloped properties.

Mayor Ochsenreiter closed the public hearing at 4:35 o'clock p. m.

The City Manager read the ordinance.

Councilman Rainey commented on amendments for several sections of the ordinance.

Mayor Ochsenreiter advised that Council would review the entire ordinance prior to the second reading.

Councilman Rainey moved for the adoption of Ordinance No. 954. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 954 passed on first reading.

RESOLUTION NO. 77-70 - RESOLUTION APPOINTING COUNCILWOMAN JOANN SWILLING TO THE ASHEVILLE POLICE AND FIRE PENSION FUND BOARD OF TRUSTEES

5. Consideration was given to a resolution appointing Councilwoman JoAnn Swilling to the Asheville Police and Fire Pension Fund Board of Trustees.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, Resolution No. 77-70 was unanimously adopted.

Complete text of Resolution No. 77-70 will be found in Resolution Book No. 9 at page 277.

The City Manager also read memorandums from the Police and Fire Departments stating that John Best was elected as Board of Examiners for the Police Department and Cecil Burnette was elected Board of Trustees for the Police Department; Capt. J. E. Ertzberger was elected Board of Examiners for the Fire Department and Capt. John W. Parris was elected Board of Trustees for the Fire Department.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 77-72 was unanimously adopted.

Complete text of Resolution No. 77-72 will be found in Resolution Book No. 9 at page 279.

5-5-77

BUDGET FOR YEAR 1977-78

STATEMENT BY VICE-MAYOR BILL B. HORTON

ASHEVILLE TAXPAYERS HAVE PAID TOO MUCH....FOR TOO LONG....IN SUPPORTING FACILITIES AND SERVICES WHICH HAVE BEEN OF OVER-ALL BENEFIT TO CITIZENS AND VISITORS FROM THE ENTIRE ASHEVILLE AREA.

IN MY OPINION, THIS CITY COUNCIL MUST DO ALL IT CAN TO RECTIFY THIS SITUATION....AND BRING ABOUT A MORE PRACTICAL...."FAIR-SHARE" CONCEPT OF BUDGETING FOR BOTH THE CITY AND THE COUNTY.

THE TAXPAYER BURDEN FOR ALL JOINTLY-FUNDED AND/OR JOINT-USE AND BENEFIT PROGRAMS MUST BE MORE FAIRLY EQUALIZED BETWEEN CITY PROPERTY OWNERS AND THOSE PROPERTY OWNERS LIVING OUTSIDE THE CITY.

SOME PROGRESS IN THIS DIRECTION WAS MADE LAST YEAR, BUT - OBVIOUSLY - MUCH MORE MUST BE ACCOMPLISHED THIS YEAR....IF THE CITIZENS OF ASHEVILLE ARE TO RIGHTLY BEAR NO MORE THAN A FAIR AND EQUITABLE SHARE OF THE COMBINED CITY AND COUNTY BUDGETS.

I SHOULD LIKE FOR ALL CITIZENS OF BUNCOMBE COUNTY -- INCLUDING ASHEVILLE RESIDENTS -- TO KNOW THAT THIS COUNCIL IS CALLING ON THE BOARD OF COUNTY COMMISSIONERS TO JOINTLY ADDRESS THIS "FAIR-SHARE" CONCEPT OF BUDGETING FOR THE UPCOMING FISCAL YEAR.

Bill B. Horton
Vice-Mayor, City of Asheville

Councilman Hoyle moved for the adoption of Ordinance No. 955. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 955 passed on its first reading.

ORDINANCE NO. 956 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1977 AND ENDING JUNE 30, 1978

9. Consideration was given to an ordinance levying, assessing, imposing, and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1977 and ending June 30, 1978.

The City Manager read the ordinance.

Councilwoman Swilling said she felt the ordinance needed to be reviewed for a thorough updating.

Councilman Rainey suggested that the City staff prepare an amendment to the ordinance prior to the second reading that would impose a $2.00 per year license fee for any peddler or garage sale held more than three (3) times a year.

After discussion, the City Manager was instructed to investigate the possibility of imposing a tax on flea market dealers and garage sales.

Councilwoman Swilling moved for the adoption of Ordinance No. 956. This motion was seconded by Councilman Hoyle.

On a roll call vote of 4-0, Ordinance No. 956 passed on first reading.

Mayor Ochsenreiter and Councilman Morris left the meeting at 5:30 o'clock p. m.

Vice-Mayor Horton then presided over the meeting.

RESOLUTION NO. 77-71 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE LIBRARY BOARD

10. Consideration was given to a resolution appointing member to the Asheville Library Board.

The City Manager read the resolution appointing Mr. Steve Mitchell as a member of the Asheville Library Board.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 77-71 was unanimously adopted.

Complete text of Resolution No. 77-71 will be found in Resolution Book No. 9 at page 278 .

RESOLUTION NO. 77-72 - RESOLUTION AUTHORIZING THE PURCHASE OF THE BURTON STREET SCHOOL FROM CITY BOARD OF EDUCATION

11. Consideration was given to a resolution authorizing the purchase of the Burton Street School from City Board of Education.

The City Manager read the resolution and explained that the building would be purchased with Community Development funds and used for recreational purposes.

PARKING VIOLATION ADMINISTRATION - COMMENTS BY COUNCILMAN RAINEY

Councilman Rainey said he felt there was a problem in the parking violation administration. He said he had received complaints from violators receiving $1.00 parking citations, a $5.00 penalty 15 days later then a summons 15 days later which cost them $27.00, making a total of $33.00 for one parking ticket. He requested that the City Manager review this procedure and give Council a report on the matter at next weeks meeting.

CLEAN-UP DRIVE - REPORT FROM CITY MANAGER

The City Manager reported that the City staff had conducted an extensive clean-up drive from April 22, 1977 through May 1, 1977. He said 3,297 cubic yards of trash was hauled to the landfill compared to the usual 1,144 cubic yards collected in a regular 40-hour week.

DRAINAGE PROBLEMS - HAW CREEK ROAD - MRS. NOBLETT

The City Manager reported that Mrs. Noblett from Haw Creek had reported to Council, several weeks ago, a drainage problem in the Haw Creek area. He said he had requested that Mr. Clark Brown, Street Superintendent, investigate the problem. He said Mr. Brown has advised that to replace the culverts, affecting Mrs. Noblett, with an open span bridge, stream bank stabilization and required channel alterations would cost approximately $7,500. Under the present drainage policy, he said he felt the City was not responsible for this problem. Mr. Brown had reported that the development of this drainage area is the primary factor because of the increased run-off into the receiving stream.

The City Manager further reported that he was looking into the possibility of establishing a drainage district program which may help people in these situations.

STREET NAME CHANGES - SUGGESTIONS

The City Manager reported that he had received several requests from citizens on Oak Street to leave the name as it is presently.

PUBLIC HEARING SCHEDULED - GROUP DEVELOPMENT REVIEW - ERWIN HILLS PLAZA

The City Manager read a letter from the Planning and Zoning Commission requesting approval of the site plan of the proposed expansion of the Erwin Hills Plaza located on Leicester Highway.

Councilwoman Swilling moved to schedule a public hearing on the matter for May 26, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

PUBLIC HEARING SCHEDULED - REZONING REQUEST - W.N.C. BAPTIST HOMES, INC. AND CECIL'S LEASES, INC.

The City Manager read a letter from the Planning and Zoning Commission recommending approval of the rezoning request of W.N.C. Baptist Homes, Inc. and Cecil's Leases, Inc. to rezone property on Richmond Hill Road from R-2 Residential District to R-3 Residential District.

5-5-77

To: Ken Michalove

From: Bill B. Horton

Subject: Special Budget Information from Buncombe County

Ken:

Please arrange to have the following information available for study and consideration as soon as possible:

1. Detailed computations for determining the city's share of revenues from:
   (a) State Intangibles Tax.
   (b) State Franchise Tax.
   (c) Beer & Wine Tax.
   (d) Local Option Sales Tax.

2. Details of original sources of school monies for both City and County systems for:
   (a) Operating costs.
   (b) Capital costs.

3. Details of basis of split between City and County school systems for allocation of:
   (a) Operating costs.
   (b) Capital costs.

Bill B. Horton
Vice-Mayor

Thursday, May 12, 1977 - 3:00 p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Gene E. Rainey, Ralph D. Morris, Jr., Dr. Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman J. W. Hoyle

APPROVAL OF MINUTES

1. Approval of the minutes of the May 5, 1977 meeting.

Upon motion of Councilman Michael, seconded by Vice Mayor Horton, the minutes of the May 5, 1977 meeting were unanimously approved as submitted.

ORDINANCE NO. 945 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOW AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Sign Regulations)

2. Mayor Ochsenreiter stated that the third reading of Ordinance No. 945, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," as amended relative to sign regulations would not be considered at this meeting. However, proposed changes to the ordinance would be considered.

Verl Emrick, Planning Director, advised that Mr. H. B. Moore of Exxon, Inc. has requested that Section 30-9-1 (B) (5) be amended to allow for information and direction signs to be four (4) square feet per face or eight (8) square feet per sign in lieu of the present three (3) square feet per face or six (6) square feet per sign since this restriction will eliminate their "pricing signs."

Councilman Rainey moved to amend Section 30-9-1 (B) (5) of the ordinance to allow for information and direction signs to be four (4) square feet per face or eight (8) square feet per sign. This motion was seconded by Vice Mayor Horton and carried unanimously.

Michael Summey, of Summey Sign and Outdoor Advertising Company, again emphasized to Council that he could not go along with the amortization clause in the ordinance and that he would contest the ordinance in court if Council adopted the ordinance in its present form.

A discussion was held relative to major sign companies listing property tax in the City of Asheville. Councilman Michael requested that the City Manager check into property tax listings for major sign companies.

Albert Sneed, Attorney representing Summey Sign and Outdoor Advertising Company, said a grandfather clause would be fundamentally fair. He cited one example of the City providing a grandfather clause in the Asheville Zoning Ordinance, which allows non-conforming uses to continue. He said the City is proposing to treat signs and sign owners differently from anyone else, which is unfair and is not in accordance with the law.

Councilwoman Swilling moved to schedule a public hearing on the matter for May 26, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

PROCLAMATION - SENIOR CITIZENS MONTH - MAY, 1977

Vice-Mayor Horton proclaimed the month of May, 1977 as Senior Citizens Month in the City of Asheville.

Adjournment.

MAYOR

CITY CLERK

At the request of Vice-Mayor Horton, the Corporation Counsel said he could not advise Council as to what the courts would do with a case against the proposed ordinance.

Based on the legal questions involved in removing the signs without compensation, or using tax money to pay for them despite the fact that there seems to be no legal authority to do so, he recommended that Council include a grandfather clause in the ordinance. He said the legislators, at a later date, could make a provision for it to be legal for the City to use tax money to pay for the removing of the signs.

Mayor Ochsenreiter instructed the Planning Director to proceed with the preparation of the final version of the ordinance, incorporating all amendments made up to now. He further stated that the third and final reading of Ordinance No. 945 would be held on May 26, 1977.

ORDINANCE NO. 954 - AN ORDINANCE ESTABLISHING THE ASHEVILLE DOWNTOWN REVITALIZATION AND APPEARANCE COMMISSION

3. Consideration was given to the second reading of Ordinance No. 954, an ordinance establishing the Asheville Downtown Revitalization and Appearance Commission.

Mayor Ochsenreiter stated that the ordinance was previously read on first reading and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

Verl Emrick, Planning Director, presented the following suggested wording changes to the Downtown Revitalization Commission ordinance along with staff comments regarding the change:

Submission by Dr. Rainey (May 5, 1977)

1. Section 1. Name of Commission - suggested change to Asheville Urban Development Commission.

   Staff Comment: Staff recommends that if the name is changed it should retain some uniqueness in the title so that there would be no confusion in its identifiability.

2. Suggestion that the Commission be set up basically same way the Civic Center Commission was. Specifically, that section in Ordinance # 954 (Civic Center Commission) which deals with Council's review of rule changes within a thirty (30) day time period.

   Staff Comments: The initial thought is that the type of review process specified in Ordinance # 951 is accommodated in the procedures specified in Section 4 of this proposal.

Mr. Sneed noted that the ordinance may be an ex post facto law in which laws are made making an act illegal after it has already been committed. He also noted that under the law you can not treat people unequal, which Council proposes to do with sign companies. He said the ordinance might also be considered unfair under the due process of law.

Mr. Sneed strongly charged that newspaper articles, printed by the Asheville Citizem-Times, regarding the sign ordinance were slanted and editorials were filled with innuendos. He implied that this was done in an attempt to do away with billboard advertising so that more advertising would be done in the newspapers.

Mr. Sneed pleaded with Council to adopt a fair ordinance which would include a fundamentally fair grandfather clause. He said if Council so desired to pass the ordinance in its present form a lawsuit would have to instigated.

Councilman Rainey said he felt that if the City was going to take personal property from the sign companies then compensation should be paid. However, he felt the ordinance itself is a good ordinance and he would vote for it in its present form.

Mr. Summey commented that under the present proposed ordinance many of the businessmen's advertising signs would be non-conforming and would have to be taken down.

Mayor Ochsenreiter said his opinion would be that the City of Asheville, along with its many budget problems, would not have the money to purchase the non-conforming signs. He said the City has many other important projects to complete with the tax revenues.

Councilman Michael said he could not support the ordinance with a "grandfather clause" because no improvements would be made in the City relative to signs.

Mr. Emrick noted that if Council decided to include a grandfather clause, all existing permanently fixed signs would be frozen, but this would not include prohibited or temporary signs. At the request of Council, he read the section of the ordinance dealing with prohibited signs, which could be taken even if a grandfather clause is included. He further commented that if the ordinance included a grandfather clause, it could immediately divorce the City from about a third of the non-conforming signs. He said he would prefer the amortization provision, but he added that he would rather see a grandfather clause added than to see the whole ordinance defeated.

Jane Bingham noted that if a billboard sign was properly maintained, it could exist forever.

George Gontero, of Lamar Dean Outdoor Adversiting Company, said the ordinance is intended to give the City control over the signs and not to eliminate them entirely.

Mr. Summey said he felt that the ordinance in its present form, with the inclusion of a grandfather clause, could do away with the majority of the problem or clutter signs.

Vice Mayor Horton said he did not feel the City could afford to adopt an ordinance with a compensation clause.

prescribed by the General Statutes of North Carolina. Funds received by the Commission by gift shall, if so provided, be disbursed in accordance with the terms of the gift; provided that the terms of the gift are lawful and acceptable by the City and the Commission

2. Section 7. Contracts

(i) The Commission shall be authorized to enter into and to let contracts for necessary services provided the Commission within the limits of the authority conferred upon the Commission under this article and within the limits of funds budgeted for the use and purposes of the Commission by City Council.

Councilman Rainey commented that he did not feel that Section 3 or 4 were very clear. He said these sections needed to be reviewed, particularly the time periods mentioned in these sections relative to review procedures. He said the same model ordinance used in establishing the Asheville Area Civic Center Commission should be used in establishing this Commission.

Councilman Michael suggested that the two areas around Patton Avenue being Eagle and Market Streets and Lexington Avenue and Broadway be included in the downtown boundary districts.

After considerable discussion regarding suggested amendments, Vice-Mayor Horton moved to continue the second reading of Ordinance No. 954 until the May 26, 1977 meeting. This motion was seconded by Councilwoman Swilling which motion carried with Councilman Michael voting "no".

Mayor Ochsenreiter advised that a workshop would be held on the suggested amendments prior to the second reading of the ordinance.

ORDINANCE NO. 955 - AN ORDINANCE AUTHORIZING THE REFUND OF AD VALOREM TAXES TO INTER-CHURCH HOUSING ASSOCIATION, INC.

4. Consideration was given to the second reading of Ordinance No. 955, an ordinance authorizing the refund of ad valorem taxes to Inter-Church Housing Association, Inc.

Mayor Ochsenreiter stated that the ordinance was previously read on first reading and members of Council were furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

The City Manager said he had talked with a representative of the Inter-Church Housing Association, Inc. and explained to him that if the ordinance is adopted that all their city services would be given at no cost. He said the Inter-Church Housing Association, Inc. expressed willingness to consider a payment in lieu of taxes.

Councilman Morris said he felt the attitude of the Inter-Church Housing Association, Inc. was a good jesture and suggested that Council also approach other local churchs or non-profit agencies about the possibility of their making payments in liew of taxes.

This section specifies that the development plan formulated by the Downtown Commission and any subsequent revisions shall be approved by the Asheville Planning and Zoning Commission and the City Council, so the control factor alluded to is embodied in this Ordinance.

3. Section 1 (i). Staffing of the Commission

Staff Comments: Agree that we do not need to establish another bureaucracy, but the project needs to have one individual who is primarily responsible for its day-to-day activities. Where that individual is housed is, of course, up to City Council to decide.

4. Section 3. Designation of Project Boundary

This must be done so that the scope of this particular project may be definitively outlined in the plan which is to be developed.

Staff wholly agrees that other portions of the City need this same type of treatment and if Council so designates this Commission could in the future address other specific areas, but I would recommend that the Asheville Planning and Zoning Commission address these other areas as they have on other specific projects in the past.

5. Section 5. Urban Design

The concerns voiced about requiring underground utility connections and provisions for litter and trash collection can be addressed in one of two ways:

1) These types of requirements can be placed in the development plan specifically; or
2) Reviewed on an individual basis.

Staff suggests that they be addressed as requirements in the plan.

Suggestions submitted by Finance Department

1. Section 6. Money of Commission

(h) Funds appropriated by the City Council for operation of the Commission shall be disbursed as other appropriations by the City. All funds collected or otherwise received by the Commission shall be deposited to the credit of the City for the use of the Commission and shall be disbursed by the Director of Finance on written requisition of the Chairman of the Commission or of such other person or persons as the Commission may authorize to make such requisitions. These disbursements shall be made within the limits of the authority granted from time to time to the Commission by City Council and as

RESOLUTION NO. 77-73 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE RIGHT-OF-WAY AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE PURPOSE OF WIDENING OF CHERRY STREET

7. Consideration was given to a resolution authorizing Mayor to execute right-of-way agreement with the North Carolina Department of Transportation for the purpose of widening of Cherry Street.

The City Manager read the resolution and explained that this area is at the intersection of Flint Street and Cherry Street and runs approximately 800 feet toward Montford Avenue. He said this would be at no cost to the City.

Upon motion of Councilman Michael, seconded by Councilwoman Swilling, Resolution No. 77-73 was unanimously adopted.

Complete text of Resolution No. 77-73 will be found in Resolution Book 9, at page 281.

BIDS - ONE (1) CUBIC YARD COMPACTOR FOR CIVIC CENTER

8. Consideration was given to bids recieved April 21, 1977 for one (1) cu. yd. compactor for the Civic Center.

The City Manager read a memorandum from the Purchasing Agent which stated that two (2) responsive bids were received and recommended the acceptance of the second lowest bid by Sanco Corporation in the amount of $10,019.00. The third and lowest bid submitted by Quality Equipment and Supply Company did not meet specifications.

Jim Evans, Civic Center Manager, said this compactor would be a great advantage in the rapid turnover of garbage during major functions.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to Sanco Corporation in the amount of $10,019.00. This motion was seconded by Councilman Michael and carried unanimously.

Bid Summary

Bidder	Bid
Speciality Steel Fabrication, Inc.	$10,880.00
Sanco Corporation	$10,019.00

REZONING REQUEST - PUBLIC HEARING SET - ALAN AND LUCY BUTTERWORTH AND ROBERT AND ANN HARROFF - REED STREET AND FAIRVIEW STREET

9. The City Manager read a letter from the Planning and Zoning Commission recommending that the rezoning request of Robert and Ann Harroff and Alan and Lucy Butterworth to rezone property on Reed Street and Fairview Street be approved in part.

Councilwoman Swilling moved to schedule a public hearing on the matter for June 2, 1977 at 7:30 o'clock p.m. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 955 passed on second reading.

ORDINANCE NO. 956 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1977 AND ENDING JUNE 30, 1978

5. Consideration was given to the second reading of Ordinance No. 956, an ordinance levying, assessing, imposing, and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1977 and ending June 30, 1978.

Mayor Ochsenreiter stated that the ordinance was previously read on first reading and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

Vice-Mayor Horton said since the ordinance had not been updated since 1964, there was a need to thoroughly review the ordinance. However, due to time limitations this could not be done at this time. He did request that the City Manager pursue the fact that some businesses, particularly in the miscellaneous category, are not obtaining city privilege license. He requested that this be investigated prior to the third reading of the ordinance.

On a roll call vote of 5-0, Ordinance No. 956 passed on second reading.

Councilman Rainey suggested that prior to the adoption of the revenue ordinance next year that a study be made on it including flea markets to obtain business license since they do not pay state tax.

Councilwoman Swilling suggested that home rummage sales be included in the study.

ORDINANCE NO. 952 - AN ORDINANCE DELETING SECTION 28-119 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE ENTITLED "DEPOSIT OF COIN FOR PURPOSE OF EXTENDING TIME"

6. Consideration was given to the third and final reading of Ordinance No. 952, an ordinance deleting Section 28-119 of the Code of Ordinances of the City of Asheville entitled "Deposit of Coin for Purpose of Extending Time."

Mayor Ochsenreiter stated that the ordinance was previously read on first and second readings and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 952 passed on its third and final reading.

Complete text of Ordinance No. 952 will be found in Ordinance Book 7 at page 131 .

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 77-75 was unanimously adopted.

Complete text of Resolution No. 77-75 will be found in Resolution Book 9, at page 288 .

HOUSING PROJECTS - DISCUSSION

The City Manager commended Mr. Dave Jones, Executive Director of the Housing Authority, for being instrumental in getting the recent convention of housing officials from two states to hold their convention in Asheville. He said this convention included over 500 delegates for four days.

At the request of Council, Mr. Jones also reported that sometime ago their auditors ruled that the Housing Authority was in violation of the 1974 Act which required the Authority to charge at least 25% of the tenants adjusted income for public housing. He said in order to abate this violation the Authority has completely eliminated the ceiling rent and will charge 25% of a tenant's adjusted income effective July 1, 1977. He said this new policy has been explained to all the tenants.

Upon inquiry of Councilwoman Swilling regarding security guards at Pisgah View and West Asheville housing projects, Mr. Jones said that HUD would not provide funds for a security force at the projects due to the cooperation agreement providing for the City to provide such protection. He said a pilot program, mainly funded by Buncombe County, for extra patrolmen at Deaverview had proven to be most successful. He said he would encourage any help from Council to provide extra protection either through the Asheville Police Department, Buncombe County Sheriff's Department or through LEAA grants.

Councilman Michael suggested that the City Manager request the Chief of Police to provide regular patroling of these areas rather than the patrolman just going to the areas when called.

SPECIAL BUDGET INFORMATION REPORT

The City Manager presented members of Council with a report requested by Vice-Mayor Horton relative to Special Budget information. He said these various revenues are based on the ad valorem tax rate in the City of Asheville. He said if the tax rate of the County increase or if other cities increase in population and growth and the City of Asheville's does not, the City will be losing revenues from outside sources and it would be reflected not only in the state shared revenues, but also in the revenues received from general revenue sharing. He said indirectly holding a tax line does affect revenues from these outside sources.

OAK STREET NAME CHANGE

The City Manager reported that several weeks ago a resolution was considered by Council to change the name of Oak Street to Woodfin Street. He said property owners in that area were polled and it is their preference that Oak Street not be changed.

Councilwoman Swilling moved that the name of Oak Street be retained and that Oak Street be appropriately designated as a historical street, since First Baptist Church has been named a historical building. This motion was seconded by Councilman Rainey and carried unanimously.

CONTINUATION OF PUBLIC HEARING - CLOSING A PORTION OF ASHELAND AVENUE AND ALL OF CROSS STREET, WALLACK STREET, SHORT McDOWELL STREET, AND TWO (2) UNNAMED ALLEYS

RESOLUTION NO. 77-74 - RESOLUTION TO CLOSE A PORTION OF ASHELAND AVENUE AND ALL OF CROSS STREET, WALLACK STREET, SHORT McDOWELL STREET, AND TWO (2) UNNAMED ALLEYS

10. The public hearing relative to closing a portion of Asheland Avenue and Wallack Street, and all of Cross Street, Short McDowell Street, and two (2) unnamed alleys was continued at 5:06 o'clock p.m.

Larry Holt, Deputy Director of the Housing Authority of the City of Asheville, said the resolution had been amended to reflect the desires of Mr. Trayham Houston, who expressed a desire to leave a portion of Wallack Street open for public access to the Warlick et al properties. He said the Housing Authority would dedicate a right-of-way easement.

Mayor Ochsenreiter closed the public hearing at 5:11 o'closed p.m.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, Resolution No. 77-74 was unanimously adopted.

Complete text of Resolution No. 77-74 will be found in Resolution Book 9, at page 282 .

HUD GRANT PROGRAM - DISCUSSION

At the request of Councilman Michael, Larry Holt, Deputy Director of the Housing Authority, advised that he had received verbal approval on a request to increase income limitations of people eligible to receive the $5,000 rehabilitation grant. He said Mr. Glen Silvia, with HUD, had indicated that the adjusted income limits on the 235 Interest Loans could be increased by taking the gross income less 5% less $300 for each dependent for an adjusted income. He said final word should be forthcoming from HUD in the near future.

RESOLUTION NO. 77-75 - RESOLUTION REQUESTING THE U. S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT TO RAISE THE FAIR MARKET UNITS FOR THE SECTION 8 EXISTING HOUSING ASSISTANCE PROGRAM

11. Consideration was given to a resolution requesting the U. S. Department of Housing and Urban Development to raise the fiar market units for the Section 8 Existing Housing Assistance Program.

The City Manager read the resolution.

Mr. David Jones, Executive Director of the Housing Authority of the City of Asheville, said the proposed fair market rents by HUD for the Asheville area in the Federal Register dated May 4, 1977, do not reflect existing rents for comparable units within the City and the U. S. Department of Housing and Urban Development has provided for submission of written comments by interested parties on the proposed fair market rents by May 18, 1977. He said this resolution would request HUD to raise the fair market rents for the Section 8 Existing Housing Assistance Program by at least twenty percent (20%). He said Buncombe County and Region B was also being requested to pass similar resolutions.

Thursday - May 19, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Vice-Mayor Bill B. Horton, Presiding; Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, J. W. Hoyle, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Eugene C. Ochsenreiter, Jr. and Councilman Gene E. Rainey

APPROVAL OF MINUTES

1. Approval of the minutes of the May 12, 1977 meeting.

Upon motion of Councilman Hoyle, seconded by Councilwoman JoAnn M. Swilling, the minutes of the May 12, 1977 meeting were unanimously approved as submitted.

PRESENTATION OF COMMISSION REPORT ON STATUS OF WOMEN FOR ASHEVILLE-BUNCOMBE COUNTY

2. Ron McElrath, Executive Director of the Asheville-Buncombe County Community Relations Council, said in accordance with Resolution No. 75-27 adopted by City Council, a study was conducted on the status of women in the Asheville-Buncombe County area.

April Pierberg, coordinator of the study, presented members of Council with the Commissions report. She summarized the key findings and recommendations contained in the report. She said women represent 45 percent of the labor force in Buncombe County consisting of more than 24,000 women. Most of the private household workers, secretaries, teachers and medical personnel are women, she said, stating that women are still being pushed into roles that are at the bottom of the scale in pay. She said few women are found in leadership roles, citing fields of education, industry, and medical professions as examples. She urged Council to do what they could to correct this discrimination.

Mrs. Pierberg also noted that 34 percent of the heads of households in Buncombe County are women and there is a great need for better and affordable child care, particularly after-school care. She said a lot of time and work had gone into this study and she urged Council to go beyond researching and to begin implemention of the recommendations contained in the report.

Vice-Mayor Horton thanked those involved in implementing the study and said Council would pursue, with interest, the recommendations contained in the report.

Councilwoman Swilling introduced Ms. Nancy Justice from the Governor's Office who helped coordinate the study.

PUBLIC HEARING - REVISIONS TO WATER RATES AND CHARGES

3. A public hearing was held relative to revisions to the water rates and charges of the City of Asheville.

Vice-Mayor Horton opened the public hearing at 3:14 o'clock p.m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

PROCLAMATION - WEEK OF MAY 20, 1977 - NATIONAL TRANSPORTATION WEEK

Mayor Ochsenreiter proclaimed the week of May 20, 1977 as "National Transportation Week."

PROCLAMATION - HERITAGE WEEK - MAY 15 - 21, 1977

Mayor Ochsenreiter proclaimed the week of May 15 - 21, 1977 as "Heritage Week."

SCHOOL TAX PROPOSED

Councilman Rainey commented that the City of Asheville has just finished work on an extremely tight budget with no tax increase. He said it was his understanding that a large portion of the citizens of Asheville are being threatened with more taxes because of a deficit in the School budget. He said he wanted to make it clear that the City Council of the City of Asheville would not be the one to make the decision on a school tax levy. The projected raise, he said, is from 4-8 cents bringing it to the statutory limit of 25¢ and this decision would be made by the Buncombe County Commissioners. He said a tax increase would only postpone the real solution to the problem. He said the school system should tighten its belt on the budget as the City is having to do even if it means closing a school. He said the ultimate solution would be for consolidation. He suggested that Council go on record requesting the Commissioners not to increase the tax for the citizens of Asheville but rather to solve the deficit in the school system in another way.

Councilman Rainey then moved to request the Buncombe County Board of Commissioners not to increase the Asheville School tax. This motion was seconded by Councilman Michael, which motion carried unanimously.

Mayor Ochsenreiter instructed the City Manager to prepare a statement of the motion adopted to be hand carried by the Mayor to the Buncombe County Commissioners Friday morning, May 13, 1977.

Adjournment.

MAYOR

CITY CLERK

ORDINANCE NO. 956 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1977 AND ENDING JUNE 30, 1978

5. Consideration was given to the third and final reading of Ordinance No. 956, an ordinance levying, assessing, imposing, and defining the license and privilege taxes of the City of Asheville for the fiscal year beginning July 1, 1977 and ending June 30, 1978.

Vice-Mayor Horton advised that the ordinance was previously read on first and second readings and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

Mr. E. R. McCarthy asked that Council review the business license fee for race tracks. He suggested that a proposed admission tax be charged.

Vice-Mayor Horton noted that the entire ordinance would be reviewed prior to the adoption of a revenue ordinance for fiscal year 1978-1979.

The City Manager noted that any changes made in the ordinance should not become effective in the middle of a fiscal year but at the beginning of a fiscal year.

On a roll call vote of 4-0, Ordinance No. 956 passed on its third and final reading.

Complete text of Ordinance No. 956 will be found in Ordinance Book No. 7 at page 142.

PURCHASE OF POLICE CRUISER

6. The City Manager advised that on April 11, 1977 a police cruiser was wrecked which was declared a total loss to the City. Negotiations were made with the insurance company and $1,703.85 was collected. Due to the police department being short one cruiser for the coming summer season, emergency bids were received from Dorato Motors, Apple Tree Chevrolet, and Matthews Ford for the replacement of the cruiser. Matthews Ford was the low bidder in the amount of $4,560.32. With the $400.00 allowed by Matthews Ford for trade-in and the $1,703.85 awarded by the insurance company, making a total of $2,103.85 to be applied toward purchase price. Therefore, it is recommended that Matthews Ford be awarded a contract to replace the cruiser on an emergency basis.

Councilman Hoyle moved to authorize the purchase of a police cruiser on an emergency basis, awarding the contract to Matthews Motors, Inc. This motion was seconded by Councilman Michael and carried unanimously.

RESOLUTION NO. 77-76 - RESOLUTION SUPPORTING THE ESTABLISHMENT OF A WNC REGIONAL OFFICE AND MUSEUM IN ASHEVILLE, NORTH CAROLINA, FOR THE STATE OF NORTH CAROLINA, DIVISION OF ARCHIVES AND HISTORY

7. Consideration was given to a resolution supporting the establishment of a WNC Regional Office and Museum in Asheville, North Carolina, for the State of North Carolina, Division of Archives and History.

Vice-Mayor Horton commented that a committee had met recently with industrial representatives and the results would be forthcoming from the committee on items of discussion regarding the proposed water rate increase.

The City Manager, in reviewing the background for the proposed increase, stated that an examination of proposed water rate increases began during the last fiscal years budget process. He said there was an anticipated need of $500,000 of which the City could receive $150,000 during this fiscal year. The additional revenue that would be generated by the increase would be used primarily for water meter renewals, fire hydrant replacements, operational expenses, and necessary improvements to the North Fork facility as well as offsetting unexpected expenses due to extreme cold weather.

Mr. Philip R. Elam, Manager of the Industrial Development Department of the Asheville Area Chamber of Commerce, said the indistrial leaders realize the need for the $500,000 for additional revenues and they would agree to an across the board increase, but they would object to the largest consumers being increased by 41 percent while the smallest would have theirs increased by only 7 percent. He said the Chamber of Commerce had not taken a position in the proposed increase but had only provided for meetings with the industrial representatives.

Councilman Michael noted that even with the proposed 41 percent increase for larger consumers, the rate would still be lower than any other water system in the state.

Vice-Mayor Horton said a work session would be held next week to study several alternatives that have been suggested for distributing the increase among the various water users.

Vice-Mayor Horton closed the public hearing at 3:28 o'clock p.m.

The City Manager advised that an ordinance revising the water rates and charges would be prepared for Council's consideration at the May 26, 1977 meeting.

ORDINANCE NO. 955 - AN ORDINANCE AUTHORIZING THE REFUND OF AD VALOREM TAXES TO INTER-CHURCH HOUSING ASSOCIATION, INC.

4. Consideration was given to the third and final reading of Ordinance No. 955, an ordinance authorizing the refund of ad valorem taxes to Inter-Church Housing Association, Inc.

Vice-Mayor Horton advised that the ordinance was previously read on first and second readings and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 955 passed on its third and final reading.

Complete text of Ordinance No. 955 will be found in Ordinance Book No. 7 at page 141.

The City Manager read the resolution and explained that these closings would be in keeping with the overall urban renewal plan.

Councilman Michael moved for the adoption of Resolution No. 77-77 scheduling the public hearing for June 16, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 77-77 will be found in Resolution Book No. 9 at page 290.

SALE OF PARCELS 85, 86 AND 87 - EAST RIVERSIDE PROJECT NC R-48

The City Manager read a letter from the Housing Authority of the City of Asheville requesting approval of the sale of Parcels 85, 86 and 87 in the East Riverside Project N.C. R-48 to Wilkins-Hart Mortuary, Inc. for $39,000.00. The developer proposes to relocate the existing residential structure on the lots and construct a mortuary fronting on Phifer Street.

Councilman Michael moved to approve the sale of Parcels 85, 86 and 87 in the East Riverside Project N.C. R-48 to Wilkins-Hart Mortuary. Inc. for $39,000.00. This motion was seconded by Councilman Hoyle and carried unanimously.

PROCLAMATION - AMERICAN BUSINESS WOMEN'S WEEK - MAY 16 - 22, 1977

Vice-Mayor Horton proclaimed the week of May 16-22, 1977 as "American Business Women's Week" in the City of Asheville.

PROCLAMATION - NATIONAL PUBLIC WORKS WEEK - MAY 22 - 28, 1977

Vice-Mayor Horton proclaimed the week of May 22-28, 1977 as "National Public Works Week."

PUBLIC HEARING SCHEDULED - CLOSING OF BURTON STREET BRIDGE

The City Manager reported that he had received several requests to close Burton Street Bridge at Smith Mill Creek, due to the bridge acting as a dam during periods of high water, catching debris and causing water to back up onto property along the creek. He requested that Council schedule a public hearing on the matter.

Councilwoman Swilling moved to schedule a public hearing on the closing of Burton Street Bridge for June 16, 1977. This motion was seconded by Councilman Morris and carried unanimously.

AMENDMENT TO SIGN ORDINANCE REQUESTED BY ASHEVILLE BOARD OF REALTORS

The City Manager presented a letter from the Asheville Board of Realtors, Inc. requesting an amendment to the sign ordinance relative to real estate signs.

Vice-Mayor Horton referred the request to the Planning Director and the Corporation Counsel for recommendations.

The City Manager read the resolution and explained that a bill would be introduced to the legislators for appropriations for a feasibility study and establishment of such a facility in the Pack Memorial Library Building on Pack Square.

Mr. Bob Orr, with the Preservation Society, said this bill should be supported by all legislators in the WNC District and would include a permanent office in Asheville. He said the Pack Memorial Library Building would be reviewed for feasibility. He also noted that this would play a large part in the revitalization efforts for downtown. It would also serve the counties throughout Western North Carolina.

A discussion was held relative to the City furnishing the building and maintenance to the facility. It was determined that these facts would be established after the bill is adopted and the feasibility study completed.

Councilwoman Swilling noted that the County Commissioners had passed a similar resolution this week.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, Resolution No. 77-76 was unanimously adopted.

Complete text of Resolution No. 77-76 will be found in Resolution Book No. 9 at page 289.

PUBLIC HEARING SCHEDULED - AMENDING ZONING ORDINANCE NO. 322 - SECTIONS 30-1-3 AND 30-4-1

8. The City Manager advised that the Planning Staff has recommended amendments to Section 30-1-3, Jurisdiction and Section 30-4-1, Use Districts of the Zoning Ordinance No. 322 in order to provide for the changes Council wants to make in the boundaries of the one-mile perimeter.

Councilman Morris moved to schedule a public hearing on the proposed amendments for June 16, 1977. This motion was seconded by Councilman Michael, which motion carried unanimously.

LEASE AGREEMENT - CITY HALL SNACK SHOP

9. The City Manager advised that on April 21, 1977 Council authorized the advertising of a lease agreement for a City Hall Snack Shop and the advertisement gave notice that the City Council would consider authorizing such a lease agreement at the meeting on May 19, 1977. However, negotiations have not been completed with all interested parties, therefore, he requested that Council postpone action on this matter until the May 26, 1977 meeting.

Councilman Hoyle moved to postpone action on authorizing a lease agreement for the City Building Snack Shop until the May 26, 1977 meeting. This motion was seconded by Councilman Michael and carried unanimously.

RESOLUTION NO. 77-77 - RESOLUTION OF INTENT TO CLOSE TWO UN-NAMED ALLEYS AND CALLING A PUBLIC HEARING ON THE QUESTION

Consideration was given to a resolution of intent to close two un-named alleys and calling a public hearing on the question.

this meeting. He said his motion was based on critisms of Council postponing action on the ordinance.

Councilman Michael's motion died for the lack of a second.

Vice-Mayor Horton noted that the third and final reading of Ordinance No. 945 is scheduled for the May 26, 1977 meeting.

Adjournment.

Bill B. Horton
VICE-MAYOR

Frances S. Roberts
CITY CLERK

REQUEST FOR RECREATION PARK IN NORTH ASHEVILLE

Mr. James Moody, representing the North Asheville Boosters, requested that Council do what they could to provide a recreation park for the North Asheville area. He said the North Asheville area has only Weaver Park, with its one baseball field and two tennis courts. He said the North Asheville Boosters Athletic Program serves approximately 650 young people which also serves Hillcrest and Mountainside Apartments and approximately 35 percent of the participants are unable to pay the nomial registration fees. He said the football participants are forced to practice in a churchyard due to the lack of any other place to play.

Mr. Moody said it was his understanding that the Swain property, owned by the City, had been earmarked for a recreational area. He suggested that Council look into the possibility of developing this property into a recreational area.

Vice-Mayor Horton instructed the City Manager to look into the possibility of providing a recreational area in the North Asheville area and bring the report back to Council.

Councilman Morris suggested that the City Manager separate the costs involved in using the Swain property, particularly grading cost. He said it may be more feasible to look into the possibility of using flat lands.

MRS. SMITH - 128 SOUTH GROVE STREET - IMPROVING PUBLIC ALLEY

Mrs. Smith of 128 South Grove Street appealed to Council to improve a public alley behind her house to make a more comfortable access to her house.

After discussion, Vice-Mayor Horton suggested that Mrs. Smith meet with the City Manager after the meeting in an effort to solve her problem.

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop again told Council he could get no one to do anything about the open lottery sales in the City of Asheville.

LOOSE DOGS - COUNCILMAN MICHAEL

Councilman Michael said he had received complaints from postmen of dogs running at large. He requested the City Manager to see what could be done about the matter.

CITY VEHICLE MOTOR POOL

Councilman Michael reported that he had received complaints of City vehicles being used on weekends and for transporting family members to work. He again suggested the use of a motor pool for City vehicles and for vehicles to be turned in at a central location after hours.

ORDINANCE NO. 945 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (SIGN REGULATIONS) - SIGN ORDINANCE - REQUEST FOR THIRD READING

Councilman Michael moved that Council consider the third and final reading of Ordinance No. 945, an ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended (sign regulations) at

ORDINANCE NO. 957 - AN ORDINANCE ESTABLISHING THE ASHEVILLE UNIFORMED PERSONNEL RETIREMENT PLAN AND TRUST

The City Manager read the ordinance.

The Plan and Trust was read in its entirety.

Councilman Rainey requested the Corporate Attorney to draft an amendment to change Section 14 of the Charter of the City of Asheville in order that an ordinance may be read, but attachments need not be read if the majority of Council agrees.

The City Manager advised that the ordinance held the effective date to be June 10, 1977 which would require that three readings of the ordinance be held at this time. However, if Council so desired the effective date could be left blank until such time as the ordinance is adopted.

Councilwoman Swilling expressed concern regarding the applicability to clerical workers and other non-uniformed personnel as well as the use of the word "Board" to refer sometimes to the Board of Examiners and sometimes to the Board of Trustees. She urged that Council pass the ordinance on two readings, leaving the effective date of the ordinance blank in order that these points could be clarified.

Councilwoman Swilling then moved for the adoption of Ordinance No. 957. This motion was seconded by Councilman Hoyle.

Councilman Morris suggested that the consultant be contacted regarding the "portability" of clerical workers changing plans at some later date.

On a roll call vote of 6-0, Ordinance No. 957 passed on its first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 957.

On a roll call vote of 6-0, Ordinance No. 957 passed on its second reading.

RESOLUTION NO. 77-79 - RESOLUTION TO AUTHORIZE THE CITY MANAGER TO ENTER INTO AGREEMENTS WITH A PSYCHOLOGICAL TESTING CONSULTANT AND THE BLUE RIDGE COMMUNITY MENTAL HEALTH CENTER TO ESTABLISH A SYSTEM OF PSYCHOLOGICAL SCREENING AS A PART OF THE EMPLOYMENT PROCEDURE FOR POLICE PATROLMAN

4. Consideration was given to a resolution authorizing the City Manager to enter into agreements with a psychological testing consultant and the Blue Ridge Community Mental Health Center to establish a system of psychological screening as a part of the employment procedure for police patrolman.

The City Manager read the resolution.

Councilman Michael said he felt this psychological screening should also apply to policemen already on the force and in cases where policemen are repeatedly reported as being over-reactive or accused as being unjustly severe in arresting people.

Councilman Michael then moved to amend the resolution by adding that this procedure also apply to policemen presently employed and shall be given to policemen as deemed necessary by the City Manager or his designee. This motion was seconded by Councilman Rainey and carried unanimously.

Thursday - May 26, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, J. W. Hoyle, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Acting City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

APPROVAL OF MINUTES

1. Approval of the minutes of the May 19, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, the minutes of the May 19, 1977 meeting were unanimously approved as submitted.

RESOLUTION NO. 77-78 - RESOLUTION OF APPRECIATION TO ROBERT Y. PRAYTOR FOR SERVICES AS A MEMBER OF THE CITY OF ASHEVILLE CIVIL SERVICE BOARD

2. Consideration was given to a resolution of appreciation to Robert Y. Praytor for services as a member of the City of Asheville Civil Service Board.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 77-78 was unanimously adopted.

Complete text of Resolution No. 77-78 will be found in Resolution Book No. 9 at page 292.

PUBLIC HEARING - ASHEVILLE UNIFORMED PERSONNEL RETIREMENT PLAN AND TRUST

3. A public hearing was held relative to the adoption of an ordinance establishing the Asheville Uniformed Personnel Retirement Plan and Trust.

Mayor Ochsenreiter opened the public hearing at 3:05 o'clock p.m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication. He explained that the purpose of the public hearing is to receive public comment on the proposed ordinance prior to its final inactment.

Michael Smith, Director of Central Services, said this plan was referred to in the legislation that was ratified by the General Assembly in the 1977 Session which would freeze the old Police and Fire Pension Plan in order to begin a new comprehensive plan. He said any member of the old plan will have the option to transfer to the new plan from one (1) year after the adoption of the new plan.

Mr. Smith said a question had arose regarding the definition of employee. He said there are several clerical workers and other non-uniformed personnel in the Police and Fire Departments and it would be his recommendation to allow such employees to join the General Employees Retirement Plan or the new Uniformed Personnel Retirement Plan. He said this new plan is, however, more condusive to uniformed personnel.

Mayor Ochsenreiter closed the public hearing at 3:12 o'clock p.m.

Larry McDevitt, attorney representing the Asheville Board of Realtors, asked for a clarification of Section 30-9-1(B)(1) relative to real estate signs.

Mr. Emrick, Planning Director, explained that real estate signs would have to be removed seven (7) days after a sale is consummated or a rental or lease contract has been entered into.

Mr. McDevit requested that the ordinance be amended relative to these real estate signs in order for the language to be clarified.

After discussion, Councilman Morris moved to amend Section 30-9-1(B)(1) of Ordinance No. 945 for the last sentence to read as follows:

"However, after a sale is consummated, or a rental or lease contract has been entered into, said sign shall be removed within one (1) week."

This motion was seconded by Councilman Hoyle and carried unanimously.

Councilwoman Swilling made the following statement and amendment relative to Section 30-9-5, Non-conforming signs:

"In 1975 when I ran for election to this seat, the first round with the sign ordinance had just finished in defeat. After my election, another round with a revised ordinance began. There were still more hours of hard work sessions by our very able Planning and Zoning Commission as well as more hearings and work. The many people who have worked so hard on this revision are outstanding and are to be commended for their unselfishness.

My position was that a grandfather clause in this ordinance would be the same as not having an ordinance. I have depended strongly on the Planning and Zoning Commission's revisions of this ordinance and I have seen consession after consession made by all parties involved. After many hours of work, the revised ordinance was ready for presentation, but due to a back log of many problems and projects, again and again this ordinance was delayed in getting before Council. Finally early this year we were able to have the presentation. Even after this presentation, the priority of other things have delayed us accomplishing its passage.

I believe this Council to be very conscientious and feel each member of the Council is keenly aware that the decisions of the Council greatly affect the citizenary who put us here and the people with whom we live and love, so we have worked hard to explore every aspect of these decisions. Many times we hear, who will this effect the future of our city, our children and future governing boards, how does this effect us right now?

I have looked long and hard at this sign ordinance with and without a grandfather clause. I have recieved many cards and letters for and against different parts of this ordinance. The past two weeks over a hundred letters from people of all walks of life have come to me urging the passage of this ordinance - passage with a grandfather clause.

I wish to make the following amendment to this ordinance fully realizing what it means and of my own deeply thought through feeling that it is unfair to take personal property without fair and just compensation and since our present laws prevent this governing body to compensate for condemnation of signs so stated by our legal counsel's understanding, and that Section 30-9-5 as now stated be amended to read as follows:

Upon inquiry of Councilman Rainey, the City Manager said the testing procedure would only be a part of the employment procedure. He said work records, civil service examinations and oral interviews are also considered. He said an applicant would not be turned down solely because of the psychological screening test.

Councilman Michael moved for the adoption of Resolution No. 77-79, as amended. This motion was seconded by Councilman Morris and carried unanimously.

Complete text of Resolution No. 77-79 will be found in Resolution Book No. 9 at page 293 .

Ralph Bishop objected to the City paying taxpayers money for such tests. He said such tests would be degrading the City employees and further deteriorate the Police Department.

RESOLUTION NO. 77-80 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE ESTABLISHING STANDARDS GOVERNING THE DESIGN, CONSTRUCTION, AND MAINTENANCE OF PUBLIC AND RESIDENTIAL SWIMMING POOLS

5. Consideration was given to a resolution called for a public hearing for the adoption of an ordinance establishing standards governing the design, construction, and maintenance of public and residential swimming pools.

The City Manager read the resolution called for a public hearing on June 16, 1977.

Councilman Michael said he felt the proposed ordinance was too restrictive. He said it was his understanding that Council only wanted to provide for the fencing and safety of the residential pools.

J. E. Johnson, Director of Inspections, said his division presently enforces the standards provided for in the proposed ordinance except for the provision of fencing in of swimming pools.

Councilman Rainey moved for the adoption of Resolution No. 77-80 scheduling the public hearing for June 16, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 77-80 will be found in Resolution Book No. 9 at page 294.

Richard Ford, attorney representing a group of interested citizens, said they would favor the fencing and safety provisions but not necessarily the restrictive construction standards.

ORDINANCE NO. 945 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED

6. Consideration was given to the third and final reading of Ordinance No. 945, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville" as amended.

Mayor Ochsenreiter stated that the ordinance was previously read on two readings and members of Council have been furnished copies of the ordinance, together with all amendments through May 26, 1977, and the ordinance would not be re-read in its entirety unless there was a specific request to do so.

tained by the licensee and such list shall give the specific location of each sign by reference to streets, business buildings or other identifiable geographic landmarks." The Collector of Revenue shall send a copy of the annual list, including their exact location, to the Board of Tax Supervision for the purpose of assessing taxes on each location.

This motion was seconded by Councilman Michael and carried unanimously.

Councilman Rainey then moved to amend Section 30-9-4, Maintenance and Enforcement to read as follows:

Section 30-9-4 Maintenance and Enforcement.

(A) To insure that signs are erected and maintainted in a safe and esthetic manner, it shall be unlawful for any sign visible from any public street or highway within the City of Asheville to be erected, posted, placed, hung or painted by any person, firm or corporation other than by a sign contractor properly licensed under Section 30-9-1 or by a designated representative of such licensed contractor.

(B) The following maintenance requirements must be observed for all signs visible from any public street or highway within the jurisdiction of this ordinance:

1. No sign shall have more than 20% of its surface area covered with disfigured, cracked, ripped or peeling paint or poster paper for a period of more than 30 successive days.

2. No sign shall be allowed to stand with bent or broken sign facing, broken supports, loose appendages or struts or be allowed to stand more than 15 degrees away from the perpendicular for a period of more than 30 successive days.

3. No sign shall be allowed to have weeds, trees, vines or other vegetation growing upon it or obscuring its view from the street or highway from which it is to be viewed for a period of more than 30 successive days.

4. No neon or internally illuminated sign may be allowed to stand with only partial illumination for a period of more than 30 successive days.

(C) The duties of the Building Inspector of the City of Asheville with regard to sign maintenance and enforcement shall be as follows:

1. To inspect all free standing signs, wall signs, projecting signs and roof signs in the jurisdiction of this ordinance at least once annually in order to determine that the same meet the requirements set forth in paragraph (B) of this Chapter.

2. To attach an inspection tag to all signs meeting the requirements set forth in paragraph (B) of this Chapter. Such inspection tag shall give the month and year of inspection and said tag shall be attached to the sign structure in a manner and in a place so as to be easily visible to any member of the public wishing to view the tag.

'Section 30-9-5 Nonconforming Signs.

A. After the effective date of this Ordinance, it shall be unlawful for any person to erect or place any sign which does not conform to the requirements set forth herein.

Any off-premise or principal use identification sign which is not specifically prohibited and is permanently affixed to a building, structure or the ground made nonconforming because of its height, size, or setback shall be allowed to continue and shall be maintained as provided for in Sec. 30-9-4, but shall not be:

(1) changed to another nonconforming sign;

(2) structurally altered (except to meet safety requirements);

(3) altered so as to increase the degree of nonconformity of the sign;

(4) expanded;

(5) reestablished after its discontinuance for sixty (60) days;

(6) continued in use after cessation or change of the business or activity to which the sign pertains; or

(7) reestablished after damage or destruction if the estimated cost of reconstruction exceeds seventy-five (75%) percent of the appraised replacement cost (as determined by the Building Inspector).'

I would further urge that a review of our present laws that prohibit compensation for sign condemnation be reviewed and that the legislation be formally requested to revise these laws so that such compensation can be achieved. The passage of such changes would make it possible to remove this section and replace it with a schedule by which we would remove the nonconforming uses with a just and fair compensation schedule!

This is a beginning, it is not, I feel, a defeat but a delay in the future beauty of our City - we do have visual pollution, it is not only in signs, but vacant buildings, unpaved and dirty streets as well as runned-down areas within walking distance of this room. We must begin working together on all these needs. We've studied long enough, lets begin, for the struggle is long and difficult and we are so far behind!"

This motion was seconded by Councilman Hoyle, which motion carried 4-2 with Councilmen Michael and Rainey voting "no".

After discussion, Councilman Rainey moved to amend Section 30-9-1(A)(8) to read as follows:

"No person, firm, or corporation shall place or maintain off permise advertising structures in the City of Asheville unless said person, firm, or corporation has been issued an outdoor advertising license which license is then in effect.

In order to obtain an outdoor advertising license, the licensee must be a licensed sign contractor, as described in paragraph 7 above, and must submit annually upon renewal of this license, a listing of all sign structures leased, owned, or main-

5. To issue citations for any violation of this Ordinance, other than Section 30-9-4(B), said citations to be issued to the owner of the sign or if the owner of the sign cannot be ascertained from the public record or the reports filed under this Chapter, then to the land owner or the lessee in control of the property where the violation occurs.

6. Violation Orders and Remove Orders issued under this section may be appealed to the Board of Adjustment within ten (10) days after the receipt thereof. During the appeal, the time limits herein shall be suspended. If the Board of Adjustment finds that the Violation Order or Remove Order, as the case may be, has been issued in accordance with this Ordinance, then the time period for compliance shall run from the date of the Order of the Board of Adjustment.

7. To remove immediately any sign or sign structure which the Building Inspector reasonably deems to be in danger of falling or otherwise creating an immediate safety hazard. Such removal shall be at the expense of the land owner as provided in Section 30-9-5(d) of this Ordinance.

(E) Any sign that is not brought into conformance with the provisions prescribed in this section or such other applicable codes of the City of Asheville, the Chief Building Inspector shall issue a citation in accordance to law in an amount no less than Fifty Dollars ($50.00) to the owner of the sign or land owner where the sign is located. In the case of a continuing violation, each twenty-four (24) hour period in which the violation exists shall constitute a separate violation.

This motion was seconded by Councilman Michael and carried unanimously.

Councilman Morris then moved to continue the third reading of Ordinance No. 945, as amended until June 2, 1977 giving the public an opportunity to comment on the amendments made at this meeting. This motion was seconded by Councilman Michael, which motion carried with a 4-2 vote, with Councilmen Rainey and Hoyle voting "no".

PUBLIC HEARING - REZONING - RICHMOND HILL DRIVE - WESTERN NORTH CAROLINA BAPTIST HOMES, INC. AND CECIL'S LEASES, INC.

ORDINANCE NO. 958 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWS AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

7. A public hearing was held relative to rezoning property on Richmond Hill Drive from R-2 Residential District to R-3 Residential District, property owned by Western North Carolina Baptist Homes, Inc. and Cecil's Leases, Inc.

3. To require proof that any newly-discovered sign work has been or is being done by a licensed sign contractor as provided for in Section 30-9-1 (a) of this Ordinance.

(D) To enforce the regulations set forth in this Ordinance, the Building Inspector shall have the following authority:

1. To issue a Violation Order for any violation of paragraph (B) above. Said Violation Orders are to be delivered by certified mail, return receipt requested to the owner of the sign in violation of this Ordinance and the time period provided herein shall begin upon receipt of said Violation Order. If the owner of the sign cannot be ascertained, the notice may be sent to the record land owner owning the land whereon the sign is erected. The Violation Order shall be directed to the sign owner and land owner and shall describe in detail the exact nature of the violation, reference the section of the Ordinance violated and specify what actions must be taken to correct the the violation.

2. To grant a single thirty (30) day extension of time within which the sign owner must comply with the Violation Order, upon receipt of a written request for an extension of time in which to correct all or part of the violations set out in the Violation Order stating valid reasons for not being able to comply within the time period allowed.

3. To issue Remove Orders for any sign not repaired within the time allotted under a Violation Order as set out above or for any prohibited sign as defined in Section 30-9-1(C) of this Ordinance. Said Remove Orders are to be issued to the owner of the sign and if such owner cannot be ascertained to the record owner of the real property whereon the sign is located, such notice is to be delivered by Certified Mail, Return Receipt Requested and shall not be effective until delivered. The sign owner or the land owner as the case may be shall be allowed a period of thirty (30) days after the receipt of the Remove Order within which to remove the sign at his own expense. The Remove Order shall be directed to the sign owner and land owner and shall describe with particularity the location of the sign to be removed and all of the reasons for issuance of the Remove Order, making specific reference to the section of this Ordinance.

4. To remove or cause to be removed any sign not removed within thirty (30) days of the receipt of a Remove Order and to tax the property owner for said removal as provided for in Section 30-9-5(D) of this Ordinance.

Councilwoman Swilling moved to approve the site plan of the proposed expansion of the Erwin Hills Plaza located on Leicester Highway. This motion was seconded by Councilman Hoyle and carried unanimously.

ORDINANCE NO. 959 - AN ORDINANCE PROVIDING FOR REVISIONS TO THE WATER RATES AND CHARGES

9. Consideration was given to an ordinance providing for revisions to the water rates and charges.

The City Manager read the ordinance and explained that the ordinance reflects a 7¢ rate increase per 100 cubic feet of which part of the revenues would be reflected in this fiscal year.

A discussion was held relative to the rates paid by Gerber Products, under which a separate agreement is in effect until 1982.

Councilman Michael commented that the City is selling water to Gerber at a loss.

Councilman Rainey said since there is a meeting scheduled to review the Water Budget, he would vote no on the ordinance until after the review is completed.

Councilman Michael then moved that Gerber's rate be increased in proportion as other industries, which motion died for a lack of a second.

Councilwoman Swilling moved for the adoption of Ordinance No. 959. This motion was seconded by Councilman Morris.

Councilman Morris requested Larry Fisher, Director of Finance, to work up comparison figures for an alternate system of increasing water rates by starting with a 10 percent rate increase at the lowest step and increasing gradually up to 23 percent for the highest step. He requested that the figures be furnished to members of Council prior to the second reading of the ordinance.

On a roll call vote of 4-2, Ordinance No. 959 passed on first reading with Councilmen Rainey and Michael voting "no".

RESOLUTION NO. 77-81 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE JOINT AGREEMENTS WITH THE COUNTY OF BUNCOMBE AND THE TOWN OF BILTMORE FOREST

10. Consideration was given to a resolution authorizing the Mayor of the City of Asheville to execute on behalf of the City of Asheville joint agreements with the County of Buncombe and the Town of Biltmore Forest.

The City Manager read the resolution explaining that the agreements would reflect requests of Council regarding modifications to the Zoning Map relative to the City's extraterritorial jurisdiction as well as inspections and code enforcement within the entire extraterritorial area.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 77-81 was unanimously adopted.

Complete text of Resolution No. 77-81 will be found in Resolution Book No. 9 at page 295.

Mayor Ochsenreiter opened the public hearing at 6:04 o'clock p.m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission reviewed the request of the Western North Carolina Baptist Homes, Inc. and Cecil's Leases, Inc. on May 4, 1977. He said a ruling by the Department of Human Resources re-classifying the Baptist Home to a Home for the Aging necessitated a request for rezoning the property R-3 Residential since this category would not be accommodated under the existing R-2 Residential zone. He said the Planning and Zoning Commission had recommended approval of the rezoning request since the project had received all necessary group development approvals.

Mr. Starnes, a local trustee of the Baptist Home, said no plans had changed for the type of home proposed to be built. However, the requirements of the Department of Human Resources are being complied with.

Mr. Emrick commented that the Planning and Zoning Commission had received no objections to the proposed rezoning.

Mayor Ochsenreiter closed the public hearing at 6:12 o'clock p.m.

The City Manager read the ordinance rezoning the property as requested.

Vice-Mayor Horton moved for the adoption of Ordinance No. 958. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 958 passed on first reading.

PUBLIC HEARING - ERWIN HILLS PLAZA - LEICESTER HIGHWAY

8. A public hearing was held relative to the site plan of the proposed expansion of the Erwin Hills Plaza located on Leicester Highway.

Mayor Ochsenreiter opended the public hearing at 6:15 o'clock p.m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission recommended approval of the proposed expansion subject to the following conditions:

1. That the developer provide, in addition to the 42 spaces shown, a total of 101 parking spaces. These additional spaces shall be paved and marked in accordance with Section 30-3-11, Items B of the City's Zoning Ordinance.

2. That the developer obtain permission, in writing, from the County of Buncombe to make connection to the existing sanitary sewer line on New Leicester Highway.

He said all these conditions had been satisfied.

Mayor Ochsenreiter closed the public hearing at 6:17 o'clock p.m.

The City Manager read the resolution and explained that the resolution was prepared at the direction of Council.

Logan Delany, Community Development Coordinator, explained that the resolution would amend the requirement regarding an applicant's income not to exceed $15,000 (adjusted net income) plus shelter expenses instead of the present requirement of $5,000. He said actually this would eliminate any income limitations. However, he said since this regulation had not received HUD approval and a future audit finding might encumbrance the City to pay the funds back at some late date if HUD did not approve such income limits he would recommend HUD's approval prior to enactment.

Larry Holt, Deputy Executive Director of the Asheville Housing Authority said HUD had suggested, as guidelines only, to accept the Section 235 income limits, which is 95 percent of the median income for the area or the following schedule:

	PERSONS PER FAMILY							
	1	2	3	4	5	6	7	8+
Buncombe Co.	8350	9500	10700	11900	12650	13400	14150	14900

These income limits are for "adjusted income" which is gross income less than five percent less $300 for each dependent.

It was also recommended that investor-owners meeting the above income requirements be allowed to participate in the grant program.

Mr. Holt reminded Council that these suggestions were intended to be guidelines only.

After discussion, Councilman Rainey moved to table the resolution until recommendations from staff could be obtained. This motion was seconded by Councilman Morris, which motion failed on a 3-2 vote.

After further discussion, Councilman Michael moved to adopt the resolution as read, which motion died for a lack of a second.

Vice-Mayor Horton moved to adopt the resolution and to amend the resolution by substituting the income limits as described in the Schedule for Section 235 Program as recommended, as a guideline, by HUD. This motion was seconded by Councilman Hoyle and carried on a vote of 4-1, with Councilman Michael voting "no".

Complete text of Resolution No. 77-82 will be found in Resolution Book No. 9 at page 296.

RESOLUTION NO. 77-83 - RESOLUTION REQUESTING PERMISSION FROM THE BUNCOMBE COUNTY BOARD OF EDUCATION TO MAKE CERTAIN MODIFICATIONS TO THE SHILOH SCHOOL BUILDING

14. Consideration was given to a resolution requesting permission from the Buncombe County Board of Education to make certain modifications to the Shiloh School building.

The City Manager read the resolution and explained that by lease agreement with the Buncombe County Board of Education for the lease of the Shiloh School property any major physical improvements to the property must be approved by the Buncombe County Board of Education and this resolution would request permission from the Board

ORDINANCE NO. 954 - AN ORDINANCE ESTABLISHING THE ASHEVILLE DOWNTOWN REVITALIZATION AND APPEARANCE COMMISSION

11. Consideration was given to continuing the second reading of Ordinance No. 954, an ordinance establishing the Asheville Downtown Revitalization and Appearance Commission.

Councilman Rainey moved to continue the second reading of Ordinance No. 954 until June 2, 1977. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 960 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1976-77 AND ESTABLISHING A NEW PROJECT IN THE GENERAL CAPITAL PROJECTS FUND

12. Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1976-77 and establishing a new project in the General Capital Projects Fund.

The City Manager read the ordinance and explained that this ordinance would reallocate funds for a matching grant for the purchase of an emergency standby generator at the Asheville Airport. He said FAA had requested that this generator be installed.

Vice-Mayor Horton was excused from the meeting at 6:40 o'clock p.m.

Councilwoman Swilling was excused from the meeting at 6:40 o'clock p.m.

Councilman Morris moved for the adoption of Ordinance No. 960. This motion was seconded by Councilman Rainey.

On a roll call vote of 4-0, Ordinance No. 960 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 960. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 960 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 960. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 960 passed on its third and final reading.

Complete test of Ordinance No. 960 will be found in Ordinance Book No. 7 at page 151.

Vice-Mayor Horton returned to the meeting at 6:50 o'clock p.m.

RESOLUTION NO. 77-82 - RESOLUTION AMENDING AND APPROVING PROGRAM ELIGIBILITY REQUIREMENTS IN THE ASHEVILLE COMMUNITY DEVELOPMENT REHABILITATION GRANT PROGRAM CONTRACT

13. Consideration was given to a resolution amending and approving program eligibility requirements in the Asheville Community Development Rehabilitation Grant Program contract.

BIDS - 1977-78 PAVING PROGRAM

17. Consideration was given to bids received May 23, 1977 for the 1977-78 Paving Program.

The City Manager read a memorandum from the Purchasing Agent which recommended the lowest overall bidder, Asheville Paving Company, Inc. for a total of $392,200.00. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Asheville Paving Company	$392,200.00
Paving Enterprises, Inc.	$401,512.50
Warren Brothers Company	$401,075.00

RESOLUTION NO. 77-86 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH CATHEY'S KITCHEN, INC. FOR THE OPERATION OF A SNACK BAR IN THE CITY BUILDING

18. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with Cathey's Kitchen, Inc. for the operation of a snack bar in the City Building.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 77-86 will be found in Resolution Book No. 9 at page 301.

RESOLUTION NO. 77-87 - RESOLUTION OF INTENT TO CLOSE BURTON STREET BRIDGE

19. Consideration was given to a resolution of intent to close Burton Street Bridge.

The City Manager read the resolution scheduling a public hearing on the closing of Burton Street Bridge for June 23, 1977.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 77-87 was unanimously adopted.

Complete text of Resolution No. 77-87 will be found in Resolution Book No. 9 at page 302.

CLAIM - JUDY STILLS LADSHAW

The City Manager presented a claim for reimbursement from Judy Stills Ladshaw.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

STATEMENT - E. R. McCARTHY - CITY MOTOR VEHICLES TAG

The City Manager read the following statement as requested by Mr. E. R. McCarthy:

to demolish a portion of the old building and construct a new recreational facility. He said this resolution further requests that the Board deed this property to the City of Asheville without cost for use as a neighborhood park and recreation facility.

The City Manager further advised that he had received a letter from Virgil McConnell, Chairman of the Advisory Committee for the South Asheville Community Center, stating that they were in agreement with the preliminary plans for the development of the Shiloh Community Center.

A discussion was held relative to the time schedule involved in completing the new facility.

Councilman Rainey was excused from the meeting at 7:20 o'clock p.m.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, Resolution No. 77-83 was unanimously adopted.

Complete text of Resolution No. 77-83 will be found in Resolution Book No. 9 at page 297.

RESOLUTION NO. 77-84 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN NECESSARY DOCUMENTS TO SELL THAT CERTAIN UNDIVIDED ONE-HALF (½) INTEREST IN PROPERTY LOCATED EAST OF MC-DOWELL STREET IN THE CITY OF ASHEVILLE TO THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE

15. Consideration was given to a resolution authorizing the Mayor to sign necessary documents to sell that certain undivided one-half (½) interest in property located East of McDowell Street in the City of Asehville to the Housing Authority of the City of Asheville.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 77-84 was unanimously adopted.

Complete text of Resolution No. 77-84 will be found in Resolution Book No. 9 at page 299.

RESOLUTION NO. 77-85 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY AGREEMENT WITH THE SOUTHERN RAILWAY COMPANY CONCERNING A 16-INCH WATER LINE IN ASHEVILLE, NORTH CAROLINA

16. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way agreement with the Southern Railway Company concerning a 16-inch water line in Asheville, North Carolina.

The City Manager read the resolution and explained that this is an agreement to cross Southern Railway's tracks on Haywood Street with a 16-inch feeder main which is to be installed from Patton Avenue to Smith Bridge. This main will close the 16-inch loop around the central business district and will improve fire protection. Also, this feeder main will interconnect Beaucatcher Reservoir with White Fawn supplying more water to West Asheville and the Emma section.

Upon motion of Councilman Hoyle, seconded by Councilman Morris, Resolution No. 77-85 was unanimously adopted.

Complete text of Resolution No. 77-85 will be found in Resolution Book No. 9 at page 300.

The City Manager read the resolution scheduling a public hearing on the closing of a portion of McLean Street for June 23, 1977.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 77-88 was unanimously adopted.

Complete text of Resolution No. 77-88 will be found in Resolution Book No. 7 at page 303.

REST ROOM FACILITY - EAGLE STREET

The City Manager advised that the rest room facility located on Eagle Street behind the Municipal Building would be demolished and used as a parking facility. He said the property would be posted for two weeks prior to the demolition.

CLAIM - ROBERT ALAN EVANS

The City Manager presented a claim from Nationwide Insurance on behalf of Robert Alan Evans.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

WATER METERS READ BI-MONTHLY - NOTIFICATION

Vice-Mayor Horton suggested that it might be helpful to the water consumers to put a sticker or something on their water bill to let them know the City is now reading water meters every other month.

STATEMENT - COUNCILMAN MICHAEL - REQUEST OF STATE LEGISLATORS

Councilman Michael requested that the State legislators consult the City Council before passing legislation affecting city rules, regulations and powers.

He also requested that the State legislators repeal the Sullivan Act on the basis that the City can no longer afford to supply water services at a loss outside the City limits.

Mayor Ochsenreiter said he would inform the State legislators of Councilman Michael's requests.

PASSING OF TERRY WILLIAMS - CITY PATROLMAN

Mayor Ochsenreiter, on behalf of the Asheville City Council, extended sympathy to the family of Terry Williams, a City of Asheville patrolman, who recently drowned.

RALPH BISHOP - LOTTERY

Ralph Bishop again complained to Council about the lottery sales in the City of Asheville.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

Norman D. Malcolm
CITY CLERK

Asheville City Council:

Several decades ago ABC stores were authorized locally in a referendum. One reason for the vote was the promise by that City Council to remove the requirement for city tags on motor vehicles.

Later, another city council saw fit to reinstate the tags, or a sticker, costing $1.00. Now it appears the present city council has obtained special legislation in Raleigh authorizing the city to charge $5.00 for a sticker.

At the last council meeting I brought up the question of the West Asheville race track paying only $37.50 a year in privilege taxes, as I have done for lo these many years. City Manager Michelove pointed out, quite properly, that it was rather late to raise that this year.

However, I also mentioned, again, the possibility of an admission tax. I do not have solid facts on actual attendance, in fact I doubt any one does. But, a 25¢ head tax, as is charged at the Civic Center Flea Market, would probably yield half as much as the proposed $5.00 auto sticker, possibly more. A 50¢ tax, along with the current $1.00 auto sticker, would yield more and, I am very sure, would be far more popular than the proposed $5.00 auto sticker.

If this cannot presently be done, I am sure you could get more special legislation in Raleigh to enable you to do this.

E. R. McCarthy

E. R. McCarthy,
43 Grandview Drive,
Asheville, N. C. 28806

Mayor Ochsenreiter requested that the Corporation Counsel research the legality of Mr. McCarthy's request.

RESOLUTION NO. 77-88 - RESOLUTION OF INTENT TO CLOSE A PORTION OF McLEAN STREET AND CALLING A PUBLIC HEARING ON THE QUESTION

Consideration was given to a resolution of intent to close a portion of McLean Street and calling a public hearing on the question.

Thursday - June 2, 1977 - 7:30 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Otis B. Michael

APPROVAL OF MINUTES

1. Approval of the minutes of the May 26, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the May 26, 1977 meeting were unanimously approved as submitted.

PUBLIC HEARING - REZONING - REED STREET AND FAIRVIEW STREET - ALAN AND LUCY BUTTERWORTH AND ROBERT A. AND ANN B. HARROFF

2. A public hearing was held relative to rezoning property on Reed Street and Fairview Street, from R-3 Residential District to CH Commercial Highway, property owned by Alan and Lucy Butterworth and Robert A. and Ann B. Harroff.

Mayor Ochsenreiter opened the public hearing at 7:35 o'clock p. m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, advised that the Planning and Zoning Commission reviewed the requested rezoning, to rezone Lots 25, 26, and 25-1/4 from R-3 Residential District to CH Commercial Highway District. The Planning and Zoning Commission's recommendation was that the request be approved, in part, to recommend extending the Commercial Highway zone back to the existing R-3 Residential District (as shown on the City of Asheville Zoning Map) thereby disapproving the request to rezone the rear portions of Lots 25 and 26. The reason for denying rezoning the rear portions of Lots 25 and 26 was because this could provide a point of access onto a street which will not adequately accommodate volumes of traffic created by the proposed use as well as adversly affecting adjoining residential property on Reed Street by increased traffic and noise. He said the recommendation for approving the rezoning of the front portions of Lots 25 and 26 and all of Lot 25-1/4 would not substantially increase the impact of commercial activities on residential property over what presently exists. The extension of Commercial Highway Zoning to this additional depth of fifty (50) to sixty-five (65) feet would compensate for right-of-way to be taken in 1981 for the widening of Hendersonville Road. It is projected that the right-of-way for this widening will be approximately 30 feet with a possible 50 foot construction limit on the southern portion of the property if substantial filling is required.

Mr. Emrick said as a result of protest petitions which have been submitted, the twenty percent (20%) protest rule applies to this rezoning which requires a favorable vote of three-fourths of all members of City Council for final approval.

Tuesday - May 31, 1977 - 3:00 o'clock p. m.

Special Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, J. W. Hoyle, Gene E. Rainey, City Manager K. M. Michalove, Acting City Clerk Carol Hensley.

Absent: Corporation Counsel William C. Moore, Associate City Manager/ City Clerk William F. Wolcott, Jr.

PRESENTATION OF BUDGET FOR FISCAL YEAR 1977-78

The City Manager read a prepared budget letter to members of Council highlighting details of the proposed budget. He advised that the required statement that the budget has been submitted to the governing board and is available for public inspection is being published in the Asheville Times, today May 31, 1977. He also advised that the notice stated that a public hearing relative to the budget would be held June 9, 1977 at the regular meeting of the City Council.

The proposed budget was presented to members of Council. He said if members of Council would like to obtain a copy of the line item budget to let him know.

The City Manager also presented copies of budget letters for the past two fiscal years to be reviewed by members of Council along with the budget letter for fiscal year 1977-78. He said he felt this information may be helpful to Council.

Mayor Ochsenreiter advised that Council members would begin budget work sessions as soon as possible.

The City Manager asked if Council members desired any other detailed information relative to the budget.

As requested by several members of Council, the City Manager presented budget information relative to the Parks Program, Drug and Alcohol Abuse Advisory Commission and the Interagency Narcotic Squad.

Upon inquiry of Councilwoman Swilling, the City Manager advised that Council members would review the Civic Center Budget during a work session.

Councilman Rainey said he felt there was a need to appropriate funds for the purchase of surveillance equipment for the Interagency Narcotics Squad. He said perhaps some information could be obtained relative to the equipment and it could be discussed during a work session.

Councilwoman Swilling requested that she be furnished with a copy of the line item budget for Fiscal Year 1977-78.

Adjournment.

Eugene C. Ochsenreiter
MAYOR

Miriam F. Wolcott
CITY CLERK

At the suggestion of the City Manager, Council authorized the Inspection Department to move forward with beginning enforcement by concentrating on areas of high visibility, such as Tunnel Road, Merrimon Avenue, and Patton Avenue and the various business districts before moving into the residential areas.

ORDINANCE NO. 959 - AN ORDINANCE PROVIDING FOR REVISIONS TO THE WATER RATES AND CHARGES

4. Consideration was given to the second reading of Ordinance No. 959, an ordinance providing for revisions to the water rates and charges.

Councilman Rainey said he could not support the proposed ordinance unless the revenues derived could be put into the general fund or into a capital improvement fund. He questioned 90% of the present water budget being spent in only 3/4 of a year, particularly the amount spent on telephones.

The City Manager said the money generated by a water rate increase will go to general ongoing operations as well as for capital improvements. He said the program of work included $100,000 for Winter Contingency Fund for meeting demands of another severe winter; $30,000 for a meter renewal program; $70,000 for lowering water lines,; $42,000 for fire hydrant replacement program and $50,000 for capital projects. In addition, there is approximately $737,390 in the bond account for capital improvements. He said his goal would be to put as much as possible into capital projects.

Mr. E. R. McCarthy suggested that Council ban any further water connections in the County as long as the Sullivan Act is in effect.

Councilman Morris said he felt the proposed ordinance increased the rate for industrial customers too much. He said he would perfer the 10% to 23% ratio.

Vice-Mayor Horton said he felt strongly about protecting families and individuals using the minimum water. He said their rate should not be increased. He then moved to amend Ordinance No. 959, by including Rate Schedule #3 for Steps 2 and 6 which would provide for a distribution of 10% to 26%. He said this would also taper down the increase for industry. This motion was seconded by Councilman Rainey, which motion failed on a 3-2 vote.

Mayor Ochsenreiter commented that there had been no increase in water rates for operational expenses since 1966. He said with the proposed ordinance the minimum water charge would increase from $3.00 to $3.21.

Mayor Ochsenreiter then called for a roll call vote on Ordinance No. 959, with Councilman Rainey voting "no".

On a roll call vote of 4-1, Ordinance No. 959 passed on second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 959. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 4-1, Ordinance No. 959 passed on its third and final reading, with Councilman Rainey voting 'No".

Complete text of Ordinance No. 959 will be found in Ordinance Book No. 7 at page 149 .

By the use of a map, Mr. Emrick reviewed the location of the property in question.

Alan Butterworth said the property is requested to be rezoned for redevelopment of the entire tract for a restaurant site. He said he was in agreement with the recommendation of the Planning and Zoning Commission. He said the property would be adequately buffered and landscaped to protect the residential neighborhood.

Mrs. R. B. White and Mr. Reese, residents of the area, objected to the proposed rezoning due to grading and paving involved in the project which would increase an existing water runoff problem. They commented that the drains presently located on the property are not sufficient in size to carry the present water runoff.

Mr. Emrick advised that the developer would have to comply with the Erosion and Sedimentation Ordinance involving grading and drainage on the property. He said this issue should be separated from the consideration of the rezoning of the property.

At the request of Council, Mr. Emrick reviewed the allowable uses in the Commercial Highway District.

After discussion, Mr. Emrick suggested that Council continue the public hearing until Council members have had a chance to visit the property in question.

Councilman Rainey also suggested that Mr. Butterworth obtain the efforts of a landscape architect to provide a drawing showing the proposed slope and buffering to be made on the property. He said this drawing would perhaps satisfy the objections of the adjoining property owners.

J. E. Johnson, Director of Inspections, also suggested that Mr. Butterworth work with the Sedimentation Control Officer relative to the drainage problems.

Councilman Rainey moved to continue the public hearing until questions relative to buffering and sedimentation have been answered and until Council members have had the opportunity to view the property. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 945 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Sign Regulations)

3. Consideration was given to the third and final reading of Ordinance No. 945, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended relative to sign regulations.

Mayor Ochsenreiter stated that the ordinance was previously read on first and second readings and members of Council have been furnished copies of the ordinance with all amendments thereto and the ordinance would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 945 passed on its third and final reading.

Complete text of Ordinance No. 945 will be found in Ordinance Book No. 7 at page 103 .

6. Parking areas and lots should be inventoried to see if any poles, etc. could be eliminated to make the parking easier and safer.
7. Construction of a traffic bridge over Patton Avenue at Louisiana Avenue.
8. All sewer manholes should be inspected and any excess debris should be pumped out and removed that is not disposed off through the sewage system.
9. Light the tennis court at Malvern Hills.
10. Light 191 from bridge to Intersection 40.
11. Canoe landing on French Broad river.

ORDINANCE NO. 961 - AN ORDINANCE AMENDING AND APPROVING COMMUNITY DEVELOPMENT BUDGET CHANGES SET FORTH IN THE CITY OF ASHEVILLE GENERAL FUND BUDGET 1976-77 TO COMPLETE THE SHILOH-OAKLEY PUBLIC WORKS PROJECT

8. Consideration was given to an ordinance amending and approving Community Development budget changes set forth in the City of Asheville General Fund Budget 1976-77 to complete the Shiloh-Oakley Public Works Project.

The City Manager read the ordinance and explained that the ordinance would transfer funds from projects that was over budgeted to provide the$85,000 needed to complete the Shiloh Streets and Sidewalks Project, $5,600 needed for the Oakley public works project and $11,000 needed for Shiloh streets and drainage. He said the projects over-budgeted was due to the plans being drafted in the beginning of the entire project.

The City Manager read a letter from Councilman Michael to Logan Delany, Community Development Coordinator, dated June 1, 1977, commending him for his work in the Shiloh area.

Councilwoman Swilling moved for the adoption of Ordinance No. 961. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 961 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 961. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 961 passed on second reading.

Councilwoman Swilling moved to suspend the rules and proceed to the third and final reading of Ordinance No. 961. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 961 passed on third and final reading.

Complete text of Ordinance No. 961 will be found in Ordinance Book No. 7 at page 153.

Councilwoman Swilling suggested that Council consider some of the ideas of Councilman Rainey relative to capital improvements when the work session on the water budget is held.

ORDINANCE NO. 958 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended (Property on Richmond Hill Road)

5. Consideration was given to the second reading of Ordinance No. 958, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, rezoning property on Richmond Hill Road.

Mayor Ochsenreiter stated that the ordinance was previously read on first reading and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 958 passed on its second reading.

ORDINANCE NO. 954 - AN ORDINANCE ESTABLISHING THE ASHEVILLE DOWNTOWN REVITALIZATION AND APPEARANCE COMMISSION

6. Consideration was given to continuing the second reading of Ordinance No. 954, an ordinance establishing the Asheville Downtown Revitalization and Appearance Commission.

Mayor Ochsenreiter said Council was continuing the second reading of this ordinance until Mr. Emrick and Councilmen Rainey and Hoyle could visit Lexington, Ky, in view of their downtown revitalization project.

Vice-Mayor Horton moved to continue the second reading of Ordinance No. 954 until the meeting of July 7, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

REQUESTS OF WEST ASHEVILLE BUSINESS ASSOCIATION

7. Wayne Cooper, President of the West Asheville Business Association, presented the following requests for the improvement of West Asheville:

1. Repair all sidewalks that are in poor condition.
2. Furnish a full time person to keep rubbish and debris from the main arteries in West Asheville. In years past we always had such a person until he retired.
3. Eliminate dangerous corner spots where cars exit; such as having tall shubbery cut down to a minimum height. Layout different road intersections that were proposed several years ago. Two in specific were Sulphur Springs Road and Lanvale Avenue.
4. Inventory all poles placed at the intersections of Patton and Louisiana Avenue and other intersections, and along Haywood Road, to see if any poles could be eliminated for safety reasons as well as beautification.
5. All islands should be black topped as the grass and weeds grow up and are very unsightly.

City Clerk

CERTIFICATION OF BOARD OF CANVASSERS

We, the undersigned Board of Canvassers, do hereby certify that we met in the City Hall on [illegible], 1977, and did canvass the original returns of the Superintendents of Election of the votes cast for members of the Civil Service Board by employees of the classified service, in accordance with House Bill 835 of the General Assembly of North Carolina at its 1953 Session and Ordinance No. 355 of the City of Asheville, and the following is a true and correct tabulation thereof.

CANDIDATES FOR MEMBERS OF CIVIL [illegible]	CITY HALL BUILDING	MUNICIPAL BUILDING	VALLEY STREET	TOTALS
[illegible]	2			2
[illegible]	5	2	7	14
[illegible]	31	184	115	331
Charles [illegible] Kermel	64	16	18	90
Kenneth [illegible]	7	2		9
Thomas P Gibson	49	14	9	72
[illegible]	5	4	2	11
Raymond B Stepp	47	189	131	367
Robert [illegible] Taylor	2			2
Chris [illegible]	1			1
Tony [illegible]		1		1
[illegible]			1	1
[illegible]			1	1
[illegible]			1	1
[illegible]			1	1

We, therefore, certify that pursuant to such tabulation we have judicially determined that:

FOR MEMBERS OF CIVIL SERVICE BOARD

[illegible], having received 331 votes

[illegible], having received 367 votes

and being the two highest and being qualified voters of the City of Asheville, not employed by the City, and have been duly elected members of the Civil Service Board by employees in the Classified Service, in accordance with House Bill 835 of the General Assembly of North Carolina at its 1953 Session and Ordinance

ORDINANCE NO. 957 - AN ORDINANCE ESTABLISHING THE ASHEVILLE UNIFORMED PERSONNEL RETIREMENT PLAN AND TRUST

9. Consideration was given to the third reading of Ordinance No. 957, an ordinance establishing the Asheville Uniformed Personnel Retirement Plan and Trust.

Mayor Ochsenreiter advised that the ordinance was previously read on first and second readings and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

The City Manager advised that at last week's Council meeting several sections of the ordinance were found to be unclear and the Personnel Director is checking with the actuary consultant regarding these areas. He suggested that Council continue the third reading of this ordinance until the consultant could check on these particular areas.

Councilman Rainey expressed concern about the sections dealing with the City's right to terminate the plan and discontinue its contributions. He said members of the legislative delegation as well as members of the Fire Department had expressed concern regarding these sections. He suggested that the Personnel Director investigate the possiblity of deleting these particular sections.

John Young, Fire Department representative, said there were several sections of the plan that were unclear. He said a complete review is needed prior to final adoption.

Mr. Young, in particular referred to the sections dealing with the city's right to terminate, the percentage to be paid when retired, and the break in employment area.

Councilwoman Swilling, who serves on the Board of Trustees for the plan, said she could not vote for the ordinance until it is totally understood by the members of both the police and fire department.

Councilman Morris moved to continue the third reading of Ordinance No. 957 until June 9, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

REPORT OF CIVIL SERVICE BOARD ELECTION

10. The City Manager advised that the Civil Service Board Election for the members of the Civil Service Board to be voted on by the members of the Classified Service was held on May 22, 1977. He said as a part of that procedure the certified results are to be presented to members of Council.

The City Manager presented the following certification of results of the Civil Service Board Election:

We, therefore, certify that pursuant to such tabulation we have judicially determined that:

FOR MEMBERS OF CIVIL SERVICE BOARD

[redacted], having received 331 votes

[redacted], having received 367 votes

and being the two highest and being qualified voters of the City of Asheville, not employed by the City, and have been duly elected members of the Civil Service Board by employees in the Classified Service, in accordance with House Bill 835 of the General Assembly of North Carolina at its 1953 Session and Ordinance 355 of the City of Asheville, for a term of two years.

BOARD OF CANVASSERS

CITY COUNCIL APPOINTMENT TO THE CIVIL SERVICE BOARD

11. Mayor Ochsenreiter advised that M. M. Avery had requested that Council replace him as a member of the Civil Service Board.

Councilman Hoyle moved that Osborne Hart be appointed as a Council appointee to the Civil Service Board. This motion was seconded by Vice-Mayor Horton and carried unanimously.

RESOLUTION NO. 77-89 - RESOLUTION REGULATING THE INSTALLATION AND ERECTION OF MARQUEES, AWNINGS, CANOPIES, (FIXED AND MOVABLE) OVER PUBLIC PROPERTY, INCLUDING POSTS, PIERS, AND COLUMNS FOR SAME

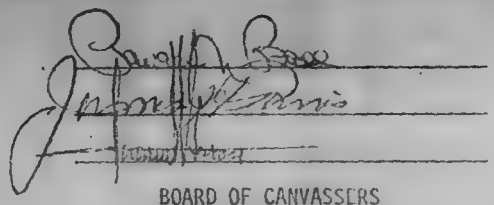
12. . Consideration was given to a resolution regulating the installation and erection of marquees, awnings, canopies, (fixed and movable) over public property, including posts, piers, and columns for same.

The Associate City Manager read the resolution.

J. E. Johnson, Director of Inspections, said these regulations would give uniformity in the downtown business district.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 77-89 was unanimously adopted.

355 of the City of Asheville, for a term of two years.



BOARD OF CANVASSERS

City Clerk

CERTIFICATION OF BOARD OF CANVASSERS

We, the undersigned Board of Canvassers, do hereby certify that we met in the City Hall on May 27 1977, and did canvass the original returns of the Superintendents of Election of the votes cast for members of the Civil Service Board by employees of the classified service, in accordance with House Bill 835 of the General Assembly of North Carolina at its 1953 Session and Ordinance No. 355 of the City of Asheville, and the following is a true and correct tabulation thereof.

CANDIDATES FOR MEMBERS OF CIVIL SERVICE BOARD	CITY HALL BUILDING	MUNICIPAL BUILDING	VALLEY STREET	TOTALS
H. W. Swearingen		1		1
Charles Morris		1		1
Tom Stepp		1		1
Mr Pratt		1		
Tony Metcalf			1	1
Joseph W Rowe	1	15	4	16
Dennis Lankford		6		6
Mary Lankford		1		1
Dennis		1		1
R. H. Mitchell			1	1
Ray Payne			1	1
Wells			1	1
Jim Lance		1	1	1
Parker			1	1
Ray Payne			2	2
J Taylor			1	1
C. Lance			1	1
George Smith			1	1
Gordon Taylor			1	1
Ray Taylor		2		2
Joseph Leonard		1		1
Smith		1		1
W. Morris		1		1
L. Harrison		1		1

The City Manager suggested that Council establish a policy to eliminate this public service as of July 1, 1977, except for funeral escorts. He said he felt this would be in the best interest of the Police Department. He said notification of this elimination of public service would be given to the businesses now being served.

Councilman Hoyle moved to eliminate escort services being provided by the Police Department except for funeral escorts effective July 1, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

Councilman Morris suggested that the matter of funeral escorts also be investigated to determine whether a fee could be charged or whether a private agency could handle these funeral escort services.

BRUSH AND WEED CONTROL PLAN

The City Manager suggested that Council consider a plan to mail out bulk-rate letters to all households in the City of Asheville, explaining what is required, by ordinance, to control brush and weeds in the City, particularly on on vacant lots. He said the letter would require the clearing of vacant lots at least twice a year - on June 1 and September 30 of each year. He said the cost of mailing out these letters would be $1,850.00 which could be covered without a new appropriation. He said he felt the impact of these letters would encourage people who have vacant lots to have them cleared. He said along with the mail out, present staff in the Inspections Department would be assigned to deal only with this activity during specific times of the year.

Councilman Rainey requested that the plan be postponed for at least two weeks. He said he would like to discuss the details of the plan with the City Manager before finalizing the mail-out letter.

COMMENTS - REPORT OF "STATUS OF WOMEN"

Councilman Rainey said he had been approached by a local minister who was concerned over a statement made in the recent report given for the Status of Women. The statement in the report stated that "in the minds of some, there are roles so closely associated with maleness that it is not preceived as discrimination when such a role is denied to women." He said the minister was concerned that the City might consider doing something about imposing women ministers on his church of which he did not approve.

Councilman Rainey said he had studied the report and found nothing at all in the contents of the recommendation which attempted to tear down separation of church and state and he felt there was no intention on the part of the Status of Women group to approach church and state relations in this way.

Councilwoman Swilling agreed with the comments made by Councilman Rainey, assuring that no intentions were made in the direction of separating church and state relations.

Adjournment.

MAYOR

CITY CLERK

BIDS - ELECTRONIC CASH REGISTER FOR COLLECTOR OF REVENUE

13. Consideration was given to bids received May 9, 1977 for an electronic cash register for the Collector of Revenue.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Cash Register Systems, Inc. in the amount of $2,645.10.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent awarding the bid to the low bidder, Cash Register Systems, Inc. in the amount of $2,645.10. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Cash Register System, Inc.	$2,645.10
NCR Corporation	3,752.25
Check Out Systems, Inc.	3,269.00

RESOLUTION NO. 77-90 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AN AGREEMENT WITH THE NORTH CAROLINA ARTS COUNCIL

14. Consideration was given to a resolution authorizing the City Manager to sign an agreement with the North Carolina Arts Council.

The City Manager read the resolution and explained that the purpose of the agreement is to permit a theatre group to work under the direction of Oralene Simmons, Recreation Activity Leader at Livingston Street Center, to provide theatre presentation opportunities in the community. He said this grant was received last year and would be at no cost to the city. The local match would be through in-kind services.

Upon motion of Councilman Rainey, seconded by Councilman Morris, Resolution No. 77-90 was unanimously adopted.

Complete text of Resolution No. 77-90 will be found in Resolution Book No. 9 at page 307.

POLICE ESCORT SERVICES - DISCONTINUED

15. The City Manager advised that a study had been made on the number of escort services being provided by the Police Department as a public service. He said as a result of this study it was determined that during the month of March, 1977, 427 calls were made for escort services to various retail stores and restaurants for taking deposits to the banks. He said 18 of these calls were for funeral escorts. The time spent in the escorts amounted to 108 hours or over 2-1/2 weeks of work at 40 hours per week. In April, 1977 the Police Department answered 457 calls for escort services amounting to 103 hours or over 2-1/2 weeks of work. He said this escort service is tying up the patrol cars needed on patrol in residential and business districts. It was further determined that some of the break-ins were occuring during the escort time which is generally between the hours of 10:00 p. m. and midnight.

ORDINANCE NO. 958 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended (Property on Richmond Hill Road)

4. Consideration was given to the third and final reading of Ordinance No. 958, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, rezoning property on Richmond Hill Road.

Mayor Ochsenreiter stated that the ordinance was previously read on first and second readings and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 958 passed on its third and final reading.

Complete text of Ordinance No. 958 will be found in Ordinance Book No. 7 at page 148.

ORDINANCE NO. 957 - AN ORDINANCE ESTABLISHING THE ASHEVILLE UNIFORMED PERSONNEL RETIREMENT PLAN AND TRUST

5. Mayor Ochsenreiter suggested that Council continue the third reading of Ordinance No. 957, an ordinance establishing the Asheville Uniformed Personnel Retirement Plan and Trust, for further clarification.

Councilman Morris moved to continue the third reading of Ordinance No. 957, until the June 16, 1977 meeting. This motion was seconded by Councilman Hoyle and carried unanimously.

PUBLIC HEARING - BUDGET FOR FISCAL YEAR 1977-78

ORDINANCE NO. 962 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1977-78

6. A public hearing was held relative to the City of Asheville Budget for Fiscal Year 1977-78.

Mayor Ochsenreiter opened the public hearing at 3:20 o'clock p. m.

The City Manager advised that the public hearing is held to give the public an opportunity to comment on the budget process.

Vice-Mayor Horton expressed that, even though the budget is balanced with no tax increased proposed, he was concerned with the fact that the $1.4 million in Revenue Sharing Funds was used for continuing operations. He said this alone would represent 21.9¢ on the tax rate. He said this places the city in a very undesirable position, particularly if and when these federal funds are eliminated. He said new sources of revenue need to be sought as well as revising expenditures to reduce the dependency on Revenue Sharing Funds for operations.

Mayor Ochsenreiter said he was concerned with the City's financial responsibility. Referring to the City Manager's budget letter, he said a number of important but unaffordable projects were being left out such as an unpaved

Thursday - June 9, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman JoAnn M. Swilling and Councilman Otis B. Michael

APPROVAL OF MINUTES

1. Approval of the minutes of the June 2, 1977 meeting.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, the minutes of the June 2, 1977 meeting were unanimously approved as submitted.

ASHEVILLE AREA MAYOR'S COMMITTEE ON EMPLOYMENT OF THE HANDICAPPED AWARDS PROGRAM

2. Mr. Richard Hurley, Co-Chairman of the Mayor's Committee on Employment of the Handicapped, explained the functions of the Committee. Mayor Ochsenreiter presented awards to the following:

Jane Kirby - Pharmacist at Eckerd's Tunnel Road Store
Homer Fox - Employee of New Found Yarns
Nancy McKinney - Employee of Square D Company
June Bearden- Employee of Three Mountaineers, Inc.
David Hollifield- 1977 Graduate of Enka High School
Randy Crane - 1977 Graduate of the Orthopedic School

PUBLIC WORKS GRANTS RECEIVED

Mayor Ochsenreiter said that an announcement had been received from U. S. Rep. Lamar Gudger and U. S. Sen. Robert Morgan stating that the U. S. Economic Development Administration had made available to the City of Asheville $847,000 in federal public works grants. He said as a result of the grants, the 1977-78 budget currently under consideration would be reviewed in an effort to put some projects back in that were left out for lack of funds.

Verl Emrick, Planning Director, said projects to be considered under the grant program included a fire station for West Asheville, a new bridge over a railroad track on Deaverview Road, a new water line over Patton Avenue and Smith Bridge, and the Smith Mill Creek Sewer problem.

REPORT - METHOD OF DISTRIBUTION OF STATE TAX REVENUES - POSTPONED

3. Vice-Mayor Horton said the report that was to have been presented this week concerning the method of distribution of state tax revenues to the City and County had to be postponed due to new developments that needed to be pursued. He said the report would be made at a later date.

BIDS - ESTIMATED SIX (6) MONTHS REQUIREMENTS FOR CAST IRON WATER MAIN FITTINGS AND VALVES

7. Consideration was given to bids received May 31, 1977 for an estimated six (6) months requirements for cast iron water main fittings and valves.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the lowest over-all bid submitted by Supply Specialties, Inc., totalling $19,607.23. He said the bids are based on estimated six (6) months requirements beginning July 1, 1977 through December 30, 1977 and orders would be issued on an as-needed basis.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to Supply Specialties, Inc. for a total amount of $19,607.23. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
Supply Specialties, Inc.	$19,607.26
ITT Grinnel Corp.	19,663.20
Davis Meter and Supply	26,806.72
Southern Meter & Supply Co.	21,836.20

BIDS - ONE (1) PICK-UP AND TWO (2) DUMP TRUCKS FOR SANITATION DIVISION

8. Consideration was given to bids received June 7, 1977 for one (1) pick-up and two (2) dump trucks for Sanitation Division.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the bid of Matthews Motors, Inc. who submitted the only bid on Item 1 at $3,721.65 and lowest bid on Item 2 in the amount of $15,803.12.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to Matthews Motors, Inc. for Item No. 1 in the amount of $3,721.65 and Item 2 in the amount of $15,803.12. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

	Bid	
Bidder	Item 1	Item 2
Arrowhead International Trucks, Inc.	No Bid	$16,069.88
Matthews Motors, Inc.	$3,721.65	15,803.12
Apple Tree Chevrolet	No Bid	No Bid
Dorato Motors, Inc.	No Bid	No Bid

RESOLUTION NO. 77-91 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCRAOCHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR AN 16-INCH WATER LINE ON STATE ROAD 3523 (CLINGMAN AVENUE)

9. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for an 16-inch water line on State Road 3523 (Clingman Avenue).

street paving program, sidewalk paving program in the business districts, improvements to the City Building to bring the building up to state and OSHA standards, as well as funding of a drainage, animal and weed control program. He said the City also is faced with providing $834,000 annually for the funding of the new policemen's and firemen's pension plans. Next to the debt service incurred during the Depression this is the largest single debt item ever incurred by the City of Asheville. He said the philosophy of using General Revenue Sharing Funds to balance the budget and eliminate the need for a tax increase will seriously affect the decisions of future City Councils.

The Mayor suggested that, in order not to place future Councils in a predicament by failing to provide now for the city's long-range needs, a five-cent tax increase should be considered. He suggested that a Capital Fund Investment Trust be established to provide funding for important long-range projects. He noted that several other sources of revenue would be favorable affected by a tax increase such as the local option sales tax revenue, which in 1975-76 suffered a loss of revenues because the county's tax base increased by a percentage almost double that of the City

Mayor Ochsenreiter compared the amount a citizen's tax bill would increase if a five-cent tax increase is adopted.

Mr. G. M. Taylor of 52 Clinton Avenue interrupted the public hearing to complain of brush not being picked up.

Mayor Ochsenreiter informed Mr. Taylor his problem would be taken care of.

Councilman Rainey commented that he could not support a tax increase. He said he felt these problems could be solved in other ways. He said he felt the City needed to use the Revenue Sharing Trust funds to their full extent, before implementing a tax increase.

Councilman Hoyle also commented that he could not support a tax increase, stating that economies could be accomplished by cutting the size of the city staff.

Councilman Morris agreed with Mayor Ochsenreiter regarding the need for a tax increase stating that deferring millions of dollars worth of purchases and projects that don't have to be purchased this year but are going to have to bought in years to come would be placing a heavy burden on the taxpayers at a later date. He said they would have to pay for this Council's mistake of using Revenue Sharing funds for operational expenditures.

Ralph Bishop said he could see no reason for the Police Department employees to receive a pay increase for work they do not perform.

Mayor Ochsenreiter closed the public hearing at 4:06 o'clock p. m.

The City Manager read the ordinance relative to the budget for fiscal year 1977-78.

Councilman Hoyle moved for the adoption of Ordinance No. 962. This motion was seconded by Councilman Rainey.

On a roll call vote of 4-0, Ordinance No. 962 passed on first reading.

Thursday - June 16, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Councilwoman JoAnn M. Swilling, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of the minutes of the June 9, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, the minutes of the June 9, 1977 meeting were unanimously approved as submitted.

PUBLIC HEARING - ZONING AMENDMENTS - EXTRATERRITORIAL ZONING JURISDICTION

ORDINANCE NO. 963 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held relative to amendments to the Zoning Ordinance regarding the City's extraterritorial jurisdiction.

Mayor Ochsenreiter opened the public hearing at 3:01 o'clock p.m.

The City Manager advised that notice to the public had been given regarding the time and date for the public hearing. He presented the affidavit of publication.

Verl Emrick, Planning Director, said for some time now the City has been discussing possible amendments to the City's jurisdiction within the extraterritorial area or the area more commonly referred to as the one-mile. He said Council had passed a subsequent resolution authorizing the Mayor and the Chairman of the County Commissioners to sign mutual agreements which would accomplish the amendments the boards wish to make in the jurisdictional area. He said the purpose of this public hearing is to amend the City's Zoning Ordinance, Ordinance No. 322, Section 30-1-3, Jurisdiction, and 30-4-1, Use Districts. This would accomplish the restrictions of the boundary that have been mutually agreed upon by all governing bodies involved. As presently worded, the Zoning Ordinance applies within the City limits and for a distance of one mile beyond in all directions. The proposed amendment would remove the reference to the area one mile beyond the city limits, referring instead to the territory beyond the corporate limits as shown on the City's "Official Zoning Map."

Mr. Emrick said in the mutual agreement to be signed by all parties it indicates that the City of Asheville will on July 1, 1977 relinquish all the inspection functions for the City within the extraterritorial area or that portion of the jurisdiction outside the corporate limits. However, the City would exercise zoning control in the area. By the use of a colored map, Mr. Emrick described the boundaries of the proposed revised jurisdictional area. He said these boundaries follow visible landmarks as mush as possible in order to make the area more readily identifiable.

The proposed boundary has been presented to each of the governmental bodies, he said, and is agreeable to all parties. If any changes are made in the proposed boundary, by the Asheville City Council,the changes would have to be mutually agreed upon by each of the parties involved.

The City Manager read the resolution explaining that the encroachment was for a 16-inch water line to go down Clingman Avenue to be known as Patton Avenue Smith Bridge Feeder.

Upon motion of Councilman Rainey, seconded by Councilman Morris, Resolution No. 77-91 was unanimously adopted.

Complete text of Resolution No. 77-91 will be found in Resolution Book No. 9 at page 308.

RESOLUTION NO. 77-92 - RESOLUTION OF INTENT TO CLOSE A PORTION OF INGLEWOOD ROAD AND CALLING A PUBLIC HEARING ON THE QUESTION

10. Consideration was given to a resolution of intent to close a portion of Inglewood Road and calling a public hearing on the question.

The City Manager read the resolution scheduling the date for the public hearing for July 14, 1977.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton Resolution No. 77-92 was unanimously adopted.

Complete text of Resolution No. 77-92 will be found in Resolution Book No. 9 at page 309.

RALPH BISHOP - COMPLAINS OF POLICE DEPARTMENT

Mr. Ralph Bishop again complained to Council that the Police Department would do nothing about the lottery sales in Asheville.

After discussion, Mayor Ochsenreiter suggested that Mr. Bishop meet with the Corporation Counsel for any legal interpretations of the Code regarding investigations of any individuals in the Police Department.

Mayor Ochsenreiter instructed the Corporation Counsel to advise Council of any legal opinions that is given to Mr. Bishop.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

Miriam L. Holcomb
CITY CLERK

Councilwoman Swilling stated her strong belief that the Civil Service Board needs a woman on it to represent the women employees.

Councilwoman Swilling also noted that the Mayor had received a letter from Max O. Cogburn, Chairman of the Buncombe County Democratic Executive Committee, stating that the committee had gone on record in support of Mrs. Gunter's appointment at its June 11 meeting.

Councilman Michael objected to the letter, stating that he felt it was in bad taste for the Buncombe County Democratic Executive Committee to make such an endorsement. Councilman Michael then offered an alternative nomination, that of Sister Mary Veronica Schumacher. This nomination was seconded by Councilman Morris.

Councilman Morris said he did not feel Council should support the appointment of an individual the other members had dead-locked on.

Vice-Mayor Horton agreed, stating that if Council were to choose between the two persons over whom the other four had deadlocked, Council would be creating more problems.

Vice-Mayor Horton moved that the nominations be closed. This motion was seconded by Councilman Michael.

Mayor Ochsenreiter called for a roll call vote requesting that Councilmembers state their preference of Mrs. Lucille Gunter or Sister Mary Veronica Schumacher for the fifth member of the Civil Service Board.

On a roll call vote of 4-3, Sister Mary Veronica Schumacher was appointed as a member of the Civil Service Board with Councilwoman Swilling, Councilmen Hoyle and Rainey voting for Mrs. Lucille Gunter and Mayor Ochsenreiter, Vice-Mayor Horton, Councilmen Michael and Morris voting for Sister Mary Veronica Schumacher.

PUBLIC HEARING - SWIMMING POOL STANDARDS

5. A public hearing was held relative to the adoption of an ordinance establishing standards governing the design, construction, and maintenance of public and residential swimming pools.

Mayor Ochsenreiter opened the public hearing at 4:01 o'clock p. m.

The City Manager advised that notice to the public had been given regarding the time and date for the public hearing. He presented the affidavit of publication.

Lyman R. Marshall, 10 Northwood Road, spokesman for a group of residents living in the Northwood Road area, told Council there were 40 small children living within 700 feet of an unfenced swimming pool. He appealed to Council for the adoption of an ordinance requiring the fencing of swimming pools.

J. E. Johnson, Division of Inspections, advised that the proposed ordinance was presently being enforced except for the fencing requirement.

Mayor Ochsenreiter closed the public hearing at 4:16 o'clock p. m.

Mayor Ochsenreiter advised that the first reading of the ordinance would be held at the June 23, 1977 meeting.

Vice-Mayor Horton commented that he was not aware that the City was giving up almost all of the one-mile perimeter in the east and a good portion in the west. He questioned whether this extreme pull back was in the best interest of the City of Asheville.

Councilman Rainey requested the Planning Staff to consider a slight change in the boundary in the Leicester Highway area. He requested that the County Commissioners be contacted regarding the change.

Mayor Ochsenreiter closed the public hearing at 3:20 o'clock p. m.

The City Manager read the ordinance amending the Zoning Ordinance to reflect amendments in the Jurisdiction and Use Districts in the Extraterritorial area.

Councilman Rainey moved for the adoption of Ordinance No. 963. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 963 passed on its first reading.

Vice-Mayor Horton said he would like to see the boundary amended before the final reading.

NORTH ASHEVILLE BOOSTER CLUB - REQUEST FOR PARK

3. Mr. James Moody of the North Asheville Booster Club, along with a delegation of the club, made a second plea to Council for the establishment of a Babe-Ruth size ballpark at the city-owned "Swain property" on Kimberly Avenue next to the Ira B. Jones Elementary School. He said they were making this second plea because it was their understanding that the funds for the establishment of such a park had been cut out of the budget. He commented that at one time the Parks and Recreation Department had made a study on developing this property for park purposes.

Councilman Rainey requested that Council be furnished a copy of the study made by the Parks and Recreation Department.

Councilman Michael requested that the group also ask the County of Buncombe to help with such a project.

Mayor Ochsenreiter informed Mr. Moody that Council would review their request in hopes of finding other sources of revenues to fund such a project.

APPOINTMENT TO CIVIL SERVICE BOARD - SISTER MARY VERONICA SCHUMACHER APPOINTED

4. It was noted that ordinarily the fifth member of the Civil Service Board is chosen by the other four, two of whom are elected by the City employees and two of whom are appointed by Council. However, at the June 6 meeting held for the purpose of choosing the fifth member, the four members deadlocked 2-2. The four had the option of trying again at a later time to reach an agreement, but it was decided that such an agreement would be unlikely. Therefore, under the City's Civil Service law, the decision was passed to City Council.

Councilwoman Swilling nominated Mrs. Lucille Gunter as the fifth member of the Civil Service Board. This nomination was seconded by Councilman Rainey.

RESOLUTION NO. 77-94 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT WITH ILIUM ASSOCIATES TO CONDUCT A MARKETING STUDY FOR THE ASHEVILLE TRANSIT AUTHORITY

10. Consideration was given to a resolution authorizing the Mayor to sign a contract with Ilium Associates to conduct a marketing study for the Asheville Transit Authority.

The City Manager read the resolution.

Upon motion of Councilwoman Swilling, seconded by Councilman Morris, Resolution No. 77-94 was unanimously adopted.

Complete text of Resolution No. 77-94 will be found in Resolution Book No. 9 at page 312.

BEECH STREET - COMPLAINTS OF RESIDENTS

11. Mr. Anderson and Mr. Young of 36 and 40 Beech Street, complained to Council about the street being torn up with large amounts of concrete being on the street denying them access to their houses. They also complained of not having their garbage picked up in two months.

Mr. Ed Ledford, of the Housing Authority, was requested to investigate these complaints and to work on solving the problems.

The City Manager advised that the garbage problem had been taken care of.

RESOLUTION NO. 77-95 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ACQUIRE A RIGHT-OF-WAY EASEMENT FROM WILLIAM ERWIN PAYNE FOR AN 8-INCH SEWER LINE BETWEEN TAFT AND HAMPTON STREET, ASHEVILLE, NORTH CAROLINA

12. Consideration was given to a resolution authorizing the City Manager to acquire a right-of-way easement from William Erwin Payne for an 8-inch sewer line between Taft and Hampton Street, Asheville, North Carolina.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilman Morris, Resolution No. 77-95 was unanimously adopted.

Complete text of Resolution No. 77-95 will be found in Resolution Book No. 9 at page 313.

BIDS - DIESEL TRACTOR FOR PARKS AND RECREATION DEPARTMENT

13. Consideration was given to bids received June 10, 1977 for a diesel tractor for the Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Farm Equipment Company in the amount of $7,995.00.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, the bid of Farm Equipment Company in the amount of $7,995.00 was accepted for a diesel tractor for the Parks and Recreation Department.

PUBLIC HEARING - CLOSING OF TWO (2) UN-NAMED ALLEYS -EAST RIVERSIDE REDEVELOPMENT PROJECT N. C. R-48

RESOLUTION NO. 77-93 - RESOLUTION TO CLOSE TWO (2) UNNAMED ALLEYS

6. A public hearing was held relative to the closing of two (2) unnamed alleys in the East Riverside Redevelopment Project N. C. R-48.

Mayor Ochsenreiter opened the public hearing at 4:25 o'clock p. m.

The City Manager advised that notice to the public had been given regarding the time and date for the public hearing. He presented the affidavit of publication. He also presented an affidavit from Charles E. Vess stating that the alleys were prominently posted with copies of the notice to close.

Ed Ledford, with the Housing Authority, explained that the closing of these alleys is in keeping with the original plan of the East Riverside Redevelopment Project N. C. R-48.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, Resolution No. 77-93 was unanimously adopted.

Complete text of Resolution No. 77-93 will be found in Resolution Book No. 9 at page 310 .

ORDINANCE NO. 962 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1977-78

7. Councilman Morris moved to continue the second reading of Ordinance No. 962 until the June 23, 1977 meeting. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 957 - AN ORDINANCE ESTABLISHING THE ASHEVILLE UNIFORMED PERSONNEL RETIREMENT PLAN AND TRUST

8. Councilwoman Swilling moved to continue the third reading of Ordinance No. 957 until the June 23, 1977 meeting. This motion was seconded by Councilman Hoyle and carried unanimously.

SIGN PERMIT - LA CHATEAU STEAK HOUSE

9. The City Manager advised that on June 8, 1977 an application was made for a sign permit for the LaChateau Steakhouse located at 39 Elm Street and in accordance with Ordinance No. 322, being the Zoning Ordinance of the City of Asheville, Section 30-3-14, all signs erected within six hundred (600) feet of the right of way of any limited access highway shall be approved by the City Council.

Councilman Morris moved for the approval of the sign permit for the LaChateau Steakhouse located at 39 Elm Street. This motion was seconded by Councilman Hoyle and carried unanimously.

Annual bid prices for the coming year are substantially reduced - especially Chlorine going from: Fiscal Year 76-77 price at $15.00 per hundred weight, to: $8.25 per hundred weight in the new bid. The over-all potential savings, based on estimated quantities of the bid, is $20,353.00 as shown below.

Price Comparisons:

Item No.	Description	Old Price 76-77 F.Y.	New Price This Bid	Cost Based on Bid Quantity Old Price	New Price	Savings
1	Chlorine	15.00 CWT	8.25 CWT	36,000	19,800	$16,200.00
2	Caustic Soda	8.42 CWT	7.99 CWT	38,732	36,754	1,978.00
3	Liq. Hydroflu. Acid	65.00 Ton	2.709 CWT	11,050	9,211	1,839.00
4	Dry Zinc Polyphosphate	38.04 CWT	37.76 CWT	45,648	45,312	336.00
						$20,353.00

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent as above stated. This motion was seconded by Vice-Mayor Horton and carried unanimously.

A complete bid summary is on file in the Office of the City Clerk.

RESOLUTION NO. 77-96 - RESOLUTION REQUESTING THAT THE COUNTY OF BUNCOMBE ASSUME THE FINANCIAL AND ADMINISTRATIVE SUPPORT OF THE BUNCOMBE COUNTY LIBRARY SYSTEM

15. Consideration was given to a resolution requesting that the County of Buncombe assume the financial and administrative support of the Buncombe County Library System.

The City Manager read the resolution.

Councilman Rainey moved that the resolution be amended to implement a five year program of work to be established by the City of Asheville and the County of Buncombe whereby the County of Buncombe shall assume all of the fiscal and administrative responsibilities of the Library System instead of a three year program. This motion died for the lack of a second.

Bid Summary

Bidder	Bid
Farm Equipment Company	$7,995.00
Bruce Construction Machinery Co.	9,990.32
Arden Equipment Company	No Bid

BIDS - CHEMICALS FOR TREATMENT OF WATER, FISCAL YEAR JULY 1, 1977 - JUNE 30, 1978

14. Consideration was given to bids received June 7, 1977 for chemicals for treatment of water for fiscal year July 1, 1977 through June 30, 1978.

The City Manager read a memorandum from the Purchasing Agent which recommended award on a per item basis to the low bidder as follows:

Thompson-Hayward Chemical Company, Thomasville, N.C.

Item 1: Liquid Chlorine - Approximately 240,000 Pounds
@ $8.25/CWT (price firm for one year)

Item 2: Caustic Soda, 50% - Approximately 460,000 Pounds
@ $7.99/CWT (price firm for 90 days)

Jones Chemicals, Inc., Charlotte, N.C.

Item 3: Liquid Hydrofluosilic Acid - Approximately 340,000 Pounds
@ $2.709/CWT (price firm for one year)

Calgon Corporation, Pittsburgh, PA

Item 4: Dry Zinc Polyphosphate
@ $39.95 per CWT (10,000# Minimum Shipments)
$37.90 per CWT (30,000# Minimum Shipments)
$37.76 per CWT (40,000# Minimum Shipments)*

*(Our buying will be maximum shipments at minimum prices)

Notes:

(1) All quantities are estimated for the year. City of Asheville purchase orders will be placed on an as-needed basis.

(2) Cost all items recommended - $113,705.00

(3) Budget: Chemical and Laboratory Supplies - Account No. 30-751.0032 (requested in new budget) $148,000.00. Requested amount includes Liquid Polymer and Liquid Aluminum Sulfate to be purchased at a future date).

PROCLAMATION - NATIONAL TENNIS WEEK - JUNE 18 -26, 1977

Mayor Ochsenreiter proclaimed the week of June 18-26, 1977 as National Tennis Week.

RUFUS BETHEA - 23 LINCOLN STREET - COMPLAINT RE: DIRT EAGLE

Rufus Bethea , of 23 Lincoln Street, appeared before Council requesting that guard rails, pavement and fencing be installed on the dirt part of Eagle Street. He also requested that lighting be installed on the street.

Mayor Ochsenreiter informed Mr. Bethea that this project would be included in the Community Development Program beginning July 1, 1977.

RALPH BISHOP - REQUESTING INTERPRETATION OF CITY CHARTER

Ralph Bishop ask the Corporation Counsel if Section 38 of the Charter Appendix excluded the Civil Service Commission from investigating the City Manager or the City Council.

The Corporation Counsel requested that Mr. Bishop put his question in writing for more clarification of his request.

TRIP TO LEXINGTON, KY - RE: DOWNTOWN REVITALIZATION

Mayor Ochsenreiter thanked Councilmen Rainey and Hoyle and Planning Director Verl Emrick for going to Lexington, Ky. to obtain more information on the City's proposed downtown revitalization efforts.

PETITION - RESIDENTS OF NORTH ASHEVILLE - DOGS

Councilwoman Swilling presented to the City Manager a petition from the residents of North Asheville requesting that something be done about the dogs roaming in the neighborhood. She said the petition contained some 15 to 20 names. She asked the City Manager to review the petition and make recommendations to Council on the procedure that can be followed to begin solving this problem.

Councilman Michael asked the City Manager to furnish information on how many dogs are picked up by the Police Department each day.

Adjournment.

Eugene C. Ochsenreiter Jr.
MAYOR

William J. Maloney
CITY CLERK

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 77-96 was unanimously adopted.

Complete text of Resolution No. 77-96 will be found in Resolution Book No. 9 at page 314.

RESOLUTION NO. 77-97 - RESOLUTION OF INTENT TO CLOSE AN ALLEY AND CALLING A PUBLIC HEARING ON THE QUESTION (Connecting Lexington Avenue and Carolina Lane)

16. Consideration was given to a resolution of intent to close an alley connecting Lexington Avenue and Carolina Lane and calling a public hearing on the question.

The City Manager read the resolution scheduling the public hearing for July 21, 1977.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 77-97 was unanimously adopted.

Complete text of Resolution No. 77-97 will be found in Resolution Book No. 9 at page 316.

BIDS - ONE (1) MULTI STATION GYM MACHINE WITH 16 STATIONS

17. Consideration was given to bids received June 16, 1977 for one (1) multi station gym machine with 16 stations.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Sports World of Asheville, Inc. in the amount of $3,585.00.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Sports World of Asheville, Inc. in the amount of $3,585.00. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
Sports World of Asheville	$3,585.00
Professional Gym, Inc.	3,620.00
Athletic House	3,595.00

CIVIC CENTER CONTRACT

The City Manager announced that for several years now the City has been under a construction contract agreement with Ranger Construction Company on the completion of the Civic Center and the Auditorium area. He said the City was nearing completion of that agreement and in order to protect the City's interest on the completion of various items he was requesting the attorneys that have been working on the project, Patla, Straus, Robinson and Moore and Harold K. Bennett to continue their work in overseeing the completion of the work.

PUBLIC HEARING - CLOSING PORTION OF McLEAN STREET

RESOLUTION NO. RESOLUTION TO CLOSE McLEAN STREET

4. A public hearing was held relative to closing a portion of McLean Street.

Mayor Ochsenreiter opened the public hearing at 3:12 o'clock p. m.

The City Manager advised that the legal notice had been given to the public relative to the time and date for the public hearing. He presented an affidavit of publication and stated that the street was duly posted with copies of the Resolution of Intent to close. He also presented an affidavit stating that adjacent property owners were notified of the public hearing.

Verl Emrick, Planning Director, said the portion of McLean Street in question is an extension of a closing of McLean Street that was accomplished by Council in February, 1977, by Resolution No. 77-28. He said it would be the Planning Staff's recommendation to close the street as there would be no further use of the street. He said Mr. Paul Goodman owns the adjoining property.

Col. Henry A. Kreizer, spokesman for Mrs. Peggy Meech, who owns property in the area, said she strongly objects to the closing of the street in question. He said due to Mrs. Meech's declining health she may be forced to sell her property which the closing of McLean Street would adversly affect. He said the closing of McLean Street, by Resolution No. 77-28, blocked ingress and egress to Mrs. Meech's property. He said she would urge Council to leave the road as is. He said if Council adopts the proposed resolution he would request that Council rescind Resolution No. 77-28.

Mr. Paul Goodman, owner of property adjoining McLean Street, said he was not familar with the property in question. He said the proposed street has never been open that it was only recorded as a street on a 1920 plat. He said the street only has a 30 ft. right-of-way and could not be opened as a street. He said due to these facts he did not see how the closing could be detrimental to adjoining property owners.

Mayor Ochsenreiter suggested that Council continue the public hearing until all the facts related to the closing of the street could be determined.

Councilman Morris moved to continue the public hearing until July 7, 1977 at 7:30 o'clock p. m. This motion was seconded by Councilman Michael and carried unanimously.

ORDINANCE NO. 964 - SWIMMING POOL STANDARDS ORDINANCE

5. Consideration was given to an ordinance establishing standards governing the design, construction, and maintenance of public and residential swimming pools.

The City Manager read the ordinance.

Councilman Rainey spoke in support of the ordinance and moved for its adoption. This motion was seconded by Vice-Mayor Horton.

Thursday - June 23, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Councilwoman JoAnn M. Swilling, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of the minutes of the June 16, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the June 16, 1977 meeting were unanimously approved as submitted.

CERTIFICATE OF APPOINTMENT OF COMMISSIONER OF THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE (Rev. Wm. A. Easom)

2. Mayor Ochsenreiter appointed Rev. Wm. A. Easom as a Commissioner of the Housing Authority of the City of Asheville.

Corporation Counsel William C. Moore administered the oath of office to Rev. Wm. A. Easom.

PUBLIC HEARING - CLOSING OF BURTON STREET BRIDGE

RESOLUTION NO. 77-98 - RESOLUTION TO CLOSE BURTON STREET BRIDGE

3. A public hearing was held relative to the closing of Burton Street Bridge.

Mayor Ochsenreiter opened the public hearing at 3:05 o'clock p. m.

The City Manager advised that the legal notice had been given to the public relative to the time and date for the public hearing. He presented an affidavit of publication and stated that the Bridge had been duly posted with copies of the resolution of intent to close.

Verl Emrick, Planning Director, said this action was instigated by a petition being filed by the property owners in the vicinity of the Burton Street Bridge asking that the bridge be permanently closed to public use. He said no written or verbal protests had been received regarding the closing.

By the use of a map, Mr. Emrick reviewed the location of the bridge. He said if Council closes the bridge it would be the Planning Staff's recommendation to cul-de-sac Burton Street in order to provide a turn around for the area residents.

Mayor Ochsenreiter closed the public hearing at 3:10 o'clock p. m.

The City Manager read the resolution closing the bridge.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, Resolution No. 77-98 was unanimously adopted.

Complete text of Resolution No. 77-98 will be found in Resolution Book No. 9 at page 302.

ORDINANCE NO. 957 - AN ORDINANCE ESTABLISHING THE ASHEVILLE UNIFORMED PERSONNEL RETIREMENT PLAN AND TRUST

8. Councilman Hoyle moved to continue the third reading of Ordinance No. 957, an ordinance establishing the Asheville Uniformed Personnel Retirement Plan and Trust. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 962 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1977-78

9. Consideration was given to the second reading of Ordinance No. 962, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1977-78.

Councilman Rainey said it was his hope that funds could be made available to renovate the Collections Office on the first floor of the City Hall Building.

Councilman Rainey then moved to delete the $10,290 appropriation in the Budget for the Sinking Fund Commission for Buncombe County. He said the Commission itself could be retained as a requirement of bond covenants, however he could see no use for the executive offices for the Commission. This motion was seconded by Councilwoman Swilling.

Corporation Counsel Moore advised that he felt the funding to the Commission must be in existance so long as the City has outstanding bonds.

Councilman Morris suggested that the funding for the Sinking Fund Commission be left in the budget until the Corporation Counsel could review the laws pertaining to the Commission.

Vice-Mayor Horton supported Councilman Morris's suggestion and further suggested that a meeting between the Council and the Commission be set up to discuss the funding.

On a voice vote, Councilman Rainey's motion failed on a 4-3 vote, with Vice-Mayor Horton, Councilmen Morris, Councilman Michael and Mayor Ochsenreiter voting "no".

Councilman Rainey expressed concern over the proposed increase of motor vehicle stickers from $1.00 to $5.00.

Councilman Rainey questioned the use of $50,000 in anticipated revenues from overtime parking fines in the General Fund. He said it was his understanding that these revenues, according to law, are to be turned over to the school system.

The City Manager advised that a court case involving this matter is now pending.

At the request of Councilman Rainey, Paul Goodman, Chairman of the Civic Center Commission, said the proposed appropriation of $5,000 to the Commission was needed for operational expenses such as correspondence, copying, secretarial services, complimentary tickets, and feasibility studies.

Richard Ford, an attorney, said he represented a group of residents that were interested in the adoption of a swimming pool standards ordinance mainly because of the safety factors involved, particularly for small children. He said the City of Charlotte had recently adopted a similar ordinance with such safety requirements as a 4' fence with self-closing gates and no more than two gates in the fence with entrances located at the shallow end of the pool. He urged Council's adoption of the ordinance.

Councilman Michael commented that he felt the proposed ordinance was too restrictive and should be thoroughly reviewed and studied before being adopted.

Tom Byers, Woodcrest Road, also spoke in support of the ordinance.

Councilman Rainey suggested that several amendments to the ordinance be considered before the third reading. He suggested that residential swimming pools be clearly defined, that Section 8-104 (b) (1) be deleted, that the words "self-closing" be inserted before the word gate, and that a sentence be added that if a natural barrier exists around a swimming pool that no further barriers would be required.

On a roll call vote of 5-1, Ordinance No. 964 passed on first reading, with Councilman Michael voting "no".

RESOLUTION NO. 77-99 - RESOLUTION AUTHORIZING AND AMENDING RESOLUTION NUMBER 77-15 AUTHORIZING SUBMISSION OF AN APPLICATION FOR COMMUNITY DEVELOPMENT BLOCK GRANT FUNDS FROM THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT 1977-78

6. Consideration was given to a resolution authorizing and amending Resolution No. 77-15 authorizing submission of an application for Community Development Block Grant funds from the Department of Housing and Urban Development 1977-78.

The City Manager read the resolution and explained that the Mayor had received a letter from HUD on June 10, 1977 stating that in reviewing Asheville's Community Development Block Grant Application 1977-78 it was determined that funding for the Parks Improvements (Malvern Hills and Recreation Park) YMCA-West Asheville Park and Smith McDowell House Restoration must be reprogrammed within five (5) days after receipt of the letter. It was determined that these projects did not meet the requirements of benefiting low-income families. He said this resolution would reprogram the funds, as recommended by the City staff, to transfer the YMCA funds into the Shiloh Project and the Smith McDowell House Restoration funds into the Community Development Contingency Fund.

After discussion, Councilman Michael moved for the adoption of Resolution No. 77-99. This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 77-99 will be found in Resolution Book 9 at page 320.

ORDINANCE NO. 963 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Relative to Extraterritorial Jurisdiction)

7. Councilwoman Swilling moved to continue the second reading of Ordinance No. 963, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, relative to extraterritorial jurisdiction. This motion was seconded by Councilman Michael and carried unanimously.

Upon inquiry of Councilwoman Swilling the City Manager advised that the City staff is now estimating a cost of enforcing an animal control ordinance and this information would be available during the upcoming budget work session. He said in response to a request of Councilman Michael at last week's meeting Acting Chief of Police Trulove has reported that in May 162 dogs were picked up by the Dog Warden and from June 1, 1977 to June 22, 1977, 131 dogs were picked up.

Councilman Hoyle was excused from the meeting at 5:20 o'clock p. m.

RESOLUTION NO. 77-100 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ACQUIRE A RIGHT-OF-WAY EASEMENT FROM MR. AND MRS. ALLAN GILLIS FOR A 2-INCH WATER LINE ON LINCOLN STREET, BUNCOMBE COUNTY, NORTH CAROLINA

10. Consideration was given to a resolution authorizing the City Manager to acquire a right-of-way easement from Mr. and Mrs. Allan Gillis for a 2-inch water line on Lincoln Street, Buncombe County, North Carolina.

The City Manager read the resolution.

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 77-100 was unanimously adopted.

Complete text of Resolution No. 77-100 will be found in Resolution Book No. 9 at page 322.

MR. JAMES MOODY - REQUEST FOR PARK IN NORTH ASHEVILLE

Mr. James Moody, of the North Asheville Boosters, again appeared before Council to renew his request for funds to provide a park in North Asheville.

The City Manager advised that he had received information relative to the North Asheville Park from Ray Kisiah, Director of Parks and Recreation, and this information would be discussed at the upcoming budget work session.

SENIOR OPPORTUNITY CENTER - REQUEST FOR BUS

A representative of the Senior Opportunity Center asked if Council had appropriated money in the budget for a bus for the Senior Opportunity Center and if the bus would be used strictly for the senior citizens.

The City Manager advised that money had been appropriated in the budget for the bus however the policy on the use of the bus had not been decided.

REPORT ON LOCAL DISTRIBUTION OF TAX REVENUES - VICE-MAYOR BILL B. HORTON

Vice-Mayor Horton presented the following report relative to local distribution of tax revenues:

June 23, 1977

To: Mayor Eugene C. Ochsenreiter, Jr. and
Asheville City Councilmembers

From: Bill B. Horton

Subject: Local Distribution of Tax Revenues

At the request of Councilman Rainey, Mr. Michael Smith, Personnel Director, said if the proposed salary increase of 5% for certain individual classifications, to bring them up to state pay level, were reduced to 3% the City would save $8,668.00. He said one of the City's goals is to pay comparable salaries and the increase of 5% for those certain classifications would bring the salaries to state level.

The City Manager suggested that, in order to bring the budget into compliance with certain actions that have been taken previously, Council pass a motion amending the budget to reflect Council's desire in the recent adoption of a resolution which requested the County Commissioners to assume the responsibility for $135,000.00 of the Library Budget and to assume the fiscal, personnel and administrative functions of the library operation that the City of Asheville has been responsible for, which would be effective July 1, 1977. He said the budget amendment would be to transfer from the General Fund the amount of $209,615 Libraries to Non-Departmental Fund as an outside contribution to the County. He said the City would also delete the Library Trust Fund activity. He said an amendment should also be made to delete the appropriation from the Community Development Budget for the Smith McDowell House Restoration in the amount of $8,500 and increase the Contingency Fund in the Community Development Budget by $8,500.

Anthony Lord, Chairman of the Library Board, requested that Council hold up action on the deletion of the library appropriations until negotiations could be worked out with the County regarding the funding.

Councilman Rainey recommended that Council wait on amending the budget regarding the Library appropriations until more facts are determined. He said these items could be shifted at a later date.

Councilman Michael moved to amend the budget by transferring from the General Fund the amount of $209.615 Libraries to Non-Departmental Fund and to delete the Library Trust Fund activity. He further moved to amend the budget by deleting the appropriation from the Community Development Budget for the Smith McDowell House Restoration in the amount of $8,500 and increase the Contingency Fund in the Community Development Budget by $8,500. This motion was seconded by Councilman Morris.

Councilman Rainey moved to delete the Library portion of Councilman Michael's motion. This motion was seconded by Councilwoman Swilling, which motion failed on a voice vote of 4-3, with Vice-Mayor Horton, Councilmen Morris, Michael, and Mayor Ochsenreiter voting "no".

On a voice vote of 6-0, Councilman Michael's motion passed unanimously.

On a roll call vote of 5-1, Ordinance No. 962 passed on second reading with Councilwoman Swilling voting "no".

Councilwoman Swilling commented that she felt more study needed to be made of the budget, particularly referring to the proposed increase of the motor vehicle stickers from $1.00 to $5.00, the revenues from overtime parking fines, the one-cent school tax, and the appropriation of funds to enforce an animal control ordinance.

Conclusion: Since Asheville City Schools receive only $865,000 as their pro-rata share of property tax funding, city property owners are contributing about $705,000 this year in direct support of county schools -- or 22.1 per cent of the property tax revenues allocated for current operations of the county schools.

This situation is just one of many providing clearcut evidence emphasizing the degree of imbalance of the property tax burden between city and non-city taxpayers.

RECOMMENDATION: The logical solution to the fiscal dilemma of both school systems is to consolidate the two as soon as practicable -- as the Local Government Study Commission recently proposed.

In the meanwhile, in order to provide a more favorable revenue balance and a more equalized property tax burden, it is recommended that City Council and the Asheville Board of Education begin preliminary study and planning toward a request for local legislation from the general assembly to extend the boundaries of the Asheville City School District so as to coincide with current municipal boundaries.

Valuable and much appreciated assistance in the audit survey has been provided by Larry Fisher, Finance Director, and William C. Moore, City Attorney. Also, the Attorney General's office and the Institute of Government have been promptly co-operative in this endeavor, for which we are grateful.

For further information, this audit survey effort is continuing into the distribution of State Intangibles Tax revenues, and data on the distribution base is being sought from the North Carolina Department of Revenue.

Respectfully submitted,

Bill B. Norton

Vice-Mayor

CLAIM - J. C. SWILLING

The City Manager presented a claim for damages from J. C. Swilling.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - MRS. F. L. MAYER

The City Manager presented a claim for damages from Mrs. F. L. Mayer.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

This is to report to the Mayor, the City Council and the citizens of Asheville the preliminary results of our recent inquiry and audit survey into the local distribution of tax revenues received from the state of North Carolina.

As of now, the audit exercise has not turned up any discrepancy in the distribution of these tax revenues to the City of Asheville which would have a direct bearing on the city budget per se. However, a discovery has been made of what appears to be a significant revenue windfall for the Asheville City School System and the Asheville City School District taxpayers.

The findings and conclusions to date are as follows:

Finding: Proper distribution of the one per cent local sales tax revenues is not currently being made to the Asheville City Schools per state statutory requirements and has not been made for several years.

The amount due from this revenue source in this current fiscal year should be about $170,000 -- and the undistributed amounts for the affected prior years would be somewhat less per year.

Conclusion: It appears that the undistributed revenues to which the Asheville City School District is entitled should relieve the financial dilemma of our city schools for the present without an increase in the current supplemental school tax rate.

This information has been made available to the Asheville Board of Education and its attorney for appropriate requests of Buncombe County.

Finding: Any such revenues provided directly to the Asheville City Schools special tax district should decrease total County budgeted school revenue needs by a ratio of $525,000 for each $100,000 so provided to the Asheville City Schools.

Conclusion: Adherence to the statutory requirements for distribution of local sales tax revenues in the upcoming County Budget for 1977/78 should ease the total school funding required to the extent of possible elimination of the proposed five cent increase in the County property tax rate.

Finding: The 1976 Report of Valuations and Taxes submitted by Buncombe County to the North Carolina Department of Revenue shows that 31.08 per cent of the total county-wide property tax levy is allocated to current operations of all public schools within the county. This amount of more that $4,055,000 is apportioned between the two school systems on a per pupil basis, resulting in about $3,190,000 for the county

schools and about $865,000 for the city schools.

Asheville taxpayers contribute 38.7 per cent of the property tax revenues received by Buncombe County, thereby providing approximately $1,570,000 for total school support.

The small business person certainly has enough aggravation and overload of expenses these days without having to have an extra upkeep expense such as I am experiencing. The amount is becoming monumental.

I am requesting that Council help me in seeking relief from this nuisance. I will appreciate greatly any aid you can give me.

I am urging Council to rescind their occupancy permit since common sense and decency dictates that when neighboring businesses have been so grossly mistreated by a business such as this it should not be allowed to continue to occupy a place that is obviously not able to accommodate its own customers with parking, and whose customers are of such a nature as to cause those same neighbors extra unnecessary expense.

I plan to attend Council Meeting this Thursday, and if time permits, perhaps you can answer my request.

Very truly yours,

Jackie

REALTOR Jackie Kettleson

JK/mr

The City Manager said this matter had been investigated and both parties seem to be in compliance with city codes regarding parking spaces, etc.

Vice-Mayor Horton said the request should be followed through and perhaps the Police Department could be of some help to Mrs. Kettleson.

Councilman Morris commented that the number of required parking spaces, in accordance with the Zoning Ordinance, should be reviewed in order to alleviate future problems with these types of businesses.

SUGGESTION BY COUNCILMAN MICHAEL - RE: CHARGE FOR TRANSIENT AIRCRAFT

Councilman Michael suggested that a ramp fee be charged per pound of transient aircraft for general aviation. He said this would generate more revenue for the City of Asheville and also help to make those using the airport pay for it. He further requested that a study me made on how much revenue this would generate in one month time.

Adjournment.

Eugene S. Ashworth
MAYOR

William F. Malcolm
CITY CLERK

CLAIM - MRS. JOAN E. BRIDGES

The City Manager presented a claim for damages from Mrs. Joan E. Bridges.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

COMPLAINT LETTER - RE: SPACE MISSION - MERRIMON AVENUE

Mayor Ochsenreiter read the following letter received from Mrs. Jackie Kettleson from Better Homes Realty regarding the Space Mission on Merrimon Avenue.

better homes realty

June 21, 1977

Asheville City Council
City Hall
Asheville, N.C. 28807

Re: Space Mission
Merrimon Avenue

Dear Members of Asheville City Council:

I would appreciate your attention to a matter that is causing myself and my associates a great deal of concern.

I feel very strongly that Council should not have granted permission to the group calling themselves The Space Mission, to occupy the building at 738 Merrimon Avenue, for the purpose of an amusement center since they do not have adequate parking for their customers.

I have complained to Council before, as well as to the City Manager and the Chief of Police. I have received no relief at all. My parking lot continues to be used by their customers without my permission.

I have, or my associates here have returned in the evening hours to meet clients or to get keys or to work, only to find no place to park on my own lot. In addition, I have had to spend hundreds of dollars blocking up windows, which their customers, by their owners own admission maliciously broke. I have had to replace numerous windows on three different occasions. My parking area in the back of my building has had garbage strewn about purposely on one occasion, but is always littered with beer bottles and cans every morning. This extra cost of overhead is straining my patience.

ORDINANCE NO. 964 - SWIMMING POOL STANDARDS ORDINANCE

3. Consideration was given to the second reading of Ordinance No. 964, an ordinance establishing standards governing the design, construction, and maintenance of public and residential swimming pools.

Mayor Ochsenreiter advised that a work session on the ordinance will be held prior to the third and final reading of the ordinance.

Councilman Michael made the following statement relative to the swimming pool ordinance:

"I have been criticized for objecting to fencing in swimming pools for personal reasons. For that reason I have brought pictures of my swimming pool showing that it is fenced in even though there are no children that live within a mile of my house, on a dead end street, private drive, except for my own. It is just that I think that Asheville is a little different from other places in North Carolina in that we have many hills, slopes, etc. that form natural fences around pools and holes in the ground. I am therefore going to vote for tabling this ordinance, and having both readings next week after it is studied and strongly recommend that the City Inspector stop digging up ordinances of other cities verbatum and asking us to adopt them. For example, I think that if a persons yard is fenced in that he should not be required to also have a fence around his pool but according to this ordinance, he would. Also, if he had a pool that adjoined his patio and house as mine does, he would have to have a fence on the patio between his house and the pool. Also, the fence would have to be five feet inside the property line and the fence on the property line would not be acceptable. This is why I voted against the swimming pool fence ordinance because I think that it is too strict and should be amended to apply to hazardous conditions in the City of Asheville as it was intended. One last thing that I have to say is that this is one more instance of parents asking the City Council to enact laws to protect and control their children. I do not think that this ordinance would have been necessary when I was a child because I dare not go in anyone else's yard in the first place because I would probably be spanked by the person who owned the yard that I went in and then spanked again when I got home."

Councilman Michael said he agreed with the policy of fencing in swimming pools but this ordinance is very restrictive and should be thoroughly studied before being adopted.

Councilman Rainey commented that this ordinance was introduced at his request. He said he had several amendments to be made to the ordinance but these could be discussed during the work session on the ordinance.

The City Manager said many times ordinances are prepared at the request of citizens based on the needs of the community. He said when an ordinance is drawn, similar to this one, staff seeks information on what other cities do as well as information from the Institute of Government and the League of Municipalities. He said the proposed swimming pool ordinance also received the involvement of the swimming pool builders.

After discussion, Vice-Mayor Horton moved to continue the second reading of Ordinance No. 964 until July 7, 1977. This motion was seconded by Councilman Michael, which motion carried on a vote of 4-3, with Mayor Ochsenreiter, Vice-Mayor Horton, Councilman Morris, and Councilman Michael voting "aye" and Councilwoman Swilling, Councilman Hoyle, and Councilman Rainey voting "no".

Thursday - June 30, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of the minutes of the June 23, 1977 meeting.

Councilman Michael commented that at the last meeting the Asheville Citizen-Times quoted him as saying that he voted against the swimming pool ordinance because there was a bank between his house and his swimming pool. He said he did not say that. He said there is a bank next to his swimming pool and his house is next to his pool and his pool is enclosed. He said he did not vote against the swimming pool ordinance for personal reasons and he would like the Asheville Citizen Times to retract the statement. He also requested that the minutes of today's meeting reflect his comments regarding the statement made by the Asheville Citizen-Times.

Councilman Rainey said the minutes of the June 23, 1977 meeting were in error relative to the voice vote taken on his motion to delete $10,290 from the budget for the Sinking Fund Commission for Buncombe County. He said the vote should read 4-3, with Mayor Ochsenreiter breaking a tie vote, instead of 4-2. He said Councilman Hoyle's vote should be included in the "aye" votes instead of the "no" votes. He said the same error is made in his motion to delete the library portion of Councilman Michael's motion. He said the vote should read 4-3, with Mayor Ochsenreiter breaking a tie vote, instead of 4-2. He said Councilman Hoyle's vote should be included in the "aye" votes instead of the "no" votes.

The City Clerk noted that these corrections would be made in the minutes.

Councilman Rainey moved for the approval of the minutes of the June 23, 1977 meeting, as amended. This motion was seconded by Councilman Michael and carried unanimously.

RESOLUTION NO. 77-101 - RESOLUTION OF APPRECIATION TO WOODROW P. GRIFFIN

2. Consideration was given to a resolution of appreciation to Woodrow P. Griffin, Superintendent of the Asheville City Schools who is retiring.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, Resolution No. 77-101 was unanimously adopted.

Complete text of Resolution No. 77-101 will be found in Resolution Book No. 9 at page 323.

Councilman Rainey emphasized the need for close supervision of the project, particularly referring to the compliance of the Davis-Bacon Act and the requirements relative to minority employment.

It was noted that Mr. Sam Graves of the Central Services Division has a continuous monitoring responsibility of all projects as it relates to the compliance of the Davis-Bacon Act and Affirmative Action Program. Council was assured that Mr. Graves would be monitoring the project.

Council instructed the architect to send a copy of all inspection reports to the City Manager.

Councilman Michael moved to accept the recommendation of the architect on the awarding of the contracts for the Montford Recreation Center Complex. This motion was seconded by Councilwoman Swilling and carried unanimously.

A complete bid summary is on file in the Office of the City Clerk.

ORDINANCE NO. 962 - AN ORDINANCE ADOPTING AND APPROPRIATING THE OPERATING BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1977-78

6. Consideration was given to the third and final reading of Ordinance No. 962, an ordinance adopting and appropriating the operating budget and fixing the tax rate of the City of Asheville for the fiscal year 1977-78.

Mary Lloyd Frank, a member of the Board of Trustees of the Library Board urged Council not to cut the funding of the Library budget. She said if the budget is cut, services would have to be reduced.

Bob Farzanegan presented letters and petitions from tennis players, who opposed the proposed charge of $1.00 per court per hour. He said it was their feeling that this charge would cut down on the number of players at Aston Park. He urged Council to reconsider the proposed fees for the Aston Park Tennis Courts.

The City Manager said the proposed charge is being reviewed by the Parks and Recreation Advisory Board and city staff and the details of the policy had not yet been determined.

Councilman Michael agreed that there would not be a substantial revenue derived from this charge and he was in favor of eliminating this charge particularly for city residents using the courts.

Councilwoman Swilling and Councilman Hoyle both said it was Council's feeling that the fee would help offset the increasing cost of operation, upkeep, and maintenance of the courts. They said this charge would not in any way cover the total cost of operating the courts. They also noted that it was their understanding that 40% of the people using the courts are county residents.

Councilwoman Swilling said the Parks and Recreation Advisory Board is also looking at the possibility of a policy to have a "free-time" established at certain times during the day for those who could not afford the fee.

RESOLUTION NO. 77-102 - RESOLUTION OF APPRECIATION TO LUTHER B. THIGPEN

4. Consideration was given to a resolution of appreciation to Luther B. Thigpen.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilman Michael, Resolution No. 77-102 was unanimously adopted.

Complete text of Resolution No. 77-102 will be found in Resolution Book No. 9 at page 324.

BIDS - MONTFORD RECREATION CENTER

5. Consideration was given to bids received June 22, 1977 for the construction of the Montford Recreation Center.

The City Manager read a letter from William O. Moore, architect for the Montford Recreation Center Complex, recommending the following low bids:

General - Anchor Construction Corp.	$235,493.00	
Alternate No. 1 (Telescoping Bleachers)	6,086.00	
Alternate No. 2 (Kitchen Appliances)	772.00	
Sub-Total		$242,351.00

It is recommended that Alternate No. 3 (Gym Carpet - $11,678) not be accepted as part of the contract.

Plumbing - Moser, Inc.	$23,000.00	
Mechanical - 20th Century Heating Co., Inc.	38,382.00	
Electrical - Haywood Electric Service, Inc.	41,373.00	
Sub-Total		$102,755.00
TOTAL		$345,106.00

The City Manager also read a letter from Ray Kisiah, Director of Parks and Recreation, concurring in the recommendation of the architect. He said the total amount budgeted for the Center is $815,000 and the difference between the amount budgeted and the total construction contracts of $345,106 will be used for land acquisitions and legal fees.

Mr. Barney Woodard, representative of the architectural firm of Moore/Woodard Associates briefly explained the details of the proposed plans for the building.

Upon inquiry of Councilman Rainey, Mr. Woodard said he had not had any personal working relationships with the general contractor, Anchor Construction Corporation, however, it was his understanding that they are a reputable firm.

Councilman Michael strongly opposed the passage of the resolution stating that if Council rescinds their original request to the County to take over the library responsibilities it would place the present budget out of balance with a $72,000 deficit, which could require a tax rate increase. He said he felt Council should continue with its original intention of appropriating only $209,615 to the Library budget. He said if Council should adopt a tax rate increase then Council should justify additional services which could not be done with the new appropriation to the library. He said if it was determined that the library was going to lose their state aid because of the cut in the budget, the Council could always amend the budget at a later date. He said he also felt the library was more of a county function and the County should pay their fair share.

Vice-Mayor Horton emphasized that this "supplementary" resolution would not rescind the city's request that the County take over these responsibilities, but merely recognizes that this can not be implemented by July 1, 1977.

After discussion, Councilman Michael moved to amend Resolution No. 77-103 by providing a paragraph stating that this resolution does not have any effect on the acceptance or appropriation of the library budget as submitted. This motion was seconded by Councilwoman Swilling.

On a voice vote, Councilman Michael's motion amending the resolution was defeated on a vote of 4-2, with Councilman Michael and Councilwoman Swilling voting "aye" and Vice-Mayor Horton, Councilmen Hoyle, Morris, and Rainey voting "no".

It was noted that it should be understood that a resolution, according to the City Charter, can not relate to any budget appropriation.

Mayor Ochsenreiter then called for a vote on Resolution No. 77-103.

On a voice vote, Resolution No. 77-103 passed unanimously.

Complete text of Resolution No. 77-103 will be found in Resolution Book No. 9 at page 325.

Ken Brown, Director of the Library, explained that the Library received $498,350 in local support last year and in order to receive $68,000 in state aid the local funding can not fall below last years support. However, he warned that this year's budget as submitted totalled $650,915 and if the funding falls below that figure the library services would be in trouble.

Vice-Mayor Horton commented that if the County of Buncombe funds $250,000, as was implied, the City would have to fund $248,350 in order for the Library not to lose its state aid. He said if the City funds the $248,350 the County would still be falling short of their fair share of support, primarily because the City taxpayer's pay 40% of the County property tax revenues and this would mean that if the City matches the County appropriation to the library, the City taxpayer will be putting in approximately 70-73% of the library budget. He said it was his understanding that the patronage to the Library is 51% non-city residents to 50% city residents.

Cecil Holt, Robin Williams, Mark Carlson, and Edward Felder, also spoke in opposition to the proposed $1.00 per court.

E. R. McCarthy said that the most criticism he had heard relative to the budget was the increase in the automobile license fee from $1.00 to $5.00. He said he also felt that those using the tennis courts at Aston Park should be willing to pay a slight charge to help with the expense of operation.

Councilman Morris said it was his understanding that when the courts were first being built at Aston Park, the intent was that there would be a minimum charge, at some future date, particularly after the other asphalt tennis courts throughout the city were completed. He said these courts have now been completed and this was one of the reasons for Council's proposal of charging such a minimum fee.

Councilman Rainey said that the charge for the use of the tennis courts is not, at the present, included in the budget as a revenue and he suggested that Council turn the matter over to the Parks and Recreation Advisory Board for recommendation.

Councilman Michael questioned why Malvern Hills and Walton Street Parks are included in the same line item in the budget. He said there is no comparison of the parks. He said it is his understanding that Malvern Hills Park is in much better condition than Walton Street and Malvern Hills received much more funding last year. He suggested that the two parks be separated and not carried as a single line item.

The City Manager said he would furnish Councilman Michael a more detailed budget on the two parks.

Councilwoman Swilling suggested that at least one-half of the $20,000 requested for the renovation of the Revenue Collection Office be appropriated. She said this particular office receives much of the public with confidential matters to be discussed and renovation is needed to offer a more private atmosphere.

Councilman Rainey agreed with Councilwoman Swilling stating that he felt the renovation of the office would create better morale and more efficiency in the office.

RESOLUTION NO. 77-103 - RESOLUTION AUTHORIZING THE CITY OF ASHEVILLE TO RETAIN FISCAL AND PERSONNEL ADMINISTRATIVE FUNCTIONS FOR THE LIBRARY SYSTEM

Vice-Mayor Horton read a resolution authorizing the City of Asheville to retain fiscal and personnel administrative functions for the Library System. He said the first request of two weeks ago of asking the County to take over the fiscal and personnel administrative functions came too late to implement the transition by July 1, 1977. He said the adoption of this resolution would provide for a smoother transition of the functions and allow the city to legally continue with the operation of the library until further negotiations could be worked out with the County. Vice-Mayor Horton moved for the adoption of Resolution No. 77-103. This motion was seconded by Councilman Rainey.

Councilman Michael said he did not feel the library is a basic city service. He said if the City taxpayers are expected to fund $100,000, which would be 40% of the County's anticipated $250,000 appropriation and $250,000 directly from the city tax revenues to fund a $500,000 budget, this would mean that County residents are only funding the library budget by $150,000. He also emphasized that the City is also appropriating $550,000 for a new library facility, which will be tax-exempt, making the city taxpayer pay $900,000 for the library in the next fiscal year.

Vice-Mayor Horton suggested that Council increase the appropriation to the Library by $72,693 which would provide 50% of the net operating budget submitted by the Library. He said this would at least be a compromise.

Councilman Michael objected to the suggestion of Vice-Mayor Horton stating that this would mean a 1.1 or 2 cent tax increase just to fund the library. He said he would be unwilling to support a tax increase unless it was earmarked, not for the library alone, but for the improvement of basic city services.

Mayor Ochsenreiter also suggested that the city fund the library to the minimum with a 2 cent tax increase which would leave some monies to fund, at a minimum, the parks program.

Mayor Ochsenreiter also noted that a meeting has been scheduled for Tuesday, July 5, 1977, at 3:00 o'clock p. m. until the County Commissioners to further discuss the appropriations needed for the library.

Vice-Mayor Horton then moved to amend the budget to fund 50% of the net operating budget submitted by the Library for the total amount of $282,308, or an increase of $72,693. This motion was seconded by Councilman Hoyle.

On a voice vote of 5-1, Vice-Mayor Horton's motion passed with Councilman Michael voting "no".

As a result of the budget work session held on June 27, 1977, Mayor Ochsenreiter reviewed the changes discussed stating that these included an increase in the city automobile license tag fee from $1.00 to $5.00; providing $539 for staff phase-out of the Drug and Alcohol Abuse Commission; providing $17,500 for Senior Citizens transportation service; providing $2,500 for a semi-permanent stage for the Shindig-on-the-Green; providing funds for the Director of Inspection's membership to the WNC Home Builders Association; deleting $5,550 from the Sinking Fund Commission based on a revised budget; providing $35,000 for a North Asheville Park, based on a matching grant from the Bureau of Outdoor Recreation; providing funds to extend the swimming and playground activities at Walton Street Park at $5,475; and including revenues from charging tennis court fees at Aston Park.

The City Manager presented the following list of budget changes to be considered by Council as a result of their budget work session held on June 27, 1977:

observe pot holes, street paving that needs to be done, sidewalks that need to be repaired - many, many things that you've had calls about for the last 18 months, your terms as members of City Council. I have a feeling that we are making decisions in a vacuum on a given day for not too long a time in the future. Had we accepted the original run of this budget it would have cost the taxpayers of this city an additional 68 cents on the tax rate and this wasn't a frivolous request by department and division heads. This was requests that would improve the city - improve the basic services - but we cut and we cut - we cut to no increase in the tax rate with some rather significant increases in our operating expenses this year. Fox example, we did assume this obligation of the Police/Fire Pension in the amount of about $700,000 this year and $834,000 for the years to come. Fortunately we get Revenue Sharing to cover this. Our gasoline cost, and we run through over 600,000 gallons of gasoline a year - gasoline cost have gone from 38.8 cents in May of 1976 and by May of 1978 we expect to be paying 48 cents a gallon - utility cost will go up in this coming year $124,000 - gas cost $129,000. Just the cost of turning on the street lights will go up from $513,000 to $605,000. Street paving - we have unpaved streets not including drainage, costs in the amount of $283,000. We had an estimate just to do a minor sidewalk program in the business district of $75,000 - put those aside. There is in the neighborhood of $1 million in equipment needs that would improve our productivity that we're not going to buy and I just would hope that when we make decisions that we make decisions that we're looking toward the future and that we're considering all the things on the list and not those things that are just on the list today at this Council meeting."

Mayor Ochsenreiter said that Council would be very negligent in their thinking if they did not recognize the needs emphasized by the City Manager. He said Council should also recognize the city's needs for the future that relate to the basic services of the City.

Councilwoman Swilling said with Council adopting a recent increase of 7% in water rates, a proposed school tax levy of 4 or 5 cents, a proposed 5 cents tax rate increase from the County of Buncombe, higher utility bills and a $5.00 automobile license fee, she felt a 3 or 4 cent city tax rate increase would be difficult for the citizens of Asheville.

After discussion, Vice-Mayor Horton offered a substitute motion that a 2 cent tax rate increase be adopted in order to fund the $72,693 increase for the Library and the $10,000 for the renovation of the Revenue Collections Office.

Councilman Morris suggested upping this increase to five cent in order to provide for some of the services that had been sacrificed earlier in the attempt to avoid a tax increase. He said he was concerned as to Council's obligation to put back the funding into the city services that have been deleted. He said as it now stands the City is cutting their basic services in order to fund the library.

After discussion, Vice-Mayor Horton withdrew his substitute motion.

Councilman Morris then moved to increase the tax levy by 5 cents to increase the funding to the library by $72,693 and by appropriating $10,000 for the renovation of the Revenue Collection Office and putting the difference of $121,197 into the Contingency Fund for the use of basic services. He further moved to eliminate the $4.00 increase for the automobile license fee. This motion was seconded by Vice-Mayor Horton.

50 - Revenue Sharing Trust Fund		From	To
50-501 Recreation Program	(C.O. - Other Improvements)	-0-	35,000
	(C.O. - Equip.)	33,938	43,938
50-433 Parking Services	(C.O. - Equip.)	25,279	5,275

Councilwoman Swilling also suggested that Council consider funding $10,000 for the renovation of the Revenue Collection Office.

Councilman Michael suggested that a landing fee be charged for transient aircraft at the Asheville Airport and that these revenues be included in the budget.

After discussion, it was agreed that Councilman Michael's suggestion would be given consideration after the completion of a demonstration program now being carried on at the Airport for the general aircraft using the main terminal, which includes a $2.50 ramp fee.

Councilman Morris suggested that the specific amount for charge for tennis court fees at Aston Park be eliminated from the list of recommended budget changes and that the Parks and Recreation Advisory Board consider the charges and make their recommendations to Council.

Councilman Morris then moved to amend the budget to reflect the budget changes made at the work session held on June 27, 1977 (see list inserted) with the exception that the Parks and Recreation Advisory Board determine the ways and means of collecting the increased $10,000 included as a revenue in the Parks and Recreation Fund. This motion was seconded by Councilman Michael and carried unanimously.

In discussing Councilwoman Swilling's suggestion to appropriate $10,000 for the renovation of the Revenue Collection Office, Councilman Rainey moved to delete $4,000 from the Civic Center Commission budget and $6,000 from the Capital Outlay equipment appropriation for the Civic Center budget in order to fund the appropriation of $10,000 for the renovation of the Revenue Collection Office. This motion was seconded by Councilwoman Swilling.

Councilman Morris in questioning how the City was going to fund the $72,693 increase to the library budget suggested that Council adopt a 2 cent tax rate increase.

The City Manager then made the following statement:

"Mayor, before Council makes a decision on this, I would like to make a statement. If in the course of two or three weeks or a couple of days the City Council can make a decision about appropriating $72,000 more to the library and $10,000 to the Collections Office, I don't feel like I've done an adequate job of explaining the conditions of the City and the basic services that the City is responsible for providing that we are not doing a very adequate job of now because - I've come to Council with a balanced budget and deleted a number of things in a number of different city departments. I've deprived those departments of equipment, personnel and other items that they need to operate in the interest of providing a balanced budget. You don't have to ride very far from this City Building to

On a roll call vote of 4-2 Ordinance No. 962 passed on third and final reading with Councilwoman Swilling and Councilman Michael voting "no".

Complete text of Ordinance No. 962 will be found in Ordinance Book No. 7 at page 155.

Councilman Rainey was excused from the meeting at 7:05 o'clock p. m.

RESOLUTION NO. 77-104 - RESOLUTION OF INTENT TO CLOSE A PORTION OF TAFT STREET AND CALLING A PUBLIC HEARING ON THE QUESTION

7. Consideration was given to a resolution of intent to close a portion of Taft Street and calling a public hearing on the question.

The City Manager read the resolution scheduling the date for the public hearing for July 28, 1977.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, Resolution No. 77-104 was unanimously adopted.

Complete text of Resolution No. 77-104 will be found in Resolution Book No. 9 at page 326.

RESOLUTION NO. 77-105 - RESOLUTION ESTABLISHING A REVIEW POLICY RELATING TO APPLICATIONS RECEIVED FOR USE OF THE ASHEVILLE CIVIC CENTER FACILITIES

8. Consideration was given to a resolution establishing a review policy relating to applications received for use of the Asheville Civic Center facilities.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 77-105 was unanimously adopted.

Complete text of Resolution No. 77-105 will be found in Resolution Book No. 9 at page 328.

COMPLAINT - MRS. ALENE INGRAM - 103 FRANCES STREET

The City Manager presented a complaint from Mrs. Alene Ingram of 103 Frances Street in West Asheville regarding the lack of law enforcement.

The City Manager said that he would investigate the complaint.

FIXED ASSET REPORT RECEIVED - MARSHALL AND STEVENS

The City Manager advised that the fixed asset accounting report from Marshall and Stevens had been received. He said copies of the report would be furnished to Council next week.

Councilman Michael said he did not think it was fair to the citizens to increase taxes after a deficit had been created. He said he would be unwilling to support a tax rate increase that was not earmarked for the improvement of basic city services.

Mayor Ochsenreiter called for a 10 minute recess of Council.

After discussion, Councilman Morris withdrew his substitute motion with the approval of Vice-Mayor Horton who had seconded the motion.

Councilman Michael then offered a substitute motion to delete the $82,693 deficit and to increase the tax rate by 5 cents to improve city services, all of which is to be put in the contingency fund. This motion was seconded by Councilman Morris.

On a voice vote of 4-3, Councilman Michael's motion passed, with Mayor Ochsenreiter, Vice-Mayor Horton, Councilman Morris and Councilman Michael voting "aye" and Councilwoman Swilling, Councilman Hoyle and Councilman Rainey voting "no".

Vice-Mayor Horton then moved to amend the budget to appropriate $250,000 to the Library Budget, to match the County's implied appropriation of $250,000, thereby increasing the library appropriation by $40,385 to be taken from the presently appropriated Contingency fund. This motion was seconded by Councilman Rainey.

Councilman Michael objected to the motion stating that the library should not be additionally funded until all the servcies that were originally cut are reviewed. He said Council has until September to decide on the funding of the library.

On a voice vote of 4-2, Vice-Mayor Horton's motion passed, with Vice-Mayor Horton, Councilman Rainey, Councilman Hoyle and Councilman Morris voting "aye" and Councilwoman Swilling and Councilman Michael voting "no".

Councilwoman Swilling then moved to amend the budget by continuing the automobile license fee at $1.00 rather than increasing it to $5.00. This motion was seconded by Councilman Rainey.

On a voice vote of 4-2, Councilwoman Swilling's motion was defeated with Vice-Mayor Horton, Councilman Michael, Councilman Morris and Councilman Hoyle voting "no" and Councilwoman Swilling and Councilman Rainey voting "aye".

Councilman Rainey moved to amend the budget by transferring the funding of $209,615 in the Non-Departmental Budget to the General Fund for the Library Budget. This motion was seconded by Councilman Hoyle, which motion carried unanimously.

Councilman Michael then moved to amend Budget Ordinance No. 962 by changing the tax rate from 92 cents to 97 cents. This motion was seconded by Councilman Morris which motion carried on a vote of 4-3, with Mayor Ochsenreiter, Vice-Mayor Horton, Councilman Morris and Councilman Michael voting "aye" and Councilwoman Swilling, Councilman Rainey and Councilman Hoyle voting "no".

Thursday - July 7, 1977 - 7:30 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilwoman JoAnn M. Swilling

APPROVAL OF MINUTES

1. Approval of the minutes of the June 30, 1977 meeting.

Vice-Mayor Horton requested that the word "more" be deleted from the last paragraph in the third sentence of page 101, thereby making the sentence read "He said the adoption of this resolution would provide for a smoother transition of the functions and allow the City to legally continue with the operation of the library until further negotiations could be worked out with the County." With this change noted, Vice-Mayor Horton moved for the approval of the minutes of the June 30, 1977 meeting. This motion was seconded by Councilman Morris and carried unanimously.

ORDINANCE NO. 964 - SWIMMING POOL STANDARDS ORDINANCE

2. Consideration was given to the second reading of Ordinance No. 964, an ordinance establishing standards governing the design, construction, and maintenance of public and residential swimming pools.

Mayor Ochsenreiter said a work session had been held during the past week to discuss several suggested changes to the proposed ordinance. He then requested that the City Manager read the ordinance inserting the changes made during the work session.

The City Manager read the ordinance.

Councilman Rainey suggested that Section 8-104 (B) (5) be amended to read as follows: "All outdoor Residential Swimming Pool areas shall be enclosed by an ornamental wire, wood stave, or other type barrier, at least four (4) feet in height, designed so as to minimize the possibility of unauthorized or unwary persons from entering the pool area. Entrances through the barrier shall be provided with self-closing gates or other acceptable entrance of the same heights, bottom and top above the adjacent ground surface, having latches. The bottom edge of the barrier shall be not more than six (6) inches from the adjacent ground surface and the height of the barrier shall be not less than four (4) feet from the adjacent ground surface. This requirement shall apply to all Residential Swimming Pools constructed after the effective date of this Ordinance, and the Chief Building Inspector, Division of Inspections, shall give notice by certified mail to the owners of those Residential Swimming Pools in existence on the effective date of this Ordinance that are found to be in non-compliance with the requirements of this Ordinance sixty (60) days from the effective date. Those owners of pre-existing Residential Swimming Pools who do not cause their pools to be in compliance within thirty (30) days after notification by the Chief Building Inspector shall be in violation of this Ordinance."

COUNTY ASSUMING INSPECTIONS IN ONE-MILE PERIMETER

The City Manager reported that the County is going to assume inspections in the one-mile extraterritorial zoning area beginning July 1, 1977.

PROCLAMATION - CRAFTSMAN FAIR WEEK - JULY 11 - 15

Mayor Ochsenreiter proclaimed the week of July 11 through July 15 as Craftsman's Fair Week.

CLAIM - MRS. GAYLA HOPE WILSON

The City Manager presented a claim received from Mrs. Gayla Hope Wilson.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

COUNCILMAN MICHAEL - REQUEST FOR POLICEMEN ON TUNNEL ROAD

Councilman Michael said he had received several complaints regarding the traffic on Tunnel Road. He suggested that several traffic policemen be placed on the east side of the Tunnel during rush hours to help move the traffic.

Adjournment.

Eugene C. Ochsenreiter
MAYOR

Norman J. Nolcette
CITY CLERK

Col. Kreitzer told Council Mrs. Meech would abide by Council's decision.

Councilman Rainey said since Mrs. Meech is of failing health and might have to sell her property, he felt the closing of McLean Street would be a deterrant to the sale of her property. He suggested waiting about 6 months to a year before closing the street in order to give Mrs. Meech time to decide the disposition of her property. He said Council's decision to close McLean Street in January of 1977 compounded to Mrs. Meech's problem.

Paul Goodman, owner of the property adjoining the portion of McLean Street proposed to be closed, said that the purpose of his petition is to enlarge several interior lots in his present Mt. View Gardens Subdivision. He said, after visiting with Mrs. Meech during the past week, he felt she was physically cabable of protesting the closing if she so desired.

Councilman Michael said even though Col. Kreitzer has a general power of attorney for Mrs. Meech, he would like to hear from Mrs. Meech herself either by a notarized statement or verbally regarding her feelings about the closing of McLean Street.

Paul Goodman urged Council not to delay taking action on his request since one public hearing had already been held on the question as well as being postponed for two weeks.

After a lengthy discussion regarding Mrs. Meech's health and the disposition of her property, Mayor Ochsenreiter closed the public hearing at 8:50 o'clock p. m.

The City Manager read the resolution.

Councilman Morris moved to amend the resolution by deleting the paragraphs referring to the fact that no one objected to the closing.

Councilman Michael made a substitute motion to continue consideration of the resolution until a statement from Mrs. Meech could be obtained. This motion was seconded by Councilman Rainey, which motion failed on a vote of 3-2, with Vice-Mayor Horton, Councilmen Morris and Hoyle voting "no".

Councilman Morris' motion to approve Resolution No. 106, with the deletion of the paragraphs referred to above, was seconded by Councilman Hoyle and carried on a vote of 4-2 with Councilman Michael and Councilman Rainey voting "no".

Complete text of Resolution No. 77-106 will be found in Resolution Book No. 9 at page 329.

RESOLUTION NO. 77-107 - RESOLUTION RELATING TO ADJUSTMENT IN THE RENTAL RATE STRUCTURE FOR THE ASHEVILLE CIVIC CENTER FACILITIES

4. Consideration was given to a resolution relating to adjustment in the rental rate structure for the Asheville Civic Center facilities.

The City Manager read the resolution and advised that members of Council had been furnished copies of the proposed rental rate structure.

Mr. Herbert Brewer, of 8 Maplewood Parkway, questioned the language of allowing an acceptable entrance rather than only self-closing gates.

Mr. J. E. Johnson, Chief Building Inspector, advised that this language was inserted to allow for doors coming from dwellings into the swimming pool areas being acceptable.

Councilman Morris questioned the wording in Section 8-104 (B) (6). He said all swimming pools did not have to have a filtration system and the language should be clarified.

After discussion, Councilman Michael moved to amend Ordinance No. 964 by deleting Section 8-104 (B) (6) in its entirety; by amending Section 8-104 (B) (5) as recommended by Councilman Rainey, and to include the amendments made during the work session as re-read by the City Manager. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 964 passed on second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 964. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 964 passed on third and final reading.

Complete text of Ordinance No. 964 will be found in Ordinance Book No. 7 at page 159 .

RESOLUTION NO. 77-106 - RESOLUTION TO CLOSE A PORTION OF McLEAN STREET

3. A public hearing was continued relative to the closing of a portion of McLean Street.

Mayor Ochsenreiter opened the public hearing at 7:55 o'clock p. m.

Verl Emrick, Planning Director reviewed the background information relative to the closing of a portion of McLean Street. He said during the public hearing held on June 23, 1977 Col. Henry Kreitzer appeared on behalf of Mrs. Peggy Meech asking that the portion of McLean Street proposed to be closed remain open because of the inability to have access to two (2) of her lots.

Mr. Emrick pointed out that in January, 1977, Council closed portions of McLean Street, and Oak Knoll Street to provide for Thomwin's subdivision and Mrs. Meech's property does have access to Oak Knoll in the Thomwin's subdivision. He said Council's decision is whether or not the closing of this portion of McLean Street would adversely affect the adjoining property owner's ingress and egress to their property. He said the street has never been opened or utilized in any way since being placed on the tax maps in 1929 as a street. He said if a developer wanted to subdivide the property additional rights-of-way would have to be obtained in order to meet the requirement of a 50 ft. right-of-way for streets in a subdivision. He said the street only has a 30 ft. right-of-way at the present and could not be used as a functional street.

ORDINANCE NO. 966 - AN ORDINANCE AMENDING AND APPROPRIATING COMMUNITY DEVELOPMENT BUDGET CHANGES RECLASSIFYING CAPITAL PROJECTS FOR 1977-78

6. Consideration was given to an ordinance amending and appropriating Community Development Budget Changes reclassifying capital projects for 1977-78.

The City Manager read the ordinance and explained that these capital projects are on-going projects in the Community Development Budget and have already been appropriated in the second action year. He said this action was merely for bookkeeping records.

Councilman Michael moved for the adoption of Ordinance No. 966. This motion was seconded by Councilman Morris.

On a roll call vote of 5-0, Ordinance No. 966 passed on first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 966. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 966 passed on second reading.

Councilman Michael again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 966. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 966 passed on third and final reading.

Complete text of Ordinance No. 966 will be found in Ordinance Book No. 7 at page 164.

Councilman Michael suggested that when the Community Development Budget hearings begin in July that a graft of projects for each community be made showing completion dates on each project and which projects are to be eliminated. He said he felt this would help the citizens to know more about the projects.

Logan Delany, Community Development Coordinator, said Lamar Gudger had announced last week that the City of Asheville had been funded for $2,822,000 for the Third Year Community Development Program.

MAIL CARRIERS COMPLAINT -ENFORCEMENT OF DOG ORDINANCE

Don Gaddy, Supervisor of the Main Office for the U. S. Post Office, representing a group of mail carriers requested that Council take some action to enforce the dog ordinance to get the dogs off the streets.

Mayor Ochsenreiter advised that the City Manager is presently working on the problem.

The City Manager said Council could look at several alternatives, one of which would be to amend the present ordinance to direct the penalties to the owner of the dogs rather than the dog or to change the fine from $5.00 to $25.00 in order to get their dog back after being picked up. He said the animal control ordinance is still being reviewed by the City staff.

Jim Evans, Civic Center Manager, said the present rental rate structure had not changed since its adoption in 1973 and after an extensive survey of rental rates presently being charged at other Civic Center facilities it was found that the present rates should be raised in view of the fact that they are lower than other similar rental rates presently being charged at similar facilities. He said the new rates will still be competitive. He then reviewed the present rates and proposed rates for members of Council.

A discussion was held relative to renting the meeting rooms in the Arena at times when the Arena is not being rented. Council directed that the Civic Center Commission take the suggestion under consideration.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 77-107 was unanimously adopted.

Complete text of Resolution No. 77-107 will be found in Resolution Book No. 9 at page 331.

ORDINANCE NO. 965 - AN ORDINANCE TO ESTABLISH A GRIEVANCE PROCEDURE FOR EMPLOYEES OF THE CITY OF ASHEVILLE

5. Consideration was given to an ordinance to establish a grievance procedure for employees of the City of Asheville.

The City Manager read the ordinance.

Mike Smith, Personnel Director, advised that this ordinance would put the city's present grievance procedure, which has been in effect for about a year, into ordinance form in order to comply with legislation enacted recently by the General Assembly. He said the only change in the present grievance procedure would be to allow the City Manager to establish a Grievance Committee and that grievances pertaining to position classifications would go directly to the City Manager.

Councilman Michael suggested that employees be contacted, from time to time, to determine if their grievances are being suppressed by their supervisors.

Councilman Michael moved for the adoption of Ordinance No. 965. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 965 passed on first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 965. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 965 passed on second reading.

Vice-Mayor Horton again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 965. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 965 passed on third and final reading.

Complete text of Ordinance No. 965 will be found in Ordinance Book No. 7 at page 163.

Thursday - July 14, 1977 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of the minutes of the July 7, 1977 meeting.

Councilman Rainey requested that his statement relative to the McLean Street resolution, shown on page 112, be amended to read as follows: "Councilman Rainey said since Mrs. Meech is of failing health and might have to sell her property, he felt the closing of McLean Street would be a deterrant to the sale of her property. He suggested waiting about 6 months to a year before closing the street in order to give Mrs. Meech time to decide the disposition of her property. He said Council's decision to close McLean Street in January of 1977 compounded Mrs. Meech's problem."

Councilman Morris moved that the approval of the July 7, 1977 minutes be tabled until such time as it can be determined if a second was received relative to his motion to amend the resolution, regarding the closing of McLean Street, by deleting the paragraphs referring to the fact that there was no opposition. This motion was seconded by Councilwoman Swilling and carried unanimously.

RECOGNITION OF RETIRED CITY EMPLOYEES

2. The City Manager recognized the following retired City employees: Mr. McKinley Penland, Mrs. Wilma Reeder, Mr. James R. Self, Mr. James Freeman and Mr. Wayne Sharp. He said their combined service represents almost 70 years of service to the City of Asheville.

PUBLIC HEARING - CLOSING PORTION OF INGLEWOOD ROAD

RESOLUTION NO. ____ - RESOLUTION TO CLOSE A PORTION OF INGLEWOOD ROAD

3. A public hearing was held relative to closing a portion of Inglewood Road.

Mayor Ochsenreiter opened the public hearing at 3:08 o'clock p.m.

The City Manager advised that the legal notice of the public hearing was duly advertised relative to the time and date for the public hearing. He presented the affidavit of publication.

Mr. William E. Green, Attorney representing the Asheville Country Club, spoke in favor of closing Inglewood Road as petitioned for by the Asheville Country Club. By use of a map, Mr. Greene reviewed the ownership of the property on both sides of Inglewood Road as well as the exact points of Inglewood Road proposed to be closed. He said the portion proposed to be closed is very narrow and steep with blind

The City Manager said Council could direct the Corporation Counsel to prepare an amendment to the present ordinance making the owner responsible and increasing the penalties.

Councilman Michael suggested that the mail carriers file a report with the Chief of Police on the habitual offenders. If no results are obtained then the City Manager should be sent a copy of the report.

Furman Harris, a Magistrate, said the City should let the magistrates know what to do about citizens complaining of dogs.

Will Burton, of Grail Street, also complained of no action taken by the dog control officers.

PETITION - RESIDENTS OF LONGVIEW, RIDGELAWN, AND GARDEN CIRCLE - POLICE PATROL

The City Manager presented a petition from residents of Longview, Ridgelawn, and Garden Circle asking for more police patrol, signs for a 20 mph zone, and signs for children playing. He said he would look into these complaints.

Vice-Mayor Horton said this area is very congested and faces problems with young drivers going to fast.

CLAIM - JOHN D. STEVENS

The City Manager presented a claim received from Jones and Parker Attorneys on behalf of John D. Stevens.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - BOBBY JACK ROBINSON

The City Manager presented a claim received from James J. Hugenschmidt, Attorney, on behalf of Bobby Jack Robinson.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

AL REED - STATEMENT - RE: GOLF COURSE - WATER IN WEST ASHEVILLE

Mr. Al Reed expressed appreciation to the City of Asheville for the fine condition of the Municipal Golf Course and for upgrading the water. He said he would be happy when the City of Asheville could put a reservoir on the west side of the City

Adjournment.

Eugene F. Ochsenreiter
MAYOR

William J. Metcalf, Jr.
CITY CLERK

He questioned the fact of the City donating Inglewood Road to the Country Club if it is closed. He also questioned whether or not the Country Club had received approval from the Planning and Zoning Commission and Council for their development. He said the private road, which the Country Club proposes to dedicate to the City, does not meet City standards.

Mr. Verl Emrick, Planning Director, said the Country Club development did not meet the criteria set forth in the zoning ordinance for group development review since the building did not exceed 25,000 square feet.

Mr. and Mrs. Edward Schlaefer said they represented a majority of homeowners and residents of Inglewood Road, who supported the closing of Inglewood Road as petitioned by the Country Club. However, these homeowners would like to have the end of Inglewood Road made into a cul-de-sac. They presented a petition containing approximately 60% of the homeowners on Inglewood Road who would like to have the end of Inglewood Road made into a cul-de-sac.

The City Manager said he had also received a petition from residents of Inglewood Road who supported the closing of Inglewood Road as petitioned by the Asheville Country Club and also the dedication of the private road to the City of Asheville for public use.

Mr. and Mrs. Emmett Davis of 57 Inglewood Road, said they did not oppose the closing of Inglewood Road as proposed by the Country Club. They said they did favor the opening of the private road since 75% of the local traffic presently uses the road.

Mr. John Turley of 44 Inglewood Road, spoke in favor of the closing of Inglewood Road. However, Mr. Turley would like a cul-de-sac at the end of the road.

Councilman Rainey requested that the City Manager instruct the Traffic Engineer to obtain a traffic count on Inglewood Road. He also asked that the City Manager obtain an estimate on the cost of the cul-de-sac at the end of Inglewood Road. He said the cul-de-sac should be large enough for fire trucks and school buses.

Mr. Charles David, Vice President of the Asheville Country Club, stated that the Club would cooperate with the residents and the City, whether it be to close the road with a cul-de-sac or the dedication and opening of the private road.

Mr. Hillard Green said Inglewood Road was put in by the original developers of Lakeview Park Commission and the City has never maintained the road since most of the local traffic use the private road owned by the Country Club. He said the Club would merely be exchanging rights-of-way of Inglewood Road and the private road.

Mrs. Lucy Ward, 48 Inglewood Road, also spoke in favor of the closing of Inglewood Road as petitioned with a cul-de-sac being placed at the end of Inglewood Road.

Mayor Ochsenreiter advised that the Council and City staff had nothing to do with the contractor's actions on Inglewood Road and was taking steps to alleviate future problems of this nature.

Councilman Michael said he could not vote on a resolution to give the Asheville Country Club Inglewood Road because it is a segregated club.

Mr. David of the Country Club advised Councilman Michael that the City would not be giving away title to any land since the Club owns the land. He said the City would be merely relinquishing the right-of-way.

curves. He said the Asheville Country Club proposes to construct a practice tee on this property. He indicated that if this public road is closed, the Country Club would dedicate its private road to the City for public use.

Upon inquiry of Council, the City Manager said this project moved along faster than City Council's action. He said when it was brought to his attention that the Asheville Country Club had covered Inglewood Road, the portion proposed to be closed, with dirt, he personally investigated the project. He said it was determined that the action of the Country Club to cover Inglewood Road with dirt had not adversely affected the traffic, due to the fact that local traffic is presently using the private road owned by the Country Club. He then reviewed Section 25-3 of the Code of Ordinances which sets a fine for depositing dirt on City streets. He said if Council desires to leave Inglewood Road open, the Asheville Country Club would be responsible for putting the road back in its original condition. He said it was his understanding that if Council authorizes the closing of Inglewood Road, the Asheville Country Club would dedicate the private road to the City. He suggested that action on the closing of Inglewood Road be delayed until the following can be negotiated with the Asheville Country Club:

1. The dedication of a 40' right-of-way for the private road. (Presently has a 30' right-of-way).

2. A 22' street be constructed of asphalt surface to bring the private road up to City standards, at no cost to the City. He said this work is estimated at $4,000 and would be done by the City with the stipulation that the City would be reimbursed by the Asheville Country Club.

3. Curb and gutter is not a requirement, however, the City would not assume any responsibility for storm drainage.

4. The City would request the Country Club Engineer to locate the tow of their fill and the proposed right-of-way on a plat.

5. The City would require the dedication of a right-of-way for an existing water line, if it is not in the proposed 40' right-of-way.

6. The City would design the lay out of the road.

7. The closing of Inglewood Road be effective upon the completion of the above requirements.

8. That the 40' right-of-way from the Country Club be from Tax Lot 403 to Point B shown on the plat.

Councilman Rainey expressed concern about contractors taking such actions without first contacting the City and following due process of law.

Mr. Lorence Rapoport, 175 Windsor Road, speaking in opposition to the proposed closing, said the contractor is employed by the Asheville Country Club, therefore, the Club would be responsible for the actions of the contractor. He said it was his understanding that if he drives on the private road he would not be insured. He also suggested that since several members of the Council belong to the Country Club they may want to disqualify themselves from voting on the matter due to a conflict of interest.

After discussion, Councilman Morris moved to approve the outdoor advertising sign at 80 Charlotte Street. This motion was seconded by Councilman Michael and carried unanimously.

RESOLUTION NO. 77-110 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A LEASE AGREEMENT WITH THE OPPORTUNITY CORPORATION OF MADISON-BUNCOMBE COUNTIES, INC. TO PERMIT THE OPPORTUNITY CORPORATION TO SUB-LEASE THE SHILOH SCHOOL

7. Consideration was given to a resolution authorizing the Mayor to sign a lease agreement with the Opportunity Corporation of Madison-Buncombe Counties, Inc. to permit the Opportunity Corporation to sub-lease the Shiloh School.

The City Manager said he had received a letter from Lonnie D. Burton, Executive Director of the Opportunity Corporation of Madison-Buncombe Counties, requesting that the City extend the lease agreement for Shiloh School to the Opportunity Corporation for a period of six (6) months until December 31, 1977.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, Resolution No. 77-110 was unanimously adopted.

Complete text of Resolution No. 77-110 will be found in Resolution Book No. 9 at page 334.

RESOLUTION NO. ___ - RESOLUTION TO THE ALCOHOL ENFORCEMENT DIVISION OF THE DEPARTMENT OF CRIME CONTROL AND PUBLIC SAFETY REGARDING STRICT ENFORCEMENT OF ABC LAWS

8. Consideration was given to a resolution to the Alcohol Enforcement Division of the Department of Crime Control and Public Safety regarding strict enforcement of ABC laws.

The City Manager read the resolution.

Councilman Rainey said this resolution was prepared at his request. He suggested that this resolution be considered at the July 21, 1977 meeting, giving the Corporation Counsel an opportunity to review it as well as giving the citizens an opportunity to voice their opinions. He said on his recent trip to Lexington, KY, he found that Lexington, KY, had amended their zoning ordinance to prohibit bars and taverns in the downtown area. He said this resolution would also reaffirm Council's request to the Alcohol Enforcement Division for strict enforcement of ABC laws in the downtown bars and taverns as well as the sale of liquor to minors.

It was the consensus of Council to consider this resolution at next weeks' work session.

PUBLIC HEARING SCHEDULED - REZONING REQUEST - SAMUEL GRAVES - MONTFORD PLAZA

The City Manager read a letter from the Planning and Zoning Commission relative to rezoning property in the Montford area from R-3 Residential District to Commercial General (CG) District requested by Samuel Graves.

Councilman Hoyle moved to schedule a public hearing on the matter for August 11, 1977. He further moved that the August City Council night meeting be held on August 11, 1977 at 7:30 o'clock p.m. instead of August 4, 1977. This motion was seconded by Councilman Rainey and carried unamimously.

Mrs. Johnson of 24 Inglewood Road, spoke in opposition to the closing of Inglewood Road as petitioned by the Asheville Country Club.

Mrs. Chandler of 28 Inglewood Road also spoke in favor of keeping the private road open.

Mayor Ochsenreiter closed the public hearing at 4:08 o'clock p.m.

Mayor Ochsenreiter said the resolution would be discussed during Council's Tuesday work session and the matter would be considered further after the recommendations of the City Manager are discussed. He advised Mr. Greene, Attorney representing the Asheville Country Club, that Council would notify him when the matter would be considered again.

RESOLUTION NO. 77-108 - RESOLUTION OF APPRECIATION TO THOMAS C. POSEY FOR SERVICES AS A MEMBER OF THE CITY OF ASHEVILLE CIVIL SERVICE BOARD

4. Consideration was given to a resolution of appreciation to Thomas C. Posey for services as a member of the City of Asheville Civil Service Board.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 77-108 was unanimously adopted.

Complete text of Resolution No. 77-108 will be found in Resolution Book No. 9 at page 332.

RESOLUTION NO. 77-109 - RESOLUTION OF APPRECIATION TO CHARLES W. DERMID FOR SERVICES AS A MEMBER AND VICE-CHAIRMAN OF THE CITY OF ASHEVILLE CIVIL SERVICE BOARD

5. Consideration was given to a resolution of appreciation to Charles W. Dermid for services as a member and vice-chairman of the City of Asheville Civil Service Board.

Councilwoman Swilling read the resolution.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 77-109 was unanimously adopted.

Complete text of Resolution No. 77-109 will be found in Resolution Book No. 9 at page 333.

APPROVAL OF AN OUTDOOR ADVERTISING SIGN AT 80 CHARLOTTE STREET

6. The City Manager read a memorandum from Gary Lance, Building Inspections Supervisor, which stated that "On July 1, 1977, Lamar Dean made application for erection of sign at 80 Charlotte Street within Six Hundred (600) feet of the Crosstown Expressway. Ordinance #322, being the Zoning Ordinance of the City of Asheville, Article 9, "Sign Regulations" Section B. Paragraph 7, requires that this be approved by the City Council."

The sign will be a four faced sign, three hundred (300) square foot per face, total of twelve hundred (1200) square feet and shall be required to meet a thirty (30) foot setback from edge of existing pavement or highway. The sign complies with the requirements of the sign ordinance.

COUNCILMAN RAINEY - PORNOGRAPHY SHOPS AND PORNOGRAPHY PRIVATE CLUBS

Councilman Rainey referring to his resolution regarding amending the zoning ordinance to exclude all bars and taverns in the downtown area, asked that pornography shops and pornography private clubs also be included.

Adjournment.

Eugene V. Rigsby
MAYOR

William J. Mecca
CITY CLERK

REPORT - NASTY BRANCH STUDY

The City Manager said that copies of the Nasty Branch Area Study were distributed to the Council on Tuesday. He said the cost of this study was funded by Community Development funds. He said this study would be helpful in planning for the development of the Eastend and the Valley Street area, particularly the parts that were not included in the East Riverside Urban Renewal Program.

CLAIM - TIM BRANSON

The City Manager presented a claim for damages from Tim Branson.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - MRS. CHARLES ENGLUND

The City Manager presented a claim for damages from Mrs. Charles Englund.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

VICE-MAYOR HORTON - BAPTIST HOME FOR THE AGING

Vice-Mayor Horton asked the City Manager if there had been any decision reached on the request from the Baptist Home for the Aging to be annexed into the City.

The City Manager said a report on this matter would be given to Council at next weeks' Tuesday work session.

VICE-MAYOR HORTON - PRIVILEGE TAXES

Vice-Mayor Horton expressed concern about the billing for privilege taxes this year. He said there had been a report that some businesses were not paying their privilege taxes.

The City Manager said he would look into the matter.

VICE-MAYOR HORTON - OBSCENITY

Vice-Mayor Horton said that many civic groups and residents have asked what might be done about controlling and eliminating obscenity in the community. He said the State Legislature took positive action this year with the adoption of a revised public nuisance statute which now covers obscenity and pornography as a controllable public nuisance. He said the statute would not be effective until August 1. He said this revised statute needs to be reviewed in order to determine what must be done for early implementation and enforcement. He said a meeting had been scheduled with District Attorney Bob Fisher on the matter and a report on the outcome of the meeting should be ready next week.

PROCLAMATION - CYSTIC FIBROSIS WEEK - JULY 11 - 15, 1977

Mayor Ochsenreiter proclaimed the week of July 11-15, 1977 as "Cystic Fibrosis Week."

By use of a map, Mr. Emrick reviewed the proposed boundaries for the extraterritorial jurisdiction.

Councilman Morris moved to schedule a public hearing on the matter for August 11, 1977 at 7:30 o'clock p.m. This motion was seconded by Councilman Hoyle and carried unanimously.

PUBLIC HEARING - CLOSING OF AN ALLEY BETWEEN CAROLINA LANE AND LEXINGTON AVENUE

4. A public hearing was held relative to the closing of an alley between Carolina Lane and Lexington Avenue.

Mayor Ochsenreiter opened the public hearing at 3:26 o'clock p.m.

The City Manager presented the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. W. Louis Bissette, Jr., Attorney representing Mr. John L. Lantzius who is owner of all the property adjoining the alleyway proposed to be closed, spoke in favor of closing the alley which connects Lexington Avenue with Carolina Lane. He said that the closing of the alley is not contrary to the public interest and that no property owners would be deprived of reasonable ingress or egress to their property. He advised Council of Mr. Lantzius' plans to develop this area. He explained that if the alley remains open, the vehicular traffic would adversely affect the concept.

Mr. John E. Reid, architect for the proposed project, described the area as "a place strictly for people." He said that most all of the proposed shops in the development would have access to the courtyard and that the plan is to allow the existing alley to remain open for emergency vehicles. He said that several businesses have already shown their interest in moving into the area.

Mr. Carl W. Loftin, Attorney representing A. J. Richa who is the owner of Oriental Rug Company at 51 Broadway, opposed the closing of the alley and questioned the ownership of the surrounding property. Mr. Bissette explained the portions of property owned or under contract by Mr. Lantzius.

Fire Chief Powell Ball advised that he had inspected the area and that he saw no problem with furnishing adequate fire protection if the alley remained available for emergency use.

Mr. Loftin said he had counted 30 vehicles parked in Carolina Lane and that frequently the northern end of Carolina Lane is blocked by cars and trucks that are parked there in violation of the "no parking" signs. He said since Carolina Lane is a one-way street, going north, cars have no way out except through the alley. He presented a petition, signed by all of the owners (except one) of the businesses along Broadway that abut on Carolina Lane, opposing the closing of the alley. Mr. Loftin said that the closing of the alley would deprive the people of reasonable ingress to and egress from their properties.

Councilman Rainey asked the City Manager if it was legal to park cars along Carolina Lane. He was advised that there were several "no parking" signs along the alley, which no doubt are being ignored by some individuals.

Councilman Rainey commented that perhaps if the alley is closed and the proposed development is built, businesses along Carolina Lane might be enhanced by the increased traffic. Also, he suggested removing the gate, putting up some trees outside the 10 foot wide alley and the erection of a sign saying "Closed Except To Emergency Traffic."

Thursday - July 21, 1977 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Acting Corporation Counsel Robert J. Robinson, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Otis B. Michael and Corporation Counsel William C. Moore

APPROVAL OF MINUTES

1. Approval of the minutes of the July 7, 1977 meeting and the July 14, 1977 meeting.

The City Manager said the minutes of the July 7, 1977 meeting had been revised to reflect that Councilman Morris' motion, relative to McLean Street, did in fact delete the paragraph referring to the fact that there was no opposition. Vice-Mayor Horton then moved to approve the minutes of the July 7, 1977 meeting. This motion was seconded by Councilman Hoyle and carried unanimously.

Vice-Mayor Horton requested that the sentence relative to obscenity, shown on page 121, be amended to read as follows: "He said the State Legislature took positive action this year with the adoption of a revised public nuisance statute which now covers obscenity and pornography as a controllable public nuisance."

With this amendment, Councilman Rainey made a motion to approve the minutes of the July 14, 1977 meeting. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 954 - AN ORDINANCE ESTABLISHING A DOWNTOWN REVITALIZATION COMMISSION

2. Consideration was given to the second reading of Ordinance No. 954, an ordinance establishing a Downtown Revitalization Commission.

Mayor Ochsenreiter said a work session had been held relative to the ordinance at which time several amendments were suggested. He said these amendments were partially a result of a recent visit to Lexington, KY, by Mr. Emrick and Councilmen Rainey and Hoyle, to review Lexington's Downtown Revitalization Project.

Mr. Verl Emrick, Planning Director, re-read the proposed ordinance incorporating the amendments suggested in the work session.

Mayor Ochsenreiter said that Council would review the ordinance again in Tuesday's work session.

On a roll call vote of 5-0, Ordinance No. 954 passed on its second reading.

PUBLIC HEARING SCHEDULED - REDESIGNATION OF THE CITY OF ASHEVILLE EXTRATERRITORIAL JURISDICTION

3. Verl Emrick, Planning Director, said since there had recently been adverse opinions relative to the City's extraterritorial jurisdiction boundaries, he would suggest that Council readopt the zoning ordinance in its entirety being more distinct in the established boundaries as well as being more definitive in the notice to the public relative to the boundaries. He said this action would require that Council schedule a public hearing on the matter.

and Mrs. Brenda Dry were still objecting to the rezoning.

Mr. Emrick presented a revised plan given to him by Mr. Alan Butterworth.

Mr. Butterworth, spoke in favor of the rezoning, stating that it is their intention to demolish the existing gas station and old house now on the property, and redevelop the property for a restaurant. He said this will require a lot of parking spaces and it was their original intent to utilize the front and back of the lots for parking. He said, after consulting with Mrs. White, a property owner who is opposed to the rezoning, it was decided that the back of the lots would be used strictly for employee parking. He said he felt the proposed development would improve the surrounding properties.

Upon inquiry of Councilman Rainey, Mr. Butterworth said a green belt, double row of white pines, is proposed between the employee parking lot and the adjoining residential property.

Mrs. White spoke in opposition to the rezoning, stating that she did not want a parking lot in her back yard. She said this would cause continuous traffic and noise.

Upon inquiry of Mr. Reese, a property owner in the area, Mr. Butterworth advised that there would be no access to Reed Street.

Mayor Ochsenreiter then called for a 10 minute recess.

After discussion, Mayor Ochsenreiter closed the public hearing at 4:50 o'clock p.m.

The City Manager read the ordinance rezoning the property as recommended by the Planning and Zoning Commission.

Councilman Morris moved for the adoption of Ordinance No. 967. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 5-0, Ordinance No. 967 passed on first reading.

RESOLUTION NO. 77-111 - RESOLUTION AUTHORIZING MAYOR TO EXECUTE A RIGHT-OF-WAY AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE INSTALLATION OF A 16-INCH WATER LINE ON STATE ROAD 3412 - 3414 (SAND HILL ROAD) IN ASHEVILLE, NORTH CAROLINA

6. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way agreement with the North Carolina Department of Transportation for the installation of a 16-inch water line on State Road 3412-3414 (Sand Hill Road) in Asheville, North Carolina.

The City Manager read the resolution.

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 77-111 was unanimously adopted.

Complete text of Resolution No. 77-111 will be found in Resolution Book No. 9 at page 335.

Mayor Ochsenreiter closed the public hearing at 4:05 o'clock p.m.

The City Manager read the resolution.

Councilwoman Swilling moved to amend the resolution by deleting that portion referring to the fact that, "no individual owning property within the vicinity of the alley would be deprived of reasonable ingress or egress to his or her property." This motion was seconded by Councilman Rainey.

Acting Corporation Counsel Robert J. Robinson said according to the N. C. General Statutes 160A-299, the portion proposed to be deleted by Councilwoman Swilling is part of the criteria for the requirements of closing a street.

Councilman Rainey then suggested that the resolution be amended to close the alley to vehicular use, except for emergency vehicles.

Councilwoman Swilling withdrew her motion and Councilman Rainey withdrew his second.

Councilwoman Swilling moved for the adoption of the resolution as read. This motion was seconded by Councilman Rainey.

After some discussion, Councilman Morris moved to table the resolution until the July 28, 1977 meeting, giving Council members an opportunity to determine if the closing of the alley would deprive adjoining property owners "reasonable" ingress or egress to their property. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Councilwoman Swilling asked the City Manager for his opinion as to whether or not a traffic count on Carolina Lane would be advantageous.

The City Manager said he would investigate.

PUBLIC HEARING - REZONING PROPERTY ON FAIRVIEW AND REED STREET

5. Public hearing relative to rezoning property on Reed Street and Fairview Street, from R-3 Residential District to CH Commercial Highway, property owned by Alan and Lucy Butterworth and Robert A. and Ann B. Harroff.

Mr. Emrick reviewed the background of the rezoning request reiterating that the Planning and Zoning Commission had recommended approving the request, in part, by extending the Commercial Highway Zone back to the existing R-3 Residential District, thereby disapproving the request to rezone the rear portions of lots 25 & 26. The reason for denying rezoning the rear portions of Lots 25 & 26 was because this could provide a point of access onto a street which would not adequately accommodate volumes of traffic created by the proposed use as well as adversely affecting adjoining residential property on Reed Street by increased traffic and noise.

By use of a map, Mr. Emrick pointed out that the original petition included Lots 25 & 26. The staff recommendation was to block the full usage of Lots 25 and 26. He said the reason that the recommendation was given is that the widening of US 25 is eminent and in order to more fully utilize the subject property, the Planning and Zoning Commission did recommend the approval to Council.

Mr. Emrick said as a result of protest petitions, which have been submitted, the twenty percent (20%) protest rule would still apply to this rezoning, which would require a favorable vote of three-fourths of all members of City Council for final approval. He said that Mr. Souther, one of the original petitioners who owns a lot in the area, has withdrawn his objection. He said Mr. & Mrs. Daniel D. Byrd, Mrs. White,

Complete text of Resolution No. 77-112 will be found in Resolution Book No. 9 at page 336.

RESOLUTION NO. 77-113 - RESOLUTION TO THE ALCOHOL ENFORCEMENT DIVISION OF THE DEPARTMENT OF CRIME CONTROL AND PUBLIC SAFETY

10. Consideration was given to a resolution to the Alcohol Enforcement Division of the Department of Crime Control and Public Safety.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilwoman Swilling, Resolution No. 77-113 was unanimously adopted.

Councilman Rainey said this resolution would reaffirm Council's request to the Alcohol Enforcement Division for strict enforcement of ABC laws in the downtown bars and taverns as well as the sale to minors.

Vice-Mayor Horton suggested that Council amend the resolution in the third Whereas to read as follows: "Whereas, the Alcohol Enforcement Division has performed an outstanding job of enforcing ABC laws during the past year in regard to area bars and taverns and sales to minors." He further suggested that the following paragraph be amended "The Alcohol Enforcement Division also be requested to maintain its high level of enforcement of ABC laws prohibiting the sale of alcoholic beverages to minors."

Councilman Rainey and Councilwoman Swilling accepted Vice-Mayor Horton's amendments.

Complete text of Resolution No. 77-113 will be found in Resolution Book No. 9 at page 337.

COUNCILMAN RAINEY - ELIMINATION OF DOWNTOWN BARS, TAVERNS, PORNOGRAPHY SHOPS AND PORNOGRAPHY CLUBS

Councilman Rainey asked the City Manager to prepare an amendment to the zoning ordinance that will exclude bars, taverns and pornographic shops and clubs from the downtown area. He noted that on his recent trip to Lexington, KY, Lexington had amended their zoning ordinance to prohibit bars and taverns in the downtown area and he would like to see the same type of amendment in the City's zoning ordinance. He explained that this would not affect bars in restaurants, but only bars where beer and wine is the main sale.

Mr. Bill Bartlett, owner of a downtown bar, spoke in opposition to this amendment in the zoning ordinance.

Mayor Ochsenreiter said this suggestion could be considered by the Downtown Committee.

Councilman Morris questioned the possibility of bars and taverns moving into residential neighborhoods, if the bars and taverns were moved from downtown. He said this would only be creating problems for the residential areas.

VICE-MAYOR HORTON - DOOBIE BROTHERS

Vice-Mayor Horton reminded Council of their intent to attend the Doobie Brothers Concert on July 28, 1977 to observe the festival seating arrangement to see how well it is carried out from the standpoint of crowd control and keeping things on an acceptable level of activity in the community.

PUBLIC HEARING SCHEDULED - GROUP DEVELOPMENT - U.S. POSTAL SERVICE, GENERAL MAIL FACILITY

7. The City Manager read a letter from the Planning and Zoning Commission which recommended approval of the site plan of the proposed general mail facility to be located on N. C. 191 (Brevard Road) subject to the recommendations of the Water and Sewer Department.

Councilman Hoyle moved to schedule a public hearing on the matter for August 18, 1977. This motion was seconded by Councilman Morris and carried unanimously.

ORDINANCE NO. 968 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

8. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1977-78 (appropriating $47,032 in the Federal Programs fund for the operation of the North Carolina Youth Conservation Corps.)

The City Manager read the ordinance.

The City Manager advised that Council had approved the operation of the North Carolina Youth Conservation Corps on March 10, 1977. However, confirmation of the total grant amounts was not received when the 1977-78 General Operating Budget was adopted. Therefore, funding for the operation of this program was not included in the City's operating budget for fiscal year 1977-78. He said this ordinance would appropriate $47,032 in the Federal Programs fund for the operation of the project.

Councilman Morris moved for the adoption of Ordinance No. 968. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 5-0, Ordinance No. 968 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 968. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 968 passed on second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 968. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 968 passed on third and final reading.

Complete text of Ordinance No. 968 will be found in Ordinance Book No. 7 at page 167.

RESOLUTION NO. 77-112 - RESOLUTION CALLING FOR A PUBLIC HEARING REGARDING THE ESTABLISHMENT OF A RAMP FEE FOR TRANSIENT GENERAL AVIATION AIRCRAFT AT THE ASHEVILLE AIRPORT

9. Consideration was given to a resolution calling for a public hearing regarding the establishment of a ramp fee for transient general aviation aircraft at the Asheville Airport.

The City Manager read the resolution.

Vice-Mayor Horton moved for the adoption of Resolution No. 77-112, scheduling the public hearing for August 18, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

Thursday - July 28, 1977 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Otis B. Michael

PROCLAMATION - MINORITY BUSINESS ENTERPRISE WEEK

Mayor Ochsenreiter proclaimed the week of July 25, 1977 as Minority Business Enterprise Week.

APPROVAL OF MINUTES

1. Approval of the minutes of the July 21, 1977 meeting.

Vice-Mayor Horton noted that a change should be made in Item #10 relative to Resolution No. 77-113 by changing the language of the motion to read: "Councilman Rainey moved adoption of the resolution, which was seconded by Councilwoman Swilling." and to change the last sentence in Item #10 to read: "Councilman Rainey and Councilwoman Swilling accepted Vice-Mayor Horton's amendments and the resolution was unanimously adopted."

With these amendments, Vice-Mayor Horton moved to approve the minutes of the July 21, 1977 meeting. This motion was seconded by Councilman Rainey and carried unanimously.

PUBLIC HEARING - CLOSING OF A PORTION OF TAFT STREET

RESOLUTION NO. 77-114 - RESOLUTION TO CLOSE A PORTION OF TAFT STREET

2. A public hearing was held relative to the closing of a portion of Taft Street.

Mayor Ochsenreiter opened the public hearing at 3:06 o'clock p. m.

The City Manager advised that the notice to the public had been given in the form of Resolution No. 77-104. He presented the affidavit of publication. He also presented affidavits that the street had been posted and that certified letters were sent to all adjacent property owners, advising of the public hearing date, all in accordance with the North Carolina General Statutes.

Bill Morris, attorney representing the Asheville City Board of Education, explained that the owners of the property bounded by the portion of Taft Street proposed to be closed are the Asheville City Board of Education and the Trustees of the Hill Street Baptist Church. He said these two owners are the petitioners for the closing. He said the petitioners propose to exchange properties owned on each side of the street in order that the Asheville City Board of Education would have a contiguous tract and that property belonging to the Trustees of the Hill Street Baptist Church would be a contiguous tract. He said the portion of Taft Street proposed to be closed is not presently used and is covered with weeds and debris. He said the adjacent property owners could use Butterick Street and Roosevelt Street thereby not depriving anyone of a reasonable means of ingress and egress to their property.

E. R. MCCARTHY - PAVEMENT REPAIR

Mr. E. R. McCarthy observed that the sidewalks on College Street and Lexington Avenue were in need of repair and also the manhole covers on College Street.

K. M. MICHALOVE - ASSISTANT CHIEF OF POLICE GENE JARVIS

The City Manager announced that Assistant Chief of Police Gene Jarvis, was recently elected President of the Carolina Chapter of the F. B. I. National Academy Graduates.

Mayor Ochsenreiter said Mr. J. W. Byer of the ABC Board was chosen as Vice-President of the State Association.

RALPH BISHOP - LOTTERY SALES

Mr. Ralph Bishop again complained to Council that the City Manager and the Police Department was doing nothing about the lottery sales in the City of Asheville.

Adjournment.

Eugene C. Ochsenreiter
MAYOR

Marian T. Metcalf
CITY CLERK

Councilman Morris moved to amend Ordinance No. 954 to include the changes as read by the Planning Director. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 954 passed on its third and final reading.

Complete text of Ordinance No. 954 will be found in Ordinance Book No. 7 at page 133.

Councilwoman Swilling expressed appreciation to the Planning Director and his staff for their efforts in preparing the ordinance.

Mayor Ochsenreiter said the Commission itself would be appointed at next week's Council meeting.

ORDINANCE NO. 967 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property on Reed Street and Fairview Street)

5. Consideration was given to the second reading of Ordinance No. 967, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, rezoning property on Reed Street and Fairview Street from R-3 Residential District to CH Commercial Highway District, property owned by Alan and Lucy Butterworth and Robert and Ann Harroff.

Verl Emrick, Planning Director, said Mr. Butterworth had presented a letter signed by Mr. and Mrs. Byrd withdrawing their opposition to the rezoning. He said this along with the withdrawal of Mr. Souther, last week, decreases the number of allocations of square footage in order that the 20% protest rule would not apply allowing for a simple majority vote of Council to pass the rezoning request.

Mr. Butterworth advised that he had met with the adjoining property owners during the past week in order to arrive at an equitable plan that everybody would be satisfied with. He said his plans had been changed to satisfy Mrs. R. B. White, whose property adjoins the property in question. He said the existing bank would be moved back and a 20' wide green belt is planned all the way across Mrs. White's property. He said no filling will be extended within 20' of Mrs. White's property. He said a row of white pines would also be placed at the top of the slope, at the request of Mrs. White, to allievate head lights from beaming on Mrs. White's bedroom.

Mrs. White said she would like the provisions, specified by Mr. Butterworth, to be put in writing and that she felt a fence should be placed between her property and the proposed parking lot.

Mr. Emrick cautioned Council that there is nothing Council can do, legally, to bind Mr. Butterworth to his plan. He said Council can not require Mr. Butterworth to give a written statement that he will follow the proposed plan as a condition to the rezoning. He said the only thing Council can impose upon him as far as a condition for rezoning the property is a buffer zone. He said the agreement between Mr. Butterworth and Mrs. White would be a "gentleman's agreement" only.

After discussion, Mayor Ochsenreiter closed the public hearing at 3:18 o'clock p. m.

The City Manager read the resolution to close a portion of Taft Street.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 77-114 was unanimously adopted.

Complete text of Resolution No. 77-114 will be found in Resolution Book No. 9 at page 338.

RESOLUTION NO. 77-115 - RESOLUTION CLOSING AN ALLEY BETWEEN LEXINGTON AVENUE AND CAROLINA LANE IN ITS ENTIRETY

3. Consideration was given to a resolution closing an alley between Lexington Avenue and Carolina Lane in its entirety.

The City Manager noted that the public hearing on the matter was held on July 21, 1977. He said during the past week the Police Department had checked Carolina Lane on the average of six (6) times daily during the hours of 8 a. m. and 5 p. m. for traffic violations. He said no parking signs are on the east side and two loading zone signs on the west and at no time were any parking violations found. He also said a traffic count was taken on Monday, July 25, 1977, on Carolina Lane which revealed 234 vehicles for a ten (10) hour period, 7 a. m. to 5 p. m.

There being no further comments regarding the matter, the City Manager was requested to read the resolution closing the alley between Lexington Avenue and Carolina Lane.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, Resolution No. 77-115 was unanimously adopted.

Complete text of Resolution No. 77-115 will be found in Resolution Book No. 9 at page 340.

ORDINANCE NO. 954 - AN ORDINANCE ESTABLISHING AN ADMINISTRATIVE BODY KNOWN AS THE ASHEVILLE REVITALIZATION COMMISSION

4. Consideration was given to the third and final reading of Ordinance No. 954, an ordinance establishing an administrative body known as the Asheville Revitalization Commission.

Mayor Ochsenreiter advised that the ordinance was previously read on two readings and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

Verl Emrick, Planning Director, said since the second reading of the ordinance Council reviewed the ordinance and made several language amendments. He briefly discussed the changes suggested by Council stating that the primary changes were the naming of the commission and the insertion of a section allowing appeals of commission decisions to Council.

The Assistant City Manager read the resolution. He also read a letter from Joan M. Hall opposing the establishment of fees at Aston Park Tennis Courts.

Dick Covington said in the past he had served as a consultant for such matters. He said he felt these matters should be administratively initiated by the department head, being the Recreation Director. He said in 1973 he prepared, at the direction of the Parks and Recreation Advisory Board, a report with recommendations and suggestions as to the methods of operation of the Aston Park Tennis Center. He presented members of Council with a copy of the report. He proposed that Council sublet the Courts to a professional tennis director for operation. He said this type operation was being done at most of the Parks and Recreation Centers in the United States.

Councilman Rainey said he did not favor the establishment of the proposed fees because they had first been considered when no tax increase was contemplated. However, since that time Council adopted a budget with a tax increase. He said he would not be opposed to charging non-city residents a charge for a permit for playing on the courts with the charge to city residents being nominal, to cover administrative cost only.

Mayor Ochsenreiter told Mr. Covington that he should present his proposal to the Parks and Recreation Advisory Board for consideration.

Ray Kisiah, Parks and Recreation Director, said the recommendation of the Parks and Recreation Advisory Board to establish fees at Aston Park Tennis Courts came as a direct result of a request by Council to come up with $10,000 in revenues from the Parks and Recreation Department. He said several alternatives were considered but the Board felt this approach was the most feasible. He further pointed out that there are tennis courts in various neighborhoods of the City, constructed of asphalt or concrete, available to all residents without supervision, free of charge. He said six more asphalt courts are planned, within the next 12 months, for the East Riverside Urban Renewal Area which is in close proximity to the Aston Park Tennis Courts.

Mayor Ochsenreiter said he felt there was a need to generate revenue to be put into a capital reserve for maintenance of the courts.

Mayor Ochsenreiter called for a five (5) minute recess of Council at 4:30 o'clock p. m.

Council reconvened the meeting at 4:38 o'clock p. m.

After discussion, Vice-Mayor Horton moved for the adoption of the resolution as presented. This motion was seconded by Councilman Hoyle.

Councilman Rainey then offered the following amendment to the resolution:

"Change Item #2 to read as follows:

2. An annual permit shall be available to residents other than the City of Asheville as follows:

(a) Individual resident	$35.00
(b) For the second member of his/her immediate family	$15.00
(c) For each successive member of that immediate family	$10.00

Councilman Rainey said he was aware that this would only be a "gentleman's agreement". However, he suggested that the provisions proposed by Mr. Butterworth be spelled out in the minutes and a copy of them given to Mrs. White.

Corporation Counsel Moore suggested that Mr. Butterworth write Mrs. White a letter outlining the provisions proposed for the new development.

Councilman Rainey said he wanted the minutes to show that Mr. Butterworth may be at a disadvantage if the North Carolina Department of Transportation takes more right of way property than is presently proposed. He said if this happens Mr. Butterworth may not be able to meet the parking spaces required by the Asheville Zoning Ordinance. He said he would hope that the Board of Adjustment and the Inspection Division would be very lenient in their interpretation of these requirements.

Mr. Butterworth said he would give Mrs. White a letter outlining his proposed plans stating that there would be no parking in the green belt area and no filling within 20' of her property.

On a roll call vote of 5-0, Ordinance No. 967 passed on its second reading.

RESCHEDULING PUBLIC HEARING- READOPTION OF ZONING ORDINANCE AND EXTRATERRITORIAL JURISDICTION

6. Verl Emrick, Planning Director, advised that at last week's meeting Council scheduled a public hearing for the re-adoption of the Zoning Ordinance for the City of Asheville and the extraterritorial jurisdiction for August 11, 1977. However, after conferring with the Corporation Counsel it was determined that the entire Zoning Ordinance, with all the amendments thereto, would have to be re-read which would take some time. He suggested that Council schedule the public hearing at a special meeting for August 23, 1977.

Councilman Morris moved to schedule a public hearing on the matter for August 23, 1977 at 2:00 o'clock p. m. This motion was seconded by Councilwoman Swilling and carried unanimously.

PUBLIC HEARING SCHEDULED - THOM'S CABLEVSION REQUEST FOR AMENDMENT TO THE FRANCHISE ORDINANCE

7. The Assistant City Manager read a letter from Max O. Cogburn, Sr., Attorney for Thoms Cablevision, requesting a public hearing for an amendment to the Franchise Ordinance to increase authorized rates and to clarify the provisions of the ordinance relative to establishment of rates.

Councilwoman Swilling moved to schedule a public hearing on the matter for August 25, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. _____ RESOLUTION ESTABLISHING FEES FOR THE USE OF ASTON PARK TENNIS COURTS

8. Consideration was given to a resolution establishing fees for the use of Aston Park Tennis Courts.

RESOLUTION NO. 77-117 - RESOLUTION DESIGNATING AN ARCHITECT FOR THE SHILOH RECREATION CENTER

10. Consideration was given to a resolution designating an architect, Mr. Terrance F. Roylance, for the Shiloh Recreation Center.

The City Manager read the resolution.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 77-117 was unanimously adopted.

Complete text of Resolution No. 77-117 will be found in Resolution Book No. 9 at page 345.

RESOLUTION NO. 77-118 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY AGREEMENT WITH THE SOUTHERN RAILWAY COMPANY CONCERNING A WATER LINE AND SEWER PIPE LINE

11. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way agreement with the Southern Railway Company concerning a water line and sewer pipe line.

The City Manager read the resolution.

The Assistant City Manager explained that the right-of-way is for water and sewer lines to serve the proposed new Victoria Health Care Center that will be constructed on Vernon Road. The developer, Victoria Health Care, Inc. has already paid Southern Railway Company $350.00 for the right-of-way.

Upon motion of Councilman Hoyle, seconded by Councilwoman Swilling, Resolution No. 77-118 was unanimously adopted.

Complete text of Resolution No. 77-118 will be found in Resolution Book No. 9 at page 346.

RESOLUTION NO. 77-119 - RESOLUTION APPOINTING MEMBERS TO THE RECREATION BOARD FOR ASHEVILLE (Mr. William M. Rocamora and Mr. Frank T. Leppert)

12. Consideration was given to a resolution appointing members to the Recreation Board for Asheville.

The City Manager read the resolution reappointing Mr. William M. Rocamora and Mr. Frank T. Leppert members of the Recreation Board for Asheville.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 77-119 was unanimously adopted.

Complete text of Resolution No. 77-119 will be found in Resolution Book No. 9 at page 347.

RESOLUTION NO. 77-120 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE LIBRARY BOARD (Anthony Lord and Mrs. J. W. Snow)

13. Consideration was given to a resolution appointing members to the Asheville Library Board.

and to add a new Section 3 to read as follows: "(3) An annual permit shall be available to residents of the City of Asheville for $2.00 for each member of the family", with the present Sections 3, 4, and 5 becoming Sections 4, 5, and 6. This motion was seconded by Councilwoman Swilling.

Councilman Morris said the beginning intent was to create a user charge in order that the taxpayer who does not play tennis would be less burdened. He said the proposed amendment expresses an interest of Council to provide recreation at a nominal expense as well as a concern for the fact that the City provides a substantial amount of recreation for people who do not live in the City and does not pay for it. However, he said he felt the amendment would defeat the main purpose of generating revenues for the operation of the courts.

On a voice vote, Councilman Rainey's amendment was defeated on a vote of 3-2, with Councilwoman Swilling and Councilman Rainey voting "aye" and Vice-Mayor Horton, Councilman Morris and Councilman Hoyle voting "no".

Mayor Ochsenreiter then called for a voice vote on Vice-Mayor Horton's motion to adopt the resolution as presented.

On a voice vote of 3-2, the resolution was defeated with Vice-Mayor Horton and Councilman Hoyle voting "aye" and Councilwoman Swilling, Councilman Rainey and Councilman Morris voting "no".

Councilman Morris suggested that the matter be sent back to the Parks and Recreation Advisory Board for further consideration. He said they should consider the matter without any income involved but from the standpoint of what is fair and what it would take to maintain the courts in good condition. He said Council should give the Parks and Recreation Advisory Board some latitude in charging fees without having to seek approval of Council. He requested that the Parks and Recreation Director confer with the Corporation Counsel on setting up a policy of giving the Parks and Recreation Department "blanket authorization" to institute fees.

Mayor Ochsenreiter instructed that a register be taken for the next six to eight weeks at the Aston Park Tennis Courts to determine who plays at the courts.

RESOLUTION NO. 77-116 - RESOLUTION ESTABLISHING FAIR MARKET VALUE FOR A PORTION OF CERTAIN PROPERTY IMMEDIATELY ADJACENT TO WEST ASHEVILLE PARK AND AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO PROCEED WITH ACQUISITION OF SAID PROPERTY

9. Consideration was given to a resolution establishing fair market value for a portion of certain property immediately adjacent to West Asheville Park and authorizing the Director of Parks and Recreation to proceed with acquisition of said property.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 77-116 was unanimously adopted.

Complete text of Resolution No. 77-116 will be found in Resolution Book No. 9 at page 342.

Upon motion of Councilman Rainey, seconded by Councilwoman Swilling, Resolution No. 77-123 was unanimously adopted.

Complete text of Resolution No. 77-123 will be found in Resolution Book No. 10 at page 1.

RESOLUTION NO. 77-124 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE AREA CIVIC CENTER COMMISSION (Ray Spells and Marvin Chambers)

17. Consideration was given to a resolution appointing members to the Asheville Area Civic Center Commission.

The City Manager read the resolution appointing Mr. Ray Spells and Mr. Marvin Chambers as members of the Asheville Area Civic Center Commission.

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 77-124 was unanimously adopted.

Complete text of Resolution No. 77-124 will be found in Resolution Book No. 10 at page 3.

REQUEST FROM RESIDENTS OF GARDEN CIRCLE- LONGVIEW ROAD- RIDGELAWN ROAD - SPEED LIMIT AND CHILDREN PLAYING SIGNS - POLICE PATROL

18. The City Manager reported that, at the request of the residents of Garden Circle, Longview Road, and Ridgelawn Road, speed limit signs and children playing signs have been erected in the area and the Police Department is patrolling the area as frequently as possible.

REPORT FROM CITY MANAGER - RUNWAY EXTENSION AT ASHEVILLE AIRPORT

The City Manager reported that for over two years the City has been working toward an addition at the Asheville Airport for a runway extension. He said one of the major problems with this project had been obtaining permission from W. H. Fitzpatrick, Henderson County property owner, to obtain fill dirt from his property. However, after discussions the City Council decided to change the plan, at a cost of almost $1 million, so that all needed fill would be taken from the airport property itself. He said after meeting with Mr. Fitzpatrick on July 27, 1977 and explaining the new proposed plan Mr. Fitzpatrick gave the City a letter stating that he did not oppose the airport runway extension. He said with the federal governments' fiscal year ending September 30, and a funding commitment from the FAA needed by that time, Mr. Fitzpatrick's withdrawal of opposition is expected to help the City get the needed FAA approval so the project can proceed.

E. R. McCARTHY - CIVIC CENTER TICKETS

Mr. E. R. McCarthy said that someone told him that Mr. Paul Goodman, Chairman of the Civic Center Commission, is said to have presented to the Mayor the statement that he would block out the first two rows, or the best seats, at any given presentation, to be furnished to persons that he deemed should occupy them and the seats would not be available to the general public. He said he was asked to find out if Mr. Goodman was going to be allowed to do this or if the information was erroneous.

The City Manager read the resolution reappointing Anthony Lord and Mrs. J. W. Snow members of the Asheville Library Board.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, Resolution No. 77-120 was unanimously adopted.

Complete text of Resolution No. 77-120 will be found in Resolution Book No. 9 at page 348 .

RESOLUTION NO. 77-121 - RESOLUTION APPOINTING MEMBERS OF BOARD OF ELECTRICAL EXAMINERS AND MEMBERS OF BOARD OF EXAMINERS OF MOTION PICTURE OPERATORS

14. Consideration was given to a resolution appointing members of Board of Electrical Examiners and members of Board of Examiners of Motion Picture Operators.

The City Manager read the resolution reappointing Frank Davis, Rex Blakeny, Walter Harlow, J. Michael Boozer, and Malachie Cromartie members of the Board of Electrical Examiners and L. B. Simmons and Roy Gibbs members of the Board of Examiners of Motion Picture Operators.

Upon motion of Councilwoman Swilling, seconded by Councilman Morris, Resolution No. 77-121 was unanimously adopted.

Complete text of Resolution No. 77-121 will be found in Resolution Book No. 9 at page 349 .

RESOLUTION NO. 77-122 - RESOLUTION APPOINTING MEMBERS TO THE BOXING AND WRESTLING COMMISSION FOR THE CITY OF ASHEVILLE (C. L. Moore, Leon H. Feldman, Thomas E. Saunooke)

15. Consideration was given to a resolution appointing members to the Boxing and Wrestling Commission for the City of Asheville.

The City Manager read the resolution reappointing C. L. Moore, Leon H. Feldman and Thomas E. Saunooke members of the Boxing and Wrestling Commission for the City of Asheville.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, Resolution No. 77-122 was unanimously adopted.

Complete text of Resolution No. 77-122 will be found in Resolution Book No. 9 at page 350

RESOLUTION NO. 77-123 - RESOLUTION APPOINTING MEMBERS TO THE ADULT ADVISORY BOARD OF THE ASHEVILLE BUNCOMBE COUNTY YOUTH COUNCIL

16. Consideration was given to a resolution appointing members to the Adult Advisory Board of the Asheville Buncombe County Youth Council.

The City Manager read the resolution appointing Mr. Terry Roylance, Mrs. Becky Williams, Rev. Bud Holland, Mrs. Jan Orr, Mr. Ernest Lee Sewell, Jr., and Mr. Herb Watts, as members of the Adult Advisory Board of the Asheville Buncombe County Youth Council.

Thursday - August 4, 1977 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Otis B. Michael

APPROVAL OF MINUTES

1. Approval of the minutes of the July 28, 1977 meeting.

Upon motion of Councilman Hoyle, seconded by Councilwoman Swilling, the minutes of the July 28, 1977 meeting were unanimously approved as submitted.

RESOLUTION NO. 77-125 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE REVITALIZATION COMMISSION

2. Consideration was given to a resolution appointing members to the Asheville Revitalization Commission.

The City Manager read the resolution which appointed James W. Hunter, Robert F. Orr, and George M. Tisdale for five (5) year terms; Mrs. Gary Daniel, James W. Daniels, Chandler Gordon and Leon Rocamora for four (4) year terms; and Mrs. William A. V. Cecil, Mrs. Alice R. Collettee, Wayne Cooper, and Durward R. Everett, Jr., for three (3) year terms, all terms beginning August 1, 1977.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, Resolution No. 77-125 was unanimously adopted.

Complete text of Resolution No. 77-125 will be found in Resolution Book No. 10 at page 4 .

Mayor Ochsenreiter announced that the first meeting of the Commission would be held on August 9, 1977 at 8:00 o'clock a.m. at the Wachovia Bank, with Mr. George M. Tisdale serving as Chairman of the Commission for the first year.

ORDINANCE NO. 967 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning property on Reed Street and Fairview Street)

3. Consideration was given to the third and final reading of Ordinance No. 967, an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended, rezoning property on Reed Street and Fairview Street from R-3 Residential District to CH Commercial Highway District, property owned by Alan and Lucy Butterworth and Robert and Ann Harroff.

Mayor Ochsenreiter advised that the ordinance was previously read on two readings and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there is a specific request to do so.

Mayor Ochsenreiter said he had not received such a letter from Mr. Goodman.

Councilman Rainey said this information could have been interpreted from discussions during the budget process whereby $5,000 was allocated to the Civic Center Commission. He said Mr. Goodman had indicated that part of these funds should be used for the purchasing of tickets to be presented to individuals that needed to be introduced to the Civic Center. He said he would like to have a report from the City Manager on the use of the $5,000 to see how much of the fund is going for ticket purchases.

Councilman Morris said he felt the problem dealt with whether or not the most prime seats in the Civic Center are being withheld from the general public. He said this matter could be looked into.

Mayor Ochsenreiter advised that the matter would be checked into.

Councilman Rainey also requested that the Civic Center Commission investigate the possible need for a scalper's law in the City of Asheville.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again complained to Council that the City Manager was doing nothing about his complaint of lottery sales in the City of Asheville. He also asked when the City Manager was going to appoint a Chief of Police.

VICE-MAYOR HORTON - RESOLUTION FROM FRATERNAL ORDER OF POLICE -HAROLD C. ENLOE LODGE NO. 1

Vice-Mayor Horton read a resolution adopted by the Fraternal Order of Police-Harold C. Enloe Lodge No. 1 commending Drew Walker, Police Legal Advisor for the Asheville Police Department, for his efforts in his job as Police Legal Advisor and wishing him well in his new endeavor as a ministry student.

COUNCILMAN RAINEY - LOTTERY SALES

Councilman Rainey, referring to Mr. Ralph Bishop's statement, said he was pleased with the recent activities of the Vice-Squad of the Asheville Police Department, particularly in obtaining successful court cases against lottery peddlers in the City of Asheville. He said they were deserving of commendation for their activities.

Adjournment.

Eugene C. Ochsenreiter
MAYOR

William F. Maloney
CITY CLERK

ORDINANCE NO. 969 - AN ORDINANCE AMENDING THE CAPITAL PROJECTS ORDINANCE IN EFFECT AS OF JULY 1, 1977

6. Consideration was given to an ordinance amending the Capital Projects Ordinance in effect as of July 1, 1977, appropriating additional funds for federal projects, the Water System Improvement Fund and the Water Capital Construction Fund.

The City Manager read the ordinance explaining that this ordinance would appropriate funds for the construction of water improvements. He briefly outlined the projects to be included in these improvements.

Councilwoman Swilling moved for the adoption of Ordinance No. 969. This motion was seconded by Councilman Morris.

On a roll call vote of 5-0, Ordinance No. 969 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 969. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 969 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 969. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 969 passed on its third and final reading.

Complete text of Ordinance No. 969 will be found in Ordinance Book No. 7 at page 168.

ORDINANCE NO. 970 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

7. Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1977-78 for funding the Asheville School Liaison Program.

The City Manager read the ordinance explaining that Council had approved on March 24, 1977, the continuation of the LEAA Asheville School Liaison Program. However, due to changes in the sub-grant amounts and local cash match, the funds were not sufficiently included in the total operating budget for 1977-78. He said this ordinance would appropriate such funding.

Vice-Mayor Horton moved for the adoption of Ordinance No. 970. This motion was seconded by Councilman Morris.

On a roll call vote of 5-0, Ordinance No. 970 passed on its first reading.

Councilwoman Swilling moved to suspend the rules and proceed to the second reading of Ordinance No. 970. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 970 passed on its second reading.

Mr. Butterworth said he had written Mrs. R. B. White, an adjoining property owner, a letter outlining the provisions for the new development and that she was satisfied with the provisions.

On a roll call vote of 5-0, Ordinance No. 967 passed on third and final reading.

Complete text of Ordinance No. 967 will be found in Ordinance Book No. 7 at page 166.

RESOLUTION NO. 77-126 - RESOLUTION ADOPTING ASHEVILLE'S LAND USE AND HOUSING ELEMENTS

4. Consideration was given to a resolution adopting Asheville's Land Use and Housing Elements.

The City Manager read the resolution.

Verl Emrick, Planning Director, said these plans have been developing for over two years and would aid the Planning Division with policies to help guide new development in a comprehensive and orderly fashion.

Marvin Vierra, of the Planning Division, said these plans are required by HUD in the 701 Planning Program, in order that the City may continue to be eligible for 701 funding. He outlined the details of the Land Use Plan and answered general questions by members of Council.

Wanda Henry, of the Planning Division, outlined the details of the Housing Elements Plan.

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 77-126 was unanimously adopted.

Complete text of Resolution No. 77-126 will be found in Resolution Book No. 10 at page 5.

RESOLUTION NO. 77-127 - RESOLUTION APPROVING CONTRACT BETWEEN THE CITY OF ASHEVILLE AND THE UNITED STATES DEPARTMENT OF TRANSPORTATION, URBAN MASS TRANSPORTATION ADMINISTRATION, GRANT NUMBER NC-09-0030, AND AUTHORIZING THE CITY MANAGER OF THE CITY OF ASHEVILLE TO RECEIVE AND EXPEND FEDERAL FUNDS

5. Consideration was given to a resolution approving contract between the City of Asheville and the United States Department of Transportation, Urban Mass Transportation Administration, Grant Number NC-09-0030, and authorizing the City Manager of the City of Asheville to receive and expend federal funds.

The City Manager read the resolution.

Verl Emrick, Planning Director, said this is for an annual working grant that the City applies for in order to continue the planning process as far as the requirements of the Asheville Transit Authority, local transit, UMTA, and State requirements are concerned. He said the federal government has committed $28,000 of the $35,000 program with the State and local share being 10% or $3,500 each. He said the local match would be provided by in-kind services.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 77-127 was unanimously adopted.

Complete text of Resolution No. 77-127 will be found in Resolution Book No. 10 at page 6.

Councilman Hoyle moved to suspend the rules and proceed to the second reading of Ordinance No. 972. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 972 passed on its second reading.

Councilman Hoyle again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 972. This motion was seconded by Councilwoman Swilling and carried unanimously.

Mr. E. R. McCarthy objected to having three readings of the ordinance at one meeting stating that some citizen may want to object to the ordinance.

On a roll call vote of 5-0, Ordinance No. 972 passed on its third and final reading.

Complete text of Ordinance No. 972 will be found in Ordinance Book No. 7 at page 171.

ORDINANCE NO. 973 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

10. Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1977-78 distributing the funding of the Pay Plan.

The City Manager read the ordinance explaining that the ordinance would appropriate funds to the salary and wage and fringe benefit line items in the respective operating activities to implement salary increases granted in accordance with Council's policy.

Councilman Morris moved for the adoption of Ordinance No. 973. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 5-0, Ordinance No. 973 passed on its first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 973. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 973 passed on its second reading.

Councilwoman Swilling moved to suspend the rules and proceed to the third and final reading of Ordinance No. 973. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 973 passed on its third and final reading.

Complete text of Ordinance No. 973 will be found in Ordinance Book No. 7 at page 172.

RESCHEDULING PUBLIC HEARING - REZONING - MONTFORD AVENUE - SAMUEL GRAVES

11. Councilwoman Swilling moved to reschedule the public hearing relative to rezoning property on Montford Avenue from R-3 Residential District to CG Commercial General District, property owned by Salfrande, Inc., Samuel Graves, for September 1, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 970. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 970 passed on its third and final reading.

Complete text of Ordinance No. 970 will be found in Ordinance Book No. 7 at page 169.

ORDINANCE NO. 971 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

8. Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1977-78 for funding the remodeling of the Collections Division Office.

The City Manager read the ordinance.

Councilwoman Swilling moved for the adoption of Ordinance No. 971. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 971 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 971. This motion was seconded by Vice-Mayor Horton and carried unamimously.

On a roll call vote of 5-0, Ordinance No. 971 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 971. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 971 passed on its third and final reading.

Complete text of Ordinance No. 971 will be found in Ordinance Book No. 7 at page 170.

ORDINANCE NO. 972 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

9. Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1977-78 for funding an amount sufficient to meet the funding recommended by the Library Board.

The City Manager read the ordinance. He said Buncombe County had increased their appropriation to the Library to a total of $264,000. He said this ordinance would authorize the transfer of $13,334 from the General Fund Contingency to the Library Trust Fund and would make the total appropriation an amount sufficient to meet the funding recommended by the Library.

Vice-Mayor Horton moved for the adoption of Ordinance No. 972. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 972 passed on its first reading.

RESOLUTION NO. 77-130 - RESOLUTION APPOINTING MEMBERS AND ALTERNATE MEMBERS TO BOARD OF ADJUSTMENT UNDER ORDINANCE NO. 322, AS AMENDED

15. Consideration was given to a resolution appointing members and alternate members to Board of Adjustment under Ordinance No. 322, as amended.

The City Manager read the resolution appointing John M. Acee, Mrs. Jane Haber, Wm. T. Duckworth, Jr., A. R. Sluder and Herbert A. Wallace as members of the Board of Adjustment and John W. Abbott, Jack Baber, Richard F. Webster, and Graham Price as alternate members to the Board of Adjustment.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, Resolution No. 77-130 was unanimously adopted.

Complete text of Resolution No. 77-130 will be found in Resolution Book No. 10 at page 9 .

RESOLUTION NO. 77-131 - RESOLUTION APPOINTING MEMBER OF THE WESTERN NORTH CAROLINA REGIONAL AIR POLLUTION BOARD

16. Consideration was given to a resolution appointing member of the Western North Carolina Regional Air Pollution Board.

The City Manager read the resolution which appointed Mrs. Jones Byrd a member of the Western North Carolina Regional Air Pollution Board.

Upon motion of Councilman Morris, seconded by Councilwoman Swilling, Resolution No. 77-131 was unanimously adopted.

Complete text of Resolution No. 77-131 will be found in Resolution Book No. 10 at page 10.

CLAIM - LARRY MILLER

The City Manager presented a claim received from Larry Miller.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - RIDGLEY K. ROBINSON, JR.

The City Manager presented a claim received from Ridgley K. Robinson, Jr.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - "NATIONAL APPRENTICESHIP MONTH" - AUGUST, 1977

Mayor Ochsenreiter proclaimed the month of August as "National Apprenticeship Month."

COMPLAINT - BLAIR STREET AND ALBEMARLE ROAD

Mrs. Ruth Chambers and Mrs. Osteen, residents of the Blair Street and Albemarle Road area, complained to Council concerning the bad road and sidewalk conditions on Blair Street and Albemarle Road.

BIDS - GALVANIZED CORRUGATED STEEL PIPE FOR RIVERSIDE PARK

12. Consideration was given to bids received August 1, 1977 for galvanized corrugated steel pipe for Riverside Park.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the low bid submitted by Wheeling Corrugating Company in the amount of $4,624.00.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to Wheeling Corrugating Company in the amount of $4,624.00. This motion was seconded by Councilman Morris and carried unanimously.

Bid Summary

Bidder	Bid
Southern Tank & Culvert	$4,736.00
Wheeling Corrugating Company	$4,624.00
Carolina Culvert Mfg. Inc.	$4,996.00
Armco Steel Corporation	$5,824.00
Silverman Company	$5,588.00

RESOLUTION NO. 77-128 - RESOLUTION ESTABLISHING FILING FEE FOR 1977 ASHEVILLE MUNICIPAL PRIMARY AND ELECTION

13. Consideration was given to a resolution establishing filing fee for 1977 Asheville Municipal Primary and Election.

The City Manager read the resolution which established the filing fee for the 1977 Asheville Municipal Primary and Election at $18.00.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 77-128 was unanimously adopted.

Complete text of Resolution No. 77-128 will be found in Resolution Book No. 10 at page 7.

RESOLUTION NO. 77-129 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ACQUIRE A RIGHT-OF-WAY EASEMENT FROM BEAVER ENTERPRISES, INC. FOR 2-INCH AND 6-INCH WATER LINES FROM PENSACOLA ROAD INTO THE MOUNTAIN HEIGHTS SUB-DIVISION, ARDEN, NORTH CAROLINA

14. Consideration was given to a resolution authorizing the City Manager to acquire a right-of-way easement from Beaver Enterprises, Inc. for 2-inch and 6-inch water lines from Pensacola Road into the Mountain Heights Sub-division, Arden, North Carolina.

The City Manager read the resolution.

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 77-129 was unanimously adopted.

Complete text of Resolution No. 77-129 will be found in Resolution Book No. 10 at page 8.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

APPROVAL OF MINUTES

1. Approval of the minutes of the August 4, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, the minutes of the August 4, 1977 meeting were unanimously approved as submitted.

RESOLUTION 77-132 - RESOLUTION OF APPRECIATION TO J. BERTRAM KING FOR SERVICES AS CHAIRMAN OF THE ASHEVILLE PLANNING AND ZONING COMMISSION

2. Consideration was given to a resolution of appreciation to J. Bertram King for services as Chairman of the Asheville Planning and Zoning Commission.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 77-132 was unanimously adopted.

Complete text of Resolution No. 77-132 will be found in Resolution Book No. 10 at page 11.

COUNCILWOMAN SWILLING - ANNOUNCEMENT OF A PUBLIC HEARING ON THE NOMINATION OF MONTFORD COMMUNITY HISTORICAL DISTRICT TO THE HISTORICAL REGISTER

3. Councilwoman Swilling announced that on Tuesday, August 16, 1977, at 7:30 o'clock p.m. in the William Randolph Elementary School Auditorium, the State Division of Archives and History will hold a public hearing to discuss the nomination of Montford Community Historical District to the National Register. Mr. Larry Tise, Director of Archives and History, Mr. Brent Glass and Mr. M. Smith, Project Planners, will be present to answer questions. Councilwoman Swilling urged the public to attend.

By use of a map, Mr. Verl Emrick, Planning Director, pointed out the proposed area to be affected by the designation to the National Register.

COMMUNITY DEVELOPMENT - ANNOUNCEMENT OF PUBLIC HEARINGS

4. Mr. Logan Delany, Community Development Coordinator, explained the dates and purpose of the Community Development meetings. The meetings are as follows:

August 23, 1977	Aycock School	7:30 p.m.
August 30, 1977	Kenilworth Presbyterian Church	7:30 p.m.
September 6, 1977	William Randolph School	7:30 p.m.
September 13, 1977	Hilltop Community Center	7:30 p.m.
September 20, 1977	Shiloh Community Center	7:30 p.m.
September 27, 1977	Oakley Community Center	7:30 p.m.
October 4, 1977	Claxton School	7:30 p.m.

Mayor Ochsenreiter instructed the City Manager to investigate the complaint and report back to Council regarding the matter.

E. R. McCARTHY - COMMENT - THREE READINGS OF AN ORDINANCE AT ONE MEETING

Mr. E. R. McCarthy said the reason he objects to having three readings on any certain ordinance at one meeting is that, in his opinion, in the past it has been done to cover up things from the public about what action Council takes, particularly referring to the repeal of the Sunday Beer and Wine Sale Ordinance.

VICE-MAYOR HORTON - CIVIC CENTER - FESTIVAL SEATING

Vice-Mayor Horton commended Jim Evans, Civic Center Manager, and his staff and security personnel for their approach to the festival seating at the Doobie Brothers Show on July 28, 1977. He said the performance was ran in an orderly fashion and the crowd behaved very well. He said he felt several factors had to do with the way the festival seating arrangement was carried out, such as the doors being opened 45 minutes earlier than usual, seating limited, and the revamping of the security system.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

William F. Roberts
CITY CLERK

RESOLUTION NO. 77-133 - RESOLUTION OF INTENT TO CLOSE ANDERSON STREET (FIRST STREET) AND CALLING A PUBLIC HEARING ON THE QUESTION

5. Consideration was given to a resolution of intent to close Anderson Street (First Street) and calling a public hearing on the question.

The City Manager read the resolution scheduling the public hearing for September 8, 1977.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 77-133 was unanimously adopted.

Complete text of Resolution No. 77-133 will be found in Resolution Book No. 10 at page 12.

Councilman Morris requested that a map be presented with resolutions so that Council is aware of the area and will have a chance to investigate before the public hearings.

PUBLIC HEARING SCHEDULED - REZONING REQUEST - C. C. BLOUNT AND ASSOCIATES, INC. - PROPERTY BOUNDED BY STATE STREET, MICHIGAN AVENUE AND AMBOY ROAD

6. Mr. Verl Emrick explained the rezoning request by C. C. Blount and Associates, Inc. of the property generally bounded by State Street, Michigan Avenue and Amboy Road from R-3 Residential District to LI Light Industrial District.

Mr. Emrick said that Mr. Blount requested that the property be rezoned to HI Heavy Industrial District, but the Planning and Zoning Commission felt that the LI Light Industrial District would accommodate the proposed use and would not permit the more offensive uses provided for in the Heavy Industrial classification.

Councilwoman Swilling moved to schedule a public hearing on the matter for September 1, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

PUBLIC HEARING SCHEDULED - GROUP DEVELOPMENT REVIEW - THE ASHEVILLE HOUSE

7. Mr. Verl Emrick said the Planning and Zoning Commission recommended approval of the site plan of a proposed four-story apartment complex, The Asheville House, to be located on the corner of Orange and Liberty Streets.

Councilman Morris moved to schedule a public hearing on the matter for September 8, 1977. This motion was seconded by Councilwoman Swilling and carried unanimously.

PUBLIC HEARING SCHEDULED - GROUP DEVELOPMENT REVIEW - SQUARE D COMPANY

8. Mr. Verl Emrick said that the Planning and Zoning Commission recommended approval of the site plan of the proposed expansion of the Square D Company located on Bingham Road.

Councilman Michael moved to schedule a public hearing on the matter for September 1, 1977. This motion was seconded by Vice-Mayor Horton and carried unanimously.

PUBLIC HEARING SCHEDULED - GROUP DEVELOPMENT REVIEW - ASTON PARK LONG TERM HEALTH CARE FACILITY

Mr. Delany said the public hearings are open to the public and press and this year charts and visual material will be used to demonstrate the progress of the work.

Upon inquiry of Councilman Michael, Mr. Delany explained that almost 2 million dollars for the third fiscal year 1978 will be spent in upgrading the several Community Development areas.

Mr. Robert E. Fields of Charles Street asked why there was no public hearing in the Livingston Street Community Center.

Mr. Delany explained that Charles Street is in the East Riverside Urban Renewal Program. He said Community Development funds can be spent in the area and have been in the past.

Mr. Fields presented the City Council the following list of improvements needed in the Timothy Street and Charles Street area:

1. STOP sign at Alien Street and Timothy Street.

2. Repair sidewalk on right side of Timothy Street.

3. Left side of Timothy St. is being washed away by water from YWCA. It empties into Charles St. and staggers for breeding of mosquitoes. This is a health problem and should be corrected.

4. Charles St. is in need of repairs to sidewalks on both sides of street. At the beginning of Mrs. Lucus' driveway, the curbs have been washed away and water runs all the way to her back porch.

5. We are asking for a circle at the north end of Charles St. This is necessary due to the Aston Park Tennis Court traffic and parking on Charles St.

6. At the south end of Charles St., there is an open raw sewer drainage which is a health hazard.

7. The South French Broad Ball Park has created an unsanitary condition by people littering beer cans, whiskey bottles, drink bottles, and paper which is never cleaned up by City Street Department.

8. There is only one storm drain at the intersection of Charles and Timothy St. which does not empty into the sewer line but it has been piped to the field next to Mrs. Lucus' home and this creates a health hazard by the breeding of mosquitoes.

Councilman Rainey stated that he had written several memorandums to the City Manager on some of these problems. In particular, a request for a cul-de-sac at the end of the Charles Street. It was his understanding that the holdup on this report was due to obtaining figures on the cost of this project.

Councilman Michael requested that the City Manager look into these problems and give Council a report at their next meeting.

The City Manager read the resolution.

Councilman Michael moved for the adoption of the resolution setting the public hearing date for September 8, 1977. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Complete text of Resolution No. 77-134 will be found in Resolution Book No. 10 at page 14.

REVIEW OF FINAL SUB-DIVISION PLAT FOR BALLENTREE SUB-DIVISION

12. Mr. Verl Emrick displayed a final plat explaining that the Planning and Zoning Commission did review and approve the final sub-division plat for Ballentree Sub-Division on May 4, 1977.

Mr. Emrick explained the utility system, water services, sewer system and road standards in the sub-division to Council.

Councilwoman Swilling moved to approve the final sub-division plat for Ballentree Sub-Division. This motion was seconded by Councilman Morris and carried unanimously.

RESOLUTION NO. 77-135 - RESOLUTION APPOINTING A MEMBER TO THE ASHEVILLE TRANSIT AUTHORITY

Consideration was given to a resolution appointing a member to the Asheville Transit Authority.

The City Manager read the resolution appointing Mrs. Harry McDonnold as a member of the Asheville Transit Authority to fill the unexpired term of Mr. William G. Adams, Jr.

Upon motion of Councilman Morris, seconded by Councilman Rainey, Resolution No. 77-135 was unanimously adopted.

Complete text of Resolution No. 77-135 will be found in Resolution Book No. 10 at page 16.

MR. ROBERT MOODY AND MR. FLOYD HADDEN

The City Manager received a letter from Mrs. Ruby Lee Gambill thanking Mr. Robert Moody and Mr. Floyd Hadden, employees of the Sanitation Department, for their efforts in helping her find her lost handbag.

CLAIM - MR. HERBERT DAVIS

The City Manager presented a claim received from Mr. Herbert Davis.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

COMPLAINT - TIMOTHY AND CHARLES STREET IMPROVEMENTS

The City Manager stated that he had a copy of the needs presented by Mr. Robert Fields of Charles Street, and will prepare a report for Council for next week's meeting.

9. Mr. Verl Emrick said that the Planning and Zoning Commission recommended approval of the site plan of the proposed Aston Park Long Term Health Care Facility to be located on the NC 191 Connector near Brevard Road.

Councilman Morris moved to schedule a public hearing on the matter for September 8, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

COUNCILMAN MICHAEL - ADDITIONAL ITEMS TO BE DISCUSSED AT THE PUBLIC HEARING REGARDING THE ESTABLISHMENT OF A RAMP FEE FOR TRANSIENT GENERAL AVIATION AIRCRAFT AT THE ASHEVILLE AIRPORT

10. Mr. K. M. Michalove, City Manager, said that the following items, received and read by Councilman Michael, would be added to the already scheduled public hearing on August 18, 1977, relative to establishing a ramp fee for transient general aviation aircraft at the Asheville Airport:

1. Double and triple row parking should not exist unless there is 24-hour FBO service at Asheville Airport.

2. No published transportation from FBO to terminal.

3. Lease with City of Asheville is invalid. (Asheville Flying Service has no lease)

4. People who do not pay ramp fees pay no fees at all.

5. People who pay tie-down fees should be assigned specific spaces and available for ingress and egress at all times or line boys should be available to untie and pull planes out and park them on a 24-hour basis without prior notice.

6. People who pay tie-down fees should also be able to taxi to the terminal free, unload and load the same as at the FBO.

7. Transient aircraft should pay a landing fee and line boys should help load and unload planes.

8. Buncombe County and other counties property taxes paid on planes should be paid to the City of Asheville, less their contribution if any.

9. Enka hangar and office is exclusive and they pay no city taxes.

10. More than 5% of gas fees at the terminal should be paid to the city.

11. The City of Asheville should have a transient FBO and sell gas at the terminal and receive all of the revenue derived therefrom.

RESOLUTION NO. 77-134 - RESOLUTION CALLING FOR A PUBLIC HEARING FOR THE ADOPTION OF AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES AT 35 CLAYTON STREET, 33 GRAY STREET, 160 HAZEL MILL ROAD, 36 SHORT MADISON AVENUE AND 106 MOUNT CLARE AVENUE

11. Consideration was given to a resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish those dwelling houses at 35 Clayton Street, 33 Gray Street, 160 Hazel Mill Road, 36 Short Madison Avenue and 106 Mount Clare Avenue.

Thursday - August 18, 1977 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

APPROVAL OF MINUTES

1. Approval of the minutes of the August 11, 1977 meeting.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, the minutes of the August 11, 1977 meeting were unanimously approved as submitted.

PUBLIC HEARING - RELATIVE TO VARIOUS ITEMS AT THE ASHEVILLE AIRPORT

2. Various items relative to the Asheville Airport were discussed.

Mayor Ochsenreiter opened the public hearing at 3:02 o'clock p.m. He said that the purpose of the public hearing is to gather information and no official action would be taken on the matter.

The City Manager read Resolution No. 77-112 calling for a public hearing regarding the establishment of a ramp fee for transient general aviation aircraft at the Asheville Airport. He said the various airport items introduced by Councilman Michael at the August 11, 1977 meeting would also be discussed. He said that he has received letters from Aircraft Owners and Pilots Association, The Magnavox Company, Olin Aviation Department, Western North Carolina Pilots Association, Inc. and National Distillers and Chemical Corporation, all which indicate a negative attitude on the subject of transient aircraft ramp fees.

Mr. K. M. Michalove, City Manager, said that Charlotteville, Greensboro, Hickory, Wilmington, Fayetteville, Charlotte, Greenville-Spartanburg, Tri-City, Richmond and Columbia do not have ramp fees. Raleigh-Durham, Winston-Salem and Roanoke have overnight ramp fee charges, based on the weight of the aircraft.

Mr. Michalove said that approximately 13,000 transient aircraft utilize the airport annually. On August 13-16, 1977, a study was taken relative to the numbers of transient aircraft that were fueled at the FBO, which revealed how much gas they bought and the type of plane.

Mr. M. F. Meredith spoke in favor of charging a small ramp fee.

Councilman Michael said that it is unfair for the citizens of Asheville to pay for an airport when 75% of the people who use the airport live outside the city limits and pay no city tax. He said that the Asheville Airport, which serves all of Western North Carolina, is in reality a regional airport and he feels that the people who live outside the city limits should help pay for the airport.

Mr. Doug Ray, a city resident, agreed that the City is taking on an unfair load of airport expenses, but believes that a landing fee on private aviation is the wrong way to approach the problem. He would like to see the airport situation publicized more and suggests that the City tighten up on its present airport operation and consider other alternatives which would bring the City income.

DRAINAGE PROBLEMS ALONG HAW CREEK - MRS. NOBLETT

The City Manager stated that he had received a letter from Mrs. Noblett relative to drainage problems along Haw Creek and access in the general area. He will investigate and prepare a report for Council at next week's meeting.

REPORT - CITY MANAGER - BLAIR STREET AND ALBEMARLE ROAD

The City Manager reported that he has checked into the complaint received last week by Mrs. Ruth Chambers and Mrs. Osteen relative to road conditions on Blair Street and Albemarle Road. He said that the condition of the streets were caused by work sublet by Public Service Gas Company. The subcontractor had run into problems locating a certified welder to do the work, and because of this, Street Superintendent Clark Brown gave verbal approval of an extension of this job.

In Mid-June, the City completely paved Blair and Baird Streets, billing the Public Service Gas Company for the costs.

Around July 1, 1977, Public Service Gas Company cut the street for unknown reasons without a permit.

On July 11, 1977, Mr. Clark Brown wrote Public Service Gas Company a letter requesting that they comply with the City guidelines before making any street cuts. On August 9, 1977, the gas company finished all the work in this area and during the week of August 15, the City will do a machine asphalt patch of Blair Street. This work will also be billed to the Public Service Gas Company.

Adjournment.

Eugene S. Abernethy
MAYOR

Norman J. Nolan
CITY CLERK

RESOLUTION NO. 77-136 - RESOLUTION TO CLOSE APPROXIMATELY FIVE HUNDRED FIFTY FEET OF INGLEWOOD ROAD BEGINNING AT A POINT APPROXIMATELY SEVENTY-FIVE FEET NORTH OF THE INTERSECTION OF INGLEWOOD ROAD AND WINDSOR ROAD AND THEN CONTINUING IN A NORTHEASTERLY DIRECTION, THEN CURVING TO THE EAST AND THEN CONTINUING IN A SOUTHEASTERLY DIRECTION TO A POINT APPROXIMATELY FIVE HUNDRED FIFTY FEET FROM AFORESAID BEGINNING POINT

3. Consideration was given to a resolution to close approximately five hundred fifty feet of Inglewood Road beginning at a point approximately seventy-five feet north of the intersection of Inglewood Road and Windsor Road and then continuing in a northeasterly direction, then curving to the east and then continuing in a southeasterly direction to a point approximately five hundred fifty feet from aforesaid beginning point.

The City Manager read the resolution.

Mr. Michalove said that Mr. William Greene, Attorney representing the Country Club of Asheville, Inc. did agree that the Country Club could comply with the restrictions as set forth in the resolution.

Councilman Michael introduced Mr. Eric Michaux who was recently appointed as the first and only black District Judge in the State of North Carolina.

Councilman Michael recommended that the Chief of Police and the Detective Division be responsible for the investigation relative to stealing pipe. He said that after the investigation, if a crime was committed, the people who committed the crime along with the people who bought the City property should be prosecuted.

Councilman Michael was excused from the meeting at 4:05 o'clock p.m.

Mayor Ochsenreiter emphasized that the cul-de-sac issue would not be discussed at this time, but that a public hearing could be scheduled at a later date.

Mr. Greene introduced the President of the Country Club of Asheville, Inc., Mr. Otis Kempson. Mr. Kempson confirmed that the Country Club would comply with the restrictions set forth in the resolution.

Mr. George Saenger, Attorney representing the citizens that are opposed the closing of Inglewood Road as a thoroughfare, asked Council to adopt the present resolution recognizing that the issue on a cul-de-sac or closing the road will be handled later at a public hearing.

Councilman Rainey stated that he did not oppose the exchanging of the road right-of-way, but that he believed the cul-de-sac question should be decided before the resolution was passed.

Vice-Mayor Horton explained that no money will be spent on improving the present private road owned by the Country Club until the cul-de-sac issue has been settled.

The City Manager said that the private road owned by the Country Club is open and accessable from Inglewood Road to Windsor Road and available for use by residents of this section. He suggested that in a reasonable period of time, a public hearing be scheduled on the question of whether to leave Inglewood Road as a thoroughfare or put in a cul-de-sac.

Mrs. Lucia Ward of 48 Inglewood Road stated that if Inglewood Road is a thoroughfare, the residents would be subject to noise, pollution and racing.

Councilman Michael stated that it was his hope that other counties in the immediate area would be willing to share the airport cost and organize a regional airport authority, rather than pay the ramp fee charges.

Mrs. Amogene Norwood, President of the Western North Carolina Pilots Assoc., Inc., spoke opposing the land fee charges. It was her opinion that if a ramp fee is charged, it would discourage pilots from using the Asheville Airport facility. Another point she made was that the City's profit would be very small if the City was responsible for collecting the landing fees on a 24-hour basis.

Mr. Ray Anders, a pilot, spoke in opposition to the landing fee saying that the expenses of such an operation would outweigh the profit.

Mr. Robert Morgan, a pilot, said it was his belief that the City would not benefit more from the landing fees than it would lose on the gasoline percentage it now receives.

Mr. John Stevens, representative of A & H Flying Service, was opposed to the landing fee because he believes it will discourage general aviation at the facility.

Mr. Bill Norwood, member of the Asheville Civic Center Commission, suggested that a commission be established for the airport. He said such a commission would be able to devote the time necessary to make decisions relative to the airport.

Councilman Rainey emphasized that no ramp fee would be charged for transient aircraft that pay a tie-down fee.

Upon inquiry of Councilman Rainey, Corporation Counsel W. C. Moore said that there is a valid lease with Asheville Flying Service and the City of Asheville.

City Manager K. M. Michalove said that A & H Flying Service operates under two titles which are A & H Flying Service and the Asheville Flying Service. Technically Asheville Flying Service is not mentioned in the current lease, but the City is in the process of amending the lease to include both titles.

Upon inquiry of Councilman Rainey, Mr. Moore, City Attorney, said that a commission could be set up and other recommendations could be included in the lease by agreement.

The City Manager said that Mr. Stevens, Mr. Moore and himself are working on some agreements that need to be included in the lease relative to several items presented to Council by Councilman Michael at the August 11, 1977 meeting. He said that there is a City ordinance that regulates the Fixed Base Operators. He read Article II, Section 3Z-26 (j) of the Code of Ordinances which reads as follows:

> "Air Services. Ramp services shall be provided full time during daylight hours, and by call at night, seven (7) days a week by the fixed base operator."

Mr. Michalove said that according to this definition, the Fixed Base Operator is operating by the standards set forth in the above section.

Vice-Mayor Horton stated that the Asheville Airport should be designated as a Regional Airport because it is serving as such. He suggested that a study committee, to include representation of Council, City staff, interested persons and the Chamber of Commerce Aviation Committee be set up for a few weeks to investigate the points that have been brought up.

Mayor Ochsenreiter closed the public hearing at 3:55 o'clock p.m.

Mr. Michalove explained that the contract will assist in supplementing the salaries of the meter maids in the Police Department.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 77-137 was unanimously adopted.

Complete text of Resolution No. 77-137 will be found in Resolution Book No. 10 at page 19.

ADVERTISEMENT OF THE SALE OF CITY OF ASHEVILLE PROPERTY KNOWN AS 10 BILTMORE PLAZA AND 11 LODGE STREET

6. Consideration was given to a motion to advertise the sale of City of Asheville property known as 10 Biltmore Plaza and 11 Lodge Street.

The City Manager read a letter from The Biltmore Company of the City of Asheville requesting approval of the sale of the property known as 10 Biltmore Plaza and 11 Lodge Street to The Biltmore Company for $65,000. He said that a portion of the property has been under lease with the Biltmore Company for sometime. An appraisal was done by W. T. Duckworth dated March 8, 1977 which resulted in the appraisal value of $64,000. He said that in compliance with the North Carolina General Statutes Section 160A-269, the City must advertise the sale of the property, so that anyone else interested in this property can bid and perhaps upset the $65,000 bid received from The Biltmore Company.

Councilman Hoyle moved to advertise the sale of the City of Asheville property known as 10 Biltmore Plaza and 11 Lodge Street. This motion was seconded by Councilwoman Swilling and carried unanimously.

ORDINANCE NO. 974 - AN ORDINANCE ESTABLISHING A CROSS-CONNECTION CONTROL POLICY FOR THE ASHEVILLE MUNICIPAL PUBLIC POTABLE WATER SUPPLY

7. Consideration was given to an ordinance establishing a Cross-Connection Control Policy for the Asheville Municipal Public Potable Water Supply.

The City Manager read the ordinance.

Mr. Michalove distributed revised copies of the Cross-Connection Control Policy to members of Council.

Councilwoman Swilling moved for the adoption of Ordinance No. 974. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 974 passed on its first reading.

RESOLUTION NO. 77-138 - RESOLUTION ADOPTING A POLICY REGARDING SUBSTANTIATION OF RENTS, FEES, ETC. RECEIVED BY THE CITY OF ASHEVILLE

8. Consideration was given to a resolution adopting a policy regarding substantiation of rents, fees, etc. received by the City of Asheville.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 77-138 was unanimously adopted.

Complete text of Resolution No. 77-138 will be found in Resolution Book No. 10 at page 20.

Mrs. Kaghan of 165 Windsor Road said that she had encountered problems during the construction to the private road because of large deep ruts in the street.

Upon inquiry of Mrs. Kaghan, Vice-Mayor Horton said that the Country Club would maintain the road until a decision was made relative to the cul-de-sac.

Mr. Albert E. Ward, 48 Inglewood Road, questioned whether the private road would be put into condition for the large school buses to use.

Mrs. H. H. Miles, 7 Stratford Road, stated that she had preferred using the private road and was in favor of leaving Inglewood Road open as a thoroughfare.

Vice-Mayor Horton moved for the adoption of Resolution No. 77-136. This motion was seconded by Councilman Hoyle and carried on a vote of 4-1, with Councilwoman Swilling voting "no".

Councilwoman Swilling explained that her reason for opposing the resolution is because she feels that the Country Club closed the loop portion by pouring dirt over it, before it came before Council.

Complete text of Resolution No. 77-136 will be found in Resolution Book No. 10 at page 17.

PUBLIC HEARING - GROUP DEVELOPMENT - U.S. POSTAL SERVICE, GENERAL MAIL FACILITY

4. A public hearing was held relative to the site plan of the proposed General Mail Facility to be located on N. C. 191 (Brevard Road).

Mayor Ochsenreiter opened the public hearing at 4:35 o'clock p.m.

Mr. Marvin Vierra, Planner IV, advised that the Planning and Zoning Commission recommended approval of the proposed site plan subject to the recommendations of the Water and Sewer Department.

Upon inquiry of Vice-Mayor Horton, Mr. Vierra explained that the processing of the mail in the West Asheville Branch would be transferred to the new site, eliminating excess traffic.

Upon inquiry of Councilwoman Swilling, Mr. Broadbrooks of Six Associates, Inc. explained that there would be no drainage problems because the project had been designed so that all storm drainage would empty into a storm water retention basin, such as the City requires.

Mayor Ochsenreiter closed the public hearing at 4:50 o'clock p.m.

Councilwoman Swilling moved to approve the site plan of the proposed General Mail Facility to be located on N. C. 191 (Brevard Road). This motion was seconded by Councilman Morris and carried unanimously.

RESOLUTION NO. 77-137 - RESOLUTION AUTHORIZING THE CITY OF ASHEVILLE TO ENTER INTO A CONTRACT WITH THE NORTH CAROLINA CRIMINAL JUSTICE TRAINING AND STANDARDS COUNCIL

5. Consideration was given to a resolution authorizing the City of Asheville to enter into a contract with the North Carolina Criminal Justice Training and Standards Council.

The City Manager read the resolution.

and area about the size of 3 or 4 residential lots. Parking would begin about 50 feet from the edge of the road. The fact that cars would be parked on a level area raised on a steep slope above Windsor Road creates some visual protection but no protection from noise.

Since this parking area will serve a clubhouse with frequent social functions that disperse late in the evening, I fear that the noise from engines starting and cars driving off will create a sudden change in the noise level in the neighborhood that would be sufficient to disturb sleep in the residences in the immediate surrounding area and possibly for some distance away."

Councilman Morris pointed out that the Country Club had contacted the Planning Director for the City, prior to the initial transactions, on the question of whether their plans were compatible and legal in this area, and was advised by him that they were.

The City Manager said that he would prepare a report relative to Councilwoman Swilling's concerns regarding the drainage and traffic problems in the area, since the Planning and Zoning Commission did not review the Country Club's plans.

PUBLIC HEARING RESCHEDULED - REZONING - MONTFORD AVENUE - SAMUEL GRAVES

City Manager K. M. Michalove advised Council that an error had been made in advertising and requested a motion to reschedule the public hearing on rezoning property on Montford Avenue from R-3 Residential District to CG Commercial General District on property owned by Salfrande, Inc.

Councilman Hoyle moved to reschedule the public hearing on the matter for September 15, 1977, at 7:30 o'clock p.m. This motion was seconded by Vice-Mayor Horton and carried unanimously.

PUBLIC HEARING SCHEDULED - CUL-DE-SAC REQUEST ON INGLEWOOD ROAD

Councilwoman Swilling moved to schedule a public hearing relative to a cul-de-sac request on Inglewood Road for September 22, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

REPORT - CHARLES STREET AND TIMOTHY STREET

The City Manager stated that a dead-end sign was installed for Charles Street. He said the other items are still under investigation and he will prepare a report for Council as soon as he gathers other information.

RESOLUTION NO. 77-139 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ESTABLISH THE ADMINISTRATIVE AUDIT AND EVALUATION DIVISION

Consideration was given to a resolution authorizing the City Manager to establish the Administrative Audit and Evaluation Division.

The City Manager read the resolution and made the following statement.

"As large and as diverse as the public services of the City of Asheare, there are routinely numerous daily matters which come to the attention of the City Manager.

MRS. KAGHAN - REQUEST THAT PLANS FOR COUNTRY CLUB OF ASHEVILLE PROJECT IN LAKEVIEW PARK BE SUBMITTED TO THE CITY'S PLANNING DEPARTMENT

Mrs. Kaghen, 165 Windsor Road, presented the following statement to Council:

"I request the City Council to direct that the plans for the Country Club of Asheville project in Lakeview Park be submitted to the City Planning Department to see if they comply with the Zoning and Land Use Ordinance's requirement that in an R-1 district no unnecessary conflict be present when land is used for a purpose other than residences.

If Council wishes, I should like to give my reasons for making this request.

1. Traffic patterns. Since the law forbids home occupations in an R-1 district if they would attract traffic, it is logical to conclude that traffic attracted by a non-residential use of land should pass as few homes as possible.

   When announcement was made of the new location for the Asheville Country Club, most interested persons assumed that the entrance would be at the point on Wembley Road when the future Club property begins because this is the point other than the 18th hole of the Beaver Lake golf course that is closest to Merrimon Avenue. As the plans now stant, there will be two entrances. The further entrance, at the intersection of Windsor Road and Inglewood Road, is at the maximum possible distance from Merrimon Avenue. I believe it should be abolished because:

   A. This entrance would stimulate the use of residential streets in Lakeview Park as an alternative to the use of Merrimon Avenue and several of these streets are unusually narrow with blind curves.

   B. This entrance would permit a traffic flow from the golf and clubhouse area of the property to the tennis area (and vice versa) via Windsor Road when that traffic should be contained on Club property itself.

   C. Traffic would travel a greater distance than is necessary along Windsor Road and Wembley Road to and from Merrimon Avenue.

   D. This entrance would create hazards for Club members playing golf since they must cross Windsor Road at about this point and visibility is partially obstructed by a hill.

2. My second concern is with excessive noise. Parking areas have been laid out in the area closest to, not furthest from, homes even though much alternative land was available that does not border any residential streets at all.

   As it appears to me, Windsor Road between Wembley and Inglewood will be used to park about 200 cars in a space with the frontage

function of this new division. I may be adding some staff later. I feel like this new division will help me as a City Manager to do a better job at achieving this balance between the public, Council and employees.

City employees are hard working, dedicated public servants and we have worked hard to make this a profession to be proud of. As the City Manager and a resident and taxpayer of the City of Asheville, I will not tollerate criminal acts or misuse of public facilities, equipment or services. These matters will be dealt with through either personnel action and/or the criminal justice system after a factual investigation has taken place initially beginning with the process I have outlined. However, I believe that a City employee has the basic right of being considered innocent until proven guilty and heresay and suspicioned actions thoughtlessly, publically or privately implied casts a cloud of doubt and suspicion on all City employees and makes it appear that all City employees are criminals - and that's not a fact!

I am disappointed that we are in the season we're in, that being a time of election of new Councilmembers. I would hope that the internal affairs of the City in the course of this election, that we are attempting to deal with, would be kept that way and that we would respect the rights of City employees."

Upon motion of Councilman Morris, seconded by Councilwoman Swilling, Resolution No. 77-139 was unanimously adopted.

Complete text of Resolution No. 77-139 will be found in Resolution Book No. 10 at page 21.

Councilman Rainey stated that he was glad this action had been taken, and that if his concerns of alleged criminal activity had brought this division into existence, he was proud. He commended the City Manager on his selection of individuals to the division and expressed his confidence in the men to do a good job.

Councilwoman Swilling said that it was her hope that the new division would alleviate some, if not all, of the problems and accusations that have plagued the City since she has served as a member of Council.

Councilman Hoyle, along with Councilwoman Swilling, commended the City Manager on the establishment of this new division.

RALPH BISHOP - COMMENTS ON APPOINTMENT OF NEW CHIEF OF POLICE

Mr. Ralph Bishop stated that he would like an honest, non-criminal man that would give equal protection of the law as a new Chief of Police.

TIM WILEY - RECYCLING TRASH

Mr. Tim Wiley asked Council to adopt a resource recovery plant for Asheville. He also asked Council to set up a type of committee to research possible markets for recovery of resources. He presented a pamphlet from U.S. Stell relative to recycling trash to the City Manager.

Adjournment.

Eugene B. Roberts Jr.
MAYOR

Bessie Z. Metcalf
CITY CLERK

The majority of these complaints are then routinely processed through the various departments and divisions and solutions are reached with relative ease. However, there are a sufficient number of matters that cannot be handled routinely, that require immediate attention to protect the credibility of the City employees and the City Council and to provide a continuous professional level of service to the Citizens of Asheville.

These matters typically deal with:

1. Examining complaints about the lack of service or service below the standard of service expected,

2. Examining the administration of City affairs where resolutions, ordinances, policies and procedures are non-existant, are not clearly written or are not favorably interpreted to a party requesting service,

3. Examining claims for personal and property damage,

4. Examining charges of discrimination and/or misuse or abuse of authority,

5. Examining situations where in citizens feel they are getting the run around; and

6. Examining charges against City employees of infractions of City policy and alleged criminal acts.

These matters demand a highly qualified staff of specialists to quickly audit and evaluate these matters and have the capability to prepare written reports for the City Manager providing factual information for which I can make decisions and/or make or recommend policy change.

To date these matters have generally been handled in a decentralized fashion by the City Manager, the Personnel Office, by special committees, appointed staff members and the Police Department. However, in order to expedite and centralize this process, I am establishing the Administrative Audit and Evaluation Division to function directly under the City Manager and initially the service shall be provided by reassigning currently existing staff.

I've chosen with the concurrence of Department Heads involved, three individuals that have earned a reputation of fairness, honesty and the ability to do the kinds of things that I see need to be done.

Robert G. Wurst, Audit and Budget Officer
Samuel N. Graves, Personnel Analyst
Barry L. Bumgardner, Patrolman in the Police Department

Typically their activities are to collect factual information on the above matters and give an unbiased opinion and written report to the City Manager of their findings.

While there is a back log of items to deal with, their first will be investigating recent criminal allegations. That's generally the

Tuesday - August 23, 1977 - 2:00 o'clock p.m.

Special Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., Otis B. Michael, J. W. Hoyle, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager K. M. Michalove.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

PUBLIC HEARING - READOPTION OF ORDINANCE #322, AS AMENDED, KNOWN AS THE ZONING ORDINANCE OF THE CITY OF ASHEVILLE

A public hearing was held relative to the readoption of Ordinance #322, as amended, known as the Zoning Ordinance of the City of Asheville.

Mayor Ochsenreiter opened the public hearing at 2:13 o'clock p.m.

Various City employees read the proposed ordinance incorporating the following changes:

1. TABLE OF CONTENTS and TEXT

   SIGN REGULATIONS were inserted as Article 9 and the remaining Articles were renumbered in the Table of Contents and the Text.

2. ARTICLE 1, SECTION 30-1-3. JURISDICTION

   ARTICLE 1, Section 30-1-3. Jurisdiction is amended as follows:

   Pursuant to Article 19 of Chapter 160A of the General Statutes of North Carolina, and particularly to G.S. 160A-360, the provisions of this Ordinance shall apply to all of the area within the corporate limits of the City of Asheville, North Carolina, and shall apply to that area which is beyond such corporate limits and which is defined and identified as "Extraterritorial Area" on the map entitled "Official Zoning Map of the City of Asheville." This map is attached to this Ordinance; and, by this reference thereto, this map is made a part of, and is incorporated in, this Ordinance.

   The following is a written description of the boundaries specified in this Ordinance and of the entire area over which the provisions of this Ordinance shall apply:

   1. Beginning at a point which is the intersection of the center line of U.S. Highway 19-23 and the center line of Interstate 40, and running thence in a northeasterly direction with the center line of U.S. Highway 19-23 to its intersection with the center line of Old Haywood Road (S.R. 1404);

   2. Thence continuing in a northeasterly direction following the center line of Old Haywood Road to the intersection of the center line of East View Circle (S.R. 1272), thence continuing in a northeasterly direction with the center line of East View Circle to the intersection of the center line of Starnes Cove Road (S.R. 1255);

22. Thence in a northerly direction following the center line of U.S. 25 to the intersection of the Blue Ridge Parkway and the existing Corporate Boundary of the City of Asheville;

23. Thence in a northerly direction following the existing Corporate Boundaries of the City of Asheville and the Town of Biltmore Forest (boundary is coterminous) to their intersection with the Swannanoa River;

24. Thence in a westerly direction following the existing Corporate Boundaries of the City of Asheville along the Swannanoa River, French Broad River and Hominy Creek to the intersection of Hominy Creek and the center line of Interstate Highway 40;

25. Thence continuing in a westerly direction following the center line of Interstate Highway 40 to its intersection of the center line of U.S. 19-23, being the point of Beginning.

3. ARTICLE 4, SECTION 30-4-1. USE DISTRICTS

ARTICLE 4, Section 30-4-1. Use Districts is amended as follows:

For the purposes of this Ordinance, the City of Asheville and the "Extraterritorial Area," as referred to in Sec. 30-1-3, page 2, of this Ordinance, are hereby divided into districts, or as referred to in this Ordinance "zoning districts" and/or "use districts." These districts are defined and described in Volume 1 to and including 9 of the Official Map Books of the City of Asheville, which are by this reference thereto made a part of, and incorporated in, this Ordinance. Pursuant to G.S. 160A-77, these nine volumes of the Official Map Books of the City of Asheville shall be retained permanently in the office of the Zoning Administrator for the City of Asheville, which shall be open to the public and which shall be located on the 5th Floor of the City Building, 70 Court Plaza, City of Asheville, N. C.

The districts, as established by this Sec. 30-4-1 and as defined and described in these Official Map Books, are designated as follows:

R-1 Single Family Residential District
R-2 Low Density Residential District
R-3 Medium Density Residential District
R-4 High Density Residential District
R-5 Residential District
CR Commercial Regional District
CS Commercial Service District
CG Commercial General District
CH Commercial Highway District
OI Office Institutional District
LI Light Industrial District
HI Heavy Industrial District

4. ARTICLE 4, SECTION 30-4-2. DISTRICT BOUNDARIES

ARTICLE 4, Section 30-4-2. District Boundaries is amended as follows:

13. Thence in a northerly direction with the Corporate Boundary of the City of Asheville to a point of intersection of said Corporate Boundary and Tax Lot 334, Sheet 23, Beaverdam Ward, thence following the property line of said tax lot as follows: N 29 deg. 12' E for a distance of approximately 245 feet; thence S 77 deg. 30' E, 319.61 feet; thence S 51 deg. 56' E, 70.24 feet; thence southeasterly along a curve with a radius of 51.0 feet and length of 39.94 feet; thence N 88 deg. 49' E, 27.70 feet; thence northeasterly along a curve with a radius of 74.0 feet and length of 44.28 feet; thence N 54 deg. 32' E, 6.68 feet; thence S 77 deg. 30' E, 85.21 feet; thence S 05 deg. 30' W, for a distance of approximately 140 feet to a point of intersection of said property line and the existing Corporate Boundary of the City of Asheville;

14. Thence in an easterly direction with said Corporate Boundary to the intersection of the center line of Elk Mountain Scenic Highway (N.C. 694);

15. Thence in a northeasterly direction with the center line of Elk Mountain Scenic Highway to the intersection of said Highway and a straight line which connects the Ridge Top near Town Mountain Gap (U.S.G.S. Marker LR657 at an Elevation of 3196) and the center of the intersection of Beaverdam, Lynn Cove and Webb Cove Roads;

16. Thence in a southeasterly direction from the intersection of the center line of Elk Mountain Scenic Highway and said straight line proceeding along said line for a distance of approximately 6,600 feet to the center of the intersection of Beaverdam, Lynn Cove and Webb Cove Roads;

17. Thence in a southeasterly direction following a straight line from the center of the intersection of Beaverdam, Lynn Cove, and Webb Cove Roads for approximately 7,115 feet to the peak of Rich Knob (U.S.G.S. Marker, Biltmore 6 at an Elevation of 3535);

18. Thence in an easterly direction following a straight line from the peak of Rich Knob for a distance of approximately 7,360 feet to the intersection of the Blue Ridge Parkway at the center line Station Number 1071, identified on the ground as Mile Post 380 as shown on U.S. Department of Interior, National Park Service Maps at Sheet 8 drawing PKY-BR, 2Q-2064;

19. Thence in a southerly direction following the center line of the Blue Ridge Parkway to its intersection with the center line of U.S. 25A (Sweeten Creek Road);

20. Thence in a southerly direction following the center line of U.S. 25A to its intersection with the center line of Gerber Road (S.R. 3199);

21. Thence in a westerly direction following the center line of Gerber Road (S.R. 3199) to its intersection of the center line of U.S. 25 (Hendersonville Highway);

Thursday - August 25, 1977 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

APPROVAL OF MINUTES

1. Approval of the minutes of the August 18, 1977 meeting.

Councilman Michael suggested that the sentence on page 154 stating that "A public hearing was held relative to various items at the Asheville Airport" be amended to read "Various items relative to the Asheville Airport were discussed."

Mayor Ochsenreiter suggested that Council delay approving the minutes until the change is made.

APPROVAL OF SPECIAL MEETING MINUTES

2. Approval of the minutes of the August 23, 1977 special meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, the minutes of the August 23, 1977 meeting were unanimously approved as submitted.

INTRODUCTION BY COUNCILMAN MICHAEL

Councilman Michael introduced his wife and announced that he has filed for City Council Election.

RESOLUTION NO. 77-140 - RESOLUTION OF APPRECIATION AND COMMENDATION TO MARY E. WELLS

3. Consideration of a resolution of appreciation and commendation to Mary E. Wells.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, Resolution No. 77-140 was unanimously adopted.

Complete text of Resolution No. 77-140 will be found in Resolution Book No. 10 at page 22.

Councilwoman Swilling said that it was a privilege and pleasure to have known Mrs. Wells. She said that Mrs. Well's contribution to the City of Asheville has been a legend in its own right.

ORDINANCE NO. 974 - AN ORDINANCE ESTABLISHING A CROSS-CONNECTION CONTROL POLICY FOR THE ASHEVILLE MUNICIPAL PUBLIC POTABLE WATER SUPPLY

4. Consideration was given to the second reading of Ordinance No. 974, an ordinance establishing a Cross-Connection Control Policy for the Asheville Municipal Public Potable Water Supply.

Mayor Ochsenreiter advised that the ordinance was previously read on the first reading and members of Council had been furnished copies of the ordinance and

In the event uncertainty exists with respect to the boundaries of any of the aforesaid districts as defined and described in Volumes 1 to and including 9 of the Official Map Books of the City of Asheville, the following rules shall apply:

A. Boundaries indicated as approximately following the center lines of streets, highways, or alleys shall be construed to follow such center lines.

B. Boundaries indicated as approximately following platted lot lines shall be construed as following lot lines. Boundaries indicated as parallel to the center line of streets, highways, rivers, and streams, railroad or rights-of-way of same shall be construed as being paralled thereto and at such distance therefrom as indicated in the applicable Official Map Book. If no distance is given, such dimension shall be determined by use of the scale shown in said applicable Official Map Book. Where a district boundary line divides a lot which was in single ownership at the time of passage of this Ordinance, the Zoning Administrator for the City of Asheville may permit the extension of the regulations for either portion of the lot not to exceed fifty (50) feet beyond the district line into the remaining portion of the lot.

C. Where physical or cultural features existing on the ground are at variance with those shown in the applicable Official Map Book, or in other circumstances not covered previously in this Section, the Board of Adjustment shall interpret the district boundaries.

Mayor Ochsenreiter closed the public hearing at 5:15 o'clock p.m.

Councilman Michael moved for the readoption of Ordinance No. 322, as amended, known as the Zoning Ordinance of the City of Asheville. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, the readoption of Ordinance No. 322, as amended, known as the Zoning Ordinance of the City of Asheville passed on its first reading.

Councilman Michael moved to adjourn the special meeting. This motion was seconded by Councilwoman Swilling and carried unanimously.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

Miriam F. Moseley
CITY CLERK

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, Resolution No. 77-141 was unanimously adopted.

Complete text of Resolution No. 77-141 will be found in Resolution Book No. 10 at page 23.

RESOLUTION NO. ___ - RESOLUTION REGARDING THE CITY MANAGER'S RECOMMENDATIONS FOR USE OF THE E. TED LINN PROPERTY ON VALLEY STREET

7. Consideration was given to a resolution regarding the City Manager's recommendations for use of the E. Ted Linn property on Valley Street.

The City Manager read the resolution.

Councilman Rainey said that he was under the impression that the sentence in the resolution stating "If the City does not exercise the option to lease or purchase within the 90-day period, this option shall be null and void" would not be discussed today. With the deletion of this sentence from the resolution, Councilman Rainey said he would suggest leasing the property on a long-term basis or purchase it at the City's appraised price.

Councilman Rainey said that the real issue is whether or not the City should build a new complex for the City workers. Approximately $500,000 in Revenue Sharing Funds have already been set aside to build the complex with intentions of setting aside $500,000 for the next two years, but he hoped the City would abandon this idea and with the guidance of an architect, make use of the Linn property for ten times less than it would cost to build a new facility.

Mr. John Powell, Attorney representing Mr. E. Ted Linn, told Council that Mr. Linn is willing to sell the property to the City as appraised by Mr. Alan Butterworth for $209,500. Another consideration offered by Mr. Linn would be to rent the property with an option to lease or purchase at a later date. If the City chose this option, the rents would be applied to the lease or purchase arrangement.

Mr. Powell described the property as an 80,000 square foot main lot, fenced and adjacent to the City barn, along with a 40,000 square foot building made of concrete and steel with loading docks. In addition to these, another lot approximately 100 x 300 foot is included which could be used for parking. In considering the City's needs to house workers and equipment before winter, Mr. Powell said the Linn property is suitable in location, size, and working space for many of these purposes.

Mr. Powell requested Council to amend the resolution deleting the sentence whereby the City does nothing after the 90-day period. He said this proposal offered the property owner nothing, and there should be an option entered into between the City and Mr. Linn that would require either a lease or a purchase within 90 days.

City Manager K. M. Michalove said that the fact that a half million dollars was appropriated several years ago by Council but never used indicates a need for a facility, but a reserve in terms of a management decision not to rush into anything.

Several months ago he said Council had approved his decision to hire an architect to evaluate present facilities before considering anything new, and a

it would not be reread unless there is a specific request to do so.

Mr. K. M. Michalove, City Manager, explained that the City has been approved tentatively by the U. S. Environmental Protection Agency to furnish water for Interstate Carriers with the stipulation that the City conduct and enforce a continuing Cross-Connection Control Program.

On a roll call vote of 6-0, Ordinance No. 974 passed on its second reading.

ORDINANCE NO. 975 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

5. Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1977-78 (training program entitled "Principles of Police Management").

The City Manager read the ordinance.

City Manager K. M. Michalove explained that there were two parts dealing with the training program; an ordinance and a resolution. The ordinance would amend the operating budget of the City for Fiscal Year 1977-78 to fund the activity and the resolution would authorize the City Manager to file an application for federal funds, which would reimburse the $39,900 being appropriated. He requested that the Ordinance be read on all three readings.

He said that the program is in cooperation with the State of Northwestern University and would involve 32 officers, 22 of which are expected from out of town. The training program will be presented in Asheville and will last approximately five (5) weeks and will provide training in the traffic control area.

Councilman Morris moved for the adoption of Ordinance No. 975. This was seconded by Vice-Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 975 passed on its first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 975. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 975 passed on its second reading.

Councilman Michael again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 975. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 975 passed on its third and final reading.

Complete text of Ordinance No. 975 will be found in Ordinance Book No. 7 at page 174.

RESOLUTION NO. 77-141 - RESOLUTION AUTHORIZING THE CITY MANAGER TO FILE AN APPLICATION FOR FEDERAL FUNDING OF THE "PRINCIPLES OF POLICE MANAGEMENT" TRAINING PROGRAM

6. Consideration was given to a resolution authorizing the City Manager to file an application for federal funding of the "Principles of Police Management" Training Program.

In this report, he said he would include the advantages and disadvantages of acquiring the Linn property, including the cost to make the property functional in terms of renovation, electricity, heating, etc., that would be required to make the building worthwhile to the various City activities.

Vice Mayor Horton said that although the property is fairly priced, it is not clear whether it would be a bargain to the City without first knowing its complete use. It was his opinion that Council had laid the groundwork for making a proper decision on the matter at a later date, but that Council was not in a position to make an intelligent decision on the matter at this time.

By requesting immediate action by Council on the matter, Vice Mayor Horton said that Mr. Linn and his attorney, John Powell, were asking Council to act without giving consideration to what they were acting on. He suggested that Council give the City Manager, Corporation Counsel, Mr. Linn and his attorney an opportunity to get together and work out the details of the option before bringing it back to Council for their consideration.

Mayor Ochsenreiter said there were many factors to be taken into consideration concerning this project and listed the following:

(1) Consideration should be given to the future on the fundamentals of operating costs. Where the cost of a new building might be more, the cost of operating an older building could be more expensive in the long run.

(2) The increase of North/South traffic flow when the Valley Street Thoroughfare Plan is completed.

(3) Determination of the use value to the City.

(4) Possibility of a joint complex to house City and County facilities.

(5) Location - is it the right area for municipal services?

In addition to the above, Mayor Ochsenreiter said that he had received a letter saying that the residents of this area are opposed to a complex or any other building in this location and want the entire area cleaned up.

Mr. E. Ted Linn said that the City had spent $170,000 for the building down on Valley Street and nobody seemed concerned about this money, but yet the walls are falling in on the building. He said that he could not understand the delay by Council in making a decision to lease or purchase the property when the City couldn't possibly lose even if they chose to lease the property and not buy it. He said that the low appraisal had been put on the property because it didn't quite fit the City's situation.

Upon inquiry of Mayor Ochsenreiter, City Manager K. M. Michalove said that a total of $71,505.98 had been spent on improvements to the barn which included re-roofing and other repairs.

Councilman Michael said that to the best of his knowledge nobody was in agreement as to whether to purchase, lease, or rent the property or whether the building was needed at all. By passing this resolution, he said that Council would be giving the City Manager the option to work with Mr. Linn, his attorney, and Corporation Counsel William C. Moore.

committee, consisting of Mayor Ochsenreiter, Councilman Rainey, and Councilman Hoyle had been appointed to select an architect. In a memorandum to this committee, he requested that the architect chosen for this project be able to come to work immediately; that the architect evaluate the current use of existing facilities on Valley Street, and recommend specific short-range improvements for the better utilizations of these facilities, until such time as new facilities could be constructed.

If necessary, he said the Motor Transport Division could be moved to the facility presently occupied by the Street and Sanitation Divisions with the motor vehicles from these divisions being parked under a shed this winter.

He had also indicated to Council that some additional inside space might be needed to store bulk purchases of staples and that portions of the Linn property might be suitable for this purpose.

Councilman Michael said he could not see anything wrong with the resolution as it is only requesting Mr. Linn to give to the City a 90-day option. He pointed out that this is not obligating Mr. Linn to accept this or preventing some type of compromise from being worked out between Mr. Linn and the City Manager. He said that he suggested the resolution be drawn up to show Mr. Linn that the City has the intent to lease or purchase his property, but he does not see where this binds Mr. Linn to have to wait 90 days or accept the proposal. He suggested that if the resolution in its present form is not acceptable, the City Attorney, Mr. Powell, Mr. Linn and the City Manager could change it.

Councilman Morris pointed out that the resolution says the "90-day option to lease or purchase said property under terms to be agreed upon." It was his opinion that an architect should look at the property and see it if is worth the money for the purposes the City has in mind.

Mayor Ochsenreiter announced that he is in the process of setting up appointments with the architects to meet with the Committee next week.

Corporation Counsel William C. Moore suggested that Mr. Powell, Mr. Linn, Mr. Michalove and himself meet and draft an option or proposal suitable to all concerned.

Councilwoman Swilling said the the housing of important equipment should be considered. She said if we purchased or leased the Linn property, it would afford the City work departments an advantage they presently don't have, which would improve their attitude and morale toward their jobs. A new complex, or something in that order, she said could be considered in the City's long-range planning but she preferred the lease option to take care of the City's present needs. It was her hope that the new complex could be financed and shared by the City and the County.

Councilman Hoyle favored the proposed lease agreement saying that it was his understanding that the City needed a solution before winter. It was his opinion that the City could not lose on a lease with an option to purchase.

K. M. Michalove, City Manager, emphasized that the Motor Transport Division could be accommodated by winter without the Linn property and pointed out again that the exact amount of space needed is not known at this time. He requested four to six weeks to come up with a firmer recommendation for Council's consideration.

Councilman Hoyle: We're arguing about this last sentence.

Councilman Morris: Well, that last sentence hasn't got much to say because if the option is to October 1 and we decide that we don't want the property, then what happens.

Councilman Michael: You've got to throw out all of Number 1. Substitute Number 1 by saying that by October 1, the City Council will give Mr. E. Ted Linn an answer to whether they are going to lease or purchase his property.

Councilman Morris: I move that the City Manager come to us with his recommendation and that the Council agree to make a final decision on or before October 1.

Attorney Moore: I think that all you need to say is that you agree to give Mr. Linn an answer on or before such and such a date.

Councilman Rainey: I still keep hearing this "or do nothing business" in there. I don't know, are we agreed buy or lease or are we agreed buy, lease, or do nothing?

Councilman Morris: Buy, lease or do nothing. There's no sense in studying something, Gene, if we have no option to say no. We've studied it, it don't fit our need and we don't want it.

Mayor Ochsenreiter: It's already been said by the City Manager that there are some uses for it probably on a lease basis.

Councilman Rainey: Right, and to answer Ralph, you study something how to use it if you have it, and I think that is the point I would like to see us do, but it is up to Mr. Linn, what he wants.

Councilman Michael: He said he would accept giving us to October 1 to make a decision as to whether we were going to lease or purchase his building.

Councilman Hoyle: Okay, I understand that right there, lease or purchase.

Mr. E. Ted Linn: Why don't this Council take a vote as to whether they're going to lease or buy it, or vote against it, then take the option for 30 days.

Councilman Morris: I think what is going to happen there, Mr. Linn, is that the Council is going to vote not to do anything. Well, . . . that option has to remain to do nothing because there is no sense in us studying it, if we're committing ourselves either way to buy it. Well, I say there is no purpose in having a study under an option arrangement in 30 days if we're committing ourselves either to lease or purchase. Now we haven't even talked about the price and what we would be doing if we don't leave the option open to decide to neither, if we don't leave that option open, then we're deciding to purchase it today whether we would like to or whether we say it that way or not.

Councilman Rainey and Councilwoman Swilling agreed that it was their understanding that the resolution would be drawn up without the "do nothing" clause. However, Councilwoman Swilling said that the City Manager had tried unsuccessfully to get the consensus of Council's wishes in this matter and had been instructed by the Mayor to write the resolution in the manner of what his recommendations would be.

Councilman Morris said that it was his opinion the 90-day period that is in the recommendation was probably more time then was actually needed. However, he said there are several questions such as what height truck could be driven into the building, exactly how high the trucks are, and what turning radius is required for these trucks which need to be determined. He said all these questions could be determined and answered by an architect.

K. M. Michalove pointed out that he had inserted the 90-day option to begin July 26, 1977, and that almost 30 days had lapsed in the option period already, but that he felt that this time was needed for him to make a decision. He reminded Council that he would try to have a report ready for them by mid-September.

Attorney John Powell requested a motion by Council that during the third week in September, there be a proposal resolution before Council to either lease or purchase the Linn property, based on the architectural engineering study proposed by Council.

Mayor Ochsenreiter said the report would be based on what the City Manager recommends and, of course, if we disagree with what he tells us, then we can offer our own recommendations and amendments to the resolution that he presents. He said he could see no problem in the report being ready by the middle of September.

In reply to Attorney Powell's question as to what Council's action would be if the City Manager did not have the report ready by mid-September, the Mayor advised that the Council would have to vote for or against without the report, if this was the desire of Council.

Councilman Morris said that since architectural interviews are going to go on all next week, he felt that October 1 would be a reasonable compromise.

Attorney John Powell said that Councilman Morris' suggestion was acceptable.

The following text is a verbatim transcript of the last portion of discussion relative to the E. Ted Linn property:

Councilman Morris: Would you feel more comfortable if we passed a form of resolution on it?

Attorney Powell: I believe so, and then following that, I assume that myself, the City Manager and Council can begin the litigation process so as not to have that laying back as it comes to the buyer/lease.

Councilman Morris: Alright, would this wording sound all right. The City Council requests Mr. E. Ted Linn give the City of Asheville an option until October 1 to lease or purchase.

Councilman Rainey: Leave out the last sentence then?

Vice-Mayor Horton: Yes, let's discuss this. Let's understand what we are doing. Let's understand that if we pass this motion, we're saying we are either going to lease or purchase that property and that's it. We don't leave ourselves the option of turning it down. This is the most ridiculous business arrangement. I have never heard of anything so irresponsible in my life and this bothers me no end that we, elected to represent the people of Asheville, can sit here and argue on something so irresponsible and in such an immature manner. We have been subjected to pressure to act to accept someone's offer to the City in a business situation without giving it proper consideration and I resent that very much. I feel it's an insult to the intelligence of this Council and I would like to see us defeat this motion and be businesslike in the way we do the business of the City. Now, that's the way I feel and I feel that we should in all fairness to the citizens of Asheville defeat this motion and then we'll start again. If we cannot have an understanding among ourselves, let's just take one thing at a time, beat it down if necessary, and then do what is proper and what is best for the situation regarding the welfare of this City and the finances and our obligation to our citizens and those who look to us for leadership. So, Otis Michael, I ask you to vote against this and I'll ask Mr. Morris to vote against it, and I'll vote against it and let's see what happens.

Councilman Morris: I'd just like to point out that the way the motion is on the floor at this point in time, it would obligate the City to make up its mind either to lease or to purchase the building, it would commit the City to either lease or purchase the building and there isn't even a purchase price nor lease price and so I assume that whatever price Mr. Linn, at his leisure later would decide, would be what we are committed to buy it for. I think it's ridiculous.

Councilman Rainey: The motion or the resolution which has the wording of what Mr. Michalove brings to us, I don't think he was irresponsible and I don't think he was immature. I think that the legal instrument that would be effective for the 90-day period would include the $209,500 purchase price in it. We have talked about whatever the lease price might be, but that would be negotiated at that point. To me, we have a problem here of whether or not we purchase a building or whether or not we tell the architect there is an opportunity for you to build a multi-million dollar complex. Why don't we go up or down with this . . .

STATIC ON TAPE - COULD NOT HEAR

Mayor Ochsenreiter: I think we've had ample discussion. There's been a motion and a second. All those in favor of the resolution as presented signify by saying "aye". Councilman Hoyle, Councilman Rainey, and Councilwoman Swilling voted "aye" with Vice-Mayor Horton, Councilman Morris and Councilman Michael voting "nay".

Mayor Ochsenreiter: I oppose that also.

Vice-Mayor Horton: Right - We still have to hold the option for this City Council and the City of Asheville to decide for ourselves, using our best judgement with professional help, whether or not this is, this building is useful to us. If it turns out that it isn't, we've got no use for it so we wouldn't want to commit ourselves for either a lease or a purchase.

Councilman Rainey: Mr. Mayor, in order to clear the deck and, after all, we're using up valuable strength and we have John Jerose yet to go through and that's going to take a lot of strength, I move adoption of this resolution with the second sentence in Number 1 deleted.

Councilman Morris: Now, wait a minute, I didn't get it clear.

Councilman Rainey: I moved adoption of the resolution with the second sentence in Number 1 deleted.

Attorney Moore: If it's the Council's will, I understand that what the Council is saying is that they haven't made up their mind and it's my understanding that if you tell Mr. Linn that you're going to make a decision within a period of time, then you can pass this resolution without anything in it but you tell me now that you're going to lease or option right at this minute.

Councilman Rainey: Right. Let's go up or down with it . . .

Councilman Morris: Without even having a lease price?

Councilman Michael: Will you let me make an amendment? I'll second it in order to make an amendment and make the second sentence in Number 1 "If the City does not exercise the option to lease or purchase by October 1, this option shall be null and void."

Councilman Rainey: Well, you've put back in what I took out.

Councilman Michael: That's what Mr. Linn said that he would accept.

Attorney Powell: I understand what Councilman Rainey is willing to do and Mr. Linn would like that notation and remove that second sentence and have the resolution read to lease or buy.

Councilman Michael: I'll withdraw my second because it won't be acceptable to Mr. Linn, I mean my amendment.

Mayor Ochsenreiter: Are you withdrawing your amendment? Your second stands?

Councilwoman Swilling: I second it.

Mayor Ochsenreiter: Your second stands?

Councilman Morris: No, JoAnn seconds it.

Councilwoman Swilling: He withdrew his second, I second it.

Mr. Linn . . . 3/4 percent to a percent and a half or whatever, that could be discussed and then a definite decision be made by Council on or before October 1 as to whether to lease or purchase.

Attorney Moore: Why don't we do this John. Why don't you and I get together with Mr. Michalove and Mr. Linn and draft a resolution, an option to purchase, whatever you want to call it and come back to Council with something concrete to take a look at.

Attorney Powell: I'd rather have you set a date though. . .

Attorney Moore: I can't, there's no way to set a date. You're going to have to sit down and discuss this whole thing in order to make a determination.

Vice-Mayor Horton: No way, no way.

Attorney Moore: I can't, number one, come up with a legal opinion on language like that and you . . .

Mayor Ochsenreiter: I would like to recommend to Council that the suggestions made by both John and Bill be followed and that a meeting date, we would hope the first of next week, be set so that the proper instrument could be drawn and presented to Council. Does anyone disagree with that approach?

Vice-Mayor Horton: Mr. Mayor, that's quite similiar to what I suggested when I first started to speak before I got incensed a while ago and I don't apologize for getting incensed because it seems like we've just gotten off on a real unusual tangent today. This makes sense and I think that we should accept the advice of our Attorney and have some understanding. I realize that it's most unusual to have an option to buy or purchase without some consideration and the understanding there is that, if at the end of the option period, the person buying the option forfeits that amount of money, if he decides that he doesn't want to do anything. So, I think this should be a businesslike way of doing it and that's the third option that should be left . . . with any purchaser that he can change his mind if it looks like he doesn't have any use for that purchase or if the price and so forth doesn't suit him.

Councilman Michael: You're talking about 3/4 of a percent?

Attorney Powell: That's normally the range but these are always negotiable, depending on the . . . I think something in that range will be fair.

Councilman Michael: You're talking about $1,500 and we've already spent $1,200 getting it appraised and we haven't even made up our mind as to whether we're going to buy it or not. I think this resolution is good. I think that if you want to change the time to October 1 and Mr. Michalove thinks that he can make that deadline and work with Mr. Moore, work with you, Mr. Linn, fine. For us to go and spend another $1,500 to $2,000 on something that we don't know whether we're going to get or not yet of taxpayer's money . . .

Councilwoman Swilling: May I take a second? Why I second it and why I voted for this. I think it is only fair to say that Mr. Michalove has spent much time in looking at this building. It's had different department heads appraise it and go through it. They have given their evaluation of the building. I do not feel like I have been irresponsible or unthoughtful with people's money. I feel like the need is for a building to house deteriorating structures for the City employees. Mr. Linn has made the City a fair price which all of us have been aware of and the lease agreement has been spelled out in black and white which is negotiable . . .

Councilman Michael: May I make a motion?

Vice-Mayor Horton: Let's be careful . . . Let's . . . What I would like to do in all sincerity, are we looking to the City Manager to handle this kind of thing for us or are we . . .

Councilman Hoyle: Who is telling who now?

Vice-Mayor Horton: . . . going to open the City Council meetings up for any citizen to come in and offer the City anything they have to sell or any proposition they'd like to make and deal directly with the City Council. I think we're really getting far field here. I feel that we certainly shouldn't make any decision on the purchase of property unless it's thoroughly studied and unless it is recommended to us at least one way or the other from our City Manager and here we're, we have been discussing today the possibility of going ahead without regard to what the City Manager might recommend to us because he is not ready to recommend anything to us, and I think this is a poor procedure.

Councilman Hoyle: Let me ask the Attorney something. Bill, if I come up to you and I lease your building, does that tie my hands that I have to buy it?

Attorney Moore: Based on what you're saying, no, unless you have a lease option to purchase. But I think the problem here is the fact of the semantics of drafing this and I think that what we need to do is for Mr. Powell, Mr. Linn, Mr. Michalove and myself to get together to draft an instrument that fits what I understand that you all are talking about today more clearly, then we can come back to Council. Now, that's my understanding and I think you all will agree with me.

Vice-Mayor Horton: That's what I've asked for, is that agreeable with you?

Attorney Powell: Yes, Let me make a suggestion directed to the City Manager and to Council. Obviously, since the Council today, the Mayor has broken the tie vote to take some definite action on the property today in terms of leasing and buying. We discussed an October 1 date. I would propose an option with consideration to Mr. Linn, not a free option. I do think there ought to be an option with some consideration going to

Vice-Mayor Horton said that the owner of the second parking lot could be required to put a sign up.

Mr. Emrick said that at the time a new building permit or certificate of occupancy is issued, if that individual cannot meet parking requirements, then it would be necessary for the individual moving into the business to make some arrangement with the adjoining property owners.

RESOLUTION NO. 77-142 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR A 15-INCH SEWER LINE ON AMBOY ROAD IN ASHEVILLE, NORTH CAROLINA

9. Consideration of a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a 15-inch sewer line on Amboy Road in Asheville, North Carolina.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, Resolution No. 77-142 was unanimously adopted.

Complete text of Resolution No. 77-142 will be found in Resolution Book No. 10 at page 24.

Mayor Ochsenreiter introduced Mr. and Mrs. Herman Medler of West Asheville.

Mayor Ochsenreiter called for a five (5) minute recess of Council at 4:55 o'clock p.m. Council reconvened the meeting at 5:00 o'clock p.m.

PUBLIC HEARING - AMENDMENT TO THE THOMS CABLEVISION FRANCHISE ORDINANCE TO INCREASE AUTHORIZED RATES AND TO CLARIFY THE PROVISIONS OF THE ORDINANCE RELATIVE TO ESTABLISHMENT OF RATES

10. A public hearing was held relative to the amendment to the Thoms Cablevision Franchise Ordinance to increase authorized rates and to clarify the provisions of the ordinance relative to establishment of rates.

Mayor Ochsenreiter opened the public hearing at 5:10 o'clock p.m.

The City Manager advised that the notice to the public had been advertised relative to the time and date of the public hearing. He presented the Affidavit of Publication. He said that he had also received a proposed amendment to Section 11 of the Thoms Broadcasting Companies, Inc. Franchise Ordinance.

Mr. Max Cogburn, Attorney representing Thoms Broadcasting Companies, Inc., gave a brief background into the formula previously used to increase the rates, which had been based on the national average of cities comparable in size to that of the City of Asheville. However, he said he felt that Council realized, as he did, that this formula could no longer be followed in granting increases. He said this is more evident because of a trend across the country to de-regulate the fixing of rates for cablevision.

Mr. Cogburn presented the Mayor and Members of City Council with an audited financial statement prepared for Thoms Cablevision by Mr. Don Williams and certified by him as having been done according to accepted accounting practices. It was his hope that this statement would provide a bridging step between the former rate adjustment and what is presently being requested, thus setting a precedent for fixing rates in the future.

Attorney Powell: I think that Council would agree with me that the City is also asking Mr. Linn to give up the right to dispose of his property otherwise, during the period of the option and any other normal business transaction some consideration for that tie on his property . . .

Mayor Ochsenreiter: Let's leave that for the agreement that you all reach and bring back to Council. We're going to move as fast as we can and we got some good deadlines I think by mid-September, he is going to have a recommendation and we're going to work on the October 1 date to make sure that it's done by that time.

ZONING ORDINANCE AMENDMENT REGARDING JOINT USE OF PARKING LOTS - OFF-STREET PARKING AND LOADING

8. Consideration was given to a zoning ordinance amendment regarding joint use of parking lots - off-street parking and loading.

The City Manager said that this suggestions was brought about by complaints the City has received over a period of months relating to businesses that attempt to accommodate parking within their own properties. He said recently some businesses have opened up without sufficient parking on their premises which has caused their customers to use the parking facilities of adjoining or near-by businesses.

Mr. Emrick said that this is for informational purposes only and that no action can be taken. He said that the ordinance we now have does not accommodate the types of problems we are concerned with. He summarized the following proposed amendment:

"Sec. 30-3-11 Regulation of Off-Street Parking and Loading.

Subsection C. Joint Use of Parking Lots.

1. The required parking space for any number of separate uses may be combined in one lot, but the required spaces assigned to one may not be assigned to another for use during the same hours.

However, overflow parking generated by one or more businesses or uses not located in a typical shopping center complex(es) or similar group development(s), shall not encroach upon the parking areas assigned to other businesses or uses unless a properly drawn legal instrument is executed by the parties concerned for the joint use of the off-street parking areas (adjacent or remote) and said instrument is approved as to form and manner of execution by the Corporation Counsel of the City of Asheville, N. C. and filed with the application for a building permit."

Upon inquiry of Councilman Rainey, Mr. Emrick said this would be enforced by the Zoning Administrator and the Police Department. He said this is almost an unenforceable type of situation.

Councilman Rainey suggested that an owner put up a sign saying "no parking other than customers" then the owner could designate the cars he wanted towed away.

He advised Vice-Mayor Horton that he would find out whether any other companies charge on this basis.

Mr. Jerose urged Council to base their judgement on the performance of the Company in covering new areas. He pointed out to Council that once the area is built up and subscriptions increased, the rate would stabilize.

Mayor Ochsenreiter said he felt like Cablevision is a luxury and if Council thinks it is a fair price then it would be up to the option of the user to say whether or not they want it for the price offered.

After further discussion, Mayor Ochsenreiter requested that an ordinance be prepared for Council's consideration at their next regular scheduled meeting on September 1, 1977.

Mayor Ochsenreiter closed the public hearing at 6:10 o'clock p.m.

RESOLUTION NO. 77-143 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR AN 8-INCH WATER LINE ON TOWN MOUNTAIN ROAD

11. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way agreement with the North Carolina Department of Transportation for an 8-inch water line on Town Mountain Road.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, Resolution No. 77-143 was unanimously adopted.

Complete text of Resolution No. 77-143 will be found in Resolution Book No. 10 at page 25.

ORDINANCE NO. 976 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

12. Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1977-78 (equipment to clean City vehicles).

The City Manager read the ordinance.

Councilman Michael moved for the adoption of Ordinance No. 976. This motion was seconded by Councilman Morris.

On a roll call vote of 5-0, Ordinance No. 976 passed on its first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 976. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 976 passed on its second reading.

Councilman Michael again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 976. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 976 passed on its third and final reading.

Mr. Cogburn said that since the last increase granted by Council in April of 1976 increasing the rates to $7.00 per month, Thoms Cablevision had been involved in the expansion of facilities, construction, and providing an enrichment program for its subscribers. He said without an adjustment in rates approved by Council, Thoms Cablevision could not hope to have any return on the large investment which has been put into their business.

He pointed out that Council had provided Thoms Cablevision with a resolution relative to their obtaining permission from the FCC to carry Channel 3. He advised that Thoms had undertaken efforts with an attorney in Washington, who is familiar with the FCC practices, to get some relief from the rule which will not allow them to carry Channel 3. This, he said would not only be important to the subscriber, but valuable to the business as well.

Mr. John Jerose, Vice President and General Manager of Thoms Cablevision, reviewed the rate increase application for members of Council. Included in this application were areas constructed over the past year totalling $106,356.51; proposed construction for 1977-78 totalling $97,865; and a list of services provided to all subscribers, which he said fulfilled the commitment made by Thoms prior to the last increase.

Upon inquiry of Council, Mr. Jerose said that Thoms was presently attached to 5,181 poles and the proposed increase of $2.00 per pole by the power company would cost $10,362. As of July 1, 1977, Mr. Jerose said the contract between Thoms Cablevision and Carolina Power and Light Company for poles had expired. He said CP&L had proposed a $2.00 increase per pole in the new contract and that Thoms had not agreed to that price. Because of their failure to sign the new contract, he said CP&L would not allow any more attachments to their poles.

Upon inquiry of Councilman Michael, Mr. Jerose said that CP&L Co. did not go up on the pole rates for the telephone company due to an agreement reached on a national level with the Bell Systems and the Federal Communications Commission that would be in effect until 1980 or 1981. He informed Council that the FCC did not regulate the power industry. However, he said there is a Bill pending in Congress to give the State Utilities Commission authority to regulate pole rates for the FCC if the State chose not to regulate them.

Mr. Jerose explained that the $1.50 per month was the needed rate increase and presented the following formula:

6500 accounts x $1.50 per month equals $9,750 per month x
12 months equals an $117,000 annual yield.

Based on projected liabilities and construction, he said Thoms should be requesting a $3.00 rate increase. Since the request is only for $1.50 or annual yield of $117,000, this would only keep pace with the needs for 1978. In order to get the type of return needed and what their investors should have, he said the rate should be $10.00.

In reply to Councilman Rainey's question, Mr. Jerose said Thoms Cablevision Company, Inc. lost under 20 customers when Council approved the last increase, but to the best of his knowledge most of these came back. He said the net gain since the last increase was in the neighborhood of seven or eight hundred new customers.

Upon inquiry of Councilman Michael, Mr. Jerose said he did not know whether it would be legally possible for Thoms Cablevision to charge a distance rate and possibly more to County residents, but he thought they would be justified in doing so.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 77-146 was unanimously adopted.

Complete text of Resolution No. 77-146 will be found in Resolution Book No. 10 at page 29.

SEPTEMBER NIGHT MEETING - SEPTEMBER 15, 1977

Upon motion of Councilman Hoyle, seconded by Councilman Michael, the September night meeting is scheduled for September 15, 1977 at 7:30 o'clock p.m.

Councilman Michael asked the City Manager to include, as much as possible, community business at these night meetings.

REPORTS - CHARLES STREET AND HAW CREEK - CITY MANAGER

City Manager K. M. Michalove said that his updated reports on Charles Street and Mrs. Noblett's inquiries would be given at Tuesday's work session.

Adjournment.

Eugene L. Schanacke Jr.
MAYOR

William F. Moseley
CITY CLERK

Complete text of Ordinance No. 976 will be found in Ordinance Book No. 8 at page 175.

RESOLUTION NO. 77-144 - RESOLUTION OF INTENT TO CLOSE AN UNNAMED ALLEY WAY BETWEEN JULIA STREET, NOW ROBINDALE AVENUE AND HENRIETTA STREET AND CALLING A PUBLIC HEARING ON THE QUESTION

13. Consideration was given to a resolution of intent to close an unnamed alley way between Julia Street, now Robindale Avenue and Henrietta Street and calling a public hearing on the question.

The City Manager read the resolution scheduling the date for the public hearing for October 6, 1977, which is a 7:30 o'clock p.m. meeting.

Mr. Emrick, Planning Director, showed Council, by use of a map, where the alley way is located.

Upon motion of Councilman Rainey, seconded by Councilman Michael, Resolution No. 77-144 was unanimously adopted.

Complete text of Resolution No. 77-144 will be found in Resolution Book No. 10 at page 26.

ORDINANCE NO. ___ - AN ORDINANCE AMENDING THE HEALTH AND SANITATION CODES, CHAPTER 14 OF THE CODE OF ORDINANCES, CITY OF ASHEVILLE, NORTH CAROLINA

14. Upon request of Councilman Rainey, consideration of this ordinance was postponed until September 1, 1977.

ORDINANCE NO. ___ - AN ORDINANCE AMENDING THE GARBAGE AND TRASH CODES, CHAPTER 13 OF THE CODE OF ORDINANCES, CITY OF ASHEVILLE, NORTH CAROLINA

15. Upon request of Councilman Rainey, consideration of this ordinance was postponed until September 1, 1977.

RESOLUTION NO. 77-145 - RESOLUTION RECOMMENDING NUMBER ONE PRIORITY PROJECTS TO THE NORTH CAROLINA BOARD OF TRANSPORTATION FOR 1977-84 HIGHWAY IMPROVEMENT PROGRAM

16. Consideration was given to a resolution recommending Number One priority projects to the North Carolina Board of Transportation for 1977-84 Highway Improvement Projects.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 77-145 was unanimously adopted.

Complete text of Resolution No. 77-145 will be found in Resolution Book No. 10 at page 27.

RESOLUTION NO. 77-146 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO MAKE APPLICATION FOR BUREAU OF OUTDOOR RECREATION FUNDS FOR NORTH ASHEVILLE PARK

17. Consideration was given to a resolution authorizing the Director of Parks and Recreation to make application for Bureau of Outdoor Recreation Funds for North Asheville Park.

The City Manager read the resolution.

their last increase by Council. It was also his opinion that there was to be no installation charge, therefore the new customer would not be bearing the weight of the expansion. He said the accounting report is based on the assumption that there will be no increase in customers. He said that since Thoms Cablevision is going into the Biltmore area, Barnard Avenue Ext., etc., there should be additional subscribers.

Mr. Cogburn said he believed that the present customers were receiving an adequate return on last year's increase. Referring to the services listed in the front of the Rate Increase Application, Mr. Cogburn said that under the franchise, Thoms Cablevision has the obligation to expand and serve the entire City and that money has to come from some source. In response to Councilman Rainey's inquiry about the financial report, Mr. Cogburn explained that this report was drawn up for the present time.

Councilman Rainey said that he has not been able to find any justification for the rate increase in the financial report.

Mr. Cogburn said that since Thoms Cablevision executed the microwave service agreement in November, 1976, they have been trying to get service to their subscribers as quickly as possible.

Mr. Don Williams said that the parent company has $1,372,000 invested in Thoms Cablevision and that the net income in 1976 was only a fraction over 4% return on its capital. He also said that the $54,000 profit figure from last year would have been much lower in that the company had $975,000 in losses, therefore having no income taxes to pay.

Vice-Mayor Horton stated that Council does not have the prerogative of amending this ordinance since it was adopted by vote of the people in a referendum.

Councilmen Rainey and Morris said that they were both under the understanding that the ordinance would be edited and a satisfactory agreement reached relative to the calculation of future rates prior to the second reading of the ordinance.

Councilman Morris moved for the adoption of Ordinance No. 977. This motion was seconded by Councilman Hoyle.

On a roll call vote of 4-1, Ordinance No. 977 passed on its first reading, with Vice-Mayor Horton voting "no."

PUBLIC HEARING - REZONING REQUEST - C. C. BLOUNT AND ASSOCIATES, INC. - PROPERTY BOUNDED BY STATE STREET, MICHIGAN AVENUE AND AMBOY ROAD

3. A public hearing was held relative to a rezoning request by C. C. Blount and Associates, Inc. to rezone property bounded by State Street, Michigan Avenue and Amboy Road from R-3 Residential District to LI Light Industrial District.

Mayor Ochsenreiter opened the public hearing at 3:44 o'clock p.m.

The City Manager presented the advertised notice to the public setting the time and date of the public hearing and the affidavit of publication.

Mr. Verl Emrick, Planning Director, advised that the Planning and Zoning Commission recommended approval of the rezoning request. He said the original request was that the property be rezoned to HI Heavy Industrial District, but the Planning and Zoning Commission felt that the LI Light Industrial District would accommodate the proposed use. By use of a map, Mr. Emrick pointed out the proposed rezoning area to members of Council.

Thursday - September 1, 1977 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager K. M. Michalove

Absent: Councilwoman JoAnn M. Swilling, Councilman Otis B. Michael, Associate City Manager/City Clerk William F. Wolcott, Jr.

APPROVAL OF MINUTES

1. Approval of the amended minutes of the August 18, 1977 meeting and the minutes of the August 25, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, the amended minutes of the August 18, 1977 meeting were approved as submitted.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, the minutes of the August 25, 1977 meeting were approved as submitted.

ORDINANCE NO. 977 - ORDINANCE AMENDING ORDINANCE GRANTING FRANCHISE TO THOMS BROADCASTING COMPANIES, INC.

2. Consideration was given to an ordinance amending ordinance granting franchise to Thoms Broadcasting Companies, Inc.

The City Manager read the ordinance and said that the City Attorney, Mr. Cogburn, Mr. Jerose, and himself had met this week to attempt to develop a formula relative to questions raised at last week's Council meeting. Due to a lack of time, they were unable to meet with the sub-committee of City Council. He said it was agreed at Tuesday's work session that this would only be the first reading, and that the language in the ordinance that dealt with the fees and charges would have to be looked at by the sub-committee of Council.

Mr. Max Cogburn, Attorney representing Thoms Broadcasting Companies, Inc., said that Mr. J. Donald Williams who prepared the Thoms Cablevision Rate Increase Application, was present today to answer any questions.

Upon inquiry of Councilman Rainey, Mr. Williams explained that Thoms Cablevision does not hire its own internal accountant, therefore they must appropriate $1,000 per month for accounting services.

Councilman Rainey felt that inflation should be one item in the calculation, but not the total item.

Councilman Rainey raised the following issues:

1. Has the present customer recieved an adequate return on the $1.60 increase last year?

2. Should the present customers be required to pay for expansion of future customers?

Councilman Rainey said he thought it was unfair to the customers of cablevision for Thoms to request an increase at this time, because they have just this past August provided the services of two additional stations they promised when they were granted

The City Manager explained that the current president of the Asheville-Buncombe County Youth Council is Ms. Lisa Dean.

READOPTION OF ORDINANCE NO. 322, AS AMENDED, KNOWN AS THE ZONING ORDINANCE OF THE CITY OF ASHEVILLE

6. Consideration was given to the second reading of the readoption of Ordinance No. 322, as amended, known as the Zoning Ordinance of the City of Asheville.

Mr. Verl Emrick reviewed the changes in the proposed ordinance as follows:

1. SIGN REGULATIONS were inserted as Article 9 and the remaining Articles were renumbered in the Table of Contents and the Text.

2. ARTICLE I, Section 30-1-3. Jurisdiction was amended.

3. ARTICLE 4, Section 30-4-1. Use Districts, rewording of the use district designation to correspond with the references made to the maps in the Jurisdictional statement.

Mr. Emrick said there was one other change in Article 8, Board of Adjustment, and it was brought about by a change that was made in state law governing appointments to the Board of Adjustment 160A-388. The sentence which will be deleted reads as follows:

"The City Council and the County Commissioners may, in their discretion, appoint alternate members to serve on said Board in the absence, for any cause, of any regular meeting."

Mr. J. E. Johnson, Director of Inspections, said that the alternate members should be appointed as members, so they could be called if some others couldn't attend a meeting.

Mayor Ochsenreiter asked Mr. Johnson for suggestions to the wording change.

Mr. Emrick, upon the request of Mr. Al Sneed, asked Council for a zoning change from R-2 Residential to R-1 for the area south of Elk Mountain Scenic Highway at the northernmost edge of the revised extraterritorial area, where property owners feel a need for the additional protection offered by the highly restrictive R-1 designation.

Mr. Charlie Patton from Ballentree Sub-Division, requested that the boundary line be redrawn on the southeast to include the Ballentree Sub-Division, which is within the present one-mile perimeter, but would have been outside the proposed new boundary.

Mr. Emrick said that he would contact Mr. Rice and get a detailed description of the entire Ballentree property and that would suffice for the description that would need to be inserted in the Jurisdictional statement. He said that this would be presented at the work session on Tuesday.

Mr. Nick Fisher recommended a change in the extraterritorial boundary where the northwestern boundary would be changed from Gorman Bridge Road and Riverview Road to Brickyard and Pearson Bridge Road.

Mayor Ochsenreiter said these items would be taken up at Tuesday's work session.

Vice-Mayor Horton moved for the readoption of Ordinance No. 322, as amended. This motion was seconded by Councilman Morris.

On a roll call vote of 4-0, the readoption of Ordinance No. 322, as amended, passed on its second reading.

Mrs. Elrod spoke in opposition to the rezoning request saying that she has six lots that could be built on, but the residents of this area don't want buildings near the lots where homes would be built.

Mr. Emrick said that the residents in the area would be protected by stringent buffer requirements.

Vice-Mayor Horton said he would not recommend a designation of Light Industrial District zoning on a residential street (State Street).

Mayor Ochsenreiter suggested that Council continue the public hearing until members of Council could have an opportunity to visit the property.

Mrs. Wilson also spoke in opposition to this rezoning request stating that there would be too much congestion and that the only available water and sewer lines were installed by the property owners.

Councilman Morris moved to continue the public hearing until September 8, 1977, until Council members could have an opportunity to view the property. This motion was seconded by Councilman Rainey and carried unanimously.

PUBLIC HEARING - GROUP DEVELOPMENT - ADDITION TO SQUARE D COMPANY

4. A public hearing was held relative to the site plan of the proposed expansion of the Square D Company located on Bingham Road.

The City Manager presented the advertised notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Emrick advised Council that the Planning and Zoning Commission recommended approval of the site plan subject to the recommendations of the Water Department and the submission of a satisfactory erosion control plan.

Upon inquiry of Vice-Mayor Horton relative to additional water usage, Mr. Hammond, a representative of Square D Company, said that there would be perhaps a 10% increase of water usage in the proposed area.

Mayor Ochsenreiter closed the public hearing at 4:16 o'clock p.m.

Councilman Rainey moved to approve the site plan of the proposed expansion of the Square D Company located on Bingham Road. This motion was seconded by Councilman Hoyle and carried unanimously.

RESOLUTION NO. 77-147 - RESOLUTION APPOINTING THE ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL PRESIDENT TO THE ASHEVILLE AREA CIVIC CENTER COMMISSION

5. Consideration was given to a resolution appointing the Asheville-Buncombe County Youth Council President to the Asheville Area Civic Center Commission.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Hoyle, Resolution No. 77-147 was unanimously adopted.

Complete text of Resolution No. 77-147 will be found in Resolution Book No. 10 at page 31.

The City Manager read the ordinance which increases the penalty from $10.00 to $25.00, a new requirement that weeds and grass be cut twice a year on or before June 1 and September 1 of each year, and a new requirement that undeveloped lots of more than one acre be cleared by those dates to a distance of 50 feet from all public roadways and lots that have businesses and residences built on them.

Councilman Rainey said that this ordinance would bring out a better appearance for Asheville in the future.

Councilman Rainey moved for the adoption of Ordinance No. 979. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 4-0, Ordinance No. 979 passed on its first reading.

Upon inquiry of Councilman Rainey, Mr. Johnson said that the service stations with a lot of old tires are covered under this ordinance.

ORDINANCE NO. 980 - ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

10. Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1977-78 (electric fencing at the Asheville Airport).

The City Manager read the ordinance. He explained that this would allow electric fences to be installed at the Asheville Airport to keep deers out of the airport area.

Councilman Morris moved for the adoption of Ordinance No. 980. This motion was seconded by Councilman Hoyle.

On a roll call vote of 4-0, Ordinance No. 980 passed on its first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 980. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 980 passed on its second reading.

Vice-Mayor Horton again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 980. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 980 passed on its third and final reading.

Complete text of Ordinance No. 980 will be found in Ordinance Book No. 7 at page 182.

DOGS ON TACOMA CIRCLE

Rev. Samuel A. Friedman of 186 Tacoma Circle requested some method of dog control, especially between the hours of 11:00 o'clock p.m. and 3:00 o'clock a.m.

Mayor Ochsenreiter said that the City Manager is working on this type of problem.

ORDINANCE NO. 974 - ORDINANCE ESTABLISHING A CROSS-CONNECTION CONTROL POLICY FOR THE ASHEVILLE MUNICIPAL POTABLE WATER SUPPLY

7. Consideration was given to the third and final reading of Ordinance No. 974, an ordinance establishing a Cross-Connection Control Policy for the Asheville Municipal Potable Water Supply.

Mayor Ochsenreiter advised Council that the ordinance was previously read on the first reading and members of Council had been furnished copies of the ordinance and it would not be re-read unless there was a specific request to do so.

On a roll call vote of 4-0, Ordinance No. 974 passed on its third and final reading.

Complete text of Ordinance No. 974 will be found in Ordinance Book No. 7 at page 173.

ORDINANCE NO. 978 - ORDINANCE AMENDING THE HEALTH AND SANITATION CODES, CHAPTER 14 OF THE CODE OF ORDINANCES, CITY OF ASHEVILLE, NORTH CAROLINA

8. Consideration was given to an ordinance amending the Health and Sanitation Codes, Chapter 14 of the Code of Ordinances, City of Asheville, North Carolina.

The City Manager read the ordinance incorporating the change in the penalty from $10.00 to $25.00. The amendment will read as follows:

> "(f) In addition to and separate and apart from the other remedies set forth in this Section, a violator of any of the above provisions may be assessed a penalty of Twenty-five Dollars ($25.00), and each and every day during which a violation occurs shall be a separate and distinct offense."

Councilman Rainey pointed out that the $25.00 penalty fee is in keeping with fines charged by other cities. It was his hope that by increasing penalties in this particular area, the City would alleviate most of the complaints with weeds. He said he also drafted a letter that would be sent out by the City Inspector. He said he believed the enforcement of this is more important than the penalty itself.

Councilman Rainey moved for the adoption of Ordinance No. 978. This motion was seconded by Councilman Hoyle.

On a roll call vote of 4-0, Ordinance No. 978 passed on its first reading.

Mr. Michalove said that the problems of enforcing this code would be through the courts. He said that there will be property owners that will not cut their weeds, but the way this ordinance reads, the Inspections Department may go to the residence and notify the person responsible, if the trash is not removed or if the weeds are not cut. At this point, he said the Chief of Building Inspections would have to bring the matter before Council. Upon receiving an order from Council, the Building Inspector would instruct personnel under his control to cut the grass, remove the trash, garbage, etc. and a lien placed on the property for the costs incurred by the City.

ORDINANCE NO. 979 - ORDINANCE AMENDING THE GARBAGE AND TRASH CODES, CHAPTER 13 OF THE CODE OF ORDINANCES, CITY OF ASHEVILLE, NORTH CAROLINA

9. Consideration was given to an ordinance amending the Garbage and Trash Codes, Chapter 13 of the Code of Ordinances, City of Asheville, North Carolina.

RESOLUTION NO. 77-150 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH PERRY M. ALEXANDER CONSTRUCTION COMPANY FOR THE PROJECT KNOWN AS REDWOOD FOREST 6-INCH WATER LINE

14. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Perry M. Alexander Construction Company for the project known as Redwood Forest 6-Inch Water Line.

The City Manager read the resolution. He read a memorandum from William DeBruhl, Utilities Operations Coordinator, which stated that the five (5) responsive bids were received and recommended the acceptance of the lowest bid by Perry Alexander Construction Company in the amount of $49,058.00.

Bid Summary

Bidder	Bid
Perry Alexander Construction Company	$49,058.00
Taylor and Murphy Construction Company	56,920.00
Huntley Construction Company	52,492.30
W & W Construction Company	54,625.00
Hobson Construction Company	50,900.00

Upon motion of Councilman Rainey, seconded by Vice Mayor Horton, Resolution No. 77-150 was unanimously adopted.

Complete text of Resolution No. 77-150 will be found in Resolution Book 10, page 34.

CLAIM - HARLEY WARREN BURLESON AND WIFE RUBY M. BURLESON

The City Manager presented a claim received from Long, McClure and Dodd on behalf of Harley Warren Burleson and wife, Rudy M. Burleson.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - JERRY LEWIS MUSCULAR DYSTROPHY TELETHON WEEKEND

Mayor Ochsenreiter proclaimed the period of September 4-5, 1977, as "Jerry Lewis Muscular Dystrophy Telethon Weekend."

FREE PARKING - CIVIC CENTER

The City Manager said that the Civic Center Commission is sponsoring a special event at the Civic Center in September to interest business and industry clubs to use the Civic Center, to show them what kinds of facilities we have and what types of uses we can make with those facilities, and to encourage as many people as possible to come to that event, the Commission is asking for free parking in the Civic Center Garage on that evening.

Councilman Hoyle moved to let the Civic Center Commission have a free night of parking in the Civic Center Garage for this special event. This motion was seconded by Vice-Mayor Horton and carried unanimously.

BILL FASS - AKZONA PROPOSAL

Mr. Bill Fass spoke in favor of the proposed Akzona development. He said he believes the City needs to back this development and whatever the costs are, in time, it will come back to the City.

Adjournment.

MAYOR

CITY CLERK

ORDINANCE NO. ___ - ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

11. Consideration of an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1977-78 (creation of Advertising Services and Promotions activities in conjunction with the Civic Center activity).

The City Manager read the ordinance.

Mr. Larry Fisher, Director of Finance, explained that this is only an accounting change. He said there is no change in what the Commission and the City Council appropriated to these activities. Mr. Fisher said that these activities were in the Civic Center activity net (the anticipated profit of the promotions activity was already in the Civic Center budget, but the revenue that would have created that profit and the expenditures that it will take to generate that profit were not displayed in the Civic Center budget). He said this in no way alters the support that the General Fund is budgeted to give to the Civic Center fund.

After some discussion, it was the consensus of Council to table this ordinance until they could study the request in more detail.

RESOLUTION NO. 77-148 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT WITH COMPUTER SYSTEM SERVICES, INC.

12. Consideration was given to a resolution authorizing the Mayor to sign a contract with Computer System Services, Inc.

The City Manager read the resolution. He explained that the contract is for a variety of services for a one year period beginning September 1, 1977. The contract is for $1,750 per month, which is the same amount we had the previous year. Since the type of equipment to be serviced is detailed, the City has found this maintenance agreement to be less expensive than going to the supplier of the equipment for these services.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 77-148 was unanimously adopted.

Complete text of Resolution No. 77-148 will be found in Resolution Book No. 10 at page 32.

RESOLUTION NO. 77-149 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR PROJECT NO. 78-P-01

13. Consideration was given to a resolution authorizing the Mayor to enter into a contract with the North Carolina Department of Transportation for Project No. 78-P-01.

The City Manager read the resolution. He explained that this is a continuing grant agreement with the state and federal government. He said the $7,000 of non-federal costs is shared with the state 50-50, the City is actually putting up $3,500 which is an in-kind contribution. He said this goes to pay the salary of some of the Planning Staff.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 77-149 was unanimously adopted.

Complete text of Resolution No. 77-149 will be found in Resolution Book No. 10 at page 33.

Mayor Ochsenreiter closed the public hearing at 3:26 o'clock p.m.

Mayor Ochsenreiter said that Mr. Emrick and the petitioners will work together to amend the ordinance prior to the second reading deleting the State Street lots bordering the existing residential area.

Upon Vice-Mayor Horton's request, Mr. Emrick read the permitted uses in the commercial services (LI Light Industrial) zone.

Mrs. Elrod said that with the uses permitted in a Light Industrial area, things would pile up and it would look like a junkyard.

The City Manager read the ordinance.

Councilman Hoyle moved for the adoption of Ordinance No. 981. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 6-0, Ordinance No. 981 passed on its first reading.

PUBLIC HEARING - GROUP DEVELOPMENT - THE ASHEVILLE HOUSE

3. Mr. Emrick requested that the public hearing be rescheduled for a later date, which will be determined at the September 15, 1977 meeting.

PUBLIC HEARING - GROUP DEVELOPMENT - ASTON PARK LONG TERM HEALTH CARE FACILITY

4. A public hearing was held relative to the site plan of the proposed Aston Park Long Term Health Care Facility to be located on N. C. 191 Connector near Brevard Road.

Mayor Ochsenreiter opened the public hearing at 3:35 o'clock p.m.

Mr. Emrick advised Council that the Planning and Zoning Commission recommended approval of the site plan subject to the recommendations of the Water Department and the submission of a satisfactory erosion control plan.

By use of a map, Mr. Emrick pointed out the location of the proposed site plan, that being located at the former Rhododendron Park. He said that it would be a 120 bed long-term care facility.

Mayor Ochsenreiter closed the public hearing at 3:45 o'clock p.m.

Vice-Mayor Horton moved to approve the site plan of the proposed Aston Park Long Term Health Care Facility to be located on N. C. 191 Connector near Brevard Road. This motion was seconded by Councilman Michael and carried unanimously.

PUBLIC HEARING - CLOSING A PORTION OF ANDERSON STREET (FIRST STREET)

RESOLUTION NO. 77-151 - RESOLUTION CLOSING A PORTION OF ANDERSON STREET (FIRST STREET)

5. A public hearing was held relative to closing a portion of Anderson Street (First Street).

Mayor Ochsenreiter opened the public hearing at 3:47 o'clock p.m.

The City Manager said that the affidavit of publication setting the time and date for the public hearing was forthcoming.

Thursday - September 8, 1977 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Councilwoman JoAnn M. Swilling, Corporation Counsel William C. Moore, City Manager K. M. Michalove

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

APPROVAL OF MINUTES

1. Approval of the minutes of the September 1, 1977 meeting.

Vice-Mayor Horton suggested that we amend the minutes on Page 186 relative to Thoms Broadcasting Companies, Inc. rate increase request to read as follows: "On a roll call vote of 4-1, Ordinance No. 977 passed on its first reading with Vice-Mayor Horton voting 'no.'"

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, the minutes of the September 1, 1977 meeting were approved as amended.

OCTOBER CITY COUNCIL MEETINGS

Mayor Ochsenreiter said that the October City Council meetings would be held on Thursdays at 4:00 o'clock p.m. instead of 3:00 o'clock p.m. and the October Tuesday work sessions will be changed until earlier on Thursdays, giving staff and Council more time to work together.

CONTINUATION OF PUBLIC HEARING - REZONING REQUEST - C. C. BLOUNT AND ASSOCIATES, INC. - PROPERTY BOUNDED BY STATE STREET, MICHIGAN AVENUE AND AMBOY ROAD

ORDINANCE NO. 981 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. Continuation of a public hearing was held relative to a rezoning request by C. C. Blount and Associates, Inc. to rezone property bounded by State Street, Michigan Avenue and Amboy Road from R-3 Residential District to LI Light Industrial District.

Mayor Ochsenreiter opened the public hearing at 3:09 o'clock p.m.

Mr. Emrick, Planning Director, said that there is a verbal commitment between Mr. Blount and Carolina Power and Light Company to provide access through Carolina Power and Light Company's property as of September 6, 1977.

Mr. Emrick stated that in checking with the Water Department, there is a 12-inch water main on Amboy Road and also a 36 Metropolitan Sewer District sewer line, which could provide the necessary water and sewer services.

Upon inquiry of Councilman Rainey, Mr. Emrick explained that the Council had the option to grant approval of the entirety, a portion thereof, or none of the rezoning request.

In Mr. Emrick's opening remarks, he said that he had spoken to the attorney for Mr. Blount, Mr. Wellons, and was advised that a verbal commitment from CP&L had been obtained so as to provide an accessment through CP&L's property to Amboy Road. He said the commitment was obtained September 6, 1977.

Upon inquiry of Councilman Hoyle relative to whether access into Amboy Road was written or verbal, Mr. Wellons said the commitment was in both forms, that he had a verbal okay and that CP&L's legal department was writing the document at that time.

Upon inquiry of Vice-Mayor Horton, Mr. J. E. Johnson, Director of Inspections, said that the quorum requires that seven members be present in order for the Board of Adjustment to conduct a meeting.

Councilman Morris moved to accept the change relative to members of the Board of Adjustment. This motion was seconded by Councilwoman Swilling and carried unanimously.

Mr. Emrick said several property owners in the Beaverdam area recommended a change in the zoning classification of approximately two dozen lots in the Beaverdam area (just inside the extraterritorial zoning boundary at the point where it follows Elk Mountain Scenic Highway) for the zoning in that area to be changed from R-2 to R-1, the most highly restrictive classification.

Councilman Michael moved to accept the change in the zoning classification outline above from R-2 to R-1 in the Beaverdam area. This motion was seconded by Councilman Morris and carried unanimously.

Mr. Emrick reviewed the request by Mr. Nick Fisher to change the northwestern boundary from Gorman Bridge Road and Riverview Road to Brickyard and Pearson Bridge Road. Mr. Emrick said that he would recommend the boundary line stay where it is now, because the area needs the protection covering land use regulations.

Mr. Emrick discussed briefly the request from Mr. Charlie Patton relative to redrawing the boundary line on the southeast to include Ballentree Sub-Division.

Mr. Wayne Coulter, partial owner of Ballentree Sub-Division, asked Council to zone the areas around the Ballentree Sub-Division also.

Upon inquiry of Mayor Ochsenreiter, Mr. Emrick explained that most of the area Mr. Coulter is asking to be included in the one-mile perimeter is outside the City's jurisdiction altogether.

Councilwoman Swilling pointed out that the new proposed boundary line had already been mutually agreed upon by the Buncombe County Commissioners and the Town of Biltmore Forest and to include Ballentree Sub-Division and the surrounding area would require going back to them for their approval. She said she is in favor of including Ballentree Sub-Division itself, but letting property owners decide if they want the surrounding area included or not.

Councilman Rainey moved to include Ballentree Sub-Division itself in the proposed one-mile perimeter. This motion was seconded by Councilman Hoyle. By common consent, no action was taken on this motion.

Councilman Morris said that if Ballentree Sub-Division is included in the one-mile perimeter or if the surrounding areas are included, either way, Council would have to go back to the Buncombe County Commissioners and the Town of Biltmore Forest for their approval.

Mayor Ochsenreiter said after the ordinance is readopted, then Council can make amendments.

Councilman Michael moved to schedule the date of September 29, 1977 as the third and final reading of the readoption of Ordinance No. 322, as amended, known as the Zoning Ordinance of the City of Asheville. This motion was seconded by Councilwoman Swilling and carried unanimously.

Mayor Ochsenreiter called for a 5 minute recess at 4:40 o'clock p.m. Council reconvened the meeting at 4:45 o'clock p.m.

Mr. Jim Sullivan, representing Seven Up Bottling Company, said that for approximately ten years, Seven Up has used and maintained the portion of City Street proposed to be closed.

Mr. Emrick requested that petitioners include a tax map and a location map of the area proposed to be closed.

By use of a map, Mr. Emrick pointed out the street portion proposed to be closed.

Mayor Ochsenreiter closed the public hearing at 3:55 o'clock p.m.

The City Manager read the resolution.

Vice-Mayor Horton asked to amend this resolution to include the following: "A copy of this resolution will be filed with the Board of Tax Supervision, Buncombe County, North Carolina."

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 77-151 was unanimously adopted, as amended.

Vice-Mayor Horton then moved to include the following in all such resolutions: "A copy of this resolution will be filed with the Board of Tax Supervision, Buncombe County, North Carolina." This motion was seconded by Councilman Michael and carried unanimously.

Complete text of Resolution No. 77-151 will be found in Resolution Book No. 10 at page 35.

PUBLIC HEARING SET - GROUP DEVELOPMENT - AKZONA, INC.

6. Mr. Emrick said that the Planning and Zoning Commission recommended approval of the site plan of the proposed Akzona, Inc. Headquarters Office Building to be located on North Pack Square.

Councilwoman Swilling moved to schedule a public hearing on the matter for September 22, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

READOPTION OF ORDINANCE NO. 322, AS AMENDED, KNOWN AS THE ZONING ORDINANCE OF THE CITY OF ASHEVILLE

7. Consideration was given to the third and final reading of the readoption of Ordinance No. 322, as amended, known as the Zoning Ordinance of the City of Asheville.

Mr. Emrick asked that the third and final reading be postponed until September 29, 1977, to allow time for the ordinance to be readvertised incorporating all of the changes made in the two previous readings and any changes made this week.

Mr. Emrick reviewed the change relative to the state law governing appointments to the Board of Adjustment which will delete the following sentence in Article 8, Section 30-8-2:

> "The City Council and the County Commissioners may, in their discretion, appoint alternate members to serve on said Board in the absence, for any cause, of any regular meeting."

He explained that the alternate members would be appointed as regular members and there would be ten instead of seven.

10. A public hearing was held relative to the adoption of an ordinance directing the Housing Officer to demolish those dwelling houses known as 35 Clayton Street, 33 Gray Street, 160 Hazel Mill Road, 36 Short Madison Avenue and 106 Mount Clare Avenue.

The City Attorney read the ordinance.

Mayor Ochsenreiter opened the public hearing at 5:08 o'clock p.m.

Mr. J. E. Johnson, Director of Inspections, stated that an inspection was made of each of the premises this date and no repair work had been started on any of the dwellings. He presented photographs of each of the dwellings to be demolished. He said due process of law had been completed on each location.

Mayor Ochsenreiter closed the public hearing at 5:11 o'clock p.m.

Councilman Morris moved for the adoption of Ordinance No. 982. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 982 passed on its first reading.

ORDINANCE NO. 983 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

11. Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1977-78 (creation of Advertising Services and Promotions activities in conjunction with the Civic Center activity).

The City Manager read the ordinance.

Vice-Mayor Horton moved for the adoption of Ordinance No. 983. This motion was seconded by Councilman Morris.

City Manager K. M. Michalove explained that this was the way to express the Council's action to provide the Civic Center with $30,000 for promotional activities.

On a roll call vote of 6-0, Ordinance No. 983 passed on its first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 983. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 983 passed on its second reading.

Councilwoman Swilling moved to suspend the rules and proceed to the third and final reading of Ordinance No. 983. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-1, Ordinance No. 983 passed on its third reading, with Councilman Rainey voting "no."

Complete text of Ordinance No. 983 will be found in Ordinance Book No. 7 at page 188.

RESOLUTION NO. 77-152 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH SIX ASSOCIATES, INC. TO PROVIDE DESIGN AND CONSULTANT SERVICES EVALUATION OF CITY FACILITIES

12. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with Six Associates, Inc. to provide design and consultant services evaluation of City facilities.

ORDINANCE NO. 978 - AN ORDINANCE AMENDING THE HEALTH AND SANITATION CODES, CHAPTER 14 OF THE CODE OF ORDINANCES, CITY OF ASHEVILLE, NORTH CAROLINA

8. Consideration was given to the second reading of Ordinance No. 978, an ordinance amending the Health and Sanitation Codes, Chapter 14 of the Code of Ordinances, City of Asheville, North Carolina.

Mayor Ochsenreiter advised Council that the ordinance was previously read on the first reading and members of Council had been furnished copies of the ordinance and it would not be re-read unless there was a specific request to do so.

The City Manager explained that the change in the penalty from $10.00 to $25.00 was the only change in the ordinance.

On a roll call vote of 6-0, Ordinance No. 978 passed on its second reading.

ORDINANCE NO. 979 - AN ORDINANCE AMENDING THE GARBAGE AND TRASH CODES, CHAPTER 13 OF THE CODE OF ORDINANCES, CITY OF ASHEVILLE, NORTH CAROLINA

9. Consideration was given to the second reading of Ordinance No. 979, an ordinance amending the Garbage and Trash Codes, Chapter 13 of the Code of Ordinances, City of Asheville, North Carolina.

Mayor Ochsenreiter advised Council that the ordinance was previously read on the first reading and members of Council had been furnished copies of the ordinance and it would not be re-read unless there was a specific request to do so.

The City Manager explained that the penalty had been changed from $10.00 to $25.00, and that property owners are required to cut weeds and grass twice a year on or before June 1 and September 1 of each year. Also, that property less than one acre and lots that are more than one acre of underdeveloped land, the owner, tenant, agent or person in control of the property shall cut the weeds and clear the land of undergrowth twice a year on or before June 1 and September 1 of each year.

Another amendment in the wording developed at Tuesday's work session reads as follows: "On lots that are more than one acre of underdeveloped land, the owner, tenant, agent or person in control of the property shall cut the weeds and clear the land of undergrowth twice a year on or before June 1 and September 1 of each year to provide for site visibility on all public roadways and fifty (50) feet on lots that have businesses and residences built on them."

Councilman Michael said that there would probably be problems in what people would consider as undergrowth and weeds.

Upon inquiry of Councilman Rainey relative to whether land owners would have to cut on the right-of-way, Mr. Moore explained that the City is responsible for the right-of-way and is required to cut the weeds.

Councilman Rainey moved to pass Ordinance No. 979 on its second reading, as amended. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 979 passed on its second reading.

PUBLIC HEARING - DEMOLITION OF 35 CLAYTON STREET, 33 GRAY STREET, 160 HAZEL MILL ROAD, 36 SHORT MADISON AVENUE AND 106 MOUNT CLARE AVENUE

ORDINANCE NO. 982 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 35 CLAYTON STREET, 33 GRAY STREET, 160 HAZEL MILL ROAD, 36 SHORT MADISON AVENUE AND 106 MOUNT CLARE AVENUE

Thursday - September 15, 1977 - 7:30 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Acting Corporation Counsel Robert J. Robinson, City Manager K. M. Michalove

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr., Corporation Counsel William C. Moore

APPROVAL OF MINUTES

1. Approval of the minutes of the September 8, 1977 meeting.

Vice-Mayor Horton suggested that the minutes, relative to Ballentree Sub-Division's inclusion in the one-mile perimeter appearing on page 196, be amended to read as follows: "By common consent, no action was taken on this motion."

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, the minutes of the September 8, 1977 meeting were approved as amended.

ORDINANCE NO. 981 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. Consideration was given to the second reading of Ordinance No. 981, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (rezoning of property bounded by State Street, Michigan Avenue and Amboy Road from R-3 Residential District to LI Light Industrial District).

By use of a map, Mr. Verl Emrick, Planning Director, pointed out to Council the proposed area to be rezoned. He said that buffering would be required along the residential side.

Upon inquiry of Councilman Rainey, Mr. Emrick said that C. C. Blount, the developer, had not specified any particular use for the area.

Councilman Rainey said that since Council does not know what the area is going to be used for, the residents in that area would have to be satisfied with the rezoning.

Mr. Emrick explained that an area is zoned for suitability of land uses under a broad category of specified types of uses.

Mrs. Elrod spoke in opposition of the rezoning request saying that the area will look like a junkyard if the open ground storage is put in.

Mr. Emrick read the permitted uses in commercial services (LI Light Industrial) zone and pointed out the HI Heavy Industrial uses, which are more offensive than anything that can be utilized in a light industrial zone. He said the developer is trying to get this property rezoned so that it can be developed into a light industrial park.

Mr. Allen Wellons, Attorney representing C. C. Blount and Associates, Inc., said that there will be a small industrial park developed in the proposed area, not a trailer park, gas station or taxi cab station.

The City Manager read the resolution.

Councilman Michael moved for the adoption of Resolution No. 77-152. This motion was seconded by Councilman Rainey and carried unanimously.

Upon inquiry of Vice-Mayor Horton, Mr. Michalove explained that for the time being, Six Associates, Inc. will confine their evaluation to the E. Ted Linn property and as to whether or not the City can utilize the property for its purposes.

Complete text of Resolution No. 77-152 will be found in Resolution Book No. 10 at page 37.

COUNCILMAN MICHAEL - CONSOLIDATION AND REPAIR OF MOTOR VEHICLES WITH THE COUNTY

Councilman Michael asked that at the meetings with the County Commissioners that the consolidation and repair of motor vehicles with the County be considered.

JERRY LEWIS MUSCULAR DYSTROPHY TELETHON

Mayor Ochsenreiter said he was proud of the citizens of Asheville for all their help and contributions to the Jerry Lewis Muscular Dystrophy Telethon.

PROCLAMATION - NATIONAL CANCER DAY

Mayor Ochsenreiter proclaimed September 8, 1977 as "National Cancer Day."

COUNCILMAN MICHAEL - REZONING REQUEST - MONTFORD AVENUE

Councilman Michael moved to send the rezoning request on Montford Avenue back to the Planning and Zoning Commission for further consideration. This motion was seconded by Councilman Hoyle and carried unanimously.

Councilman Michael suggested that the City Attorney draw up an instrument relating to commission members attendance. He suggested that a rule be drawn up stating that if a person misses three consecutive meetings, the position will be considered vacant.

Mayor Ochsenreiter said it would be determined whether the Boards would enforce this rule internally or whether City Council would attempt this.

Mr. Emrick said that it was his opinion that the decision that was made relative to Mr. Graves rezoning request was heard very thoroughly and it was not made in haste.

Councilman Michael said his reason for sending this back to the Planning and Zoning Commission was strictly to keep the community together.

Councilman Michael moved to cancel the public hearing scheduled on September 15, 1977 relative to the rezoning request on Montford Avenue. This motion was seconded by Councilman Rainey and carried unanimously.

Adjournment.

Eugene S. Ochsenreiter Jr.
MAYOR

Thelma D. Holcomb
CITY CLERK

ORDINANCE NO. 978 - AN ORDINANCE AMENDING THE HEALTH AND SANITATION CODES, CHAPTER 14 OF THE CODE OF ORDINANCES, CITY OF ASHEVILLE, NORTH CAROLINA

4. Consideration was given to the third and final reading of Ordinance No. 978, an ordinance amending the Health and Sanitation Codes, Chapter 14 of the Code of Ordinances, City of Asheville, North Carolina.

On a roll call vote of 6-0, Ordinance No. 978 passed on its third and final reading.

Complete text of Ordinance No. 978 will be found in Ordinance Book No. 7 at page 178.

ORDINANCE NO. 979 - AN ORDINANCE AMENDING THE GARBAGE AND TRASH CODES, CHAPTER 13 OF THE CODE OF ORDINANCES, CITY OF ASHEVILLE, NORTH CAROLINA

5. Consideration was given to the third and final reading of Ordinance No. 979, an ordinance amending the Garbage and Trash Codes, Chapter 13 of the Code of Ordinances, City of Asheville, North Carolina.

City Manager K. M. Michalove suggested that the ordinance be amended (deleting the word "site") to read as follows:

> "On lots that are more than one acre of underdeveloped land, the owner, tenant, agent or person in control of the property shall cut the weeds and clear the land of undergrowth twice a year on or before June 1 and September 1 of each year to provide for visibility on all public roadways and fifty (50) feet on lots that have businesses and residences built on them."

Councilwoman Swilling moved to remove the word "site" in the above paragraph. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 979 passed on its third and final reading.

Complete text of Ordinance No. 979 will be found in Ordinance Book No. 7 at page 180.

ORDINANCE NO. 984 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

6. Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1977-78.

K. M. Michalove explained that the $3,000 being requested in this budget amendment was to pay for the administrative and legal costs associated with a federal grant, which the City will receive to build a new fire station in West Asheville. He said these expenses had not been anticipated when the City applied for the grant.

The City Manager read the ordinance.

Vice-Mayor Horton moved for the adoption of Ordinance No. 984. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 984 passed on its first reading.

Councilman Michael said that if a light industrial park is developed, the property value of the adjoining property owner's land might increase.

Councilwoman Swilling moved to amend the original proposal so that the boundary would follow the property lines for Lots 393, 387, 361, 408, 337, 325, 318, 316, 2, 264, 405, 226 down the platted street, Swannanoa, to Lot 201 and then parelled with State Street to Lot 212 and then back to Lot 246, 207, 248, 249, 250 to Amboy Road. This motion was seconded by Councilman Michael and carried unanimously.

Mayor Ochsenreiter said that the line would be redrawn so it could be understood more fully and presented at next week's meeting.

Vice-Mayor Horton said he would like the lots bordering State Street deleted because it is a residential street, and he sees no way the developers can use it for an entrance.

Councilwoman Swilling said she felt that Mr. Blount will need the lots bordering State Street for a possible access point.

Vice-Mayor Horton moved to exclude Lots 202 through 212 that front on State Street because of the broad encroachment this would create on a residential street, and also if State Street is used for ingress and egress, an increase in the traffic flow. This motion was seconded by Councilman Rainey.

Vice-Mayor Horton said that he would like the ingress and egress on Amboy Road.

Mr. Wellons said that they would study the amendment excluding the lots bordering State Street and see if they could work within the remaining lots.

Since the developers agreed to study Vice-Mayor Horton's amendment, Vice-Mayor Horton withdrew his motion and Councilman Rainey withdrew his second.

Councilwoman Swilling urged Councilmembers to go to State Street and look at the width of the lots that are affected by this.

Mrs. Parker asked Council if Planning and Zoning took into consideration the school bus routes on State Street.

Mr. Emrick stated that Michigan Avenue is not touched and he believed Mr. Blount had gone far beyond his limits to satisfy the residents of the area.

Upon inquiry of Councilman Rainey, Mr. Elrod said that he was satisfied with the ordinance as amended as long as the developers do not put in the items mentioned.

On a roll call vote of 6-0, Ordinance No. 981 passed on its second reading.

ORDINANCE NO. 982 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 35 CLAYTON STREET, 33 GRAY STREET, 160 HAZEL MILL ROAD, 36 SHORT MADISON AVENUE AND 106 MOUNT CLARE AVENUE

3. Consideration was given to the second reading of Ordinance No. 982, an ordinance directing the Housing Officer to demolish those dwelling houses known as 35 Clayton Street, 33 Gray Street, 160 Hazel Mill Road, 36 Short Madison Avenue and 106 Mount Clare Avenue.

On a roll call vote of 6-0, Ordinance No. 982 passed on its second reading.

PUBLIC HEARING SET - BILTMORE AND STONER ROAD - REQUESTED BY MS. EVELYN K. NESS

12. Vice-Mayor Horton moved to schedule a public hearing relative to a rezoning request of Ms. Evelyn K. Ness to rezone property in Biltmore and on Stoner Road from R-3 Residential District to HI Heavy Industrial District for October 13, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

PUBLIC HEARING SET - RELATIVE TO AMENDING THE ZONING ORDINANCE IN REFERENCE TO PERMITTED USES IN CH COMMERCIAL HIGHWAY DISTRICT

13. Councilman Michael moved to schedule a public hearing on October 13, 1977 relative to amending the Zoning Ordinance in reference to permitted uses in CH Commercial Highway District. This motion was seconded by Councilwoman Swilling and carried unanimously.

BID - ONE PRE-FABRICATED PARK PICNIC SHELTER FOR RECREATION PARK

14. Consideration was given to bids received September 12, 1977 for one pre-fabricated park picnic shelter for Recreation Park.

The City Manager read a memorandum from the Purchasing Agent which recommended the acceptance of the lowest overall bidder, submitted by Koppers Company, Inc. in the amount of $15,328.

Councilman Morris moved to accept the recommendations of the Purchasing Agent and award the bid to Koppers Company, Inc. for a total amount of $15,328. This motion was seconded by Councilman Michael and carried unanimously.

Bid Summary

Bidder	Bid
Recreathletic Equipment Company	$29,500.00
Koppers Company, Inc.	$15,328.00

PROCLAMATION - CONSTITUTION WEEK

Mayor Ochsenreiter proclaimed the week of September 17-23, 1977 as "Constitution Week."

CLAIM - DEBORAH MAPP

The City Manager presented a claim from Deborah Mapp.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for investigation and recommendation.

VICE-MAYOR HORTON - PORNOGRAPHY

Vice-Mayor Horton requested the City Manager to obtain from the City of Gastonia a copy of their anti-obscenity ordinance that was recently passed, so that the City of Asheville may study it in relation to ours.

VICE-MAYOR HORTON - STREET WASHING

Vice-Mayor Horton suggested that each street washing truck have a log book installed, so we can see what type of coverage we are getting. He said with this type of book, the City can tell if a street has been missed.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 984. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 984 passed on its second reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the third and final reading of Ordinance No. 984. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 984 passed on its third and final reading.

Complete text of Ordinance No. 984 will be found in Ordinance Book No. 7 at page 189.

RESOLUTION NO. 77-153 - RESOLUTION APPOINTING A MEMBER TO THE PLANNING AND ZONING COMMISSION FOR THE CITY OF ASHEVILLE

7. Consideration was given to a resolution appointing a member to the Planning and Zoning Commission for the City of Asheville.

The City Manager read the resolution appointing Mr. Cleatus B. Tate as a member of the Planning and Zoning Commission for the City of Asheville.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 77-153 was unanimously adopted.

Complete text of Resolution No. 77-153 will be found in Resolution Book No. 10 at page 38.

PUBLIC HEARING RESCHEDULED - GROUP DEVELOPMENT - THE ASHEVILLE HOUSE

8. Councilman Rainey moved to reschedule the public hearing relative to the approval of the site plan of a proposed four-story apartment complex, The Asheville House, to be located on Orange Street for October 6, 1977. This motion was seconded by Councilman Morris and carried unanimously.

PUBLIC HEARING RESCHEDULED - CLOSING AN UNNAMED ALLEY WAY BETWEEN JULIA STREET, NOW ROBINDALE AVENUE AND HENRIETTA STREET

9. Councilman Hoyle moved to reschedule the public hearing relative to the closing of an unnamed alley way between Julia Street, now Robindale Avenue and Henrietta Street for October 20, 1977. This motion was seconded by Councilman Morris and carried unanimously.

PUBLIC HEARING RESCHEDULED - CUL-DE-SAC REQUEST ON INGLEWOOD ROAD

10. Councilman Morris moved to reschedule the public hearing relative to a cul-de-sac request on Inglewood Road for October 6, 1977. This motion was seconded by Vice-Mayor Horton and carried unanimously.

PUBLIC HEARING SET - MILDRED AVENUE - REZONING REQUEST - REQUESTED BY J. D. CAUBLE

11. Councilwoman Swilling moved to schedule a public hearing relative to a rezoning request of Mr. J. D. Cauble to rezone property on Mildred Avenue from R-3 Residential District to CS Commercial Service District for October 6, 1977. This motion was seconded by Councilman Michael and carried unanimously.

READOPTION OF ORDINANCE NO. 322, AS AMENDED, KNOWN AS THE ZONING ORDINANCE OF THE CITY OF ASHEVILLE

Councilwoman Swilling moved to reschedule the third and final reading of the readoption of Ordinance No. 322, as amended, known as the Zoning Ordinance of the City of Asheville for October 6, 1977. This motion was seconded by Councilman Michael and carried on a 4-2 vote, with Councilman Rainey and Vice-Mayor Horton voting "no."

Adjournment.

Eugene S. Rogers Jr.
MAYOR

William J. Hoffman
CITY CLERK

COUNCILWOMAN SWILLING - AREAS AROUND ASHEVILLE THAT NEED REPAIR

Councilwoman Swilling suggested that a staff person be designated to "float" around the City and make notes of where there are broken sidewalks, holes in the street, bushes growing on signs, streets not being washed, etc. She feels this might help the City get one step ahead of some problems.

COUNCILMAN MICHAEL - BOARD APPOINTMENTS

Councilman Michael said that he will try and ask the person appointed to agree to serve, want to serve and be interested in that board. He believes Mr. Cleatus Tate will be an asset to the Planning and Zoning Commission. He feels if this approach is taken, there will be better attendance, better participation and better decisions.

COUNCILMAN RAINEY - AKZONA PROPOSAL

Councilman Rainey asked if the staff could tell Council if there is any federal money available to help the small business people who have to relocate because their building is going to be torn down. Mr. Michalove said this would be looked into.

Councilman Michael said since Market Street will be going the opposite way, could the minority business buildings that are there be helped to get small business association loans and build up the businesses.

DOUG RAY - SECOND FIXED BASE OPERATORS AT THE ASHEVILLE AIRPORT

Mr. Doug Ray asked Council what could be done in relation to his proposal of a second FBO at the Airport.

Mr. Michalove said that the FBO at the airport is pretty much governed by an ordinance the City has. He said the City has one FBO that City Council has raised some questions about. He said that he has been concerned about having two FBO's along the same line and it may not be in the best interest of the City, so he wants to make sure that this is the proper direction. He suggested that on September 20, 1977 it would be dealt with as an agenda item for the September 22, 1977 meeting.

Upon inquiry of Councilman Michael, Mr. Michalove said that on September 20, he would have an opinion of the adequacy of Mr. Ray's proposed lease, an opinion of FAA, and the opinion of the planning consultant regarding the second FBO.

Councilman Michael said that Council should move forward and tell Mr. Ray whether he is eligible and let him move ahead with his plans.

Councilman Michael said that the hold-up is with the lease. He explained that there is some difficulty in determining if there should be some changes in the lease with the present FBO and getting a comparable lease for the second FBO. He said this will have to be worked out with the attorneys.

Councilman Rainey said it was his understanding that the City was to proceed with a second lease about ten days ago. In this lease, a provision was to be included that any changes made in the first FBO lease would be automatic, if agreeable with Mr. Doug Ray.

Mayor Ochsenreiter said that at Tuesday's work session it would be decided where the City stands in reference to the second FBO at the Asheville Airport.

Mrs. Wilson spoke in opposition to the rezoning request.

Upon inquiry of Vice-Mayor Horton, Mr. Emrick explained that spot zoning is generally the rezoning of a small tract of land which is entirely surrounded by a different zoning on land use district. An example would be rezoning a few lots LI in the middle of the Blount tract and leaving the remainder zoned R-3. However, the courts have not been very consistent in their rulings on this issue, so each case must be considered individually. Therefore in this particular instance, the Blount petition, in his opinion, is not spot zoning.

Mr. Emrick read the lots that Mr. C. C. Blount request to be rezoned: Ward 5, Sheet 8, Lots 2, 202-212, 226-250, 261-269½, 270-283, 289, 296-317, 322, 323, 324, 338-350, 362-386, 396-405, and 409-418.

Councilwoman Swilling moved to amend Ordinance No. 981 to include the changes as read by the Planning Director. This motion was seconded by Councilman Hoyle and carried on a 5-1 vote, with Councilman Rainey voting "no."

Councilwoman Swilling said that it was her hope that the area would be developed into something that would be an assest to West Asheville and the neighborhood.

Vice-Mayor Horton said that is was still his desire to exclude the State Street lots, but since the area needs to be developed and there are no residential plans in the near future, he is in favor of the rezoning request.

Councilman Michael said that since the area might be developed into something objectionable to the residents, he would have to vote against the ordinance.

Councilman Morris said that Council has made every effort to keep the request favorable to the residents of the area, but he felt this land should not be left idle; therefore, he was in favor of the rezoning request.

On a roll call vote of 4-2, Ordinance No. 981 passed on its third and final reading, with Councilmen Rainey and Michael voting "no."

Complete text of Ordinance No. 981 will be found in Ordinance Book No. 7 at page 183.

ORDINANCE NO. 982 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 35 CLAYTON STREET, 33 GRAY STREET, 160 HAZEL MILL ROAD, 36 SHORT MADISON AVENUE AND 106 MOUNT CLARE AVENUE

3. Consideration was given to the third and final reading of Ordinance No. 982, an ordinance directing the Housing Officer to demolish those dwelling houses known as 35 Clayton Street, 33 Gray Street, 160 Hazel Mill Road, 36 Short Madison Avenue and 106 Mount Clare Avenue.

On a roll call vote of 6-0, Ordinance No. 982 passed on its third and final reading.

Complete text of Ordinance No. 982 will be found in Ordinance Book No. 7 at page 184.

ORDINANCE NO. 985 - AN ORDINANCE REALLOCATING, AMENDING AND APPROVING COMMUNITY DEVELOPMENT BUDGET FUNDS SET FORTH IN THE CITY OF ASHEVILLE GENERAL FUND BUDGETS FOR 1975-76, 1976-77 AND 1977-78

4. Consideration was given to an ordinance reallocating, amending and approving Community Development budget funds set forth in the City of Asheville General Fund budget for 1975-76, 1976-77 and 1977-78.

Thursday - September 22, 1977 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Presiding; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

APPROVAL OF MINUTES

1. Approval of the minutes of the September 15, 1977 meeting.

Upon motion of Councilman Rainey, seconded by Councilman Morris, the minutes of the September 15, 1977 meeting were approved as submitted.

ORDINANCE NO. 981 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. Consideration was given to the third and final reading of Ordinance No. 981, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (rezoning of property bounded by State Street, Michigan Avenue and Amboy Road from R-3 Residential District to LI Light Industrial District).

Mr. Emrick said that the map had been redrawn to reflect the changes in the boundary lines made by Council at last week's meeting and stated that there would be ample buffering. He further indicated that Mr. Blount agreed to accept the proposed modification.

Upon inquiry of Vice-Mayor Horton, Mr. Allen Wellons, Attorney representing C. C. Blount and Associates, Inc., explained the necessity of including the lots that front on State Street. Mr. Wellons said that the lots have no residential use because of the terrain and the size of the lots.

Vice-Mayor Horton again expressed concern about traffic congestion on State Street, saying he didn't like the idea of leaving the residential lots as a possible ingress and egress to the LI Light Industrial property on State Street itself. He also expressed concern about encroachment on residential streets with zoning other than residential.

Mrs. Elrod spoke in opposition to the rezoning request saying that the residents want to know what is going to be developed in the area. She said they need homes built in the area.

Councilman Rainey said that since the residents are not satisfied, he could not vote for the ordinance.

Councilman Michael suggested that when the zoning goes beyond the R-3 Residential designation, there should not be so many multiple uses of land. He said the developer should state what he is going to do on the land, since the residents are opposing this rezoning request due to this lack of information.

Mayor Ochsenreiter opened the public hearing at 4:04 o'clock p.m.

Mr. Emrick advised Council that the Planning and Zoning Commission recommended approval of the site plan subject to the following:

Traffic Flow Pattern Changes

1. That the flow of traffic on Market Street between College and Patton be reversed to flow one-way north rather than south.

2. That the one-way flow on South Market between Patton and Eagle be converted to two-way and the existing parking be re-aligned to accommodate the change.

3. Close access on the eastern end of North Pack Square to vehicular traffic.

4. Close North Pack Square to all general vehicular traffic after construction with the exeception of emergency vehicles and those dropping or picking up individuals. (Note: There should be no parking allowed within this area.)

5. Resite all existing signalization and signage to accommodate the changes recommended above.

Parking

1. Following completion of construction, permanently eliminate all parking on Pack Square Park and the south side of College Street.

   (Note: This action involves eliminating 38 spaces, but with Akzona vacating 100 spaces in the parking deck on College Street, this move should have little or no impact.)

Mr. Emrick explained the project as being on the north side of Pack Square, which includes a number of lots that are presently there which will be obliterated should the building be constructed. He explained that this presentation was given to the Asheville Downtown Revitalization Commission and that they have communicated their support to the Planning and Zoning Board. Mr. Emrick also stated that a number of merchants on Wall Street had submitted a petition indicating their support of the proposed project. He said Dr. Larry Tise, Chairman of the North Carolina Department of Cultural Resources, had also submitted a letter in which he indicated that the Department does support the concept of the project.

Mr. Pei explained how his firm is going to come about the design of the proposed building, what this building will do for Akzona, Inc., and what this building will do for Asheville. He said since there is no parking room, they have asked the City to sell them the sub-surface area under Pack Square for development of an underground parking facility. He said the building would be a great assest to the area and by use of a model, Mr. Pei described the building.

Upon inquiry of Councilman Rainey, Mr. Parsons said that there would be no shops in the proposed building, which should encourage development of more cafeterias, restaurants and shops in the downtown area.

Councilwoman Swilling was excused from the meeting at 4:25 o'clock p.m.

The City Manager read the ordinance and said that funds appropriated to support the eleven projects listed on the ordinance were left over after completion of First and Second Year Community Development projects and from funds appropriated to projects that could not be reasonably spent in the alloted time frame set by HUD; Third year projects funds were appropriated from Contingency.

Upon inquiry of Councilman Rainey, Mr. Michalove said that everything for the West Asheville Fire Station had been included in another grant except for the land acquisition.

Councilwoman Swilling suggested that a community meeting be held to obtain citizen input and views concerning this project (W. Asheville Fire Station).

Councilwoman Swilling moved for the adoption of Ordinance No. 985. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 985 passed on its first reading.

Mr. Logan Delany, Community Development Coordinator, requested all three readings at this meeting because of the time factor invelved in these projects.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 985. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 985 passed on its second reading.

Councilman Rainey moved to suspend the rules and proceed to the third and final reading of Ordinance No. 985. This motion was seconded by Councilman Hoyle and carried on a 4-2 vote, with Councilman Morris and Vice-Mayor Horton voting "no."

On a roll call vote of 6-0, Ordinance No. 985 passed on its third and final reading.

Complete text of Ordinance No. 985 will be found in Ordinance Book No. 7 at page 190.

PUBLIC HEARING - GROUP DEVELOPMENT - AKZONA, INC.

5. A public hearing was held relative to the site plan of the proposed Akzona, Inc. Headquarters Office Building to be located on North Pack Square.

Mr. Michalove explained that Items 5, 6 and 7 are directly related to one another. He explained that for sometime the residents of the City of Asheville had felt need to develop the downtown area. He mentioned the Civic Redevelopment Urban Renewal Project, the Civic Center, and the City-County activities relative to the Library as a few things the City has undertaken the initiative to develop. He said that the proposed group development will be a major private development in the downtown area.

Mr. Parsons from Akzona, Inc. introduced Mr. I. M. Pei and Mr. Charles Young from I. M. Pei and Partners, the architectual firm that Akzona commissioned to assist them in the site selection and the design of the building; Mr. Warren Travers of Travers Associates, Traffic Consultants; Mr. Dick Wood, local counsel; Mr. Ray Poston, Vice-President and General Counsel for Akzona; Mr. Mortimer Ryon, Attorney; and Mr. Phillip Stull, former President and Chairman of Akzona, Inc.

lighting, underground wiring and litter control. He feels the City should make these types of improvements within the context of a developed plan which has been approved by City Council and he feels that funds should be appropriated for this kind of activity through appropriate ordinances or resolutions.

Mr. Michalove said that since this development will be advantageous to both the City and County, that a joint capital improvement fund should be established for developmental purposes that he mentioned above.

The City Manager made the following recommendations concerning the establishment of the Capital Improvement Fund:

1. That the City combine the $10,000 offered by Akzona for the purchase of the subsurface rights and the $65,000 offered for the purchase of the Biltmore Fire Station property, with the Debt Service Fund which has a capital reserve of $165,538 to establish the fund in a total amount of $240,538.

2. That these funds be used for complimentary development on private developments.

3. That allocations be made over the next two years to bring the funds up to $500,000.

4. That a request be made to the County of Buncombe to match these funds in the same amount.

5. That the Pack Square Rehabilitation Project be one of the first projects funded.

6. That $50,000 of this fund be used for improvements to the sidewalks downtown.

7. That the City Council take action on the establishment of this fund by October 5, 1977.

He stated that funds received through the sale of City property would be a good source of adding to this fund in the future.

Mr. Michalove said that he had reviewed the costs involved with the proposal and listed the following work that needed to be done, along with a high and low estimate for each:

1. Installation of all eletrical power underground. High estimate - $82,888; low estimate - $72,500, which he said could be further reduced by City crews breaking up the street and digging the holes for the installation of the cable by Carolina Power and Light Company.

2. Installation of fire alarm wiring and traffic flow signalization. High estimate - $12,000; low estimate - $10,000.

3. Rehabilitation of Pack Square area proper. High estimate - $242,000; low estimate - $175,000.

In response to Vice-Mayor Horton's question concerning pedestrian traffic flow, Mr. Travers said the proposal contains a provision for shorter crosswalks and more efficient intersection control.

Mr. George Tisdale, Chairman of the Asheville Downtown Revitalization Commission, urged the City Council to work closely with the management of Akzona in this proposal.

Mr. Michalove presented the following correspondence in favor of and in support of the Akzona proposal: An editorial from WLOS-TV; a letter from the Bank of Asheville, which included a resolution of support from the six commercial banks in Asheville; a petition from the Wall Street Association; and a resolution from the Asheville Area Chamber of Commerce.

Mayor Ochsenreiter closed the public hearing at 4:35 o'clock p.m.

Councilman Morris moved to approve the site plan of the proposed Akzona, Inc. Headquarters Office Building to be located on North Pack Square. This motion was seconded by Vice-Mayor Horton and carried unanimously.

RESOLUTION NO. 77-154 - RESOLUTION AUTHORIZING THE SALE OF CERTAIN SUBSURFACE PORTIONS OF THE PROPERTY ON NORTH PACK SQUARE STREET - PURSUANT TO NORTH CAROLINA GENERAL STATUTES 160A-269

6. Consideration was given to a resolution authorizing the sale of certain subsurface portions of the property on North Pack Square Street - pursuant to North Carolina General Statutes 160A-269.

The City Manager read the resolution.

Mr. Michalove advised Council that he had received a letter from Akzona, Inc. submitting a bid for the property, along with a bid deposit of $500.00. He said that he had also received a deed transfer from the County of Buncombe to the City of Asheville granting the City of Asheville rights to these properties.

Upon inquiry of Councilman Michael relative to the location of the land in question, Mr. Parsons explained that Akzona is submitting a bid for the subsurface rights to the parcel of land under the street at Pack Square.

Upon motion of Vice-Mayor Horton, seconded by Councilman Rainey, Resolution No. 77-154 was unanimously adopted.

Complete text of Resolution No. 77-154 will be found in Resolution Book No. 10 at page 39.

RESOLUTION NO. 77-155 - RESOLUTION AUTHORIZING THE PACK SQUARE REHABILITATION PROJECT

7. Consideration was given to a resolution authorizing the Pack Square Rehabilitation Project.

The City Manager said that the City has looked into how the improvements in the downtown area could be developed in the near future.

Mr. Michalove is attempting to establish a City-set policy on public improvements for private developers which should include improvements of public park areas on existing public lands or dedicated easements, the initial planting of trees, sidewalks, the paving of streets, parking - the increase or decrease of such on-street and off-street, traffic control, the improvement of traffic flow and directional change, street

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, Resolution No. 77-155 was unanimously adopted.

Complete text of Resolution No. 77-155 will be found in Resolution Book No. 10 at page 41.

BIDS - ROLLER SKATES FOR USE AT THE ASHEVILLE CIVIC CENTER

8. Consideration was given to bids received September 19, 1977 for roller skates for use at the Asheville Civic Center.

The City Manager read a memorandum from the Purchasing Agent which stated that six responsive bids were received and recommended the acceptance of the lowest bid by Johnny Jones, Jr. in the amount of $7,959.00.

Upon inquiry of Councilman Michael relative to the amount of revenue this will generate, Mr. Jim Evans, Civic Center Manager, said he estimated a revenue of $30,000 a year from the roller skating enterprise.

Councilman Rainey expressed concern relative to the $1.50 rate and also 50¢ for parking to skate at the Civic Center. He would like to see bids opened up to the private businessman to get involved. He said if the City gets into a private business sector, the City would run the risk of a loss.

Upon inquiry of Vice-Mayor Horton, Mr. Evans said the operating hours would be in the evenings when there would be no functions in the arena area in that the Civic Center could conveniently be set up for roller skating, approximately 6:00 o'clock p.m. to 9:00 o'clock p.m. He said if there was going to be any skating on the weekends, perhaps there would be a matinee and an evening period.

Councilman Michael said that the majority of people using the skating facilities would be dropped off and picked up by the parents.

Mr. Carl Henderson, Owner of Skateland Roller Rink, questioned whether the Civic Center management looked into the detail of the type of skates they were buying. He also said that the surface at the Civic Center is not conducive to roller skating and the surface must be stripped of everything and a sealer put in, then an epoxy surface will need to be applied that will be adhering to roller skate wheels.

Mr. Henderson pointed out that the skates the City put on order have boots which none of the legitimate roller skating suppliers will carry and that the City will be using loose ball bearing wheels.

Mr. Henderson said that he would be willing to look into the possibilities of his operating a skating rink in the Civic Center as a private businessman.

Mr. John Jerose said that the Civic Center Commission is trying to utilize the building as much as possible.

Mayor Ochsenreiter suggested that Mr. Evans, Mr. Jerose and Mr. Henderson meet and discuss this further.

Councilman Morris moved to table the bid for one week until it could be studied further. This motion was seconded by Councilman Michael and carried unanimously.

4. Refacing of the library, painting of street lights, planting of trees, reworking of parking areas in front of businesses on the southwest corner or Pack Square and rehabilitation work to be done in and around the Plaza Theatre and library area. High estimate - $407,000; low estimate - $328,000.

Mr. Michalove said that the work could be done in four phases: 1. Burying of power lines; 2. Rehabilitation of Pack Square proper; 3. Painting of street lights, planting of trees, reworking parking area in front of businesses on the southwest corner of Pack Square, and rehabilitation work in and around the Plaza Theatre and library area; and 4. Refacing of the library.

In addition to the sources mentioned earlier, Mr. Michalove said there are other sources available, such as the funds received from the Buncombe County Sinking Fund Commission, EDA Title 9 Grants, Community Development Funds, Bureau of Outdoor Recreation, Appalachian Regional Commission, Urban Mass Transit and the reimbursement of funds loaned to the Community Development Budget for the acquisition of land in the Civic Redevelopment Project.

Based on the current tax rate and the proposed building and property valuation planned by Akzona, Mr. Michalove said the gross income to the City over a 20-year period from property taxes alone would amount to approximately $362,300. In addition, this would also increase the potential for further redevelopment of this area and generate other businesses.

In reply to Vice-Mayor Horton's question, Mr. Michalove stated that the Captial Funds Improvement proposal would be submitted as a separate consideration to the City Council.

Vice-Mayor Horton said he was in favor of the Capital Improvement Fund and agreed that the County should be asked to contribute to the fund, as it would also increase their tax base. However, he objected to including the capital reserve from the debt service because the funds were paid into the fund by the citizens of Asheville. He said that he would like to see the fund set up without the use of direct property tax, if at all possible.

Councilman Michael suggested an amendment to the resolution requesting the County to contribute their fair share to the fund, prior to adoption of the resolution by City Council. Vice-Mayor Horton agreed with this suggestion and said the $500,000 should be provided by the City paying $250,000 and the County likewise.

Councilman Rainey suggested incremental financing for the development plan, in which the difference in what would be collected on the existing buildings and what would be collected on the new building planned by Akzona would be put into the fund on a yearly basis.

Mr. Emrick commented that incremental financing is a relatively new concept of financing which is being used successfully in other parts of the country, but pointed out that the N. C. Legislation would have to pass a law to enable the City to use it. He urged Council to explore these types of possibilities with the delegation, as the City needs some flexibility in these types of financing.

In reply to Councilman Rainey's question at last week's meeting relative to whether there are relocation grants that might be made to the small businessmen who have to relocate because of the Akzona development, Mr. Michalove said that Mr. Logan Delany had checked with the Department of Housing and Urban Development (HUD) and HUD stated that no loans could be obtained because this is a private business transaction. He said that minority business loan funds are available from SBA.

Upon inquiry of Councilman Michael, Mr. Michalove said that more zones could be created which takes out the number of options in a given zone and would mean that the developer would have to comply with a closer residential characteristic.

Vice-Mayor Horton moved to approve the sale of certain parcels in the East Riverside Urban Renewal Project, as recommended by the Housing Authority of the City of Asheville. This motion was seconded by Councilman Michael and carried unanimously.

STATUS REPORT - SECOND FIXED BASE OPERATION AT THE ASHEVILLE AIRPORT

11. The City Manager said that he had met with a representative of FAA and Gary Taylor, Airport Manager, on Tuesday to discuss the second FBO at the Asheville Airport.

Mr. Michalove said that he had a good idea of how the City should move ahead with both FBO operations. He said that a meeting is scheduled for Monday morning with both FBO operations, after which he'll meet separately to discuss the individual matters in both contracts and he'll have a report for Council at the next Council meeting.

RESOLUTION NO. 77-156 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION

12. Consideration was given to a resolution authorizing the Mayor to sign an agreement with the North Carolina Department of Transportation.

Mr. Michalove read the resolution. He explained that this resolution is for grade crossing signs at railroad intersections.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, Resolution No. 77-156 carried unanimously.

Complete text of Resolution No. 77-156 will be found in Resolution Book No. 10 at page 45.

RESOLUTION NO. ___ - RESOLUTION REQUIRING THAT INDIVIDUALS APPOINTED BY THE CITY COUNCIL TO VARIOUS BOARDS, COMMISSIONS AND COMMITTEES BE REQUIRED TO ATTEND AT LEAST FIFTY PERCENT OF THE REGULARLY SCHEDULED MEETINGS OF THAT ORGANIZATION IN ORDER TO FULFILL THEIR RESPONSIBILITY OF THE APPOINTMENT

13. Consideration was given to a resolution requiring that individuals appointed by the City Council to various boards, commissions and committees be required to attend at least fifty percent of the regularly scheduled meetings of that organization in order to fulfill their responsibility of the appointment.

The City Manager read the resolution. He explained that the Board of Adjustment have more members appointed to it than the City expects to attend because of the number of meetings that they have. He said the this particular Board is more of a call meeting. He said that they meet two times a week because of the heavy workload.

Councilman Rainey suggested that the attendance increased to 75%.

Councilman Morris said that Council should study this resolution because the intent is good but that Council needs a little more time to study the context.

Vice-Mayor Horton suggested that the Boards be contacted to see what their individual policy is regarding attendance and then Council could have a better understanding of the problem.

ORDINANCE NO. 986 - AN ORDINANCE AMENDING ORDINANCE NO. 813 - REVISED BY ORDINANCE NO. 846, KNOWN AS "CITY OF ASHEVILLE EROSION CONTROL ORDINANCE," AS AMENDED

9. Consideration was given to an ordinance amending Ordinance No. 813 - revised by Ordinance No. 846, known as "City of Asheville Erosion Control Ordinance," as amended.

The City Manager read the ordinance.

Mr. Michalove explained that the purpose of this ordinance is to permit the Chief Building Inspector, Mr. J. E. Johnson, to proceed with work that he felt that the City has complied with in every other way, but for some reason need to have temporary permission to proceed with portions of work contemplated under pending applications for a Development Permit. He said that the work to be done during the time of the temporary permit would be limited to clearing, grubbing, grading, installation of hydraulic structures necessary to control runoff and erosion and the establishment of vegetative cover and/or other control measures necessary to maintain the site. He explained that the temporary permit shall not exceed 60 days and shall not be extended. Mr. Michalove said that this is one way to speed up the work, by issuing this type of permit.

Councilman Hoyle moved for the adoption of Ordinance No. 986. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 4-1, Ordinance No. 986 passed on its first reading, with Councilman Michael voting "no."

SALE OF CERTAIN PARCELS - EAST RIVERSIDE URBAN RENEWAL PROJECT

10. Consideration was given to the approval of the sale of certain parcels in the East Riverside Urban Renewal Project.

Mr. Larry Holt, Executive Deputy Director of the Asheville Housing Authority, read the following letter from the Housing Authority of the City of Asheville requesting approval of the sale of certain parcels in the East Riverside Urban Renewal Project:

Parcel	Reuse	Established Price	Amount Bid	Redeveloper(s)
51	Commercial	$40,000.00	$40,000.00	Hill, Rice & Trash
54-54A	Commercial	$51,500.00	$51,500.00	Douglas J. Fox, DDS
116	Residential	$ 1,586.00	$ 1,586.00	Marie P. Washington
132	Residential	$ 1,150.00	$ 1,150.00	Frieda S. Burton
138	Residential	$ 2,200.00	$ 2,200.00	Jack R. Steele, et ux
145-146	Office-Inst.	$ 5,900.00	$ 5,900.00	Hines, Hines, & Tate

He said the developments for Parcels 51 and 54-54A will consist of professional office space. He said Parcels 145-146 will be developed as parking in conjunction with the redevelopers current development on Parcel 144. He stated that Parcel 132 will be developed as parking in connection with a proposed neighborhood child care facility proposed by the redeveloper who is an adjacent property owner. He said the redevelopers of Parcels 116 and 138 are adjacent property owners who wish to enlarge their property so that theirs will be a standard lot.

Councilman Michael said that some persons are acquiring adjacent land which they say is needed for parking, and plan to sell it later because it is in a good neighborhood.

Mr. Holt said that the redevelopment plan requires that the development must be completed before they can sell it.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 987. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 987 passed on its third and final reading.

Complete text of Ordinance No. 987 will be found in Ordinance Book No. 7 at page 194.

BIDS - 216 COIN-OPERATED LOCKERS FOR THE PARKS AND RECREATION DEPARTMENT

15. Consideration was given to bids received September 19, 1977 for 216 coin-operated lockers for the Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which stated that two responsive bids were received and recommended the acceptance of the lowest bid by American Locker Security Systems, Inc. in the amount of $11,096.94.

Vice-Mayor Horton moved to accept the recommendation of the Purchasing Agent and award the bid to American Locker Security Systems, Inc. for a total amount of $11,096.94. This motion was seconded by Councilman Hoyle and carried unanimously.

BID SUMMARY

Bidder	Bid
American Locker Security Systems, Inc.	$11,096.94
Routed Signs, Inc.	$11,700.80

BIDS - SAFETY SHOES TO MEET OSHA SAFETY STANDARDS FOR VARIOUS DEPARTMENTS

16. Consideration was given to bids received September 19, 1977 for safety shoes to meet OSHA safety standards for various departments.

The City Manager read a memorandum from the Purchasing Agent which stated that four responsive bids were received and recommended the acceptance of the lowest bid by Asheville Army Store in the amount of $5,988.00.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to Asheville Army Store in the amount of $5,988.00. This motion was seconded by Councilman Morris and carried unanimously.

BID SUMMARY

Bidder	Bid
Western Carolina Safety Supply Co.	$7,580.00
Stinnette Uniform Sales	$7,400.00
Paymaster Safety Footwear	$7,036.00
Asheville Army Store	$5,988.00

BIDS - PROPOSED IMPROVEMENTS AT THE ASHEVILLE AIRPORT

The City Manager requested that this be postponed until Council's next meeting.

Adjournment.

Eugene F. Roberts, Jr.
MAYOR

Miriam J. Moore
CITY CLERK

Councilman Rainey moved for the adoption of this resolution. This motion was seconded by Councilman Michael and defeated on a 3-3 vote with Councilman Rainey, Councilman Michael and Councilman Hoyle voting "yes" and Vice-Mayor Horton, Mayor Ochsenreiter and Councilman Morris voting "no."

Mayor Ochsenreiter said this resolution would be redrafted and presented at next week's Council meeting.

COUNCILMAN RAINEY - SENIOR OPPORTUNITY CENTER VAN

Councilman Rainey said that he has been in contact with the Senior Opportunity Center people and they expressed concern about a new van.

COUNCILMAN RAINEY - BOHANNAN AND NOBLETT

Councilman Rainey asked that the Bohannan and Noblett items be discussed at next week's Council meeting.

Councilman Rainey was excused from the meeting at 6:50 o'clock p.m.

RESOLUTION NO. 77-157 - RESOLUTION AUTHORIZING APPLICATION FOR STATE WATER BOND FUNDS

13. Consideration was given to a resolution authorizing the Mayor to sign an application for State Water Bond Funds.

The City Manager read the resolution explaining that the Beaverdam Project will cost $45,000 and the Charlotte Highway Water Line will be $9,000.

Councilman Michael was excused from the meeting at 6:55 o'clock p.m.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 77-157 carried unanimously.

Complete text of Resolution No. 77-157 will be found in Resolution Book No. 10 at page 46.

ORDINANCE NO. 987 - AN ORDINANCE AMENDING THE OPERATING BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

14. Consideration was given to an ordinance amending the operating budget for the City of Asheville for Fiscal Year 1977-78.

The City Manager read the ordinance. He explained that the waste water treatment system at the Asheville Airport had been found to be discharging wastes in violation of the North Carolina Environmental Commission Standards, therefore, the City is proposing to install a chlorination system which would provide as a temporary solution to this problem.

Vice-Mayor Horton moved for the adoption of Ordinance No. 987. This motion was seconded by Councilman Morris.

On a roll call vote of 4-0, Ordinance No. 987 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 987. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 987 passed on its second reading.

4. Consideration was given to an ordinance establishing the Asheville-Buncombe Revitalization Capital Improvement Fund.

The City Manager read the ordinance and explained that the purpose of establishing the Asheville-Buncombe Revitalization Capital Improvement Fund was to stimulate private development, which would provide growth and an increase in taxes to both the City and the County. He said that the City should be in the position of promotiong what it has to offer and these funds will go a long way in helping the City with this type of promotion. He also said that the County Commissioners were in support of a similiar type of plan county-wide and this would also generate a great deal of private development within the City and the County. He pointed out that if Council approves this ordinance on the first reading today, that he would introduce an ordinance with a specific budget at the October 6, 1977 meeting, which hopefully could be read on all three readings and would approve the Pack Square Rehabilitation Project. He said that Council had approved this project last week and now the City should appropriate the funds from this budget.

He said the Pack Square Rehabilitation Project can be divided into three or four phases and pointed out that the City has a period of time to attract federal, state, and county funds.

Councilman Michael requested that the County Commissioners commit themselves to contribute their fair share to the fund.

Mr. Michalove said that he thinks the County is going to set up a Buncombe County Revitalization Fund. When the City of Asheville has a project that will benefit the County and City, the City will take that project before the Commissioners and they will evaluate it and, upon approval of the project, will provide a percentage of funds based on the tax rate in order to help us fund that particular project.

Councilman Rainey suggested that the City go ahead and set up the fund for Akzona and get it out of the way and hopefully entice the County to participate and then rebuild the fund over a period of time so that the City doesn't have a massive drainoff of any other funds the City may have in the budget.

Mr. Michalove said Councilman Rainey's suggestion might be misleading. He said the City is approving a concept and appropriating non ad valorem funds over a period of time. He reviewed the sources for funding the Asheville-Buncombe Revitalization Capital Improvement Fund.

It was the unanimous agreement of Council that the wording of Item 3 of the ordinance be revised to read as follows:

"The initial appropriation to this fund shall be up to $500,000."

Councilman Rainey moved for the adoption of Ordinance No. 988. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 988 passed on its first reading.

RESOLUTION NO. 77-159 - RESOLUTION APPROVING THE USE OF OPERATION COMPLEX FUNDS FOR UPGRADING EXISTING FACILITIES

5. Consideration was given to a resolution approving the use of Operation Complex funds for upgrading existing facilities.

Thursday - September 29, 1977 - 3:00 o'clock p.m.

Regular Meeting

Present: Vice-Mayor Horton, Councilwoman Swilling, Councilmen Ralph D. Morris, Jr., Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor Ochsenreiter and Councilman J. W. Hoyle

INVOCATION

Prior to the opening of the September 29, 1977 meeting of City Council, Vice-Mayor Horton requested Reverend James A. Johnson, Pastor of the West Asheville Baptist Church, to give the invocation.

APPROVAL OF MINUTES

1. Approval of the minutes of the September 22, 1977 meeting.

Upon motion of Councilman Michael, seconded by Councilwoman Swilling, the minutes of the September 22, 1977 meeting were approved as submitted.

ORDINANCE NO. 986 - AN ORDINANCE AMENDING ORDINANCE NO. 813 - REVISED BY ORDINANCE NO. 846, KNOWN AS "CITY OF ASHEVILLE EROSION CONTROL ORDINANCE," AS AMENDED

2. Consideration was given to the second reading of Ordinance No. 986, an ordinance amending Ordinance No. 813 - revised by Ordinance No. 846, known as "City of Asheville Erosion Control Ordinance," as amended.

City Manager K. M. Michalove explained that the purpose of the ordinance was to permit the Chief Building Inspector to authorize developers to proceed with preliminary work, pending approval of a Development Permit.

On a roll call vote of 4-0, Ordinance No. 986 passed on its second reading.

RESOLUTION NO. 77-158 - RESOLUTION AUTHORIZING THE SALE OF PROPERTY LOCATED IN BILTMORE VILLAGE

3. Consideration was given to a resolution authorizing the sale of property located in Biltmore Village.

The City Manager read the resolution and stated that legal notices requesting bids on the property had been published as required by the North Carolina General Statutes 160A-269. However, he said no further qualifying bids had been received and recommended that City Council approve the resolution authorizing the sale of the property to The Biltmore Company for $65,000.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 77-158 was unanimously adopted.

Complete text of Resolution No. 77-158 will be found in Resolution Book No. 10 at page 48.

ORDINANCE NO. 988 - AN ORDINANCE ESTABLISHING THE ASHEVILLE-BUNCOMBE REVITALIZATION CAPITAL IMPROVEMENT FUND

The relative value of this tract to such a center is dependent upon the cost of acquiring sufficient land north of the city barn.

Secondly, the existing building on the Linn property might be used to house all or part of several city operations currently in need of adequate building space. Several of these needs are described in a memo directed to the City Managers Office by staff members and are:

Police sign and signal storage
Signal controller and sign make up shop
Sand and salt storage
Parking for patrol vehicles
Storage of tires, tracks and spare parts
Storage for motor transport parts and supplies (tires, etc.)
Vehicle paint space
Central purchasing and warehousing for all
City departments

There are a number of possible problems inherent in trying to adapt these functions to this existing facility. Several of these are:

Difficult access from Valley Street (inability to maneuver free of normal traffic)
Low ceiling heights and door heights - can't add a hoist storage is virtually impossible because of inability to dump or load within the ceiling limitations.
Extensive remodeling and repair necessary to adapt this building to any city function. (lighting, heating, removal of partitions and fixtures, re-roofing and roof structure repair - see attached)
No ventilation (for vehicle paint space)
No natural light

A careful scrutiny of this building's plan and condition reveal a 38,000 s.f., 1940's building of varied construction and characteristics. The southern most section (approximately 2,000 s.f.) has a totally leaking roof with seriously rotted wood decking. Adjacent to the north is a 10,000 s.f. area accessed from a [illegible] on this section and Valley Street. This area is 11' high and the ceiling inside is 13'-9". Approximately half this area is occupied by freezers. There is no access between this area and the south room

Mr. John Rogers of Six Associates, Inc., the architectural firm employed to evaluate existing City facilities and to make recommendations to the City Council, relative to the functional benefits the City might derive from the purchase of the E. Ted Linn property, presented the following report to members of City Council:

SIX ASSOCIATES
INCORPORATED

MARSHALL D. ROBERTS, A.I.A.

September 29, 1977

City Council
City of Asheville
Asheville, North Carolina

Gentlemen:

This report is in response to your request for an evaluation of the functional benefits to the City which may derive from the purchase of the Linn property. The report is a part of the larger planning task which we have been assigned.

The Linn property is completely described in an Appraisal report dated August 15, 1977, prepared for the City by Alan Butterworth MAI and Thomas Stuitler, appraiser. I hereby reference that appraisal as an attachment to this report.

Of the two parcels of land which make up the property, parcel no. 2 can be dealt with quickly. This vacant lot lies east of Valley Street and south of Carroll Avenue. It contains 40,000 s.f. net useable land. The lot is not contiguous with any City-owned property. It could be used for parking of personnel cars or other vehicles (40 cars, 20-30 trucks or operational vehicles) or may have value if the City moved to acquire extensive property along Valley St. for a comprehensive operations center. In either case, this lot is further south than would appear desirable in relation to properties along Valley Street currently owned by the City.

Parcel No. 1 is attractive to the City in two ways: First, it is contiguous with City-owned land and can be valuable in the development of a comprehensive operations center if there were a decision by the City to develop such a center on Valley Street. The amount of land required for such a center is not yet defined.

Upon inquiry of Councilman Rainey relative to what the severe repairs would cost, Mr. Rogers said that he did not have an estimate of the cost, because he did not itemize the repairs.

Councilman Rainey said that the City should recycle buildings, using what they have instead of building a new multi-million dollar complex. He expressed concern that the residents in the area would have to wait until the City locates land in which to build the new complex which could take years.

Mr. Michalove explained that on Valley Street, from the intersection of Eagle and Valley Streets to the intersection of Beaumont and Valley Streets, that it had been determined by the City that there is sufficient land in this area to build a new building and parking lots for City operations. He also pointed out that the City has very seriously considered the recycling of existing buildings and this was also one of the responsibilities of the architectural firm.

Councilman Michael said the City should move toward consolidation with the County to build a complex that would serve both governmental units.

Councilwoman Swilling said that she realized that the City needs relief from these problems, but if the Linn building cannot be used to the benefit of the City, then that is not the way to go.

The City Manager stated that approximately 115 staff hours (not including City Council time) had been spent on evaluating the Linn property.

Mr. John Rogers presented an idea for winterizing the Street and Sanitation Divisions by bringing the men inside to work and still maintain the barn as a Street and Sanitation Division Operation and also make some safety improvements in the building that are very serious problems. He reviewed the following estimates for winterization measures to the City barn:

1.	SOUTH WALL		
	Footings and Retaining Walls	$ 7,150.00	
	Metal Panels	7,200.00	
	Demolition	1,500.00	
			$ 15,850.00
2.	EXIT DRIVE ON SOUTH		
	Grading and Paving	15,000.00	
	Rolling Door	2,250.00	
			$ 17,250.00
3.	EAST WALL		
	Footings and Retaining Walls	14,225.00	
	Metal Panels	15,000.00	
	Demolition	3,500.00	
	Structural Steel	5,000.00	
	Reroof and insulation	10,000.00	
			$ 47,725.00
4.	WEST SHED		
	Reroof and Insulate		$ 18,500.00
	General Heat		$ 2,000.00
			$101,325.00
	Contingency 5%		$ 5,000.00
	TOTAL		$106,325.00

portion and a single opening to the areas to the north." Altogether, this section is in better condition than other areas of the building. Adjacent to the east is a 3,500 s.f. built-in-place freezer (95± x 37±). This is a single space with one door opening from the dock area of the northernmost section. The remaining section of 20,000± s.f. is divided into a raised dock area with a 40' deep receiving space opening from Valley Street at street edge; an office section; two freezers; an area in which there is a mezzanine creating a 7' clear ceiling height and an area with a 12'6" clear ceiling height which opens to Valley Street at a corner door 13' high. The floor level ramps down to this doorway creating a sloping area some 20' long. There are two unused doors which could be opened to a vacant portion of the property north of this section and adjacent to the city "barn".

The building is thus divided into numerous separate areas, none of which is larger in useable area than 6,000± s.f. Columns and bearing walls are interspersed throughout. The overall configuration results in inflexible space which places a severe burden on warehouse efficiency and inventory control as well as vehicle maneuvering and circulation.

What is needed to serve the city requirements which have been identified is a building featuring large structural bays and long spans to facilitate vehicle maneuverability, regular in shape for flexibility of use and easy control and clear ceiling height greater than 20' to allow maximum use of hoists and loaders.

The Linn building offers only extremely limited usefulness for any of the City's functions. Temporary relief of present needs is all that could be expected of this building. Severe repair, renovation and operating costs would accompany such use.

I,therefore, do not recommend the use of this building for city operations. The question of the value of the land for future use can only be determined after a decision to stay on Valley Street and a determination of the amount of land needed and the availability and cost of land to the north of the barn.

Respectfully submitted,

SIX ASSOCIATES, INC.
Architects, Engineers, Planners

by: John D. Rogers, Jr.

/jb

The City Manager read the resolution and explained that the following were the lowest bidders and recommended that the contracts be awarded to them:

Extension of Runway 34 (100 feet)	Asheville Contracting Co., Inc. Asheville, N. C.	$ 47,670.00
Refurbishing H.I. Runway and M.I. Taxiway Lighting	Walker and Whiteside, Inc. Greenville, S. C.	$ 76,167.00
Fire and Crash Building		
General - Schedule I	H & M Contractors Asheville, N. C.	$126,219.00
Plumbing - Schedule II	New Systems Plumbing Co. Banner Elk, N. C.	$ 12,655.00
Mechanical - Schedule III	20th Century Heating Co. Asheville, N. C.	$ 8,945.00
Electrical - Schedule IV	R. A. Smith Electric Co., Inc. Flat Rock, N. C.	$ 11,350.00
Fire and Rescue Vehicle	Walter Motor Truck Co. Voorheesville, N. Y.	$148,990.00

Mr. Michalove said that the total grant amount is $519,340 in which the federal government will pay 90 percent of the cost of these projects and the State will pay 5 percent and the City will pay 5 percent.

Vice-Mayor Horton explained that these items have been budgeted and that the bids are less than the actual amount budgeted for these projects.

Mr. U. Gary Taylor, Airport Manager, said that the Fire Station will be completed in approximately three (3) months.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 77-161 was unanimously adopted.

Complete text of Resolution No. 77-161 will be found in Resolution Book No. 10 at page 51.

BIDS - UNIFORMS FOR THE POLICE DEPARTMENT

8. Consideration was given to bids received on September 19, 1977, relative to uniforms for the Police Department.

The City Manager read a memorandum from the Purchasing Agent which stated that three (3) responsive bids had been received and recommended the acceptance of the low bid submitted by Stinnette Uniform Sales, Inc. in the amount of $16,379.65.

The City Manager explained that this would provide summer uniforms to the entire force and the winter uniforms, caps, and other items on an as needed replacement basis.

The City Manager said that if the City decided to do the winterization work, Six Associates, Inc. will prepare the specifications and the City will take the bids for the work.

Councilman Rainey asked that the City Manager try to get shower and bathroom facilities in the barn.

The City Manager read the resolution and explained that funds for the Operations Complex had been set aside two or three years ago to make improvements or construct buildings for various City operations.

Upon motion of Councilwoman Swilling, seconded by Councilman Michael, Resolution No. 77-159 was unanimously adopted.

Complete text of Resolution No. 77-159 will be found in Resolution Book No. 10 at page 49.

RESOLUTION NO. 77-160 - RESOLUTION REQUESTING THE CIVIL SERVICE BOARD TO REVIEW AND RECOMMEND TO THE ASHEVILLE CITY COUNCIL EMPLOYEE RESIDENCY REQUIREMENTS

6. Consideration was given to a resolution requesting the Civil Service Board to review and recommend to the Asheville City Council employee residency requirements.

The City Manager read the resolution and explained that this resolution would request the Civil Service to:

1. Review their recommendations of April 7, 1977, after review of the results of the employee opinion survey and other information provided to the City Council;

2. Submit their recommendations to the Asheville City Council on or before February 1, 1978; and

3. Withhold any action against any employee for violation of the currently existing residency requirements until ninety (90) days after the City Council has acted on the recommendations forthcoming from the Civil Service Board.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 77-160 was unanimously adopted.

Complete text of Resolution No. 77-160 will be found in Resolution Book No. 10 at page 50.

Councilman Rainey was excused from the meeting at 4:21 o'clock p.m. and returned to the meeting at 4:25 o'clock p.m.

RESOLUTION NO. 77-161 - RESOLUTION AWARDING CONTRACTS FOR THE EXTENSION OF THE SAFETY AREA, RUNWAY 34; REHABILITATION OF THE MITL AND HIRL SYSTEMS; CONSTRUCTION OF A FIRE AND CRASH BUILDING AND THE ACQUISITION OF A FIRE AND CRASH RESCUE VEHICLE, AT THE ASHEVILLE AIRPORT

7. Consideration was given to a resolution awarding contracts for the extension of the Safety Area, Runway 34; rehabilitation of the MITL and HIRL systems; construction of a fire and crash building and the acquisition of a fire and crash rescue vehicle at the Asheville Airport.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 989. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 989 passed on its third and final reading.

Complete text of Ordinance No. 989 will be found in Ordinance Book No. 7 at page 197.

PUBLIC HEARING SET - REZONING PROPERTY ON THE EAST SIDE OF LEICESTER HIGHWAY

11. Consideration was given to scheduling a public hearing on the rezoning request by Mr. J.F. Bridges, Jr. to rezone property located on the East Side of Leicester Highway from R-3 Residential District to CS Commercial Service District.

Councilwoman Swilling moved to schedule a public hearing on the rezoning request of Mr. J. F. Bridges, Jr. to rezone property located on the East side of Leicester Highway from R-3 Residential District to CS Commercial Service District for October 27, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

Vice-Mayor Horton called for a five (5) minute recess.

City Council reconvened the meeting at 5:00 o'clock p.m.

MRS. ROGERS - SENIOR OPPORTUNITY CENTER VAN

Mrs. Rogers urged Council to continue to look into the idea of a van for the Senior Opportunity Center.

Mr. Michalove said that he would prepare a report for Council and present it at next week's meeting.

RESOLUTION NO. 77-163 - RESOLUTION OF INTENT TO CLOSE ALLEY AND CALLING A PUBLIC HEARING ON THE QUESTION

12. Consideration was given to a resolution of intent to close alley and calling a public hearing on the question.

The City Manager read the resolution.

Councilwoman Swilling moved for the adoption of the resolution and to schedule a public hearing relative to the matter for October 27, 1977. This motion was seconded by Councilman Morris and carried unanimously.

Complete text of Resolution No. 77-163 will be found in Resolution Book No. 10 at page 54.

BIDS - RE-ROOFING BUILDING AT THE SENIOR OPPORTUNITY CENTER, 36 GROVE STREET, FOR THE PARKS AND RECREATION DEPARTMENT

13. Consideration was given to bids received September 20, 1977, relative to re-roofing the building at the Senior Opportunity Center, 36 Grove Street, for the Parks and Recreation Department.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to Stinnette Uniform Sales, Inc. in the amount of $16,379.65. This motion was seconded by Councilman Morris and carried unanimously.

Bid Summary

Bidder	Bid
Caleb V. Smith Uniform Company	$23,930.21
Stinnette Uniform Sales, Inc.	$16,379.65
Asheville Army Store	$16,888.13

RESOLUTION NO. 77-162 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE BUNCOMBE COUNTY BOARD OF ELECTIONS

9. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the Buncombe County Board of Elections.

The City Manager read the resolution and explained that this was a routine agreement and that under North Carolina General Statutes 163-283 every municipality is required to deliver its registration books to the County Board of Elections who assume the responsibility for administration of the registration and election process in such municipalities and special districts.

Councilman Michael was excused from the meeting at 4:35 o'clock p.m.

Upon motion of Councilwoman Swilling, seconded by Councilman Morris, Resolution No. 77-162 was unanimously adopted.

Complete text of Resolution No. 77-162 will be found in Resolution Book No. 10 at page 53.

ORDINANCE NO. 989 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78 (MAINTENANCE CONTRACT FOR THE ASHEVILLE ART MUSEUM SECURITY SYSTEM)

10. Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1977-78, providing funds for the maintenance contract for the Asheville Art Museum Security System.

The City Manager read the ordinance and explained that the City, in the past, has provided funds for the maintenance contract for the Asheville Art Museum Security System and this ordinance will amend the budget to include this.

Councilman Morris pointed out that the City might not always provide funds for this contract.

Councilwoman Swilling moved for the adoption of Ordinance No. 989. This motion was seconded by Councilman Morris.

On a roll call vote of 4-0, Ordinance No. 989 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 989. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 989 passed on its second reading.

REPORT BY THE CITY MANAGER - JOHN N. BOHANNON - 75 MACON AVENUE

Upon a request by Councilman Rainey, the City Manager said that this matter would be placed on the published agenda.

REPORT BY THE CITY MANAGER - DRAINAGE PROBLEM AT 15 MCINTOSH ROAD

The City Manager said that a report would be presented to members of City Council relative to the drainage problems being experienced by Mrs. C. A. Noblett who lives at 15 McIntosh Road.

Upon Councilwoman Swilling's request, the City Manager said that this matter would be placed on the published agenda.

MR. JOSEPH SINGLETON - SELECTION OF NEW POLICE CHIEF

Mr. Joseph Singleton commented on the process that the City Manager is taking to select a new Chief of Police.

MR. HAROLD GROSSMAN - 88 COLLEGE STREET

Mr. Harold Grossman, owner of a store at 88 College Street, appealed to Council for help with an outrageous water bill in the amount of $1,351 and requested that Council appoint somebody to look into this matter. This matter was referred to the City Manager.

RALPH G. BISHOP - SELECTION OF POLICE CHIEF

Mr. Ralph G. Bishop appeared before City Council to express his dissatisfaction to the process the City Manager has chosen to select the new Chief of Police.

Adjournment.

Ben B Hutto
VICE-MAYOR

Miriam J. Moncrief
CITY CLERK

The City Manager read a memorandum from the Purchasing Agent which stated that three (3) responsive bids had been received and recommended the acceptance of the low bid submitted by Asheville Roofing, Inc. in the amount of $9,625.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to the low bidder, Asheville Roofing, Inc., in the amount of $9,625. This motion was seconded by Councilman Morris and carried unanimously.

Bid Summary

Bidder	Bid
Tarco, Inc.	$23,200
Stroup Sheet Metal Works	$13,639
Asheville Roofing, Inc.	$ 9,625

RESOLUTION NO. 77-164 - RESOLUTION APPOINTING ASHEVILLE CITY COUNCIL REPRESENTATIVES TO THE JOINT STUDY COMMITTEE ON THE CONSOLIDATION OF ASHEVILLE CITY AND BUNCOMBE COUNTY SCHOOLS

14. Consideration was given to a resolution appointing Asheville City Council representatives to the Joint Study Committee on the consolidation of Asheville City and Buncombe County Schools.

The City Manager read the resolution which appointed Mr. W. P. Griffin, Mr. Alfred J. Whitesides, and Mrs. Mildred C. McGill to the Joint Study Committee on the consolidation of Asheville City and Buncombe County Schools.

Upon motion of Councilman Rainey, seconded by Councilwoman Swilling, Resolution No. 77-164 was unanimously adopted.

Complete text of Resolution No. 77-164 will be found in Resolution Book 10, pg. 55.

PROCLAMATION - NATIONAL EMPLOY THE HANDICAPPED WEEK

Vice-Mayor Horton proclaimed the week of October 2 - 8, 1977 as "National Employ the Handicapped Week."

DIVISION OF INSPECTIONS & DEMOLITIONS - CHART OF PERMITS

The City Manager said that there is now a chart available showing the various types of permits, activities requiring permits, applications procedures and requirements, normal processing time, number of inspections required, and the principal City office to contact. This chart was prepared by the Inspections Division.

Councilwoman Swilling commended Mr. J. E. Johnson, Chief Building Inspector, and the Inspections Division for the work that went into preparing the chart.

HEY-DAY, - NATURE CENTER

Vice-Mayor Horton read a letter from Bonnie T. Brannon, Chairman of the Hey-Day Fall Carnival, personally inviting members of the City Council and the public to the fund raising carnival to be held at the Nature Center on Saturday, October 15, 1977 from 10:00 o'clock a.m. until 4:00 o'clock p.m. Proceeds from this event will go toward remodeling the old zoo barn into a real barnyard.

ORDINANCE NO. 988 - AN ORDINANCE ESTABLISHING THE ASHEVILLE-BUNCOMBE REVITALIZATION CAPITAL IMPROVEMENT FUND

3. Consideration was given to the second reading of Ordinance No. 988, an ordinance establishing the Asheville-Buncombe Revitalization Capital Improvement Fund.

On a roll call vote of 5-0, Ordinance No. 988 passed on its second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 988. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 988 passed on its third and final reading.

Complete text of Ordinance No. 988 will be found in Ordinance Book No. 7 at page 195.

ORDINANCE NO. 986 - AN ORDINANCE AMENDING ORDINANCE NO. 813 - REVISED BY ORDINANCE NO. 846, KNOWN AS "CITY OF ASHEVILLE EROSION CONTROL ORDINANCE," AS AMENDED

4. Consideration was given to the third and final reading of Ordinance No. 986, an ordinance amending Ordinance No. 813 - revised by Ordinance No. 846, known as "City of Asheville Erosion Control Ordinance," as amended.

On a roll call vote of 5-0, Ordinance No. 986 passed on its third and final reading.

Complete text of Ordinance No. 986 will be found in Ordinance Book No. 7 at page 192.

READOPTION OF ORDINANCE NO. 322, AS AMENDED, KNOWN AS THE ZONING ORDINANCE OF THE CITY OF ASHEVILLE

5. Consideration was given to the third and final reading of the readoption of Ordinance No. 322, as amended, known as the Zoning Ordinance of the City of Asheville.

Vice-Mayor Horton opened the public hearing at 4:20 o'clock p.m.

Mr. Emrick, Planning Director, requested to amend the first paragraph in Article 8, (Board of Adjustment) Section 30-8-2, (Membership and Powers) to include the following sentence:

"An official quorum shall consist of seven (7) members of the Board."

Article 8, Section 30-8-2, Paragraph 1 with the amendment included shall read as follows:

"The Board shall consist of nine (9) members appointed by the City Council for a term of three (3) years and two (2) members who are residents of the extraterritorial County Commissioners for a term of three (3) years. An official quorum shall consist of seven (7) members of the Board. The organization and procedure of the Board, its meeting, method of handling appeals and other related matters, shall be in conformity with the provisions of the General Statutes, particularly Article 19, Part 3. 160A-388."

Thursday - October 6, 1977 - 4:00 o'clock p.m.

Regular Meeting

Present: Vice-Mayor Horton, Councilwoman Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove

Absent: Mayor Ochsenreiter and Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

Prior to the opening of the October 6, 1977 meeting of the City Council, Vice-Mayor Horton requested Rev. Nilous Avery, Pastor of the Hill Street Baptist Church, to give the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the September 29, 1977 meeting.

Councilman Rainey moved to amend the minutes of the September 8, 1977 meeting relative to the rezoning request of C. C. Blount and Associates by inserting the following:

"In Mr. Emrick's opening remarks, he said that he had spoken to the attorney for Mr. Blount, Mr. Wellons, and was advised that a verbal commitment from Carolina Power and Light had been obtained so as to provide an accessment through Carolina Power and Light's property to Amboy Road. He said the commitment was obtained September 6, 1977.

Upon inquiry of Councilman Hoyle relative to whether access into Amboy Road was written or verbal, Mr. Wellons said the commitment was in both forms, that he had a verbal okay and that Carolina Power and Light's legal department was writing the document at that time."

This motion was seconded by Councilman Michael and carried unanimously.

Upon motion of Councilwoman Swilling, seconded by Councilman Morris, the minutes of the September 29, 1977 meeting were approved as submitted.

RESOLUTION NO. 77-165 - RESOLUTION ACCEPTING QUITCLAIM DEED FROM BUNCOMBE COUNTY FOR CERTAIN PROPERTY ON NORTH PACK SQUARE

2. Consideration of a resolution accepting quitclaim deed from Buncombe County for certain property on North Pack Square.

The City Manager read the resolution and explained that the Buncombe County Commissioners authorized conveyance of certain lands located on North Pack Square to the City of Asheville.

Upon motion of Councilwoman Swilling, seconded by Councilman Michael, Resolution No. 77-165 was unanimously adopted.

Complete text of Resolution No. 77-165 will be found in Resolution Book No. 10 at page 56.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and presented the affidavit of publication.

Mr. Emrick explained that as a result of protest petitions which had been submitted, the twenty percent (20%) protest rule applies to this petition, which requires City Council to render a favorable vote of three-fourths of all members of Council to approve the petition. (NOTE: Mr. Emrick advised later that a recalculation indicated the twenty percent rule would not apply and a simple majority could pass the request.)

Mr. Emrick advised that the Planning and Zoning Commission recommended approval of the rezoning request. By use of a map, Mr. Emrick pointed out the proposed rezoning area to members of Council.

Mrs. Dean Blankenship spoke in favor of the rezoning request by saying that a lot of work was put into the plan by Mr. Caudle.

Vice-Mayor Horton closed the public hearing at 4:59 o'clock p.m.

The City Manager read the ordinance rezoning the property as requested.

Councilwoman Swilling moved for the adoption of Ordinance No. 990. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 990 passed on its first reading.

PUBLIC HEARING - GROUP DEVELOPMENT - THE ASHEVILLE HOUSE

7. A public hearing was held relative to the site plan of a proposed four-story apartment complex, The Asheville House, to be located on Orange Street.

Vice-Mayor Horton opened the public hearing at 5:04 o'clock p.m.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and presented the affidavit of publication.

Mr. Emrick advised Council that the Planning and Zoning Commission recommended approval of the site plan subject to the following:

1. That additional plans be submitted detailing all existing and proposed utilities and connections;

2. Submission of a satisfactory erosion control plan and storm drainage detail;

3. Submission of a landscaping plan; and

4. City Council granting a variance on minimum parking requirements. (Zoning Ordinance requires 2 spaces per unit or 216 spaces; Commission recommends a variance to permit 1.25 spaces per unit or 135 total spaces).

Mr. Emrick explained that this is a four-story complex consisting of 108 units located on Orange and Liberty Streets. He said that there are some problems off site dealing with erosion control. He said it seems that Merrimon Place empties water onto the American Court Motel and because of the grade differentials on the street itself, it's impossible at this point to handle the water in any other manner except

Councilman Morris moved to accept this amendment to the Zoning Ordinance. This motion was seconded by Councilman Michael and carried unanimoulsy.

Mr. Emrick told members of Council that he had advised the residents of the Ballentree Sub-Division, who had requested to be included in the extraterritorial boundary, to wait until the ordinance was adopted and then petition Council to amend the ordinance to coincide with their request. In order for Council to grant such a request, Mr. Emrick advised that Council would have to seek an amendment to the jurisdictional agreement between the Town of Biltmore Forest and the County of Buncombe. After this action had been approved by these governmental units, then the Council could act on the request of the residents of Ballentree Sub-Division.

Vice-Mayor Horton suggested a 15-day waiting period after the adoption of the ordinance to hear any person or group that might have a similar request concerning the 1 mile perimeter. He requested the Planning and Zoning Office to contact Mr. Coulter and advise him of the 15-day waiting period.

Mr. John Powell, Attorney representing the owner of the Manor Inn, requested the change of a Use District classification for the Manor Inn from R-2 Residential District to OI Office Institutional District.

Council advised Mr. Powell that they would not consider the reclassification of the Manor Inn property at this hearing. Further, acting upon the advice from Mr. William C. Moore, City Attorney, Vice-Mayor Horton advised that a public hearing would have to be scheduled for this specific request, thereby adhering to the established procedure for rezoning individual tracts of land.

Vice-Mayor Horton closed the public hearing at 4:42 o'clock p.m.

On a roll call vote of 5-0, the readoption of Ordinance No. 322, as amended, known as the Zoning Ordinance of the City of Asheville passed on its third and final reading.

Complete text of the readoption of Ordinance No. 322, as amended, will be found in Ordinance Book No. 7 at page 202.

PUBLIC HEARING SET - MANOR INN - REZONING REQUEST

Councilman Morris, agreeing with Vice-Mayor Horton's earlier statement, moved to schedule a public hearing relative to the rezoning request of the Manor Inn from R-2 Residential District to OI Office Institutional District for November 10, 1977. This motion was seconded by Councilman Michael and carried unanimously.

Councilman Michael requested Mr. Emrick to have the recommendation of the Planning and Zoning Commission ready for Council's review on November 3, 1977.

PUBLIC HEARING - REZONING - REQUESTED BY J. D. CAUDLE - MILDRED AVENUE

ORDINANCE NO. 990 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

6. A public hearing was held relative to rezoning property on Mildred Avenue from R-3 Residential District to CS Commercial Service District, requested by Mr. J. D. Caudle.

Vice-Mayor Horton opened the public hearing at 4:47 o'clock p.m.

ORDINANCE NO. 991 - AN ORDINANCE AMENDING THE CAPITAL PROJECTS AND ASHEVILLE-BUNCOMBE REVITALIZATION CAPITAL IMPROVEMENT FUND BUDGETS TO INCLUDE THE PACK SQUARE AREA REHABILITATION PROJECT

9. Consideration was given to an ordinance amending the Capital Projects and Asheville-Buncombe Revitalization Capital Improvement Fund Budgets to include the Pack Square Area Rehabilitation Project.

The City Manager read the ordinance and explained that the revenues are from the sale of the Biltmore Fire Station and other property in Biltmore which took place last week for a total of $65,000, which was unanticipated money for this fiscal year. He said the $10,000 additional funds came from the resolution just passed accepting Akzona's offer for sub-surface rights. He said the County has not yet appropriated the $40,900, but he has been given every indication that they will follow through with that next week.

Councilman Michael moved for the adoption of Ordinance No. 991. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 991 passed on its first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 991. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 991 passed on its second reading.

Councilman Michael again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 991. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 991 passed on its third and final reading.

Complete text of Ordinance No. 991 will be found in Ordinance Book No. 7 at page 199.

PUBLIC HEARING - CUL-DE-SAC OR THOROUGHFARE ON INGLEWOOD ROAD

10. A public hearing was held relative to a cul-de-sac or thoroughfare on Inglewood Road.

Vice-Mayor Horton opened the public hearing at 5:39 o'clock p.m.

The City Manager presented the advertised notice to the public setting the time and date of the public hearing and also presented the affidavit of publication.

Vice-Mayor Horton said that even though there is no staff recommendation on this, Council will still hear the residents' point-of-views relative to a cul-de-sac or thoroughfare on Inglewood Road.

Councilman Michael said that regardless of Council's decision on this matter, there would not be any City funds spent for doing either project.

dumping it onto the Court, which is unsatisfactory. He said Merrimon Place would need to be regraded to provide sufficient storm drainage or culverts in that area to handle the run-off from the existing as well as the proposed development. He said that the architects are working with the developer and the adjoining property owners to try to come up with something that is acceptable. In his opinion, he said unless this particular point could be addressed satisfactorily or some agreement reached by Council and all members concerned, then perhaps there should be a delay on any further deliberations.

Upon inquiry of Councilman Rainey, Mr. Emrick said that the regrading of Merrimon Place would be the City's responsibility.

Mr. Wolcott, Attorney representing American Court Motel, favors the development of The Asheville House, but feels that there should be a sufficient storm retention system and a storm sewer system laid in somewhere in the area of Merrimon Place or some other suitable place in order to move the water.

Councilwoman Swilling asked the City Manager to get an estimate of the cost for regrading Merrimon Place and the City's involvement in that area.

Mr. Robert Patterson, one of the developers of The Asheville House, stated that he was not sure whether the water run-off was the City's or the developer's problem.

Upon inquiry of Councilman Morris, Mr. Johnson, Chief Building Inspector, said that the project developers have not met the City's erosion control plan based upon information submitted thus far.

Councilman Michael suggested that the City Manager work with Mr. Johnson and the developers to try and point out what has to be done to correct the erosion control problem.

Councilwoman Swilling moved to continue the public hearing until October 13, 1977, at which time the City Manager can present some suitable alternatives relative to achieving a satisfactory erosion plan and storm drainage plan for the development. This motion was seconded by Councilman Michael and carried unanimously.

RESOLUTION NO. 77-166 - RESOLUTION AUTHORIZING THE SALE OF CERTAIN SUBSURFACE PORTIONS OF PROPERTY ON NORTH PACK SQUARE STREET PURSUANT TO N.C.G.S. 160A-269

8. Consideration was given to a resoultion authorizing the sale of certain subsurface portions of property on North Pack Square Street pursuant to N.C.G.S. 160A-269.

The City Manager read the resolution.

K. M. Michalove, City Manager, stated that legal notices requesting bids on the property had been published as required by the N.C.G.S. 160A-269. However, he said no further qualifying bids had been received and recommended that City Council approve the resolution authorizing the sale of certain subsurface portions of property on North Pack Square Street to Akzona, Incorporated.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 77-166 was unanimously adopted.

Complete text of Resolution No. 77-166 will be found in Resolution Book No. 10 at page 57.

Mrs. Eva Chandley, 28 Inglewood Road, spoke in favor of the thoroughfare by stressing the need for police and fire protection. She also said that City services such as those provided by the street and sanitation departments and the postal service, would be inconvenienced.

Mrs. Emmett Davis, 57 Inglewood Road, spoke in favor of the thoroughfare and asked that the road be widened.

Mr. & Mrs. H. H. Miles, 7 Stratford Road, opposed the closing of Inglewood Road by stating the inconveniences it would be to them and the residents in the area.

Mrs. Sally Boothroyd, 5 Inglewood Road, said that if Inglewood Road was widened, her house would be very close to the street, so she is in favor of a cul-de-sac.

Mr. George Saenger presented the City Manager with a petition which was signed by approximately 360 citizens opposing the cul-de-sac.

The City Manager said he will prepare a report which will contain a traffic and various recommendations from the City staff for Council's review at next week's meeting.

In response to Councilman Rainey's question as to whether exact figures could be obtained from the petitions received of the residents wanting a cul-de-sac and of those wanting a thoroughfare, Mr. Michalove said that the petitions because of some residents calling and requesting that their name be removed or placed on another petition.

Councilman Rainey said that the "No Thru Trucks" sign should be enforced on Inglewood Road.

Vice-Mayor Horton closed the public hearing at 6:46 o'clock p.m.

Vice-Mayor Horton requested that all Council members be present when a decision is made on the Inglewood Road issue. He also requested the City Manager provide Council with staff recommendations on the matter.

Councilman Michael said he believed this is a residential problem concerning residents in the area, not a problem that staff can solve by their recommendations.

Council directed Mr. Michalove to prepare a resolution closing Inglewood Road so it would be available should Council decide to approve a cul-de-sac for the street.

Councilman Rainey asked for the facts relative to the Fire Department getting two trucks on Inglewood Road if there is a cul-de-sac and what the time factor would be as a result of a cul-de-sac, on getting a fire truck to the street.

Councilwoman Swilling requested the City Manager to obtain information on the following:

1. The right-of-way and width of Inglewood Road.
2. The City departments requiring use of Inglewood Road to provide necessary City services to the area.
3. The number of school buses routed via Inglewood Road.
4. The condition of the culvert at the end of Inglewood Road.

Mrs. Lucia Ward, 48 Inglewood Road, spoke in favor of a cul-de-sac saying that the residents would be subject to noise, heavy traffic and racing if a thoroughfare remains.

Mr. Edwin Boothroyd, 5 Inglewood Road, spoke in favor of a cul-de-sac saying that if a bridge over Beaverdam Creek was ever temporarily impassable, residents of the area would always have an alternate route even if a cul-de-sac was put in. He said if a cul-de-sac was installed, there would be a reduction in bridge traffic, thereby extending the life of the bridge. He suggested that a study be made to enlarge the culvert to better accommodate water flow under the road and to lessen the possibility of debris accumulating there.

Mrs. Edward Schlaefer, 47 Inglewood Road, spoke in favor of a cul-de-sac saying that families are moving onto the street with young children.

Mrs. Judy Schlaefer read a letter from Mrs. Sally Boothroyd who was in favor of a cul-de-sac saying that vandalism would be cut down, traffic could be controlled, homes would be safer while owners are on vacation, working couples would feel safer and the neighborhood could watch and identify who was walking or driving through the area.

Mr. Alan Neilson, 1 Inglewood Road, said that if a cul-de-sac was put in, there would be less traffic, and better litter and vandalism control. It was also his opinion that the street is too narrow for through traffic.

Mr. Ed Schlaefer, 47 Inglewood Road, was concerned for the safety of the children on the street and the fact that the road is very narrow. He said it would cost approximately $34,700 to widen Inglewood Road to standard width if was left open as a thoroughfare.

Mr. George Saenger, Attorney representing the citizens that want to keep Inglewood Road open as a thoroughfare, said that all residents, not just the residents on Inglewood Road, should be considered in determining what the effect would be if the road was closed. By use of a map, Mr. Saenger outlined the routes the residents in the area would have to take, which would be a hardship, if Inglewood Road was made into a cul-de-sac.

Mr. Ray Hapke, 9 Inglewood Road, spoke in favor of a thoroughfare saying that if the road is closed and if an emergency situation arises, there will be only one access into the road which could be hazardous.

Mr. Ben McKenzie, 25 Summerhill Drive, spoke in favor of leaving Inglewood Road open for the convenience of residents of the area.

Mr. Mort Cohn, 161 Windsor Road, spoke in favor of keeping Inglewood Road open. He said it would be a big inconvenience to doctors as well as residents in the area if the road was closed.

Mr. Emmett Davis, 57 Inglewood Road, spoke in favor of leaving Inglewood Road open as a thoroughfare. He read a letter from Bill Duckworth which said that if Inglewood Road were a dead-end street, residents would have a circuitous drive to reach the Country Club.

Mrs. Ruth Johnson, 24 Inglewood Road, spoke in favor of leaving Inglewood Road open as a thoroughfare, becuase she prefers people driving through the street.

EVENT EXPENSES:

Admissions attendant	$ 10.00
Skate room rental attendant	10.00
Door guards (2)	20.00
Policemen (2)	40.00
Skate floor manager	25.00
Janitor	10.00
Nurse	15.00
Utilities cost	50.00
Concessions cost	45.00
	$225.00

EVENT INCOME:

Admission	$1.50
Skate renter	.75
Concessions	.70
	$2.95

200 persons per session x $2.95 = $590.00
2 sessions = $1,180.00

Mr. Ralph Bishop said he was opposed to the City of Asheville competing with a free enterprise system in the City of Asheville.

Mr. Carl Henderson, Owner of Skateland Roller Rink, said that he turned down the co-hosting of the Civic Center Roller Rink for many reasons, some being the type of skates the Civic Center will purchase and the inadequate purchase of skates. After all his considerations, he said that the expenditure that his roller rink would invest would not be a worthwhile investment.

Mr. Henderson listed ten (10) reasons why he felt the skates that the Civic Center was purchasing were inadequate.

Mr. John Jerose, member of the Civic Center Commission, said that Mr. Ray Kisiah, Director of Parks and Recreation, presented the Civic Center Commission with a request for skating facilities as a part of the City's recreational program. Mr. Jerose stated that there is no recreational facility of this type in the center of Asheville. He said that the Commission is trying to seek new programs and utilize the building as much as possible.

Councilman Michael said the question before Council is whether to buy skates or not, and if the Civic Center Commission wants to operate a facility of this type, then the Commission should make this decision.

Upon inquiry of Councilwoman Swilling, Mr. W. C. Moore said that the Civic Center would have to be insured for this type of activity.

Mr. Jerose said that the skating will be scheduled around other events as much as possible.

Upon inquiry of Councilman Rainey relative to the surface being slippery after a night of skating, Mr. Jerose said that the sealer the Civic Center will use is not a glossy type material and, therefore, should not be slippery to shoes.

5. Any formal proposals for widening Inglewood Road to normal subdivision standards and the cost for same.

Vice-Mayor Horton called a five (5) minute recess at 7:10 o'clock p.m. The meeting reconvened at 7:15 o'clock p.m.

BIDS - ROLLER SKATES FOR USE AT THE ASHEVILLE CIVIC CENTER

11. Consideration was given to bids received September 19, 1977 for roller skates for use at the Asheville Civic Center.

The City Manager read a memorandum from the Purchasing Agent which said that six (6) responsive bids had been received and recommended the acceptance of the low bid, submitted by Johnny Jones, Jr. in the amount of $7,959. He also read the following letter dated October 4, 1977, from James M. Evans, Civic Center Manager:

"At the October 3rd meeting of the Asheville Area Civic Center Commission, the Commission unanimously approved the following motion:

> That the Commission reaffirm its stand on roller skating now that any objections have been fully investigated and covered by the Commission and that the Commission ask the City Manager to place the purchase of the roller skates on the agenda at the next meeting of the Asheville City Council.

The Civic Center Management has checked into the quality of the roller skates as bid and find that our initial thoughts are correct. The roller skates are a middle line type of shoe and a middle line type of wheel. It was recommended to us by the Chicago Roller Skating Company that we supply this type of skate because of our infrequent use as compared to a full time roller skating rink. A second reason for buying this type of skate is that we do not wish to make any larger type of investment than is necessary due to the unknows involved in this promotion. Our investigation shows that these roller skates are perfectly safe and there is no danger of injury due to the skates. There is no higher risk of the ball bearings falling out than on a more expensive skate. Our reasoning for the number of skates to be purchased is also with the intention of keeping our investment at a minimum. Should the roller skating demand exceed our expectations, it could justify the purchase of additional skates which can be delivered within ten days. However, I feel it would be foolish for us to purchase 500 or 600 pairs with the unknowns we are now looking at.

Attached is a copy of our estimated expenses and income upon which we are basing our roller skating promotion."

ATTACHMENT

PROPOSED PUBLIC ROLLER SKATING PROMOTION
ASHEVILLE CIVIC CENTER

INITIAL EXPENSES:

60 pairs of juvenile roller skates	25.50	$ 1,530.00
240 parks of adult roller skates	29.40	7,056.00
30 gallons of concrete surface sealer	8.50	255.00
Materials for skate storage racks		250.00
Carpet for fringe and access areas		200.00
Initial promotion		1,000.00
		$10,291.00

amount from the Contingency Line Item of the General Capital Projects Fund to the Contributions to Other Funds Line Item in the Aviation Fund. The State would participate by paying a matching $12,500 and the federal government paying the balance of $225,000.

Councilman Michael pointed out that $15,000 had already been spent and billed to the City for a survey conducted by Talbert and Cox Associates, which had not been appropriated by City Council nor included in the Airport's budget request for this fiscal year. He said the City owes Talbert and Cox the $15,000 regardless of whether or not Council approves the plan for repairs and improvements to the FBO ramp.

Mr. U. Gary Taylor, Airport Director, explained how the survey was authorized. He said that in November of 1976, after the FAA made their inspection and requested that the City do something about the FBO ramp, he consulted with Mr. Ernest J. Ward, the City Manager at that time. Mr. Ward told him that there was a possibility of the City being able to get 100% funding for this project through the Public Works Funds and directed him to check with Mr. Verl Emrick and Mr. Marvin Vierra of the Planning Department on applying for these funds. Mr. Emrick and Mr. Vierra indicated to Mr. Taylor that he would have to have a cost and engineering figure before the City could apply for these funds. When he reported this fact to Mr. Ward, Mr. Taylor said that Mr. Ward directed him to have Talbert and Cox Associates do the necessary survey to obtain the cost and engineering figures.

When the survey had been completed by Talbert and Cox, Mr. Taylor said that he worked with the Planning Director to submit an application for funding, but was advised that because of the lateness of the application, the City would have to resubmit it for consideration in about six (6) months. In between this time, the bill was received from Talbert and Cox for the survey, and Mr. Taylor said that neither he nor Mr. Ward were aware that the survey would cost $15,000.

Upon inquiry of Councilman Michael relative to why the survey cost $15,000, Mr. Taylor said Talbert and Cox had advised him that they had no way of knowing what the cost would be until the survey had been completed determining the extent of damages to the ramp. Mr. Taylor also advised that Talbert and Cox would provide the necessary engineering services until the improvements to the ramp were complete at no additional cost to the City. This service, he said, was provided for in the $15,000.

Councilman Michael said that the lease with the FBO relative to parking should be updated so that the City would not lose revenue.

Upon inquiry of Councilman Rainey, Councilman Michael said that according to the lease with the FBO, the FBO is responsible for the planes on the dimensions of the areas under his lease.

Councilwoman Swilling suggested that the City receive a written statement saying that the FBO will pay $6,250 for the City's share of this project, and then amend the ordinance to reflect this change on the second reading.

Councilman Michael moved for the adoption of Ordinance No. 992. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 992 passed on its first reading.

RESOLUTION NO. 77-167 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT WITH THE BUNCOMBE COUNTY BOARD OF EDUCATION PERMITTING THE CITY OF ASHEVILLE TO DEMOLISH A PORTION OF THE SHILOH SCHOOL

Councilwoman Swilling requested the City Manager to obtain, at some later date, a breakdown of promotional activities at the Civic Center showing appropriations and expenditures.

Mr. Michalove said that the Civic Center Commission considers the promotion of the roller skating activity as part of the authority they received from City Council to establish new activities.

Mr. Nick Peterson, Owner of Space Mission Amusement Center, pointed out that there are few people out during the week nights. It was his opinion that the Civic Center skating facilities would not benefit anyone.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to Johnny Jones, Jr. in the amount of $7,959. This motion was seconded by Councilman Hoyle and carried on a 4-1 vote, with Councilman Rainey voting "no."

Councilman Rainey said his reason for voting against this bid was because he felt the City government should not be in competition with a private entrepreneur. He said he cannot see government entering this type of business activity. He said if the City gets into a private business sector, the City would run the risk of loss. He said that there is no budget to promote and advertise the dates and the time the rink will be open for skating.

Councilwoman Swilling agreed with Councilman Rainey, but said because there is a need in Asheville for this type of facility, she is in favor of the bid.

Councilwoman Swilling said that the rate of $2.95 is steep for a week night but is willing to try and see if it works.

MRS. MONTGOMERY - OBSCENE MAGAZINES

Mrs. Montgomery, who lives in the Riceville area, appealed to Council for help regarding obscene literature being distributed in her area.

Vice-Mayor Horton urged her to contact District Attorney Bob Fisher, whose responsibility it is to enforce the State Statutes that was passed and effective August 1, 1977, and inform him of these incidents.

ORDINANCE NO. 992 - AN ORDINANCE AMENDING THE GENERAL CAPITAL PROJECTS AND OPERATING BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

12. Consideration was given to an ordinance amending the General Capital Projects and Operating Budget for the City of Asheville for Fiscal Year 1977-78.

The City Manager read the ordinance and explained that this was a request that the City had considered in the initial run of the General Fund Budget for this fiscal year. He said at the time it was considered, it was deleted from the budget. He said since that time, more information had been received and he felt it would be in the best of the City to go ahead and request funds from the federal and state governments to enlarge and repave the FBO ramp at the Asheville Airport.

He said the total cost for the project would be $250,000 and that the FAA and the N. C. Department of Transportation would pay 95% of that amount. The total cost to the City would be $12,500, which would be appropriated by transferring this

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 993. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 993 passed on its third and final reading.

Complete text of Ordinance No. 993 will be found in Ordinance Book No. 7 at page 201.

PUBLIC HEARING SCHEDULED - REZONING - GREEN HILL AVENUE - REQUESTED BY WEST ASHEVILLE MEDICAL CENTER AND WESTERN FOOD SYSTEMS, INC.

16. The City Manager read a letter from the Planning and Zoning Commission relative to rezoning property on Green Hill Avenue from R-3 Residential District to CH Commercial Highway District, requested by West Asheville Medical Center and Western Food Systems, Inc.

Councilman Morris moved to schedule a public hearing on the matter for November 3, 1977. This motion was seconded by Councilman Michael and carried unanimously.

PROCLAMATION - FRENCH BROAD RIVER AWARENESS WEEK

Vice-Mayor Horton proclaimed the week of October 9-15, 1977 as "French Broad River Awareness Week."

ANNOUNCEMENT - PUBLIC HEARING SET BY THE DEPARTMENT OF HEW - NATIONAL HEALTH INSURANCE

The City Manager announced that a public hearing will be held on Wednesday, October 12, 1977, at the U. S. District Court Building in Asheville to obtain citizen views and comments on National Health Insurance.

PROCLAMATION - NATIONAL HOBBY MONTH

Vice-Mayor Horton proclaimed the month of October as "National Hobby Month."

PROCLAMATION - NATIONAL FIRE PREVENTION WEEK IN ASHEVILLE

Vice-Mayor Horton proclaimed the week of October 9-15, 1977 as "National Fire Prevention Week in Asheville."

PRIMARY ELECTION FOR CITY COUNCIL

The City Manager submitted as a matter of information the Abstract of Votes cast at the primary election for City Council members on September 27, 1977, which was transmitted to him from the Buncombe County Board of Elections.

The abstract is placed in the minutes for the record on the following page.

13. Consideration was given to a resolution authorizing the Mayor to sign an agreement with the Buncombe County Board of Education permitting the City of Asheville to demolish a portion of the Shiloh School.

The City Manager read the resolution.

K. M. Michalove explained that the Buncombe County Board of Education passed the following motion at their meeting on August 18, 1977:

> "That the Superintendent forward the agreement between the City of Asheville and the Buncombe County Board of Education to the appropriate office for execution by the City of Asheville prior to approving or demolition of the existing building."

Upon motion of Councilwoman Swilling, seconded by Councilman Michael, Resolution No. 77-167 was unanimously adopted.

Complete text of Resolution No. 77-167 will be found in Resolution Book No. 7 at page 59.

RESOLUTION NO. 77-168 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF COMMERCE, ENERGY DIVISION, FOR A TRANSIT MARKETING PROGRAM

14. Consideration was given to a resolution authorizing the Mayor to execute an agreement with the North Carolina Department of Commerce, Energy Division, for a transit marketing program.

The City Manager read the resolution and explained that this is a 100% grant for a transit marketing program in cooperation with the Transit Authority.

Upon motion of Councilwoman Swilling, seconded by Councilman Hoyle, Resolution No. 77-168 was unanimously adopted.

Complete text of Resolution No. 77-168 will be found in Resolution Book No. 7 at page 60.

ORDINANCE NO. 993 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

15. Consideration was given to an ordinance amending the Operating Budget of the City of Asheville for Fiscal Year 1977-78 (funds for the Audit and Evaluation Division).

The City Manager read the ordinance and explained that this division was established by Resolution No. 139 and was not included in the Fiscal Year 1977-78 Operating Budget.

Councilwoman Swilling moved for the adoption of Ordinance No. 993. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 993 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 993. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 993 passed on its second reading.

HIGH COUNTRY CRAFTERS, INC.

The City Manager received a letter from High Country Crafters, Inc. requesting use of the sidewalk for an art and craft fair called the "Falling Leaf Festival" on the sidewalks at the intersection of Haywood Street. The festival will be held between the hours of 10:00 o'clock a.m. and 5:30 p.m. on October 13-15, 1977, in front of the Ivey's building and the vacant Red Cross Shoe Store. He said that one end of the fair will be at Penney's and will extend up Haywood Street to the Civic Center.

Councilwoman Swilling moved to approve High Country Crafters, Inc.'s request. This motion was seconded by Councilman Michael and carried unanimously.

REPORT - SENIOR OPPORTUNITY CENTER VEHICLE

The City Manager said that $17,500 had been appropriated for a van for the Senior Opportunity Center. He said that a 12-passenger van would cost approximately $9,000 complete, but without wheelchair adapters. He said that a 48-passenger bus that could be adapted to the use of 18 adults and 2 wheelchairs would cost approximately $18,000. He said the van is more in line with what the participants of the Senior Opportunity Center prefer.

Councilman Rainey moved to purchase the 12-passenger van for the Senior Opportunity Center. This motion was seconded by Councilman Michael and carried unanimously.

Upon inquiry of Vice-Mayor Horton as to the use of the old van, Mr. Michalove said that Mr. Jim Parris, Superintendent of Motor Transport, said there was still some use to it.

CITY MANAGER REPORT - MRS. NOBLETT - 15 MCINTOSH ROAD

The City Manager presented Council with material relative to Mrs. Noblett's drainage problem.

By mutual consent of Council, the City Manager was instructed to draw up a resolution which would state Mrs. Noblett's problem, the recommendation that there be some stabilization at the creek bank in the area where there is a problem of erosion, that the storm drain on the east side of McIntosh Road be cleared out from Haw Creek Road down to the creek so that the water will run that way, and also the bridge which is crossing McIntosh Road, which is Haw Creek, can be brought to the condition that it will not cause flooding onto Mrs. Noblett's property by build up of debris and trash.

CITY MANAGER REPORT - MR. BOHANNAN - 75 MACON AVENUE

The City Manager said that the drainage problem of Mr. Bohannan was delayed due to legal problems, but now that the City's responsibility has been determined, the City will move ahead with the work as soon as a right-of-way has been obtained from adjoining property owners.

REQUEST BY COUNCILMAN RAINEY

Councilman Rainey requested that copies of the memorandum sent to him from the City Manager regarding drainage problems of Mr. John Q. Shell and Mr. John Johnston, 184 and 186 Country Club Road, be distributed to Council members.

Adjournment.

Bill B. Horton
VICE-MAYOR

Miriam S. Moriarty
CITY CLERK

STATE OF NORTH CAROLINA—BUNCOMBE COUNTY—PRIMARY ELECTION, CITY OF ASHEVILLE, SEPTEMBER 27, 1977

The County Board of Elections for said county, having opened, canvassed and judicially determined the original returns of the Primary Election, City of Asheville in th several precincts in this city, held as above stated, we do certify that the above is a true abstract hereof, and contains the number of legal votes cast in each precinct, accordi to the returns made to said Board, for the Primary Election.

This 29th day of September, 1977.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed official seal, this 29th day of September, 1977.

Laura E. Goodrich (Seal)

My commission expires June 12, 1980

William D. Kelly Chairman

Beverly Williams Secretary

Mrs. Jane K. Young Member

Buncombe County Board of Elections

for any damages in the future. Any damages occurring after the work had been done by the City, he said would be the responsibility of the property owner. Vice-Mayor Horton suggested amending the resolution to include a sentence relative to the property owner giving written permission and signing a valid release for any future liability.

Councilman Hoyle suggested studying agreements used by Carolina Power and Light Company or Southern Bell Telephone Company on rights-of-way to come up with a suitable agreement stating the City's liability.

It was Councilman Rainey's opinion that the City should not shut their eyes to private citizens problems which are brought about by development in which they have no control over. He said that the City would lose tax base if they overlook these problems, but suggested that the affected property owner pay for the required materials to make the improvements since this would improve their property.

Councilwoman Swilling said she believed Mrs. Noblett's drainage problems began after the City replaced the bridge on McIntosh Road. She said the City's involvement in doing this justifies a degree of continued involvement by the City.

Mr. Michalove said that he had a memorandum from Clark Brown, Superintendent of Streets, in which Mr. Brown stated that the bridge the City replaced is not the cause of Mrs. Noblett's problem.

Councilman Morris pointed out that the City should develop a policy on involvement in these types of problems, but that the policy should not be dictated by this particular problem.

Mr. Michalove reviewed Mrs. Noblett's letter of April 14, 1977, in which she stated that "the County has allowed Nixon Terrace, Rolling Greens, Happy Valley and annex and the new Haw Creek Elementary School to be built and all the drainage to be emptied into the creek."

Councilwoman Swilling withdrew her motion to adopt the resolution and Councilman Rainey withdrew his second to the motion.

It was the consensus of Council to table the resolution until the next meeting so that Mr. Michalove could talk with Buncombe County officials and see if they would be willing to share the responsibility and contribute funds toward the necessary improvements.

CITY MANAGER'S REPORT - INGLEWOOD ROAD - CUL-DE-SAC OR THOROUGHFARE

3. The City Manager reviewed some of the staff opinions relative to a cul-de-sac or thoroughfare on Inglewood Road. He said Acting Chief of Police Trulove recommended leaving Inglewood Road as a thoroughfare because it would take less time to answer an emergency call.

Mr. Clark Brown, Superintendent of Streets, submitted the following information:

Inglewood Road

Maximum Usable Width	Minimum Usable Width
18.0 feet	16.0 feet

Traffic Load - 425 vehicles, 24 hours - 1977 Count

Thursday - October 13, 1977 - 4:00 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr.; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Corporation Council William C. Moore

Absent: None

INVOCATION

Prior to the opening of the October 13, 1977 meeting of the City Council, Mayor Ochsenreiter requested Rev. Wilbur Groce, Pastor of the Asheville Wesleyan Church, to give the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 6, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, the minutes of the October 6, 1977 meeting were approved as submitted.

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING DRAINAGE IMPROVEMENTS ON MCINTOSH ROAD

2. Consideration was given to a resolution authorizing drainage improvements on McIntosh Road.

Mr. Michalove said that he had distributed copies of his report on the drainage problem of Mrs. C. A. Noblett, McIntosh Road, to members of City Council. He expressed hope that some relief could be given to Mrs. Noblett on this very difficult problem. He said that several staff hours had been spent in trying to come up with some action that might be undertaken to improve the drainage problem. He pointed out that there are numerous such drainage problems throughout the City and that Council should be cautious about setting a precedent in such matters.

City Manager K. M. Michalove read the resolution which he said had been prepared at the request of City Council and provided for the following work to be done:

1. Replace the twin culverts and bridge with an open span bridge and provide streambank stabilization and channel alterations within the City right-of-way on McIntosh Road.

2. Provide streambank stabilization and channel alterations for approximately fifty (50) yards downstream from the bridge off City right-of-way.

3. Clear the storm drainage culvert on the east side of McIntosh Road off City right-of-way.

Councilwoman Swilling moved for the adoption of the resolution. This motion was seconded by Councilman Rainey.

Upon inquiry of Vice-Mayor Horton relative to a type of agreement that could be drawn up where the City would not be liable for damages as a result of the City doing work on private property, Mr. William C. Moore, City Attorney, said that a release could be drawn up stating what work the City will do and that the City will not be liable

Councilman Michael requested that the City Manager obtain a map from Talbert Cox and Associates, the engineering firm doing the survey, showing the location of buildings at the Asheville Flying Service. If the $250,000 is going to be appropriated, he said the City should know what the money is appropriated for, what the total area is, and what work is to be done for that amount.

Councilman Michael also said that he would like to have a more complete description of the tie down spaces, what the City's liability is pertaining to planes that are tied down on City of Asheville property and if they are insured.

The City Manager read a letter from Mr. O. D. Griffin, Jr., President of A & H Flying Service, Inc. which stated: "It is agreed that A & H Flying Service, Inc. will share the City of Asheville's five percent (5%) cost of enlarging and reworking the present ramp at the FBO, not to exceed $6,250." Mr. Michalove said that this would reduce the City's participation to $6,250 for this project.

Mr. Michalove said that Mr. U. Gary Taylor, Director of Aviation, would be present for the third reading of the ordinance, and that he would also have the map and detailed specifications on what will be done.

ORDINANCE NO. 977 - AN ORDINANCE AMENDING ORDINANCE GRANTING FRANCHISE TO THOMS BROADCASTING COMPANIES, INC.

5. Consideration was given to the second reading of Ordinance No. 977, an ordinance amending ordinance granting franchise to Thoms Broadcasting Companies, Inc. (regarding cable television rate increase).

Mr. Max Cogburn, Attorney representing Thoms Broadcasting Companies, Inc., said that on August 25, 1977 Thoms Broadcasting Companies, Inc. made an application to the City Council for a rate increase and requested that the ordinance granting the franchise be amended to increase the monthly service charge to $8.50. Additionally, Thoms Broadcasting Companies, Inc. proposed that there be a change made in the language of the franchise with reference to the fixing of rates. He said the present franchise ordinance provides that the rates and adjustments in the rates are to be tied to the average of rates charged by cities and towns having approximately the same population as the City of Asheville. He said the topographical circumstances and other factors in this particular area were worthy of consideration. He pointed out that the General Statutes state that cable television companies are public utilities and should be able to earn a fair rate of return.

Mr. Cogburn said that an audited financial statement had been prepared and was distributed to Council on August 25, 1977 which he feels justifies Thoms Broadcasting Companies, Inc. request for a rate increase.

Councilman Michael said that he had been asked by residents why they have to pay an amount to get cablevision in their area and then pay the installation charge also. He believed that the service should be offered to all citizens and that the company should ask for an increase to cover that service.

Mr. Cogburn reviewed the construction projects of 1976 and the proposed projects of 1977.

Mr. Michalove read from Ordinance No. 877, which was effective April 2, 1976:

"The City Council may increase or decrease the rates charged, after satisfactory proof each year, by the amount that the national average has increased or decreased, during said previous year, above or below, the base charge as hereinafter set forth and identified as monthly service charge; said national average shall be

Ottari Road

Maximum Usable Width	Minimum Usable Width
18.0 feet	17.8 feet

Traffic Load - 1,741 vehicles, 24 hours - 1977 Count

Mr. Brown's memorandum said that the effect of cul-de-sac vs open street would be minimal so far as Street Department activities are concerned and that there would only be a slight inconvenience in the snow and ice control, by having to double back on Inglewood Road if the cul-de-sac was installed.

Mr. Michalove said that because there would be an increase in traffic on Inglewood Road, the City might have to consider widening and repaving the street. He said the cost for upgrading the road and improvements could range from $20,000 to $25,000.

Mr. Michalove said that the culvert under Inglewood Road at Elk Mountain Scenic Highway appears to be adequate to carry the storm water loads imposed upon it. He said the invert or flow area of the culvert does show deterioration from oxidation and this could shorten the life of the structure to possibly eight to ten more years.

Mr. Bill Swearngan, Audit and Evaluation Division, had submitted a report on school buses routed via Inglewood Road. Mr. Swearngan said in his report that Mr. Lance, Assistant Superintendent of City Schools, stated that if a cul-de-sac was installed, buses would not go up Inglewood Road, but that children would be picked up at the Elk Mountain or Windsor Road stops. According to Mr. Swearngan's personal contacts, he reported that thirteen (13) residents were for the cul-de-sac, one (1) was neutral and eight (8) were for a through street.

Chief Ball, Fire Department, reported to Mr. Michalove that he would not have any problem with getting a fire truck into the area if there was a cul-de-sac. Mr. Michalove said Chief Ball also indicated that a through street would be better if he had a choice.

Mr. Michalove said that in checking with the other departments and divisions, the City doesn't find any handicap if a cul-de-sac were installed, but that they prefer a through street.

Councilwoman Swilling moved to delay action until the next meeting so that members of Council can review the staff recommendations along with the resident's preferences. This motion was seconded by Councilman Hoyle and carried on a 5-1 vote, with Councilman Michael voting "no."

Mrs. Lucia Ward, 48 Inglewood Road, said it was her belief that the traffic count was incorrect and not valid.

Councilwoman Swilling was excused from the meeting at 4:52 o'clock p.m.

ORDINANCE NO. 992 - AN ORDINANCE AMENDING THE GENERAL CAPITAL PROJECTS AND OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

4. Consideration was given to the second reading of Ordinance No. 992, an ordinance amending the General Capital Projects and Operating Budget of the City of Asheville for Fiscal Year 1977-78 (regarding repaving and repairing the Fixed Base Operation Ramp at the Asheville Airport).

On a roll call vote of 5-0, Ordinance No. 992 passed on its second reading.

Mr. Michalove said that it appears that the high monthly cost ($1,600 per month) for leasing relatively the same amount of land, that was leased before, is rather high, and if that much is going to be paid out of the Cable Television Division, then is should be bought.

Mr. J. Donald Williams who prepared the Thoms Cablevision Rate Increase Application reviewed the items Mr. Michalove had brought up and said that there has to be a determination as to a fair rate of return that Thoms Cablevision is entitled to; otherwise, the company will not be able to install the additional miles of cables necessary to complete the system and make it profitable and viable, and give the people who want to subscribe the kind of service they should receive.

Councilman Rainey said that he could not support an increase of $8.50. He said that one valid complaint he has heard from residents is that only this past August subscribers have received the service of two additional stations that was promised when Thoms was granted their last increase by Council. He said that the expense of expansion should be born by new customers. He said there should be some assumption that there will be an increase in customers. He said that he could not support the 42¢ increase either as he felt this was a lag in inflation. He felt that somewhere between 42¢ and the $1.50 would be appropriate.

Councilman Rainey suggested one approach to this problem would be a rate increase of $1.00, which would bring the figure up to $8.00, with the provision that Council will work out a formula to take politics out of this business transaction in the next 18 months. He said the customers would then be assured that the rate would not go up again for 18 months.

Councilman Rainey suggested to continue the present rate of $7.00 for the present customers until Jan. 1st (or some date to be agreed upon) and charge new customers coming onto the line $8.50. He said after the date set, all the old customers would be then increased to the $8.50, which would allow the present customers the use of the 2 additional stations for an extra length of time.

Councilman Rainey requested that a regulatory commission be set up during the 18-month period to establish a formula to apply to rate increases. The commission would also hear rate increase requests so that the Council would not have to spend so much time on the requests in the future.

Vice-Mayor Horton pointed out that based on the ordinance as it now reads on the books, Council cannot increase the rates beyond 42¢.

The City Manager said that it was his understanding that Council would have to go at least to the national average, but could not go over.

Mr. Michalove suggested that the cable television division be separated from all other Thoms Broadcasting activities.

Mr. Michalove suggested that a third party be organized to regulate the company, which is considered a public utility. He also said that Thoms should submit a five-year plan to show what future development the company plans to undertake. He said that the City should also require that any new services that would affect the rates in the future come before Council before the fact instead of after the fact.

Mr. Jerose said he believed that Thoms Cablevision could not charge one rate to one person and another rate to another person within the same franchise area.

determined by ascertaining the rates as charged by CATV systems in cities and towns having approximately the same population as the City of Asheville; and that the City Council of the City of Asheville, upon satisfactory proof, must increase said rates at least three years to insure maintenance of at lease the national average."

Mr. Michalove said that according to that ordinance, the City Council could consider giving a rate increase of 42¢ at this time. He said that according to his understanding of the franchise, it was granted by a vote of the citizens of Asheville on the basis of a rate structure that was geared to the appropriate national average rates and not on the basis of percentage which would yield a fair rate of return on investment to the stockholders. He said the new language of Ordinance No. 877 changed the original concept of a rate structure from equal to the national average to a rate structure which was an amount the national average has increased or decreased above or below the base charge. Stating an example, Mr. Michalove explained that there is a 57¢ difference between the national rates and the present formula, thus the ordinance passed in April of 1976 gives Thoms Cablevision a 57¢ advantage over the method the franchise was originally given.

He said, in his opinion, the following items in relation to the fair rate of return on investment should be considered:

1. Any inter-company activities;

2. Salaries paid;

3. Tax incentives;

4. Inter-company shared services;

5. Inter-company rental releases; and

6. Any other item that might fall into these categories.

He pointed out a further difference between the family-owned company and a large public utility and that is there is normally a clear separation of stockholders, policy board and day-to-day administration. However, in this type of corporation, there is not very much difference in separation of activities.

Mr. Michalove suggested that Council approve a 42¢ increase to be used for construction, and even better, to finance long-term borrowing for construction. He said that Thoms Cablevision has been using their annual earnings to finance capital construction costs. He said that it appears that they should be borrowing money from a bank or from the parent company and paying that back over a long period of time. He said that if this method was used, the money may go further for capital construction and more capital construction could be done. He said it would also spread the cost to the consumer as far as increases in rates.

Mr. Michalove said that Thoms Cablevision was paying $600 per year to lease about 4 acres on Rich Knob where the receiving tower stands.

Mr. Jerose, Vice-President and General Manager of Thoms Cablevision, explained that banks were reluctant to loan money on undeveloped property, which Thoms Cablevision needed on the mountain. He said that the parent company was forced to purchase 88 acres on the mountain because the party from which Thoms was renting was not going to continue the contract.

ORDINANCE NO. 990 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

6. Consideration was given to the second reading of Ordinance No. 990, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (rezoning property on Mildred Avenue requested by J. D. Caudle).

On a roll call vote of 4-0, Ordinance No. 990 passed on its second reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the third and final reading of Ordinance No. 990. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 990 passed on its third and final reading.

Complete text of Ordinance No. 990 will be found in Ordinance Book No. 7 at page 198.

PUBLIC HEARING - REZONING - REQUESTED BY MS. EVELYN K. NESS - STONER ROAD

ORDINANCE NO. 994 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

7. A public hearing was held relative to rezoning property on Stoner Road from R-3 Residential District to HI Heavy Industrial District, requested by Ms. Evelyn K. Ness.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and presented the affidavit of publication.

Mayor Ochsenreiter opened the public hearing at 6:48 o'clock p.m.

Mr. Verl Emrick advised Council that the Planning and Zoning Commission recommended approval of the rezoning request for the following reasons:

1. The property is adequate in size to accommodate the proposed use, which is a warehouse;

2. Existing land uses to the north and west are predominately industrial; and

3. Due to the close proximity of the site to existing industrial development and the Southern Railway, the property is, in the staff's opinion, undesirable for future residential development.

Mayor Ochsenreiter closed the public hearing at 6:52 o'clock p.m.

The City Manager read the ordinance.

Councilman Morris moved for the adoption of Ordinance No. 994. This motion was seconded by Councilman Hoyle.

On a roll call vote of 4-0, Ordinance No. 994 passed on its first reading.

Mr. Jerose said that Thoms would be satisfied with a $1.00 increase with no further increase for 18 months and that Thoms be allowed to come back to Council after the 18 month period with the same evidence and ask for a rate increase at that time to equal the cost of living for the prior 12 months.

Mr. Jerose feels that with this rate increase, the citizens will see the rate tend to stabilize over the next few years with the addition of subscribers.

Upon inquiry of Councilman Rainey, Mr. Jerose said that perhaps a lease-purchase arrangement on the land could be worked out between Thoms Cablevision and Thoms Broadcasting Companies, Inc.

Mayor Ochsenreiter said that before the third reading, Council would try to work out the differences and the different approaches.

Mayor Ochsenreiter requested the City Clerk to call the roll.

Prior to Mayor Ochsenreiter's announcement of the vote, Councilman Rainey moved that the vote be retaken. This motion was seconded by Councilman Hoyle and carried on a 4-1 vote, with Councilman Michael voting "no."

Mayor Ochsenreiter requested the City Clerk to again call the roll, after which he announced that Ordinance No. 977 had passed on the second reading with a 4-2 vote with Vice-Mayor Horton and Councilman Michael voting "no."

Councilman Rainey moved that an amendment be made to the ordinance based on the context of Council's disucssion relative to $8.00 for 18 months. This motion was seconded by Councilman Hoyle and carried on a 4-2 vote with Vice-Mayor Horton and Councilman Michael voting "no."

Mr. Michalove said that the item in the ordinance that deals with the rate calculation should be re-examined or eliminated.

Mayor Ochsenreiter called for a five (5) minute recess at 6:25 o'clock p.m. The meeting reconvened at 6:30 o'clock p.m.

Councilman Michael was excused from the meeting at 6:30 o'clock p.m.

MRS. MONTGOMERY - OBSCENE LITERATURE

Mrs. Montgomery appeared again before Council concerning obscene literature being thrown out in the Riceville area. She reported that she had met with Mr. Bob Fisher, District Attorney, and that he had advised her that if she could identify the persons throwing out the magazines, he would prosecute them to the full extent of the law. She said that most of the magazines could be bought at most drug stores, etc., and asked what was going to be done to stop this.

Vice-Mayor Horton said that the City should adopt a local ordinance that would supplement and work with the State Statute, which would also eliminate commercialization of obscene materials not covered under the State Statutes.

Councilman Rainey requested that the Gastonia ordinance be brought before Council in a work session.

Corporation Counsel William C. Moore suggested that Vice-Mayor Horton and himself meet with the District Attorney again and see what is being done in the way of enforcing the State Statute.

1. Most existing rental facilities of this type are presently located within Commercial Highway Districts and are permitted as retail uses;

2. The inclusion of storage facilities as an accessory use for truck rental activities is not, in the staff's opinion, in conflict with the established purpose of the Commercial Highway District; and

3. The amendment would apply only to the specific rental use mentioned; t h e r e f o r e, the District would not be subject to any and all types of warehousing or storage operations.

Mr. Bill Fulcher, a representative of U-Haul Company of W. N. C., explained that U-Haul Company of W. N. C. plans to purchase the existing Pepsi-Cola Bottling Company facility located on Swannanoa River Road in a Commercial Highway Zoning District if the permitted use section can be amended to accommodate their full range of services.

Mr. Fulcher explained that the U-Haul Company wants to provide an accessory service to accommodate families who are moving. This service, he said, would be to provide storage facilities of household items for these families until they are able to locate suitable housing.

Mayor Ochsenreiter closed the public hearing at 7:14 o'clock p.m.

Mayor Ochsenreiter said the ordinance would be prepared, reflecting the requested wording change, and presented for Council's consideration at the October 20, 1977 meeting.

PUBLIC HEARING SET - REZONING REQUEST - WACHOVIA BANK AND TRUST COMPANY - HAZEL MILL ROAD

10. Councilman Hoyle moved to schedule a public hearing on the rezoning request of Wachovia Bank and Trust Company to rezone property on Hazel Mill Road from R-3 Residential District to LI Light Industrial District for November 10, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

PUBLIC HEARING SET - REZONING REQUEST - MR. G. N. KOON - TUNNEL ROAD

11. Councilman Morris moved to schedule a public hearing on the rezoning request of Mr. G. N. Koon to rezone property on Tunnel Road from R-3 Residential District to CH Commercial Highway District and some property on Tunnel Road from CH Commercial Highway District to R-3 Residential District for November 10, 1977. This motion was seconded by Vice-Mayor Horton and carried unanimously.

BIDS - TWENTY-ONE (21) FOUR-DOOR POLICE-TYPE VEHICLES FOR THE ASHEVILLE POLICE DEPARTMENT

12. Consideration was given to bids received October 10, 1977 for twenty-one (21) four-door police-type vehicles for the Asheville Police Department.

The City Manager read a memorandum from the Purchasing Agent which stated that four (4) responsive bids were received and recommended the acceptance of the low bid, submitted by Apple Tree Chevrolet in the amount of $93,826.75.

Councilman Rainey moved to accept the recommendation of the Purchasing Agent and award the bid to Apple Tree Chevrolet in the amount of $93,826.75. This motion was seconded by Councilman Hoyle and carried unanimously.

MR. ROBERTSON - NOISE COMPLAINT

Mr. Robertson, a resident of Shorewood Drive, appeared before Council requesting relief from noise and disturbances of the peace occurring in the Shorewood Drive section.

Mr. Robertson stated that he had went through the various City departments seeking relief on this problem. He said that the Chief of Police had told him that he did not have sufficient manpower to patrol this area constantly.

Mr. Robertson explained that the problem is caused by approximately 1,000 youth gathering at Doc's Rock Shop and the Cosmic Ballroom, two popular discos for youth. He emphasized that he was not against the businesses or the youth patronizing them, but the things that were taking place after the businesses closed, such as screeching tires, screaming youth, blowing horns, breaking of bottles, sniffing glue, and smoking pot. All of this occurs, he said, in the vicinity of the Northland Shopping Center and the Grace Shopping Center.

Councilman Rainey suggested the possibility of requiring these type businesses to hire security police. He said that it had also been reported to him that some youth, old enough to buy beer, were buying beer from these places and carrying it outside to youth not old enough to buy it. This, he said, should be brought to the attention of the ABC Board.

Councilman Morris pointed out that the Police are not authorized to make arrests and enforce the laws on private property.

Mr. Robertson suggested that a meeting between the owners of the establishments, the tenants of the shopping centers, a representative of the Police Department, and the City Manager might be fruitful in working out a solution to this problem. If this does not work, Mr. Robertson said that he would get petitions or whatever it would take to declare these businesses a public nuisance and request Council to close them down.

Mayor Ochsenreiter requested the City Manager to investigate the matter and report back to Council on his recommendations for controlling the situation.

PUBLIC HEARING - WORDING AMENDMENT TO ZONING ORDINANCE NO. 322, PERMITTED USES IN COMMERCIAL HIGHWAY DISTRICT

9. A public hearing was held for a wording amendment to Zoning Ordinance No. 322, Permitted Uses in Commercial Highway District, requested by U-Haul Company of W. N. C.

The City Manager read the advertised notice to the public setting the time and date for the public hearing and presented the affidavit of publication.

Mayor Ochsenreiter opened the public hearing at 7:08 o'clock p.m.

Mr. Emrick advised Council that the Planning and Zoning Commission recommended approval of the proposed wording amendment to Section 30-5-10, CH Commercial Highway District, Paragraph A. Uses Permitted, which will read as follows:

"Truck rental to include incidential storage as a conditional use."

Mr. Emrick gave the following reasons for Planning and Zoning's approval:

approval in amending the East Riverside Urban Renewal Plan. He said it would take several months to accomplish this, and due to bad weather coming on, construction of these courts must be started.

Vice-Mayor Horton moved to tentatively accept, with the approval of the bidder, the low bid on four of the six courts, excluding the two in question, in an amount that is to be agreed upon. This motion was seconded by Councilman Rainey and carried unanimously.

Mayor Ochsenreiter requested that the City Manager contact Rev. Grant and find out what his plans are relative to the lots. When this has been established, he said Council could give consideration to the other two tennis courts.

BIDS - CHAINLINK FENCE AROUND SIX (6) TENNIS COURTS FOR THE PARKS AND RECREATION DEPARTMENT

15. Mayor Ochsenreiter announced that consideration of bids for chainlink fence around six (6) tennis courts would be postponed until a later date.

RESOLUTION NO. 77-169 - RESOLUTION SUPPORTING THE NOVEMBER 8, 1977 REFERENDUM ON THE CLEAN WATER BOND ISSUE

16. Consideration was given to a resolution supporting the November 8, 1977 referendum on the Clean Water Bond Issue.

The City Manager read the resolution.

Mr. Michalove explained that on November 8, 1977, the citizens of North Carolina will have an opportunity to approve the issuance of $230 million in State bonds to provide grants to assist local governments in constructing and improving water pollution control and water supply systems to provide adequate, clean water for the citizens of North Carolina.

Upon motion of Councilman Hoyle, seconded by Vice-Mayor Horton, Resolution No. 77-169 was carried unanimously.

Complete text of Resolution No. 77-169 will be found in Resolution Book No. 10 at page 61.

RESOLUTION NO. 77-170 - RESOLUTION SUPPORTING THE NOVEMBER 8, 1977 REFERENDUM ON THE HIGHWAY BOND ISSUE

17. Consideration was given to a resolution supporting the November 8, 1977 referendum on the Highway Bond Issue.

The City Manager read the resolution.

Mr. Michalove explained that they Highway Bond Issue is to fund, at the earliest possible time, approved and critically needed improvements on the primary, secondary, and urban highway systems which cannot be funded on schedule with funds currently available from all other sources.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, Resolution No. 77-170 was carried unanimously.

Complete text of Resolution No. 77-170 will be found in Resolution Book No. 10 at page 62.

Bid Summary

Bidder	Bid
Apple Tree Chevrolet	$ 93,826.75
Matthews Motors, Inc.	$110,223.00
Dorato Motors, Inc.	$103,795.94
Pettit Dodge, Inc.	$ 95,341.20

BIDS - FIVE (5) SELF-CONTAINED HOPPER TYPE SALT/SAND SPREADERS FOR THE STREET DEPARTMENT

13. Consideration was given to bids received October 10, 1977 for five (5) self-contained hopper type salt/sand spreaders for the Street Department.

The City Manager read a memorandum from the Purchasing Agent which stated that six (6) responsive bids were received and recommended the acceptance of the low bid, submitted by North Carolina Equipment Company in the amount of $14,970.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to North Carolina Equipment Company in the amount of $14,970. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
Ace Equipment Company, Inc.	$20,000.00
Western Carolina Tractor Company	$19,833.60
Griffin Implement and Milling Company	$19,295.00
N. C. Equipment Company	$14,970.00
A. E. Finley and Associates, Inc.	$18,500.00
Carolina Equipment Company, Inc.	$15,946.05

BIDS - CONSTRUCT SIX (6) ASPHALT TENNIS COURTS FOR THE PARKS AND RECREATION DEPARTMENT

14. Consideration was given to bids received August 15, 1977 to construct six (6) asphalt tennis courts for the Parks and Recreation Department (two at Livingston Street and Depot Street and four on Choctaw Street off McDowell Street).

The City Manager read a memorandum from the Purchasing Agent which stated that three (3) responsive bids were received and recommended the acceptance of the low bid, submitted by Paving Enterprises, Inc. in the amount of $39,970.

Mr. Michalove explained that on one location where two of the courts would be at Choctaw Street off McDowell Street, Reverend Grant has made an informal request to purchase what was formerly two vacant lots. He said the lots have been redrawn and taken into the entire Livingston Street Park itself; therefore, they no longer exist. He said the City is planning to put in two tennis courts and a parking area at this location.

Mr. Michalove said the lots are now in the ownership of the Asheville Housing Authority, and in order to make a change, Reverend Grant would need to make a request to the Asheville Housing Authority Citizens Review Committee. If approved by that Committee, the request would be considered by the Asheville Housing Authority Commission. If approved by the Asheville Housing Authority Commission, it would then come before City Council or could be appealed to City Council. If the City Council approved it, the request would be submitted to the Department of Housing and Urban Development for their

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr.; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Prior to the opening of the October 20, 1977 meeting of the City Council, Mayor Ochsenreiter requested Rev. Orion Hutchinson, Pastor of the Central United Methodist Church, to give the invocation.

PASSING OF MR. E. R. McCARTHY

Mayor Ochsenreiter extended sympathy to the family of Mr. E. R. McCarthy who attended many City Council meeting over several years.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 13, 1977 meeting.

Upon motion of Councilman Michael, seconded by Councilman Hoyle, the minutes of the October 13, 1977 meeting were approved as submitted.

MEETING SCHEDULED RELATIVE TO OBSCENITY

Vice-Mayor Horton announced that City Attorney William C. Moore, Councilman Hoyle and himself were scheduled to meet with District Attorney Robert Fisher regarding the enforcement of the State Statute relative to obscenity on October 21, 1977, at 3:00 o'clock p.m.

RESOLUTION NO. ___ - RESOLUTION OF INTENT TO CLOSE INGLEWOOD ROAD AND CALLING A PUBLIC HEARING ON THE QUESTION

2. Consideration was given to a resolution of intent to close Inglewood Road and calling a public hearing on the question.

The City Manager read the resolution.

Councilwoman Swilling moved to schedule a public hearing on the matter for December 1, 1977. This motion was seconded by Councilman Rainey and was defeated on a 2-4 vote, with Councilmen Michael, Morris, Hoyle and Vice-Mayor Horton voting "no."

Vice-Mayor Horton said that they have not yet received any right-of-way information from the Country Club.

Councilman Michael said his reason for voting "no" on the issue was because the street would have better fire and police protection if it was left open. He suggested leaving Inglewood Road open for a trial period to determine if there is an increase in traffic, if it's dangerous for children and various other reasons. After the trial period, the City Manager could give another report to Council and see if there is still the same unbiased objection.

It was Councilman Morris' opinion that a one-road approach should not be taken in this matter and that a deeper study of the situation was needed since the residents want the road closed based solely on their fear of increased traffic in the area.

PROCLAMATION - ALPHA DELTA KAPPA WEEK

Mayor Ochsenreiter proclaimed the week of October 9-15, 1977 as "Alpha Delta Kappa Week."

Adjournment.

MAYOR

CITY CLERK

Mrs. Tennant said that the slide presentation had been shown to thousands in the four-county area, and that just recently had received a grant from HEW to continue work in the four-county area of making people aware of "208." (Buncombe, Henderson, Madison, Transylvania Counties)

RESOLUTION NO. 77-171 - RESOLUTION AUTHORIZING DRAINAGE IMPROVEMENTS ON McINTOSH ROAD

4. Consideration was given to a resolution authorizing drainage improvements on McIntosh Road.

The City Manager read the resolution which provides for the following work to be done:

1. Replace the twin culverts and bridge with an open span bridge and provide streambank stabilization and channel alterations within the City right-of-way on McIntosh Road.

2. Provide streambank stabilization and channel alterations for approximately fifty (50) yards downstream from the bridge off City right-of-way, with the cost of materials being paid by the property owners.

3. Clear the storm drainage culvert on the east side of McIntosh Road off City right-of-way.

Mrs. Noblett, 15 McIntosh Road, said that there was some question about property lines and that she had obtained copies of the plats of her property, as well as adjoining property, and had given these to Mr. Michalove. She pointed out that with the free-standing bridge, the logs, trees, and trash can move with the heavy flow of water where the culverts still get the same amount of debris and this blocks them and serves as a dam. She requested answers to the following questions:

1. If the bridge is not responsible, why does the City have to remove the logs and debris after flood waters have subsided by use of manpower and equipment.

2. What influence does Mrs. Maude Trantham have over the City Departments? Mrs. Noblett explained that each time the men come out to work, Mrs. Trantham speaks to them and the workers leave.

Mr. Michalove said that the open span bridge would be less likely to hold back debris than the culverts and that the bridge is not the main cause for the drainage problems being experienced below the bridge. He pointed out that cleaning the creek upstream would improve the flooding conditions.

In response to Mrs. Noblett's second question, Mr. Michalove said Mrs. Trantham has no influence over City Departments and that he could only speculate that her concern might be of City crews working on private property.

Councilwoman Swilling said that it was her opinion that the City replacing the bridge in 1975 with a double culverts had caused flooding, and that it was the City's responsibility to alleviate the situation without court action being taken by Mrs. Noblett.

Upon inquiry of Vice-Mayor Horton relative to the County sharing in the responsibility for improvements, Mr. Michalove said that he had been advised by Mr. Charlie Clark, Public Safety Officer for the County, that the County would provide labor to make some improvements provided it could be shown that this was a public liability.

Vice-Mayor Horton gave the following reasons for voting against closing Inglewood Road:

1. The residents of the street seem divided on the issue.

2. The road would be less functional if closed opposed to being left open and the necessary improvements made.

3. Closing of the road would affect more people than just those living on the street.

4. The report and recommendations of City staff, which state that closing the street would hamper providing City services to the street.

Mr. John Turley, 44 Inglewood Road, spoke in favor of the cul-de-sac saying that the cost of improving Inglewood Road would be too high.

Councilman Rainey said that this was an issue of hardship vs convenience, and said he hoped the neighborhood could reach a consensus among themselves.

In reply to several questions from Councilwoman Swilling, Mr. Michalove said that the improvements to Inglewood Road would have to be included in the next fiscal year, along with many other streets throughout the City that were in need of comparable repairs and improvements. He said that these improvements could range from $25,000 to $35,000 and would not include the cost of curb and gutters.

Mr. Michalove said that the Country Club was not required to install curb and gutters on the portion of the road they would take over and be responsible for.

Councilman Rainey said that the problem which Ms. Lucia Ward has with her water line being put in the road should be noted when the improvements are made to Inglewood Road.

LEAGUE OF WOMEN VOTERS - SLIDE PROGRAM - "THE FIRST INGREDIENT"

Mr. Michalove said that the Mayor had received a letter on September 14, 1977 requesting that the League of Women Voters be given an opportunity to make the slide presentation, "The Fist Ingredient," at a Council Meeting. He introduced Mrs. Pauline Tennant of the League of Women Voters.

Mrs. Tennant introduced Mr. Bob Purcell of the Land-of-Sky Regional Council who explained that the program has to do with "208 Water Quality Management Planning," which is being developed by the Land-of-Sky Regional Council. He said that the number "208" refers to a section of the Federal Water Pollution and Control Act Amendment of 1972 which requires such planning for all areas of the country. This planning is being done in the State of North Carolina by the Land-of-Sky Regional Council, for this area, the Raleigh area, and the remainder of the State being planned for by the Department of Natural Resources and Community Development's Water Quality Section in Raleigh so that local governments in these areas will have direct representation. The plan is being prepared and is due to be submitted to the Environmental Protection Agency in June of 1978. Input for the plans are being obtained from various committee meetings throughout the area where local government agencies, State and Federal agencies and the general public meet and review the work as it is developed. The plan will affect how future federal grants should be funneled and how to control water quality programs that are not now being controlled by existing programs.

Councilman Rainey said that he was still dissatisfied with the $8.00 figure and moved to amend the ordinance by reducing the increase to $7.90. This motion died for a lack of a second.

Vice-Mayor Horton said that he believed the Council had done a disservice to the citizens of Asheville and possibly had made a legal mistake. He said that from complaints addressed to him, residents are asking for better signals on the two (2) new Washington stations and that the cablevision rates not be increased to $8.50.

On a roll call vote of 4-2, Ordinance No. 977 passed on its third and final reading with Vice-Mayor Horton and Councilman Michael voting "no."

Complete text of Ordinance No. 977 will be found in Ordinance Book No. 7 at page 176.

CONTINUATION OF A PUBLIC HEARING - THE ASHEVILLE HOUSE - GROUP DEVELOPMENT

6. The continuation of a public hearing was held relative to approving a site plan of a proposed four-story apartment complex, The Asheville House, to be located on Orange Street.

Mayor Ochsenreiter opened the public hearing at 6:15 o'clock p.m.

Mr. Verl Emrick, Director of Planning, said that the hearing on this development had been postponed before due to a lack of information on erosion control and that this matter had been resolved by regrading the road to channel water presently being drained onto the Amercian Court onto Merrimon Avenue.

Mr. Emrick pointed out that there is inadequate parking and that the Planning and Zoning Commission had approved a variance which would require 135 spaces. He said that the developer had indicated that they could only provide 96 parking spaces and that Council would have to approve a variance of 39 spaces or require the developer to provide the 135 spaces. One solution to this problem, he said, would be for Council to approve the plan with the developer providing only 96 parking spaces initially with the understanding that they would have to provide the other 39 spaces required by Council by the end of construction.

Vice-Mayor Horton moved to continue the public hearing until next week so that the developers can be present. This motion was seconded by Councilman Morris and was defeated on a 2-4 vote, with Councilmen Rainey, Hoyle, Michael and Councilwoman Swilling voting "no."

Mayor Ochsenreiter closed the public hearing at 6:30 o'clock p.m.

Councilman Michael moved to approve the site plan of the proposed four-story apartment complex, The Asheville House, to be located on Orange Street, under the condition that the developers provide 135 parking spaces as recommended by the Planning and Zoning Commission. This motion was seconded by Councilwoman Swilling and carried unanimously.

ORDINANCE NO. 992 - AN ORDINANCE AMENDING THE GENERAL CAPITAL PROJECTS AND OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

7. Consideration was given to the third and final reading of Ordinance No. 992 an ordinance amending the General Capital Projects and Operating Budget of the City of Asheville for Fiscal Year 1977-78 (regarding repaving and repairing the Fixed Base Operation Ramp at the Asheville Airport).

Vice-Mayor Horton pointed out that the present drainage policy which was adopted by Council limits Council's response to requests of this nature. He suggested that the present Drainage Policy be amended to cope with individual problems of property owners such as Mrs. Noblett.

Mayor Ochsenreiter said that the policy should be changed and money appropriated in the budget session to cover these types of problems.

Councilman Rainey said that the tax base needs to be protected and that each individual case should be looked at separately because these are problems of private citizens brought about by development.

Councilman Morris said that he had visited the site on three occasions and that the right side of the creek appeared to be the area of wash and agreed with Mr. Michalove that the bridge was not the cause of the problem. He said that he was against spending over $7,000 on a bridge when re-angling the creek would solve the problem.

Councilman Michael moved to amend the resolution by deleting Items 2 and 3 until a policy could be adopted relative to the City doing work on private property and by amending Item 1 of the resolution to read "Do whatever is necessary to provide streambank stabilization and channel alterations within the City right-of-way on McIntosh Road." This motion was seconded by Vice-Mayor Horton and carried unanimously.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 77-171 was unanimously adopted.

Complete text of Resolution No. 77-171 will be found in Resolution Book No. 10 at page 63.

Mayor Ochsenreiter called for a five (5) minutes recess at 5:40 o'clock p.m. The meeting reconvened at 5:45 o'clock p.m.

CITY COUNCIL MEETINGS - NOVEMBER, 1977

Mayor Ochsenreiter announced that City Council will meet on November 3, 10 and 17 at 3:00 o'clock p.m. He said that they would not hold a City Council meeting on November 24, 1977, which is Thanksgiving Day.

ORDINANCE NO. 977 - AN ORDINANCE AMENDING ORDINANCE GRANTING FRANCHISE TO THOMS BROADCASTING COMPANIES, INC.

5. Consideration was given to the third and final reading of Ordinance No. 977, an ordinance amending ordinance granting franchise to Thoms Broadcasting Companies, Inc.

Mayor Ochsenreiter pointed out that two amendments had been made in the ordinance. One was to reduce the monthly service charge from $8.50 to $8.00 and that the moratorium on rate increases had been changed from three (3) years to eighteen (18) months. He also said that it had been suggested during a general discussion last week to establish a Regulatory Commission to deal with requests for rate increases in the future.

On a request from Mayor Ochsenreiter, the City Manager read the ordinance, as amended.

Mr. Michalove suggested that the 42¢ increase should be applied toward capital improvements.

Mayor Ochsenreiter stated that the ordinance had been read previously on the first reading and members of Council had been furnished copies of the ordinance, so it would not be re-read unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 994 passed on its second reading.

PUBLIC HEARING - CLOSING OF AN UNNAMED ALLEY WAY BETWEEN JULIA STREET, NOW ROBINDALE AVENUE AND HENRIETTA STREET

RESOLUTION NO. 77-172 - RESOLUTION TO CLOSE AN UNNAMED ALLEY WAY BETWEEN JULIA STREET, NOW ROBINDALE AVENUE AND HENRIETTA STREET

9. A public hearing was held relative to closing an unnamed alley way between Julia Street, now Robindale Avenue and Henrietta Street.

The City Manager presented the advertised notice to the public setting the time and date of the public hearing and also presented the affidavit of publication.

Mayor Ochsenreiter opened the public hearing at 6:42 o'clock p.m.

Mr. Joseph A. Connolly, Attorney representing the petitioners, said that a copy of the resolution of intent to close the unnamed alley way was not sent by certified mail to all adjoining property owners, since all such owners were parties to the original petition in this matter. He said this alley way has never been opened or never been used. He said it is currently being used as yard by the adjoining property owners.

Mayor Ochsenreiter closed the public hearing at 6:44 o'clock p.m.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilman Hoyle, Resolution No. 77-172 was unanimously adopted.

Complete text of Resolution No. 77-172 will be found in Resolution Book No. 10 at page 64.

DON MEADE - WATER DEPARTMENT INVESTIGATION

Mr. Don Meade, an employee of the Water Department, accused the administration of footdragging in the investigation of alleged criminal activities in the Water Department. Mr. Meade had previously brought these to the attention of Council at another Council Meeting.

Mr. Michalove said that this matter had been under investigation for some time with a Police Officer working full time and that a great deal of evidence presented by Mr. Meade had been hearsay. He said that it was trying to be determined if there was sufficient evidence that would stand up in court if criminal action was pursued. He said that the information is currently being evaluated by the District Attorney.

Councilman Rainey commended Mr. Michalove for placing the matter in the hands of the District Attorney and commended Mr. Meade for his fortitude in seeing the matter through.

ORDINANCE NO. 995 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

10. Consideration was given to an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended.

The City Manager read the ordinance in its entirety incorporating the following changes:

1. WHEREAS, the City and the FAA are responsible for the maintenance and upkeep of the Fixed Base Operation Ramp and public ramp.

2. That the General Capital Projects Fund budget adopted on October 28, 1976 and appearing on Page 158 of Minute Book 42 be amended as follows:

   Revenues:

State Grant - N. C. D.O.T.	$ 12,500
A & H Flying Service	6,250
Contribution from General Funds	6,250
Federal Grant - FAA	225,000
	$250,000

   Appropriations:

FBO and Asheville Public Ramp Repaving	$250,000

3. That the Fiscal 1977-78 Budget Ordinance of the City of Asheville adopted on June 30, 1977 and appearing on Page 108 of Minute Book 43 be amended by transferring $6,250 from the Contingency Line Item to the Contributions to Other Funds Line Item in the Aviation Fund.

Vice-Mayor Horton moved to amend the ordinance as read by the City Manager. This motion was seconded by Councilman Hoyle and carried unanimously.

Councilman Michael said his reason for requesting that the ordinance be changed is because the Fixed Base Operator is using approximately 40 tie-down spaces that are not in his lease and revenue derived from the use of these tie-down spaces is approximately $1,600 per month. He said these tie-down spaces are located on the City of Asheville property. It was his opinion that the $40.00 per month for the 40 tie-down spaces should be paid directly to the City of Asheville. He said the City is losing a lot of money unless they can negotiate some way to have that money paid directly to the City of Asheville, since this is City property. He also requested an opinion from the City Attorney as to whether the City is liable for anything that happens to those planes, since they are on Asheville property and not on the Fixed Base Operation leased property.

On a roll call vote of 6-0, Ordinance No. 992 passed on its third and final reading.

Complete text of Ordinance No. 992 will be found in Ordinance Book No. 7 at page 200.

ORDINANCE NO. 994 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

8. Consideration was given to the second reading of Ordinance No. 994, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (rezoning property on Stoner Road from R-3 Residential District to HI Heavy Industrial District, requested by Ms. Evelyn K. Ness).

acquisition and relocation services to the City. In conjunction with this agreement, the Housing Authority has caused all properties in the Wyoming Road Relocation Project and certain properties in the Kenilworth Park Project to be appraised in order for the City of Asheville to carry out its approved plan for development. Since the Housing Authoity has been unable to reach agreements to purchase these properties at approved values, they are requesting City Council to condemn the following parcels:

Wyoming Road Relocation Project

Parcel	Owner	Address
3	Arbogast Heirs	Wyoming Road
4	Arbogast Heirs/Board of Tax Supervision	Wyoming Road
5	Arbogast Heirs/Board of Tax Supervision	Wyoming Road
6	Arbogast Heirs/Board of Tax Supervision	Wyoming Road

Kenilworth Park Project

Parcel	Owner	Address
7	Arbogast Heirs/Board of Tax Supervision	Wyoming Road
8	Arbogast/Hester	Wyoming Road

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 77-174 was unanimously adopted.

Complete text of Resolution No. 77-174 will be found in Resolution Book No. 10 at page 67.

BIDS - ONE MOTOR GRADER FOR THE STREET DEPARTMENT

14. Consideration was given to bids received October 10, 1977 for one (1) motor grader for the Street Department.

The City Manager read a memorandum from the Purchasing Agent which stated that five (5) bids were received, however, only three (3) were responsive, the other two (2) bids did not meet specifications. He recommended the acceptance of the third lowest bid, which was fully responsive to specifications, submitted by Western Carolina Tractor Company in the amount of $45,000.

Mr. Rick Dillingham of Mitchell Distributing Company said it was his opinion that his company had met all of the sixteen (16) specifications. He said that the full power shift transmission was the only discrepancy he saw and that both transmissions were made by the same manufacturer, Clark Equipment Company.

Mr. Clark Brown, Street Superintendent, said that the specifications called for a full power shift transmission, which means it can be shifted into any gear range while the machine is still moving. He said the Mitchell Distributing Company's Champion machine has six (6) forward and six (6) reverse gears, but to shift from low to high, the machine must be brought to a complete stop before shifting from one to the other range. He said that under a strict interpretation, it is not a full power shift.

Mr. Emrick read the ordinance explaining that Section 30-5-10, CH Commercial Highway District, be amended to include the following additional use within this district under A. Uses Permitted:

"Truck rental to include incidential storage as a conditional use."

Councilwoman Swilling was excused from the meeting at 7:00 o'clock p.m.

Councilman Morris moved for the adoption of Ordinance No. 995. This motion was seconded by Councilman Hoyle.

On a roll call vote of 5-0, Ordinance No. 995 passed on its first reading.

Councilwoman Swilling returned to the meeting at 7:03 o'clock p.m.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 995. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 995 passed on its second reading.

Councilman Michael said that several people have expressed the fact that rezoning from Residential to LI Light Industrial is too sharp. He asked the Planning Director to re-evaluate the types of facilities in each category.

ORDINANCE NO. ___ - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE FEDERAL CAPITAL PROJECTS BUDGET FOR FISCAL YEAR 1977-78

11. Mayor Ochsenreiter announced that consideration of this ordinance would be postponed until next week.

RESOLUTION NO. 77-173 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT WITH THE COUNTY OF BUNCOMBE FOR THE POLICE/FIRE CADET TRAINING PROGRAM

12. Consideration was given to a resolution authorizing the Mayor to sign an agreement with the County of Buncombe for the Police/Fire Cadet Training Program.

Mr. Sam Graves, Personnel Analyst, explained that a change in this program was that it was extended from six (6) months to twelve (12) months and the reason for that was that they felt it would be more beneficial if it was run on a longer basis. He pointed out another change which was that the program initially had five (5) police cadets and five (5) fire cadets, this time there will be sixteen (16) slots available.

Upon motion of Councilwoman Swilling, seconded by Vice-Mayor Horton, Resolution No. 77-173 was unanimously adopted.

Complete text of Resolution No. 77-173 will be found in Resolution Book No. 10 at page 66.

RESOLUTION NO. 77-174 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE WYOMING ROAD RELOCATION PROJECT AREA AND THE KENILWORTH PARK PROJECT AREA

13. Consideration was given to a resolution authorizing condemnation of property in the Wyoming Road Relocation Project Area and the Kenilworth Park Project Area.

The City Manager read the resolution and explained that the City of Asheville has a contract with the Housing Authority which requires the Housing Authority to provide

Consideration was given to a resolution of intent to hold a public hearing on an ordinance establishing the Asheville Police and Asheville Fire Uniformed Personnel Retirement Plan and Trust.

Councilwoman Swilling moved to adopt Resolution No. 77-175 scheduling a public hearing relative to the adoption of an ordinance establishing the Asheville Police and Asheville Fire Uniformed Personnel Retirement Plans and Trusts for November 10, 1977. This motion was seconded by Councilman Hoyle and carried unanimously.

Complete text of Resolution No. 77-175 will be found in Resolution Book No. 10 at page 68.

CLAIM - R. H. LAMB

The City Manager presented a claim for damages from R. H. Lamb.

Mayor Ochsenreiter referred the claim to the Corporation Counsel for his investigation and recommendation.

PROCLAMATION - TOASTMISTRESS WEEK

Mayor Ochsenreiter proclaimed the week of October 24-30, 1977 as "Toastmistress Week."

PROCLAMATION - CREDIT UNION DAY

Mayor Ochsenreiter proclaimed October 20, 1977 as "Credit Union Day."

PROCLAMATION - PARENTS WITHOUT PARTNERS WEEK

Mayor Ochsenreiter proclaimed the week of November 21-27, 1977 as "Parents Without Partners Week."

PROCLAMATION - UNITED NATIONS DAY

Mayor Ochsenreiter proclaimed October 24, 1977 as "United Nations Day."

PROCLAMATION - DAY IN COURT FOR LEGAL SECRETARIES

Mayor Ochsenreiter proclaimed October 27, 1977 as "Day in Court for Legal Secretaries."

COUNCILMAN RAINEY - SUPER POLES

Councilman Rainey asked if anything could be done to remove the high electricity poles being installed in North Asheville. He said these poles are two to three times the size of standard power poles.

FRATERNAL ORDER OF POLICE BOARD - RESOLUTION OF RESIDENCY

Mr. Michalove said that he had received a copy of a resolution adopted by the North Carolina State Fraternal Order of Police Board at their meeting in Durham, North Carolina on September 23-25, 1977, which relates to residency of City employees. He said this would be taken into consideration when the Civil Service Board reviews all the recommendations.

Adjournment.

Eugene S. Ochsenreiter
MAYOR

Thelma D. Nesbitt
CITY CLERK

Mr. Michalove suggested that Mr. Brown evaluate the transmissions and give the Council a recommendation, since both transmissions are made by Clark Equipment Company and Mr. Dillingham feels he has met all specifications.

Mr. Pete Fleming of Western Carolina Tractor Company feels that this transmission is an alternate.

BIDS - CHAINLINK FENCE AROUND FOUR (4) TENNIS COURTS FOR THE PARKS AND RECREATION DEPARTMENT

15. Consideration was given to bids received August 15, 1977 for chainlink fence around four (4) tennis courts for the Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which stated that two (2) bids were received and recommended the approval of the low bid submitted by Asheville Fence Company, in the amount of $6,220.26, which is two-thirds of the original bid of $9,330.39.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to Asheville Fence Company in the amount of $6,220.26, which is two-thirds of the original bid of $9,330.39. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
Sears, Roebuck and Company	$11,254.00
Asheville Fence Company	$ 9,330.39**
**Total Bid Award for four (4) tennis courts	$ 6,220.26

BIDS - CHAINS, CROSS LINKS, AND ADJUSTERS TO BE USED IN THE MOTOR TRANSPORT DIVISION

16. Consideration was given to bids received October 4, 1977 for chains, cross links, and adjusters to be used in the Motor Transport Division.

The City Manager read a memorandum from the Purchasing Agent which stated that four (4) responsibe bids had been received and recommended the approval of the low bid submitted by AAA Parts of Asheville, Inc., in the amount of $5,160.93.

Vice-Mayor Horton moved to accept the recommendation of the Purchasing Agent and award the bid to AAA Parts of Asheville, Inc. in the amount of $5,160.93. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Asheville Oil Company	$8,247.46
Sronce Automotive Supply	$5,467.63
AAA Parts of Asheville, Inc.	$5,160.93
Parts Service, Inc.	$5,851.50

RESOLUTION NO. 77-175 - RESOLUTION OF INTENT TO HOLD A PUBLIC HEARING ON AN ORDINANCE ESTABLISHING THE ASHEVILLE POLICE AND ASHEVILLE FIRE UNIFORMED PERSONNEL RETIREMENT PLAN AND TRUST

4. A public hearing was held relative to closing an unnamed alley way in West Asheville off of Parkman Avenue.

The City Manager read the advertised notice to the public setting the time and date of the public hearing and presented the affidavit of publication.

Mayor Ochsenreiter opened the public hearing at 4:07 o'clock p.m.

Mr. Gene Rice, owner of a business at 514 Haywood Road, explained that this alley way has never been opened or never been used. He said that this alley way benefits no one and all adjoining property owners are parties to the original petition.

Mayor Ochsenreiter closed the public hearing at 4:10 o'clock p.m.

The City Manager read the resolution.

Councilman Morris moved to amend the resolution to read as follows:

"WHEREAS, it appears to the satisfaction of the Council after aforesaid public hearing that the permanent closing to public use of aforesaid unnamed alley way no one would by virtue of such closing of said portion of such street be deprived a reasonable means of ingress and egress to his property."

This motion was seconded by Councilman Hoyle and carried unanimously.

Upon motion of Councilman Morris, seconded by Councilman Hoyle, Resolution No. 77-176 was unanimously adopted.

Complete text of Resolution No. 77-176 will be found in Resolution Book No. 10 at page 69.

PUBLIC HEARING - REZONING REQUEST BY MR. J. F. BRIDGES, JR. - EAST SIDE OF LEICESTER HIGHWAY

ORDINANCE NO. 996 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

5. A public hearing was held relative to a rezoning request by Mr. J. F. Bridges, Jr. to rezone property on the east side of Leicester Highway from R-3 Residential District to CS Commercial Service District.

The City Manager read the advertised notice to the public setting the time and date of the public hearing and presented the affidavit of publication.

Mayor Ochsenreiter opened the public hearing at 4:17 o'clock p.m.

Mr. Verl Emrick, Planning Director, advised Council that the Planning and Zoning Commission denied this rezoning request for the following reasons:

1. The proposed amendment to the City's extraterritorial zoning boundary, if approved by City Council, will eliminate the existing Commercial Service District along this portion of New Leicester Highway. Should this action occur prior to Council's public hearing on this request, any zoning change to a commercial classification would create a spot zone;

Thursday - October 27, 1977 - 4:00 o'clock p.m.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr.; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager William F. Wolcott, Jr.

Absent: None

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 20, 1977 meeting.

Upon motion of Councilman Michael, seconded by Councilwoman Swilling, the minutes of the October 20, 1977 meeting were approved as submitted.

ORDINANCE NO. 994 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. Consideration was given to the third and final reading of Ordinance No. 994, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (rezoning request by Ms. Evelyn K. Ness to rezone property on Stoner Road from R-3 Residential District to HI Heavy Industrial District).

Mayor Ochsenreiter stated that the ordinance had been read previously on the first and second readings and members of Council had been furnished copies of the ordinance, so it would not be re-read unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 994 passed on its third and final reading.

Complete text of Ordinance No. 994 will be found in Ordinance Book No. 7 at page 343.

ORDINANCE NO. 995 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

3. Consideration was given to the third and final reading of Ordinance No. 995, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (amend Section 30-5-10 to include the wording: "Truck rental to include incidential storage as a conditional use.")

Mayor Ochsenreiter stated that the ordinance had been read previously on the first and second readings and members of Council had been furnished copies of the ordinance, so it would not be re-read unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 995 passed on its third and final reading.

Complete text of Ordinance No. 995 will be found in Ordinance Book No. 7 at page 344.

PUBLIC HEARING - CLOSING AN UNNAMED ALLEY WAY IN WEST ASHEVILLE OFF OF PARKMAN AVENUE

RESOLUTION NO. 77-176 - RESOLUTION TO CLOSE AN UNNAMED ALLEY WAY BETWEEN CERTAIN LOTS IN THE CITY OF ASHEVILLE, BUNCOMBE COUNTY, NORTH CAROLINA

6. Consideration was given to an ordinance amending the City of Asheville Capital Projects Ordinance effective October 15, 1977, to include an Appalachian Regional Commission Grant in the amount of $246,000.

The City Manager read the ordinance. He explained that this is just a budget process to move federal funds into the Capital Projects Budget. He explained that the Capital Projects Budget is made up of funds other than Community Development funds.

Vice-Mayor Horton suggested that the ARC Grant funds be keep as a separate item from the standpoint of revenues and appropriations.

Mayor Ochsenreiter said the bookkeeping principles would be looked into as Vice-Mayor Horton suggested.

Councilwoman Swilling moved for the adoption of Ordinance No. 997. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 997 passed on its first reading.

ORDINANCE NO. 998 - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE CAPITAL PROJECTS ORDINANCE IN EFFECT AS OF OCTOBER 15, 1977, AND THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

7. Consideration was given to an ordinance amending the City of Asheville Capital Projects Ordinance in effect as of October 15, 1977, and the Operating Budget of the City of Asheville for Fiscal Year 1977-78.

The City Manager read the ordinance.

Mr. Michalove explained that the City of Asheville, with some major effort on the part of the Water Engineering Department, the Planning Department and the Community Development Department, had received a federal grant in the amount of $855,000 at a City cost of $45,200 from the Water Fund and $5,000 from the General Fund. He said that this money had not been anticipated. He said the contract and bid documents are ready and the public works projects would have to be underway by December 1, 1977, therefore, he requested all three readings of the ordinance.

Vice-Mayor Horton and Councilwoman Swilling expressed appreciation to the staff for their efficiency in processing and filing the necessary applications to get these projects approved.

Councilwoman Swilling said that the residents of West Asheville are interested in knowing the following and suggested that a meeting in the community be set up to answer these and other questions:

1. What will the old Fire Station be used for? (The residents would like to use it for a community center.)

2. What fire protection will the residents have when the new station is built?

City Manager K. M. Michalove assured Councilwoman Swilling that a meeting would be held in the area to answer any questions the residents might have and to inform the residents of the area of the City's plans.

Vice-Mayor Horton suggested that a precinct police station be built in the area.

2. Within the past thirteen (13) months, two large tracts near this site were rezoned to accommodate proposed shopping center complexes:

   (1) George Stowe Property rezoned to CS on 8-19-76, and
   (2) Buncombe County Property rezoned to CS on 10-21-76.

   It is the staff's opinion that ample area has been provided to satisfy the shopping needs of area residents.

3. Rezoning would be in conflict with the Commission's policy of preventing further strip commercial development within its jurisdictional area.

Mr. Emrick read a letter from Jack M. and Linda P. Spivey, owners of the property immediately adjacent to the petitioners property, which stated that they no longer object to the rezoning request. He said the Spiveys had been the most adamant objectors to the request at the Planning and Zoning meeting, however, he said there are others in the area who are objecting to this request.

Mr. Larry McDevitt, Attorney representing the petitioner, explained that the whole area is surrounded by businesses and would not be suitable for a residential district. He said that Mr. Bridges is going to develop a small shopping center, which he believes to be the best possible use of the property. He asked Council to over-rule the Planning and Zoning's recommendation and approve the rezoning request.

Councilwoman Swilling said that it was here hope that if this request is approved, there could be some work through the Planning Division with the State Highway to upgrade the narrow entrance to Old County Home Road.

At the request of Vice-Mayor Horton, Mr. Emrick read the uses permitted in the CS Commercial Service District.

Councilman Morris commented that he had not seen the property and that he was reluctant to vote to overrule the Planning and Zoning Board's recommendation without seeing the property. However, he said he would vote "yes" on the first reading of the ordinance in order to keep the request alive, but suggested that members of Council visit the property prior to the second reading of the ordinance.

Mayor Ochsenreiter closed the public hearing at 4:33 o'clock p.m.

The City Manager read the ordinance.

Councilwoman Swilling moved for the adoption of Ordinance No. 996. This motion was seconded by Councilman Morris.

Upon inquiry of Councilman Rainey, Mr. Emrick said that even though Mr. Spivey changed his view to approved Mr. Bridge's request, he believed Planning and Zoning would still not change their recommendation.

On a roll call vote of 5-1, Ordinance No. 996 passed on its first reading, with Councilman Rainey voting "no."

ORDINANCE NO. 997 - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE CAPITAL PROJECTS ORDINANCE EFFECTIVE OCTOBER 15, 1977, TO INCLUDE AN APPALACHIAN REGIONAL COMMISSION GRANT IN THE AMOUNT OF $246,000

the structures' value relative to the City's history and prepare the necessary manuscripts and documentation for the City to qualify the buildings for the National Register. He said these services would be especially beneficial since the City is in the middle of the Downtown Project and the City needed to get some type of selected demolition and an idea of what structures are of significance to the City.

Mr. Emrick said that the contract would cost the City $5,000, which would be paid out of Community Development funds. He said the City would also provide an assistant for the Architect, office space, and other in-kind contributions.

Upon inquiry of Councilwoman Swilling, Mr. Emrick said that the field work would take approximately three (3) months and would have to completed no later than April 1, 1978. He said the work would begin around November 15, 1977.

Councilwoman Swilling reminded Council of the Historical Resource Workshop to be held at the Hilton on November 2, 1977 and urged other Councilmembers to participate.

Mr. Emrick told Council that Mr. Bob Orr, President of the Asheville/Buncombe Historical Preservation Society, had greatly assisted the Planning Department in obtaining this contract.

Mr. Emrick pointed out that just because a building has been designated as a historical structure does not mean that the building cannot be demolished. He said additional consideration would have to be given on an individual basis.

Mayor Ochsenreiter read a letter from Mr. Emrick inviting members of Council to attend a workshop in Greenville, South Carolina with the Revitalization Commission.

Upon inquiry of Councilman Rainey, Mr. Emrick said that the City was in the process of advertising and taking resumes for the assistant to the Architect.

Mr. Bob Orr, President of the Asheville/Buncombe Historical Preservation Society, said this was an excellent planning tool, especially beneficial from the historic and revitalization standpoint. He pointed out the private sector is also contributing toward this.

Mr. Orr said that the 3:30 p.m. session of the Workshop to be held at the Hilton on November 2, 1977, would deal directly with the question of setting up a District Office of Archives and History Museum in Asheville and urged at least two members of Council to attend this particular session. He expressed appreciation to Councilwoman Swilling and Councilman Hoyle for their efforts in historical preservation, as well as their other endeavors while serving on the City Council.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 77-178 was unanimously adopted.

Compete text of Resolution No. 77-178 will be found in Resolution Book No. 10 at page 76.

CONSENT AGENDA

10. Councilman Michael moved to schedule a public hearing relative to establishing procedures for use of a consent agenda for November 17, 1977. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Mr. Michalove explained that the consent agenda will cut down on the numbers of resolution that the Council will have to read specifically in the Council meeting and to put these types of items on a consent agenda which would be unanimously approved by the Council.

Vice-Mayor Horton moved for the adoption of Ordinance No. 998. This motion was seconded by Councilwoman Swilling.

On a roll call of 6-0, Ordinance No. 998 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 988. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 998 passed on its second reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the third and final reading of Ordinance No. 988. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 998 passed on its third and final reading.

Complete text of Ordinance No. 998 will be found in Ordinance Book No. 7 at page 348.

RESOLUTION NO. 77-177 - RESOLUTION OF INTENT TO CLOSE PORTIONS OF ALLINE STREET, FAGG STREET, HORSE SHOE CURVE, JERE STREET, LYMAN STREET, TENIE STREET, AND TIERNAN STREET, AND ALL OF LINK STREET AND CALLING A PUBLIC HEARING ON THE QUESTION

8. Consideration was given to a resolution of intent to close portions of Alline Street, Fagg Street, Horse Shoe Curve, Jere Street, Lyman Street, Tenie Street, and Tiernan Street, and all of Link Street and calling a public hearing on the question.

The City Manager read the resolution inserting the date of December 8, 1977 as the public hearing date.

Councilman Michael requested that a representative of the Housing Authority bring a map of the area because a lot of those streets are already closed and the people in that area are wondering why the building projects are being built and then asking that the streets be closed.

Upon motion of Councilman Hoyle, seconded by Councilman Rainey, Resolution No. 77-177 was unanimously adopted.

Complete text of Resolution No. 77-177 will be found in Resolution Book No. 10 at page 71.

RESOLUTION NO. 77-178 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH THE DIVISION OF ARCHIVES AND HISTORY, NORTH CAROLINA DEPARTMENT OF CULTURAL RESOURCES

9. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with the Division of Archives and History, North Carolina Department of Cultural Resources.

The City Manager read the resolution.

Planning Director Verl Emrick explained that the City has been negotiating for some time back and forth with the Division of Archives and History in an effort to obtain this particular type of contract. He said this contract will provide an Architect/ Historian to evaluate buildings, make field surveys, write a description that will assess

"In reference to our property bordered by Michigan Avenue, State Street and Amboy Road in West Asheville which was recently re-zoned to Light Industrial, we wish to clarify the fact that our planned primary access will be from Amboy Road."

LEAF PICKUP

The City Manager said that the Leaf Pickup Program will begin Monday, October 31, 1977. He said the following pamphlets have been distributed house-to-house by Sanitation workers:

"Leaf pickup will begin Monday, October 31. Plastic leaf bags will be available free of charge at all Asheville Fire Stations, with a 10-bag limit for each property owner. Although the City Sanitation crews will also pick up unbagged leaves, residents are urged to bag their leaves in order to receive the fastest possible service. Up to five (5) bags of leaves, left on the curb, will be picked up along with the garbage on regular collection days.

Unbagged leaves should be raked to within eight (8) feet of the curb (but preferably not in the gutter, since this can clog storm drains) in order to be within reach of the vacuum hoses. Any brush or trash should be kept separate from the leaves to avoid clogging the hoses.

The leaf vacuum trucks will operate on the following schedule, which will be repeated every three (3) weeks until approximately January 1, depending on how soon the leaves finish falling. After that date, leaf pickup can be arranged on special call.

WEST - OCT. 31 through NOV. 4, NOV. 21 through NOV. 25, DEC. 12 through DEC. 16
The work area will be West of the French Broad River, bounded by Riverside Drive on the East and the City Limits on the West.

NORTH - NOV. 7 through NOV. 11, NOV. 28 through DEC. 2, DEC. 19 through DEC. 23
The work area will be North of the Expressway, bounded by Town Mountain Road on the East, Riverside Drive on the West, and the City Limits on the North.

EAST - NOV. 14 through NOV. 18, DEC. 5 through DEC. 9, DEC. 26 through DEC. 30
The work area will be East of Beaucatcher Mountain, extending to the City Limits.

SOUTH - NOV. 14 through NOV. 18, DEC. 5 through DEC. 9, DEC. 26 through DEC. 30
The work area will be South of the Expressway, extending to the City Limits.

If bad weather necessitates a change in the schedule, this will be announced in the newspapers and on the local radio stations. Any questions should be directed to the City's Service and Information operators at 255-5405."

CITY COUNCIL MEETINGS - NOVEMBER, 1977

The City Manager said that the City Council will meet on November 3, 10, and 17 at 3:00 o'clock p.m. and that there would be no meeting on November 24, 1977, Thanksgiving Day. If an additional meeting is needed, he said it would be tentatively set for November 29, 1977.

VICE-MAYOR HORTON - RESULTS OF MEETING ON OBSCENITY

Vice-Mayor Horton said that Mr. Moore, City Attorney, Councilman Hoyle and himself met with District Attorney Robert Fisher and one of his deputies. He said that it was agreed that there would be an investigation to try to determine the possible source

BIDS - FIRE HOSE FOR THE ASHEVILLE FIRE DEPARTMENT

11. Consideration was given to bids received October 24, 1977 for a fire hose for the Asheville Fire Department.

The City Manager read a memorandum from the Purchasing Agent which stated that six (6) responsive bids had been received and recommended the approval of the low bid submitted by Ureka Fire Hose Company in the amount of $3,881.70.

Councilman Michael moved to accept the recommendation of the Purchasing Agent and award the bid to Ureka Fire Hose Company in the amount of $3,881.70. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
Ureka Fire Hose Company	$3,881.70
Supply Specialities, Inc.	$4,098.00
Burgess Fire Equipment Company	$4,356.00
Boyce L. Ford Company	$4,308.00
Greenville Rubber and Gasket Company	$4,191.00
Tidewater Supply	$4,257.00

PROCLAMATION - MEET 'N TREAT DAY

Mayor Ochsenreiter proclaimed October 31, 1977 as "Meet 'n Treat Day."

PROCLAMATION - EPILEPSY MONTH

Mayor Ochsenreiter proclaimed the month of November, 1977 as "Epilepsy Month."

PROCLAMATION - AMERICAN PRODUCTION AND INVENTORY CONTROL WEEK IN ASHEVILLE

Mayor Ochsenreiter proclaimed the week of October 31 - November 4, 1977 as "American Production and Inventory Control Week in Asheville."

CHANGES BY THE ASHEVILLE CIVIL SERVICE BOARD

The City Manager requested that Council schedule a public hearing on November 10, 1977, to review rule changes submitted by the Asheville Civil Service Board. He said the changes dealt with testing, leaves of absences, and limitations on employment of relatives by the City of Asheville.

Councilman Michael suggested that some members of the Civil Service Board attend the Council meeting on the date of the public hearing.

Vice-Mayor Horton moved to schedule a public hearing on the matter for November 10, 1977. This motion was seconded by Councilman Michael and carried unanimously.

C. C. BLOUNT ASSOCIATES, INC.

The City Manager read the following letter from C. C. Blount Associates, Inc. relative to the recently rezoned tract in West Asheville:

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr., Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Prior to the opening of the November 3, 1977 meeting of the City Council, Mayor Ochsenreiter requested Father Nicholas Vangelopoulos, Holy Trinity Greek Orthodox Church, to give the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the October 27, 1977 meeting.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, the minutes of the October 27, 1977 meeting were approved as submitted.

REPORT - OBSCENITY

Vice-Mayor Horton said that the City Attorney William C. Moore and himself have another meeting with District Attorney Robert Fisher on Friday, November 11, 1977, to hear Mr. Fisher's report from the conference he had attended this past weekend particularly concerning the actual implementation of our State Statute on obscenity and pornography.

ORDINANCE NO. 996 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. Consideration was given to the second reading of Ordinance No. 996, an ordinance amending Ordinance No. 996, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (rezoning request by Mr. J. F. Bridges, Jr. to rezone property on the east side of Leicester Highway from R-3 Residential District to CS Commercial Service District).

Mayor Ochsenreiter stated that the ordinance had been read on the first reading and members of Council had been furnished copies of the ordinance, so it would not be re-read unless there was a specific request to do so.

Mr. Larry McDevitt, Attorney representing the petitioner, explained that the whole area is surrounded by business and is not suitable for a residential district. He said that if Council does not approve the rezoning request, it will absolutely destroy the value of the land.

Mr. McDevitt said that he had received a telephone call on October 31, 1977 from Mr. and Mrs. Clamer Miller, owners of property directly across the highway, and that they stated that they do not object to the rezoning requested by Mr. Bridges. Mr. McDevitt further stated that all the surrounding property owners, including the man who had objected at the meeting of the Planning and Zoning Commission Board, do not oppose the rezoning of the property to the Commercial Service District classification.

of the materials being distributed in the Riceville area. He said Mr. Fisher is going to Raleigh for a conference and one of the items on the agenda is the enforcement of the recently enacted State Statute on obscenity.

Vice-Mayor Horton said that Mr. Fisher is to give a report on his Raleigh meeting, and that he will continue to meet with Mr. Fisher as the situation may warrant it.

COUNCILMAN MICHAEL - URBAN REVITALIZATION GRANT

Councilman Michael said that President Carter had just recently signed a bill appropriating 2.5 million dollars for Urban Revitalization and that the City of Asheville should apply for these funds.

City Manager K. M. Michalove said that the City staff had been working on this particular application for the past four (4) months and that it is ready to be submitted.

COUNCILMAN MICHAEL - COMMENTS

Councilman Michael said it was his opinion that if the compensation for serving on City Council were greater, more people would run for office and requested the City Manager to make a comparable study of what other Councilmen receive across the State.

Mayor Ochsenreiter advised Councilman Michael that he had already requested this information from the Institute of Government.

Adjournment.

MAYOR

CITY CLERK

Mr. Veri Emrick advised Council that the Planning & Zoning Commission denied the rezoning request for the following reason:

> "There should be sufficient parking if complying with zoning ordinance and due to drainage problems already existing and additional impact on residential property."

Mr. Emrick said that on October 27, 1977, he received a petition from Clarence N. Gilbert, Attorney representing the property owners on Green Hill Avenue and Deaverview Road, requesting City Council and the Planning and Zoning Commission to deny the rezoning request. He said that based on the petition received from Mr. Gilbert, the 20% rule or 3/4 vote would be in effect, which would require six (6) positive votes to pass the ordinance on its first reading.

Mr. Clarence Gilbert reviewed the petition by stating the following reasons for requesting that the rezoning request be denied:

1. The proposed rezoning will have a depressing effect on residential property values in the area.

2. The proposed rezoning will increase the existing traffic problems on Haywood Road, Deaverview Road, Green Hill Avenue, and connecting streets and avenues.

3. The proposed rezoning with the resulting establishment of business places in the area will increase the noise for the area beyond the tolerance of residents.

4. The matter of drainage and the possible damage which may result to the property owners if any additional property in the area is paved. He said some of the property owners have had most of their entire property covered with water because the water can not be controlled due to the contour of the land in the area.

Dr. Waller explained that their plans call for a buffer line along Green Hill Avenue rather than an access road to Green Hill Avenue and that adequate catch basins will be built and installed in accordance with the specifications of the City Engineer.

Dr. Waller stressed the need for additional parking at the facility for sick patients.

Dr. Waller also explained that a portion of the proposed parking lot would be leased to Western Food Systems, Inc., but that the Mecical Center would be responsible for the project.

Mr. Gary Dodd, Attorney representing Mr. James Rickman, owner of the Sky Lanes Bowling Alley, spoke in opposition to the rezoning request. It was his opinion that this would constitute spot zoning.

Mr. Emrick said that this is not spot zoning because it is contingent to an existing Commercial Highway District zone. He said that a parking lot for a commercial facility cannot be located in an adjoining residential zone.

Councilwoman Swilling said it was her belief that Western Food Systems, Inc. have not caused the drainage problems, since the problem has existed for several years.

Mayor Ochsenreiter closed the public hearing at 3:52 o'clock p.m.

Upon inquiry of Vice-Mayor Horton, Mr. Emrick said that there is no opposition, but that he does not have the authority to change the Planning and Zoning Board's recommendation.

Mr. Verl Emrick, Planning Director, reviewed the following reasons for Planning & Zoning's denial of the rezoning request:

1. The proposed amendment to the City's extraterritorial zoning boundary, if approved by City Council, will eliminate the existing Commercial Service District along this portion of New Leicester Highway. Should this action accur prior to Council's public hearing on this request, any zoning change to a commercial classification would create a spot zone;

2. Within the past thirteen (13) months, two large tracts near this site were rezoned to accommodate proposed shopping center complexes:

   (1) George Stowe Property rezoned to CS on 8-19-76, and
   (2) Buncombe County Property rezoned to CS on 10-21-76.

   It is the staff's opinion that ample area has been provided to satisfy the shopping needs of area residents.

3. Rezoning would be in conflict with the Commission's policy of preventing further strip commercial development within its jurisdictional area.

Vice-Mayor Horton said that it was only a technicality that Council is facing about spot zoning.

On a roll call vote of 5-1, Ordinance No. 996 passed on its second reading, with Councilman Rainey voting "no."

ORDINANCE NO. 997 - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE CAPITAL PROJECTS ORDINANCE EFFECTIVE OCTOBER 15, 1977, TO INCLUDE AN APPALACHIAN REGIONAL COMMISSION GRANT IN THE AMOUNT OF $246,000

3. It was Council's consensus to postpone the second reading of Ordinance No. 997, an ordinance amending the City of Asheville Capital Projects Ordinance effective October 15, 1977, to include an Appalachian Regional Commission Grant in the amount of $246,000 (for water lines on Appalachian Way-Huffman Road and Chestnut Street).

PUBLIC HEARING - REZONING REQUEST - GREEN HILL AVENUE - WESTERN FOOD SYSTEMS, INC. AND WEST ASHEVILLE MEDICAL CENTER

4. A public hearing was held relative to a rezoning request by Western Food Systems, Inc. and West Asheville Medical Center to rezone property on Green Hill Avenue from R-3 Residential District to CH Commercial Highway District.

The City Manager read the advertised notice to the public setting the time and date of the public hearing and presented the affidavit of publication.

Mayor Ochsenreiter opened the public hearing at 3:21 o'clock p.m.

RESOLUTION NO. 77-179 - RESOLUTION AUTHORIZING DIRECTOR OF FINANCE TO SELL SURPLUS PROPERTY

6. Consideration was given to a resolution authorizing the Director of Finance to sell surplus property.

The City Manager read the resolution and explained that there is an old, aluminum boat at the Northfork Reservoir and that the boat has no value to operations at the reservoir and is in the way.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 77-179 was unanimously adopted.

Complete text of Resolution No. 77-179 will be found in Resolution Book No. 10 at page 77.

RESOLUTION NO. 77-180 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH PRICE-RAY CONSTRUCTORS FOR THE PROJECT KNOWN AS "MAIN FIRE HOUSE FLOOR BRACING"

7. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Price-Ray Constructors for the project known as "Main Fire House Floor Bracing."

The City Manager read the resolution.

Mr. Michalove read a memorandum from the Utilities Operations Coordinator which stated that four bids had been received and recommended the approval of the low bid submitted by Price-Ray Constructors in the amount of $12,300.

Upon inquiry of Councilwoman Swilling, Mr. Michalove said that with the additional weight of the trucks and equipment that have been purchased over the years, the bracing of the Main Fire House floor is a precautionary measure.

Councilwoman Swilling moved to accept the recommendation of the Utilities Operations Coordinator and award the bid to Price-Ray Constructors in the amount of $12,300 as set forth in Resolution No. 77-180. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary

Bidder	Bid
Price-Ray Constructors	$12,300.00
Cooper Interprises	$12,885.00
Hutchison Construction Co.	$13,995.00
Bildon, Inc.	$15,640.00

Complete text of Resolution No. 77-180 will be found in Resolution Book No. 10 page page 78.

RESOLUTION NO. 77-181 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH W. & W. CONTRACTING COMPANY FOR THE PROJECT KNOWN AS "SAND HILL ROAD - GREENBRIAR ROAD 16-INCH WATER LINE"

The City Manager read the ordinance.

Councilman Morris moved to table the ordinance until November 10, 1977, to give members of Council an opportunity to view the property in question. This motion was seconded by Councilman Michael and carried unanimously.

Vice-Mayor Horton said that there is a conflict between the property owners and the desires of the business interest. He agreed that the property should be viewed again due to the information heard today and he would like to talk to some of the property owners.

Vice-Mayor Horton requested a staff member to view the property and review the proposed plans for the catch basins.

Councilwoman Swilling said that a speed limit sign had been down on the hill at Green Hill Avenue and also, there was a large amount of brush at the intersection of Haywood Road and Patton Avenue.

PROCLAMATION - UNITED STATES MARINE CORPS WEEK IN ASHEVILLE, NORTH CAROLINA

Mayor Ochsenreiter proclaimed November 6 - 12, 1977 as "United States Marine Corps Week in Asheville, North Carolina."

ORDINANCE NO. 999 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

5. Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1977-78.

The City Manager read the ordinance and explained that the appropriations and associated revenues of the Federal Programs Division would be combined with the appropriations and associated revenues of the Accounting Division, because the City of Asheville Federal Programs Officer had been promoted to the position of City Accountant.

Councilwoman Swilling moved for the adoption of Ordinance No. 999. This motion was seconded by Councilman Michael.

Councilwoman Swilling stated that Mrs. Charlotte Tell, City Accountant, is very qualified and that the City is very fortunate to have such a fine, qualified department head.

On a roll call vote of 6-0, Ordinance No. 999 passed on its first reading.

Councilwoman Swilling moved to suspend the rules and proceed to the second reading of Ordinance No. 999. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 999 passed on its second reading.

Councilwoman Swilling moved to suspend the rules and proceed to the third and final reading of Ordinance No. 999. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 999 passed on its third and final reading.

Complete text of Ordinance No. 999 will be found in Ordinance Book No. 8 at page 1.

Bid Summary

Bidder	Bid
Institutional Interiors, Inc.	$5,250.00
Talmans of Asheville	$4,476.38
Southern School Service, Inc.	$ -
Castt Office Furniture	$4,215.00
Morgan Brothers School Supply, Inc.	$4,327.38

BIDS - POWER PAPER CUTTER FOR THE PRINT SHOP DIVISION

11. Consideration was given to bids received October 31, 1977 for a power paper cutter for the Print Shop Division.

The City Manager read a memorandum from the Purchasing Agent which stated that three (3) bids had been received and recommended the approval of the low bid submitted by Young Phillips Sales in the amount of $3,700.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to Young Phillips Sales in the amount of $3,700. This motion was seconded by Councilwoman Swilling and carried on a 5-1 vote, with Councilman Michael voting "no."

Bid Summary

Bidder	Bid
Addressograph-Multigraph Corporation	$4,260.70
Walter Floyd Company	$3,895.00
Young Phillips Sales	$3,700.00

BIDS - UNIFORMS FOR THE ASHEVILLE FIRE DEPARTMENT

Consideration was given to bids received November 2, 1977 for uniforms for the Asheville Fire Department.

The City Manager read a memorandum from the Purchasing Agent which stated that two bids had been received and recommended the approval of the low bid submitted by Asheville Army Store in the amount of $6,136.68.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to Asheville Army Store in the amount of $6,136.68. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
Asheville Army Store	$6,136.68
Stinnette Uniform Sales	$6,969.60

CLAIM - MR. AND MRS. JAMES E. McCARTY

The City Manager presented a claim for damages from Mr. and Mrs. James E. McCarty.

8. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with W. & W. Contracting Company for the project known as "Sand Hill Road - Greenbriar Road 16-Inch Water Line."

The City Manager read the resolution.

Mr. Michalove read a memorandum from the Utilities Operations Coordinator which stated that three (3) bids had been received and recommended the approval of the low bid submitted by W. & W. Contracting Company in the amount of $119,810.

Mr. Michalove said that the purpose of this project is to complete a 16-inch water line in the West Asheville area to increase the amount of water the City is putting in that area.

Councilman Hoyle moved to accept the recommendation of the Utilities Operations Coordinator and award the bid to W. & W. Contracting Company in the amount of $119,810 as set forth in Resolution No. 77-181. This motion was seconded by Councilman Rainey and carried unanimously.

Bid Summary

Bidder	Bid
W. & W. Contracting Company	$119,810.00
Taylor and Murphy Construction Company	$134,605.00
Hobson Construction Company	$161,660.00

Complete text of Resolution No. 77-181 will be found in Resolution Book No. 10 at page 79.

RESOLUTION NO. 77-182 - RESOLUTION RE-APPOINTING A MEMBER TO THE CITY OF ASHEVILLE BOARD OF ALCOHOLIC CONTROL

9. Consideration was given to a resolution re-appointing a member to the City of Asheville Board of Alcoholic Control.

The City Manager read the resolution re-appointing Mr. J. W. Byers to the Board of Alcoholic Control for a term of three (3) years, term expiring November 13, 1980.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 77-182 was unanimously adopted.

Complete text of Resolution No. 77-182 will be found in Resolution Book No. 10 at page 80.

BIDS - FOLDING TABLES AND CHAIRS FOR USE AT VARIOUS RECREATION CENTERS

10. Consideration was given to bids received October 26, 1977, for folding tables and chairs for use at the various Recreation Centers.

The City Manager read a memorandum from the Purchasing Agent which stated that five (5) responsive bids had been received and recommended the approval of the low bid submitted by Castt Office Furniture in the amount of $4,215.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to Castt Office Furniture in the amount of $4,215. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Mrs. William Munsen, 351 Lakeshore Drive, spoke in opposition to the poles being installed on her property.

Upon inquiry of Councilman Rainey relative to there being some environmental or aesthetic ordinance that would permit the City to request CP&L to decease their present program and re-examine it, Mr. J. E. Johnson, Chief Building Inspector, said that the Inspection Department and the City has no jurisdiction as to what CP&L does with their lines.

Mr. Paul Lominac, 656 Lakeshore Drive, spoke in opposition to the poles and suggested that the poles be routed up the Beaverdam Creek.

Councilman Rainey urged Council to use "moral suasion" at this point to attempt to get CP&L to reconsider the project, and, in the future, suggested an amendment to the Zoning Ordinance that would allow Council to have a role in the location of such poles and regulate the height of poles in residential areas. He also suggested that the property owners go back to any agreement that they or their predecessors made with CP&L or the development company in their area made with CP&L and seek legal advise as to whether or not that understanding at that time included only local lines rather than high tension transmission lines.

Upon inquiry of Councilman Hoyle, it was explained that 80 foot poles instead of 40 foot poles are being installed because of the amount of voltage needed for the force field.

Councilwoman Swilling moved that the Mayor meet with Mr. E. Charles Dyson, CP&L's Western Division General Manager, and communicate the concern of Council on behalf of the citizens of Asheville, to see what can be done on this problem. This motion was seconded by Councilman Rainey and carried unanimously.

In response to Councilman Rainey's question relative to who controls the air rights over City streets, Mayor Ochsenreiter said that the Utilities Commission has probably got ground rules established for lines crossing the City streets. Mr. Moore was requested to look into the matter.

Mayor Ochsenreiter said that he would have a report after the meeting and would call a representative of the area with the results of that meeting with Mr. Dyson.

VIRGIL R. McCONNELL - SHILOH COMMUNITY CENTER

Mr. Virgil McConnell read the following memorandum to Council relative to the evacuation of the Shiloh Community Center:

"We, the Shiloh residents, were told during Community Development Meetings that one section of the Shiloh Community Center would remain available for our use for some period of time during the construction period. We are now being told to completely evacuate the building as of November 15, 1977.

Since the new, lower section should have been completely renovated prior to construction of the new gymnasium; the Shiloh Community therefore request that we be granted continued use of the new, lower section including the gymnasium under proper supervision and with heating facilities after construction hours as the following needs arrive:

1. Basketball practice for the junior, senior and adult groups.
2. Community meetings.
3. Recreation of various kinds for all age groups.

Mayor Ochsenreiter referred the claim to Corporation Counsel for investigation and recommendation.

CLAIM - JAMES F. COLLINS, MANAGER OF FRAGGE SURGICAL SUPPLIES, INC.

The City Manager presented a claim for damages from Mr. James F. Collins, Manager of Fragge Surgical Supplies, Inc.

Mayor Ochsenreiter referred the claim to Corporation Counsel for investigation and recommendation.

Mayor Ochsenreiter called for a five (5) minute recess at 4:20 o'clock p.m. The meeting reconvened at 4:25 o'clock p.m.

Councilman Michael was excused from the meeting at 4:22 o'clock p.m.

PUBLIC HEARING SCHEDULED - RE-EMPLOYMENT AND RESIDENCY OF CITY EMPLOYEES

The City Manager requested that City Council schedule a public hearing relative to two amendments to the Asheville Civil Service Rules and Regulations passed by the Asheville Civil Service Board regarding Rule 9 "Re-Employment" and Rule 11 "Residency of City Employees".

Councilman Morris moved to schedule a public hearing on the matter for November 17, 1977. This motion was seconded by Vice-Mayor Horton and carried unanimously.

80 FOOT UTILITY POLES BEING INSTALLED IN NORTH ASHEVILLE

Mr. Bill Wilkins, Chairman of the Lakeview Park Commission, expressed concern about the 80 foot power lines that are being installed from Beaverdam Road out to the Elk Mountain Sub-Station.

City Attorney William C. Moore read the right-of-way agreement giving Carolina Power and Light permission to place power line poles in the area.

Mr. Emrick explained that the zoning ordinance does have some requirements about the installation of power lines, but as it relates specifically to the facility itself. He said the ordinance at this point, does not address nor regulate placement of sub-stations.

Councilman Rainey said that for the past few weeks, he has expressed concern for the 80 foot high utility poles carrying a high level of electricity transmission lines to the sub-station. He was specifically concerned about the high tension wires in a residential area. He said that there should not be poles over 40 feet in residential areas and that the City should amend the zoning ordinance to prohibit this type of development in the future. Also, that Council should assume a role in the aesthetic aspect of the sub-station. He also suggested that the Zoning Ordinance be amended to permit Council to oversee and examine future sub-station development. He said that more notice should be given to area residents by CP&L.

Mr. Charles Phillips, 45 Edgewater Lane, spoke in opposition to the utility poles being installed saying that some of the property owners land will be depreciated by $5,000 - $10,000. He said that people will not buy homes with these huge poles in front of them.

Mr. W. C. Moore said that the City has no jurisdiction in the matter and told the property owners that the CP&L right-of-way was between the company and the property owners themselves.

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr.; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Prior to the opening of the November 10, 1977 meeting of the City Council, Mayor Ochsenreiter requested Reverend Cecil Sherman, First Baptist Church, to give the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 3, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Swilling, the minutes of the November 3, 1977 meeting were approved as submitted.

ORDINANCE NO. 997 - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE CAPITAL PROJECTS ORDINANCE EFFECTIVE OCTOBER 15, 1977, TO INCLUDE AN APPALACHIAN REGIONAL COMMISSION GRANT IN THE AMOUNT OF $246,000

2. Consideration was given to the second reading of Ordinance No. 997, an ordinance amending the City of Asheville Capital Projects Ordinance effective October 15, 1977, to include an Appalachian Regional Commission Grant in the amount of $246,000.

The City Manager asked Council to table Ordinance No. 977 in lieu of passing a new ordinance. He explained that there was so much rewriting done to Ordinance No. 977, he thought it would be best to table it and present a new ordinance for Council's consideration.

Councilman Hoyle moved to table Ordinance No. 977. This motion was seconded by Councilman Rainey and carried unanimously.

ORDINANCE NO. 1000 - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE CAPITAL PROJECTS ORDINANCE EFFECTIVE OCTOBER 15, 1977 TO INCLUDE AN APPALACHIAN REGIONAL COMMISSION GRANT IN THE AMOUNT OF $246,000

Consideration was given to an ordinance amending the City of Asheville Capital Projects Ordinance effective October 15, 1977 to include an Appalachian Regional Commission Grant in the amount of $246,000.

The City Manager read the ordinance and explained that this was for water lines on Appalachian Way-Huffman Road and Chestnut Street.

Vice-Mayor Horton moved for the adoption of Ordinance No. 1000. This motion was seconded by Councilman Morris.

Upon inquiry of Councilwoman Swilling, Mr. Michalove explained that the contracts and cooperation agreements are mainly those contracts between the City and the Federal government.

On a roll call vote of 6-0, Ordinance No. 1000 passed on its first reading.

We would certainly appreciate it if you, the City Council of Asheville, North Carolina, would give your approval to this memorandum.

Virgil R. McConnell, President
Advisory Group to the
Shiloh Community Center and the
Community Residents Committee"

He said that the project bids have not been let and it would probably be months before a bid is received and he said that there is no reason why the residents should evacuate the Shiloh Community Center at this time.

Councilwoman Swilling requested the City Manager to prepare a report on the situation for the Council meeting on November 10, 1977.

COUNCILMAN RAINEY - STATUS OF THE SENIOR OPPORTUNITY CENTER VAN

Upon inquiry of Councilman Rainey, Mr. Michalove said that the specifications were being prepared by Mr. Ray Kisiah and Mr. James Parris for the van at the Senior Opportunity Center.

COUNCILMAN RAINEY - STATUS OF THE BOHANNAN PROPERTY

City Manager K. M. Michalove said that the City plans to make the improvements in the alley recommended by Mr. Clark Brown, Street Superintendent, and that the City is now obtaining releases from the adjoining property owners. He said that the City does not feel it can do the construction as recommended by Mr. Bohannan nor can the City sign the agreement as he requested.

Adjournment.

MAYOR

CITY CLERK

PUBLIC HEARING - THE MANOR INN - REZONING REQUEST

5. Mayor Ochsenreiter said that the peitioner requested that the public hearing on The Manor Inn rezoning request be removed from the agenda.

PUBLIC HEARING - REZONING REQUEST - MR. G. N. KOON - TUNNEL ROAD

ORDINANCE NO. 1001 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

6. A public hearing was held relative to a rezoning request by Mr. G. N. Koon to rezone property on Tunnel Road from R-3 Residential District to CH Commercial Highway District and from CH Commercial Highway District to R-3 Residential District.

The City Manager read the advertised notice to the public setting the time and date of the public hearing and presented the affidavit of publication.

Mayor Ochsenreiter opened the public hearing at 3:30 o'clock p.m.

Mr. Emrick advised Council that the Planning and Zoning Commission recommended approval of the rezoning request for the following reasons:

1. That portions of property in immediate proximity to G. N. Koon property are already zoned CH Commercial Highway. Extending this zoning to include subject property would not be spot zoning.

2. The erection of a shopping center complex in the area would be beneficial to the general area and not out of line with present usage in the general area.

3. This rezoning would remedy the disparate zoning already in the area by extending the R-3 Residential zoning to include more land and bring other property in line with commercial development by rezoning it CH Commercial Highway as is other property around it.

Mr. Lombard Williams, 32 Grandview Place, said that the residents on Grandview Place want to keep the street as a dead-end. Mr. Williams said that the residents do not want an apartment complex put in there, because Grandview Place is a very narrow street and cannot accommodate extra traffic. He also requested that an 8' chain link fence with slats be provided on the eastern and western property lines abutting residential areas and that traffic breakers be installed in the parking lot.

Mr. G. N. Koon said that the fence around his property now has been cut several times and the fence has not stopped people or cars going through his property. Mr. Koon said that the speed breakers could easily be installed. He said that it is not his intention to put any additional traffic on Grandview Place. He said that his development will not cause any water run-off problems.

Mr. Cecil Moss, 25 Grandview Place, spoke in favor of the 8' chain link fence around the petitioner's property.

Mayor Ochsenreiter closed the public hearing at 3:50 o'clock p.m.

The City Manager read the ordinance.

Councilwoman Swilling moved to suspend the rules and proceed to the second reading of Ordinance No. 1000. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1000 passed on its second reading.

Councilman Hoyle moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1000. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1000 passed on its third and final reading.

Complete text of Ordinance No. 1000 will be found in Ordinance Book No. 8 at page 2 .

ORDINANCE NO. 996 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

3. Consideration was given to the third and final reading of Ordinance No. 996, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (rezoning request by Mr. J. F. Bridges, Jr., to rezone property on the east side of Leicester Highway from R-3 Residential District to CS Commercial Service District).

Mayor Ochsenreiter stated that the ordinance had been previously read on the first reading and members of Council had been furnished copies of the ordinance, so it would not be reread unless there was a specific request to do so.

Mr. Larry McDevitt, Attorney representing the petitioner, reviewed the reason for the rezoning request, that being that the whole area is surrounded by business and is not suitable for a residential district.

On a roll call vote of 5-1, Ordinance No. 996 passed on its third and final reading, with Councilman Rainey voting "no."

Complete text of Ordinance No. 996 will be found in Ordinance Book No. 7 at page 345.

ORDINANCE NO. ____ - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

4. Consideration was given to an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (rezoning request by Western Food Systems, Inc. and West Asheville Medical Center to rezone property on Green Hill Avenue from R-3 Residential District to CH Commercial Highway District.)

Mr. Verl Emrick, Planning Director, said that the petitioner had notified him and requested that Council delay action on this request until some of the problems experienced could be worked out.

Vice-Mayor Horton moved to postpone action on this request until the petitioner requests that it be brought back to Council. This motion was seconded by Councilman Michael and carried unanimously.

PUBLIC HEARING - ASHEVILLE UNIFORMED POLICEMEN'S RETIREMENT PLAN AND TRUST AND ASHEVILLE UNIFORMED FIREMEN'S RETIREMENT PLAN AND TRUST

ORDINANCE NO. 1002 - ASHEVILLE UNIFORMED POLICEMEN'S RETIREMENT PLAN AND TRUST

ORDINANCE NO. 1003 - ASHEVILLE UNIFORMED FIREMEN'S RETIREMENT PLAN AND TRUST

8. A public hearing was held relative to establishing the Asheville Uniformed Policemen's Retirement Plan and Trust and the Asheville Uniformed Firemen's Retirement Plan and Trust.

The City Manager read the advertised notice to the public setting the time and date of the public hearing and presented the affidavit of publication.

Mayor Ochsenreiter opened the public hearing at 3:56 o'clock p.m.

Upon inquiry of Mayor Ochsenreiter, Corporation Council William C. Moore read Section 14 of the Charter as follows:

> "Ordinances must be read on three (3) separate occasions, but this requirement may be dispensed with a vote of not less than 2/3 vote of the members of the Council. The final reading of the ordinance shall be in full unless a copy thereof shall have been furnished to the members of Council present prior to the reading."

The City Manager explained that in June, 1977, the City Council had passed two readings of an ordinance that would have established a new retirement plan for new police and fire uniformed personnel. The purpose of the new plan was to take the place of The Asheville Policemen's Pension and Disability Fund and The Asheville Firemen's Pension and Disability Fund which were frozen by the 1977 General Assembly. However, after some investigation, it turns out that it is possible for the new police and fire uniformed personnel to go into the State Local Government Employees Retirement Plan. In order to accomplish this according to State regulations, Mr. Michalove suggested that the City Council approve the new City designed retirement plan for new police and fire uniformed employees and begin immediately to transfer the members of that plan to the Local Government Employees Retirement Plan. Mr. Michalove emphasized that all uniformed policemen and firemen employed by the City on or after December 1, 1977 will, as a condition of their employment, be members of one of the new plans (The Asheville Uniformed Policemen's Retirement Plan and Trust or The Asheville Uniformed Firemen's Retirement Plan and Trust). He said the process of transferring those who will go under the new plan to the State Local Government Employees Retirement Plan will probably take from six to twelve months.

Mr. John Parris expressed appreciation to the City Manager, Mayor Ochsenreiter and Council members for all their interest and work that had been shown in the present police and fire plan. He requested that the following letter from the International Association of Fire Fighters be inserted into the minutes:

"Carl C. Messer, Secretary-Treasurer
Local 865-Asheville
34 Salem Avenue
Asheville, NC 28804

Dear Brother Messer:

Councilwoman Swilling moved for the adoption of Ordinance No. 1001. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 1001 passed on its first reading.

Vice-Mayor Horton requested Planning Director Verl Emrick to contact the adjoining property owners at the time the site plan is up for Council's consideration.

Councilwoman Swilling moved to suspend the rules and proceed to the second reading of Ordinance No. 1001. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1001 passed on its second reading.

Councilman Morris introduced Mrs. Corbett, who has worked 28,000 hours at the Veterans Administration Hospital on a volunteer basis. He commended Mrs. Corbett for her dedication and her efforts in helping people.

PUBLIC HEARING - REZONING REQUEST - HAZEL MILL ROAD - WACHOVIA BANK AND TRUST COMPANY

7. Mayor Ochsenreiter said that the petitioner requested that this public hearing be taken off the agenda. Mr. Michalove suggested that the public hearing be postponed until November 17, 1977 so that the City can clarify the petitioner's request.

Councilman Hoyle moved that the public hearing be postponed until November 17, 1977. This motion was seconded by Councilman Michael and carried unanimously.

ORDINANCE NO. 957 - AN ORDINANCE ESTABLISHING THE ASHEVILLE UNIFORMED PERSONNEL RETIREMENT PLAN AND TRUST

City Manager K. M. Michalove requested Council to table Ordinance No. 957 so a new ordinance could be presented for Council's consideration.

Councilwoman Swilling moved to table Ordinance No. 957. This motion was seconded by Councilman Rainey.

Councilman Morris suggested that Council defeat this ordinance instead of tabling it, because if it was tabled, it could be brought up again and voted on.

Councilwoman Swilling withdrew her motion to table Ordinance No. 957. Councilman Rainey withdrew his second.

Mr. Wolcott read the following paragraph from the minutes of the May 31, 1977 Council meeting relative to Ordinance No. 957:

> "Councilman Morris moved to continue the third reading of Ordinance No. 957 until June 9, 1977. This motion was seconded by Councilman Rainey and carried unanimously."

It was decided that Ordinance No. 957 was an ordinance to be continued for the third reading.

Councilman Michael moved for the third and final reading of Ordinance No. 957. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 1-5, Ordinance No. 957 was defeated on its third and final reading, with Councilman Michael voting "yes."

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 1002. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1002 passed on its second reading.

It was noted that each member of Council had received and been provided a copy of this ordinance and plan prior to the third reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1002. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1002 passed on its third and final reading.

Complete text of Ordinance No. 1002 will be found in Ordinance Book No. 8 at page 5.

The City Manager read the ordinance establishing The Asheville Uniformed Firemen's Retirement Plan and Trust.

Councilman Rainey moved for the adoption of Ordinance No. 1003. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 1003 passed on its first reading.

Councilwoman Swilling moved to suspend the rules and proceed to the second reading of Ordinance No. 1003. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1003 passed on its second reading.

It was noted that each member of Council had received and been provided a copy of this ordinance and plan prior to the third reading.

Councilman Rainey moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1003. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1003 passed on its third and final reading.

Complete text of Ordinance No. 1003 will be found in Ordinance Book No. 8 at page 37.

RESOLUTION NO. 77-183 - RESOLUTION DIRECTING THE CITY MANAGER TO PROCEED WITH A REQUEST TO THE STATE OF NORTH CAROLINA TO ENROLL POLICEMEN AND FIREMEN OF THE CITY OF ASHEVILLE EMPLOYED AFTER DECEMBER 1, 1977 INTO THE LOCAL GOVERNMENT EMPLOYEES' RETIREMENT SYSTEM

Consideration was given to a resolution directing the City Manager to proceed with a request to the State of North Carolina to enroll policemen and firemen of the City of Asheville employed after December 1, 1977 into the Local Government Employees' Retirement System.

Received your so-called "proposed pension plan" and my analysis indicate the following:

Under no consideration should this plan be termed the Pension and Retirement Benefits Act. It is basically a "retirement savings program," i.e., at termination you can secure your contribution plus all earned interest. We know that the contribution rate of 5 percent by the employer and employee is unreasonable to set up an actuarial, sound and meaningful pension system for public employees. You are well aware the new plan affects all employees hired after June 10, 1977.

With regard to a widow or beneficiary, no payments would be made except those in the 'unused separate account money with interest.' You should also be aware the employer has the right, at any time, to modify, alter, or amend the plan. Also, the employer reserves the right to terminate the plan, at any time, including the right to terminate his contribution at any time. Such termination shall be made without the consent of the trustee, participant, beneficiary, or even the citizens of your city.

I have enclosed for your evaluation a digest of the 'Federal Pension Reform Act' prepared by Martin Segal and Company.

This particular Act does not apply to city employees at this time, however, we anticipate that coverage can be expected within five years. You will note in this digest many items of concern in your retirement savings plan would be illegal under the new Pension Reform Act. For all practical purposes, disability coverage and survivors benefits, which are the backbone of firefighters' pension systems, are woefully neglected in your ordinance.

Retirement savings plans are very similar to 'profit sharing' used by many companies as an added inducement to the social security system. However, under these plans, it would be unthinkable that the employer could unilaterally terminate his part of the agreement. The question of termination unilateral by the employer was the number one priority for passage of the Pension Reform Act.

I am returning your copy of the ordinance.

If we can be of assistance to you in the future, please feel free to call upon us.

Fraternally,

Walt Lambert, Director
Department of Research"

Mr. Cecil Burnette also expressed many thanks to the people who worked on improving these plans.

Mayor Ochsenreiter closed the public hearing at 4:06 o'clock p.m.

The City Manager read the ordinance establishing The Asheville Uniformed Policemen's Retirement Plan and Trust.

Councilwoman Swilling moved for the adoption of Ordinance No. 1002. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 1002 passed on its first reading.

The City Manager read the ordinance and explained that the funding for the operation of the Police/Fire Cadet Program was not included in the City's Operating Budget for Fiscal Year 1977-78. Mr. Michalove said that the Operating Budget for the City of Asheville Fiscal Year 1977-78 would be amended by appropriating $122,475 in the Federal Programs Fund for the Police/Fire Cadet Program. He pointed out that the remaining $40,825 of the $163,300 total grant would be included in the Operating Budget for Fiscal Year 1978-79 Budget for the operation of the project.

Councilman Michael moved for the adoption of Ordinance No. 1005. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 6-0, Ordinance No. 1005 passed on its first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 1005. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1005 passed on its second reading.

Councilman Hoyle moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1005. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1005 passed on its third and final reading.

Complete text of Ordinance No. 1005 will be found in Ordinance Book No. 8 at page 70.

RESOLUTION NO. 77-184 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR A WATER LINE CROSSING US 19-23 (CANTON HIGHWAY) IN BUNCOMBE COUNTY

11. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water line crossing US 19-23 (Canton Highway) in Buncombe County.

The City Manager read the resolution and explained that the resolution authorizes the Mayor to execute a right-of-way agreement with the North Carolina Department of Transporation for the installation of a 2-inch water line, which will cross under US 19-23 (Canton Highway).

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 77-184 was unanimously adopted.

Complete text of Resolution No. 77-184 will be found in Resolution Book No. 10 at page 82.

RESOLUTION NO. 77-185 - RESOLUTION AUTHORIZING THE ESTABLISHMENT OF THE ASHEVILLE-BUNCOMBE COMMISSION ON THE STATUS OF WOMEN

12. Consideration was given to a resolution authorizing the establishment of the Asheville-Buncombe Commission on the status of women.

The City Manager read the resolution and explained that the Study Commission on the Status of Women recommended an ongoing Commission. He said that the purpose of

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 77-183 was unanimously adopted.

Upon inquiry of Vice-Mayor Horton relative to the difference in the cost on this employee retirement plan as opposed to the other one we had, Mr. W. Michael Smith, Director of Central Services, said that there would be some extra cost to both the City and the employees.

Mayor Ochsenreiter explained that those who are in the current plan of the police and fire which is frozen, will have the option to join the State Plan.

Complete text of Resolution No. 77-183 will be found in Resolution Book No. 10 at page 81.

ORDINANCE NO. 1004 - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE FISCAL 1977-78 ANNUAL OPERATING BUDGET

9. Consideration was given to an ordinance amending the City of Asheville Fiscal 1977-78 annual Operating Budget.

The City Manager read the ordinance and explained that this grant was not anticipated. He said it was received by the Pack Memorial Library on September 23, 1977 under Title I of the Library Services and Construction Act in the amount of $9,002. He said the purpose of the program was to establish outreach activities through the Library system and this was 100% federally funded. Mr. Michalove said that the 1977-78 Operating Budget for the City of Asheville would be amended by increasing the estimated revenues and appropriations in the Library Trust Fund to reflect the grant.

Vice-Mayor Horton moved for the adoption of Ordinance No. 1004. This motion was seconded by Councilman Hoyle.

On a roll call vote of 6-0, Ordinance No. 1004 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1004. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1004 passed on its second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1004. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1004 passed on its third and final reading.

Complete text of Ordinance No. 1004 will be found in Ordinance Book No. 8 at page 69.

ORDINANCE NO. 1005 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

10. Consideration was given to an ordinance amending the Operating Budget of the City of Asheville for Fiscal Year 1977-78.

First of all, we cannot define the portion of your motor grader specification which refers to a 'full powershift transmission' as this can be interpreted in two ways:

1) Ability to shift under full engine power: both our 4 and 6 speed 28000 series transmissions have this ability.

2) Powershift in all gears: our 4-speed transmission has the ability to powershift in all gears, both forward and reverse and through the range gears. Our 6-speed transmission can be powershifted from forward to reverse and from 1st to 2nd, 2nd to 3rd, 4th to 5th and 5th to 6th. The shift from 3rd to 4th is a mechanical range shift and the vehicle must be stopped to perform this shift.

As you can see, the above two interpretations are quite different. If your selection of the motor grader is going to be in part based on the portion of the specification calling for a 'full powershift transmission', you should determine the intent of the specification. At that point you should be able to determine which transmission best meets this intent.

Both the 4-speed and 6-speed 28000 series transmission designs are based on the same criteria. Input ratings are the same. Our Engineering Department has approved the transmissions for both the Galion and Champion motor graders.

We would like to suggest that you evaluate the transmission in the two graders under consideration based on the overall performance the transmission offers. Speeds and tractive effort should be considered as well as the ease of operation.

Very truly yours,

J. M. Robertson
Project Manager
Industrial Transmissions"

Mr. Michalove also read the following letter addressed to Mr. Jim Terrell, Galion Manufacturing Division, Dresser Industries, Inc. from J. L. Monroe, Clark Equipment Company:

"21 October 1977

Mr. Jim Terrell
Galion Manufacturing Division
Dresser Industries, Inc.
Post Office Box 647
Galion, Ohio 44833

Dear Jim:

Per our conversation today, please note on page 8 of the enclosed brochure where I marked in red. This entire page describes the operation of the 2 through 6 speed transmissions.

The 6 speed version uses a mechanical range shift and the 3 speed clutches and gearing.

Very truly yours,

J. L. Monroe
Product Manager
Industrial Transmissions"

the Commission is to deal with women's concerns and issues, especially as related to sex discrimination in education, employment, community services and other areas. He said the Buncombe County Board of Commissioners also passed a similar resolution.

Upon motion of Councilwoman Swilling, seconded by Councilman Rainey, Resolution No. 77-185 was unanimously adopted.

Mrs. April Sauer, Community Relations Council, expressed appreciation to Councilman Rainey and Mr. Michalove for all the time and effort spent in establishing the Commission. She gave special thanks to Councilwoman Swilling, who she said had supported, encouraged and worked with the Commission for womens' rights as well as human rights.

Councilwoman Swilling thanked Mrs. Sauer for her help in the Commission and her dedication.

Complete text of Resolution No. 77-185 will be found in Resolution Book No. 10 at page 83.

BIDS - ONE DIESEL POWERED TANDEM DRIVE MOTOR GRADER FOR THE STREET DEPARTMENT

13. Consideration was given to bids received October 10, 1977 for one (1) diesel powered tandem drive motor grader for the Street Department.

Mayor Ochsenreiter explained that on October 20, 1977, the City Manager had read a memorandum from the Purchasing Agent which stated that five (5) bids were submitted; however only three (3) were responsive (the other two did not meet specifications). The Purchasing Agent recommended approval of the bid submitted by Western Carolina Tractor Company in the amount of $45,000. He said that based on some concern about the specifications and how they were being read, Council had requested research on the transmission for the motor grader.

Mr. Michalove explained that Mitchell Distributing Company had submitted a bid of $42,000, but was not awarded the bid because it was staff's opinion that the transmission did not meet the specifications. It was decided that since Western Carolina Tractor Company's Model T-500C Galion equipped with a 28000 Series 4-speed Clark Transmission and the Mitchell Distributing Company's Champion Model 715 equipped with a 28000 Series 6-speed transmission were both manufactured by the same Company, he would write the company and ask for a statement as to which of the two transmissions more fully complied with the industry's standards for full power shift transmissions. He read the following letter from Clark Transmission Division of the Clark Equipment Company:

"4 November 1977

Mr. K. M. Michalove
City Manager
City of Asheville
Asheville, North Carolina

Subject: Clark 4-speed and 6-speed 28000 Series Transmission

Dear Mr. Michalove:

This letter is to confirm our telephone conversation of 3 November 1977.

Would you accept a 6-speed forward, six-speed reverse transmission with a dual range shift (3-speeds forward and reverse on one range, then stop machine, shift ranges, then get other 3 speeds) as a FULL POWER SHIFT TRANSMISSION? This Transmission is fully described on page 8 of attached "Clark 2800 Series Transmission" Brochure.

YES	NO	NAME	COMPANY
	X		Warren Bros. Company
	X		Perry M. Alexander Construction Company
	X		Taylor & Murphy Construction Co.
	X		Asheville Contracting
	X		Browning Construction Company Canton, NC
	X		Brummett & Waddell Const. Co. Hendersonville, NC

On November 7, 1977, Mr. George Phipps, Purchasing Agent, received the following letter:

"Champion Road Machinery has notified Mitchell Distributing Co. of Asheville that we have the capability of installing the four (4) speed Clark Power Shift Transmission in the Champion Motor Grader in lieu of the six (6) speed Clark Power Shift Transmission. This will be the customers' option.

This information will enable your city officials to select the power train best suited for your local needs.

Sincerely,

C. E. Beckman
General Sales Manager
Champion Road Machinery International Corporation"

MULTIPLE SPEEDS COMPACT CONFIGURATION

The 2-speed integral torque converter/transmission package (fig. 1) is the basic configuration from which all other models in the series are adapted through the addition of clutch groups, gearing and appropriate transmission case.

The 3-speed short drop version (fig. 2) is achieved by adding one clutch pack, related gearing, front clutch assembly shafts and case.

Basic changes in the 3-speed long drop version (fig. 3) are change of transmission case and additional gearing to create proper drop for 4-wheel-drive adaption. (The three, four, five and six-speed long drop versions all utilize the same transmission case configurations.)

The 4-speed long drop model (fig. 4) is created by adding an additional clutch pack and related gearing.

For the 5-speed long drop version (fig. 5), add another clutch pack and its related gearing.

The two, three, four and five-speed versions of the 28000 Series are fully power-shifted in all speeds forward and reverse.

To obtain the 6-speed long drop version (fig. 6), we utilize a mechanical range shift. This version, while not fully power-shifted, utilizes the basic 3-speed clutches and gearing plus the addition of two gears and output shaft modification.

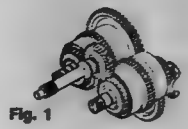

Fig. 1

Fig. 2

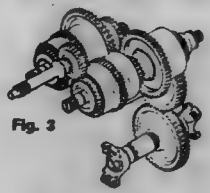

Fig. 3

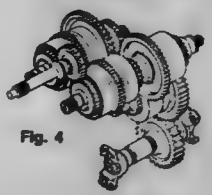

Fig. 4

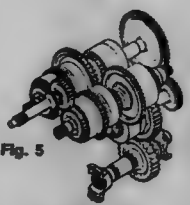

Fig. 5

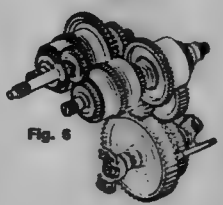

Fig. 6

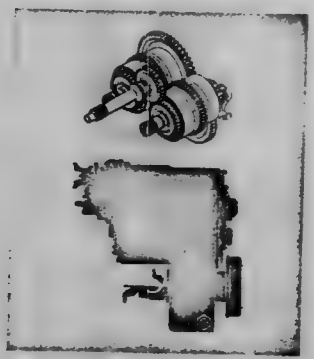
PARTS INTERCHANGEABILITY CUTS INVENTORY

This new family of power shift transmissions continues Clark's philosophy on parts interchangeability.

Clark power shift transmissions are designed for maximum use of a few basic parts. Clutches, gears and bearings interchange among most models and even transmission cases are common on long drop versions.

Design simplicity is such that parts inventory can be minimized. For example, there are only 25% more parts required in a 4-speed as compared to the basic 2-speed. Torque converter, charging pump, pump drives and filter are interchangeable on all models. This commonality of parts allows a user to stock fewer parts to service many vehicles.

Common parts usage assures a ready supply of on-hand parts in the field with minimum parts inventory.



it is a 100% reimbursable program through the Governor's Highway Safety Program. He said the additional appropriation is to allow the program to lodge all thirty (30) students for the full six (6) weeks period.

Councilman Michael moved for the adoption of Ordinance No. 1006. This motion was seconded by Councilwoman Swilling.

On a roll call vote of 6-0, Ordinance No. 1006 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1006. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1006 passed on its second reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1006. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1006 passed on its third and final reading.

Complete text of Ordinance No. 1006 will be found in Ordinance Book No. 8 at page 71.

RESOLUTION NO. 77-186 - RESOLUTION ESTABLISHING CITY GOVERNMENT WEEK

15. Consideration was given to a resolution establishing City Government Week.

The City Manager read the resolution and explained that the quality and quantity of City services are often taken for granted by our City residents without special acknowledgement of the time and effort expended on the part of City employees. In order to give special acknowledgement to the City employees' efforts, the City of Asheville has designated the third week of November annually as "City Government Week" to honor City employees and to say thank you for the many tireless hours of work given in behalf of the City of Asheville.

Mayor Ochsenreiter said that he had visited numerous City departments and offices and had even been out with employees providing City services. From these experiences, he said it was evident that City employees do deserve special recognition. The Mayor said he had requested that the City Manager establish a Speakers Bureau next fall, which would consist of City Department Heads who would explain various City operations. The Bureau would be available to the Civic Clubs in Asheville. He said he hoped the Civic Clubs would cooperate in the recognition of City employees by giving meritorious awards to outstanding employees for their efforts over the past year.

Councilwoman Swilling said that being a former City employee, she knows what this type of appreciation from the Council means to the present City employees. It was her opinion that this Council would go down in history as being a Council that was aware, respected and admired the dedication of City employees of Asheville. She said she considered it an honor to be a servant of the citizens of Asheville, but to have worked with a group and staff under the leadership of Mr. Michalove and Mr. Wolcott to accomplish difficult and hard situations, is a greater honor.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 77-186 was unanimously adopted.

Complete text of Resolution No. 77-186 will be found in Resolution Book No. 10 at page 84.

Mr. Michalove explained that after two weeks of research, Mitchell Distributing Company (2nd low bidder) now reply that they can obtain the 4-speed transmission and therefore meet the specifications.

Mr. Michalove recommended the acceptance of the third lowest bid submitted by Western Carolina Tractor Company in the amount of $45,000, because he felt that when the City puts out bid specifications, the City should stick by the specifications and the bidders on products for the City need to know that the City will stick by what they put out in specifications.

Mayor Ochsenreiter explained that a full power shift transmission can be shifted into any gear while the machine is moving and that Mitchell Distributing Company's Champion machine has six (6) forward and six (6) reverse gears, but to shift from low to high, the machine must be brought to a complete stop before shifting from one to the other range.

Mr. Rick Dillingham, Mitchell Distributing Company, said that he understood the reason for the City wanting to stick by the specifications, but he said that they were not clearly written. It was his belief that his company had met all of the sixteen (16) specifications. He said that the specifications read that the transmission shall have a 4-speed forward and 4-speed reverse and be a full power shift and have a capability of going 20 mph. He said that the specifications said nothing about the transmission should be able to shift from 1, 2, 3, and 4. He was his opinion that Mitchell Distributing Company could, even sticking to what they had bid with a 6-speed transmission, do the City a better job, save the City $3,000 or meet the bids exactly and still save the City $3,000.

Councilman Michael said that Mitchell Distributing Company was not at fault for not meeting specifications, because they thought they had. He pointed out that Mitchell Distributing Company can meet all the specifications and still save the $3,000. He said that the City should re-submit the bids or accept Mitchell Distributing Company's bid.

Mr. Rick Dillingham said that Mitchell Distributing Company can offer the 4-speed full power shift transmission, exactly like the Galion motor grader, but he would still recommend their 6-speed transmission.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to Western Carolina Tractor Company in the amount of $45,000. This motion was seconded by Councilman Hoyle and carried on a 5-1 vote, with Councilman Michael voting "no."

Bid Summary

Bidder	Bid
Carolina Tractor & Equipment Company	$56,712.00
Western Carolina Tractor Company	$45,000.00
E. F. Craven Company	$45,099.00

ORDINANCE NO. 1006 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

14. Consideration was given to an ordinance amending the Operating Budget of the City of Asheville for Fiscal Year 1977-78.

The City Manager read the ordinance and explained that Council appropriated $39,900 to sponsor a training program entitled "Principles of Police Management." He said that an additional appropriation of $3,720 is needed to operate this program and

(f) Temporary Appointments. The appointing authority may make temporary appointments without test, to positions in the classified service, in the absence of an eligible list for that position. No such temporary appointment shall continue after the establishment of a suitable list or for more than sixty (60) days from the date of appointment, whichever comes first.

(g) Temporary Appointments, Transitory Work. Appointing authorities may make temporary appointments for transitory work without test, but such appointment shall require the consent of the Civil Service Board in each case and no such temporary appointment for transitory work shall continue for more than sixty (60) days nor be renewed.

(h) Non-Competitive Tests. The Civil Service Board may approve the appointment to any position in the classified service requiring qualifications of a scientific, managerial, professional or educational nature based on non-competitive tests. Such tests shall be based on evaluation of training, experience, character, physical condition and any other qualifications as are deemed appropriate by the Civil Service Board, the City Manager or the appointing authority.

(i) Re-Test. No applicant for entrance or promotional appointment may take the same competitive test for a position again for one (1) year following the last date that the applicant took the test.

(j) Test Administration.

(1) Whenever it is necessary to establish a test for a new position or to revise an existing test, the Executive Secretary and the head of the respective department or division, under the supervision of the Personnel Director, shall prepare the test including the criteria for evaluation of experience, training, character, and physical condition.

(2) The Executive Secretary shall be responsible for the duplication and storage of tests in a secure manner and for the administration and proctoring of tests at the time and place designated by the Civil Service Board.

(3) After the tests have been completed, the Secretary shall submit them to one (1) or more members of the Civil Service Board who have been designated by the Director of the Board to examine and review the questions and answers and other materials submitted and grade the papers and report their findings at the next regular or special meeting of the Board.

(4) No test grades shall be made available to the general public or to applicants until after they have been reported and approved at a regular or special meeting of the Civil Service Board. After such time as the grades have been reported and approved by the Board, applicants may review the results of his/her test paper in the presence of the Executive Secretary, but shall not remove the test or its answers from the office of the Executive Secretary."

Councilman Michael said that the rules should be made public as much as possible among the employees advising them that the rules are being changed to make more fair and equitable testing and promotions.

Upon inquiry of Councilman Rainey, Mr. Smith said that perhaps only fifty out of nine hundred and fifty employees would be in the category of non-competitive testing.

The following amendment to Rule 17 "Leaves of Absence" was reviewed by Mr. Smith:

PUBLIC HEARING - CIVIL SERVICE PERSONNEL RULES RECOMMENDED BY THE CIVIL SERVICE BOARD REGARDING TESTING, LEAVES OF ABSENCE AND EMPLOYMENT OF RELATIVES

16. A public hearing was held relative to Civil Service Personnel Rules recommended by the Civil Service Board regarding testing, leaves of absence and employment of relatives.

The City Manager read the advertised notice to the public setting the time and date of the public hearing and presented the affidavit of publication. He said that a memorandum was sent out the department and division heads and City employees advising them that this was going to be considered by the City Council today and in order for City employees to be heard on the matter.

Mayor Ochsenreiter opened the public hearing at 5:40 o'clock p.m.

Mr. Mike Smith asked Council's approval on the following three (3) amendments to the Asheville Civil Service Rules and Regulations passed by the Asheville Civil Service Board on October 5, 1977. The following amendment to Rule 3 "Testing" was reviewed by Mr. Smith:

"3. TESTING:

(a) Definition. For the purposes of this rule, a test shall be any method of fairly measuring the relative fitness of applicants to discharge duties of the position which they seek, and shall take account of character, training, experience and physical condition.

(b) Notice. Public notice of the time and place of all open, competitive tests shall be published in the employment notices of the classified section of the newspaper in the city having the largest and the second largest circulation and shall be posted in a conspicuous place in the City Building at least ten (10) days in advance of the designated test date.

Notice of the time and place of all promotional exams shall be posted in a conspicuous place in the City Building and in each department and division of the City at least ten (10) days in advance of the designated test date.

(c) Entrance Appointment, Skilled. All entrance appointments to positions designated by the Civil Service Board as skilled shall be based on the results of open competitive tests, except as provided in this rule.

(d) Entrance Appointments, Unskilled. All entrance appointments to positions designated by the Civil Service Board as unskilled shall be based on the successful completion of a work performance evaluation conducted within the first sixty (60) days of employment by the appointing authority. During the period of this evaluation, the employee shall be subject to rules and regulations covering temporary appointment.

(e) Promotional Appointments. All promotions in the classified service, except as provided in this rule, shall be based on competitive tests which shall include an evaluation of job performance records, training, character, seniority and physical condition. Promotional appointments shall be open only to members of the classified service at the time the appointment is available. If no such member of the classified service is qualified for the promotional appointment, as shown by the results of a competitive test, the appointment may be opened to persons not currently members of the classified service.

17. LEAVES OF ABSENCE: (Con't)

continuous service with the City of Asheville. Upon the death of a full-time active employee, the City will make payment for all unused accrued annual vacation leave to his or her beneficiary or estate.

(b) Sick Leave. Each member of the administrative and/or classified service of the City of Asheville may be granted sick leave with pay in case of personal illness or disability. It shall be the responsibility of the employee to notify his or her supervisor of the desire to take sick leave not later than two (2) hours after the beginning of the scheduled work day on which the sick leave is taken, or as required by departmental or divisional rules. Failure to provide such notification may result in the denial of sick leave with pay. The following conditions shall apply to sick leave:

(1) Each member of the administrative and/or classified service shall accrue sick leave at the rate of one (1) work day per calendar month for the first five (5) years of service. After five (5) years of service, they shall accrue sick leave at the rate of one and one-quarter (1-1/4) work days per calendar month. Sick leave increments shall accrue on the fifteenth (15th) day of each calendar month.

(2) Sick leave shall accrue indefinitely.

(3) Sick leave credits accumulated by each employee as of the effective date of this rule shall be retained by the employee until used in accordance with the provisions of this rule.

(4) Department and division heads may require a physician's certificate or statement as to the nature of the illness and as to the employee's physical capacity to resume his or her duties as a condition for granting sick leave with pay.

(5) Employees will be granted time off from work to visit the City Infirmary and will be granted sick leave if the Registered Nurse in the City Infirmary certifies to the department or division head that the employee is not able to work. However, no sick leave will be granted to employees who visit the Infirmary and who are not given such a certificate.

(6) No employee shall be paid for accumulated sick leave upon termination for any reason.

(7) No sick leave will be credited to any City employee who is in an unpaid employment status such as maternity leave, unpaid military leave, unpaid educational leave or any other unpaid leave of absence approved by the Asheville Civil Service Board.

"17. LEAVES OF ABSENCE:

(a) Annual Vacation Leave. Each member of the administrative and/or classified service of the City of Asheville shall be entitled to annual vacation leave with pay. The following conditions shall apply to annual vacation leave:

(1) Each member of the administrative and/or classified service shall earn annual vacation leave at the rate of one (1) work day per calendar month for the first five (5) years of service. After five (5) years, they shall earn annual vacation leave at the rate of one and one-fourth (1-1/4) work days per calendar month. Annual vacation leave increments shall accrue on the fifteenth (15th) day of each calendar month.

(2) During the first five (5) years of employment, the maximum limit for accrued annual vacation leave that may be carried into a subsequent calendar year will be twenty-four (24) work days.

After five (5) years of employment, the maximum limit for accrued annual vacation leave that may be carried into a subsequent calendar year will be thirty (30) work days.

(3) No annual vacation leave shall be accrued by any City employee who is not in an active pay status with the City. For example, no annual vacation leave credit will be earned by employees on unpaid maternity leaves, educational leaves, or other leaves without pay exceeding two (2) calendar weeks.

(4) Annual vacation leave credits accumulated by each employee as of the effective date of this rule shall be retained by the employee until used in accordance with the provisions of this rule.

(5) Annual vacation leave may be taken as earned subject to the approval of the department or division head and in accordance with guidelines established in the Rules and Regulations of the department or division in which the employee works.

(6) No annual vacation leave will be granted to any employee until after six (6) calendar months of service unless the denial of such leave would create an extreme hardship.

(7) Upon termination of employment for any reason, a City employee will be paid for all unused accrued annual vacation leave up to a maximum of thirty (30) work days provided that the employee has completed six (6) or more months of

17. LEAVES OF ABSENCE: (Con't)

(h) Educational Leave. A leave of absence at full or part pay not to exceed nine (9) calendar months may be granted to an employee upon the recommendation of the supervising department head and the Personnel Director with the approval of the City Manager to permit an employee to take courses of study which will better equip the employee to perform his or her duties.

An employee granted educational leave with pay shall agree to return to the service of the City of Asheville upon the completion of his or her training and remain in the employ of the City of Asheville for a period equal to twice the educational leave he or she received or reimburse the City for all compensation he or she received while on educational leave.

(i) Leave Without Pay. An employee may be granted leave of absence without pay by the Board for good and sufficient reasons. Such leave shall not exceed one (1) calendar year and must have prior approval of the supervising department head and the City Manager.

(j) Holidays. All full-time City employees will receive full pay for the following holidays:

(1) New Years Day
(2) Easter Monday
(3) July 4th
(4) Labor Day
(5) Thanksgiving Day
(6) Christmas (see schedule below)

When Christmas Falls On:	The Following Days Shall Be Observed As Holidays:
Sunday	December 23, 26, 27 Friday, Monday, Tuesday
Monday	December 22, 25, 26 Friday, Monday, Tuesday
Tuesday	December 24, 25, 26 Monday, Tuesday, Wednesday
Wednesday	December 24, 25, 26 Tuesday, Wednesday, Thursday
Thursday	December 24, 25, 26 Wednesday, Thursday, Friday
Friday	December 24, 25, 28 Thursday, Friday, Monday
Saturday	December 24, 27 Friday, Monday

17. LEAVES OF ABSENCE: (Con't)

(c) Sickness or Disability Covered by Workmen's Compensation. An employee absent from duty because of sickness or disability covered by the North Carolina Workmen's Compensation Act may, with prior approval of his department or division head:

(1) Elect to receive only those payments made under the North Carolina Workmen's Compensation Act without using accumulated vacation or sick leave.

(2) Elect to receive a supplemental payment to make up the difference between his regular salary and the payments received under the North Carolina Workmen's Compensation by using accumulated vacation or sick leave. Such an employee shall have deducted from his accumulated vacation or sick leave that fraction of a day which is the same as the fraction that the supplemental payment for one (1) day is of a regular day's pay.

(d) Maternity Leave of Absence. A maternity leave of absence without pay may be granted for a period not to exceed six (6) calendar months upon the recommendation of the employee's department head and the City Manager. Accrued sick and annual leave may be taken for reasons of maternity, however, the leave of absence must be approved by the Civil Service Board and the period of absence, whether covered by sick leave or unpaid maternity leave of absence, may not exceed six (6) calendar months.

(e) Death in Family. All members of the classified service who have a death in the immediate family may be granted up to three (3) work days excused absence with pay and such leave shall not be charged against the employee's annual or sick leave. For the purposes of this rule, the term "immediate family" shall mean father and mother, brother and sister, spouse, children and anyone acting in that capacity.

(f) Military Leave. An employee who is a member of an Armed Forces Reserve organization or the National Guard shall be granted two (2) calendar weeks of leave for required annual training in a calendar year. Such leave shall be with pay for the first (1st) week and the remaining period may, at the employee's option, be charged to accrued annual leave or leave without pay.

(g) Civil Leave. An employee called for jury duty, or as a witness for Federal or State governments or subdivisions thereof, shall be entitled to civil leave with pay for this absence provided the employee deposits the money received for such duty with the City Accountant.

New Years Day*
July 4th*

*If either falls on a Saturday, Friday will be observed as a holiday. If either falls on a Sunday, Monday will be observed as a holiday.

When Christmas falls on a Saturday, December 24, 27 and 28 will be observed as holidays.

Vice-Mayor Horton moved to amend Rule 17 "Leaves of Absence" as recommended by the Civil Service Board and the City Manager. This motion was seconded by Councilman Hoyle and carried unanimously.

Councilman Hoyle moved to amend Rule 31 "Limitations on the Employment of Relatives by the City of Asheville" as recommended by the Civil Service Board. This motion was seconded by Councilman Michael and carried unanimously.

CITY MANAGER REPORT - SHILOH SCHOOL CONSTRUCTION PROJECT

17. The City Manager read a memorandum from Ray Kisiah, Director of Parks and Recreation, relative to the evacuation of the Shiloh Community Center during construction:

"In response to your request, we can make arrangements for a very limited use of the Shiloh School facilities which will not be demolished but will be renovated for use as a recreation center. However, this use will be extremely limited because there will be no heat available in the building nor will there be any water for toilet facilities and other essential needs, and when the contract is let for the construction of the new gymnasium portion, then use of the building must be abandoned in order to permit time for renovation of this portion of the Shiloh Recreation Center facility.

We are anticipating that the Opportunity Corporation and other programs currently using the physical facilities at Shiloh School will be completely out of the building on or before November 15, 1977. It is then our plan to concentrate upon demolition of the oldest portion of the existing building between November 15 and January 1, 1978. The building should remain virtually unused from January 1 through February 1, 1978, so that basic grading and soil tests may be made and the architects may complete their detailed specifications for the construction for the new building.

It is anticipated that detailed construction bids and specifications will be available to go to bid on February 1, 1978, with bid openings scheduled for approximately March 1, 1978. It is further anticipated that actual construction will then begin on the new building on or about March 15, 1978.

With this construction schedule in mind, it is entirely possible that the gymnasium portion of this building could be used under supervision on a very limited basis, again without heat or water. I do not believe it is feasible for this building to be opened at all after February 15 since the contractors will be moving into the building and renovations will need to be started in the remaining portion of the building.

I would also remind you that we attempted to run a limited type of program during the construction and renovation of the new facilities at the Livingston Street Recreation Center and after several attempts, finally abandoned any effort to operate any type of program during the construction and renovation of these facilities.

Upon inquiry of Councilman Rainey, Mr. Smith said that fire and police personnel have a system where holidays are taken at another period of time if they are scheduled to work on a holiday. He said that it's added to the total vacation and then they take all their vacation at one time including all the holidays that they have accured to date.

In reply to Councilman Rainey's question about operating departments working on holidays, Mr. Smith said that they would receive straight pay for that holiday, in addition to the pay that they earn for working that day. He explained that the employee would receive straight time pay (time not worked) for the holiday and the other pay he would receive would be dependent upon how many hours he worked the rest of the week.

Mr. Smith explained that several questions about maternity leave are before the Supreme Court, one being that if a person coming back from maternity leave will have the same job as they had before they left.

The following amendment to Rule 31 "Limitations on the Employment of Relatives by the City of Asheville" was reviewed by Mr. Smith:

"31. LIMITATIONS ON THE EMPLOYMENT OF RELATIVES BY THE CITY OF ASHEVILLE:

The following limitations are placed on the employment of members of the same immediate family by the City of Asheville:

(a) Employment of members of an immediate family in the same City department or division is prohibited where one member has supervisory authority over any other member. Supervisory authority is defined as the authority to direct the actions while at work of another employee and/or the authority to hire, dismiss, promote or demote any other employee.

(b) No appointing authority, as defined in the Civil Service Law, may select or promote a member of his/her immediate family from an eligible list established by the Asheville Civil Service Board. Persons who are members of an appointing authority's immediate family shall be passed over for consideration whenever the appointing authority is a member of his/her immediate family. Eligibles so passed over will receive consideration in order of their standing on the eligible list when the appointing authority is not a member of the immediate family.

For the purposes of this rule, immediate family shall be defined as wife, husband, mother, father, daughter, son, sister, brother, half-sister, half-brother, step-mother, step-father, step-daughter, step-son, step-sister, step-brother, grandmother, grandfather, granddaughter, grandson, mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law and brother-in-law.

The provisions of this rule shall not be retroactive and no personnel action or employment situation taken prior to its effective date shall be subject to the limitations herein stated."

Mayor Ochsenreiter closed the public hearing at 6:08 o'clock p.m.

Councilwoman Swilling moved to amend Rule 3 "Testing" as recommended by the Civil Service Board. This motion was seconded by Councilman Rainey and carried unanimously.

The City Manager asked that a correction be made on the holidays as follows:

Mr. Delany pointed out the other changes as follows:

1. Greater emphasis on the direct benefit to low and moderate income people.

2. Greater emphasis on the job and job development type of program for low and moderate income people.

3. More emphasis on timely execution of projects in order to qualify for Urban Development Action Grants.

4. Greater emphasis must be placed on housing goals and the Housing Assistance Plan.

5. There must be encouragement in concentrated neighborhood revitalization projects.

Mr. Delany said that the Mayors Committee will be provided with the recommendations gathered from citizens in this years series of public hearings and a profile of each neighborhood.

Mr. Delany said that the City must continue to show their ability to spend the funds within the time HUD considers reasonable.

Vice-Mayor Horton was excused from the meeting at 6:37 o'clock p.m.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilwoman Swilling, Resolution No. 77-187 was unanimously adopted.

Complete text of Resolution No. 77-187 will be found in Resolution Book No. 10 at page 85.

PROCLAMATION - VETERANS DAY

Mayor Ochsenreiter proclaimed November 11, 1977 as "Veterans Day."

COUNCILMAN MICHAEL - COUNCIL COMPENSATION

Councilman Michael asked the Mayor to appoint a committee of capable citizens to investigate and work with the City Manager relative to the standing of the pay scale of City Council members and the term of offices, as it relates to the term of office in other cities and report back to Council as soon as possible.

Adjournment.

Eugene C. Ochsenreiter
MAYOR

Doreen F. Nocetti
CITY CLERK

Since this new building is designed to be completely intergrated into the old structure as one complete building, I do not believe it is feasible to attempt to operate any kind of program other than a very limited use activity, perhaps, during the months of November, December, and January."

Mr. Logan Delany, Community Development Coordinator, said that he had been in contact with Mr. Johnson, Mr. McConnell and Mr. Lonnie Burton and they all agreed that any extended activity in the building which the construction is going on would be prohibited.

Mr. Delany said that residents were not promised that they would be able to use the cneter while construction was going on, but that perhaps some limited use could be provided.

Mr. Virgil McConnell explained that the residents are only asking that they be granted continued use of the lower section for some period of time after construction hours.

Councilwoman Swilling said that she would like to visit the Shiloh Community Center and see the project.

Mayor Ochsenreiter explained that the insurance carrier would not permit this.

Upon inquiry of Councilman Hoyle, Mr. Delany said that the project would take approximately one (1) year.

Mr. Michalove said that he would talk to Mr. Kisiah to see if arrangements could be made for basketball activities somewhere else in the nearby area.

Mayor Ochsenreiter said that every effort would be made to use the building with the proper precautions.

RESOLUTION NO. 77-187 - RESOLUTION ESTABLISHING ADMINISTRATIVE REQUIREMENTS TO FURTHER IMPROVE THE GENERAL SPEND RATE OF COMMUNITY DEVELOPMENT BLOCK GRANT FUNDS

Consideration was given to a resolution establishing administrative requirements to further improve the general spend rate of Community Development Block Grant funds.

Mr. Michalove explained that public hearings have been held for the Community Development Program. He said that the public hearings had been started approximately six (6) months in advance this year in order to carry out a recommendation of HUD representatives. He said that in the course of time, the federal government had changed the rules on the Community Development Program. He asked Council to consider some administrative changes which would speed up the spend rate of the Community Development Program.

Mr. Delany distributed to Council some information which summarized in detail the Department of Housing and Urban Development's new rules on the new Community Development Block Grant Program for 1977. He said that the funds over the next three years must be concentrated in those areas which have the greatest blight, and that a three year plan must be developed in order to deal with those particular areas. He said that in the past, Community Development funds have been used in a fragmented way spread out all over the Community Development area. He said that 75% of the funds must provide direct benefits to low and moderate income people and to those areas.

On a roll call vote of 6-0, Ordinance No. 1001 passed on its third and final reading.

Complete text of Ordinance No. 1001 will be found in Ordinance Book No. 8 at page 4.

ORDINANCE NO. ____ - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINACE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

3. It was Council's consensus to delete this item because the petitioner had not requested that it be brought back for Council's consideration at this time (rezoning request by Western Food Systems and West Asheville Medical Center to rezone property on Green Hill Avenue).

ORDINANCE NO. 1007 - AN ORDINANCE RENUMBERING SECTIONS 28-81.1 THROUGH 28-84 OF ARTICLE IV (SPEED REGULATIONS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE, AMENDING NEWLY RENUMBERED SECTIONS 28-81.2, 28-81.3 AND 28-81.4, AND ADDING A NEW SECTION 28-81.1

4. Consideration was given to an ordinance renumbering Sections 28-81.1 through 28-84 of Article IV (Speed Regulations) of the Code of Ordinances of the City of Asheville, amending newly renumbered Sections 28-81.2, 28-81.3 and 28-81.4, and adding a new Section 28-81.1.

Councilman Michael moved that each member of Council had received and been provided a copy of this ordinance so the ordinance would not have to be read and he also moved for the adoption of Ordinance No. 1007. These motions were seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1007 passed on its first reading.

Mayor Ochsenreiter moved to suspend the rules and proceed to the second reading of Ordinance No. 1007. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1007 passed on its second reading.

It was Council's consensus to postpone the third and final reading of Ordinance No. 1007 until the next Council meeting.

At the request of Mayor Ochsenreiter, Councilman Hoyle presided over the meeting at 3:20 o'clock p.m.

ORDINANCE NO. 1008 - ORDINANCE ESTABLISHING PROCEDURES FOR USE OF A CONSENT AGENDA

5. Consideration was given to an ordinance establishing procedures for use of a consent agenda.

The City Manager read the ordinance and explained that the consent agenda allows Council to handle agenda items that are routine and of a non-controversial nature at one time. The consent agenda would provide Council more time for major agenda items. He explained the following procedures and rules which shall govern the use by the City Council of the consent agenda:

1. The consent agenda shall be placed on the City Council agenda as an item of general business;

2. A motion to approve the consent agenda shall not be debated;

Regular Meeting

Present: Mayor Eugene C. Ochsenreiter, Jr; Vice-Mayor Bill B. Horton, Councilwoman JoAnn M. Swilling, Councilmen Ralph D. Morris, Jr., J. W. Hoyle, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

At the request of Mayor Ochsenreiter, Councilwoman Swilling presided over the meeting at 3:02 o'clock p.m.

INVOCATION

Councilwoman Swilling requested Father Ronald McLaughlin, Pastor of the St. Eugene's Catholic Church, to give the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the November 10, 1977 meeting.

Upon motion of Councilman Hoyle, seconded by Councilman Michael, the minutes of the November 10, 1977 meeting were approved as submitted.

BOXING AND WRESTLING COMMISSION

Councilwoman Swilling introduced Dr. Leon H. Feldman and Mr. Thomas E. Saunooke, members of the Boxing and Wrestling Commission.

Dr. Feldman, Chairman of the Boxing and Wrestling Commission, presented to Council a check for $10,000.00 which represents receipts of 5% tax collected on wrestling matches that were held at the Asheville Civic Center. He said that this brings the total up to $18,500.00 that the Boxing and Wrestling Commission has given to the City. Dr. Feldman expressed his sentiments and regret to see Mayor Ochsenreiter, Councilwoman Swilling and Councilman Hoyle retire from City Council. He said that the new Council, working with Mr. Michalove and Mr. Wolcott, will put the City of Asheville in good hands.

ORDINANCE NO. 1001 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. Consideration was given to the third and final reading of Ordinance No. 1001, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (rezoning request of Mr. G. N. Koon to rezone property on Tunnel Road from R-3 Residential District to CH Commercial Highway District and from CH Commercial Highway District to R-3 Residential District).

Mayor Ochsenreiter stated that the ordinance had been previously read on the first reading and members of Council had been furnished copies of the ordinance, so it would not be reread unless there was a specific request to do so.

It was Councilman Morris' understanding that there would be a request made at the public hearing on the approval of the site plan for Mr. Koon's shopping center that a fence be provided on the eastern and western property lines abutting residential areas.

Mr. Koon said that he was aware of the fence request.

PUBLIC HEARING SCHEDULED - REZONING REQUEST - REQUESTED BY OSBORNE HART, WILKINS-HART MORTUARY - PHIFER STREET AND ASHELAND AVENUE

9. Councilman Michael moved to schedule a public hearing on a rezoning request of Mr. Osborne Hart to rezone property at Phifer Street and Asheland Avenue for December 8, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

Councilman Hoyle said that he had enjoyed being on Council and has learned a lot. He expressed thanks to the citizens of Asheville for letting him have the opportunity to serve the City.

Mayor Ochsenreiter presided over the meeting at 3:38 o'clock p.m.

RESOLUTION NO. 77-188 - RESOLUTION APPOINTING A MEMBER TO THE BOARD OF TRUSTEES OF THE FIREMEN'S RELIEF FUND

10. Consideration was given to a resolution appointing a member to the Board of Trustees of the Firemen's Relief Fund.

The City Manager read the resolution appointing Mr. Webb E. Ellis, 356 Lakeshore Drive, Asheville, NC, 28804, to the Board of Trustees of the Firemen's Relief Fund, to fill the unexpired term of Mr. Floyd W. Hancock, term expiring January 1, 1979.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 77-188 was unanimously adopted.

Complete text of Resolution No. 77-188 will be found in Resolution Book No. 10 at page 87.

RESOLUTION NO. _____ - RESOLUTION ESTABLISHING A POLICY OF PROCEDURES TO CONTROL UNAUTHORIZED ITEMS BROUGHT INTO THE CIVIC CENTER DURING PUBLIC EVENTS

11. It was Council's consensus to delete this item until further information could be obtained.

ORDINANCE NO. 1009 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

12. Consideration was given to an ordinance amending the Operating Budget of the City of Asheville for Fiscal Year 1977-78.

The City Manager read the ordinance and explained that antirecession funds would be used for Longevity Pay. Mr. Michalove said that the 1977-78 Operating Budget of the City of Asheville would be amended by increasing the General Longevity Pay estimated revenue by the amount of $117,555 deleting a transfer from General Revenue Sharing for General Longevity Pay.

Councilman Rainey moved for the adoption of Ordinance No. 1009. This motion was seconded by Councilwoman Swilling.

Upon inquiry of Councilwoman Swilling, Mr. Michalove said that the first week in December the longevity checks would be going out to the employees.

On a roll call vote of 6-0, Ordinance No. 1009 passed on its first reading.

3. At the request of any individual member of the City Council, an item shall be removed from the consent agenda and placed upon the regular agenda for discussion; and

4. The consent agenda shall only be adopted by a unanimous vote of those City Council members present at the meeting.

In reply to Councilman Rainey's question about other items being placed on the consent agenda, Mr. Michalove said that other items can be included in the consent agenda if Council desires and there is nothing controversial about them.

Councilman Morris moved for the adoption of Ordinance No. 1008. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1008 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1008. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1008 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1008. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1008 passed on its third and final reading.

Complete text of Ordinance No. 1008 will be found in Ordinance Book No. 8 at page 75.

PUBLIC HEARING SCHEDULED - GROUP DEVELOPMENT - PROPOSED ARROWHEAD APARTMENTS TO BE LOCATED ON WOOD AVENUE

6. Councilman Morris moved to schedule a public hearing on the approval of a site plan of the proposed Arrowhead Apartments to be located on Wood Avenue for December 15, 1977. This motion was seconded by Councilman Michael and carried unanimously.

PUBLIC HEARING SCHEDULED - GROUP DEVELOPMENT - PROPOSED OTEEN SHOPPING CENTER TO BE LOCATED ON U.S. HIGHWAY 70 AT OTEEN

7. Councilman Michael moved to schedule a public hearing on the approval of a site plan of the proposed Oteen Shopping Center to be located on U.S. Highway 70 at Oteen for December 8, 1977. This motion was seconded by Vice-Mayor Horton and carried unanimously.

PUBLIC HEARING SCHEDULED - REZONING REQUEST - OLD VA HOSPITAL - REQUESTED BY PERRY ALEXANDER, JR.

8. Councilman Michael moved to schedule a public hearing on a rezoning request of Mr. Perry Alexander, Jr. to rezone property at the Old VA Hospital from LI Light Industrial District to OI Office Institutional District for December 8, 1977. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1010 passed on its first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 1010. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1010 passed on its second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1010. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1010 passed on its third and final reading.

Complete text of Ordinance No. 1010 will be found in Ordinance Book No. 8 at page 78.

BIDS - THREE (3) PADDY WAGONS AND ONE (1) STATION WAGON FOR POLICE DEPARTMENT, AND ONE (1) CAR AND ONE (1) STATION WAGON FOR FIRE DEPARTMENT

14. Consideration was given to bids received October 31, 1977 for three (3) paddy wagons and one (1) station wagon for the Police Department, and one (1) car and one (1) station wagon for the Fire Department.

The City Manager read a memorandum from the Purchasing Agent which stated that three bids were received and recommended the approval of the low bidder for all items as follows:

Apple Tree Chevrolet - (Items 1 and 2 for Police Department)

Item #1 - Net Amount after trade-in units	$26,591.22
Item #2 - Net Amount after trade-in unit	$ 4,762.56

Dorato Dodge, Inc. - (Items 3 and 4 for Fire Department)

Item #3 - Net amount after trade-in unit	$ 5,196.00
Item #4 - Net amount after trade-in unit	$ 5,275.00

Upon inquiry of Councilman Michael, Mr. Michalove explained that the paddy wagons would be used in lieu of patrol cars, therefore, no additional personnel would be needed.

Mr. Michalove pointed out that one consideration in the specifications is a fuel economy vehicle.

Upon inquiry of Councilwoman Swilling, Mr. Michalove explained that the station wagon for the Fire Department would be used as an additional fire-fighting vehicle to carry approximately 600 lbs. of equipment.

Vice-Mayor Horton said that he was pleased to see that the City is going into the expansion of the City's capacity to handle our problems of law enforcement. He said that he was glad that the City found a means to provide these additional aids to the Police and Fire Departments.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 1009. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1009 passed on its second reading.

Vice-Mayor Horton again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1009. This motion was seconded by Councilwoman Swilling and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1009 passed on its third and final reading.

Complete text of Ordinance No. 1009 will be found in Ordinance Book No. 8 at page 77.

Vice-Mayor Horton requested that the City Manager obtain a new itemization of the revenue sharing portion of the budget for Council's information.

ORDINANCE NO. 1010 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

13. Consideration was given to an ordinance amending the Operating Budget of the City of Asheville for Fiscal Year 1977-78.

The City Manager read the ordinance and explained that there is more than enough money in the Revenue Sharing Trust Fund to take care of the over-run on certain items requested by the Police Department, Traffic Engineering Division and the Collection Division, but because the City wants to keep track of the trust fund by items specifically, he is requesting the following changes in the 1977-78 Operating Budget of the City of Asheville:

> "Increasing the appropriation in the Revenue Sharing Trust Fund for Capital Outlay - Other Improvements in the Collection Division by $2,340, increasing the appropriation for Capital Outlay - Equipment in the Traffic Engineering Activity by $3,940, increasing the appropriation for Capital Outlay - Equipment in the Police Activity by $11,544 and by decreasing the Contribution to the General Fund - Longevity Pay in the amount of $17,824."

Mr. Bob Wurst, Director of Audit and Evaluation, explained that in Ordinance No. 1009, the City deleted a revenue in the General Fund, which was a contribution from Revenue Sharing and replaced that revenue with the fiscal antirecession funds. He said that in this ordinance now under consideration, is just taking the contribution in Revenue Sharing, which would have been an appropriation to the General Fund, and reusing it for these items that are the Capital Outlay items.

Vice-Mayor Horton moved to amend the ordinance to insert the following sentence in the last paragraph following the figure $17,824:

> "With the balance in this Revenue Sharing allocation to Longevity Pay remaining as a Contingency item."

This motion was seconded by Councilman Morris and carried unanimously.

Councilman Morris moved for the adoption of Ordinance No. 1010 as amended. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Councilman Michael moved to accept the recommendations of the Purchasing Agent and award the bid to Talman Office Supplies, Inc., in accordance with terms cited above utilizing the 3% terms discount. This motion was seconded by Councilman Morris and carried unanimously.

Bid Summary

Bidder	Bid
Talman's of Asheville	$20,557.16
Mitchell Dixon Office Supply	$21,986.20

BIDS - ONE (1) 1000 G.P.M. CUSTOM BUILT TRIPLE COMBINATION PUMPER FOR FIRE DEPARTMENT

16. Consideration was given to bids received November 7, 1977 for one (1) 1000 G.P.M. custom built triple combination pumper for the Fire Department.

The City Manager read a memorandum from the Purchasing Agent which stated that one (1) bid, fully responsive to specifications, was received and recommended the bid submitted by American LaFrance, Inc. in the amount of $64,800.

Mayor Ochsenreiter requested that the following letter be a part of the minutes:

"November 14, 1977

City of Asheville
P. O. Box 7148
Asheville, N. C. 28807

Attention: Mr. George Phipps, Purchasing Agnet

Dear Mr. Phipps:

This letter is to advise you that the 1000 GPM Custom Pioneer pumping engine that I have proposed to you has been on order with American LaFrance since August 1976.

American LaFrance has had two price increases since that time; however, the price I am quoting is that which they gave me in August 1976, which is allowing the City of Asheville a savings of over $7,400.00

This unit is near completion and can be delivered within 30-60 days. I would like to thank you for the opportunity of submitting our proposal and hope we are favored with your contract.

Very truly yours,

MARK VI, INCORPORATED

Boyce L. Ford, President, Mark VI, Inc.
American LaFrance Southeastern Regional Manager
P. O. Box 2578
Asheville, N. C. 28802"

Councilman Rainey moved to accept the recommendations of the Purchasing Agent and award the bid as stated above. This motion was seconded by Councilman Hoyle and carried unanimously.

Bid Summary - Three (3) Paddy Wagons for the Police Department

Bidder	Bid
Apple Tree Chevrolet	$26,591.22*
Matthews Motors, Inc.	$27,309.04*
Dorato Motors, Inc.	$31,854.00*

Bid Summary - One (1) Station Wagon for the Police Department

Bidder	Bid
Apple Tree Chevrolet	$ 4,762.56*
Matthews Motors, Inc.	$ 6,075.55*
Dorato Motors, Inc.	$ 5,342.00*

Matthews Motors, Inc.	$ 6,138.55*
Dorato Motors, Inc.	$ 5,275.00*

*All the above figures are after trade-in allowance.

BIDS - OFFICE FURNITURE AND PANEL SYSTEM FOR COLLECTION DIVISION

15. Consideration was given to bids received October 17, 1977 for office equipment and panel system for the Collection Division.

The City Manager read a memorandum from the Purchasing Agent which stated that two (2) bids were received and recommended the low bid submitted by Talman Office Supplies, Inc. in accordance with the following terms:

> "Appropriation for renovation of Collection Division as provided in subject bid is $20,000. The lowest bid, $20,557.16, submitted by Talman Office Supplies, Inc. exceeds appropriation. In light of this situation, Talman Office Supplies, Inc. has offered a three percent (3%) discount payable 10th of the month following completion of entire contract. This offer, subject to acceptance of City Council, will reduce net contract price to $19,940.45; which amount is within funds available and represents a savings of $616.71 under bid price."

The City Manager read the ordinance and explained that this ordinance addresses the major weaknesses in the current ordinance.

Councilman Michael said that there should be some provision in the ordinance for dogs that are vicious, even though they are on the property of the owner. This would be to protect garbage men and postmen.

Corporation Counsel William C. Moore said that the District Attorney has the right under the State Statute to enforce the vicious animal statute.

Councilwoman Swilling said that this ordinance is just a beginning to open an awareness of animals. She hoped that within the next year, the City would look into the establishment of an Animal Control Division within the City which would relate to various animal problems. She said that in the spring, she hoped that the City could have a Dog Awareness Week. She hoped that the people in that area would become aware of the need to be responsible pet owners. Councilwoman Swilling said it was her feeling that this ordinance was not strictly enforced before and she hoped that the City Manager would strictly enforce this new ordinance.

Councilwoman Swilling moved for the adoption of Ordinance No. 1011. This motion was seconded by Councilman Rainey and carried unanimously.

Upon request of Councilman Morris, Mr. Moore read Section 1-5 of the Code of Ordinances relating to general penalties and continuing violations as follows:

> "Whenever in this Code or in any ordinance of the city, or rule or regulation promulgated by any officer or agent thereof, under authority invested by law or ordinance, any act is prohibited or is declared to be unlawful or an offense or misdemeanor, or the doing of any act is required, or the failure to do any act is declared to be unlawful or an offense or misdemeanor, and no specific penalty is provided therefore, the violation of any such provision of this Code, ordinance, rule or regulation shall be punished by a fine of not more than fifty dollars ($50.00) or by imprisonment for not exceeding thirty (30) days. Each day any violation of this Code, ordinance, rule or regulation continues shall constitute a separate offense."

Councilman Rainey suggested that they look at the Charlotte ordinance and try to control the noise that the City is running into because of the large number of dog kennels and chicken farms. Councilman Rainey asked if there is any way to get rid of these type kennels in the City.

Mr. Michalove said that the City took an animal control ordinance to the District Attorney and there was so much in there, that there was concern that the City was dealing too much with the standards and not enough with something that could be dealt with specifically in terms of law enforcement. He said that the City will be doing what they can to control other animals.

Vice-Mayor Horton questioned the statement about sufficient physical restraint and whether it encompasses a well-trained and well-behaved dog that might be walking at its master's heels under command control. He said that this should perhaps be considered as an amendment.

Vice-Mayor Horton suggested that the five day time in which the owner may redeem the dog or it may be put to death should be extended.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to American LaFrance, Inc. in the amount of $64,800. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
American LaFrance	$64,800.00
Burgess Fire Equipment, Inc.	NO BID
Triad Fire & Safety Equipment Co., Inc.	NO BID

BIDS - ONE (1) HYDRAULIC POWERED AERIAL LADDER FOR TRAFFIC ENGINEERING DIVISION

17. Consideration was given to bids received October 31, 1977 for one (1) hydraulic powered aerial ladder for the Traffic Engineering Division.

The City Manager read a memorandum from the Purchasing Agent which stated that one bid was received and recommended the bid submitted by Murphy Body Distributors in the amount of $12,140.

Mr. Michalove explained that this equipment would be utilized in repairing and maintaining traffic lights.

Councilwoman Swilling moved to accept the recommendation of the Purchasing Agent and award the bid to Murphy Body Distributors in the amount of $12,140. This motion was seconded by Councilman Rainey and carried unanimously.

BIDS - BOXING AND WRESTLING RING FOR LIVINGSTON STREET COMMUNITY CENTER - PARKS AND RECREATION DEPARTMENT

18. Consideration was given to bids received November 4, 1977 for a boxing and wrestling ring for Livingston Street Community Center - Parks and Recreation Department.

The City Manager read a memorandum from the Purchasing Agent which stated that two (2) bids were received and recommended the approval of the low bid, submitted by Superior Sports Supply, Inc. in the amount of $6,156.

Councilman Hoyle moved to accept the recommendation of the Purchasing Agent and award the bid to Superior Sports Supply, Inc. in the amount of $6,156. This motion was seconded by Vice-Mayor Horton and carried unanimously.

Bid Summary

Bidder	Bid
Superior Sports Supply, Inc.	$6,156.00
Page's Sports & Trophy Co., Inc.	$6,700.00
Sports World of Asheville	NO BID

ORDINANCE NO. 1011 - AN ORDINANCE REPEALING SECTIONS 5-7 AND 5-8 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE AND REPLACING THEM WITH NEW SECTIONS 5-7, 5-8 AND 5-9

19. Consideration was given to an ordinance repealing Sections 5-7 and 5-8 of the Code of Ordinances of the City of Asheville and replacing them with new Sections 5-7, 5-8 and 5-9.

ABSTRACT OF VOTES, CAST AT GENERAL ELECTION, HELD FOR COUNCILMEN, CITY OF ASHEVILLE, NOVEMBER 8, 1977 IN THE COUNTY OF BUNCOMBE, NORTH CAROLINA AT PLACES APPOINTED BY LAW FOR HOLDING GENERAL ELECTIONS IN SAID COUNTY.

TOTALS	4020	4860	4984	5036	5113	5428	5503	3955	5995	3970

Councilwoman Swilling asked that Council adopt this ordinance as it now reads on its first reading and then draw up a list of amendments before the second reading.

On a roll call vote of 6-0, Ordinance No. 1011 passed on its first reading.

BIDS - PORTABLE AIR COMPRESSOR FOR WATER MAINTENANCE DIVISION

Consideration was given to bids received November 14, 1977 for a portable air compressor for the Water Maintenance Division.

The City Manager read a memorandum from the Purchasing Agent which stated that three (3) responsive bids were received and recommended the acceptance of the low bid, submitted by North Carolina Equipment Company, in the amount of $6,749.

Councilman Michael moved to accept the recommendation of the Purchasing Agent and award the bid to North Carolina Equipment Company in the amount of $6,749. This motion was seconded by Councilwoman Swilling and carried unanimously.

Bid Summary

Bidder	Bid
Mitchell Distributing Company	$8,219.00
Western Carolina Tractor Company	$7,250.00
North Carolina Equipment Company	$6,749.00

ABSTRACT OF VOTES - GENERAL ELECTION OF CITY COUNCIL

The City Manager submitted as a matter of information the abstract of votes cast at the general election for City Council members on November 8, 1977, which was transmitted to him from the Buncombe County Board of Elections.

The abstract of votes are placed in the minutes on the following page 326.

RESOLUTION NO. 77-189 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT WITH THE BOARD OF TRANSPORTATION FOR THE FURNISHING OF CERTAIN MATERIALS FOR EMERGENCY REPAIRS TO BRIDGES WITHIN THE CITY OF ASHEVILLE, BUNCOMBE COUNTY

Consideration was given to a resolution authorizing the Mayor to enter into a contract with the Board of Transportation for the furnishing of certain materials for emergency repairs to bridges within the City of Asheville, Buncombe County.

The City Manager read the resolution and explained that the Board of Transportation is furnishing new creosote treated bridge timbers for emergency repairs to bridges located within the City of Asheville. He said that the City will reimburse the Board of Transportation any amounts that may become due under the agreement on a cost-reimbursement basis until such obligations are fully paid.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 77-189 was unanimously adopted.

Complete text of Resolution No. 77-189 will be found in Resolution Book No. 10 at page 88.

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 77-190 was unanimously adopted.

Complete text of Resolution No. 77-190 will be found in Resolution Book No. 10 at page 89.

PROCLAMATION - BIBLE WEEK

Mayor Ochsenreiter proclaimed the week of November 20 - 27, 1977 as "Bible Week."

NEW CITY COUNCIL MEMBERS

Mayor Ochsenreiter introduced Mrs. Norma T. Price, Mr. F. Jack Cole and Mr. Roy M. Trantham as the new members of City Council.

PRE-COUNCIL MEETING - NOVEMBER 29, 1977

Mayor Ochsenreiter announced that there will be an official Pre-Council agenda meeting on Tuesday, November 29, 1977. He said that based on the load of business, the Council will determine if they will have a regular Council meeting on November 29, 1977 also. Unless stated by proper releases, the next regular City Council meeting will be December 1, 1977.

REPORT OF THE MAYOR'S COMMUNITY DEVELOPMENT COMMITTEE

Vice-Mayor Horton explained that Asheville, during the first three years, had used Community Development Funds throughout approximately one-third (1/3) of the low and moderate income areas of the City on projects that ranged in cost from a few hundred dollars to several thousand dollars. The projects chosen were based on citizen views collected at public hearings held annually. The HUD rule changes indicated that the City was now to change from a scattered approach to that of concentrating the funds to the most blighted and lowest income areas. Vice-Mayor Horton said that with a lot of staff and committee work, they would be able to develop a budget for the next three (3) years. He said that it would be necessary to have a three year program with the incremental spending to be broken down over the period of three years on the basis of the monies that are available less the net of the amounts that HUD has expected the City to give them for monies received for the sale of property in the Urban Renewal area. He said that one concept that was discussed was that any unspent portions of Community Development monies from the first 3 years could be utilized for similar projects within the original Community Development area. He said that official notification that this is not the case will be forthcoming in the next few days.

Mr. Verl Emrick, Director of Planning, presented a map and explained the changes in the geographical scope of the Community Development Block Grant area.

Upon inquiry of Councilwoman Swilling as to how the Community Development areas were drawn, Mr. Emrick explained that the census tracts which contained the lowest income and most blighted areas were designated for the Community Development area.

Vice-Mayor Horton reviewed the following Committee recommendations to the Asheville City Council:

1. That the Community Development Funds for 1978, 1979 and 1980, totaling $3,612,000 be appropriated to projects in Census Tract Areas 1, 2, and 7. The specific projects to be recommended to the City Council should be determined during the first week in January 1978 by the Mayor's Committee, based on citizen input gained during the public hearings held in August, September, and October and based on staff recommendations.

CLAIM - MARVIN F. AND LEONA ROBINSON, 23 EDWIN PLACE

The City Manager presented a claim from Marvin F. and Leona Robinson relative to a sewer backing up in their basement.

Mayor Ochsenreiter referred the claim to Corporation Counsel for investigation and recommendation.

CLAIM - MRS. BETTY TOLLEY, 7 WOODROW AVENUE

The City Manager presented a claim for damages from Mrs. Betty Tolly, 7 Woodrow Avenue.

Mayor Ochsenreiter referred the claim to Corporation Counsel for investigation and recommendation.

CLAIM - MR. RAY L. MOSLEY

The City Manager presented a claim for damages from Mr. Ray L. Mosley.

Mayor Ochsenreiter referred the claim to Corporation Counsel for investigation and recommendation.

CLAIM - DEBBIE HUGHEY

The City Manager presented a claim for damages from Debbie Hughey.

Mayor Ochsenreiter referred the claim to Corporation Counsel for investigation and recommendation.

CLAIM - VIRGINIA WILSON, 711 VANDERBILT APARTMENTS

The City Manager presented a claim for damages from Virginia Wilson 711 Vanderbilt Apartments.

Mayor Ochsenreiter referred the claim to Corporation Counsel for investigation and recommendation.

BIDS - TOWN MOUNTAIN FIRE LINE

RESOLUTION NO. 77-190 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH HOBSON CONSTRUCTION COMPANY, INC. FOR THE PROJECT KNOWN AS "TOWN MOUNTAIN FIRE LINE"

Consideration was given to bids received October 10, 1977 for a project known as "Town Mountain Fire Line."

The City Manager read a memorandum from Bill DeBruhl, Utilities Operations Coordinator, which stated that one bid was received and recommended acceptance of the bid submitted by Hobson Construction Company, Inc. in the amount of $19,905.

The City Manager read the resolution.

Councilman Michael moved to accept the recommendation of the Utilities Operations Coordinator and award the bid to Hobson Construction Company, Inc. in the amount of $19,905. This motion was seconded by Councilwoman Swilling and carried unanimously.

20. A public hearing was held relative to two (2) amendments passed by the Asheville Civil Service Board regarding Rule 9 "Re-Employment of Persons Previously Employed in the Classified Service" and Rule 11 "Residency of City Employees."

The City Manager read the advertised notice to the public setting the time and date of the public hearing and presented the affidavit of publication.

Mayor Ochsenreiter opened the public hearing at 5:43 o'clock p.m.

Mayor Ochsenreiter introduced Mr. Osborne Hart, Mr. Ray Stepp and Mr. Tony Davis who are members of the Civil Service Board.

Mr. Mike Smith, Director of Central Services, said that the following letter was sent out with the pay checks on November 11, 1977 to all City employees advising them that this was going to be considered by the City Council today in order for City employees to be heard on the matter:

"TO ALL CITY EMPLOYEES:

At the regular monthly meeting of the Civil Service Board on November 2, 1977, the Board recommended amendments to Rule 9, "Re-employment of Persons Previously Employed in the Classified Service", and Rule 11, "Residency of City Employees", of the Asheville Civil Service Rules and Regulations. Copies of the proposed rules in their entirety are posted on the bulletin boards in each department or division office.

In order to make these proposed changes, Section 28(a) of the Charter Appendix of the City of Asheville Code of Ordinances requires that the City Council hold a public hearing at which time members of the public and the employees under Civil Service be given an opportunity to voice their opinion regarding any proposed rule changes. The City Council has scheduled a public hearing at 5:00 P.M. on November 17, 1977 at which time you may make comments regarding the proposed rule changes. The City Council has scheduled the public hearing after work hours so that employees under Civil Service can come and give the City Council their opinion.

Eugene C. Ochsenreiter, Jr.
Mayor

Kenneth M. Michalove
City Manager"

Mr. Smith asked Council's approval on the following two (2) amendments to the Asheville Civil Service Rules and Regulations passed by the Asheville Civil Service Board on November 2, 1977. The following amendment to Rule 9 "Re-Employment of Persons Previously Employed in the Classified Service" was reviewed by Mr. Smith:

"RULE 9. RE-EMPLOYMENT OF PERSONS PREVIOUSLY EMPLOYED IN THE CLASSIFIED SERVICE

(a) No person who has resigned from the Classified Service may be re-employed by the City of Asheville prior to a date one (1) year from the date of his resignation.

(b) No person who has been dismissed for cause from the Classified Service may be re-employed by the City of Asheville prior to a date two (2) years from the date of his dismissal.

(c) Any person applying for re-employment in the Classified Service must meet all standards and requirements of employment established by the Board in effect at the time of application for re-employment."

2. That any surplus or reallocated funds obtained from the Community Development Funds appropriated for the 1st, 2nd, and 3rd Action Years, provided HUD concurs, be used for projects that meet the criteria for HUD funding prior to the rule changes of October 25, 1977.

3. That the City staff and City Council make every effort to obtain State approval of the Valley Street Connector prior to the currently announced date of 1983. Particularly to the point that with adequate State and Federal funding, the City will assume all responsibility for the project including engineering, right-of-way acquisition and construction.

4. That due to the limitations of land availability and the nature and types of activities of certain City operations on Valley Street, that the City should begin immediately to find a new location for Motor Transport, Sanitation and Street Department operations with the thought of keeping the Water Department functions in the brick building and some other suitable function in the Barn at the corners of Beaumont and Valley Streets.

5. That any Community Development Programs that are to end after the 3rd Action Year should be determined in January so that sufficient notice of phasing out or transfer of activities can be given.

6. That even though there is a recommendation to reduce the size of the Community Development area for the 4th, 5th and 6th Action Years, the citizen participation element of regular meetings should continue throughout the larger Community Development area.

Upon inquiry of Councilwoman Swilling, Mr. Michalove said that Council had approved over $100,000 for re-working of the Barn.

Mr. Michalove said that these items are only in the discussion phase and could be changed. He said that the Mayor's Committee will meet again in the first week in January and at that time the City will be in a better position to look at some detailed maps and go into some detail.

Vice-Mayor Horton moved to concur with the report of the Mayor's Community Development Committee and their suggestions and turn to Council for finalization and refinement. This motion was seconded by Councilman Michael and carried unanimously.

Mayor Ochsenreiter called for a 5 minute recess at 5:30 o'clock p.m. The meeting reconvened at 5:35 o'clock p.m

PUBLIC HEARING - CIVIL SERVICE PERSONNEL RULES RECOMMENDED BY THE CIVIL SERVICE BOARD REGARDING RE-EMPLOYMENT AND RESIDENCY OF CITY EMPLOYEES

ORDINANCE NO. 1012 - AN ORDINANCE REPEALING IN ITS ENTIRETY SECTION 2-3 OF THE ASHEVILLE CODE OF ORDINANCES

RESOLUTION NO. 77-191 - RESOLUTION ESTABLISHING RESIDENCY REQUIREMENT POLICY FOR CITY OF ASHEVILLE EMPLOYEES EXEMPTED FROM COVERAGE BY THE CLASSIFIED SERVICE OF THE ASHEVILLE CIVIL SERVICE COMMISSION

Upon inquiry of Vice-Mayor Horton as to whether the Civil Service Board gave any consideration to residents living within a given radius of a City department or City division not in the corporate limits of the City of Asheville, Mr. Hart said that they had given consideration to this radius situation at the Airport. Mr. Smith explained that the radius rule and time limits are extremely hard to administer and would probably cause more problems than help.

Vice-Mayor Horton pointed out that since the prespective was changed from what the other recommendation was, that it would be permissible for employees to live in Buncombe County. He said that since that was changed, it lessened the significance of the radius approach.

Councilman Michael said that the people that work at the airport and the people that blatantly broke the law are going to receive a reprimand from the City Manager. He said that all employees should be awar that Civil Service Rules and Regulations have to be adhered to.

Councilwoman Swilling expressed her appreciation to Mr. Hart and the other members of the Civil Service Board for their efforts in trying to come up with these two (2) amendments.

Mr. Ray Stepp noted that four people on the Civil Service Board voted on these issues and they were unanimous. He said that the Civil Service Board was trying to do what was best for everyone.

Mayor Ochsenreiter closed the public hearing at 6:10 o'clock p.m.

Councilwoman Swilling moved to amend Rule 9 (a) to read as follows:

"No person who has resigned from the Classified Service may be re-employed by the City of Asheville prior to a date 6 (six) months from the date of their resignation."

Councilwoman Swilling withdrew her motion to amend Rule 9 (a), but she believed that the one year date is too long.

Mr. Smith said that perhaps something that would allow the Board some discretion in granting an exemption would be preferred.

Upon inquiry to Councilman Morris relative to the type of displinary action taken on employees, Mr. Smith said that every forman or supervisor has a little different approach to the problem. He said that if an employee is fired hastily, the employee can request a Civil Service appeal hearing. He said that a Grievance Procedure is also available for employees.

Councilman Michael moved to amend Rule 9 "Re-Employment of Persons Previously Employed in the Classified Service" and Rule 11 "Residency of City Employees" as recommended by the Civil Service Board. This motion was seconded by Councilman Rainey.

Councilman Rainey moved to amend Rule 11 (c) to change the three (3) points awarded on entrance examinations for employees who live within the corporate boundaries of the City of Asheville to five (5) points. This motion was seconded by Councilman Hoyle and was defeated on a 3-4 vote, with Mayor Ochsenreiter, Vice-Mayor Horton, Councilman Morris and Councilman Michael voting "no."

Mr. Smith explained that Rule 9 primarily is aimed at eliminating some of the high turnover the City is experiencing.

Upon inquiry of Councilwoman Swilling relative to Rule 9 (c), Mr. Hart explained that there are a number of tests that employees took several years ago and when they terminate their employment with the City, they want to come back and take the old test they had taken several years ago.

Councilman Morris stated that perhaps the City is penalizing itself with Rule 9 (a). Mr. Hart said that there will be no exceptions at all to Rule 9.

Mr. Smith said that in May, 1977, the Civil Service Board passed a residency rule revision which was submitted to a public hearing. As a result of that public hearing, the City Council delayed consideration of it until October, at which time, Council directed the Civil Service Board to reconsider the residency rule. The following is the recommended amendment to Rule 11 "Residency of City Employees" which was reviewed by Mr. Smith:

"RULE 11. RESIDENCY OF CITY EMPLOYEES

(a) All employees in the Classified Service of the City of Asheville must maintain their primary place of residence within the statutory boundaries of Buncombe County after the effective date of this rule; provided, however, employees residing outside the statutory boundaries of Buncombe County on the effective date of this rule are exempted from residency requirements as herein provided unless such employee changes his primary place of residence after the effective date of this rule, in which case he must reside within the statutory boundaries of Buncombe County.

(b) Applicants for employment within the Classified Service of the City of Asheville are not required to be residents of the County, but must establish such residency, as defined in this rule, within six (6) calendar months from the date of employment.

(c) Any applicant for appointment to the Classified Service of the City of Asheville who maintains his primary place of residence within the corporate boundaries of the City of Asheville shall be awarded an additional three (3) points to be added to his score on any competitive entrance examination authorized by the Civil Service Board. No such points shall be granted in any competitive promotional examination authorized by the Civil Service Board."

Councilman Rainey said that the City should give the resident of the City who wants to take the entrance examination more of a benefit than three (3) points. He feels that an individual who choses to live in the City should be rewarded. He does not feel the City should require all their employees to live within the City and to just recruit from the City, but individuals who live in the City are providing a benefit to us.

Mr. Smith explained that the five (5) points were reduced to three (3) points because if all of the other qualifications were equal, the five (5) points might provide too much of an advantage and bring a person that is not as well qualified to be considered over another person.

Councilman Hoyle said that he believes an individual that lives in the City should have the benefit of more points on the entrance examination.

Councilman Rainey said that perhaps a morale factor is involved to retain the five (5) points at the entrance level.

Mrs. Daniel said that it was the feeling of the Commission that the Battery Park Hotel building has its best use as a hotel. She hoped that it would return to the tax books, return pedestrian use to the downtown area and said that the location is ideal in connection with the Civic Center. As a result of a personal survey, the businessmen in that area are enthusiastic about the possibility of the building becoming a hotel again.

Mr. Bud Taylor, realtor representing Mr. Don Blackwell, explained that there was a one (1) day extension in order for City Council to act upon the consideration to purchase the Battery Park Hotel building. Mr. Taylor explained that Mr. Blackwell has a commitment from an architectual group out of Atlanta to purchase the Hotel for a sum of $365,000. He said that Mr. Blackwell is willing to sell the Hotel to the City for $325,000 and for the City to purchase and salvage the Hotel for a convention hotel, as its highest and best use in Mr. Blackwell's opinion. He said that the parking behind the Hotel is not for sale, but that it could be leased, as it had been in the past.

Mr. Taylor said that the Battery Park Hotel has been entered into the National Register. It was his understanding that there is money available through EDA Programs at 5% interest to renovate old hotels that have been entered into the National Register.

Mr. Taylor said that if the hotel is renovated, it would be a major step in the beginning of rebuilding the downtown area. He pointed out that there is no option for the City to purchase the building at a later date, unless the Atlanta group does not close on the Hotel within a specified period of time.

Upon inquiry of Vice-Mayor Horton, Mr. Taylor said that the group of businessmen could be offered the same price as the City was offered ($325,000) but due to the time limit involved, he did not think that could be done.

Mr. Michalove said that there is a state law which was amended in the past General Assembly which authorizes cities and counties to acquire property for the purpose of redevelopment. He explained that this building would fall into one of the acceptable categories. He explained that the City could not use Community Development funds. He stated that the City does not have the money for this purpose, without a reallocation by City Council.

Upon inquiry of Mr. Michalove, Mr. J. E. Johnson, Chief of Building Inspections, said that the tax value of the Battery Park Hotel building is $30,740. He said that the tax value on the property is $140,000.

Upon inquiry of Councilman Rainey, Mr. Johnson said that the back taxes on the building were $14,244.34.

Upon inquiry of Councilman Rainey as to the condition of the building when it was inspected, Mr. Johnson said that all the power had been taken out, and that the copper bathtubs, most of the doors and anything of any value had been stripped.

Councilman Michael asked the City Manager to prepare three (3) resolutions for Council's next meeting expressing thanks to Mayor Ochsenreiter, Councilwoman Swilling and Councilman Hoyle. He also requested that three (3) plaques be prepared.

Councilman Michael was excused from the meeting at 6:55 o'clock p.m.

Councilwoman Swilling said that it was her feeling that she did not have enough information to commit any City money to something that has too many loose ends.

The motion to amend Rule 9 and Rule 11 as recommended by the Civil Service Board was carried unanimously.

The City Manager read the ordinance and explained that this ordinance is repealing the former residency requirements.

Councilwoman Swilling moved for the adoption of Ordinance No. 1012. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 1012 passed on its first reading.

Councilwoman Swilling moved to suspend the rules and proceed to the second reading of Ordinance No. 1012. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1012 passed on its second reading.

Councilman Morris moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1012. This motion was seconded by Councilman Hoyle and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1012 passed on its third and final reading.

Complete text of Ordinance No. 1012 will be found in Ordinance Book No. 8 at page 81.

The City Manager read the resolution and explained that this resolution would deal with employees that are not covered by the Civil Service Rules.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 77-191 was unanimously adopted.

Complete text of Resolution No. 77-191 will be found in Resolution Book No. 10 at page 90.

The City Manager advised Council that those City employees that did violate the Civil Service Rule as it relates to employees that have moved outside of Buncombe County and employees that work at the Airport, will be reprimanded and notice of such will be placed in their personnel file.

RESOLUTION OF APPRECIATION OF SUPPORT FROM THE HONORABLE EUGENE C. OCHSENREITER, JR., MAYOR, FOR THE QUALITY FORWARD PROGRAM

The City Manager read the resolution of appreciation of support from the Honorable Eugene C. Ochsenreiter, Jr., Mayor, for the Quality Forward Program.

The resolution stated that Eugene C. Ochsenreiter, Jr. had demonstrated strong support of the cultural, beautification and clean community system programs of Quality Forward and that the Quality Forward Board wishes to express its appreciation to Mayor Ochsenreiter for his enthusiastic support of its program.

BATTERY PARK HOTEL

Mrs. Robin Daniel, Asheville Revitalization Commission, read a resolution passed by the Asheville Revitalization Commission requesting that the Asheville City Council consider the purchase of the Battery Park Hotel for the purpose of rehabilitation.

Corportation Counsel William C. Moore said he would write to the Attorney General relative to Mr. Rowe's questions.

Adjournment.

MAYOR

CITY CLERK

Mr. Taylor is recommending that the City purchase this Hotel as a holding project until it could be sold to a group of investors.

Vice-Mayor Horton said that, unfortunately, the time is too short and there is not immediate funds in sight to purchase this building.

Mayor Ochsenreiter, on not receiving a motion to purchase the Battery Park Hotel, advised Mr. Taylor that it was the decision of Council not to purchase this property.

Councilman Rainey stressed to the Revitalization Commission that this was not "a slap in the face."

Mr. Taylor said that the City should start searching for the funds to purchase the hotel, in case the architectual group does not close on the hotel.

Councilwoman Swilling commended the Revitalization Commission for all the work that the Commission has done.

80' UTILITY POLES IN NORTH ASHEVILLE

Mr. Gary Rowe, Attorney and resident of Lakeshore Drive, presented some pictures of 80' utility poles on Lakeshore Drive. He pointed out that Carolina Power and Light Company is installing a 115,000 volt transmission line running up Lakeshore Drive. Mr. Rowe feels that the City of Asheville does have the authority to proceed in this area. Mr. Rowe passed out a copy of the General Statute 160A-296 entitled "The Establishment and Control of the Streets." He read the following portion:

> "A city shall have general authority of control over all public streets, sidewalks, alleys, bridges and other ways of public passage within its corporate limits . . . general authority and control includes, but is not limited to, . . .
>
> Sub-paragraph 6
>
> the power to regulate, license and prohibit digging in the streets, sidewalks or alleys or placing therein or thereon any pipes, poles, wires, fixtures or applicances of any kind either on, above or below the surface."

In Mr. Rowe's opinion, the above statement gives the City authority to go to CP&L and at least express concern, if not outright prohibition, of them operating within Lakeshore Drive. It was his feeling that there is a right-of-way that the City does have that is possibly superior to the rights of CP&L. He said that he was dissatisfied that the City has not taken the initiative to protect the rights of any group of citizens when they have a potential infringement on their rights.

Mr. Rowe asked that Council direct the Corporation Counsel to inquire as to the exact right-of-way of Lakeshore Drive wherein the power poles are being located by CP&L and to further obtain an opinion from the Attorney General's Office as to the effect of the above stated statute and the obligations, if any, which the City has under that statute.

He suggested that in the future where this type of construction will take place, that the City take the initiative in trying to require public hearings or something that puts the burden on these public utility companies to at least answer to the people before they construct and infringe upon some rights of the citizens.

Vol. 44

1977-1978

Pgs. Not Cons.

Vol. 44

1977-1978

Pgs. Not Cons.

American Playground Device - Bids were awarded to this company for 1 catwalk for the Parks and Recreation Department. 68

ELECTION OF MAYOR

There being no questions regarding the procedures, the Chairman opened the floor for nominations for the Mayor of the City of Asheville.

Councilman Rainey nominated Councilman Roy M. Trantham as Mayor of the City of Asheville.

Councilman Horton nominated Councilman Ralph D. Morris, Jr., as Mayor of the City of Asheville.

Councilman Michael said he had received petitions containing approximately 800 signatures supporting him for Mayor. However, he said he felt he could serve the citizens of Asheville better as a Councilman rather than as Mayor.

There being no futher nominations the Chairman declared the nominations closed.

The City Clerk then called the roll for Councilman Roy M. Trantham as Mayor of the City of Asheville, the vote being 3-3, with Councilwoman Price, Councilmen Horton and Morris voting "no" and Councilmen Rainey, Trantham and Cole voting "aye" and Councilman Michael "passing".

The Chairman then asked the City Clerk to call for Councilman Michael's vote. Councilman Michael then voted in the affirmative for Councilman Roy M. Trantham as Mayor of the City of Asheville.

The Chairman declared that a roll call vote for Councilman Ralph D. Morris, Jr. was not necessary due to Councilman Trantham receiving four affirmative votes for Mayor, constituting a majority.

The Chairman then declared Councilman Roy M. Trantham as Mayor of the City of Asheville.

ELECTION OF VICE-MAYOR

The Chairman then called for nominations for Vice-Mayor of the City of Asheville.

Councilman Trantham nominated Councilman Rainey as Vice-Mayor of the City of Asheville.

Councilman Morris nominated Councilman Horton as Vice-Mayor of the City of Asheville.

Councilman Michael nominated himself as Vice-Mayor of the City of Asheville.

There being no further nominations the Chairman declared the nominations closed.

The City Clerk then called the roll for Councilman Gene E. Rainey as Vice-Mayor of the City of Asheville, the vote being 4-3 with Councilwoman Price, Councilmen Horton, Michael and Morris voting "no" and Councilmen Rainey, Trantham, and Cole voting "aye".

The City Clerk then called the roll for Councilman Bill B. Horton as Vice-Mayor of the City of Asheville, the vote being 4-3 with Councilmen Michael, Rainey, Trantham and Cole voting "no" and Councilwoman Price, Councilmen Morris and Horton voting "aye"

Thursday - December 1, 1977 - 3 o'clock p. m.

Organizational Meeting

INVOCATION

Mayor Eugene C. Ochsenreiter, Jr., requested Rev. O. T. Toms of the New Mount Olive Baptist Church to give the invocation.

OATHS OF OFFICE

The members of the Council took the oath of office, individually, which oaths were administered by retiring Mayor Eugene C. Ochsenreiter, Jr., as follows:

F. Jack Cole
Bill B. Horton
Otis B. Michael
Ralph D. Morris, Jr.
Norma T. Price
Gene E. Rainey
Roy M. Trantham

Councilman Michael moved to nominate Councilman Cole as temporary chairman for the election of the Mayor and Vice-Mayor of the City of Asheville. This motion was seconded by Councilwoman Price.

Councilman Rainey moved that the nominations for temporary chairman be closed. This motion was seconded by Councilman Trantham and carried unanimously.

Councilman Cole was elected temporary chairman for the election of the Mayor and Vice-Mayor by an unanimous voice vote.

Councilman Cole expressed appreciation to retiring Mayor Eugene C. Ochsenreiter, Jr., Councilwoman JoAnn M. Swilling and Councilman J. W. "Red" Hoyle for their services rendered to the citizens of Asheville as Councilmembers. He also expressed appreciation to Rev. O. T. Toms for the invocation and to the citizens of Asheville for their interest in city government.

Councilman Cole suggested that the procedures for the election of Mayor and Vice-Mayor be taken from Robert's Rules of Order, those being:

1) Election to be by roll call vote.
2) City Clerk to call the roll in alphabetical order of the names of the Council members, except that the vote of the chairman to be called last.
3) Candidates to be voted upon in the order nominated.
4) Nominations to be made without a second.

Councilman Rainey moved that the procedures set forth by the Chairman be accepted for the election of the Mayor and Vice-Mayor. This motion was seconded by Councilman Trantham and carried unanimously.

Councilwoman Price moved to accept the recommendation of the City Manager to leave the funds in the Carolina Federal Savings and Loan Association until the maturity date of December 28, 1977. This motion was seconded by Councilman Rainey and carried unanimously.

Upon motion of Vice-Mayor Horton, seconded by Councilman Morris, Resolution No. 77-192 was unanimously adopted.

Complete text of Resolution No. 77-192 will be found in Resolution Book No. 10 at page 92.

RESOLUTION NO. 77-193 - RESOLUTION PRESCRIBING THE TIME AND DAY OF THE WEEKLY MEETING OF THE CITY COUNCIL

Consideration was given to a resolution prescribing the time and day of the weekly meeting of the City Council.

The City Manager read the resolution scheduling Thursday at 3:00 o'clock p. m. as the weekly meeting time of the Asheville City Council.

Councilman Rainey said he felt most major cities were now scheduling night Council meetings in order that working people and school children could attend the meetings. He requested the City Manager to write to the major cities in North Carolina to obtain information on the time of their weekly meetings.

Upon motion of Councilwoman Price, seconded by Councilman Morris, Resolution No. 77-193 was unanimously adopted.

Complete text of Resolution No. 77-193 will be found in Resolution Book No. 10 at page 93.

RESOLUTION NO. 77-194 - RESOLUTION OF APPRECIATION TO JOANN M. SWILLING

Consideration was given to a resolution of appreciation to JoAnn M. Swilling.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Vice-Mayor Horton, Resolution No. 77-194 was unanimously adopted.

Complete text of Resolution No. 77-194 will be found in Resolution Book No. 10 at page 94.

Mayor Trantham presented Mrs. Swilling with a plaque expressing appreciation for her services.

RESOLUTION NO. 77-195 - RESOLUTION OF APPRECIATION TO J. W. "Red" HOYLE

Consideration was given to a resolution of appreciation to J. W. "Red" Hoyle.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 77-195 was unanimously adopted.

The City Clerk then called the roll for Councilman Otis B. Michael as Vice-Mayor of the City of Asheville, the vote being 6-1, with Councilwoman Price, Councilmen Rainey, Trantham, Cole, Morris and Horton voting "no" and Councilman Michael voting "aye".

The Chairman then asked the City Clerk to re-call the vote for Councilman Gene E. Rainey as Vice-Mayor of the City of Asheville, the vote being 4-3 with Councilwoman Price, Councilmen Horton, Michael and Morris voting "no" and Councilmen Rainey, Trantham and Cole voting "aye".

The Chairman then asked the City Clerk to re-call the vote for Councilman Bill B. Horton as Vice-Mayor of the City of Asheville, the vote being 4-3 with Councilmen Michael, Rainey, Trantham and Cole voting "no", and Councilwoman Price, Councilmen Horton and Morris voting "aye".

At the request of Councilman Rainey, the Chairman called for a five (5) minute recess.

The Chairman called the meeting back to order at 3:55 o'clock p. m. and requested that the City Clerk re-call the vote for Councilman Gene E. Rainey as Vice-Mayor of the City of Asheville, the vote being 5-2 with Councilwoman Price, Councilmen Horton, Michael, Morris and Cole voting "no" and Councilman Rainey and Trantham voting "aye".

The Chairman then asked the City Clerk to re-call the vote for Councilman Bill B. Horton as Vice-Mayor of the City of Asheville, the vote being 4-3 with Councilwoman Price, Councilmen Horton, Morris and Cole voting "aye" and Councilmen Michael, Rainey and Trantham voting "no".

The Chairman then declared Councilman Bill B. Horton as Vice-Mayor of the City of Asheville.

At this time, Mayor Trantham presided over the meeting and expressed his appreciation to the members of Council for his election as Mayor of the City of Asheville.

RESOLUTION NO. 77-192 - RESOLUTION DESIGNATING BANKING DEPOSITORIES FOR CITY FUNDS

Consideration was given to a resolution designating banking depositories for city funds.

The City Manager read the resolution. He said Councilman Cole had requested that Carolina Federal Savings and Loan Association be deleted from the banking depositories of the City to avoid any conflict of interest. He said the resolution was prepared in this manner, however, the City presently has a $100,000 certificate of savings in the Carolina Federal Savings and Loan Association entitled "General Employees Retirement Trust Fund" which yields a 6.75 per cent interest rate. He said the funds were invested last year with the maturity date being December 28, 1977 and if the funds are withdrawn at this time the City would lose a considerable amount of money. He recommended that the funds be left in the Carolina Federal Savings and Loan Association until the maturity date of December 28, 1977.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, F. Jack Cole, Gene E. Rainey, Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

APPROVAL OF MINUTES

1. Approval of minutes of the November 17, 1977 meeting.

Vice-Mayor Horton and Councilman Rainey noted several typographical errors in the minutes of the November 17, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, the minutes of the November 17, 1977 meeting were approved as amended.

ORDINANCE NO. 1007 - AN ORDINANCE RENUMBERING SECTIONS 28-81.1 THROUGH 28-84 OF ARTICLE IV (SPEED REGULATIONS) OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE, AMENDING NEWLY RENUMBERED SECTIONS 28-81.2, 28-81.3 AND 28-81.4 AND ADDING A NEW SECTION 28-81.1.

2. Consideration was given to the third and final reading of Ordinance No. 1007, an ordinance renumbering Sections 28-81.1 through 28-84 of Article IV (Speed Regulations) of the Code of Ordinances of the City of Asheville, amending newly renumbered Sections 28-81.2, 28-81.3 and 28-81.4, and adding a new Section 28-81.1.

The City Manager explained that the ordinance would not be re-read in its entirety. He said the ordinance dealt mainly with approving speed regulations on certain streets and adding certain streets in specific speed zones in the City of Asheville.

On a roll call vote of 6-0, Ordinance No. 1007 passed on its third and final reading.

Complete text of Ordinance No. 1007 will be found in Ordinance Book No. 8 at page 72.

ORDINANCE NO. 1011 - AN ORDINANCE REPEALING SECTIONS 5-7 AND 5-8 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE AND REPLACING THEM WITH NEW SECTIONS 5-7, 5-8, AND 5-9

3. Consideration was given to the second reading of Ordinance No. 1011, an ordinance repealing Sections 5-7 and 5-8 of the Code of Ordinances of the City of Asheville and replacing them with new Sections 5-7, 5-8 and 5-9.

Complete text of Resolution No. 77-195 will be found in Resolution Book No. 10 at page 95.

Mayor Trantham presented Mr. Hoyle with a plaque expressing appreciation for his services.

RESOLUTION NO. 77-196 - RESOLUTION OF APPRECIATION TO EUGENE C. OCHSENREITER, JR.

Consideration was given to a resolution of appreciation to Eugene C. Ochsenreiter, Jr.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 77-196 was unanimously adopted.

Complete text of Resolution No. 77-196 will be found in Resolution Book No. 10 at page 96.

Mayor Trantham presented Mayor Ochsenreiter with a plaque expressing appreciation of his services.

Adjournment.

Ray M. Trantham
MAYOR

Norman J. Malcolm
CITY CLERK

Councilwoman Price moved to schedule a public hearing on the matter for December 22, 1977. This motion was seconded by Councilman Cole and carried unanimously.

Complete text of Resolution No. 77-198 will be found in Resolution Book No. 10 at page 98 .

ORDINANCE NO. 1013 - ORDINANCE AMENDING THE CITY OF ASHEVILLE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78 TO REFLECT THE EAST RIVERSIDE URBAN RENEWAL (R-48) DEFICIT PAYMENT

6. Consideration was given to an ordinance amending the City of Asheville General Fund Budget Ordinance of 1977 to reflect the East Riverside Urban Renewal (R-48) deficit payment.

The City Manager read the ordinance. He explained that the income from the sale of land in the East Riverside Urban Renewal Project was to be used in the payment of the project. However, the sale of the land is going so slowly that HUD determined that in order to catch up with the project the City owed the federal government $1,911,000 and suggested that a portion of each years Community Development funds be taken until it is paid off. He said when the land is sold in the East Riverside Urban Renewal Area the money would be used in the Community Development program. He said this ordinance would reflect the bookkeeping of such actions in the budgets.

Vice-Mayor Horton moved for the adoption of Ordinance No. 1013. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1013 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1013. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1013 passed on its second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1013. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1013 passed on its third and final reading.

Complete text of Ordinance No. 1013 will be found in Ordinance Book No. 8 at page 82 .

ORDINANCE NO. 1014 - ORDINANCE AMENDING THE CITY OF ASHEVILLE CAPITAL PROJECTS ORDINANCE TO INCLUDE A COMMUNITY DEVELOPMENT BLOCK GRANT APPROPRIATION OF $104,000 FOR DEAVERVIEW PARK IN THE FEDERAL CAPITAL PROJECTS FUND

7. Consideration was given to an ordinance amending the City of Asheville capital projects ordinance to include a Community Development Block Grant appropriation of $104,000 for Deaverview Park in the Federal Capital Projects Fund.

The City Manager said that this ordinance would change the present regulations regarding dogs that are not restrained. It would prescribe how the dog shall be restrained and the penalties for violation of the ordinance. He said this ordinance would provide an additional penalty for each animal that is impounded more than one time within a twelve month period, the fee for taking up and impounding such animal shall be increased $5.00 for each time of impoundment during said year.

The City Manager recommended deleting the word "physical" in Sections (a) and (b) to eliminate the concern of Council that a dog could be restrained by a voice command as well as physical restraint. However, the Corporation Counsel said he felt the word "physical" was needed in order to receive a conviction. He said the ordinance would not contain strong enough language without it.

The City Manager said at the request of Vice-Mayor Horton he had checked with the Animal Shelter and determined that stray dogs are kept seven (7) days before being disposed of and unwanted dogs are kept according to space and adoption.

Mr. John Burnham of 14 Melrose Avenue said he felt the ordinance should state the purpose of controlling the dog and some regulation should be worked out to reduce the number of dogs in the City. He suggested a dog head tax or the limiting of poundage of dogs one family may have.

The City Manager suggested that Council pass the ordinance on second reading and consider the suggestions made by Mr. Burnham as well as amendments that Council members may have.

On a roll call vote of 6-0, Ordinance No. 1011 passed on its second reading.

RESOLUTION NO. 77-197 - RESOLUTION APPOINTING A MEMBER TO THE PLANNING AND ZONING COMMISSION FOR THE CITY OF ASHEVILLE (Mrs. Pauline Tennant replacing Mrs. Norma Price)

4. Consideration was given to a resolution appointing Mrs. Pauline Tennant as a member to the Planning and Zoning Commission to fill the unexpired term of Mrs. Norma Price, term expiring August 14, 1979.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 77-197 was unanimously adopted.

Complete text of Resolution No. 77-197 will be found in Resolution Book No. 10 at page 97.

RESOLUTION NO. 77-198
PUBLIC HEARING SCHEDULED - ADOPTION OF ORDINANCE RELATING TO PERMIT FEES- INSULATION PERMITS

5. Consideration of a motion setting a public hearing for the adoption of an ordinance relating to amending Section 8-12 of Chapter 8, Article I of the Code of Ordinances, entitled Permit Fees.

The City Manager explained that this ordinance would amend Chapter 8, Section 8-21 of the Code of Ordinances entitled Building Permit Fees in order to include insulation in the permit fee schedule for the construction, reconstruction, alteration, or repairing of buildings. He said this action was necessary in order to comply with N. C. State law which takes effect January 1, 1978. He recommended the scheduling of the public hearing for December 22, 1977.

Upon inquiry of Councilman Michael, the City Manager said he had checked with Mr. Jerry VeHaun regarding any problems with minorities qualifying for contract work under this Disaster Relief Program and he said he had found no problems.

Councilman Michael said the Affirmative Action Program should be adhered to even if it requires going outside the City Limits to find the contractors.

RESOLUTION NO. 77-200 - RESOLUTION AFFIRMING ACTIONS OF CITY MANAGER REGARDING FLOOD DAMAGE

9. Consideration was given to a resolution affirming actions of the City Manager regarding flood damage.

The City Manager read the resolution and explained that the funds used to correct damages resulting from flooding would be reimbursed to the City by the federal government.

Upon motion of Councilman Michael, seconded by Councilman Cole, Resolution No. 77-200 was unanimously adopted.

Complete text of Resolution No. 77-200 will be found in Resolution Book No. 10 at page 101.

RESOLUTION NO. 77-201 - RESOLUTION AUTHORIZING DIRECTOR OF FINANCE TO SELL SURPLUS PROPERTY

10. Consideration was given to a resolution authorizing Director of Finance to sell surplus property.

The City Manager read the resolution and explained that the Water Production and Quality Control Department has indicated that there is a surplus 4,000 gallon tank at the Northfork Reservoir and the Town of Forest City has made a formal offer of $500 for the tank. He said this resolution would authorize the Director of Finance to sell the 4,000 gallon tank to the Town of Forest City for $500. He said O'Brien and Gere Consulting Engineers and Calgon Coporation estimated the current value of the tank to be between $400 and $600.

Upon motion of Councilman Morris, seconded by Councilman Cole, Resolution No. 77-201 was unanimously adopted.

Complete text of Resolution No. 77-201 will be found in Resolution Book No. 10 at page 102.

APPOINTMENT OF CHIEF OF POLICE - MELVIN TUCKER

The City Manager announced the appointment of Melvin Tucker as the Chief of Police for the Asheville Police Department. He said Mr. Tucker would begin his duties on January 16, 1978.

CLAIM - MRS. RICHARD WOOTEN - 21 COLEMAN AVENUE

The City Manager presented a claim received from Mrs. Richard Wooten of 21 Coleman Avenue.

Mayor Trantham presented the claim to the Corporation Counsel for investigation and recommendation.

The City Manager read the ordinance. He explained that the acquisition and development of approximately a ten acre tract of land located on Deaverview Road, presently owned by the YMCA, was proposed and supported by Community Development area residents as a future park site and HUD in a communication to the Mayor, dated November 1, 1977, stated that the site was eligible and would serve primarily low and moderate income families. The total amount required for the purchase and preliminary development of the Deaverview park site property is $104,000. He said this ordinance would amend the Capital Projects Ordinance by deleting the Woodlawn Street Park by $25,000 and decrease the Contingency-1977 by $79,000 in order to appropriate funds for the Deaverview Park.

Mr. Kisiah, Parks and Recreation Director, said the development of the Park would cost approximately $60,000.

Councilman Michael said in his opinion, the City of Asheville cannot afford another park that would serve primarily residents outside the City limits.

Vice-Mayor Horton said this property is now being used by Little League ball players all over the City.

Councilman Michael also questioned the maintenance of the future park.

Mr. Delany, Community Development Coordinator, said there were going to be some left over funds from the first three years of appropriations and he would have the left over funds assessed by next week with a proposed list of projects. He said he felt Council should take a look at the left over funds and the proposed list of projects before appropriating the funds for the Deaverview Park. He said although he supported the need for parks there are further needs such as upgrading of water lines in West Asheville and the need for demolition in the blighted areas as well as economic needs for miniority citizens in Asheville.

The City Manager suggested that Council pass this ordinance on first reading and take into consideration the comments of Mr. Delany before the second reading.

Councilman Cole moved for the adoption of Ordinance No. 1014. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 1014 was passed on first reading.

RESOLUTION NO. 77-199 - RESOLUTION DESIGNATING AN AGENT FOR THE CITY OF ASHEVILLE TO OBTAIN FEDERAL FINANCIAL ASSISTANCE UNDER THE DISASTER RELIEF ACT

8. Consideration was given to a resolution designating William F. Wolcott, Jr. as the agent of the City of Asheville to sign the federal forms necessary to receive funds under the Disaster Relief Act.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 77-199 was unanimously adopted.

Complete text of Resolution No. 77-199 will be found in Resolution Book No. 10 at page 99 .

We direct your attention to G. S. 62-180, which authorizes utility companies to construct, maintain and operate its lines along any public highway but they must be so constructed and maintained as not to obstruct or hinder unreasonably the usual travel on such highway. Thus we do not believe that the municipality, pursuant to G.S. 160A-269(6) could prohibit the utility company from placing its poles, wires, fixtures, etc., in the right-of-way, but the municipality would have the power to regulate the placing therein of such facilities.

As to your second question, we do not think the time of acquisition of the right-of-way by the municipality and the utility company would change the application of G.S. 160A-269(6) except to the extent the question of compensation between the parties would arise depending on who had the right-of-way first.

As to your third question, we do not know what the additional burden to the easement held by the utility company would be which is inconsistent with that easement, but G.S. 62-180 only authorizes the construction, maintenance and operation of lines along the public highways, whereas G.S. 160A-269(6) extends to fixtures and appliances which may be regulated, licensed and prohibited. In any event, it would seem that the power to regulate public streets still resides within the municipality. We do not address the question of compensation for the additional burden on the easement, but refer you to the case of BROWN v ELECTRIC CO., 138 NC 533, which discusses the question in detail.

Yours very truly

Rufus L. Edmisten
Attorney General

James F. Bullock
Senior Deputy Attorney General"

Mr. Moore said the answer regarding the regulating of the installation of power poles were unclear and he had asked the attorneys to submit another set of questions to be addressed to the Attorney General.

Councilman Rainey said the Planning Division had prepared a proposed ordinance relative to power poles and he requested that the ordinance be submitted to the Planning and Zoning Commission for review and recommendation.

PROCEDURE FOR ELECTION OF MAYOR

Councilman Michael expressed concern about the animosity created by the manner in which the Mayor is chosen. He requested the City Manager to draw up a resolution asking state legislators to allow the voters to select the Mayor.

Mayor Trantham, Councilmen Cole and Rainey agreed with Councilman Michael. However, Councilman Morris cautioned against acting too quickly. He said he felt there was a great difference between popularity and ability of candidates and the preson who won the election may not make the best Mayor. He said if an election is held for Mayor it should be held separately from the election of Council, giving those running for Mayor a chance at also running for Council. He said this issue should be carefully studied before any decisions are made.

Mayor Trantham solicited the support of all Council members and asked that Council join together in an effort of cooperation.

CLAIM - MR. W. W. BRAME

The City Manager presented a claim received from Mr. W. W. Brame.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - MISS JANICE C. WILSON

The City Manager presented a claim received from Miss Janice C. Wilson.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - MRS. JULIAN C. JOHNSON

The City Manager presented a claim received from Mrs. Julian C. Johnson.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

POWER POLES - LAKESHORE DRIVE

Corporation Counsel William C. Moore reported that, as directed by Council, he submitted to the N. C. Attorney General's office certain questions regarding the installation of power poles on Lakeshore Drive, that were addressed to the Council by Attorneys Gary Rowe and Gary Dodd.

The answer from the Attorney General's office is as follows:

"28 November 1977

Mr. William C. Moore
City Attorney
Post Office Box 7625
Asheville, North Carolina 28807

RE: Power Poles.

Dear Bill:

In your letter of November 22 you pose the following questions:

1. Assuming that a municipality has a valid road right-of-way within which a public utility company is proceeding to place power poles, wires and transmission lines, what action can the municipality take under the provisions of N.C.G.S. 160A-296(6)?

2. Does the fact that the municipality obtained its right-of-way prior to, at the same time of or subsequent to the easement granted to the utility company influence its action under N.C.G.S. 160A-296(6)?

3. Assuming that the municipality and the public utility company both have easements over the same property, can the municipality proceed under N.C.G.S. 160A-296(6) when the utility company is adding an additional burden to the easement granted said utility company which is inconsistent with that easement?

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., F. Jack Cole, Gene E. Rainey and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Gene E. Rainey.

APPROVAL OF MINUTES

1. Approval of minutes of the December 1, 1977 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the December 1, 1977 meeting were approved as submitted.

ORDINANCE NO. 1011 - AN ORDINANCE REPEALING SECTIONS 5-7 AND 5-8 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE AND REPLACING THEM WITH NEW SECTIONS 5-7, 5-8 AND 5-9

2. Consideration was given to the third and final reading of Ordinance No. 1011, an ordinance repealing Sections 5-7 and 5-8 of the Code of Ordinances of the City of Asheville and replacing them with new Sections 5-7, 5-8 and 5-9.

Mayor Trantham said the ordinance was previously read on first and second readings and members of Council were furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

The City Manager said Council had discussed several requested amendments to be considered prior to the third and final reading of the ordinance.

After discussion of the proposed amendments, Councilman Cole moved to amend Ordinance No. 1011 as follows:

"Section 5-7. Dogs running at large.

(a) No person owning or having possession, charge, custody or control of any animal shall cause, permit or allow the animal to stray or in any manner to run at large in or upon any public street, sidewalk or park or upon the property of another, if such animal is not under sufficient physical restraint to allow the animal to be controlled or is not sufficiently near the owner or handler to be under his direct restraining control and is not obedient to that persons commands.

(b) Every person owning or having possession, charge, care, custody or control of any dog shall keep such dog exclusively upon his own premises; provided, however, that such dog may be off such premises if it be under the control of a competent person and restrained by a chain or leash or other means of adequate physical control or is sufficiently near the owner or handler to be under his direct restraining control and is obedient to that persons commands."

LINE ITEM SUMMARY OF REVENUE SHARING TRUST FUND

Upon inquiry of Vice-Mayor Horton, the City Manager said he would have a line item summary of the Revenue Sharing Trust Fund available the first of the year.

Adjournment.

Ray M. Hartman
MAYOR

Norman J. Wolcott
CITY CLERK

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission had recommended approval of the site plan subject to the following:

1) That the developer provide additional information as requested by the Water and Sewer Department and comply with their recommendations and requirements for installation and connection of lines;

2) Compliance with City of Asheville Erosion Control Ordinance;

3) Submission of a completed environmental impact statement as required by the City of Asheville Zoning Ordinance; and

4) That a 8' chain link fence with slats be provided on the eastern and western property lines abutting residential areas.

He said these conditions have been agreed to by the developer and the Erosion Control Plan has been submitted to the Inspection Division for review and approval.

Mr. Emrick said the proposed shopping center, to be located on U. S. Highway 70 at Oteen, is to have 75,400 square feet of retail floor space and is to include a new Ingles Market, Sky City store and a drug store.

Mr. Emrick presented a map showing the location of the proposed shopping center. (Map is referenced on Page 17)

Several residents of Grandview Place and Oteen Park Place requested that the developer provide a fence to extend around to the private driveway on the western boundary to keep pedestrian traffic from entering the shopping center from the rear. (See attached map on page 17)

Mrs. Dorothy Green of 33 Oteen Park Place said erosion had covered approximately 50' of Oteen Park Place due to the grading being done in the area.

The City Manager advised that Mrs. Green's problem would be investigated.

Upon inquiry of Vice-Mayor Horton, Mr. Emrick said all the storm water would be put into new or existing storm lines and that there would be no water flowing onto adjacent property owners.

Mayor Trantham closed the public hearing at 4:04 o'clock p. m.

Councilman Michael moved to approve the site plan for the proposed Oteen Shopping Center subject to the conditions recommended by the Planning and Zoning Commission and further that the developer provide fencing to close off at the rear of the new Sky City Building and extended on the east side to the present building, as shown on the attached map. This motion was seconded by Councilman Morris and carried unanimously.

PUBLIC HEARING - REZONING PROPERTY AT OLD VA HOSPITAL - PERRY ALEXANDER

ORDINANCE NO. 1015 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE, " AS AMENDED

4. A public hearing was held relative to rezoning property at the Old VA Hospital from LI Light Industrial to OI Office Institutional District, petitioned by Mr. Perry Alexander.

"Section 5-8. Redemption of impounded dog.

Any dog which shall be found in violation of Section 5-7 shall be immediately seized and taken and impounded at the place kept and maintained for this purpose. Any time within seven days thereafter the owner, keeper or custodian of said dog may redeem the same by paying a fee of $5.00 for the 1st day or part thereof of impounding plus an additional $1.00 per day thereafter, upon proof that the license and privilege tax requirement for said dog have been met. For each animal that is impounded more than one time within a twelve (12) month period, the fee for taking up and impounding such animal shall be increased five dollars ($5.00) for each time of impoundment during said year. If the dog is not redeemed by the owner, keeper or custodian, as aforesaid, any person desiring the dog may redeem it on the same fee schedule. Should said dog not be redeemed within the time prescribed hereinbefore, it may be put to death by the dog control officer in a humane manner and thereafter disposed of by him or his assistants."

This motion was seconded by Vice-Mayor Horton and carried unanimously.

Upon inquiry of Councilman Rainey, the City Manager said this ordinance would change the present dog control ordinance to impose the penalty upon the owner of the dog rather than on the dog and the additional penalty of $5.00 for each time of impoundment during a 12 month period would be added. He said these changes should help with the enforceability of the ordinance, however, a case would have to be tested in court before the City could perceive its enforceability.

Luke Atkinson of Delaware Avenue, asked Council to be liberal with the ordinance, particularly referring to the restraint of the dog and the imposing of the additional $5.00 penalty for each time the dog is impounded during a 12 month period.

John Burnham, of 14 Melrose Avenue, suggested the following language to the ordinance: "Dogs shall be sufficiently restrained so that they shall not comprise a hazard to pedestrains or vehicles in the public right of way, to property other that the owners or to public sanitation." He said the citizens should know what they are going to be fined for that their dogs do rather than how to restrain their dogs.

Councilman Rainey said he felt a list of dog crimes should be spelled out in the ordinance.

On a roll call vote of 6-0, Ordinance No. 1011 passed on its third and final reading.

Complete text of Ordinance No. 1011 will be found in Ordinance Book No. 8 at page 79.

PUBLIC HEARING - SITE PLAN - OTEEN SHOPPING CENTER

3. A public hearing was held relative to the approval of the site plan of the proposed Oteen Shopping Center to be located on U. S. Highway 70 at Oteen.

Mayor Trantham opened the public hearing at 3:35 o'clock p. m.

Mayor Trantham opened the public hearing at 4:10 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said Mr. Perry Alexander, Jr., had requested that Ward 21, Sheet 84, Lot 1 be rezoned from LI Light Industrial District to OI Office Institutional District to accommodate a proposed housing complex. He said the Planning and Zoning Commission, after reviewing the matter, recommended the approval of the request. It was their further recommendation that adjoining property, being Tax Lots 2, 3, 4, 5, and 6, Sheet 84, Ward 21 and also property owned by the Veteran's Administration (bounded on the east and north by the Blue Ridge Parkway right-of-way, on the west by portions of Riceville Road, La Mancha property and the Asheville-Swannanoa Township Boundary, and on the south by U. S. Highway 70) be rezoned from Light Industrial to Office-Institutional pending notification of owners prior to the public hearing by City Council. He said adjacent property owners indicated support of the rezoning. He said the rezoning of this additional property will place property similarly situated in the area in the same category and the rezoning would better accommodate existing uses within the area. The character of the existing area would not be adversely affected by the zoning change.

By the use of a map, Mr. Emrick reviewed the location of the property in question.

Mayor Trantham closed the public hearing at 4:15 o'clock p. m.

The City Manager read the ordinance rezoning the property as recommended by the Planning and Zoning Commission.

Councilman Morris moved for the adoption of Ordinance No. 1015. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 1015 passed on its first reading.

PUBLIC HEARING - CLOSING PORTIONS OF ALLINE STREET, FAGG STREET, HORSE SHOE CURVE, JERE STREET, LYMAN STREET, TENIE STREET AND TIERNAN STREET AND ALL OF LINK STREET

RESOLUTION NO. 77-202 - RESOLUTION TO CLOSE PORTIONS OF ALLINE STREET, FAGG STREET, HORSE SHOE CURVE, JERE STREET, LYMAN STREET, TENIE STREET, AND TIERNAN STREET AND ALL OF LINK STREET

5. A public hearing was held relative to closing portions of Alline Street, Fagg Street, Horse Shoe Curve, Jere Street, Lyman Street, Tenie Street and Tiernan Street, and all of Link Street.

Mayor Trantham opened the public hearing at 4:20 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication. He also presented an affidavit from Charles E. Vess, Jr. of the Asheville Housing Authority, stating that the property in question had been prominently posted with copies of the resolution of intent to close said streets.

Mayor Trantham closed the public hearing at 4:35 o'clock p. m.

The City Manager read the ordinance rezoning the property as requested.

Councilman Michael moved for the adoption of Ordinance No. 1016. This motion was seconded by Councilman Morris.

On a roll call vote of 6-0, Ordinance No. 1016 passed on its first reading.

Councilman Michael said he had received a request to have three readings on the ordinance at today's meeting.

It was Council's consensus to have two readings on the ordinance at today's meeting and the third reading at next week's Council meeting.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1016. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1016 passed on its second reading.

RESOLUTION NO. 77-203 - RESOLUTION SUPPORTING THE CONTINUATION OF EFFORTS TO GAIN REGIONAL SUPPORT OF THE AIRPORT

7. Consideration was given to a resolution supporting the continuation of efforts to gain Regional support of the airport.

The City Manager read the resolution. He also read the following letter from Mayor Trantham to Mr. John B. Veach, President of the Asheville Area Chamber of Commerce:

December 6, 1977

Mr. John B. Veach, President
Asheville Area Chamber of Commerce
Post Office Box 1011
Asheville, North Carolina 28802

Dear Jack:

On December 5, 1977, I understand that Dr. Otis Michael, Ken Michalove, and other City staff members met with the Chamber of Commerce Aviation Committee and the topic of the regional value of the airport was discussed.

The development of the regional concept of the airport began through the efforts of Dr. Michael and Gene Ochsenreiter in 1977 and I would like to see that effort continued and expanded. In order to develop this further in an orderly manner, I would like for the Committee assigned to seeking the funding of the Airport Runway Extension to plan to meet with me, Dr. Michael, Ken Michalove, and representatives of the Buncombe County Commissioners in early January 1978.

Very truly yours,

/s Roy M. Trantham

Roy M. Trantham
Mayor

Mr. Larry Holt, of the Asheville Housing Authority, said the closing of these streets would be in keeping with the East Riverside Redevelopment Plan previously approved by Council through a cooperation agreement between the City of Asheville and the Asheville Housing Authority. He said the Housing Authority proposes to begin site preparation for disposition and proper development of Disposal Parcel 96 which requires the closing of said streets. He said this would provide a clear title to the School Board and would allow the dedication of property to the City for property for Murray Hill Park. He said the Housing Authority is the owner of all property adjoining said streets with the exception of Lot 131, Sheet 9, and Lot 4, Sheet 5, in Ward 4. He said most of the streets had never been improved or used by the City of Asheville. He said he had a letter from the adjacent property owner indicating that he had no objection to the closing of the streets.

Mayor Trantham closed the public hearing at 4:25 o'clock p. m.

The City Manager read the resolution closing the streets as requested by the Asheville Housing Authority.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 77-202 was unanimously adopted.

Complete text of Resolution No. 77-202 will be found in Resolution Book No. 10 at page 103.

Councilman Michael said he had received a request from Mr. Anderson and Mr. Young on Beech Street for a turn around to be put in on the street to allow the garbage trucks to turn around.

Mr. Holt said he had been working with the City on this matter.

PUBLIC HEARING - REZONING PROPERTY - PHIFER STREET AND ASHELAND AVENUE - OSBORNE HART

ORDINANCE NO. 1016 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

6. A public hearing was held relative to rezoning property on Phifer Street and Asheland Avenue from R-3 Residential District to CS Commercial Service District, requested by Osborne Hart.

Mayor Trantham opened the public hearing at 4:30 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, after reviewing the matter, recommended the approval of the rezoning request for the following reasons: 1) That portions of property in close proximity to Osborne Hart property are already zoned CS Commercial Service District. Including this property in that Commercial Service zoning would not put it in non-conformity with the surrouding area; 2) the rezoning would be in conformity with the over all plan for the area, according to the Asheville Housing Authority. He said Mr. Hart is now building a new mortuary and needs the property proposed to be rezoned for a parking lot.

22

CITY OF ASHEVILLE

ASHEVILLE, NORTH CAROLINA

December 6, 1977

Roy M. Trantham
Mayor

Mr. John B. Veach, President
Asheville Area Chamber of Commerce
Post Office Box 1011
Asheville, North Carolina 28802

Dear Jack:

On December 5, 1977, I understand that Dr. Otis Michael, Ken Michalove, and other City staff members met with the Chamber of Commerce Aviation Committee to discuss the problems we have encountered with the federal funding of the Airport Runway Extension.

On behalf of the City of Asheville, I would appreciate the support of the Asheville Area Chamber of Commerce in assisting the City of Asheville in encouraging the Federal Aviation Administration to commit full funding to this project in this fiscal year.

Very truly yours,

Roy M. Trantham
Mayor

RMT/msm

CC: Dr. Otis B. Michael
Mr. K. M. Michalove

ALL ASHEVILLE LIVING

Councilman Michael said it was his opinion that the FAA had reduced the funding available for the Airport Runway Extension because they felt the Airport was only a municipal service rather than a regional service for Western North Carolina. He said he felt the efforts behind this resolution would provide the FAA with a different approach.

Upon motion of Councilman Michael, seconded by Councilwoman Price, Resolution No. 77-203 was unanimously adopted.

Complete text of Resolution No. 77-203 will be found in Resolution Book No. 10 at page 108.

RESOLUTION NO. 77-204 - RESOLUTION REQUESTING THE SUPPORT OF THE FEDERAL AVIATION ADMINISTRATION FINANCING OF THE AIRPORT RUNWAY EXTENSION

8. Consideration was given to a resolution requesting the support of the Federal Aviation Administration financing of the Airport Runway Extension.

The City Manager read the resolution.

The City Manager, in reviewing the background for funding of the Airport Runway Extension, said that in 1972 the City's consulting engineers presented a runway extension plan to the federal government which would have cost approximately $3 million dollars and since that time the City has been working to comply with environmental and residential requirements for the airport runway extension. Some of these things that were required were general airport improvements before they could approve the application. Some required negotiations with property owners around the airport and in the course of time the cost of the runway extension had increased from $3 million dollars to $5 million dollars. He said the City submitted the application in final form in late August and were promised that the City would receive the funding of the runway extension in Fiscal Year 1977. However, the application did not clear all the federal requirements and the federal government was required to appropriate all the funds, so the City's appropriation did not go through. He said about 30 days ago the City was contacted by the FAA informing the City that they were setting aside funds for the City in the amount of $1 million dollars and wanted to know how the City felt about beginning the project with the use of $1 million dollars in discretionary funds plus implanement funds of approximately $3 million dollars. He said it was the City's opinion that after looking at the amount of money the federal government was going to provide in the beginning it would not be a good idea to start the project with that amount of money and no more of a commitment for federal funding, particularly since legislation before the Congress would change the federal match on this grant from 90% to 80% match. He said the City's reply to the FAA was that the City felt they should reconsider the grant and provide the City with the full funding. He said the City has not received a reply from the FAA and he felt this resolution of support would help in some way. He said the City has made contacts with the legislators and the Chamber of Commerce in gaining their support.

The City Manager then read the following letters:

Upon motion of Vice-Mayor Horton, seconded by Councilman Michael, Resolution No. 77-204 was unanimously adopted.

Complete text of Resolution No. 77-204 will be found in Resolution Book No. 10 at page 109.

RESOLUTION NO. 77-205 - RESOLUTION AUTHORIZING THE DISPOSITION OF MUNICIPAL RECORDS AS SCHEDULED

9. Consideration was given to a resolution authorizing the disposition of municipal records, as scheduled.

The City Manager read the resolution and explained that this would authorize the disposition of municipal records, set forth in the resolution, in compliance with N.C.G.S. 121-5 and the stipulations set forth in the Municipal Records Manual. He said the North Carolina Department of Cultural Resources had issued an approval for the disposition of these records.

Upon motion of Councilman Rainey, seconded by Councilman Morris, Resolution No. 77-205 was unanimously adopted.

Complete text of Resolution No. 77-205 will be found in Resolution Book No. 10 at page 110.

AGREEMENT WITH BUNCOMBE COUNTY RESCUE SQUAD - TRANSPORTATION FOR HOSPITAL PERSONNEL

10. Consideration was given to a motion relative to an agreement with the Buncombe County Rescue Squad providing transportation during snow storms.

The City Manager said the Buncombe County Rescue Squad had agreed to provide transportation to hospital personnel during snow storms and the City would provide gas to the Rescue Squad for such transportation.

Vice-Mayor Horton moved to authorize an agreement with the Buncombe County Rescue Squad for providing transportation to hospital personnel during snow storms. This motion was seconded by Councilwoman Price and carried unanimously.

RESOLUTION NO. 77-206 - RESOLUTION APPOINTING MEMBERS TO THE BOARD OF DIRECTORS OF THE ASHEVILLE-BUNCOMBE COMMUNITY RELATIONS COUNCIL (Reappointing Libby Ramsey-James M. Pressley)

11. Consideration was given to a resolution reappointing Mrs. Libby Ramsey and Mr. James M. Pressley as members to the Board of Directors of the Asheville-Buncombe Community Relations Council.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 77-206 was unanimously adopted.

Complete text of Resolution No. 77-206 will be found in Resolution Book No. 10 at page 112.

CITY OF ASHEVILLE

ASHEVILLE, NORTH CAROLINA

December 7, 1977

Otis B. Michael, M. D.
Councilman

Mr. Langhorne Bond, Administrator
Federal Aviation Administration
800 Independence Avenue, S. W.
Washington, D. C. 20591

Dear Mr. Bond:

On behalf of the members of the Aviation Committee of the Chamber of Commerce and the City Council, I wish to implore you to use every means possible to reinstate the five million dollars appropriated that we have depended on and was set aside for Runway Extension bringing our airport up to FAA standards and improving our facility.

The Asheville Municipal Airport is in reality a regional facility that serves 500,000 people. It is the largest and only commercial airport in North Carolina. We sincerely need this appropriation, and we appreciate anything you can do to help us reacquire it.

Yours very truly,

Otis B. Michael, M. D.
Councilman

RESOLUTION NO. 77-209 - RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH LYDA ASSOCIATES

15. Consideration was given to a resolution authorizing the City Manager to enter into an agreement with Lyda Associates.

The City Manager read the resolution and explained that the City from time to time needs engineering services to supplement City staff and this resolution would authorize him to use Lyda Associates on an on-call basis. He said he would also be negotiating other contracts with other engineers in the future.

Upon motion of Councilman Michael, seconded by Councilman Cole, Resolution No. 77-209 was unanimously adopted.

Complete text of Resolution No. 77-209 will be found in Resolution Book No. 10 at page 115 .

ORDINANCE NO. 1017 - ORDINANCE AMENDING, REALLOCATING AND APPROVING COMMUNITY DEVELOPMENT PROJECT FUNDS SET FORTH IN THE CITY OF ASHEVILLE FEDERAL CAPITAL PROJECTS FUND FOR 1975-76

16. Consideration was given to an ordinance amending, reallocating and approving Community Development Project funds set forth in the City of Asheville Federal Capital Projects fund for 1975-76.

The City Manager read the ordinance and explained that when bids were taken for the Montford Public Works Project it was determined that insufficient funds were designated for the project in the amount of $12,000. He said the Community Development Coordinator had researched the Community Development funds and found funds to fund the project in full. He said this ordinance would amend the Capital Projects fund to cover these transactions.

Councilman Rainey moved for the adoption of Ordinance No. 1017. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1017 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1017. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1017 passed on its second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1017. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1017 passed on its third and final reading.

Complete text of Ordinance No. 1017 will be found in Ordinance Book No. 8 at page 88 .

BIDS - ESTIMATED SIX (6) MONTHS REQUIREMENT FOR WATER MAIN PIPE

12. Consideration was given to bids received November 28, 1977 for estimated six (6) months requirement for Water Main pipe.

The City Manager read a memorandum from the Purchasing Agent which recommended the over-all low bid submitted by Lynchburg Foundry Company for all base bid items. He said the bids are firm for the six (6) month period from date of award and shall apply to the City of Asheville Purchase Orders to be issued on an as-needed basis.

Councilman Rainey moved to accept the recommendation of the Purchasing Agent by awarding the bid to the low bidder, Lynchburg Foundry Company for all base bid items. This motion was seconded by Councilman Morris and carried unanimously.

Bidders	Bid
American Cast Iron & Pipe Company	$226,456.00
Lynchburg Foundry	217,036.00
Griffin Pipe Products Company	222,664.00

RESOLUTION NO. 77-207 - RESOLUTION DECLARING DECEMBER 23, 26 AND 27, 1977 AS FREE PARKING DAYS FOR DOWNTOWN ASHEVILLE

13. Consideration was given to a resolution providing free parking from 7:00 a. m. December 23, 1977 to 7:00 a. m. December 28, 1977 in any on-street metered parking space, in any metered or un-metered parking space in a City parking lot, or for daily parking in any space in the Downtown Parking Garage.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 77-207 was unanimously adopted.

Complete text of Resolution No. 77-207 will be found in Resolution Book No. 10 at page 113 .

RESOLUTION NO. 77-208 - RESOLUTION AUTHORIZING THE CHIEF OF THE ASHEVILLE POLICE DEPARTMENT TO SIGN THE CONTRACT FOR THE ASHEVILLE TRAFFIC MANAGEMENT COURSE

14. Consideration was given to a resolution authorizing the Chief of the Asheville Police Department to sign the contract for the Asheville Traffic Management Course.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, Resolution No. 77-208 was unanimously adopted.

Complete text of Resolution No. 77-208 will be found in Resolution Book No. 10 at page 114 .

the $104,000 would be appropriated by deleting the Woodlawn Street Park by $25,000 and decreasing the Contingency-1977 by $79,000.

Mr. Ray Kisiah, Parks and Recreation Director, and Logan Delany, Community Developer Coordinator answered general questions from members of Council about the need for the Deaverview Park and what facilities would be available in the Park.

Councilman Michael said he could not vote for appropriating money for the acquisition of a park when no funds are available for the development of the park.

On a roll call vote of 5-1, Ordinance No. 1014 passed on its second reading, with Councilman Michael voting "no".

Vice-Mayor Horton moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1014. This motion was seconded by Councilman Rainey, which motion carried with Councilman Michael voting "no"

On a roll call vote of 5-1, Ordinance No. 1014 passed on its third and final reading.

Complete text of Ordinance No. 1014 will be found in Ordinance Book No. 8 at page 84.

RESOLUTION NO. 77-211 - RESOLUTION TO REALLOCATE COMMUNITY DEVELOPMENT SURPLUS FUNDS IN SUPPORT OF NEW AND CONTINUING PROJECTS

19. Consideration was given to a resolution to reallocate Community Development Surplus funds in support of new and continuing projects.

The City Manager read the resolution and explained that this resolution would put the Federal government on notice that if they decide to change the regulations and requirements for the use of Community Development funds by December 15, 1977 the City intends to spend any money that is surplus in the First, Second and Third Action Years on the projects listed in the resolution. He said Council could change the projects or delete them if they so desired, however, the staff tried to be inclusive. He said some of the projects were listed specifically but in the language of the resolution it was further stated that the priority will be given to those projects initiated in the First, Second, and Third Action Years of the Community Development Program. Therefore, in addition to whatever is on the list other projects that were started in the First, Second and Third Action Years that do not have enough funds to complete the project will be given priority. He informed Council that all the projects could not be funded with the surplus money, but the staff did not attempt to rate the projects in terms of priority.

After discussion Councilwoman Price moved for the adoption of Resolution No. 77-211. This motion was seconded by Councilman Michael and carried unanimously.

Complete text of Resolution No. 77-211 will be found in Resolution Book No. 10 at page 117..

CLAIM - HOWARD LYDA - LYDA TRUCK SERVICE

The City Manager presented a claim received from Howard Lyda, Lyda Truck Service.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 77-210 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT WITH RUCKMAN BROTHERS OF ENKA, NORTH CAROLINA FOR THE PROJECT KNOWN AS MONTFORD AREA PUBLIC WORKS

17. Consideration was given to a resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Ruckman Brothers of Enka, North Carolina for the project known as Montford Area Public Works.

The City Manager read the resolution and a memorandum from the Utilities Operations Coordinator recommending the low bidder, Ruckman Brothers in the amount of $72,713.30. He said this project would include street paving, sidewalks, and other work necessitated by the proposed construction in the Montford Area.

Upon motion of Councilman Cole, seconded by Councilman Rainey, Resolution No. 77-210 was unanimously adopted.

Complete text of Resolution No. 77-210 will be found in Resolution Book No. 10 at page 116.

Upon inquiry of Councilman Rainey, the City Manager advised that the contractor would have to adhere to the Davis Bacon Act and the Affirmative Action Program. He said the contract was aware of this stipulation.

BIDDERS	BID
Ruckman Brothers	$72,713.30
Paving Enterprises	73,190.50
Warren Brothers	86,913.50
Perry Alexander	89,695.50

ORDINANCE NO. 1014 - ORDINANCE AMENDING THE CITY OF ASHEVILLE CAPITAL PROJECTS ORDINANCE TO INCLUDE A COMMUNITY DEVELOPMENT BLOCK GRANT APPROPRIATION OF $104,000 FOR DEAVERVIEW PARK IN THE FEDERAL CAPITAL PROJECTS FUND

18. Consideration was given to the second reading of Ordinance No. 1014, an ordinance amending the City of Asheville Capital Projects Ordinance to include a Community Development Block Grant appropriation of $104,000 for Deaverview Park in the Federal Capital Projects Fund.

Mayor Trantham said the ordinance was previously read on its first reading and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

The City Manager explained that this ordinance deals with appropriating funds from the Third Action Year to the Deaverview Park. The property is now owned by the YMCA and is presently being leased by the City of Asheville for the use by Little League ball players. He said the project was approved by City Council for the Third Action Year but in the course of explaining the project to the Federal government they declined the use of the funds for the park. Consequently, the City Council by action several months ago used the money set aside for this park for another project. However, the Council did ask the staff to have the Federal government reevaluate the park and in the course of that reevaluation, with some stipulations, they have said that the City could consider the park. He said this ordinance would appropriate $104,000 for the acquisition and development of the park. However, an additional $60,000 would have to be appropriated to properly fund and improve the park. He said

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., F. Jack Cole, Gene E. Rainey and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilwoman Norma T. Price.

APPROVAL OF MINUTES

1. Approval of minutes of the December 8, 1977 meeting.

Upon motion of Councilman Rainey, seconded by Councilman Cole, the minutes of the December 8, 1977 meeting were approved as submitted.

APPROVAL OF CONSENT AGENDA

2. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff any single item scheduled for approval on the consent agenda may be considered separately.

Items on the consent included:

A. Scheduling of a public hearing relative to a rezoning request of Mr. Homer Sparks to rezone property on Haywood Terrace in West Asheville from R-3 Residential District to CH Commercial Highway District for January 12, 1978

HIGHLIGHTS: The Planning and Zoning Commission recommended approval of this request for the following reasons:

1) That portions of property in close proximity to the Homer Sparks' property are already zoned CH Commercial Highway District; and

2) That rezoning the property would not adversely affect the surrounding neighborhood.

BUNCOMBE COUNTY YOUTH COUNCIL - PROBLEM OF YOUTHS ATTENDING "R" AND "X" RATED MOVIES

Councilman Rainey requested that the Buncombe County Youth Council address itself to the problem of youths attending "R" and "X" rated movies. He said their judgement would be of help to the City Council.

Vice-Mayor Horton suggested that an ordinance be prepared for Council's consideration which would regulate the enforcment of youths attending "R" and "X" rated movies.

SENIOR OPPORTUNTIES CENTER - COUNCIL MEMBERS INVITED - DECEMBER 20, 1977 - 12:30 P.M.

Mrs. Roy Rogers, with the Senior Opportunity Center, invited Council members to the Center on December 20, 1977 at 12:30 p. m.

Adjournment.

Ray M. Lapsley
MAYOR

Frances J. Walsatter
CITY CLERK

This resolution designates the Asheville Planning and Zoning Commission to serve as the Historic Properties and District Commission for the City of Asheville and authorizes the Commission to act as the City's agent in carrying out the responsibilities, duties and powers assigned to Historic Properties and Districts Commission in G. S. 160A, 395-399.13.

E. Approval of bids received December 12, 1977 for estimated 12 months requirements for water meters.

HIGHLIGHTS: Quantities used in this bid are approximate, based on estimated requirements for the next twelve (12) months. Recommended unit prices, firm for the twelve month period from date of award, shall apply to City of Asheville purchase orders to be issued on as as-needed basis.

Superintendent of Water Maintenance Division and Purchasing Agent recommended acceptance of low bidder on a per item basis:

Badger Meter, Inc.

Item # 1 - Approx. 1800 5/8" meters per specifications totaling $44,802.00

Item # 2 - Approx. 100 3/4" meters per specifications totaling $3,855.00

Neptune Water Meter Co.

Item # 3 - Approx. 100 1" meters per specifications totaling $5,857.00

Grand Total, based on estimated quantities: $54,514.00

Funding: Water and Sewer Department Operations Warehouse Inventory, Account No. 30-140

F. Approval of bids received December 12, 1977 for five (5) pre-fabricated park picnic shelters in various sizes for the Parks and Recreation Department.

HIGHLIGHTS: Three (3) bids were received for the Park picnic shelters. The lowest bid, submitted by Quality Industries, Inc. failed to meet specifications, with regard to size of shelters and construction materials and was, therefore, not recommended.

Director of Parks and Recreation and Purchasing Agent recommended acceptance of the lowest responsive bidder on a per item basis:

A. P. Hubbard Wholesale Lumber Company

Item #1 - 2 30 x 60 shelters for Recreation Park $14,100.00

Item #4 - 1 30 x 60 shelter for East Riverside Park $7,050.00

B. Scheduling of a public hearing relative to amending Section 30-6-1, Group Developments Section of the Asheville Zoning Ordinance #322 for January 12, 1978.

HIGHLIGHTS: The Planning and Zoning Commission considered a proposed amendment to the Zoning Ordinance which would include the review of utility substations under the Group Development Section.

The wording amendment, recommended by the Planning and Zoning Commission, would be to amend the second sentence of the first paragraph of Section 30-6-1, GROUP DEVELOPMENTS by inserting after "or five (5) or more units", the words: "or electrical transmission substations, or gas regulating and measuring substations,"

The amended sentence would read: "Where more than one principal building or use is proposed to be constructed on a lot or tract of land, or any building with a gross floor area of 25,000 square feet, or more, or five (5) or more units, or electrical transmission substations, or gas regulating or measuring substations, the provisions of this Section shall apply."

C. Scheduling of a public hearing relative to the submission of a grant application under Section 5 of the UMTA Act of 1964, as amended for January 26, 1978.

HIGHLIGHTS: This grant is an annual grant applied for by the City, through UMTA under Section 5 of the UMTA Act of 1964. This project would be for the period of July 1, 1977 until June 30, 1978 and will assist in the operational cost of the Asheville Transit Authority. The net project cost is estimated at $617,321, with the Federal share being $308,660. The local share is estimated at $308,661 to be derived from the general operating budget of the City of Asheville.

D. Resolution designating the Asheville Planning and Zoning Commission as the local Historic Properties and Historic District Commission for the City of Asheville.

HIGHLIGHTS: N.C.G.S. 160A - Sections 396 and 399.2 authorized cities of the State, within their respective zoning jurisdictions and by means of listing, regulation and acquisition to: 1) Safeguard the heritage of the City by preserving any property therein that embodies important elements of its cultural, social, economic, political or architectural history; and 2) Promote the use and conservation of such property for the education, pleasure and enrichment of the residents of the City and State as a whole.

Mayor Trantham said the ordinance was previously read on first reading and members of Council were furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1015 passed on its second reading.

ORDINANCE NO. 1016 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property corner of Phifer Street and Asheland Avenue)

4. Consideration was given to the third and final reading of Ordinance No. 1016, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property at the corner of Phifer Street and Asheland Avenue, requested by Mr. Osborne Hart.

Mayor Trantham said the ordinance was previously read on first and second readings and members of Council were furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1016 passed on its third and final reading.

Complete text of Ordinance No. 1016 will be found in Ordinance Book 8 at page 87 .

PUBLIC HEARING - SITE PLAN OF THE PROPOSED ARROWHEAD APARTMENTS

5. A public hearing was held relative to the approval of a site plan of the proposed Arrowhead Apartments to be located on Wood Avenue.

Mayor Trantham opened the public hearing at 3:15 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said that Alco Properties, Inc. has proposed a project that will involve the construction of 116 living units with 8.3 acres to be developed near the existing Oak Knoll complex. It is planned that 100 of these units will be restricted to elderly occupancy and 12 of which will be designed for handicapped occupants. He said this project is being financed through Section 8 of the Housing Act of 1974. He said the Planning and Zoning Commission reviewed the plan and recommended approval subject to the following:

1. That the developer comply with requests and recommendations of the Water and Sewer Department.
2. Compliance with Department of Natural and Economic Resources, Land Quality Section's requirements for erosion control; and
3. That the City Council grant a variance to reduce the parking requirements from 2 spaces per unit (232) to 1 space per unit (116).

By the use of a map, Mr. Emrick reviewed the location of the proposed apartment complex. He said the main objection during the Planning and Zoning hearing was the close proximity to the Oak Knoll Apartment Complex.

Koppers Company, Inc.

Item #2 - 1 20 x 28 shelter for Hall Fletcher Park
$2,767.00
Item #3 - 1 20 x 44 shelter for Murphy-Oakley Park
$3,915.00

Funding: Community Development Funds
Item #1 - Recreation Park, Account No. 65-652.0073
Item #2 - Hall Fletcher Park, Account No. 65-659.0073
Item #3 - Murphy-Oakley Park, Account No. 65-651.0073
Item #4 - East Riverside Park, Account No. 65-653.0073

Sufficient funds are available for above expenditures.

G. Approval of bids received December 12, 1977 for one (1) 12 passenger van for use at the Senior Opportunity Center, Parks and Recreation Department.

HIGHLIGHTS: Three (3) bids were received for the passenger van. The lowest bid, submitted by Dorato Motors, Inc. failed to meet front and rear axle specifications, and was, therefore, not recommended. Specifications called for:

Specifications	Exceptions by Bidder
Front Axle - minimum 3900 lbs.	3300 lbs.
Rear Axle - minimum 6000 lbs.	5500 lbs.

Superintendent of Motor Transport Division, Director of Parks and Recreation Department and Purchasing Agent recommended the acceptance of the fully responsive second low bid submitted by Apple Tree Chevrolet, Inc. in the amount of $6,712.82. Total difference in the two bids $19.82.

Funding: Revenue Sharing Trust Fund
Account No. 50-501.0074 - budgeted $17,500.00

H. Resolution appointing Councilman F. Jack Cole to the Asheville Police and Fire Pension Fund Board of Trustees.

HIGHLIGHTS: Appointing Councilman F. Jack Cole to replace JoAnn Swilling as a member of the Asheville Police and Fire Pension Fund Board of Trustees.

Upon motion of Councilman Morris, seconded by Councilwoman Price, the consent agenda was unanimously approved.

ORDINANCE NO. 1015 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property in Oteen)

3. Consideration was given to the second reading of Ordinance No. 1015, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property in Oteen from Light Industrial to Office Institutional District.

Vice-Mayor Horton said the former Mayor's Legislative and Finance Committee had recommended this increase with strict enforcement.

After discussion, Vice-Mayor Horton moved for the adoption of Ordinance No. 1018. This motion was seconded by Councilman Michael.

On a roll call vote of 5-1, Ordinance No. 1018 passed on its first reading, with Councilman Rainey voting "no".

The City Manager advised that this ordinance needed to be adopted before January 1, 1978 to let the agency know what to charge for the registration stickers.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 1018. This motion was seconded by Councilman Cole, which motion carried on a voice vote of 5-1, with Councilman Rainey voting "no".

On a roll call vote of 5-1, Ordinance No. 1018 passed on its second reading, with Councilman Rainey voting "no".

RESOLUTION NO. 77-214 - RESOLUTION RATIFYING SELECTION OF LOW BIDDERS FOR E.D.A. GRANT PROJECTS

7. Consideration was given to a resolution ratifying selection of low bidders for E. D. A. Grant Projects.

The City Manager read the resolution and explained that in order to meet federal regulations and dead lines the contracts were awarded to the following:

Project	Bidder	Amount
Deaverview Bridge	Hickory Construction Company	$182,900
Patton Avenue-Smith Bridge Water Line	Huntley Construction Company	185,002
Smith Mill Creek Sewer Line	Hobson Construction Company	201,186
West Asheville Fire Station	L. P. Cox Company	177,200
	Rogers Plumbing & Heating Co.	33,400
	20th Century Heating Company	16,750
	R. W. Johnson, Inc.	14,900
		$242,250

He said the bids were all awarded to low bidders and the amounts were within the grant funds. He said this resolution would ratify the selection of the low bidders.

Upon motion of Councilman Morris, seconded by Councilwoman Price, Resolution No. 77-214 was unanimously adopted.

Complete text of Resolution No. 77-214 will be found in Resolution Book No. 10 at page 122.

PETITION - MIDDLE GRASSY BRANCH ROAD

The City Manager presented the following petitions from residents of Middle Grassy Branch Road.

After discussion of the proposed project, Mayor Trantham closed the public hearing at 3:35 o'clock p. m.

Councilman Michael moved for the approval of the site plan of the proposed Arrowhead Apartments to be located on Wood Avenue. This motion was seconded by Councilman Cole and carried unanimously.

ORDINANCE NO. 1018 - AN ORDINANCE AMENDING ARTICLE VII, SECTION 28-154 OF THE CITY OF ASHEVILLE CODE OF ORDINANCES

6. Consideration was given to an ordinance amending Article VII, Section 28-154 of the City of Asheville Code of Ordinances increasing fees for Motor Vehicle registration from $1.00 to $5.00 per year.

The City Manager read the ordinance and explained that the 1977 General Assembly authorized municipalities to increase fees for Motor Vehicle registration from $1.00 to $5.00 per year and this increase was approved in estimated revenues in the City's Fiscal 1977-78 Annual Operating Budget.

A citizen said he did not think all Ashevillians buy the registration stickers and the law was not strictly enforced.

Councilman Rainey spoke in opposition to the ordinance stating that a 5 cent increase in taxes was put into effect and he did not feel an increase in the motor vehicle registration would be necessary.

Vice-Mayor Horton said he felt the ordinance would be a means of spreading out the burden of financing the services provided by the City, rather than through ad valorem taxes. He urged Council to support the ordinance.

Councilman Michael spoke in support of the ordinance stating that this additional revenue would help provide city services.

Councilman Rainey said it was his understanding that the original intent of the $1.00 motor vehicle registration fee was to finance new buses for the transit system after which time the fee would be deleted.

Councilman Morris took exception to Councilman Rainey's statement. He said this was never spelled out in the minutes of any Council meeting.

The City Manager advised that if Council did not approve the $5.00 increase the budget would have to be cut accordingly, that being by $110,000.

Upon inquiry of Councilman Rainey, the City Manager said the agency that sells the state license plates is responsible for selling the city stickers. He said the cost of collection would be 12¢ for each sticker sold.

The City Manager said the operation for the transit system is subsidized by the City for transporting school children and citizens who cannot afford an automobile. He said the transit deficit last year amounted to $481,365 which was offset by a federal grant of $168,000 leaving a deficit of $320,000. He said this increase in motor vehicle registration would not even sustain the transit deficit. He said he felt the increase was fair because it placed the burden on the user.

The City Manager said this project would come under the Water System Improvement Fund and he would have the staff investigate the problems.

REPORT - OTEEN PARK PLACE - DRAINAGE

J. E. Johnson, Director of Inspections, reported that at last week's meeting Mrs. Dorothy Green of Oteen Park Place advised Council that part of Oteen Park Place was covered over with dirt due to the construction of a shopping complex. He said he had investigated the matter and did, in fact, find the road covered over by about 50 ft. He said after research it was determined that the road is maintained by the City and he had scheduled a meeting with the developer of the shopping complex to have the situation corrected.

REPORT - MEETING WITH FAA- RE: FUNDING OF AIRPORT RUNWAY EXTENSION

The City Manager said Mayor Trantham, Councilman Michael, County Commissioner Bill Oglesby, Jim Ellis, Director of Chamber of Commerce and Bill Cox, consulting engineer, with the assistance of Senator Morgan's office, met with the Federal Aviation Administration officials in Washington on December 14, 1977 regarding the need for full funding of the Airport Runway Extension in the current fiscal year. He said the City's problems were shared with the officials. He said about all they offered was the possiblity of multi-year funding using grant monies that are currently available to the City over a 3 year period as well as the possibility that as other airports perhaps don't meet their construction plans some monies would be available through those sources. He said Council would be studying, within the next two weeks, what effect the use of these enplanement funds would have over the next 3 years. He said the City would be back in contact with the FAA within the next 30 days.

POLICE DEPARTMENT REQUESTS - SALARY INCREASES TO STATE LEVEL - FINANCIAL ASSISTANCE FOR TUITION AND OTHER SCHOOL EXPENSES

Cecil Burnette, President of Fraternal Order of Police, said the new Chief of Police was being started out at the state salary level which is a 20% increase above the former Police Chief's salary. He said the Fraternal Order of Police is requesting that their salary also be brought up to the state level. He said Council's serious consideration would be appreciated as soon as possible. He said the state level salaries should begin at the same time the new Chief of Police begins his duties.

Several police officers spoke in support of this salary increase.

Gary B. Foster also presented a petition requesting financial assistance for tuition and other school expenses for officers interested in obtaining a college education in the field of law enforcment. (Copy of petition on Page 39)

The City Manager expressed concern that the patrolmen used the Council meeting to express their concerns. He said he had used an open administration policy since becoming City Manager and he was not aware of the concerns of the Police officers. He said the expressions of the officers will be reviewed. He said the City is constantly looking at pay increases to state salary levels in comparable cities for all city employees.

After discussion of the police officers concerns, Mayor Trantham thanked the patrolmen for coming to Council and said the Council would be meeting to discuss their problems.

The People of Middle Grassy Branch Road

TO: ~~MILTON EUGENE GEORGE~~ Roy Trantham

We the residents of Buncombe County, Middle Grassy Branch Road, Route 2, Asheville, N.C., would like to bring to your attention the fact that there are 21 families living in this community, and we have very little water pressure, often no pressure at all. Seven of these families paying water bills are all on one ½ inch water line. This ½ inch line was installed by one family more than thirteen years ago. Since that time, six other families have been connected to this same ½ inch line. The water department installed new meters for these families. We have installed check valves on recommendation from the installer of the meters. Even with the check valves, we keep burning out water heaters due to lack of water. It is a common thing to be in the shower for half an hour waiting for water to rinse off. It takes hours to wash a load of clothes, and some people have even sold their dishwashers because of this problem.

We just don't have enough water and would really appreciate anything you can do to improve the situation. If you wish to do so, you may contact any of the following people who are affected.

Rev. Kenneth Ridings - 298-2075
Ann Ridings - 298-2075

MAYOR

Herman J. Nolcott
CITY CLERK

December 10, 1959

: TO City Manager

: FROM Police Officers, City of Asheville

and/or trustees

Anyone interested in earning a Bachelor's Degree (B.S.) in Criminology, place name on this paper. It is hoped that financial assistance for tuition and other school expenses, where needed, could be furnished from some source. This petition is being produced to inform the city manager, council, Chief of Police and Director of Personnel of the amount of interest of Asheville Police officers in obtaining a college education in the field of law enforcement.

C. Resolution authorizing Mayor to execute a lease with First Union National Bank of North Carolina for use in the operation of a communications facility by the City of Asheville.

HIGHLIGHTS: This lease would be for property on Peach Knob where the City intends to build a new communication facility in order to improve the quality of the Radio Transmission for the public works and water utility radio bands. The lease is for $100 per year, lease terminating April 30, 1978 with the option of renewal. $6,000 was budgeted for the construction of the facility.

D. Approving the sale of Disposal Parcels 70, 137, and 177 in the East Riverside Urban Renewal Project.

HIGHLIGHTS: The Housing Authority has received the following bids for disposal parcels in the East Riverside Urban Project.

Parcel	Reuse	Established Price	Amount Bid	Redeveloper
70	Residential	2,200.00	2,200.00	Larry Christoper
137	Residential	1,800.00	1,800.00	H. C. Wilkes
177	Residential	1,700.00	1,700.00	Theodore Orr

All the redevelopers are proposing to purchase the respective parcels under the Incentive Housing Program. The Christophers and the Orrs plan to construct a single family residence. The Wilkes propose to move an existing single family structure onto the lot and rehabilitate the structure to the minimum property standards. In each case the redevelopers will be owner-occupants.

E. Resolution authorizing the Mayor to sign a lease agreement with the Opportunity Corporation of Madison-Buncombe Counties for the use of Burton Street Recreation Center.

HIGHLIGHTS: City of Asheville owns the facility known as the Burton Street Center and the Opportunity Corporation of Madison-Buncombe County desires to lease the Burton Street Center for use as a recreation center. Lease is for $5.00 to continue from January 1, 1978 to December 31, 1978.

F. Scheduling of a public hearing to consider an ordinance providing for the regulation of utility lines within the rights of way of public streets within the City of Asheville for January 12, 1978.

Upon motion of Councilman Morris, seconded by Councilwoman Price, the consent agenda was unanimously approved.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., F. Jack Cole, Gene E. Rainey and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF MINUTES

1. Approval of the minutes of the December 15, 1977 meeting.

Upon motion of Councilman Cole, seconded by Vice-Mayor Horton, the minutes of the December 15, 1977 meeting were approved as submitted.

APPROVAL OF CONSENT AGENDA

2. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff any single item scheduled for approval on the consent agenda may be considered separately.

Items on the consent agenda included:

A. Resolution requesting Buncombe County to license insulation contractors.

HIGHLIGHTS: This resolution would request that Buncombe County license insulation contractors rather than having contractors obtain separate license from the City and the County. The County license would include a county-wide license.

B. Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water line on Louisiana Avenue in Asheville, North Carolina.

HIGHLIGHTS: This 8-inch line will be part of a fire line loop. It will start at Louisiana Avenue and Patton Avenue and will intersect with a proposed 6-inch line to be installed on Hazel Mill Road to the intersection on Patton Avenue.

This installation will afford fire protection on Louisiana Avenue and on Hazel Mill Road. Also, this will give a direct loop to the 16-inch water line in Patton Avenue which will furnish more water to support the water lines in the Emma section.

Upon inquiry of Councilman Rainey, Corporation Counsel Moore said the City could not charge the motor vehicle registration fee to people who work in the City but live in the County. He said it would be charged to everyone who has an automobile registered in the City of Asheville which includes all types of businesses.

Councilwoman Price moved to amend the ordinance to require a registration fee of $1.00 for vehicles weighing less than 300 pounds.

Councilman Morris asked Councilwoman Price to accept an amendment to her motion which would allow for "no charge for vehicles weighing less than 300 pounds."

Councilwoman Price accepted the amendment and Councilman Morris seconded the motion, which motion carried.

Councilwoman Price said the citizens of Asheville owning automobiles use the city streets and the motor vehicle registration fee revenue would not be enough to maintain the city streets. She said she felt this increase was needed.

The City Manager stressed the need for the increase referring to observations in the budget letter of May 30, 1977. He said the City staff is presently reviewing the need for a seat tax at the Civic Center, increasing rates at the Airport and tennis court fees. He reported that during the period of January, 1977 to November, 1977, 50 arrests were made for violation of the motor vehicle registration ordinance. He said there were approximately 20-25 check points during this period. He said he was in the process of working with the Buncombe County Tax Office to see if this fee could be collected through automobile property tax.

Councilman Cole said he would like to see the motor vehicle registration fee placed on to the automobile property tax through the Buncombe County Tax Collector. He said this would be a more equitable way of enforcement.

After discussion, Mayor Trantham called for a roll call vote on the ordinance as amended.

On a roll call vote of 5-1, Ordinance No.1018 passed on its third reading with Councilman Rainey voting "no".

Complete text of Ordinance No. 1018 will be found in Ordinance Book No. 8 at page 89.

PUBLIC HEARING - ORDINANCE INCLUDING INSULATION PERMIT FEES

ORDINANCE NO. 1019 - AN ORDINANCE AMENDING SECTION 8-12 OF CHAPTER 8, ARTICLE I OF THE CODE OF ORDINANCES, ENTITLED PERMIT FEES

5. A public hearing was held relative to an ordinance amending Section 8-12 of Chapter 8, Article I of the Code of Ordinances, Entitled Permit Fees.

Mayor Trantham opened the public hearing at 4:15 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

ORDINANCE NO. 1015 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Rezoning property in Oteen)

3. Consideration was given to the third reading of Ordinance No. 1015, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property in Oteen from Light Industrial to Office Institutional District.

Mayor Trantham said the ordinance was previously read on first and second readings and members of Council were furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1015 passed on its third and final reading.

Complete text of Ordinance No. 1015 will be found in Ordinance Book No. 8 at page 86.

ORDINANCE NO. 1018 - AN ORDINANCE AMENDING ARTICLE VII, SECTION 28-154 OF THE CITY OF ASHEVILLE CODE OF ORDINANCES

4. Consideration was given to the third and final reading of Ordinance No. 1018, an ordinance amending Article VII, Section 28-154 of the City of Asheville Code of Ordinances increasing fees for Motor Vehicle registration from $1.00 to $5.00 per year.

Mayor Trantham said the ordinance was previously read on first and second readings and members of Council were furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Mrs. Ruth Berney, 15 Colonial Place, spoke in opposition to the proposed ordinance. She requested Council to postpone the third reading until the new members of Council had an opportunity to review the increase and determine if it is really needed.

Mrs. Edith Miller also spoke in opposition to the ordinance, stating that citizens on fixed incomes could not afford an increase in taxes as well as an increase in the motor vehicle registration fee.

Mr. Dick Covington, 2 Greystone Road, said he felt the proposed ordinance is unjustifiable as well as "double taxation".

Mr. Don Taylor, State Farm Insurance Agency, spoke in opposition to the ordinance. He said "honesty" plays a big part in the purchasing of the stickers. He said all citizens of Asheville, owning an automobile, do not purchase the stickers. He contested that County residents use the facilities that the citizens of Asheville pay for by such taxes. He suggested that the people who use the services pay for them such as a seat tax at the Civic Center and fees for tennis courts.

Councilman Rainey said he felt more people would have come to Council in opposition to the ordinance if the Council meeting were held at night and if two readings of the ordinance had not been held at last weeks meeting. He said he was against this increase because a tax rate increase was put into the budget after the registration fee increase was put in as a revenue. He said this along with a water rate increase in the past year was too much, particularly for people on fixed incomes.

ORDINANCE NO. 1020 - AN ORDINANCE AMENDING THE OPERATING BUDGET FOR THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

6. Consideration was given to an ordinance amending the operating budget for the City of Asheville for Fiscal Year 1977-78.

The City Manager read the ordinance and explained that this ordinance would amend the operating budget by transferring $14,815 from the Non-Departmental Contingency line item to the Police Activity. He said this transfer would provide a local match for a L.E.A.A. grant for an automated police information system which would provide: 1) P.I.N. and N.C.I.C. Communication; 2) On-Line Wants and Warrants Information; 3) Property Control Information; and 4) Manpower Utilization Information. The total cost of such a project is estimated to be $297,500 with L.E.A.A. grant funding of 95%. The application does not commit the City and no commitments will be made until the following steps have been taken: 1) A full evaluation of the needs of local law enforcement agencies; 2) A full evalution of systems available to determine the best suitable application for local use; and 3) a joint funding agreement among local agencies to be negotiated by the respective governing boards. He said this grant was discussed with the Buncombe County Commissioners at a meeting on December 21, 1977. He said the City was applying as prime sponser for the grant. He also said Mel Tucker, Chief of Police, had recommended that the application be submitted.

Councilman Michael suggested that a total evaluation be made of the equipment as far as annual operating costs are involved.

Councilman Morris moved for the adoption of Ordinance No. 1020. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 1020 passed on its first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 1020. This motion was seconded by Councilman Morris and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1020 passed on its second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1020. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1020 passed on its third and final reading.

Complete text of Ordinance No. 1020 will be found in Ordinance Book No. 8 at page 90.

COUNCIL MEETING - CANCELLED - DECEMBER 29, 1977

Mayor Trantham announced that the Asheville City Council would not be meeting on December 29, 1977. The next Asheville City Council meeting will be held on January 5, 1978.

J. E. Johnson, Director of Inspections, said the 1977 General Assembly passed House Bill 10003, known as an Energy Ordinance, which requires that all new structures be insulated. He said this bill allows for tax credits for the installation of insulation and storm windows. However, the work must be certified by a building inspector before a tax credit is allowed, therefore, a permit must be issued for the work. He said this ordinance would include a fee for insulation permits. He said this was a consumer protective bill in that the Building Inspector must inspect the installation of insulation and storm windows. He said after January 1, 1978 a license would be required for those installing insulation for compensation.

Council questioned the language of the state law as to whether one must have an inspectors certificate before receiving a tax credit for the installation of insulation and storm windows.

Councilman Rainey requested that Council be furnished a copy of the state law before the second reading of the ordinance.

Upon inquiry of Councilman Rainey, Mr. Johnson said a homeowner could do the work theirselve but a building permit would have to be issued.

Councilman Rainey suggested that the ordinance be amended to allow for "no charge for a permit for insulation and storm windows costing up to $200.00." He said this would not penalize the private home owner but would protect the consumer.

Councilman Morris said the state law would require the City to make such inspections for the consumers own protection. He contended that the cost of inspection would be the same for any amount of work.

Vice-Mayor Horton said he would like to have an interpretation of the state law before the second reading of the ordinance.

The City Manager said the state law requires that on or after January 1, 1978, no person, firm or corporation may for a consideration install, alter, or restore within the City of Asheville any insulation or other materials or energy utilization equipment designed or intended to meet the State Building Code requirements for insulation and energy utilization standards who is not either (a) licensed as a contractor to do the proposed work under Chapter 87 of the General Statutes, (b) working under the supervision of a registered architect or professional engineer, (c) an owner working upon his own buidling, or (d) licensed as hereinafter described.

Vice-Mayor Horton said he felt this law should apply to contractors but not to homeowners doing their own work. He said the homeowner should be free from obtaining a permit and having his work inspected.

The City Manager suggested that Council pass the ordinance on first reading and review the provisions of homeowners doing their own work before the second reading of the ordinance.

Mayor Trantham closed the public hearing at 4:38 o'clock p. m.

The City Manager read the ordinance.

Councilman Michael moved for the adoption of Ordinance No. 1019. This motion was seconded by Councilman Morris.

On a roll call vote of 6-0, Ordinance No. 1019 passed on its first reading.

3.

That on or about March 13, 1975, a public hearing was held upon the proposed Red Cross building before the City Council of the City of Asheville, as shown by the minutes of said meeting, a copy of which is attached hereto as Exhibit B.

4.

As disclosed by the minutes of the said public hearing, a motion was made to approve the site plan subject to the recommendations of the Planning and Zoning Commission; subject to your petitioner's dedicating the necessary rights-of-way from its property; and subject to your petitioner's reimbursing the City of Asheville for the cost of improvements to Westall Drive and Edgewood Road along its property lines. This motion was seconded and carried unanimously.

5.

That the effect of the approval by City Council was to burden your petitioner with a cost for paving, curbing and other street improvements to an amount which was estimated by the Planning and Zoning Commission to be $24,192.00.

6.

That your petitioner's representative at the public hearing was not prepared to discuss the question of who should bear the cost of street improvements but did state, according to

PETITION - RED CROSS - SITE PLAN

The City Manager presented the following petition from the American National Red Cross, Asheville Area Chapter:

STATE OF NORTH CAROLINA

COUNTY OF BUNCOMBE

BEFORE THE CITY COUNCIL OF THE CITY OF ASHEVILLE

IN RE:)
AMERICAN NATIONAL RED CROSS,) PETITION
ASHEVILLE AREA CHAPTER)

TO: THE HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL OF THE CITY OF ASHEVILLE

The American National Red Cross, Asheville Area Chapter, respectfully petitions you and shows as follows:

1.

That on or about February 6, 1975, your petitioner submitted a request to the Asheville Planning and Zoning Commission for the purpose of obtaining approval of a proposed Regional Red Cross blood center to be constructed at the corner of Edgewood Road and Westall Drive, Asheville, North Carolina.

2.

That on or about February 12, 1975 the Asheville Planning and Zoning Commission reviewed the petition of your petitioner and made recommendations to the City Council of the City of Asheville, a copy of the staff report of the group development being attached hereto as Exhibit A.

new Regional Blood Center will inure to and for the benefit of said citizens; that it is unfair, unreasonable and inequitable to require your petitioner to pay for the cost of widening and improving public streets the use of which will inure to the entire community.

11.

That if your petitioner is required to pay for street improvements in order to construct its building, that your petitioner will necessarily be required to further diminish the size and quality of its proposed building or to borrow funds at interest and that neither of said alternatives are in the best interest of the citizens and residents of Asheville.

12.

That the plans and specifications of your petitioner for the construction of a new building have been prepared to the end that the widening of roads is not necessary to the construction of the building and that such changes to the roads as are required for the purpose of drainage have been designed with your petitioner's paying for the same.

13.

That the widening of Edgewood Road may likely be desirable from the public's standpoint and that your petitioner is willing to dedicate a reasonable part of its land for the purpose of widening said road.

the minutes, that it was his opinion that the building could be constructed on the site without widening the road. Your petitioner was at that time and remains prepared to dedicate the portion of its property necessary for improving the roadways.

7.

That the public hearing of March 13, 1975 was closed at the time the motion to approve the site plan subject to your petitioner's paying for the cost of improvements to Westall Drive and Edgewood Road was made and adopted.

8.

That your petitioner has not had an opportunity to address this Council on the question of who should bear the cost of improvements to Edgewood Road and Westall Drive.

9.

That your petitioner has had a building fund campaign and has raised substantially all of the monies necessary for the construction of a Regional Blood Center upon the site in question, said funds having been solicited from industry, business and individuals throughout western North Carolina, northern Georgia and eastern Tennessee.

10.

That your petitioner performs a valuable and necessary service to and for the citizens of Asheville and that your petitioner's

Councilman Michael also suggested that the Community Development Coordinator apply for a grant for Minority Businesses and the 4-1 Loan Grant for development of minority businesses through the SPA. He said these grants might also be discussed during the public hearing.

Councilman Morris moved to schedule a public hearing on the matters for January 19, 1978 at 7:00 o'clock p. m. This motion was seconded by Vice-Mayor Horton and carried unanimously.

AIRPORT RUNWAY EXTENSION - COMMENTS BY COUNCILMAN MICHAEL

Councilman Michael in commenting on the trip to Washington to meet with FAA officials regarding funding of the Airport Runway Extension, said the City was almost assured of receiving funding over the next four or five year period. However, unless the City could receive cooperation and final commitments from other counties involved or the FAA funds the City could not obligate itself for the $5 million project. He said it was his opinion that the City would have to have the discretionary funds or commitments from other governing boards rather than using enplanement funds.

Vice-Mayor Horton said this matter needs to be followed up immediately with plans to take in the follow up.

The City Manager advised that it was agreed upon in a meeting with the County Commissioners on December 21, 1977 that the Mayor would write a letter to the FAA outlining the manner in which the City of Asheville feels that the FAA should respond to the runway extension. He said a reply would be expected from the FAA in the next two to three weeks, after which time Council would have the stage set for the options.

HERMAN MEDDLER - POLICE DEPARTMENT - INCREASE IN FORCE AND SALARIES

Mr. Herman Meddler, 42 Cranford Road, spoke to Council regarding increasing the force at the Asheville Police Department as well as increasing the salaries. He said the police department employees should be in a class by themselves as their job is to protect the citizens of Asheville. He said he felt the citizens of Asheville would be willing to help pay for the increase in force and salaries.

SCHOOL CHILDREN IN ATTENDANCE - COMMENTS BY COUNCILMAN RAINEY

Councilman Rainey commented that three (3) school children were in attendance of the City Council and he felt if the meeting were held at night more school children would have the opportunity to attend a Council meeting.

Mayor Trantham wished every one a very Merry Christmas.

Adjournment.

MAYOR

CITY CLERK

WHEREFORE, YOUR PETITIONER PETITIONS, MOVES AND REQUESTS, that the matter of the requirement that your petitioner pay for any improvements necessary or desirable and which are made to Edgewood Road and Westall Drive in connection with the construction of your petitioner's new Regional Blood Center be reconsidered; that the City of Asheville make any improvements in the nature of widening Edgewood Road as a public expense; and that your petitioner be permitted an opportunity to be heard on the matters raised in this petition.

This 14th day of December, 1977.

AMERICAN RED CROSS
ASHEVILLE AREA CHAPTER

By Marshall Lytton
Chapter Manager

The City Manager advised that the City staff would look into the request and make a recommendation to Council.

PUBLIC HEARING SCHEDULED - COMMUNITY DEVELOPMENT PROGRAM

The City Manager requested that Council schedule a public hearing to discuss the following matters:

1) The appropriation of the surplus funds from the First, Second and Third Action Years of Community Development;
2) The approving of projects and the concept for the use of the Community Development funds for the Fourth, Fifth and Sixth Action Years; and
3) The approving of the application for an Urban Development Action Grant.

Superintendent of Water Production and Quality Control Division and Purchasing Agent recommend award to the low bidder on a per item basis.

Funding: Water and Sewer Operation, Maintenance and Repair Plant Capital Outlay Equipment - Account Code No. 30-753.0074 Single Line Item, Budgeted $13,600.00

B. Approving bids received December 29, 1977 for one Turf Truckster to be used in Parks and Recreation Department. Award to low bidder, Porter Brothers, Inc. in the amount of $3,798.00.

HIGHLIGHTS: Bids opened December 29, 1977 for one Turf Truckster for the Municipal Golf Course, Parks and Recreation Department.

Three bids were received:

Cumberland Vehicles, Inc.	$4,386.00
Goin Equipment Co.	4,250.00
Porter Brothers, Inc.	3,798.00

Parks and Recreation Director and Purchasing Agent recommend award to low bidder, Porter Brothers, Inc. in the amount of $3,798.00.

Funding: Revenue Sharing Trust Fund Capital Outlay, Account No. 50-504.0074 - budgeted - $3,826.00

C. Approving bids received December 29, 1977 for twenty-four (24) sets bleachers for Parks and Recreation Department. Award to low bidder, Stadiums Unlimited in the amount of $3,672.00.

HIGHLIGHTS: Bids opened December 29, 1977 for twenty-four (24) sets bleachers 5-row - 15 feet long, frames only.

Seven bids were received:

Stadiums Unlimited	$3,672.00
Kane and Associates	6,576.00
Kay Park Rec. Corp.	5,255.04
Miracle Equipment	8,352.00
Play Systems, Inc.	5,814.00
Quality Industries	6,720.00
Cunningham Assoc.	5,184.00

10 sets - East Riverside Park-Account Code 65-653.0074 $ 1,530.00
10 sets - Murphy Oakley Park - Account Code 65-651.0074 $1, 530.00
4 sets - Hall Fletcher Park, Account Code 65-659.0074 $ 612.00

Sufficient funds are available to cover above recommended expenditures.

Thursday - January 5, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., F. Jack Cole, Gene E. Rainey and Otis B. Michael, Corporation Counsel William C. Moore, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: City Manager K. M. Michalove

INVOCATION

The invocation was given by Vice-Mayor Bill B. Horton.

APPROVAL OF MINUTES

1. Approval of the minutes of the December 22, 1977 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, the minutes of the December 22, 1977 meeting were approved as submitted.

APPROVAL OF CONSENT AGENDA

2. The Associate City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff any single item scheduled for approval on the consent agenda may be considered separately.

Items on the consent agenda included:

A. Approving bids received December 29, 1977 for water pumps for Water Production and Quality Control Division. Award to low bidder on a per item basis:

Item #1 - Supply Specialties, Inc. @ $2,695 per unit totaling $5,390.00

Item #2 - Tidewater Machinery - 1 unit @ $3,245.00

HIGHLIGHTS: Bids were received December 29, 1977 for water pumps, Goulds Model No. 3316, Peerless, or Equal for Water Production and Quality Control Division.

Two bids were received:

	Supply Spec.	Tidewater
Item #1 - 2 Water Pumps for Roscraggon Pumping Station	$ 5,390	$ 5,730
Item #2 - Water Pump for Peach Knob Pump House	$ 3,456	$ 3,245

Vice-Mayor Horton instructed the Corporation Counsel to review the law and advise Council as to whether an inspection is necessary on an existing building.

FEDERAL DISASTER FUNDS - FLOOD DAMAGE

The Associate City Manager advised that the City had received 75 per cent of the federal disaster funds for flood damage repairs.

KENILWORTH RESIDENTS ASSOCIATION - FIRE HYDRANTS - DEAD TREES - COMPLAINT

Peter Winslow, President of the Kenilworth Residents' Association, read a prepared statement, referring to a house at 22 Normandy Road which burned down because two fire hydrants malfunctioned, requesting that all the hydrants in Kenilworth be inspected immediately and all malfunctioning units be repaired within the month. He also requested that the hydrants be inspected during the winter months rather than the summer as they are now. He also complained about three dead trees which appear as if they may fall down. He said that leaking hydrants and the dead trees have been reported to City officials in past months and nothing has been done. He asked why these things could not be taken care of before the emergencies take place. He mentioned in particular, a hydrant that is located at the intersection of Warwick Road and Forest Hill Drive which has lost both caps. He said the crown is broken and the hydrant is leaking at a rate estimated at 100 gallons per hour. He said the three new hydrants in the vicinity of the fire on Normandy Road are obscured by banks of earth left after the replacement jobs. He asked if the earth could be taken away on the site and made to look respectable.

Water Maintenance Superintendent Bob Brown said the hydrants on Normandy Road were 50 years old and when they were replaced it was found that the drainage hole was filled with rust.

Logan Delany, Community Development Coordinator, explained that the trees referred to by Mr. Winslow were on private property and a release must be obtained from property owners before city workers could go on the property to remove the trees.

Mayor Trantham advised Mr. Winslow that his requests would be reviewed.

The Associate City Manager said Chief Ball, Mr. Bob Brown and the City Manager are going to meet with the Kenilworth residents at 7:30 p. m. January 12, 1977 at Kenilworth Presbyterian Church to discuss city repairs.

Councilman Michael requested that Chief Ball determine the number of hydrants with inadequate water pressure and broken parts. He said he felt there was a number of fire hydrants that go unrepaired year after year.

INVITATION TO CLEAN COMMUNITY SYSTEM PROGRAM

Mr. Jerry Sternberg, President of the Solid Waste Management and Jean Webb, Executive Director of Quality Forward, invited Council members participation in the Clean Community System Program. They said this program would begin by a slide presentation and tour on January 13, 1978 at 9:30 a. m. at the Interchange Building on Woodfin Street.

Upon motion of Councilman Morris, seconded by Councilman Michael, the consent agenda was unanimously approved.

ORDINANCE NO. 1019 - AN ORDINANCE AMENDING SECTION 8-12 OF CHAPTER 8, ARTICLE I OF THE CODE OF ORDINANCES, ENTITLED PERMIT FEES

3. Consideration was given to the second reading of Ordinance No. 1019, an ordinance amending Section 8-12 of Chapter 8, Article I of the Code of Ordinances, entitled Permit Fees.

Mayor Trantham said the ordinance was previously read on first reading and members of Council have been furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Councilman Rainey moved to amend Ordinance No. 1019 by adding a sub-section (d) to read as follows: "(d) Permits. On and after January 1, 1978, no person, firm, or corporation may for a consideration install, alter, or restore any insulation or other materials or energy utilization equipment designed or intended to meet the State Building Code requirement for insulation and energy utilization standards without first securing a permit either from the inspection department with jurisdiction over the work site, or in the absence of such a department, from an energy and insulation inspector with appropriate jurisdiction. No permit shall be required by the individual homeowner and/or property owner who without consideration or fee installs any insulation, in or on his or her own home or property." This motion was seconded by Vice-Mayor Horton and carried unanimously.

Councilman Rainey said this amendment would clarify the fact that property owners who do work on their own property would be excluded from being required to purchase a permit.

Wayne Kinser, President of Kinco Corporation, an insulation contractor, asked for several clarifications of the new law. He said he did not think that the City Inspection Division, which would issue the permits and inspect the work, could enforce the law. He said inspections would be difficult and the City would have to hire additional inspectors to inspect all the buildings being insulated. He said he felt the standards of insulation should be set before a law is passed to inspect such work.

J. E. Johnson, Director of Inspections, said the law which went into effect January 1, 1978 was aimed at protecting consumers from fly-by-night contractors. He said the law would be reviewed by the state legislature in one year to determine its effectiveness. He said this law would also allow tax credits provided the work is certified by the inspector.

It was the consensus of Council that because it is a state law on the books, which is already in effect, they had no other choice but to approve the ordinance.

Mr. Kinser suggested that permits be made available by telephone to save time and money.

Mr. Johnson answered general questions from Mr. Kinser and members of Council relative to qualifications of contractors and standards of inspections.

On a roll call vote of 5-1, Ordinance No. 1019 as amended passed on its second reading, with Councilman Cole voting "no".

MOTOR VEHICLE REGISTRATION FEE - COMPLAINT BY EDWARD CLARK

Mr. Edward Clark of 355 Beaucatcher Road, complained to Council about the recent increase in the motor vehicle registration fee from $1.00 per year to $5.00 per year. He said he has a large number of citizens who are willing to sign a petition stating that they will not do any trading with any business in the City of Asheville until this action is rescinded. He suggested that Council find other means of revenues such as fees at the tennis courts, seat tax at the Civic Center, and increased fees at the golf course. He asked that Council rescind their action on this matter.

Councilman Rainey moved to rescind the $4.00 increase in the motor vehicle registration fee. This motion died for the lack of a second.

Councilman Morris explained the need for the increase in the registration fee. He said if Council had not appropriated the revenues from the increase they would have had to increase the tax rate by an additional 2 cents.

MRS. ROY ROGERS - SENIOR OPPORTUNITY CENTER

Mrs. Roy Rogers of the Senior Opportunity Center thanked members of Council for coming to the Center during the Christmas season.

Councilman Rainey asked when the new van is to be delivered to the Senior Opportunity Center.

The Associate City Manager said he would find out when the delivery date is going to be.

Adjournment.

Ray McSmith — William F. Wallace

MAYOR — CITY CLERK

This resolution would authorize the Director of Finance to sell or otherwise dispose of the items of surplus property.

B. Resolution authorizing Director of Parks and Recreation to make application for Young Adult Conservation Corps funding.

HIGHLIGHTS: Congress has established program providing for employment of young adults in parks and recreation and conservation, known as the Young Adult Conservation Corps. This program would provide employment opportunities for several youth in the Asheville Area and would benefit the City of Asheville Parks System. It is anticipated that between $100,000 and $200,000 may be allocated to the City for this program. It is planned, at the present, to use these people in the establishment of a nursery for trees at Bee Tree Lake, the further development of Bee Tree Lake camping areas, nature trails, and related facilities, at the Recreation Park for continued improvement in the park, particularly in landscaping and horticulture, one crew of three men for ballfield maintenance and related park maintenance projects, particularly landscaping the new park areas, such as Shiloh, Montford, etc., and two men to work in beautification of the Riverside Cemetary.

C. Resolution appointing member of the Metropolitan Sewerage District Board.

HIGHLIGHTS: This resolution will re-appoint C. LeRoy Robinson as a member of the Metropolitan Sewerage District Board for a term of three years, beginning January 19, 1978.

Upon motion of Councilman Morris, seconded by Councilwoman Price, the consent agenda was unanimously adopted.

MAYOR'S COMMUNITY DEVELOPMENT COMMITTEE REPORT

4. Vice-Mayor Horton reported that the Mayor's Community Development Committee, consisting of Councilwoman Price, Councilman Michael, and himself, met with staff members and the consultant regarding the use of First, Second and Third Action Year Surplus Funds; use of Fourth Action Year Project funds and recommendations for the Urban Development Action Grant Proposal. He said the geographic boundary of the Community Development area is being changed drastically. He said the Community Development area would be confined to the three central areas of the City which includes the special target area for the revised program. He said this would be a three year program rather than the originally proposed final two year program. He said the discussion of the committee centered around the surplus funds from the First, Second and Third Action Years which the City can use until the guidelines become effective.

Logan Delany, Community Development Coordinator, said the committee was working with 14 requests totaling $1.7 million, but there was only $238,764 in surplus funds available. He said the committee recommended that the surplus funds be used as follows: Deaverview Park Project (development cost) $60,000; Senior Opportunity Center Program $90,000; Demolition and Code Enforcement $50,000; Buncombe County Child Development $30,000 and the Dodge Street Fire Line $8,764.

Thursday - January 12, 1978 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., F. Jack Cole, Gene E. Rainey and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Otis B. Michael.

APPROVAL OF MINUTES

1. Approval of the minutes of the January 5, 1978 meeting.

Upon motion of Councilman Cole, seconded by Vice-Mayor Horton, the minutes of the January 5, 1978 meeting were approved as submitted.

PRESENTATION OF CERTIFICATES TO GRADUATING FIRE CADETS

2. Mayor Trantham presented certificates to ten (10) graduating fire cadets.

APPROVAL OF CONSENT AGENDA

3. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff any single item scheduled for approval on the consent agenda may be considered separately.

Items on the consent agenda included:

A. Resolution authorizing Director of Finance to sell surplus property.

HIGHLIGHTS: The following surplus property is stored on the mezzanine of the City Hall building:
A B Dick 580 Thermofax
Rex Rotary R-15 Bohn Business Machine
Ditto - Model 18D70
Pitney-Bowes Addresser Printer
2 NCR Bookkeeping/Posting Machines

All City departments and divisions were contacted regarding the availability of this equipment and no indication of interest or usefulness of this equipment has been received. Article V, Section 32 (d) of the City Charter provides that no sale or other disposition of surplus personal property of the City of Asheville having a replacement cost in excess of $100 shall be made by the Director of Finance unless direction by made by the Council by resolution.

At the request of Vice-Mayor Horton, Mr. Delany reviewed the background of the Deaverview Park Project. He said as a final result HUD indicated that the project would be eligible if it was used for low and moderate income families.

Further discussions were held relative to the need for funds for the demolition and code enforcement project and the Shiloh Community Center.

Vice-Mayor Horton said the committee also recommended the following appropriations for the 1978 $1.6 million Community Development funds: East End-Valley Street Revitalization - $1,257,000; Community Development Administration $100,000; Citizen Participation $30,000; Planning $50,000; Central Business District $87,000; Hill Street- Cherry Street Revitalization Plan $30,000; Hill Street Area Code Enforcement $38,200; and a Contingency of $83,800; total recommended $1,676,000.

The City Manager said these recommendations would be discussed during the the public hearing scheduled for January 19, 1978 at 7:00 o'clock p. m.

Jesse Ray, Jr., expressed concern that the residents of Shiloh, Montford, and East End are being by passed in terms of consideration for improvements to these areas. He said these areas are in need of improvements particularly referring to the East End improvements to sidewalks, street lights, water drainage, and street widening. He encouraged Council to approve the improvement plan developed for the East End. He expressed the need for the continuation of the Housing Rehabilitation Program. He said the public hearing should have been held prior to the committee making their recommendations.

Virgil McConnell spoke in support of the appropriation of $50,000 for the Shiloh Community Center Equipment. He said funds earmarked for a certain area should not be appropriated for another area until all projects for the area had been completed due to cost overruns, etc. He said the new federal guidelines should include the Shiloh area due to the low income residents in the Shiloh area.

Bob Pitts, of 30 Watauga Street, spoke on behalf of the funding for the Montford Complex Swimming Pool. He said if funds could not be made available through Community Development it was the residents hope that other sources of revenues could be obtained.

Councilman Rainey said that at next week's public hearing he would like to know how much money in the past has been allocated to the Kenilworth Park and a detailed break down on the $60,000 development cost for the Deaverview Park Project.

PUBLIC HEARING - REGULATION OF UTILITY LINES WITHIN RIGHTS OF WAY OF PUBLIC STREETS

5. A public hearing was held relative to an ordinance providing for the regulation of utility lines within the rights of way of public streets within the City of Asheville.

Mayor Trantham opened the public hearing at 4:10 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Trantham advised that Council would not vote on the ordinance at this meeting but would merely hear public comments.

At the request of Councilman Michael, Mr. Delany said the following projects were not recommended for funding: YMI Building $150,000; Home Ownership and Credit Counseling $20,000; Meals on Wheels $26,000; Shiloh Community Center Equipment $50,000; Asheville-Buncombe Optional School Child Center Care $11,500; Housing Rehabilitation Project $150,000; Kenilworth Park Project (development) $100,000; Montford Swimming Pool $200,000; and the West Asheville Fire Protection $665,525.

Councilman Michael said he had opposed the purchase of the $104,000 park property and also opposed allocating any money for the development of the park. He said he discussed the park project with Bryan Malthurs of HUD in Greensboro and was told that the Deaverview Park project would not be eligible for the funds unless there was an active outreach program between the Parks and Recreation Department and the Deaverview Housing Project. He said if the Council approves the money for the park and the project is not eligible the City will have to pay the $164,000 back to the Department of Housing and Urban Development. He said there are many more eligible projects that would help low income people that have been completely deleted for a questionable project. He said he did not think it was legal for the City of Asheville to conduct projects for county residents using Community Development funds. He said this would be a misappropriation of taxpayer's funds.

Councilman Michael read the following letter, which he requested be made a part of these minutes:

January 12, 1978

Department of Housing and Urban Development
415 N. Edgeworth Street
Greensboro, N. C. 27401

ATTENTION: Bryon Malthurs

Dear Mr. Malthurs:

A recent meeting of the Mayor's committee of the distribution and allocation of community development funds of which I am a member resulted in a question as to the eligibility of the Deaverview Park project using community development funds.

Relative to our telephone conversation today I am requesting in writing the statement that you made that the Deaverview Park project would not be eligible for CD funds unless there was an active outreach program between the Parks and Recreation Departments and the residents of the Deaverview Housing project.

Also, please confirm that in your opinion unless this is done 51% of the users of the park would not fall into the income level required in areas where CD funds are spent.

My concern is based on the fact that if in the future this park project is declared ineligible the City of Asheville will have to pay back all of the community development funds that we have used for this.

A reply from you as soon as possible would be greatly appreciated.

Yours very truly,

Otis S. Michael, M. D.

OSM/jbr

Gary Rowe, attorney and a resident of the Lakeshore Drive area, said this issue arose in early November when a group of citizens complained to the Council about the "super poles" that were being erected by the Carolina Power and Light Company on Lakeshore Drive to carry high voltage trasmission lines running from the Elk Mountain substation to the Beaverdam substation. He said he had asked the City to pursue what ever remedies were available for the City in enforcing their authority relative to the power poles. He referred Council to G. S. 160A-296.6 which refers to the rights of the City to regulate and prohibit the placement of wires, poles, etc. within its rights of way. He said after several opinions from the Attorney General's office two ordinances were prepared for Council's consideration. One requiring the removal of the poles on Lakeshore Drive and a general ordinance regulating erection of the poles anywhere in the City. He said he would recommend a combination of the two ordinances, if the Council thinks it needs an ordinance at all. He said he was concerned that it is apparently the City's position that nothing can be done about the Lakeshore Drive power poles.

Mr. Rowe said the general ordinance making power of the City is encompassed in G. S. 160A-174 which states that a city by ordinance can define, prohibit, regulate, or abate acts, omissions, or conditions detrimental to the health, safety, or welfare of its citizens and the peace and dignity of the City and may define and abate nuisances. He said G. S. 160A-338 states that electric suppliers are subject to the police power of the City. No provision of this part shall restrict the exercise of the police powers of a City over the erection and maintenance of poles, wires, and other facilities of electric suppliers in streets, alleys and other public ways.

He said on November 20, 1977 a suit was filed in Buncombe County Superior Court requesting the removal of the poles in North Asheville on the basis that Carolina Power and Light Company does not have the right to erect the poles without city approval.

He said one additional section of power authority is included in the Zoning Ordinance in which it also gives the City the authority to regulate the placement of the poles. He requested that Council direct the Inspections Department to enforce the Zoning Ordinance in this regard.

Mayor Trantham said due to the prevailing weather conditions the Council meeting would have to adjourn.

William E. Graham, Jr., Vice-President and General Counsel of Carolina Power and Light Company said he felt it would help to continue the public hearing as the proposed ordinance would also affect telephone companies, gas companies, and other utilities and they may also want to comment on the ordinance.

Vice-Mayor Horton moved to continue all public hearings scheduled for today's meeting until January 26, 1978. This motion was seconded by Councilman Morris and carried unanimously.

Adjournment.

Ray M. Trantham
MAYOR

Frances S. Wolcott
CITY CLERK

B. Rescheduling of a public hearing relative to amending Section 30-6-1, Group Developments Section of the Asheville Zoning Ordinance #322, for February 9, 1978.

HIGHLIGHTS: The Planning and Zoning Commission considered a proposed amendment to the Zoning Ordinance which would include the review of utility substations under the Group Development Section.

The wording amendment, recommended by the Planning and Zoning Commission, would be to amend the second sentence of the first paragraph of Section 30-6-1, GROUP DEVELOPMENTS by inserting after "or five (5) or more units", the words: "or electrical transmission substations, or gas regulating and measuring substations,"

The amended sentence would read: "Where more than one principal building or use is proposed to be constructed on a lot or tract of land, or any building with a gross floor area of 25,000 square feet, or more, or five (5) or more units, or electrical transmission substations, or gas regulating or measuring substations, the provisions of this Section shall apply."

This public hearing was scheduled for January 12, 1978. However, due to inclement weather conditions the public hearing was postponed.

C. Approving the sale of Disposal Parcels 15, 21, 22, 23-24, and 27 in the East Riverside Urban Renewal Project and Civic Project No. 2 in the Civic Redevelopment Project.

HIGHLIGHTS: The following bids for disposal parcels in the East Riverside Urban Renewal Project and the Civic Redevelopment Project were received by the Housing Authority.

Parcel	Reuse	Established Price	Amount Bid	Redeveloper
15	Residential	3,000	3,000	McMillian Homes, Inc.
21	Residential	2,350	2,350	McMillian Homes, Inc.
22	Residential	2,750	2,750	McMillian Homes, Inc.
23-24	Residential	5,400	5,400	Lawrence Gilliam, Sr. et ux
27	Residential	3,500	3,500	Dennis Goode, et ux
Civic Project				
2	Institutional	1,000	1,000	Betty Temple United Methodist Church

The six (6) parcels in East Riverside will be developed as single family residential structures. The one (1) in the Civic Project will be developed as parking. The redeveloper is an adjacent owner.

The Housing Authority of the City of Asheville recommends approval of the bids as submitted.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., F. Jack Cole, Gene E. Rainey and Otis M. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Ralph D. Morris, Jr.

APPROVAL OF MINUTES

1. Approval of the minutes of the January 12, 1978 meeting.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, the minutes of the January 12, 1978 meeting were approved as submitted.

APPROVAL OF CONSENT AGENDA

2. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff any single item scheduled for approval on the consent agenda may be considered separately.

Items on the consent agenda included:

A. Rescheduling of a public hearing relative to rezoning property on Haywood Terrace, Ward 5, Sheet 20, Lots 255 and 256, from R-3 Residential District to CH Commercial Highway District, property owned by Mr. Homer Sparks, for February 9, 1978.

HIGHLIGHTS: The Planning and Zoning Commission recommended approval of this request for the following reasons:

1. That portions of property in close proximity to the Homer Sparks' property are already zoned CH Commercial Highway District; and

2. That rezoning the property would not adversely affect the surrounding neighborhood.

This public hearing was originally scheduled for January 12, 1978. However, due to inclement weather conditions the public hearing was postponed.

G. Approval of bids received December 29, 1977 for playground equipment for Parks and Recreation Department for use in Various Park areas. Bids to be awarded to the responsive low bidders.

HIGHLIGHTS: Director of Parks and Recreation and Purchasing Agent recommends award to all responsive low bidders on a per item basis:

Item #1 (5) 4 Way Climbers - Quality Industries - $319.00
Item #2 10 Bicycle Racks - Quality Industries - $125.00
Item #3 5 Single Trail Blazer Slides - Miracle Equipment - $909.00
Item #4 5 Flying Pony Swing Sets - Miracle Equipment - $791.00
Item #5 6 Basketball Goals & posts - Play Systems, Inc. - $261.30
Item #6 5 Merry Flyer 4 Seat Ride - Miracle Equipment - $485.00
Item #7 5 Buck-A-Bouts - Cunningham Associates - $589.00
Item #8 5 Easy Rider Spring Mate w/rubber - Cunningham Associates - $225.00
Item #9 5 Deep Seat Automate w/rubber Spring Ride - Cunningham Assoc. - $220.00
Item #10 30 Saddle mates - Play Systems, Inc. - $92.42
- Cunningham Associates - $99.00
Item #11 1 Catwalk - American Playground Device - $756.70
Item #12 1 Rainbow Climber - Quality Industries - $377.00
Item #13 1 Muscle Bar - Quality Industries - $89.00
Item #14 1 Health Ladder - Quality Industries - $197.00
Item #15 1 Bell Buoy -Cunningham Associates - $260.00
Item #16 2 Circular Equip. Storage Boxes - Cunningham Associates - $499.00
Item #17 45 prs. Bent Angel Leg Benches - Cunningham Associates - $32.00
Item #18 1 Double Step-N-Slide - Miracle Equipment - $1,340.00
Item #19 1 Double Spiral Slide - Cunningham Associates - $5,945.00

Total all items - $34,735.74

Funding: Community Development Funds - Sufficient funds are available for above expenditures.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, the consent agenda was unanimously adopted.

ORDINANCE NO. 1019 - AN ORDINANCE AMENDING SECTION 8-12 OF CHAPTER 8, ARTICLE I OF THE CODE OF ORDINANCES, ENTITLED PERMIT FEES.

3. Consideration was given to the third reading of Ordinance No. 1019, an ordinance amending Section 8-12 of Chapter 8, Article I of the Code of Ordinances, entitled Permit Fees.

Mayor Trantham said this ordinance was previously read on first and second readings and members of Council were furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

Responding to a request of Vice-Mayor Horton, during the January 5, 1978 meeting, J. E. Johnson, Director of Inspections, said it was apparent that House Bill 10003 included the inspection of insulation work on existing structures, since Section 7 of that bill refers to "existing buildings".

D. Scheduling of a public hearing relative to rezoning Ward 7, Sheet 27, Lots 43, 43-1/4, 43-1/2, 43-3/4, 44, 44-1/4, and 44-1/2, property on Fairview Road owned by Tom and Betty Donoho, to be rezoned from R-3 Residential District to LI Light Industrial District for February 9, 1978.

HIGHLIGHTS: The property is presently leased to Asheville Electric Company for warehousing and storage of equipment and material and has been utilized for this purpose, for several years. Upon annexation by the City in 1973, the property was zoned R-3 Residential District placing the existing uses in a nonconforming status. The present use cannot be expanded under this classification.

Planning and Zoning Commission recommended approval of the request for the following reasons:

1. That the property is contiguous with existing Light Industrial zoning to the north;

2. The present usage has existed for several years with no apparent adverse effect upon adjoining properties; and

3. The property abuts the North Carolina Department of Transportation right of way for the interchange of I-40, I-240, and Charlotte Highway. This fact makes the property more desirable for commercial or light industrial activities than for residential use.

E. Resolution adopting the Land-of-Sky Regional Council's Regional Land Use Plan.

HIGHLIGHTS: This resolution would adopt the Land-of-Sky Regional Council's Regional Land Use Plan as it applies to the City of Asheville and is necessary for federal grants. The Planning Board has recommended adoption of the resolution. This plan was developed in close consert with the Asheville Land Use Plan adopted by Council on August 4, 1977 through Resolution No. 77-164.

F. Authorizing the City Clerk to advertise the sale of City of Asheville property known as Ward 4, Sheet 4, Lot 98, located on Roberts Street.

HIGHLIGHTS: In compliance with North Carolina General Statutes Section 160A-269 the City must advertise the sale of property, in order that anyone interested in the property can bid and perhaps upset a bid received from Supply Specialties, Inc. in the amount of $1,500.00.

APPROVAL OF SIGN PERMIT - U-HAUL COMPANY - 387 SWANNANOA RIVER ROAD

5. Consideration was given to a motion approving a sign permit for U-Haul Company to install two (2) wall signs and one (1) free-standing sign at 387 Swannanoa River Road.

J. E. Johnson, Director of Inspections, said this permit requires the approval of City Council pursuant to Section 30-9-3 B7 which states "In addition no sign shall be erected within six hundred (600) feet of the right-of-way of any limited access highway within the jurisdiction of the City of Asheville until permit is submitted to and approved by the Asheville City Council." He said U-Haul Company is proposing to install two (2) wall signs and one (1) free-standing sign at 387 Swannanoa River Road which is part of the I-240 Interchange. He said one (1) wall sign is to be 20 sq. ft., one is to be 232 sq. ft. and the one (1) free-standing sign is to be 36 sq. ft. with a 10' setback. He said U-Haul Company has requested permission for the sign to be 50' high which would be a violation of the Zoning Ordinance. He said the Zoning Ordinance requires that the sign not exceed 40' high.

Larry Bryan presented pictures of the proposed signs. He said the 50' height was needed in order that the sign could be seen from road level.

Councilman Rainey said he had no objections to the signs but felt the Zoning Ordinance relative to signs should be strictly enforced, particularly referring to the 40' height limit.

After discussion, Vice-Mayor Horton moved to approve the sign permit as requested by the U-Haul Company. This motion died for the lack of a second.

Councilman Rainey moved to approve the sign permit, provided the free-standing sign would not exceed 40' high. This motion was seconded by Councilwoman Price and carried unanimously.

BIDS - ONE HUNDRED THIRTY-FIVE (135) DRY TOP TRAFFIC MODEL FIRE HYDRANTS

6. Consideration was given to bids received January 16, 1978 for one hundred thirty-five (135) dry top traffic model fire hydrants.

The City Manager read the following memorandum from the Purchasing Agent relative to the bids for the fire hydrants:

DATE: January 18, 1978

TO: Mr. Ken Michalove

FROM: George Phipps
Purchasing Agent

SUBJECT: Recommendation for Award, Bid Request No. 468-78, "One Hundred Thirty Five (135) Dry Top Traffic Model Fire Hydrants"

Sealed bids were opened and read in the Council Chambers Monday, January 16, 1978, 11:00 A. M. Five (5) bids were received as shown on attached bid summary.

Councilman Rainey noted that it also stated that this bill should not be so construed to pose a burden upon the City or to increase the number of inspectors in the Inspection Department. He said Council should review the ordinance in one year and if it is determined that additional inspectors must be hired then it would be his opinion that the bill should be "overlooked".

After discussion, Mayor Trantham called for a roll call vote on the third reading of Ordinance No. 1019.

On a roll call vote of 6-0, Ordinance No. 1019 passed on its third and final reading.

Complete text of Ordinance No. 1019 will be found in Ordinance Book No. 8 at page 90.

ORDINANCE NO. 1021 - ORDINANCE AMENDING THE CITY OF ASHEVILLE OPERATING BUDGET FOR FISCAL YEAR 1977-78 TO REFLECT COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM INCOME

4. Consideration was given to an ordinance amending the City of Asheville Operating Budget for Fiscal Year 1977-78 to reflect Community Development Block Grant Program income.

The City Manager read the ordinance. He said this ordinance would increase the Community Development Block Grant Contingency III by $30,968 which represents the net proceeds from the sale of Disposal Parcel 26 in the Civic Redevelopment Project, N. C. R-13. This is in accordance with the project completion agreement, duly executed by the Housing Authority of the City of Asheville, the City of Asheville and the Department of Housing and Urban Development dated October 21, 1976.

Councilman Morris moved for the adoption of Ordinance No. 1021. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1021 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1021. This motion was seconded by Councilman Michael and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1021 passed on its second reading.

Councilman Michael moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1021. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1021 passed on its third and final reading.

Complete text of Ordinance No. 1021 will be found in Ordinance Book No. 8 at page 93.

Ray Kisiah, Parks and Recreation Director, said the Parks and Recreation Advisory Board of the City of Asheville determined that a user fee should be charged at Aston Park Tennis Courts to defray a portion of the operating and maintenance costs for these courts. He said there are presently eight (8) asphalt courts in the City of Asheville available free of charge and another 12 to 14 under consideration or under construction. He said the hard-surface courts at Aston Park were recommended by the tennis groups.

Mr. Bob Frazanigan, Chairman of the Tennis Subcommittee of the Parks and Recreation Advisory Board, recommended that Council approve the fees as recommended by the Board.

Councilman Michael said he felt the users of the courts should help pay for the expenses of the City for operation and maintenance. He said he felt the majority of the people using the courts were not residents of the park area.

Councilman Rainey suggested excluding residents of the Community Development area since $65,000 of Community Development funds were used to provide the courts.

Dick Covington also supported the resolution, stating that in his opinion 95% of those using the courts were in the middle income or above bracket.

After discussion, Councilman Morris moved to amend the resolution by adding a section stating "the fees would not exceed the fees recommended by the Parks and Recreation Advisory Board". He said this would give the Advisory Board some latitude in exempting the fees for tournaments, etc. This motion was seconded by Councilman Michael.

Councilman Rainey requested that Councilman Morris and Councilman Michael accept an amendment to the motion which would exclude residents of the 1977 Community Development area from paying the fees.

Councilman Morris and Councilman Michael accepted Councilman Rainey's amendment.

On a voice vote, Councilman Morris' motion to amend the resolution carried unanimously.

Councilman Rainey moved for the adoption of Resolution No. 78-5, as amended. This motion was seconded by Councilman Cole and carried unanimously.

Complete text of Resolution No. 78-5 will be found in Resolution Book No. 10 at page 132.

RESOLUTION NO. 78-6 - RESOLUTION INCREASING DAILY GREENS FEES AT THE ASHEVILLE MUNICIPAL GOLF COURSE TO $5 ON WEEKENDS AND HOLIDAYS

8. Consideration was given to a resolution increasing daily greens fees at the Asheville Municipal Golf Course to $5 on weekends and holidays.

The City Manager read the resolution and explained that the Parks and Recreation Advisory Board has recommended raising the daily green fees on weekends and holidays from $4.00 to $5.00. He said this provide a means of acquiring additional funds for maintaining and improving the golf course. He said all other fees are to remain the same.

Silverman Company submitted the lowest over-all base bid at $38,602.50. ITT Grinnell second at $38,712.10; Southern Meter and Supply Company third at $39,228.45.

The Southern Meter & Supply Company bid contains terms discount, "2% 10 Days, Net 30" which, if utilized, will reduce their net offer to $38,443.88, amounting to $158.63 under the Silverman Company bid.

The "terms discount" is worthy of consideration in determining the best offer but other factors should be considered to rule out possible "false economy" in the process. To earn the $158.62, amounting to four-tens (4/10) of one-percent (1%) the City must pay $38,443.88 twenty (20) days sooner than would otherwise fall due under the Silverman offer.

We currently have several hundred K-11 Kennedy hydrants of the type offered by Silverman in the water system and an inventory of spare parts.

There are no Waterous hydrants of the type offered by Southern Meter and Supply Company currently in our water system and no spare parts. A spare parts inventory of $300.00 to $500.00 will be required if the Waterous hydrants are installed.

Bill DeBruhl, Utilities Operations Coordinator; Bob Brown, Superintendent of Water Maintenance Division and I have reviewed the bids and recommend in the best interest of the City, the award be made to second low bidder, Silverman Company.

s/ George Phipps
Purchasing Agent

Funding: Water and Sewer Department Operations
Warehouse Inventory, Account No. 30-140.

The City Manager concurred in the recommendation.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bid to Silverman Company in the amount of $38,602.50. This motion was seconded by Councilman Michael and carried unanimously.

Bid Summary

Bidder	Bid
Southern Meter and Supply Company	$39,228.45 - terms discount $38,443.88
Municipal & Utility Supply Company	$39,420.00
Silverman Company	$38,602.50
Tidewater Supply	$41,998.50
ITT Grinnel Corp.	$38,712.10

RESOLUTION NO. 78-5 - RESOLUTION ESTABLISHING FEES FOR THE USE OF ASTON PARK TENNIS COURTS

7. Consideration was given to a resolution establishing fees for the use of Aston Park Tennis Courts.

The City Manager read the resolution.

Mr. J. W. Byers, a volunteer for the Meals on Wheels Program, also spoke in support of the Meals on Wheels Program.

Dixie Liggett, of the Central Methodist Church, read a letter of support for the Meals on Wheels Program.

Betsy Ivy read a statement from the West Asheville Kiwanis Club, supporting funding for the Meals on Wheels Program.

Jim Hall, of the Asheville Rotary Club, said the Board of Directors asked him to appear before Council on behalf of the funding for the Meals on Wheels Program.

Jim Cheek, President of the National Honor Society of Asheville High School, spoke in support of the funding for the Meals on Wheels Program.

Janice Wilson, of Project on Aging, spoke in support of the funding for the Meals on Wheels Program.

Rev. Warren Boch, of Calvary Presbyterian Church and a staff member of ABCCM, spoke on behalf of the funding for the Meals on Wheels Program.

Dr. John Ledbetter spoke in support of the funding for the Meals on Wheels Program.

A. C. Mitchell, Brick Street, also spoke in support of the Meals on Wheels Program.

Councilman Rainey requested information as to the number of recipients of Meals on Wheels being served in the new boundaries of the Community Development area.

Peter Winslow, President of the Kenilworth Residents Association, read a prepared statement, requesting funding for the development of the Kenilworth Park Project.

Bill Moore, a resident of Kenilworth, also spoke in favor of the funding for the development of the Kenilworth Park.

Marvin Chambers, a resident of Kenilworth, spoke on behalf of the development of the Kenilworth Park.

Barry Owen, spoke in favor of funding the development of the Kenilworth Park.

Wayne Cooper, President of the West Asheville Businessmens' Association, spoke in favor of funding the development of the Deaverview Park Project.

Francis Coyle, 186 Pearson Drive, speaking for the Montford Community Club, requested funding for the swimming pool for the Montford Recreation Center Complex.

Upon motion of Vice-Mayor Horton, seconded by Councilman Cole, Resolution No. 78-6 was unanimously adopted.

Complete text of Resolution No. 78-6 will be found in Resolution Book No. 10 at page 134.

RESOLUTION NO. 78-7 - RESOLUTION AMENDING THE LEASE AGREEMENT BETWEEN THE CITY OF ASHEVILLE AND THE AIR TERMINAL PARKING COMPANY

9. Consideration was given to a resolution amending the lease agreement between the City of Asheville and the Air Terminal Parking Company.

The City Manager read the resolution and explained that Air Terminal Parking Company has requested rate increases in hourly parking. He said the present rates are:

0 - 2 Hours	$ .40
Each Additional Hour	$ .15
Maximum each 24 Hours	$ 1.75
Weekly	$ 8.75

He said the requested increase is as follows:

0 - 3 Hours	$ .50
Each Additional Hour	$ .25
Maximum each 24 Hours	2.00
Weekly	$10.00

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, Resolution No. 78-7 was unanimously adopted.

Complete text of Resolution No. 78-7 will be found in Resolution Book No. 10 at page 135.

PUBLIC HEARING - COMMUNITY DEVELOPMENT

10. A public hearing was held to determine the disposition of surplus fund balances appropriated for Asheville's First, Second and Third Action Year Community Development projects; to approve the geographic boundaries and projected project concept for the Community Development Fourth, Fifth and Sixth Action Years as described and mandated by the revised HUD regulations scheduled for publication in mid-January, 1978; to approve the development of an application for a Community Development-Urban Development Action Grant; and to consider economic development projects, using Community Development funds to provide a source of capital to finance minority businesses.

Mayor Trantham opened the public hearing at 8:40 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Robert McGirt, Chairman of the Board of Directors for Meals on Wheels, read a prepared statement, seeking support from the Community Development funds for the continution of the Meals on Wheels Program. (See Attachment #1)

WWNC EASTER PARADE - MARCH 26, 1978

The City Manager presented a letter from Dave Jacobs, Program Director of WWNC requesting permission for WWNC to hold an Easter Parade on Sunday, March 26, 1978 from 2 until 4 o'clock p. m. He said families and individuals would dress up in their finest and actually promenade through and/or in front of the City/County Plaza, the Thomas Wolfe Home, the Sheraton, the County Health Department, YMCA, the Inn on the Plaza, and the Asheville Community Theatre. He said they had also requested City Council to officially declare the day to be "THE FIRST ANNUAL WWNC ASHEVILLE EASTER PARADE DAY".

Councilman Cole moved to grant permission to WWNC to hold an Easter Parade on Sunday, March 26, 1978 from 2 until 4 o'clock p. m. This motion was seconded by Councilman Michael and carried unanimously.

BUNCOMBE COUNTY RESCUE SQUAD - EMERGENCY TRANSPORTATION

The City Manager announced that the City had entered into an agreement with the Buncombe County Rescue Squad to furnish emergency transportation during snow storms. He said the number to call for this service is 253-1208.

APPOINTMENT OF CLARK BROWN - PUBLIC WORKS DIRECTOR

The City Manager announced the appointment of Clark Brown as Public Works Director. He said divisions to be included under the Public Works Director are the Street Division, Sanitation Division, and Traffic Engineering.

APPOINTMENT OF WILLIAM DEBRUHL - UTILITIES OPERATION COORDINATOR

The City Manager announced the permanent appointment of William DeBruhl as Utilities Operations Coordinator.

CLAIM - QUALITY INN/INTOWN

The City Manager presented a damage claim received from Gwynn G. Radeker, Attorney for Quality Inn/Intown.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - CARL R. CORN; STEVE SWANGER; ROBERT JORDAN; MARILYN JORDAN; NORMA JEAN BROWN

The City Manager presented a claim for personal injuries received from Erwin L. Ball, Jr., Attorney for Carl R. Corn, Steve Swanger, Robert Jordan, Marilyn Jordan, and Norma Jean Brown.

REPORT ON FIRE HYDRANTS - COUNCILMAN MICHAEL

Councilman Michael requested a report on the number of inadequate fire hydrants in the City of Asheville.

The City Manager said he would have the report at next week's meeting.

Adjournment.

Ray M. Trantham
MAYOR

William A. Malcolm
CITY CLERK

Logan Delany, Community Development Coordinator, said he had received requests from the Utilities Operation Coordinator for $665,625 to provide fire protection in the Community Development area in West Asheville and $757,890 for the replacement of sanitary sewers in the Community Development area in West Asheville; a $20,000 request from the Historical Preservation Society for the restoration of the Coleman House; and $164,489.48 from Inter-Church Housing Association for the rehabilitation of the apartments at Mountainside Apartments.

Mr. Bob Bennett, of Consumer Credit Counseling, requested funding to continue the Consumer Credit Counseling Program. He said they were seeking funds from creditors for the continuation of the program but needed Community Development funding until funds are obtained from the creditors. (See Attachment #2)

Councilman Rainey requested the number of clients that Consumer Credit Counseling would be serving in the new boundaries of the Community Development area.

Jerry Crowe, also spoke on behalf of funding for the Consumer Credit Counseling Program.

Jesse Ray, Jr.,of the East End/Valley Street Improvement Committee, requested that Council approve the preliminary design of the East End/Valley Street Community Development and Improvement Plan and the allocation of 75% of the Fourth Year Community Development Block Grant funds. He said Council should not combine the public hearings on Community Development funding with the regular Council meetings. He also suggested that the City prepare a pamphlet for the citizens explaining the Community Development programs. (See Attachment #3)

Virgil McConnell, of the Shiloh Residents Committee, requested funding for the equipment for the Shiloh Community Center. He also requested that any surplus funds appropriated for the Shiloh area be used in that particular area.

Mike Coxe, Vice-President of the Preservation Society, requested $20,000 of Community Development funds for the acquisition and restoration of the Coleman House on Montford Avenue and Cherry Street.

Betty Ryans also spoke in support of the funding for the acquisition and restoration of the Coleman House.

Verl Emrick, Planning Director, explained the grant application of the Community Development-Urban Development Action Grant. He presented a map showing the geographical area to be included in the grant (bordered on the west by Biltmore Avenue, on the East by Valley Street, on the north by Marjorie Street and Pack Square and on the south by Carroll Avenue). He said the grant funds would amount to $2,778,280 and would be used for the economic revitilization of these areas. He said the development package relates to economy rehabilitation of the area and two alternatives are available. Each presents a mechanism which has the potential to leverage complimentary funding from the Small Business Administration at a ratio of 4-1. The alternatives are 1) utilization of local lending institutions, or 2) utilize an approved miniority small business investment company (MESBIC).

Mayor Trantham closed the public hearing at 10:52 o'clock p. m.

A Presentation by
Meals On Wheels of Asheville - Buncombe County
for
The City Council of Asheville, North Carolina

THE RECIPIENTS

A. Who: Any individual who is medically certified by a physician as needing the service provided by Meals On Wheels is eligible. In the month of October 1977 (this month is used because it was October that we were instructed to make our request for the amount of money we needed from Community Development Funds), Meals On Wheels delivered between 92-107 per day. Sixty-seven of those meals were in the Community Development Area. The reason this number is not more consistent is that our roll of recipients is in a constant state of flux. The total number of meals served in October was 2,028.

B. What: One hot meal is delivered to the recipient at the recipient's home each of the five weekdays. The meal is nutritionally balanced, and is in accord with the physician's requirements concerning diet. The meals are delivered on all holidays, and only three times in the last two years have the meals not been delivered-this was because of the weather. Each recipient is provided with an emergency meal in case delivery is impossible.

C. When: The meals are delivered each weekday at noon throughout the year.

D. Where: The meals are delivered in the Community Development Area, in the city of Asheville, and in other parts of Buncombe County.

E. How: The meals are purchased from Servomation, Inc., a private food catering enterprise, for $1.60 per meal. The meals are delivered in individual serving units to the Meals On Wheels office at 40 Church Street. From this point our volunteers deliver the meals to the homes of the recipients. Each applicant is screened by a committee of the Board of Directors, made up of community experts who volunteer their time. At present the screening committee consists of three social workers, a public health nurse, and a certified therapist. The purpose of the screening is to: (1.) determine more precisely the nature of the need certified by a physician, (2.) to determine if someone other than Meals On Wheels is better able to prepare and deliver the meal, and (3.) to determine if the applying recipient is able to make a contribution towards the cost of the meal.

SCOPE OF THE PROGRAM

A. In September 1977, Meals On Wheels served 2,328 meals. This figure represents the 100-120 individuals who were served in that month. In the three-and-a-half years of our management of the program there have been more than 500 recipients.

B. Our present cadre of volunteers numbers more than 150. In the course of our history, more than 750 volunteers have contributed to our program. The present cadre of volunteers serve Meals On Wheels in the following four basic ways:

1. The delivery of meals-each day 25 volunteers drive approximately 190 miles from the point of pick up to deliver those meals. Approximately 65 of these miles are in the Community Development Area.
2. The Board of Directors (a complete explanation of the number, function, and procedure governing the Board of Directors is included in the By-Laws of this tax exempt service organization and are available at the office of Meals On Wheels, Inc., 40 Church Street, Asheville, NC).
3. Accounting and other office assistance.
4. Miscellaneous help. (screening, other similar, special tasks, etc).

I. THE FINANCING OF MEALS ON WHEELS, INC.

A. Community Development Funds-$36,400 has been requested for the next fiscal year to serve 70 meals per day at a cost of $2.00 per meal for 260 serving days in the Community Development Area.

B. Contributions from the Community institutions, individuals, clubs, and businesses netted us $30,724 for fiscal year 1976. We would hope for at least a similar performance from the private sector.

C. Revenue collected from the recipients who are able to help towards the cost of their meal has amounted to $2,582.70 for the first six months of this fiscal year. Forty (40) of the present recipients are contributing ranging from $.10 to $1.60 per meal.

D. Meals On Wheels is provided office space rent free in one of the downtown institutions.

E. Meals On Wheels has, in addition to the expense of the purchase of a meal, the administrative cost of the delivery of the meal. The primary expense in the administration of the cost of the meal is the fact of a hired coordinator, Mrs. Ethelene Brasington. Her duties are briefly outlined below:
   1. The recruitment and maintainence of a corps of volunteers.
   2. The management of the office of Meals On Wheels.
   3. The reception of all applications and distribution of meals between meetings of the screening committee.
   4. The response to all contributions.
   5. Numerous other responsibilities that are part and parcel of a coordinators' function.

F. Mrs. Brasington has a secretary-assistant who presently is funded through the Emergency Jobs Program.

FOOD ARRANGEMENTS:

A. The food is presently purchased from Servomation, Inc., at a unit cost of $1.60. For the purpose of this meeting before City Council, we asked officials of Servomation to share with us their profit margin per unit of food. Their response was "six to eight per cent."

B. Servomation is able to work with Meals On Wheels to meet the diet requirements of our recipients as those requirements are suggested by a physician.

C. The meals are delivered to the recipients as outlined above.

IMPLICATIONS IF THIS SERVICE IS DISCONTINUED OR CURTAILED

A. This service is absolutely essential, and these needs would have to be met in some fashion.

B. This service allows many of our recipients to maintain themselves in their homes as opposed to the visibly apparent alternatives of rest homes or nursing homes. A recent set of statistics indicates that a per day cost for a rest home is $14.00 and for nursing home care is $26.00.

C. The total well being of an individual is presently felt to be better served by home maintainence if that is a possibility. Certainly cost to the community are significantly reduced.

D. Meals On Wheels believes we contribute with more efficiency, and at less cost than anything previously attempted or suggested. Our per unit cost of meal delivery is slightly over two dollars. When this program was under the auspices of Model Cities, the per unit cost was more than five dollars.

E. Meals On Wheels believes that far more than a balanced meal each day is at issue before council:

1. Each recipient has a daily contact with a volunteer who delivers the meal. The implications of this fact are incalcuable: the recipient has outside contact,and the volunteer is able to physically observe the well being of the recipient. If that well being appears negative, other community resources can be quickly and personally sought to relieve the situation.
2. Here in this program, a use of public and private resources have been used in such fashion as to engender in our recipients a certainty of concern about their well being. A prudent use of public and private monies bares testimony more than 100 times each day, proving that the public and private sectors can work together efficiently, and with reasonable cost.
3. Private dollars and public dollars join together with private volunteers to to provide a valuable service far beyond its cost.
4. Because of high cost of prepared food, home-delivered by any other apparent process, because of the high cost of institutional care both to the individual and to the community, because we who are gathered before you tonight, and because we speak for countless others who could not join us, but share in this opinion with us that City Council is deeply concerned for the needs of all its citizens, and is especially eager to support programs which work with such effectiveness, we ask City Council to vote against any measure which would remove Meals On Wheels from Community Development Funding, and rather vote to honor the budget requests of Meals On Wheels in its entirety.

ATTACHMENT #2

CONSUMER CREDIT COUNSELING SERVICE REPORT FOR 2 Year PERIOD

HAVE COUNSELED 337 FAMILIES

148 From Community Development 370%

89 City of Asheville

93 Buncombe County

7 Other

CONDUCTED ADDITIONAL COUNSELING SESSIONS FOR 384 Families 57%

ATTACHMENT #3

January 19, 1978

Honorable Mayor
City Council Members
Ladies and Gentlemen:

The East End/Valley Street Community is the most physically deteriorated area of the city. The area has been neglected and received hardly any improvements over the past decade.

However, the opportunity to improve and revitalize the East End/Valley Street community is available through the Community Development and Block Grant.

In August of 1977, steps were initiated to design a comprehensive plan to address the needs of East End.

The Housing Authority of the City of Asheville contracted with Butler Associates, Consulting Engineers, to prepare a comprehensive community development and improvement plan in direct coordination with East End residents.

A committee (East End/Valley Street Improvement Committee) of eight residents was formed, as a representative body of the community, to provide an opportunity for citizen participation in the design of the overall plan.

The committee has attended ten planning sessions and reported back to the residents through four community meetings; a total over five hundred hours of citizen participation.

The East End/Valley Street Improvement Committee recommends and encourages the City Council to approve the preliminary design of the East End/Valley Street Community Development and Improvement Plan and the allocation of 75% of the 4th year Community Development Block Grant funds.

We must begin now to rehabilitate and improve the area. We must make it an attractive and pleasant community for residents to live.

The allocation of community development funds to the area will benefit the entire city. It will stabilize the eroding tax base and increase property values. It will create a positive image about our city.

Let us commit ourselves to work together to make a change. We must reduce and ultimately eliminate the blight of our city.

Respectfully submitted,
East End/Valley Street Improvement Committee
Members: Warren Bock, Ralph Brown, Sr., Juanita Hennessee, Oscar McCoy, Charles R. Mosley, Jesse G. Ray, Jr., Robert Smith, James Turman

PURPOSE OF EAST END/VALLEY STREET IMPROVEMENT COMMITTEE

The committee, composed of eight members, is a representative body of the community, therefore:

1. Providing for a means to obtain and exchange information between residents, city officials and planning consultants.

2. Providing direct citizen participation in the design of community development and improvement plans.

3. Suggesting community oriented goals and proposals to coincide with the overall objectives of the community development and improvement project.

4. Reviewing specific proposals as designed by the consultants and reporting same to community-at-large to provide for response.

5. Monitoring and evaluating the implementation and progress of the community development and improvement project and thus providing continuity of citizen participation through all stages of the project.

OBJECTIVES OF THE COMMUNITY DEVELOPMENT AND IMPROVEMENT PROJECT

I. To generally improve the physical condition and appearance of the area with the least amount of disruption to the present community.

II. To provide an adequate and standard storm drainage system.

III. To improve substandard streets by grading, widening, resurfacing and adding curbs, sidewalks, and adequate street lighting.

IV. To provide a through, all weather street from South Valley to Poplar.

V. To improve residential living by the removal of substandard structures and the rehabilitation of deteriorated structures.

VI. To acquire vacant land for the resale as lots and initiate an ongoing home building program.

VII. To provide adequate parks and play areas.

VIII. To provide adequate parking for churches.

IX. To provide some clustered type apartments for elderly.

X. To relocate residents within the neighborhood if at all possible.

XI. A connector from Biltmore Avenue to Carroll Avenue.

B. Resolution regarding auditing contract.

HIGHLIGHTS: This resolution would authorize the City Manager to execute a contract with A. M. Pullen and Company for an audit of the financial accounts and records of the City of Asheville for the fiscal year ending June 30, 1978, pursuant to the N.C.G.S. 159-34.

C. Scheduling of a public hearing relative to amending the City of Asheville Revenue Ordinance for February 16, 1978.

HIGHLIGHTS: This proposed amendment would increase the City of Asheville privilege license tax fees on all business classifications by twenty-five per cent (25%) excluding those that are controlled by Schedule B of the North Carolina Revenue Statutes.

This increase, if approved by Council, will generate approximately $35,000 in additional revenues to the City of Asheville.

D. Resolution appointing a member of the Asheville Transit Authority.

HIGHLIGHTS: This resolution will appoint H. H. Queen as a member of the Asheville Transit Authority.

E. Resolution appointing members of the Asheville Area Civic Center Commission.

HIGHLIGHTS: This resolution will re-appoint John Jerose, Ray Spells, and the President of the Asheville-Buncombe County Youth Council as members of the Asheville Area Civic Center Commission.

F. Resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish 15-17 Blake Street, and 19 Buffalo Street for February 16, 1978.

HIGHLIGHTS: 15-17 Blake Street and 19 Buffalo Street have been found to be unfit for human habitation, unsafe and dangerous to life. Owners have not complied with orders to repair said structures or to have them demolished and removed. Pursuant to N.C.G.S. 160A-364, a public hearing is required and an ordinance adopted to direct the Housing Officer to proceed with the demolition and removal of the dwelling houses.

G. Resolution calling for a public hearing for the adoption of an ordinance adopting the 1978 edition of the North Carolina Electrical Code as the Electrical Code for the City of Asheville for February 16, 1978.

HIGHLIGHTS: The State Building Code Council has amended the North Carolina Electrical Code by adopting by reference the 1978 Edition of the National Electrical Code of the National Fire Protection Association as the 1978 Edition of the North Carolina Electrical Code and it becomes necessary to amend Section 11-68 of the Code of Ordinances of the City of Asheville in order to conform with the provisions of said model code as amended. Pursuant to N.C.G.S. 160A-364 a public hearing is required and an ordinance adopted adopting the 1978 Edition of the North Carolina Electrical Code as the electrical code of the City of Asheville.

Thursday - January 26, 1978 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., F. Jack Cole, Gene E. Rainey, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Mr. Glenn Ford, Vice-President of the Full Gospel Businessmen's Association.

APPROVAL OF MINUTES

1. Approval of the minutes of the January 19, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the minutes of the January 19, 1978 meeting were approved as submitted.

APPROVAL OF CONSENT AGENDA

2. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff any single item scheduled for approval on the consent agenda may be considered separately.

The City Manager reviewed the items on the consent agenda.

Councilman Rainey moved to remove Item B, "Resolution authorizing condemnation of property in the Kenilworth Park Project area," from the consent agenda. This motion was seconded by Councilman Cole and carried unanimously.

Items on the consent agenda included:

A. Resolution authorizing the Mayor to execute an agreement for street and highway system responsibilities between the City of Asheville and the North Carolina Board of Transportation.

HIGHLIGHTS: The City of Asheville and the North Carolina Board of Transportation adopted an Asheville Thoroughfare Plan in 1975. The responsibilities of the Board and the City for streets and highways inside the municipal corporate limits are set forth in General Statutes 136-66.1. The proposed agreement is required by General Statutes 136-66.2 in order to establish which existing and proposed streets and highways included in the Thoroughfare Plan will be part of the state highway system and which streets will be part of the city street system.

Russell Brannon, attorney representing Carolina Power and Light Company, said the proposed ordinances contained several "legal shortcomings". He said N.C.G.S. 160A-174(b) states that ordinances must be consistent with the Constitution and laws of North Carolina and the Constitution and laws of the United States. He said this particular proposed ordinance is not consistent with these laws in that the ordinance makes unlawful an act, omission, or condition which is expressly made lawful by state and federal laws.

Mr. Brannon cited N.C.G.S. 62-180 which, he said, clearly gives the Carolina Power and Light Company the right to install power lines on a public right of way. He said it is Carolina Power and Light Company's position that the City's right to regulate the utility poles within the rights of way in the City is limited to the power to regulate those lines so as not to obstruct or interfere with the street as a means of travel. He said in his opinion the proposed ordinance goes beyond the intent of the legislature to regulate such utility poles. He said the ordinance is extremely broad, unspecific and probably unlawful.

He said the ordinance refers to the hazard of high voltage transmission lines, being over 110,000 volts. He questioned whether or not these lines, erected along Osborne Road and Lakeshore Drive, constitute any more hazard than the previous poles which existed in the same location for many years. He said the ordinance also refers to the fact that no correspondence was made with the City regarding the erection of these lines. He said in 1973 Carolina Power and Light Company corresponded with the City Engineer regarding the transmission lines relative to any conflict of any other utilities or easements within the rights of way. He said plans for this construction were also submitted to the City Manager in 1973 and again in the summer of 1977 prior to the construction work.

Mr. Brannon agreed with the proponents of the ordinance that the poles are unattractive in the residential areas, however, Carolina Power and Light Company must provide a means of electricity to all areas and the company felt the installation of the lines along Lakeshore Drive was the only parctical and economical method of providing the electricity to this area. He said the proposed ordinance contains vague general terms and is not specific in giving the Planning Officer or the City Engineer guidance in approving the installation of transmission lines as proposed by the ordinance. He said it also gives no guidance to Carolina Power and Light Company or any utility company in erecting such lines.

He said in his opinion the installation of transmission lines are not covered by the City's Zoning Ordinance as stated by the proponents.

In his final arguments, Mr. Brannon said the ordinance constitutes an unlawful delegation of the City's legislative authority.

William E. Graham, Jr., General Counsel for Carolina Power and Light Company, said the public relations, in installing the lines along Lakeshore Drive, was not good, as one of the complaints of those in opposition is that the residents of the area were never notified of the erection of the poles until the construction crews began work. He said the public relations, in the future, could surely be improved.

Mr. Graham said Carolina Power and Light Company went through standard procedures in sited the lines on Lakeshore Drive. He said the most favorable means of providing electricity is through underground wiring, however, it is uneconomical.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the consent agenda was unanimously adopted.

RESOLUTION NO. _____ RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE KENILWORTH PARK PROJECT AREA

3. Consideration was given to a resolution authorizing condemnation of property in the Kenilworth Park Project Area.

The City Manager read the resolution and explained that in accordance with the contract between the City of Asheville and the Housing Authority of the City of Asheville for acquisition and relocation services, the Housing Authority is presently negotiating with the owners of property scheduled to be acquired in the Kenilworth Park Project. It has become necessary to acquire certain parcels by condemnation due to existing title defects. He said the parcels are as follows:

Parcel	Owner	Address
2	Beatty	Wyoming Road
6	Arbogast	Wyoming Road
9	General Mortgage	Warwick Road

He said this resolution would authorize the condemnation of these parcels in order that the City of Asheville might carry out its approved plan of development.

The City Manager also presented a letter from the Housing Authority of the City of Asheville recommending approval of the resolution.

Councilman Michael said he would like to have a statement from the property owners that they wanted to sell their property before adopting such a resolution.

After discussion, Councilwoman Price moved to table the resolution for one week. This motion was seconded by Councilman Morris and carried unanimously.

PUBLIC HEARING - REGULATION OF UTILITY LINES WITHIN RIGHTS OF WAY OF PUBLIC STREETS

4. The public hearing relative to an ordinance providing for the regulation of utility lines within the rights of way of public streets within the City of Asheville continued from the January 12, 1978 meeting.

Mayor Trantham continued the public hearing at 3:20 o'clock p. m.

The City Manager presented the notice to the public rescheduling the public hearing for January 26, 1978 and the affidavit of publication.

Mayor Trantham advised that Council would not vote on the ordinance at this meeting but would merely hear public comments.

Gary Rowe, attorney and a resident of the Lakeshore Drive area, reiterated his statements to Council on January 12, 1978. He again recommended that Council adopt a combination of the two ordinances presented for their consideration, one requiring the removal of the poles on Lakeshore Drive and a general ordinance regulating erection of the poles anywhere in the City. He also appealed to Council to enforce the power of authority included in the Zoning Ordinance which gives the City the authority to regulate the placement of the poles. He urged Council to consider his legal arguments.

PUBLIC HEARING - GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

RESOLUTION NO. 78-14 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA, FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964, AS AMENDED

4. A public hearing was held relative to the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

Mayor Trantham opened the public hearing at 5:35 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager described the project as follows:

a) The project will be for the period of July 1, 1977 until June 30, 1978. The grant application will be applied for by the City of Asheville for the purpose of assisting the operational cost of the Asheville Transit Authority.

b) The project service area encompasses the City of Asheville, Town of Biltmore Forest, and adjacent neighborhoods served by the Asheville Transit Authority.

c) The net project cost is estimated at $617,321,
The Federal share is estimated at $308,660,
The local share is estimated at $308,661,
and is anticipated to be derived from the general operating budget of the City of Asheville.

d) No persons, families, or businesses will be displaced by this project.

e) No significant environmental impact is expected upon the service area as a result of the project.

f) The project is in conformance with comprehensive land use and transportation planning in the area and is consistent with the adopted programming of projects in the Transportation Improvement Program.

g) The project will take into consideration the special needs of the elderly and handicapped by providing half-fare rates for those persons 65 years or older or those who are handicapped.

It was noted that the funds received from Biltmore Forest and advertising are counted against the local share, thereby reducing the local share to $298,373.

Mayor Trantham closed the public hearing at 5:43 o'clock p. m.

The City Manager read the resolution.

Upon motion of Councilman Morris, seconded by Councilman Michael, Resolution No. 78-14 was unanimously adopted.

Complete text of Resolution No. 78-14 will be found in Resolution Book No. 10 at page 144.

Mr. Graham presented photographs of various transmission lines throughout the State of North Carolina.

Mr. Graham said Carolina Power and Light Company would probably be willing to consult with a City Engineer or Planning Director on the placement of transmission lines but could not support the proposed ordinance. He said it was his understanding that a law suit is pending in Superior Court regarding the poles along Lakeshore Drive and Carolina Power and Light Company would have to abide by the courts decision. He said he felt the proposed ordinance was not in the interest of the citizens of Asheville or the consumers.

Louis Higdon, of 399 Lakeshore Drive, spoke in favor of the passage of the proposed ordinance.

Nancy Cory, a Lakeshore Drive area resident, also spoke in favor of the passage of the ordinance.

Charles Dyson, General Manager of Carolina Power and Light Company, referring to the placement of the poles on Lakeshore Drive, said North Asheville is, in the near future, going to experience low voltage. He said this fact was determined by Carolina Power and Light Company and plans were started to correct this situation. He said the company investigated the best means possible of correcting the situation. He said the company considered running the line down Merrimon Avenue or over Reynolds Mountain, but decided against both routes because of the damage to the environment and the cost. He said it was decided that since a line presently existed on Lakeshore Drive it would be the most practical and economical means of providing more voltage to the area. In addition, he said the cost of putting the power lines underground would have cost three times what putting the lines above ground costs. He said putting the lines underground would have caused more environmental damage because trenches would have been dug four feet wide and six feet deep along Lakeshore Drive. He said unless the transmission lines are allowed to go through on Lakeshore Drive, by the winter of 1978, the residents of North Asheville will experience low voltage.

Mr. Dyson said the adoption of the proposed ordinance could place the Carolina Power and Light Company in a position of not being permitted to furnish new industries information about power service.

Councilman Michael suggested that public hearings be conducted by the Planning and Zoning Commission when utility companies go through a residential area to install their lines. He said the poles could also be regulated under the sign ordinance which regulates the height and size of signs inside the City.

Councilman Rainey suggested having the City Planning and Zoning Commission review plans for utility construction and make recommendations to Council. He said "environmental pollution" had become a large concern of the middle class. He supported the regulation of such power poles stating that the power company must face up to the problem of the poles in a residential area.

Mayor Trantham said members of Council would discuss the proposed ordinance in the next few weeks.

Mayor Trantham closed the public hearing at 5:30 o'clock p. m.

Upon motion of Councilwoman Price, seconded by Councilman Morris, Resolution No. 78-16 was adopted on a voice vote of 6-0, with Councilman Rainey voting "Present".

Complete text of Resolution No. 78-16 will be found in Resolution Book No. 10 at page 148 .

Edith Miller, a citizen, said she felt the free parking system would be abused by downtown employees and county residents.

CITY POLICY REGARDING GARBAGE PICK-UP DURING PERIODS OF SNOW AND ICE CONDITIONS

8. The City Manager presented the following city policy regarding garbage pick-up during periods of snow and ice conditions:

"The policy will consist of three plans which may be used depending upon the severity of the weather. It will inform the public of what may be expected in the way of garbage collection, and will help to insure the safety of City employees and equipment during such periods.

Plan A - Residents, except in hardship cases, will place their garbage at the curb. This will tend to protect City employees from injury from traveling icy walks and driveways while setting out or carrying back the containers.

Plan B - Residents, except hardship cases, will place their garbage at the curb. The garbage trucks will make their rounds on those streets that can be safely traveled and will avoid those streets that cannot be safely traveled.

Plan C - No garbage trucks will run at all - due to severity of the weather.

The decision as to which plan to activate will be made by the Sanitation Superintendent and/or Safety Officer who shall inform the City Manager and the Director of Public Works prior to public announcement.

The local radio stations will be asked to place this on the air prior to 6:00 A. M. - Informing the radio stations shall be the responsibility of the Sanitation Superintendent and/or the Safety Officer.

The public may also be informed, by leaflets, in the Fall prior to the snow season that during periods of snow and ice they should listen to their local stations for information on garbage collection.

SURPLUS COMMUNITY DEVELOPMENT FUNDS FROM FIRST, SECOND AND THIRD ACTION YEARS

Councilman Michael said the ordinance reallocating surplus Community Development funds from the first, second and third action years will be on the agenda at next week's meeting. He said Bryan Malthurs, of Housing and Urban Development will be in Asheville on Tuesday to discuss the eligibility of the Deaverview Park Project and the Kenilworth Park Project. He said over the three years the City received over $6,000,000 and 1/3 of that amount went into parks. He said it was his hope that in the 4th, 5th, and 6th Action Years that not so much would go into parks. He said the funds should go to low and moderate income people.

RESOLUTION NO. _____ - RESOLUTION AUTHORIZING SUBMISSION OF AN APPLICATION TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR URBAN DEVELOPMENT ACTION GRANT FUNDS 1978-79

5. The City Manager advised that pursuant to grant requirements, a public hearing is necessary on the submission of the application for the Department of Housing and Urban Development - Urban Development Action Grant Funds for 1978-79.

Councilman Morris moved to schedule a public hearing on the matter for February 23, 1978. This motion was seconded by Vice-Mayor Horton and carried unanimously.

RESOLUTION NO. 78-15 - RESOLUTION AUTHORIZING SUBMISSION OF AN APPLICATION TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR COMMUNITY DEVELOPMENT BLOCK GRANT ENTITLEMENT FUNDS - 1978-79

6. Consideration was given to a resolution authorizing submission of an application to the Department of Housing and Urban Development for Community Development Block Grant Entitlement funds - 1978-79.

The City Manager read the resolution and explained that this would authorize the submission of an application to the Department of Housing and Urban Development in support of a three year strategy and phased plan for Community Development Block Grant Entitlement Funds in the amount of $1,676,000 for the first year to begin the redevelopment and revitilization of the geographical area to include Census Tract 1, 2, and 7 (Downtown Revitilization area, Cherry Street area, and Valley Street-East End area).

Vice-Mayor Horton noted that,in light of the public hearing on entitlement funds held on January 19, 1978, the designated amounts had been revised to include Meals on Wheels Program at $9,000 and Consumer Credit Counseling Program at $5,000.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, Resolution No. 78-15 was unanimously adopted.

Complete text of Resolution No. 78-15 will be found in Resolution Book No. 10 at page 146 .

RESOLUTION NO. 78-16 - RESOLUTION AUTHORIZING LIMITED FREE PARKING WITH A CITY AUTO STICKER AT THE DOWNTOWN PARKING GARAGE

7. Consideration was given to a resolution authorizing limited free parking with a city auto sticker at the Downtown Parking Garage.

The City Manager read the resolution. He said free parking would be available to all automobiles displaying a City Auto Sticker between the hours of 10:00 A. M. and 5:00 P. M. on weekdays. However, the free parking system will be suspended during Civic Center events that occur during the normal hours of operation and the free parking will not be extended to monthly parking customers.

Councilman Rainey noted that since there would be a loss of revenue from the parking garage he would suggest reducing the motor vehicle registration fee by the amount of the loss to be incurred by the limited free parking, thereby giving all motor vehicle owners a break rather than just a portion of the owners.

Thursday - February 2, 1978 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., F. Jack Cole, Gene E. Rainey, and Otis B. Michael, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman F. Jack Cole.

APPROVAL OF MINUTES

1. Approval of the minutes of the January 26, 1978 meeting.

Councilman Rainey noted a misspelled word on page 80 of the minutes.

Upon motion of Councilwoman Price, seconded by Councilman Michael, the minutes of the January 26, 1978 meeting were approved as amended.

RESOLUTION NO. 78-17 - RESOLUTION ENDORSING THE BUNCOMBE COUNTY OVERALL ECONOMIC DEVELOPMENT PLAN AND REQUESTING THE U. S. ECONOMIC DEVELOPMENT ADMINISTRATION TO DESIGNATE BUNCOMBE COUNTY AS A REDEVELOPMENT AREA UNDER THE PUBLIC WORKS AND ECONOMIC DEVELOPMENT ACT OF 1965

2. Consideration was given to a resolution endorsing the Buncombe County overall economic development plan and requesting the U. S. Economic Development Administration to designate Buncombe County as a redevelopment area under the Public Works and Economic Development Act of 1965.

The City Manager read the resolution. He said copies of the Overall Economic Development Plan had been presented to members of Council.

Upon motion of Councilman Cole, seconded by Councilwoman Price, Resolution No. 78- 17 was unanimously adopted.

Complete text of Resolution No. 78- 17 will be found in Resolution Book No. 10 at page 149.

RESOLUTION NO. 78-18 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE KENILWORTH PARK PROJECT AREA

3. Consideration was given to a resolution authorizing condemnation of property in the Kenilworth Park Project area.

The City Manager read the resolution. He said in accordance with the contract between the City of Asheville and the Housing Authority of the City of Asheville for acquisition and relocation services, the Housing Authority is presently negotiating with the owners of property scheduled to be acquired in the Kenilworth Park Project. However, it is necessary to acquire certain parcels by condemnation due to existing title defect: They are as follows:

Parcel	Owner	Address
2	Beatty	Wyoming Road
6	Arbogast	Wyoming Road
9	General Mortgage	Warwick Road

CLAIM - MONET NUSSBAUM

The City Manager presented a claim received from Monet Nussbaum.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

Adjournment.

Ray M. Trantham
MAYOR

William P. Nobriga
CITY CLERK

Joe Bland, of the West Asheville Optimist Club, said that the City needs to maintain proper recreational areas in West Asheville as well as throughout the City.

Councilman Morris requested that a member of the Little League Auxiliary furnish the Director of Parks and Recreation a list of young people who play at the Deaverview Park site to substantiate that low and moderate income families use the park area.

Jim Harris, West Asheville Babe Ruth Coach, said he also felt Council should seek an overruling of Mr. Malphurs' decision. He supported the statements made by Mr. Wayne Cooper.

Vice-Mayor Horton said the majority of the Council members have agreed that the Deaverview Park Project should be funded. However, Mr. Malphurs' concerns were that the park should be located closer to Deaverview Apartments and that the park would be for West Asheville rather than for the neighborhood. He said if the Community Development funds are not approved for this project he felt Council would be looking for other means to keep the area in use as a park.

Vice-Mayor Horton then moved that the City Manager and the Mayor be instructed to prepare and submit a formal appeal to HUD to overturn the decision by Bryon Malphurs which declared the Deaverview Park project ineligible for Community Development funding and that this appeal include a restatement in detail of the steps taken thus far to insure compliance with HUD guidelines, copies of all correspondence with and from HUD related thereto, a full statement of the proposed implementation of this project as a Community Development approved project, particularly in regard to an outreach to all nearby low and moderate income familes, and any other pertinent information, facts or plans which may give credence and strength to this appeal request. This motion was seconded by Councilman Rainey.

Councilman Michael said he did not think the City Manager should be included in the motion as this issue should be confined to Council.

On a voice vote, Vice-Mayor Horton's motion carried unanimously.

Dick Covington asked why Council had decided to eliminate the construction of two (2) tennis courts in the Choctaw Street area.

Councilman Michael explained that it was Council's decision to eliminate the tennis courts in this particular area due to the facility being adjacent to a church and a residence. He said it was not Council's intention to sell the property for private investment.

BIDDING PROCESS - COUNCILMAN MICHAEL

Councilman Michael said he had received a complaint from a citizen who said he had been overlooked in the bidding process of the City. He requested that the City's bidding process be monitored and a current list be established to notify persons of upcoming bids.

NIGHT COUNCIL MEETINGS - COUNCILMAN RAINEY

Upon inquiry of Councilman Rainey, the City Manager said he would have a report at next week's meeting relative to the number of cities in North Carolina that are holding night Council meetings.

The City Manager said all the parcels were unimproved.

Upon motion of Councilman Michael, seconded by Councilman Cole, Resolution No. 78-18 was unanimously adopted.

Complete text of Resolution No. 78-18 will be found in Resolution Book No. 10 at page 150.

RESOLUTION NO. 78-19 - RESOLUTION OF RECOGNITION OF JOHN BEST

4. Consideration was given to a resolution of recognition of John Best.

Councilman Michael read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 78-19 was unanimously adopted.

Complete text of Resolution No. 78-19 will be found in Resolution Book No. 10 at page 151.

CLAIM - ROY W. HAWKINS

The City Manager presented a claim received from Roy M. Hawkins.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - KAREN ROMELLE BRICKHOUSE, RICHARD E. STINES, AND JAMES ROBERT GREENE

The City Manager presented a claim received from John A. Powell, Attorney, representing Karen Romelle Brickhouse, Richard E. Stines, and James Robert Greene.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

DUTY OFFICER PROGRAM

The City Manager reported that he was beginning a new project entitled "Duty Officer Program". He said it had been determined that citizens of Asheville had found it difficult to report an emergency situation after regular business hours. He said with this new system, a duty officer would be available to answer emergency calls after regular hours, on weekends and holidays. He said the program would be on a trial basis for thirty to sixty days.

DEAVERVIEW PARK PROJECT - COMMUNITY DEVELOPMENT SURPLUS FUNDS

Mr. Wayne Cooper, West Asheville Businessmen's Association, said the people of West Asheville are highly disappointed at Mr. Bryon Malphurs' decision, on January 31, 1978, that the Deaverview Park Project was not eligible for Community Development surplus money. He encouraged Council to seek "an overruling of the decision" from higher officials of Housing and Urban Development. He said if the project, in final form, is determined to be ineligible for Community Development funding the City should look into different sources of revenue to fund the development of the park. However, the Community Development funds appropriated for the park project should be used for the dire needs of West Asheville, particularly referring to fire protection.

Thursday - February 9, 1978 - 3:00 o'clock p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., F. Jack Cole, and Gene E. Rainey, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Otis B. Michael

INVOCATION

Councilwoman Price introduced Mr. Howard Shockley, West Asheville Presbyterian Church, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 2, 1978 meeting.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, the minutes of the February 2, 1978 meeting were approved as submitted.

APPROVAL OF CONSENT AGENDA

2. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff any single item scheduled for approval on the consent agenda may be considered separately.

Items on the consent agenda included:

A. Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for water mains on State Roads 1266, 1265, 1267, and 1230 in Buncombe County, North Carolina.

HIGHLIGHTS: This encroachment will cover the State roads in which the City shall be laying water lines in conjunction with the Appalachian Way-Huffman Road water line project. Funds for this project have been approved and this easement is conforming to DOT regulations.

B. Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for the relocation of water service lines on Merrimon Avenue, Asheville, North Carolina.

HIGHLIGHTS: The State is going to widen Merrimon Avenue and they have requested the City to move its meters that are in conflict with this construction. These meters are located on the east side between Spears Avenue and Coleman Avenue.

"R" RATED MOVIES - COUNCILMAN RAINEY

Upon inquiry of Councilman Rainey, the City Manager said the Asheville-Buncombe County Youth Council had been requested to review the problem of youths attending "R" rated movies.

COLONIAL INSURANCE POLICY STATEMENT - COUNCILMAN RAINEY

Councilman Rainey requested a policy statement concerning Colonial Insurance. He said a number of City employees are concerned due to lack of payoffs by Colonial Insurance.

The City Manager said a memorandum had been sent to Councilman Rainey concerning Colonial Insurance. He said this would be reviewed by the Employees Benefit Committee.

Councilman Michael said Colonial Insurance and Blue Cross-Blue Shield Insurance should be investigated.

TOM EDGERTON'S SALARY - COUNCILMAN RAINEY

Councilman Rainey requested a breakdown on Tom Edgerton's salary.

Adjournment.

Ray M. Hartman — Marian F. Metcalf

MAYOR — CITY CLERK

Chief of Police and Purchasing Agnet recommend the low bid for three (3) motor vehicles, submitted by Cumberland Vehicles, Inc. in the amount of $10,830.00.

Funding: Revenue Sharing Trust Fund
Police Department - Capital Outlay Equipment
Account Code No. 50-460.0074 (line item budget)
Unencumbered Balance - $25,000.00

F. Scheduling of a public hearing relative to including Ballentree Subdivision in the City's extraterritorial jurisdiction and to zone Ballentree Subdivision properties R-2 Residential District for March 9, 1978.

HIGHLIGHTS: In October, 1977 the City of Asheville received a petition signed by approximately 100 members of the Ballentree Homeowner's Association, Inc. requesting that the Ballentree Subdivision again be included in the City's extraterritorial Zoning and Subdivision Jurisdiction.

Planning and Zoning reviewed the request on February 1, 1978 and voted unanimously to recommend to City Council that the Ballentree Subdivision be included in the City's extraterritorial jurisdiction and that the property be zoned R-2 Residential District.

The Buncombe County Board of Commissioners, by resolution, have approved the inclusion of this property within the City of Asheville Zoning and Subdivision Jurisdiction pending state prescribed public hearings.

PUBLIC HEARING - REZONING PROPERTY ON HAYWOOD TERRACE - REQUESTED BY HOMER SPARKS

ORDINANCE NO. 1022 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

3. A public hearing was held relative to rezoning property on Haywood Terrace from R-3 Residential District to CH Commercial Highway District, property owned by Mr. Homer Sparks.

Mayor Trantham opened the public hearing at 3:10 o'clock p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Verl Emrick, Planning Director, said that the Planning and Zoning Commission, after reviewing the matter, recommended the approval of the rezoning request for the following reasons:

1) That portions of property in close proximity to the Homer Sparks' property are already zoned CH Commercial Highway District; and

2) That rezoning the property would not adversely affect the surrounding neighborhood.

This encroachment will give the City the authority to encroach on the right of way of US Highway 19-23 (Merrimon Avenue) for the purpose of relocating water service lines and water meters in conjunction with State Project 8.7384008.

C. Consideration of bids received January 30, 1978 for one (1) skid steer loader to be used in Parks and Recreation Department.

HIGHLIGHTS: Four (4) bids were received:

Bidder	Bid
Arden Equipment Co.	$7,959.00
Farm Equipment Co.	8,284.75
Model 440 Asheville Const. Equip.	8,645.00
Model 345 Asheville Const. Equip.	7,709.00

Director of Parks and Recreation and Purchasing Agent recommend the low bid, submitted by Asheville Construction Equipment, Inc. in the amount of $7,709.00

Funding: Revenue Sharing Trust Fund
Park Maintenance, Capital Outlay Equipment - Front End Loader - Allocation: $11,000.00

D. Consideration of bids received January 30, 1978 for one (1) 4-inch De-Watering Pump for Water Maintenance Division.

HIGHLIGHTS: Four (4) bids were received:

Bidder	Bid
Supply Specialties	$5,967.00
Mitchell Distributing	5,058.00
Tidewater Machinery	5,495.00
Asheville Const. Equip.	4,676.16

Superintendent of Water Maintenance and Construction Division and Purchasing Agent recommend the low bid, submitted by Asheville Construction Equipment, Inc. in the amount of $4,676.16.

Funding: Water and Sewer Operations, Maintenance and Repair - City Water Section Account Code No. 30-731.0074
Capital Outlay Equipment (line item budget)
Unencumbered balance $31,350.00.

E. Consideration of bids received January 30, 1978 for three (3) police-type enclosed three wheel motor vehicles for use in Police Department.

HIGHLIGHTS: Original bid specified five (5) vehicles. Chief Tucker recommended purchase of three (3) vehicles.

Three (3) bids were received: (Based on five (5) vehicles)

Bidder	Bid	Bid, As Amended
Cumberland Vehicles, Inc.	$19,500.00	($10,830.00)
Porter Brothers, Inc.	20,160.00	
Goin Equipment Sales, Inc.	20,000.00	

PUBLIC HEARING - REZONING PROPERTY ON FAIRVIEW ROAD - REQUESTED BY TOM AND BETTY DONOHO

ORDINANCE NO. 1024 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

5. A public hearing was held relative to rezoning Ward 7, Sheet 27, Lots 43, 43-1/4, 43-1/2, 43-3/4, 44, 44-1/4, and 44-1/2, property on Fairview Road owned by Tom and Betty Donoho, to be rezoned from R-3 Residential District to LI Light Industrial District.

Mayor Trantham opened the public hearing at 3:45 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, after reviewing the rezoning request, recommended approval of the request for the following reasons:

1. That the property is contiguous with existing Light Industrial zoning to the north;

2. The present usage has existed for several years with no apparent adverse effect upon adjoining properties; and

3. The property abuts the North Carolina Department of Transportation right of way for the interchange of I-40, I-240, and Charlotte Highway. This fact makes the property more desirable for commercial or light industrial activities than for residential use.

Mr. Emrick said the property is presently leased to Asheville Electric Company for warehousing and storage of equipment and material and has been utilized for this purpose for several years. Upon annexation by the City in 1973, the property was zoned R-3 Residential District placing the existing uses in a nonconforming status. The present use cannot be expanded under this classification.

Mr. Tom Donoho, petitioner and owner of the property in question, spoke in favor of the rezoning.

Mayor Trantham closed the public hearing at 3:47 o'clock p. m.

The City Manager read the ordinance rezoning the property as petitioned.

Councilman Rainey moved for the adoption of Ordinance No. 1024. This motion was seconded by Councilwoman Price.

On a roll call vote of 5-0, Ordinance No. 1024 passed on first reading.

RESOLUTION NO. 78-22 - RESOLUTION AUTHORIZING AND DIRECTING MAYOR AND CITY CLERK TO EXECUTE LEASE WITH WACHOVIA BANK AND TRUST COMPANY, TRUSTEE

6. Consideration was given to a resolution authorizing and directing Mayor and City Clerk to execute lease with Wachovia Bank and Trust Company, Trustee.

The City Manager read the resolution.

Mr. Emrick said no one appeared in opposition to the rezoning at the Planning and Zoning Commission meeting, however, statements were received from Mrs. McIntyre and Mrs. Candler opposing the rezoning.

Mr. Homer Sparks' son-in-law spoke in favor of the rezoning. He said it was their intention to put in a small retail dress shop at the location.

Mayor Trantham closed the public hearing at 3:18 o'clock p. m.

The City Manager read the ordinance rezoning the property as petitioned.

Councilman Morris moved for the adoption of Ordinance No. 1022. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 5-0, Ordinance No. 1022 passed on its first reading.

PUBLIC HEARING - AMENDING SECTION 30-6-1 - GROUP DEVELOPMENTS SECTION - ZONING ORDINANCE ORDINANCE NO. 1023

4. A public hearing was held relative to amending Section 30-6-1, Group Developments Section of the Asheville Zoning Ordinance #322.

Mayor Trantham opened the public hearing at 3:24 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Verl Emrick, Planning Director, said that the Planning and Zoning Commission, after reviewing the matter, recommended amending the second sentence of the first paragraph of Section 30-6-1 to read as follows: "Where more than one principal building or use is proposed to be constructed on a lot or tract of land, or any building with a gross floor area of 25,000 sq. ft. or more, or five (5) or more units, or electrical transmission substations, or gas regulating or measuring substations, the provisions of this Section shall apply." He said this would mean that before Carolina Power and Light Company or Public Gas can locate any of their facilities in any zone they would have to submit to the Planning and Zoning Commission and the City Council a site plan for approval which would detail the site, its relationship to the surrounding properties, access to the facility, buffering, fencing, and things related thereto. He said Carolina Power and Light Company communicated to the Planning and Zoning Commission and in essence said they had no opposition to complying with this type of requirement.

Upon inquiry of Council, Mr. Emrick said the routing of transmission lines to the substations are not addressed by this amendment.

After discussion, Mayor Trantham closed the public hearing at 3:40 o'clock p. m.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1023. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 1023 passed on its first reading.

Thursday - February 16, 1978 - 3 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen Ralph D. Morris, Jr., F. Jack Cole, Otis B. Michael, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Vice-Mayor Horton introduced Major Kenneth Johnson, Commanding Officer of the Salvation Army, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 9, 1978 meeting.

Vice-Mayor Horton suggested an addition to the minutes of the February 9, 1978 meeting relative to Resolution No. 78-22. He suggested that the first sentence relative to the matter read as follows: "Consideration was given to a resolution authorizing and directing Mayor and City Clerk to execute lease with Wachovia Bank and Trust Company, Trustee to extend lease on 130 acres of land located in Woodfin to be continued as a City Landfill."

Councilman Michael noted that in the minutes of the February 2, 1978 meeting, he wanted his vote changed from "for the motion" to "against the motion" to instruct the City Manager and the Mayor to prepare and submit a formal appeal to HUD to overturn the decision by Bryan Malphurs which declared the Deaverview Park project ineligible for Community Development funding.

With these amendments, Councilwoman Price moved to approve the minutes of the February 9, 1978 meeting, as amended. This motion was seconded by Vice-Mayor Horton and carried unanimously.

APPROVAL OF CONSENT AGENDA

2. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adoption each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff any single item scheduled for approval on the consent agenda may be considered separately.

Items on the consent agenda included:

A. Resolution No. 78-23 - Scheduling of a public hearing relative to closing an unnamed alleyway near the intersection of North Bear Creek Road and the western margin of Patton Avenue for March 23, 1978.

HIGHLIGHTS: Syble N. Hamilton submitted a petition to Council to close an unnamed alley near the intersection of North Bear Creek Road and the western margin of Patton Avenue.

Resolution Book No. 10 Page 155

The City Manager said the lease would be for a ten year period with an aggregate basic rent of $77,548.30. He said the lease covered an option to renew or cancel.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 78-22 was unanimously adopted.

Complete text of Resolution No. 78-22 will be found in Resolution Book No. 10 at page 154.

CLAIM - DR. MARGARET BURNS

The City Manager presented a claim received from John W. Mason, attorney representing Dr. Margaret Burns.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

COUNCIL MEETINGS - OPEN TO PUBLIC

Mayor Trantham emphasized the fact that the Council meetings are open to the public.

Adjournment.

Ray M. Trantham
MAYOR

Norman A. Wolcott Jr.
CITY CLERK

PUBLIC HEARING - ADOPTION OF 1978 EDITION OF THE NORTH CAROLINA ELECTRICAL CODE AS THE ELECTRICAL CODE FOR THE CITY OF ASHEVILLE

ORDINANCE NO. 1025 - AN ORDINANCE AMENDING SECTION 11-68 OF CHAPTER 11, OF THE CODE OF ORDINANCES, ENTITLED STATE ELECTRICAL CODE ADOPTED

3. A public hearing was held relative to the adoption of the 1978 Edition of the North Carolina Electrical Code (North Carolina State Building Code, Volume IV, Electrical) as the Electrical Code for the City of Asheville.

Mayor Trantham opened the public hearing at 3:18 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

J. E. Johnson, Director of Inspections, explained that the State Building Code Council has amended the North Carolina Electrical Code by adopting by reference the 1978 Edition of the National Electrical Code of the National Fire Protection Association as the 1978 Edition of the North Carolina Electrical Code and it becomes necessary to amend Section 11-68 of the Code of Ordinances of the City of Asheville in order to conform with the provisions of said model code as amended.

Councilman Michael recommended that the ordinance be amended to allow citizens to do their own electrical work if it is approved by the City Electrical Inspectors.

After discussion, Mayor Trantham closed the public hearing at 3:30 o'clock p. m.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1025. This motion was seconded by Councilman Morris.

On a roll call vote of 6-0, Ordinance No. 1025 passed on its first reading.

Councilman Michael requested that the City Manager investigate the feasibility of changing the law to allow non-licensed electrical work and non-licensed plumbing work with an inspectors review and to relieve inspectors from reviewing the work of licensed electrical and plumbing contractors.

PUBLIC HEARING - DEMOLITION OF 15-17 BLAKE STREET AND 19 BUFFALO STREET

ORDINANCE NO. 1026 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 15-17 BLAKE STREET AND 19 BUFFALO STREET

4. A public hearing was held relative to the adoption of an ordinance directing the Housing Officer to proceed with the demolition and removal of 15-17 Blake Street and 19 Buffalo Street and otherwise comply with the provisions of the Housing Code of the City of Asheville.

Mayor Trantham opened the public hearing at 3:37 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

B. Resolution No. 78-24 - Resolution appointing a committee to study the idea of a Tree Commission for the City of Asheville.

HIGHLIGHTS: Several interested citizens met with the City Manager and Mayor to discuss the idea of appointing a tree commission to study and recommend the most feasible methods of organizing a systematic management program for the trees and plantings in the City of Asheville. The City Council reviewed the idea in a planning session on January 17, 1978 and by this resolution would authorize a study by volunteers of the need for such a commission.

Resolution Book No. 10 at page 157.

C. Resolution No. 78-25 - Resolution designating the lead planning organization responsible for preparation of the Asheville-Buncombe County Clean Air Quality Plan required by 1977 Clean Air Act Amendments.

HIGHLIGHTS: In accordance with Section 2.2 of the Clean Air Act, Section 174 Guidelines, dated December 1977, this resolution would designate the Transportation Advisory Committee as the Lead Planning Organization designated by the local governments to the Asheville-Buncombe Urbanized Area to carry out the requisite air quality planning and implementation transportation control strategies and for the Planning Director of the City of Asheville to be designated as the agent of the Transportation Advisory Committee for the application and administration of Federal grants associated with air quality planning and implementation of transportation control strategies.

Resolution Book No. 10 at page 158.

D. Resolution No. 78-26 - Resolution authorizing the Mayor to terminate the lease agreement for the property owned by Mildred M. Noell.

HIGHLIGHTS: The City of Asheville and Mildred M. Noell have previously entered into a lease, dated May 2, 1968, for property on Haywood Street and Carter Street. The lease provides that the lease may be terminated and cancelled in the event Mildred M. Noell sold the entire premises. Mildred M. Noell has sold the tract of land and desires that the lease be terminated.

Resolution Book No. 10 at page 161.

E. Resolution No. 78-27 - Resolution authorizing the Mayor to file an application for a federal grant with the North Carolina Division of Law and Order for a regional training grant for the Asheville Police Department.

HIGHLIGHTS: This grant is through LEAA for regional training. This would include necessary training aids such as films, etc. The total amount of the request is $8,790.00 with a matching requirement for the City of Asheville of $439.50. There is sufficient funds in the training and travel account in the Police Department Budget for the local match.

Resolution Book No. 10 at page 162.

The City Manager read the ordinance.

Vice-Mayor Horton moved to insert the following business classification into the ordinance : NEWSPAPER PUBLISHERS.

Monthly, weekly, semi-weekly newspapers per annum	$50.00
Daily newspapers per annum	$200.00

This motion was seconded by Councilman Cole and carried unanimously.

Councilman Michael moved for the adoption of Ordinance No. 1027, as amended. This motion was seconded by Councilwoman Price.

On a roll call vote of 5-1, Ordinance No. 1027 passed on first reading, with Councilman Cole voting "no".

RESOLUTION NO. 78-28 - RESOLUTION AUTHORIZING THE SALE OF PROPERTY LOCATED N/W ROBERTS STREET AND PARK AVENUE

6. Consideration was given to a resolution authorizing the sale of property located N/W Roberts Street and Park Avenue.

The City Manager read the resolution. He also presented an affidavit of publication authenticating the advertisement of such sale pursuant to North Carolina General Statutes 160A-269. He said this property would be sold to Supply Specialties for $1,500.00. He said no upset bids were received.

Upon motion of Councilman Rainey, seconded by Councilwoman Price, Resolution No. 78-28 was unanimously adopted.

Complete text of Resolution No. 78-28 will be found in Resolution Book No. 10 at page 164 .

ORDINANCE NO. 1022 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning Property on Haywood Terrace)

7. Consideration was given to the second reading of Ordinance No. 1022, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville", as amended, rezoning property on Haywood Terrace from R-3 Residential District to CH Commercial Highway District, property owned by Mr. Homer Sparks.

The City Manager advised that the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1022 passed on second reading.

ORDINANCE NO. 1023 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Including Review of Utility substations under the Group Development Section)

8. Consideration was given to the second reading of Ordinance No. 1023, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville", as amended, to include the review of utility substations under the Group Development Section.

J. E. Johnson, Director of Inspections, said 15-17 Blake Street and 19 Buffalo Street have been found to be unfit for human habitation, unsafe and dangerous to life. He said the owners have not complied with orders to repair the structures or to have them demolished and removed. He said due process of law has been followed to have the structures demolished.

Mayor Trantham closed the public hearing at 3:45 o'clock p. m.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1026. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 1026 passed on first reading.

PUBLIC HEARING - CITY OF ASHEVILLE REVENUE ORDINANCE AMENDMENT

ORDINANCE NO. 1027 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1978 AND ENDING JUNE 30, 1979

5. A public hearing was held relative to amending the City of Asheville Revenue Ordinance to reflect an amendment to increase the City of Asheville privilege license tax fees on all business classifications by twenty-five per cent (25%) excluding those that are controlled by Schedule B of the North Carolina Revenue Statutes.

Mayor Trantham opened the public hearing at 3:47 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager said this increase, if approved by Council, will generate approximately $35,000 in additional revenues to the City of Asheville, which represents 1/2 cent on the tax base. He said this recommendation resulted from a budget conference last spring during the budget process. He said the Finance Study Committee of the Council had reviewed the proposed increase in the past few weeks. He said the privilege taxes of the City have not been increased for a number of years.

Council discussed the possibility of consolidating some of the fee categories in the case of the larger multi-variety stores to relieve department stores, drug stores and others that must pay fees for various licenses because they sell such a wide range of goods. This discussion was brought on by Councilman Cole.

Councilman Michael said some investigation should be made into the businesses doing business in the City Limits but having offices in the County.

Council requested a report on the number of stores affected by the inequities of having to obtain various licenses because they sell a wide range of goods.

Vice-Mayor Horton requested that the Corporation Counsel obtain a list of licenses affected by Schedule B of the North Carolina Revenue Statutes.

Mayor Trantham closed the public hearing at 4:15 o'clock p. m.

He said an ordinance should be prepared to directly address the placement of substations and/or transmission lines, rather than include the regulations in an area of the Zoning Ordinance on landscaping developments.

Mr. Dyson said he wanted the communications between Carolina Power and Light Company and the City of Asheville to be the best possible. He said they would have no objections to reviewing site plans for substations with Council. However, they would object to Council dictating the placement of the substation or the transmission lines.

Mr. Emrick said the Planning and Zoning Commission could also review modifications in a group development plan rather than telling an individual they just could not use a particular piece of property.

On a roll call vote of 4-1, Ordinance No. 1023 passed on second reading with Councilman Morris voting "no" and Councilman Michael absent from the Chambers without permission, which vote is carried as an "aye" vote.

ORDINANCE NO. 1024 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Rezoning Property on Fairview Road)

9. Consideration was given to the second reading of Ordinance No. 1024, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville", as amended rezoning property on Fairview Road from R-3 Residential District to LI Light Industrial District, property owned by Tom and Betty Donoho.

The City Manager advised that the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1024 passed on second reading.

RESOLUTION NO. 78-29 - RESOLUTION SUPPORTING THE CONTINUATION OF THE BUNCOMBE COUNTY CHILD DEVELOPMENT PROGRAM

10. Consideration was given to a resolution supporting the continuation of the Buncombe County Child Development Program.

The City Manager read the resolution. He said this resolution would be a joint resolution of the Buncombe County Board of Commissioners and the Asheville City Council.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 78-29 was unanimously adopted.

Complete text of Resolution No. 78-29 will be found in Resolution Book No. 10 at page 165.

The City Manager advised that the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

Charles Dyson, District Manager of the Carolina Power and Light Company, asked for a clarification of the proposed amendment. He said it was his understanding that the amendment is aimed at requiring substations to meet requirements on visual aspects such as landscaping and screening. He said if these are the only requirements of getting an approval for a group development site plan Carolina Power and Light Company would have no objection to such requirements. However, if Council assumes they would have the right to dictate the placement of substations or turn down a substation plan because of the transmission lines Carolina Power and Light Company would strongly oppose the amendment.

Verl Emrick, Planning Director, said he felt it was the intent of the Planning and Zoning Commission to adhere strictly to site development. However, Planning and Zoning Commission or City Council could realistically consider the transmission lines in approving a site plan for a substation.

Councilman Rainey said the City staff is in the process of preparing an ordinance specifically for the placement of transmission lines on the City's right of way. However, if that particular ordinance fails to pass, he would consider other factors, including where the transmission lines are placed, rather than just the buffering and landscaping requirements outlined in the Zoning Ordinance when deciding on the approval of a site plan. He said he did not think the site plan could be isolated from other factors which lead into the plan. He said to technically fulfill the requirements of the group development plan will not guarantee Council approval of the site plan. He said his original intent, in requesting the amendment, covered the placement of transmission lines.

Vice-Mayor Horton said this amendment would give Council the opportunity to officially review the total aspects of a proposed substation, prior to Carolina Power and Light Company putting in a substation.

Councilman Rainey said the proposed ordinance on the placement of transmission lines on the City's right of way would be much broader than the amendment to the Group Development Section of the Zoning Ordinance for review of utility substations.

Councilman Michael said he felt the proposed amendment would eliminate the "communication breakdown" between the Carolina Power and Light Company and the City of Asheville in future site plans. He said this would offer Council the opportunity to review the site plan including the most feasible methods of placing transmission lines.

Mr. Dyson said this was not his understanding and if Council assumes they have the right to dictate the placement of transmission lines or the site of a substation Carolina Power and Light Company will strongly oppose the amendment.

Councilman Morris said he felt this amendment would be placing a hardship on Carolina Power and Light Company. He said unlike other developers Carolina Power and Light Company is different in that it is franchised by State law and is required to provide the electric service. He said this amendment would make it hard for Carolina Power and Light Company to find a feasible location for a substation that they were sure Council would approve. He said he felt this amendment needed further study before Council acts upon an issue to cause such an unreasonable hardship.

PROCLAMATION - "BROTHERHOOD WEEK" - FEBRUARY 19-25, 1978

Mayor Trantham proclaimed the week of February 19-25, 1978 as "Brotherhood Week".

PROCLAMATION - ENGINEERING DAY - FEBRUARY 21, 1978

Mayor Trantham proclaimed February 21, 1978 as "Engineering Day".

MONTFORD AREA HISTORIC DISTRICT

The City Manager read a letter from Mr. Larry Tise, State Historic Preservation Officer, advising that the Montford Area Historic District has been entered into the National Register of Historic Places.

CLAIM - MR. JAMES LA FERLA

The City Manager presented a claim received from Mr. James La Ferla.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - MR. RON HARWOOD

The City Manager presented a claim received from Mr. Ron Harwood.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

KEITH DEWEESE - 941 FAIRVIEW ROAD - REZONING REQUEST

Mr. Keith Deweese of 941 Fairview Road requested that his property be rezoned along with Mr. and Mrs. Donoho's property on Fairview Road from R-3 Residential District to LI Light Industrial District.

After discussion, Council decided that this matter could be brought up at next week's meeting along with the third reading of the ordinance to rezone Mr. and Mrs. Donoho's property on Fairview Road.

COUNCILMAN RAINEY - SOLICITATION PERMITS

Councilman Rainey said he had received notice that two persons from the Unification Church had been arrested for soliciting without a permit. He requested that the Corporation Counsel look into a more simplified manner to obtain the solicitation permits. He said the ordinance covering the permits is too complicated.

COUNCILMAN MICHAEL - $6 MILLION BOND ISSUE

Councilman Michael requested the Corporation Counsel to write the Attorney General's Officer to determine why the City of Asheville could not receive 40% of the $6 million bond money for disbursement by the City Council since the citizens of Asheville will have to repay 40% of the bond money. He said none of the projects listed are for the City of Asheville.

Adjournment

MAYOR

CITY CLERK

RESOLUTION NO. 78-30 - RESOLUTION REQUESTING A CHANGE IN THE DESIGNATION OF ASHEVILLE AND BUNCOMBE COUNTY AS A NON-ATTAINMENT AREA FOR PHOTOCHEMICAL OXIDANTS UNDER THE STANDARDS OF THE 1977 CLEAN AIR ACT

11. Consideration was given to a resolution requesting a change in the designation of Asheville and Buncombe County as a non-attainment area for photochemical oxidants under the standards of the 1977 Clean Air Act.

The City Manager read the resolution. He said this resolution would also be acted upon by the Buncombe County Board of Commissioners at their next meeting.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 78-30 was unanimously adopted.

Complete text of Resolution No. 78-30 will be found in Resolution Book No. 10 at page 166.

RESOLUTION NO. 78-31 - RESOLUTION ENDORSING THE ASHEVILLE REVITALIZATION COMMISSION'S APPLICATION WITH THE NATIONAL ENDOWMENT FOR THE ARTS TO DESIGN DOWNTOWN PUBLIC SPACE

12. Consideration was given to a resolution endorsing the Asheville Revitalization Commission's application with the National Endowment for the Arts to design downtown public space.

The City Manager read the resolution.

Verl Emrick, Planning Director, explained the grant. He said the project will initially concentrate on the public space defined by the Asheville Civic Center, St. Lawrence Church and Asheville-Buncombe Library. He said the project will be coordinated with other ARC planning activities and should prove beneficial to the entire Downtown Improvement Program. He said the Asheville Revitalization Commission has requested $14,000 from the National Endowment for the Arts for the project and the funds to be used for the City's match are from the 1977-78 CDBG monies allocated to the Downtown Project.

Upon motion of Councilman Rainey, seconded by Councilwoman Price, Resolution No. 78-31 was unanimously adopted.

Complete text of Resolution No. 78-31 will be found in Resolution Book No. 10 at page 167.

RESOLUTION NO. 78-32 - RESOLUTION PROCLAIMING THE MONTH OF FEBRUARY AS HUMAN RELATIONS COUNCIL IN ASHEVILLE AND BUNCOMBE COUNTY

13. Consideration was given to a resolution proclaiming the month of February as Human Relations Council in Asheville and Buncombe County.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilwoman Price, Resolution No. 78-32 was unanimously adopted.

Complete text of Resolution No. 78-32 will be found in Resolution Book No. 10 at page 168.

C. Bids received February 6, 1978 for two (2) dual hydraulic cylinders for Fire Department.

HIGHLIGHTS: One bid received from E. A. Industries, Inc. in the amount of $7,265.00. E. A. Industries, Inc. is the only known local source with capability to provide work required and a second advertisement would be of no benefit. Fire Chief, Superintendent of Motor Transport, and Purchasing Agent recommend acceptance of bid of E. A. Industries, Inc.

Funding: Revenue Sharing Trust Fund - Fire Department Capital Outlay Equipment - 50-470.0074 for various equipment - budgeted $22,700.00

D. Bids received February 6, 1978 for one (1) diesel powered tractor, Low Center of Gravity to be used in Parks and Recreation Department.

HIGHLIGHTS: Three (3) responsive bids were received.

Bidder	Bid
Farm Equipment Company	$6,703.00
Arden Equipment Company	$6,866.00
Porter Brothers, Inc.	$6,994.57

Superintendent of Parks, Superintendent of Motor Transport Division and Purchasing Agent recommend low bid submitted by Farm Equipment Company.

Funding: Revenue Sharing Trust Fund, Capital Outlay Equipment Account No. 50-502.0074 - budgeted $8,160.00

E. Bids received February 6, 1978 for metal doors, frames, windows, and hardware for renovation of Burton Street Center, Parks and Recreation Department.

HIGHLIGHTS: Three (3) bids were received.

Bidder	Bid
Citizens Hardware	$4,195.00
Alan H. Shaw Company	$3,897.00
Karpen Steel Products, Inc.	$4,990.00

Superintendent of Parks and Purchasing Agent recommend the acceptance of low bid submitted by Alan H. Shaw Company.

Funding: Community Development Funds - Parks and Recreation Department - Capital Outlay Improvement - Code 65-654.0073 (line item budget) Unencumbered balance $54,000.00

Thursday - February 23, 1978 - 3 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Otis B. Michael, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

INVOCATION

Councilman Otis B. Michael gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 16, 1978 meeting.

Upon motion of Councilman Cole, seconded by Vice-Mayor Horton, the minutes of the February 16, 1978 meeting were approved as submitted.

APPROVAL OF THE CONSENT AGENDA

2. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

Items on the consent agenda included:

A. Resolution No. 78-33 - Resolution of intent to close Sugg Street and three (3) unnamed alleys and calling a public hearing on the question for March 30, 1978.

HIGHLIGHTS: In accordance with the East Riverside Redevelopment Plan, the Housing Authority requests the closing of Sugg Street and three (3) unnamed alleys. The closing of said street and alleys is necessary for the site preparation and disposition of disposal parcels of the East Riverside Project.

Resolution Book No. 10 page 169 .

B. Resolution No. 78-34 - Resolution appointing a member to the Asheville-Buncombe Community Relations Council.

HIGHLIGHTS: Appointment of Mrs. Gloria Free as a member to the Asheville-Buncombe Community Relations Council to fill the unexpired term of Mr. Ray Lyles, term expiring December 31, 1978.

Resolution Book No. 10 page 172 .

Logan Delany, Community Development Coordinator, said this hearing is to receive comments on the approval of the development of an application for a Community Development - Urban Development Action Grant in the amount of an estimated $2,778,280 for the economic revitalization of the geographical area lying between Census Tracts 1 and 7 bordered on the west by Biltmore Avenue, on the east by Valley Street, on the north by Marjorie Street and Pack Square and on the south by Beaumont Street. He said during the past two weeks meetings have been held with various community groups, including representatives from the Chamber of Commerce, Asheville-Buncombe Human Relations Council, Land-of-Sky Regional Planning Council, Asheville-Buncombe Technical Institute, Asheville Revitalization Commission, Western Carolina Industries, and the City of Asheville Planning Department, to include the private sector in the development of the project to economically revitalize this sector of the City. He said meetings have been scheduled with property owners and businesses in the area to discuss the possiblities of this project in meeting their needs. He said the involvement of the private sector in this project is an intergal parf of the program.

Verl Emrick, Planning Director, by the use of a map, reviewed the location of the proposed project. He said this area was chosen due to it being between two or three on-going revitilization projects. He said this would fill in the gaps in the overall planned development of the entire area. He said the area was in great need as far as structural change.

Mr. Emrick presented four specific design concepts which proposed several different alternate land use schemes. The concepts revolved around the rehabiiitation and development of existing and/or new businesses, housing, governmental uses, and other institutional amenities. He said the intent is to retain the specific cultural charactistics of the area with a logical combination of land usage.

Mr. Emrick re-emphasized the need for the involvement of the private sector in the development of the plan. He said without this commitment the program would be eliminated. He said, in fact, the private commitment is necessary before the application is submitted.

Councilman Michael said this grant will completely rehabilitate this area and compliment the central downtown area without the need for city funding.

Mr. Delany noted that this project would involve the rehabilitation of structures rather than a total clearance such as in the Urban Renewal type programs.

Upon inquiry of Councilman Rainey, the City Manager advised that the removal of the City Sanitation Garage was not a part of this program.

After discussion, Mayor Trantham closed the public hearing at 3:50 o'clock p. m.

The City Manager said since the plan had not been finalized the city staff would be meeting with individuals and groups to stimulate interest on the part of private developers and at such time as the City has the final information on funding and commitments a resolution approving the application would be considered by Council.

F. Bids received February 6, 1978 for one (1) diesel powered tractor with 6 ft. extension mower with 15 ft. reach to be used at the City of Asheville Watershed.

HIGHLIGHTS: Two (2) responsive bids were received:

Bidder	Bid
Farm Equipment Company	$13,888.00
Porter Brothers, Inc.	16,984.95

Superintendent of Water Production and Quality Control Division, Superintendent of Motor Transport Division and Purchasing Agent recommend acceptance of the low bid submitted by Farm Equipment Company.

Funding: Water and Sewer Operation, Water Production and Quality Control Division - Capital Outlay Equipment - Code 50-752.0074 (line item budget) - Unencumbered balance $23,205.00

G. Bids received February 6, 1978 for stacking chairs, folding game tables, and two (2) table trucks for Senior Opportunity Center and Harvest House for Parks and Recreation Department.

HIGHLIGHTS: Two (2) responsive bids were received.

Bidder	Bid
Castt Office Furniture	$3,829.00
Sears Roebuck	3,912.00

Recommendation to award to low bidder, Castt Office Furniture.

Funding: Community Development Funding -19-645.0074 Budgeted $6,260.00

Councilman Cole moved for the adoption of the consent agenda. This motion was seconded by Councilman Michael and carried unanimously.

PUBLIC HEARING - APPROVING DEVELOPMENT OF AN APPLICATION FOR A COMMUNITY DEVELOPMENT-URBAN DEVELOPMENT ACTION GRANT

3. A public hearing was held to approve the development of an application for a Community Development - Urban Development Action Grant.

Mayor Trantham opened the public hearing at 3:10 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

ORDINANCE NO. 1023 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Including Review of Utility substations under the Group Development Section)

8. Consideration was given to the third and final reading of Ordinance No. 1023, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville", as amended, to include the review of utility substations under the Group Development Section.

Mayor Trantham advised that the ordinance was previously read on first and second reading and it would not be re-read in its entirety unless there was a specific request to do so.

Mr. Claude Smith, representing Public Service Company, said his company had no objection to the proposed amendment if it applies only to substations built on privately owned property, whether owned or leased by Public Service Company, and does not affect the valves and regulators on the City's right-of-way.

Verl Emrick, Planning Director, said he would interpret the amendment to apply only to substations built on privately owned property.

Councilman Rainey said he did not feel any Council could give the utility companies an automatic approval of their site plan based upon technical adherence to the ordinance provisions. He said they would be classified along with any other developer seeking a group development approval and the impact on the neighborhood would be considered.

Council discussed the requirements of the Public Service Company restoring the streets and sidewalks after putting in a line.

Charles Dyson, General Manager of Carolina Power and Light Company, reiterated his comments made during the meeting of February 16, 1978. He said his company would like to go on record as opposing the amendment due to Councilman Rainey's interpretation of the ordinance that the location of the substation and the transmission lines would be considered when Carolina Power and Light Company seeks an approval of a site plan for a substation. He said his company did not object to meeting the standards setforth in the Zoning Ordinance for group developments.

Councilman Rainey said he did not think Carolina Power and Light Company should oppose an ordinance based on one Council members interpretation. He said his interpretation was on a personal basis. He said he would consider the impact on the neighborhood in approving a substation.

On a roll call vote of 5-0, Ordinance No. 1023 passed on its third and final reading.

Complete text of Ordinance No. 1023 will be found in Ordinance Book No. 8 at page 96.

ORDINANCE NO. 1024 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning Property on Fairview Road)

9. Consideration was given to the third and final reading of Ordinance No. 1024, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville", as amended rezoning property on Fairview Road from R-3 Residential District to LI Light Industrial District, property owned by Tom and Betty Donoho.

Councilman Michael moved that the City Council approve the solicition of a grant to improve the revitilization of minority business downtown through the Urban Development Action Grant program as presented by the City staff in this public hearing. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1025 - AN ORDINANCE AMENDING SECTION 11-68 OF CHAPTER 11, OF THE CODE OF ORDINANCES, ENTITLED STATE ELECTRICAL CODE ADOPTED

4. Consideration was given to the second reading of Ordinance No. 1025, an ordinance amending Section 11-68 of Chapter 11, of the Code of Ordinances, entitled State Electrical Code Adopted.

Mayor Trantham advised that the ordinance was previously passed on first reading and members of Council were furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1025 passed on its second reading.

ORDINANCE NO. 1026 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 15-17 BLAKE STREET AND 19 BUFFALO STREET

5. Consideration was given to the second reading of Ordinance No. 1026, an ordinance directing the Housing Officer to demolish those dwelling houses known as 15-17 Blake Street and 19 Buffalo Street.

Mayor Trantham advised that the ordinance was previously passed on first reading and members of Council were furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1026 passed on its second reading.

ORDINANCE NO. 1027 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1978 AND ENDING JUNE 30, 1979

6. The City Manager requested a postponement of the second reading of Ordinance No. 1027 in order to give staff an adequate amount of time to prepare a report on matters relating to the ordinance that have been brought to his attention.

Vice-Mayor Horton moved to postpone the second reading of Ordinance No. 1027 until March 2, 1978. This motion was seconded by Councilman Cole and carried unanimously.

ORDINANCE NO. 1022 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Rezoning Property on Haywood Terrace)

7. Consideration was given to the third and final reading of Ordinance No. 1022, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville", as amended, rezoning property on Haywood Terrace from R-3 Residential District to CH Commercial Highway District, property owned by Mr. Homer Sparks.

Mayor Trantham advised that the ordinance was previously read on first and second reading and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1022 passed on its third and final reading.

Complete text of ordinance No. 1022, will be found in Ordinance Book 8 page 95.

work and under G. S. 143-129 the conditions would constitute an emergency and allow the City to negotiate and execute agreements with outside contractors to relocate the water line.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 78-36 was unanimously adopted.

Complete text of Resolution No. 78-36 will be found in Resolution Book No. 10 at page 174.

INVITATION - RETIREMENT EVENT OF CAPTAIN JOHN BEST

Council members were invited to a retirement event for Captain John Best at the Holiday Inn West on March 9, 1978.

REQUESTS BY COUNCILMAN RAINEY - GRACE SHOPPING CENTER - SOLICITION BY UNIFICATION CHURCH

Councilman Rainey requested that the Corporation Counsel review the legal procedures for requiring the owner of the Grace Shopping Center to clean up the premises and to determine if the City can require clean up on private property.

Upon inquiry of Councilman Rainey, the Corporation Counsel said he had not received any information from the state on his last inquiry regarding solicition permits.

Councilman Rainey said it was his understanding that the Unification Church officials will be challenging the ordinance.

REQUEST BY COUNCILMAN MICHAEL - OUTREACH PROGRAMS - LIVINGSTON STREET CENTER

Councilman Michael asked the City Manager to obtain a report from the Asheville Housing Authority and the Parks and Recreation Department as to what type outreach programs there are between the three projects surrounding the Livingston Street Center and for the Livingston Street Center.

Adjournment.

Ray M Thomas
MAYOR

Norman J. Horacek, Jr.
CITY CLERK

Mayor Trantham advised that the ordinance was previously read on first and second reading and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1024 passed on its third and final reading.

Complete text of Ordinance No. 1024 will be found in Ordinance Book No. 8 at page 97.

RESOLUTION NO. 78-35 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE KENILWORTH PARK PROJECT AND WYOMING ROAD RELOCATION PROJECT

10. Consideration was given to a resolution authorizing condemnation of property in the Kenilworth Park Project and Wyoming Road Relocation Project.

The City Manager read the resolution. He said the Housing Authority has been unable to acquire certain parcels in the projects through negotiations. Therefore, it is necessary to acquire the parcels by eminent domain. The parcels are:

Kenilworth Park Project

Parcel	Owner	Type Property	Address	Reason
10	Evangeline Hall	Vacant Lot	Warwick Road	Price

Wyoming Road Relocation Project

2	Frank Roebuck	Vacant Lot	Wyoming Road	Title.

Upon motion of Councilman Rainey, seconded by Councilman Cole, Resolution No. 78-35 was unanimously adopted.

Complete text of Resolution No. 78-35 will be found in Resolution Book No. 10 at page 173.

Upon inquiry of Mr. Peter Winslow, the Council noted that the Asheville Housing Authority was working on the land acquisition in the two project areas. Mr. Winslow was also advised that the $32,000 to be appropriated for the development of the Kenilworth Park has not been finalized by the entire Council.

Vice-Mayor Horton said he felt the appropriation for the development of the park was being looked upon favorably by the majority of the Council.

RESOLUTION NO. 78-36 - RESOLUTION AUTHORIZING THE MAYOR AND CITY MANAGER TO EXECUTE AGREEMENT TO REPLACE THE I-40/US 74 WATER LINE

11. Consideration was given to a resolution authorizing the Mayor and City Manager to execute agreement to replace the I-40/US 74 Water Line.

The City Manager read the resolution. He explained that the water line break at the I-40/U.S. 74 interchange has resulted in emergency conditions threatening the health and safety of affected water customers. He said the line is approximately 30 ft. below the surface and it has been the intention of the City to raise the line. However, grant funds to raise the line higher have not been received but are expected in the very near future. He said since the line has broken it would be an ideal time to complete the

ORDINANCE NO. 1026 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THOSE DWELLING HOUSES KNOWN AS 15-17 BLAKE STREET AND 19 BUFFALO STREET

4. Consideration was given to the third reading of Ordinance No. 1026, an ordinance directing the Housing Officer to demolish those dwelling houses known as 15-17 Blake Street and 19 Buffalo Street.

Mayor Trantham advised that the ordinance was previously read on first and second readings and members of Council were furnished copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1026 passed on its third and final reading.

Complete text of Ordinance No. 1026 will be found in Ordinance Book No. 8 at page 100.

ORDINANCE NO. 1027 - AN ORDINANCE LEVYING, ASSESSING, IMPOSING, AND DEFINING THE LICENSE AND PRIVILEGE TAXES OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR BEGINNING JULY 1, 1978 AND ENDING JUNE 30, 1979

5. The City Manager requested a postponement of the second reading of Ordinance No. 1027 in order to permit time for additional information to be gathered.

Councilman Morris moved to postpone the second reading of Ordinance No. 1027 until March 16, 1978. This motion was seconded by Councilman Michael and carried unanimously.

RESOLUTION NO. 78-38- RESOLUTION APPOINTING MRS. THOMAS E. RARDIN AS COMMISSIONER NUMBER TWO OF THE SINKING FUND COMMISSION FOR BUNCOMBE COUNTY

6. Consideration was given to a resolution appointing Mrs. Thomas E. Rardin as Commissioner Number Two of the Sinking Fund Commission for Buncombe County to serve the unexpired term of Mr. E. Britney Smith, term expiring January 1, 1979.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Rainey, Resolution No. 78-38 was unanimously adopted.

Complete text of Resolution No. 78-38 will be found in Resolution Book No. 10 at page 176.

RESOLUTION NO. 78-39 - RESOLUTION AUTHORIZING THE SALE OF OBSOLETE FIRE EQUIPMENT

7. Consideration was given to a resolution authorizing the sale of obsolete fire equipment.

The City Manager read the resolution which authorized the sale of a 1947 American LaFrance 750 GPM Pumper which is obsolete and no longer of any use to the Fire Department.

Thursday - March 2, 1978 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Otis B. Michael, Gene E. Rainey, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Ralph D. Morris, Jr. gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the February 23, 1978 meeting.

Upon motion of Councilman Cole, seconded by Councilman Morris, the minutes of the February 23, 1978 meeting were approved as submitted.

RESOLUTION NO. 78-37 - RESOLUTION OF APPRECIATION AND COMMENDATION TO CHARLES R. "BUCK" PINKSTON

2. Consideration was given to a resolution of appreciation and commendation to Charles R. "Buck" Pinkston.

The City Manager read the resolution. He said Mr. Pinkston is retiring after 18 years of service with the City of Asheville.

Upon motion of Councilman Morris, seconded by Vice-Mayor Horton, Resolution No. 78-37 was unanimously adopted.

Complete text of Resolution No. 78-37 will be found in Resolution Book No. 10 at page 175.

ORDINANCE NO. 1025 - AN ORDINANCE AMENDING SECTION 11-68 OF CHAPTER 11, OF THE CODE OF ORDINANCES, ENTITLED STATE ELECTRICAL CODE ADOPTED

3. Consideration was given to the third reading of Ordinance No. 1025, an ordinance amending Section 11-68 of Chapter 11, of the Code of Ordinances, entitled State Electrical Code Adopted.

Mayor Trantham advised that the ordinance was previously read on first and second readings and members of Council were furnished with copies of the ordinance and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1025 passed on its third and final reading.

Complete text of Ordinance No. 1025 will be found in Ordinance Book No. 8 at page 98.

Dick Meehan, Superintendent of Parks and Recreation and Purchasing Agent recommend the low bid submitted by Reinco, Inc. in the amount of $6,247.00.

Funding: Revenue Sharing Trust Fund, Park Maintenance Capital Outlay Equipment, Account No. 50-502.0074 (line item budget) unencumbered balance $38,743.27

Resolution No. 78-40

C. Resolution authorizing the City Manager to sign appropriate agreement which would permit United Airlines to sublease Asheville Airport Terminal Space to Piedmont Airlines.

HIGHLIGHTS: United Airlines is leasing certain space at the Asheville Airport which they no longer need. Piedmont Airlines, needing additional space, has requested that they be permitted to sublease the United Airlines space. This Council action would authorize such use.

Resolution Book 10 page 178

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

RESOLUTION NO. 78-41 - RESOLUTION APPOINTING A MEMBER TO THE METROPOLITAN SEWERAGE DISTRICT BOARD

9. Consideration was given to a resolution appointing Mr. Walter Boggs as a member to the Metropolitan Sewerage District Board.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Morris, Resolution No. 78-41 was unanimously adopted.

Complete text of Resolution No. 78-41 will be found in Resolution Book No. 10 at page 179.

CLAIM - CALVIN HONEYCUTT

The City Manager presented a claim received from Calvin Honeycutt.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

NICK PARDOS - COMPLAINT - PARKING ON PACK SQUARE

Mr. Nick Pardos, owner of the Square Cafe on Pack Square, told Council he had received a traffic violation citation for "double parking" in front of his business. He said the front of his business is the only way to get merchandise into his restaurant and many times there is not a space to park in. He asked Council what could be done to relieve him of this problem.

Councilwoman Price asked about the possibility of a "loading zone" space designated to serve all the businesses in that particular area.

Upon motion of Councilman Michael, seconded by Councilwoman Price, Resolution No. 78-39 was unanimously adopted.

Complete text of Resolution No. 78-39 will be found in Resolution Book No. 10 at page 177

APPROVAL OF THE CONSENT AGENDA

8. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

Items on the consent agenda included:

A. Approval of bids received February 6, 1978, for one (1) diesel powered hydraulic wheel loader/backhoe, Public Services - Street Division.

HIGHLIGHTS: Six bids were received.

Bidder	Bid
Farm Equipment Company	$22,870.00
Mitchell Distributing	$30,700.00
Porter Brothers	$19,420.07
Arden Equipment Company	$25,371.00
Bruce Construction	$19,272.95
A. E. Finley	$21,000.00

Clark Brown, Director of Public Works, Jim Parris, Superintendent of Motor Transport and Purchasing Agent recommend the low bid submitted by Bruce Construction in the amount of $19,272.95

Funding: Revenue Sharing Trust Fund, Capital Outlay Equipment Account Code 50-427.0074 budgeted $25,000.00

B. Approval of bids received February 6, 1978 for one (1) hydroseeder, gasoline powered, Skid Mount, Finn Bantam Hydroseeder, or Equal for Parks and Recreation Department.

HIGHLIGHTS: Three responsive bids were received:

Bidder	Bid
Reinco, Inc.	$6,247.00
Farm Equipment Company	$6,575.00
Finn Equipment Company	$6,856.72

Thursday - March 9, 1978 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Otis B. Michael, Gene E. Rainey, and Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Mayor Roy M. Trantham gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 2, 1978 meeting.

Upon motion of Councilman Cole, seconded by Vice-Mayor Horton, the minutes of the March 2, 1978 meeting were approved as submitted.

PUBLIC HEARING - BALLANTREE SUBDIVISION - EXTRATERRITORIAL ZONING JURISDICTION AND ZONING ORDINANCE NO. 1028 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

2. A public hearing was held relative to including Ballantree Subdivision in the City's extraterritorial jurisdiction and to zone Ballantree Subdivision properties R-2 Residential District.

Mayor Trantham opened the public hearing at 3:05 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and affidavit of publication.

Verl Emrick, Planning Director, reviewed the background of the proposed inclusion of the Ballantree Subdivision in the City's extraterritorial zoning and subdivision jurisdiction. He said the Ballantree Subdivision was included in the original city's extraterritorial jurisdictional area; however, upon amending the area in October of 1977 the subdivision was excluded. In October, 1977 the City of Asheville received a petition signed by approximately 100 members of the Ballantree Homeowner's Association, Inc. requesting that the Ballantree Subdivision again be included in the City's Extra-territorial Zoning and Subdivision Jurisdiction. The Asheville Planning and Zoning Commission reviewed the request on February 1, 1978 and voted unanimously to recommend to City Council that the Ballantree Subdivision be included in the City's extraterritorial jurisdiction and that the property be zoned R-2 Residential District. The Buncombe County Board of Commissioners, by resolution, have approved the inclusion of this property within the City of Asheville's Zoning and Subdivision Jurisdiction pending state prescribed public hearings.

Mr. Emrick, by the use of a map, reviewed the location of the subdivision. He said the property owners have deed restrictions but wanted the added protection of the Zoning Ordinance.

Mayor Trantham advised Mr. Pardos that Council would discuss his problem and would advise him of their decision.

R. L. MEDLIN - INSURANCE AGENT FOR SANITATION EMPLOYEES

Mr. R. L. Medlin, a retired agent for Charlotte Liberty Mutual Insurance Company, told Council he had been cashing checks, making loans and selling insurance to City of Asheville employees in the Sanitation Department for several years. He said he had been going to the Sanitation Department on Valley Street at 1 p. m. each Friday to conduct these business transactions. He said the City Manager had recently instructed the Sanitation Supervisor to tell him to discontinue his business on city property. He also said he had met with the City Manager regarding this matter. He requested that Council overrule the City Manager's decision and allow him to continue the practices he had been conducting on Friday afternoons for the past five (5) years on City property.

It was the consensus of Council that this was an administration decision and one with which Council should not get involved.

Councilman Rainey suggested that the loaning practice be stopped but the collection of the insurance payments be allowed to be continued, perhaps in a department office.

Mayor Trantham advised Mr. Medlin that Council would discuss his problem and would advise him of their decision.

Adjournment.

Mayor Trantham — Mayor

Miriam F. Wheeler — CITY CLERK

Ray Kisiah, Parks and Recreation Director, said the Tourists Baseball, Inc. is beginning a new season and suggested that Council move forward in the execution of the lease for the 1978 season. He said the Tourists Baseball, Inc. has a franchise from the Western Carolinas Baseball League and a working agreement with the Texas Rangers Baseball Club. He said the Texas Rangers has requested an improvement in a new or improved lighting system at the McCormick Field. He said Tourists Baseball, Inc. has offered the following two-part lease proposal: 1) For the 1978 season only, they would pay only the $2,000 rental figure stipulated in the lease of the past two years; 2) As soon as the commitment to a new lighting system is made by Council they would propose a four year lease with a four year option that would begin in 1979. This lease would call for them to pay the $2,000 rent each year plus the payment of all utility bills for all games played at McCormick Field up to a set figure (perhaps $6,000) each year.

Mr. Kisiah said by making the improvements and keeping baseball in Asheville, the City not only assures itself of having this family recreational outlet for its citizens but also assures that the utility costs involved for the youth baseball programs using McCormick Field can be met.

Mr. Merrill Eckstein, General Manager of the Asheville Tourists Baseball Club, said the reason for the delaying of the execution of the lease was due to a change in ownership of the Club. He said he had joined with twenty-eight (28) Asheville businessmen to purchase the club from Mr. Fred Nichols, President of Pro-Ball, Inc., its previous owner. He said these negotiations had to be completed before Council could execute the lease. He encouraged Council to take action on the matter as soon as possible as the players are not in their spring training session with the season opening April 14, 1978 and he needed a commitment on the lease particularly for the 1978 season.

It was the consensus of Council that the City has a moral obligation of furnishing professional baseball for its citizens, however, it was strongly felt that the Buncombe County Commissioners should assist in the costs and they felt that the County would be realistic in their decision for assistance.

Councilman Michael's motion died for the lack of a second.

Upon motion of Councilman Rainey, seconded by Councilwoman Price, Resolution No. 78-43 was adopted with Councilman Michael voting "no".

Complete text of Resolution No. 78-43 will be found in Resolution Book No. 10 at page 181.

RESOLUTION NO. 78-47 - RESOLUTION REQUESTING PUBLIC SUPPORT FOR ENERGY CONSERVATION

5. Consideration was given to a resolution requesting public support for energy conservation.

The City Manager read the resolution explaining that curtailing the use of devices and items that depend on coal products were particularly important during this critical period of coal shortages.

Verl Emrick suggested that the outdoor advertising firms be requested to turn the lights off on outdoor advertising signs and to turn the street lights out in low crime areas.

Mr. Charles Patton, a resident of the Ballantree Subdivision, spoke in support of the ordinance to include the Ballantree Subdivision in the City's extraterritorial zoning and subdivision jurisdiction. He said the petition, referred to by Mr. Emrick, contained all the signatures of the homeowners in the subdivision except three or four, which could not be reached. He said he knew of no opposition to the ordinance.

Mayor Trantham closed the public hearing at 3:13 o'clock p. m.

The City Manager read the ordinance.

Councilman Michael moved for the adoption of Ordinance No. 1028. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 1028 passed on its first reading.

RESOLUTION NO. 78-42 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN CONTRACTS FOR CONSULTANT SERVICES

3. Consideration was given to a resolution authorizing the Mayor to sign contracts for consultant services.

The City Manager read the resolution.

Verl Emrick, Planning Director, said the Asheville Revitalization Commission, at a meeting held January 25, 1978, unanimously approved contracting with Alan M. Voorhees and Associates, Inc. as traffic planning consultants in the amount of $15,000.00. He said the Commission also in its February 14, 1978 meeting approved contracting with Hammer, Siler and George Associates, Inc. as marketing and economic consultants in the amount of $23,000.00. He said funds for consultant services are currently available in the 1977-78 Community Development Planning Budget.

Upon inquiry of Council, Mr. Emrick said the firm of Hammer, Siler and George would be working on a specific marketing potential basis. He said the scope of the contract is detailed in the contract.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 78-42 was unanimously adopted.

Complete text of Resolution No. 78-42 will be found in Resolution Book No. 10 at page 180.

RESOLUTION NO. 78-43 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A LEASE BETWEEN THE CITY OF ASHEVILLE AND THE TOURIST'S BASEBALL INC.

4. Consideration was given to a resolution authorizing the Mayor to execute a lease between the City of Asheville and Tourist's Baseball, Inc.

The City Manager read the resolution.

Councilman Michael questioned the lease being executed at this time. He said it was his understanding that Council would take action of this matter after requesting the County of Buncombe for assistance in funding the costs of the lease.

Councilman Michael moved to table the resolution until Council had an opportunity to discuss the matter with the Buncombe County Commissioners.

C. Scheduling of a public hearing relative to amending Section 30-11-2. Procedure: General, Item D., as it pertains to denial of a rezoning petition, of Zoning Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended for April 20, 1978.

HIGHLIGHTS: The Planning and Zoning Commission has recommended that the City Council amend Section 30-11-2. Procedure: General, Item D, as it pertains to denial of a rezoning petition, by deleting the second paragraph of Item D and adding the following paragraph:

"If the Planning and Zoning Commission has made a negative recommendation, the petitioner may within thirty (30) days after the written notification of the City Clerk request that a public hearing be held by the City Council. If the petitioner fails to request a public hearing before Council within the allotted thirty (30) day time frame then the denial shall be considered affirmed by Council and the normal administrative remedies provided by this Ordinance satisfied. Further, if the denial of said petition is confirmed by the process set forth above, the Planning and Zoning Commission shall not consider the petition for a period of at least one (1) year, unless the City Council by official action grants the petitioner an extension of time in which to file and request a public hearing on the petition. Advertisement of all public hearings shall be at the applicant's expense. (Underscoring provided to delineate new wording added)

D. Scheduling of a public hearing relative to amending ARTICLE II, DEFINITIONS. Section 30-2-1. General of Zoning Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended for April 20, 1978.

HIGHLIGHTS: The Planning and Zoning Commission has recommended that the City Council amend Article II. Definitions. Section 30-2-1. General to include the following definitions in the alphabetically appropriate places.

"Public Facility. Any structure or land use belonging to the public, purchased or constructed at public expense, maintained at public expense, being under public control and opened to the public or the community at large or being used by a specific governmental or quasi-governmental agency or body whose purpose pertains to or who is engaged in the affairs or providing services to the general public or the community.

Public Utility. Any structure or facility transmitting a service provided by a utility company (to include private systems) such as telephone, electric, water and sewer, gas, power, etc.

Transmission Line. Any apparatus designed specifically for the act, process or instance of power transmission.

Utility Substation. Are herein defined to include electric and gas subsidiary stations in which electric current or raw gas is transformed."

Council discussed the recommended suggestions for curtailing the use of devices and items that depend on coal products.

Upon motion of Councilwoman Price, seconded by Councilman Cole, Resolution No. 78-47 was unanimously adopted.

Complete text of Resolution No. 78-47 will be found in Resolution Book No. 10 at page 188.

APPROVAL OF THE CONSENT AGENDA

6. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

Items on the consent agenda included:

A. Scheduling of a public hearing relative to rezoning property on Hendersonville Road from R-3 Residential District to CH Commercial Highway District for April 6, 1978.

HIGHLIGHTS: A petition was received from Garrett and Garrett, Owners, and Rollins, Inc. (Orkin Exterminating), Leasee to rezone Ward 7, Sheet 18, Lot 124-1/4 from R-3 Residential District to CH Commercial Highway District in order to construct an additional 20' x 30' storage building on the property.

The Planning and Zoning Commission has recommended approval of the rezoning request as follows:

1. That the CH Commercial Highway District boundary be extended to a point fifty feet (50') from and paralleling the rear (easternmost) property line of Lot 124-1/4.

Note: This would accommodate the owner's proposed development plans and will also provide a buffer strip for adjoining residential property.

B. Scheduling of a public hearing relative to rezoning property on Sweeten Creek Road from R-3 Residential District to HI Heavy Industrial District for April 6, 1978.

HIGHLIGHTS: A rezoning petition was received from Thomwins, Inc. by Ron Lewis, Agent, and Dick Glenn, Purchaser to rezone Ward 13, Sheet 22, Lot 126 from R-3 Residential District to HI Heavy Industrial District in order to construct a machine shop on the property.

The Planning and Zoning Commission has recommended approval of the rezoning request.

I. Approval of bids received March 6, 1978 to construct three (3) asphalt tennis courts at Murphy-Oakley Park for Parks and Recreation.

HIGHLIGHTS: Three (3) bids were received:

Bidders	Bid
Warren Brothers Company	$22,000.00
Paving Enterprises	17,870.00
H & L Paving, Inc.	17,990.00

Dick Meehan, Superintendent of Parks and Purchasing Agent recommend low bid submitted by Paving Enterprises, Inc. in the amount of $17,870.00.

Funding: Community Development Funds, Murphy-Oakley Park - Capital Outlay Improvement Account Code 65-651.0073 (budget line item) unencumbered balance $106,459.43

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the consent agenda was unanimously approved.

RESOLUTION NO. 78-46 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A JOINT OPTION WITH THE COUNTY OF BUNCOMBE FOR THE PURCHASE OF THE HAYES AND HOPSON PROPERTY

7. Consideration was given to a resolution authorizing the Mayor to sign a joint option with the County of Buncombe for the purchase of the Hayes and Hopson Property.

The City Manager read the resolution.

Councilman Michael said it was his understanding that the City had agreed to the principal of purchasing the building, during the City/County meeting, but the City did not agree that the City of Asheville needed the building. He said if Council agrees to this resolution they would be agreeing to one-half of the purchase price of the building which the City could not afford.

Upon motion of Councilman Cole, seconded by Councilman Morris, Resolution No. 78-46 was adopted, with Councilman Michael voting "no".

Complete text of Resolution No. 78-46 will be found in Resolution Book No. 10 at page 187.

ANIMAL CONTROL ORDINANCE - ENFORCEMENT - CHIEF OF POLICE

Chief of Police Melvin Tucker said since becoming Chief of Police, he has been reviewing measures to be taken to enforce the animal control ordinance. He said he has made sure that the two animal control officers, as well as the desk sargeant, have copies of the ordinance in hand. He said beginning March 12, 1978 complaint cards will be filed by the animal control officers to determine statistics relative to complaints about animals. He said this would help in determining what sections of town the complaints are coming from, how many calls are coming in, how long the response time is, and what action was taken on each individual case.

E. Scheduling of a public hearing relative to rezoning property on Charlotte Street from R-2 and R-3 Residential District to OI, Office Institutional District for April 6, 1978.

HIGHLIGHTS: Del-Rio, Inc. presented rezoning petition to rezone Ward 2, Sheet 15, Lots 98 and 100 from R-2 and R-3 Residential District to OI Office Institutional District.

On November 9, 1977 the Planning and Zoning Commission recommended denial of the rezoning request for the following reason: "The rezoning is not in keeping with the neighborhood nor the zoning plan of 1975."

On March 1, 1978 the Planning and Zoning Commission reviewed the request again and voted to reaffirm its recommendation of denial of November 9, 1977.

On March 7, 1978 the City Clerk received a request for a public hearing on the matter from Mr. John A. Powell, Attorney, representing Del Rio, Inc.

F. Resolution No. 78-44 - Resolution authorizing execution of a grant-in-aid application for Asheville/Buncombe County Comprehensive Historical Site Inventory.

HIGHLIGHTS: This grant will provide for an inventory of potential historic buildings and places within Asheville and Buncombe County. The results will be a publication that can be used by governmental planning organizations in devising future plans.

Resolution Book No. 10 Page 182 .

G. Resolution No. 78-45 - Resolution authorizing submission of an application to the Department of Housing and Urban Development for Community Development Block Grant Entitlement Funds - 1978-79.

HIGHLIGHTS: This is a re-adoption of Resolution No. 78-15 adding a paragraph authorizing the Mayor to sign the various contracts and agreements authorized in the resolution.

H. Approval of bids received March 6, 1978 to install chainlink fence around tennis courts, baseball field and park perimeter for Parks and Recreation Department.

HIGHLIGHTS: Four (4) bids were received:

Bidders	Bid
Sears Roebuck and Company	$18,629.90
Anchor Post Products, Inc.	18,415.00
Asheville Fence Company	15,152.00
Allison Fence Company	16,917.00

Dick Meehan, Superintendent of Parks and Purchasing Agent recommend low bid submitted by Asheville Fence Company in the amount of $15,152.00. Funding: Community Development Funds, Murphy-Oakley Park- Capital Outlay Improvement Account Code 65-651.0073 (budget line item) unencumbered balance $106,459.43.

It was, however, indicated that the Housing Authority would advise residents of Deaverview and Kirkwood public housing of programs conducted at the proposed park. These efforts would not meet our understanding of the various elements of the outreach. Also low-and moderate-income citizens who do not live in the public housing units would be ignored.

The Deaverview Park is, therefore, eligible provided that the City of Asheville conducts a vigorous outreach program that includes transportation and supervised activities during the months that the park is principally used by the public.

We have reviewed the list of proposed Block Grants activities you provided to us. These activities, with a few exceptions we will discuss, are eligible provided they are located in and principally benefit citizens living in Census Tracts 11, 10, 9, 3, 2, 1, 6, 7, or 20.

We will need a more detailed explanation of the following activities before rendering an opinion of their eligibility: rehabilitation of YMI Building and Shiloh Community Center Equipment. If some of the activities are not located in the previously mentioned Census Tracts, the City would have to demonstrate that the activities would principally benefit a small low-or moderate-income area which is located in a predominantly middle income area.

Sincerely,

Ledford L. Austin

Ledford L. Austin
Acting Area Director

cc:
William C. Moore
Attorney at Law

He said Council would discuss the letter during the Council agenda meeting on Tuesday, March 14, 1978.

CLAIM - MRS. LOUISE EDDINGTON

The City Manager presented a claim received from Mrs. Louise Eddington.

Mayor Tranthram referred the claim to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - MARCH 11, 1978 - "SWEET ADELINES DAY"

Mayor Trantham proclaimed March 11, 1978 as "Sweet Adelines Day".

PARKING VIOLATIONS AROUND CHURCHES

Upon inquiry of Council, the City Manager said parking citations that were given in "no parking zones" around churches that have traditionally been accepted for parking on Sunday will be forgiven. He said the Traffic Engineer and Chief of Police are currently studying the areas and if it is determined that it is okay to park around a church area the parking signs will be changed to designate Sunday parking. He said the City would be working with the churches on this matter.

Chief Tucker said after the survey is completed and the parking signs installed the ordinance would be enforced but the churches would be given fair warning.

DEAVERVIEW PARK PROJECT - CORRESPONDENCE FROM HUD

The City Manager presented the following letter:

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
AREA OFFICE
[redacted]
GREENSBORO, NORTH CAROLINA 27401

[redacted]

March 7, 1978

IN REPLY REFER TO:
4.4CH

Honorable Roy M. Trantham
Mayor of the City of Asheville
Post Office Box 7148
Asheville, North Carolina 28807

Dear Mayor Trantham:

We have reviewed your letter dated February 17, 1978 concerning the Deaverview Park project. While I was in Asheville recently, I personally visited the Deaverview Park site in order that I might be better informed about this particular project.

The proposed park is located in what appears to be a middle income neighborhood. There is, however, a large concentration of low-and moderate-income families located north and west of the proposed park. The access to the proposed park by these low-and moderate-income families is severely hampered by a large industrial park which creates a formidable physical barrier and, through its size, limits access to the park to two roads.

Our letter of November 1, 1977 encouraged the City to monitor its out-reach to assure that principally low-and moderate-income citizens would be served by the park. This out-reach was to include transportation and supervised activities during the months the park is principally used by the public.

Councilman Otis Michael wrote the Area Office and indicated that the City would not conduct an out-reach into the low-and moderate-income areas because they were outside the City limits of Asheville. Our letter to Dr. Michael indicated that without the City sponsored out-reach, the park would not be an eligible Block Grant activity.

Mr. Halpburs has advised me that during the January 31 meeting with the City Council and City Staff there was no further mention of any City conducted out-reach for this park. The absence of the City conducted out-reach consequently rendered the proposed park an ineligible activity.

well, collectively our record has been a very good one over there in the past year or so. We've reduced the deficit a whole lot, we've improved the conditions of the Civic Center. But yet, the situation is arising that we take these people over there and - this is my view and my view alone, and we work them long hours, we don't pay them enough and we turn around and accuse them of misdeeds and yet I don't see any proof that anything is existing. I hear and Dr. Rainey you've said that there are some affidavits that were filed with the Federal Communications Commission that named names and everything and yet I know the people that filed the affidavits with the commission, I've had an opportunity to look at them and still find nothing showing that there's been any offense committed over there. And yet, these people are continually roasted in the paper, and I am protesting that. There's got to be a better way of doing things. I am, and the other thing that I am protesting, I am protesting these investigations. If somebody, if some citizen has information, they ought to take it to the District Attorney. It's beyond me why we have to have an Audit Control for a town this size. It just doesn't seem to me why, that there's that much corruption in this town to require full time people looking into misdeeds. I think the real problem in this town is in management. And if you pay your supervisors enough, they are going to watch out for your property and they are going to get efficiency out of people. We don't need to investigate them all the time. And herein, ladies and gentlemen, lies your problem not in the investigation and not in dishonesty in this town. I don't believe its widespread and that it exists. Now I've had my say on it and I hope you're...."

C. Rainey: " John, let me just respond in this way, no one to my knowledge and certainly not by me has been tried in the papers. No names have been mentioned. So if that is the way you are interpreting that, that is your problem, that's not mine. I cannot in reality adhere to a position in which you protest investigations. Indeed, I would say that Buncombe County is the least investigated County in North Carolina. For instance, two areas. We do not have in the District Attorney's office, where I admit this is where they should be, an investigative assistant as they have in other counties. We have not used our grand jury in the past for this purpose. This leads us to ask if we are going to try to get to the bottom of these problems, and I do think we have a problem. How do you do it. And the answer was through the City Manager and Audit investigating unit, and that's the reason why its there. I think it is there because we do not have in the District Attorney's Office the facilities for that investigation to be carried on and just be put into his hands. We do not have, as some other counties let's say, Mecklenberg, we have not used the Grand Jury approach which frankly, is the way that this matter should be handled."

John Jerose: "Well, why didn't you use it, why do you always sit down with the newspapers half the time and make these allegations. Why don't you go to the Grand Jury or the District Attorney. That's what my objection is for you."

C. Rainey: "Now, that is what I am saying. That we don't have an investigative..."

John Jerose: "You have a Grand Jury, Dr. Rainey. Why don't you use it."

C. Rainey: "Your Grand Jury, correct me on this Mr. Moore, your Grand Jury in Buncombe County meets, what once a year for something to do with the ....."

CIVIC CENTER INVESTIGATIONS - DISCUSSION AND STATEMENTS

The following is verbatim statements regarding Civic Center investigations.

John Jerose: "Mayor and Members of Council, my name is John Jerose, here today to seek some information and make a few comments,if it is appropriate. I am Secretary of the Asheville Civic Center Commission, I have .. I want to make it clear that I am not appearing here on behalf of the Commission but only as myself. The other day the lady I work for called me and -- Mrs. Thoms -- and she said what's going on over at the Civic Center, what are you involved in over there? I assure you Mrs. Thoms, nothing. What's all this business in the newspaper? and I said, that is a good question. The Asheville Civic Center Commission has not been consulted with regard to certain allegations that have been made. However, I don't think that there is anything wrong over there. I do know that the City Manager is conducting an investigation. Picked up the newspaper this morning and, Dr. Rainey, it appears that you've been quoted because there is quotation marks here "I have a feeling that what's been happening at the Civic Center is like a ball of yarn," Dr. Rainey said; "once you start unraveling the ball you don't know where it is going to lead,", further quote, "I feel it is going to lead into homes and offices of some very powerful people. That is one of the reasons why all of us have been so afraid of grasping that yarn." Is that accurate?"

C. Rainey: "Correct."

John Jerose: "Boy, I'm not afraid to grasp that ball of yarn and I would like to know, Dr. Rainey, what these allegations are."

C. Rainey: "That's in the hands of the City Manager."

John Jerose:"Have these allegations been in the form of what you believe to be indictable offenses? Criminal charges?"

C. Rainey: " Yes, that's what they are investigating now to see whether or not..."

John Jerose: " Just to clear the air, is any member of the Civic Center Commission involved in these allegations?"

C. Rainey: "Not to my knowledge."

John Jerose: "I see. Well, who are these powerful people that you are talking about?"

City Attorney: "Mr. Jerose, I think that this will, it comes in the providence of an investigation that is taking place now."

John Jerose: "All right, sir, I'm very sorry. That's an improper question. I guess the point I am trying to make is that if my, the person I work for, is wondering what's happening in this town and asking me about it, there is alot of other people in this town that read the newspapers, and I think we've tried people in the Civic Center and I am involved in the Civic Center and we've tried them in the newspapers without any actual facts coming out. I don't particularly like this. I have had an opportunity to work over there for a year or so with these people. I think they are a fine bunch of people. I think they work hard. I think

C. Rainey: "I think that the morale in the City is low because the majority of our workers and our policemen and our firemen are honest people. But I think that they see a minority of people who are participating in what I consider to be corrupt activities. Now, the same records that you looked at, that you refer to, which are part of the public record. The affidavits, in fact there are a series of them, admit to one, at least one blank billing going to the Civic Center Staff. Now, that's enough evidence."

John Jerose: " .... misinterpreting that affidavit. That was to do with a promoter and not the Civic Center staff."

C. Rainey: "That's where we're going to have to find out exactly what happened. Whether or not, who is responsible at that point..."

John Jerose: " See, there is an argument between us on what happened and that's been tried in the paper and that's my whole point, Sir, that it should not have been. The thing should not have gone to the press if you didn't have facts. You should have gone to the powers, to the District Attorney or something like that instead of the newspapers. And you've got to admit that you sat down with the newspapers, didn't you?"

C. Rainey: "No, I did not sit down with anybody."

John Jerose: "You and Joe Hall and a reporter didn't sit down and talk about this thing prior to any of these allegations being made?"

C. Rainey: "I did not. The meeting that you are referring to occurred one evening in which I was invited in by the Audit and Evaluation Department. Present at that meeting was Mr. Hall and Mr. Pritchard. I was there for a good 15 minutes and I had my say and I left. Now what you're suggesting Mr. Jerose, is that I gave to Mr. Pritchard the information that appeared in his pre-mature disclosure of this investigation and that serves as a fabrication."

John Jerose: "Well, it appears that, let's put it that way."

C. Rainey: "Well, its a fabrication."

John Jerose: "Well, I'd like to believe you. I think that you are a man of honor. I don't agree with your methods but I'll accept that personally. I've had my say, that's all I have."

C. Price: "I would just like to say that you know, it's my opinion that in our country we are suppose to be innocent until proven guilty and I do not like it when we are seemingly proven, having to prove, we are guilty until we prove our innocence. I think we should be weary of trying people prematurely, and Department wise not just the Civic Center its the Water Department and even in the paper, the Sanitation Department and it concerns me because it affects everybody in those whole departments. It includes our administration and seemingly almost our Council that we should know whats doing. In my opinion, they are doing as they should be doing, investigating it. And we shouldn't be assuming their guilty prematurely."

Attorney Moore: "No Sir, they meet more frequently than that. The District Attorney presents evidence to them at these hearings. John, I might say that the reason for the Audit and Evaluation Division is because number one, a city the size of Asheville or any city, I don't care what it is, must have some internal control and there must be someone to investigate these things that come up. For example, claims, all the other items that the Audit and Evaluation Division investigates which is absolutely essential. It also is used, number two, to assist the District Attorney by presenting evidence to him. i.e. the Water Department Investigation. We had letters from him at that time that in his opinion that was not enough evidence to prosecute. He is Chief prosecuting officer, but we have to present, give him some assistance in these matters. And also, to control the City operation. John, you just don't go out and say everybody's honest and let it go. You must have an investigative body and that happens to be the Audit and Evaluation Division which I am totally committed to.. I think that Barry and these people do a tremendous job and they are an assest to the City and I am sorry that I disagree with you but the Grand Jury or the District Attorney, number one, doesn't have the time or the potential or the ability to do this."

John Jerose: "Well, I would say that I don't have any disagreements with you Bill, but you know, the way you've presented it, but I don't think it is the City's job to do it, let the District Attorney do it. But I think that the District Attorney ought to do it on the basis of hard evidence and not in the innuendo and that is what's happened hear,apparently. I don't see, you know.."

Attorney Moore: " Let me say this, we're conducting an investigation, you've seen nothing of that come out in the paper and until it's completed you won't see anything in the paper."

John Jerose: "All I want to know is why the Commission wasn't approached on this stuff to begin with, alot of these things that have appeared in the paper could have been answered and pushed aside but yet we've spent an awful lot of time and money on it. Thats my objection. I don't think there is any problem. "

Mayor Trantham: "Concluding this meeting, I have a recommendation to make in regards to ....."

C. Rainey: " John,the Chief of Police held a press conference this past week which quite frankly, I think, he showed a tremendous amount of intestinal fortitude in discussing the past in this county and this city. The mechanisms that he's set up to investigate were in-house mechanisms the same way that the City Manager set them up. He was critized for this and he's still catching flack on this. And the thrust of my speech on Tuesday was to defend him. I don't write news stories. And how the press, what they think that is hard news and what they think is no hard news is their judgement and not mine. But that was my purpose and that's what I did. I think that you do not critize him for this or do you."

John Jerose: " Well, I don't know what I am going to critize, but all I know is that the morale of the staff at the Civic Center is devastating, okay, and over night- and I really feel that way."

I chose a team of people that have a very high degree of ability and with the public and city employees. Typically their activities are to collect factual information on the matters that I mentioned above and give an unbiased opinion and a written report to the City Manager of their findings. For example, Mr. Bumgarner is a policeman. He is paid for out of the Police Department budget, but he is on special assignment to me for the time being to carry out this function and he has all the authority of a police officer if he needs it at a particular point in time.

In August I made this statement and this is contained in the minutes of that August meeting, those six items that I just mentioned and the reason for setting up this division. And it was my feeling then and it is my feeling now that City employees are hard working, dedicated public servants and we've worked hard to make this a profession to be proud of. As the City Manager and a resident and taxpayer of the City of Asheville, I can't tollerate and won't tollerate criminal acts or misuse of public facilities, equipment or services. These matters will be dealt with through either personnel action and/or the criminal justice system after a factual internal investigation has taken place initially beginning with the process of the Audit and Evaluation Division. However, I believe that a City employee has the basic right of being considered innocent until proven guilty and heresay and suspicioned actions thoughtlessly, publically or privately implied casts a cloud of doubt and suspicion on all City employees and makes it appear that all City employees are criminals - and that's not a fact!

Again, the Audit and Evaluation Division is a division of concerned people concerned about the public and concerned about the City employees. Their job is to collect factual information, to rewrite the policy and so forth. In the course of their activities,on numerous occasions when they have developed information we will meet with the Police Chief, we will meet with the City Attorney, and we will meet with the District Attorney if we find some thread of evidence that is worth the criminal prosecution route. In the majority of the cases, there is not sufficient evidence for criminal prosecution. There is a matter of misunderstanding of the rules and regulations, and the lack of written policy.

In recent weeks due to the negative connotation of the word "investigation", I don't think anybody thinks the word investigation has any positive side to it,but I like to think it does and due to this fact their families and their friends become victims of being labeled guilty until proven innocent. To me this violates a basic principal of our form of government and basic human rights. And the kidding and the snide remarks that are directed to City employees, their kids at school,and their families,in church cut deep and decay morale.

The reason it takes so long for us to do an investigation is that we've allocated what I feel, all the manpower we can to this at this time. The main reason that they take so long is that most people that provide me with information fall into one of the following categories:

They do not have real facts; they are usually motivated by their own deep seated personal psychological problems; they seem to be more interested in disruption of the entire City function than the elimination of the wrong doing; they are usually alcoholics and/or individuals with criminal records and questionable moral character themselves; they are also people that are

Mayor Trantham: "Any other comments from the public? At this time, the City Manager, Mr. Michalove, has a statement he would like to make. In conclusion of this, I would like the members of Council - starting on the left, Councilman Rainey, to ask questions they would want to ask individually or any comments they have- to please do so. In conclusion, I have a little statement I'd like to make myself before we adjourn."

City Manager: " I am deeply concerned about the credibility of our investigations and the image of our City employees.

The City Council has hired me to manage the affairs of the City and to this job I feel a great sense of responsibility to the Council, to the public, to the employees.

In recent months individuals have given me a variety of information claiming wrong doings by City employees and in order to examine the claims administratively, I established the Administrative Audit and Evaluation Division in August of 1977. The main reason for establishing this particular division was that there were a sufficient number of matters that just could not be handled in a routine way by departments and divisions. They were items that required some immediate attention to protect the credibility of City employees and the Council and to provide a continuous professional level of service to the citizens of Asheville. There are six major areas that the staff of the Audit and Evaluation deal with.

1. They examine complaints about the lack of service or service below the standard that we expect;

2. They examine the administration of City affairs where resolutions, ordinances, policies and procedures are non-existant. We have a number of areas and many of our policies that are written are not very clear and many times an individual calls for service and we have a difficult time in relaying or interpreting that policy;

3. They examine claims for personal and property damage. A claim came in today that requires someone to look at the claim and in the course of a conversation here I'd say I'll turn it over to the City Attonrey, but in fact these are turned over to that Division to follow up, collect the information and give it to Mr. Moore for evaluation;

4. They examine charges of discrimination and/or the misuse or abuse of authority by City employees.

5. They examine situations wherein citizens feel they are getting the run around; and

6. They examine charges against City employees of infractions of City policy or alleged criminal acts.

Department, they won't occur in the future and I hereby appint two committees of my own men to clean it up."

I think then to me, it is not a question of it there is corruption here, the question is whether we're going to admit it and do something about it. Now, we're really starting at the same point, I think we have as the City Manager says, a majority of hard working dedicated public servants and I know that for a fact because those are the people that have told me about the sales of meter casings, not scraps, but meter casings, about days that were missed and yet men were paid for them, about work being done at homes. These are substantiated, at least to me, by eyewitness reports.

And no one at no time can I be discouraged seeing those pursued. Now we start at the same point, we say that we have a problem, that it's a minority problem, but we're going to do something about it.

I do not have an answer for the charge or the contention or really a re-statement of a basic principal of law that you're innocent until proven guilty. I suppose all of us believe in that, there's no problem with that statement. The problem is, it's a problem that the Chief has run into. When you talk about these things, people say to you, "don't talk about them; you ought to ignore them because if you say anything about it, the majority of our policemen or the majority of our city workers who are not doing anything wrong will somehow be painted with that brush." The radio stations here have had that same problem. There are . . . there is one principal that has even indicated that another radio station, in addition to the one alluded to earlier, is involved. Now there are only four radio stations in Asheville, so what do you do? The two that are obviously above suspicion are being painted with a brush of guilt or suspicion of guilt at that point. In talking to radio managers over the last couple of days, I can hold out to them only one possibility and it's the possibility that we hold out to City workers or to even to our policement - that at the end of a tunnel when we finally come through this and it is at that point that the guilty and the innocent will be separated -- and that the innocent radio stations, the innocent officers, or innocent workers will be known. Now, there's no other answer to that. To me, to say, let's don't go into this, or let's not be serious about it - that to me is not acceptable, because we have to see this through. We have to see it through.

It is my opinion, that this is a problem that is deeper than any of us have realized in the past, it's been with Asheville a long time, it is a problem that has close alliances in the political arena and it's one that's going to be difficult to clear it out. I, for one, am dedicated to doing that. I will not be deterred by an advisory board. I will listen to my colleagures because I respect them, but I will not be deterred from pursuing this through the procedures as I have outlined, that is the memos to the City Manager and making sure that this evidence is brought to him. Thank you, Mr. Mayor."

C. Cole: "Mr. Mayor and members of the Council, I am a new member of Council, relatively new. I believe it has been three months since I have served as a member of Council. I've put alot of time into it, a lot more time perhaps than I anticipated initially to take away from Carolina Federal Savings and it has been a learning process of learning the process of government, learning the citizens of Asheville and learning the service that the citizens that the employees of Asheville offer to the public. I have every confidence in our City Manager. I know him. In the three months I have worked closely with him I've found him to be a very dedicated individual, giving considerably of his time. I am very much concerned as to the moral

quite interested in making sure that the media covers their remarks, and also, most of the people that come to me with what they think is hard criminal evidence don't know the difference between hearsay and facts.

Now I'll get to the point - what's really bothering me is that in order for me to function as as administrator, I need your support as a Council. I need the support of the community and I need the support of the employees. If you feel collectively that I have mismanaged or whitewashed an investigation, I need to know that and further investigations or past investigations can be reopened through the criminal process or through the charter provisions. However, if you feel the investigations have been properly done and have been done in the best interest of city employees, the city staff, and the community, I also need to know that and I do need an expression of your confidence today."

Mayor Trantham: "Councilman Rainey, do you have any questions or comments to the City Manager?"

C. Rainey "Thank you, Mr. Mayor, I have no problem in the City Manager and that will be the ending that I'd like to get to in a minute, but let me simply say that my procedure in the past in investigating alleged criminal activity within the City staff worked as follows: I would listen to the hard working dedicated public servants of this city and they would tell me that this or that was present in the workings of the staff. (I use the word "bureaucracy," it's the organized term for government.) I would start out from those reports, the hearsay and secondhand and thirdhand information and ask for eyewitness reports or hard pieces of paper which would give credence to the allegations. Or I would ask, in the case of the Civic Center investigation, for where this paper might be found. Then I would write these up, these allegations, in a memorandum to the City Manager. And this is what has happened in the case of three departments. They were confidential memorandums sent to him.

And Mr. Jerose raises the question of whether or not the Civic Center Commission should have been brought in and made a party to the memorandum on the investigation of the Civic Center, I cannot answer that question. That will have to be answered by someone else, because I do not report to the Civic Center Commission and if the Mayor or City Manager wanted to share that with the Commission, that was their perogative.

One investigation has been completed. A week ago Wednesday I met with the City Manager after giving long and careful consideration to his report, and expressed my disappointment in that investigation. I experssed it to his face; I expressed it in the presence of Mr. Moore and Mr. Bumgarner. I said at that time 33 allegations and no - what appeared in the report to me, at lease the way I interpreted it - no criminal acts found or any administrative corruption taken. There's a lot of smoke for no fire. There was printed, the previous Saturday in the Asheville Citizen, two editorials which I think in reading them myself, led me to conclude that there was disappointment elsewhere about that investigation. The morning editorial went into some depth in analyzing the situation and I wholeheartedly agree with it. The Asheville Times in the evening gave bouquets in their "brick/bat bouquets" column (which we all know about, at least I know about the brick bats) gave bouquets to the Water Department individuals who had made that possible.

Now, the credibility of that investigation, ifwe want to use that terminology, is either questioned or not questioned depending on your circumstances, the way you look at it. I am disappointed in it. I have never called it a whitewash and I won't, although other people do. On top of that, we have again, the courageous stand taken by the Police Chief in honestly saying: "this has been, these things have been occurring in the past in the Police

one who has come before City Council even prior to my days of actively serving in public office, regarding certain things in our community. It is a very complex set of operations that we have in our City. We're dealing with a number of people of all walks of life, of all levels of intellect and of character and integrity. And we most assuredly will have from time to time some human problems arise. I feel that we have been perhaps innocently victimized by poor communications through the years. Through all the administrative ranks. I have been impressed by Ken Michalove that he has had this reaction too, that communications is very important in serving as administrative head of the City. And I must say that my confidence and respect for Ken have both grown very noticably since he has assumed this position. And certainly I have every intention of working closely with him personally in every area of alleged misconduct or alleged improper activity on the part of any employee of the City whether it be from the City Manager down to those who are digging the ditches for the Street Department or for the Water Department. I feel that this is of course primarily the responsiblity of the administrative process to initiate any investigation of any employees and I must echo what has been said here that information needs to be gathered. I feel that what is being done with this Audit and Evaluation Commission is a very positive and, I think, effective method of approaching this problem. Again, Mr. Michalove has only recently assumed this responsibility and he more than we must start where he is. Some of us have been in office for some time, we might go back a few years to pick up some of the threads but I commend him on this approach and we must recognize that we must start from where we are and hopefully, once we, to use a metaphor, get out of the ditch, we will be able to stay on solid ground for the future and I have every confidence that Ken Michalove is going to lead the administrative function of the City. I am pleased to have our Police Chief with us today because I feel that what he did was a very courageous thing. I commend you, Chief Tucker, on what you did. Sometimes its hard to admit publicly that things are not just right. But its better to recognize the realities of the situation and do what one can to rectify it and go forward then in a positive manner and along the lines of high principles, justice, and fairness.- both up and down the line. And I think when we have an understanding like this, we are going to have better operations from our people and I think that once we establish these better lines of communication that we will all benefit tremendously, and I would trust that our services to the community will be improved. I am very honestly, positively, expectant that the steps that have been taken will bear much fruit for the future. We'll have to go through some of this distasteful procedure, I guess, for the time being, but I feel that we will overcome it, and we will."

C. Michael: "I would like to say that I think that the City Manager's concern is based primarily and if I am wrong Ken, tell me, on the fact that Dr. Rainey made a speech about City business in a lecture to an ethic committee administered. In my opinion, I think that this is wrong. I think its wrong for any Council person to discuss whether a City department is under suspicion or certain people, affidavits that have been given and mentions the affidavits without discussing it prior to with his fellow Council members and the City Manager. I think that this is intentional because the news media had to be notified of what was going to be said at that lecture and would also have an interview given on TV and this is the first time that I heard that Dr. Rainey was going to call in the FCC and get outside help. This is another indication that there is no confidence in our City Manager and in his investigating committee.

of City employees, when will I be investigated next, or when will my name come up. I really regret that this is hanging over the heads of fine capable employees wondering when is the ax going to get me. I just hope that there is more than smoke, but I do feel that we must create a confidence in our people who are working for the City of Asheville. I believe they are good people. I think they are doing their best to earn what they are paid. I personally have not had anybody come to me and tell me a lot of things. Maybe it's because I'm naive. Maybe it's because I'm new. But I will say this that I do have the utmost confidence in our City Manager and I will back him to the hilt in the work that he's attempted to do to investigate fairly and I do not like to see people persecuted by innuendo, McCarthyism, name it whatever you call it. If they are facts, then I think they should be developed, and in turn brought out in the public. I have had no Council Member come to me and say I know so and so and so and so. I don't at all and I feel frankly that as a Council member who tries to be honest, to be a good citizen of Asheville, I feel it reflects on me as an individual member of Council that we have implications we have all this corruption. I don't believe it. As I say again, I do have the utmost confidence in our City Manager and I support him in the efforts he's making."

C. Price: " First I, like Mr. Cole, have not had implications given to me, but if I did have those that I felt were of criminal intent, or criminal abuse, or in that vein at all, I would simultaneously notify the City Manager and the Police Chief and the District Attorney. If they were, and I think this is where a great deal of the problem has come in the matter of just sematics What is improper, what may be even unethical has almost been labeled criminal by just inference. So many of the things that are making reference are simply misconduct, as Mr. Michalove stated, with perhaps no proper knowledge of what they should be doing. These types of matters would be handled or would be given in a memo to him. Hopefully, I would receive whatever information I needed back, but that would be what I feel is a role of a Council member should be the end of what I should do with this type of information. It would be strictly confidential with me and to whomever I referred to. But I think the word I... I contacted the Institute of Government today, because I felt it was of concern what role does the Council member have in this field. I read the newspaper article, in part, to a member there, and they picked up on the word bribery that was referred to in the speech and the word bribery is libelous or is criminal. Now, I do not believe, Chief Tucker made that, by reference to his people being involved with bribery. That is criminal. I do not believe that that was what was involved, but that was what had come out, so we have taken the works that were gratuties and simple, maybe improper actions and have continued, through continuation with this talk, have almost come to the charging of people criminal which is really improper. I think that we, once we lose -- now, if I did not have confidence in my City Manager, then I would not be sending him the memos. But I do have complete confidence in him and any misconduct or any knowledge of any thing coming to me in that line, will go to him because I have complete confidence in him. As I stated, if it's beyond the role of misconduct then it will go simultaneous to him and to the proper police authorities -- and I immediately will step out of the picture, and I give you my hand.

VM Horton: Mr. Mayor, in the interest of not restating some of the things that have been said, I have very little to say. Except that I have been an observer of City Government for many, many years, an interested observer and sometimes

I sought each individual out separately and asked for their support, and help, and confidence and a team to work together in unity and that I was promised. Without that I cannot be a good Mayor. Neither can Ken Michalove be a good City Manager. We both need this more than ever. I have had people call me ..... when with the City, with rumors or what they heard was said. I consulted him, the City Manager. I don't think its right to continue with a small group that comes out with hearsay or what have you and I personally feel like when we find out that this is what's going on that should be replaced. Without unity in the whole City organization, we cannot do the job we were elected to do. This Council has a big job ahead of them. We have some big things to do. We have the Airport, our water, sewerage, revitalization down town and if we devote our time on the things the City Manager is in charge and trusted to do, we cannot do these things. I think, future wise, when we have any of these people call, like last night I had a call - what's going on up there - you got a bunch of crooked Councilmen covering up for these people? That hurts, it hurts deeply. And in truth I said "Hell, no." and I'll say it again. And I think when the time comes that we do - are confronted with these things before exposed to the public, let the members of the City Council discuss it among themselves and direct our City Manager what action to take or if - rather to go to the City Manager and tell him the complaints. I worked with with our City Manager for 11 or 12 years. We worked together on grants on big things that concern the City and County both which really, we are as one. We all live under the same umbrella, you might as well say. And if we don't look after the welfare of our people, employees, whose going to do so. I think we have, and I am proud of the employees of this City. I've worked with the City in the past with the City Police, Sheriff's Department, Water Department over the years while I was in business and I think that we have a dog gone good set of employees and I'd hate to see just a few try to take them down the drain. And if it's within my power its not going to happen. But I would hope that we set some ground rules that in the future that we can all work together and God knows we have to, and if there's any complaints, let the City Manager take it. That's his job and I think the more he gets the more he welcomes - feel like he's earning his money. But truly, I do hope that we can work in unity and not by any confusion among ourselves and if its within my power, I'm not going to have it because whatever power I do have - why I am going to ask your cooperation of the other members. Meeting, Adjourned".

Ray M. Hamilton — Marian S. Moseley

MAYOR — CITY CLERK

I hope that in the future we can work together as a team, share our information and try to get the right results. I was approached by a couple of these people that went to Dr. Rainey and I refused to accept their information without going to the City Manager with it and then signing their names. I guess they went to Dr. Rainey and got what they wanted. I'd like to say that I have every confidence in our City Manager. To give you a little background, one of the reasons that we selected him as City Manager was because of the fine investigation he did in the Water Department; he spent hours and hours and hours and I took this under consideration that he was a hard working man. Now we're saying that he's doing too much. What do we want? What type of City Manager? We want one that does too much or too little? I don't know. But I'd like to say Ken, you have my confidence and I appreciate what you're doing."

C. Morris: "I've been on the Council through three City Manager's. Certainly I've never felt that any of them were dishonest people. I've trusted all three. I've tried to leave all three to do their work. I trust our current City Manager very much. I think that he can do the job. City Council's authority is limited. We have the authority to hire and fire the City Manager, the City Clerk and the City Attorney and at that point, our authority ends. If I didn't think that the City Manager was competent to do the job then I would suggest to the other members of Council that we begin to seek another one. Since I do consider him to be competent I will deal through him and through him only. I do listen when I'm asked to listen to all matters of accusations, be they accusations that I could verify or not. These I would turn over to the City Manager as I have to City Manager's in the past. I will not paint each department with a broad brush and leave the suspicion that perhaps everybody in the department is dishonest. I think if the time comes when I cannot trust the City Manager and I feel I need to bring a charge, it will be against some specific individual and it will be specific in what the charge is. I feel that if I ever get to the point where I cannot trust the City Manager I feel that something must be done. I think that I ought to be man enough to make that accusation in such a manner that the accused has some recourse against me in courts. I've been through 2 and 1/2 years of investigations and up to this point we have had the morale shattered in the Water Department, we have had the morale shattered in the Police Department, we've had the morale shattered in the Inspection Department, we've had the morale shattered in the Civic Center staff now and up to this point in time no one person has even been formally accused of a crime. The old expression is that a blind hog will find an acron from time to time, and I am certain that our City staff is not 100% honest and that if we investigate long enough we will find somebody crooked. It's just bound to happen. But I think the price we're paying at this point in time in terms of morale of our City people, between employees and citizens is much too great - much too great. So as in the past if I have a suspicion or a concern I will bring it to the City Manager. I will not take it to the press. I can see no purpose in giving this type information to the press except for personal publicity and I don't need it."

M. Trantham: "I'd like to say that when we were sworn in as representatives of the people in this City, I think we was all pleased at the confidence these people, in this City, bestowed upon us. I take great pleasure in - after sworn in - that this Council saw fit to bestow the honor upon me as presiding as Mayor.

The City Manager read the ordinance and explained that Council by Ordinance No. 998, appropriated funds for four projects. These projects required no local match and were funded by the Economic Development Administration, U. S. Department of Commerce Local Public Works Act and these projects have been let to contract. Two contracts exceed the funds appropriated in the ordinance and two contracts are less than the funds appropriated in the ordinance. There is no change in total funds appropriated, however, the budget should be amended to reflect these changes. He said the scope of the projects had not been changed by the decrease in the funding. He said the project totals were estimated when appropriations were made.

Councilman Morris moved for the adoption of Ordinance No. 1029. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 6-0, Ordinance No. 1029 passed on its first reading.

ORDINANCE NO. 1031 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78

4. Consideration was given to an ordinance amending the operating budget of the City of Asheville for Fiscal Year 1977-78.

The City Manager read the ordinance and explained that this would fund a Clerk Typist II position in the Personnel Division; appropriate additional funds to the Facility Services Division for street lighting, maintenance repair of building and capital outlay buildings to put an air conditioning unit in the Data Processing Division; and to fund a position formally carried as CETA for an Assistant in the Purchasing Division. He said the funding would come from Non-Departmental Contingency, Antirecession Fiscal Assistance and Revenue Sharing Trust Fund Nondepartmental Contingency Fund.

Councilman Michael moved for the adoption of Ordinance No. 1031. This motion was seconded by Councilman Morris.

On a roll call vote of 6-0, Ordinance No. 1031 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1031. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1031 passed on its second reading.

Councilman Morris again moved to suspend the rules and proceed to the third reading of Ordinance No. 1031. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1031 passed on its third and final reading.

Complete text of Ordinance No. 1031 will be found in Ordinance Book No. 8 at page 169 .

ORDINANCE NO. 1030 - AN ORDINANCE REALLOCATING, AMENDING AND APPROVING COMMUNITY DEVELOPMENT BUDGET FUNDS SET FORTH IN THE CITY OF ASHEVILLE GENERAL FUND BUDGETS FOR 1975-76, 1976-77, AND 1977-78

5. Consideration was given to an ordinance reallocating, amending and approving Community Development Budget Funds set forth in the City of Asheville General Fund Budgets for 1975-76, 1976-77, and 1977-78.

Thursday - March 16, 1978 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Otis B. Michael, Gene E. Rainey, Ralph D. Morris, Jr., Acting Corporation Counsel Robert J. Robinson, City Manager K. M. Michalove, and Acting City Clerk Carol Hensley.

Absent: Corporation Counsel William C. Moore and Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

Councilman Rainey introduced Rev. George Patterson, of the West Asheville Assembly of God, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 9, 1978 meeting.

Councilman Rainey moved to approve the minutes of the March 9, 1978 meeting subject to minor changes in his verbatum statement regarding Civic Center investigations. This motion was seconded by Councilman Cole and carried unanimously.

ORDINANCE NO. 1028 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Including Ballantree Subdivision in the Zoning and Subdivision Jurisdiction)

2. Consideration was given to the second reading of Ordinance No. 1028, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended to include Ballantree Subdivision in the City's Extraterritorial Zoning and Subdivision Jurisdiction and to zone the property R-2 Residential District.

The City Manager said he had received a verbal request from Mr. Williams of the Board of Directors of the Ballantree Homeowner's Association to postpone the second reading of the ordinance, however, he had not received a written request.

Hal Brooks, a resident of the Ballantree Homeowners Association, said it was his understanding that there was some confusion as to whether this property would be taken into the City Limits by this action and meetings with the homeowners are planned for next week. He said Council could either postpone action or have the second reading and the homeowners could meet before the third reading of the ordinance.

Councilman Morris moved to postpone the second reading of Ordinance No. 1028 until March 23, 1978. This motion was seconded by Councilman Michael and carried unanimously.

ORDINANCE NO. 1029 - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE CAPITAL PROJECTS ORDINANCE EFFECTIVE OCTOBER 15, 1977

3. Consideration was given to an ordinance amending the City of Asheville Capital Projects Ordinance effective October 15, 1977.

He said this action was recommended by the Asheville Revitilization Commission and the Asheville Revitilization Commission Parking Committee.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 78-48 was unanimously adopted.

Complete text of Resolution No. 78-48 will be found in Resolution Book No. 10 at page 189.

PETITION - RED CROSS - RE: IMPROVEMENTS TO EDGEWOOD ROAD AND WESTALL AVENUE

7. Mr. Philip Carson, Attorney, representing the American Red Cross reviewed the background of the petition. He said in March of 1975 the City Council held a public hearing relative to a group development plan for a proposed Regional Red Cross Blood Center to be constructed at the corner of Edgewood Road and Westall Drive. During the public hearing a motion was made to approve the site plan subject to the recommendations of the Planning and Zoning Commission and subject to the Red Cross dedicating the necessary rights-of-way from its property and subject to the Red Cross reimbursing the City of Asheville for the cost of improvements to Westall Drive and Edgewood Road along its property lines.

Mr. Carson said since that time the Red Cross, due to funding, has reduced the size of the proposed building to under 25,000 square feet. He said had the building been under 25,000 square feet at the time the building was first proposed it would not have required Council's approval as a group development plan.

Verl Emrick, Planning Director, said since the plan was previously submitted to Council for approval the reducing of the size of the building would be a modification to the plan and Council would still have jurisdiction in the matter.

Mr. Carson said the American Red Cross is petitioning the City of Asheville that the matter of the requirement that the Red Cross pay for any improvements necessary or desirable and which are made to Edgewood Road and Westall Drive in connection with the construction of the Red Cross' Regional Blood Center be reconsidered and that the City of Asheville make any improvements in the nature of widening Edgewood Road as a public expense.

After discussion, Mayor Trantham advised that Council would arrange a work session to discuss the Red Cross petition.

LETTER SUPPORTING CHIEF OF POLICE AND COUNCILMAN RAINEY

Mary Robertson, of 866-1/2 Haywood Road, presented the following letter:

March 16, 1978

TO: Asheville Mayor Roy Trantham
Vice-Mayor William Horton
Council Members Jack Cole, Otis Michael, Ralph Morris and Norma Price

Re: Police Chief Melvin Tucker
Re: Councilman Eugene Rainey

We, the undersigned concerned Citizens of Asheville, wish to go on record with Asheville City Council, as being in full support of our new Police Chief Melvin Tucker in his efforts to enforce the Laws of the City of Asheville.

The City Manager read the ordinance.

Councilman Michael strongly objected to the language of the ordinance. He said in the First and Second Action Years important projects were eliminated and these surplus funds should be used to support these projects. He said the funds should be used in the old Community Development area since they can not be funded for the newly revised area. He said too much money was being appropriated for parks and recreation projects. He suggested that Council delay action on the ordinance until Council could again review the appropriations.

Vice-Mayor Horton contended that all the projects that were eliminated in the First and Second Action Years could easily be substantiated for their elimination.

The City Manager said the surplus money has to be allocated soon or all the surplus money would have to be spent in the newly revised Community Development area. He said he felt the City had an obligation to spend the money in the old area.

* See Amendment to minutes on page 141 A -

After discussion, Councilwoman Price moved for the adoption of Ordinance No. 1030. This motion was seconded by Councilman Cole.

Vice-Mayor Horton questioned whether the Kenilworth Residents Association would agree to reducing the appropriation of $75,000 to the Kenilworth Park Project to $35,000 thereby reducing the amount by $40,000 which was appropriated for fill dirt. He said over a period of years the City could fill in the property without the added expense of fill dirt.

Peter Winslow, President of the Kenilworth Residents Association, said he felt the homeowners in the area would like the park completed before the City could have time to fill in the property. He also said with construction cost rising he felt it would be "false economy" in trying to save the $40,000.

On a roll call vote of 5-1, Ordinance No. 1030 passed on first reading with Councilman Michael voting "no".

Logan Delany, Community Development Coordinator, noted that the Deaverview Park Project concept was not included in the reappropriation of these surplus funds.

Based on discussions in the Council agenda meeting, Mayor Trantham appointed a committee consisting of Councilman Morris, Vice-Mayor Horton, Ray Kisiah, Logan Delany, Ken Michalove, and Bill Moore, to meet with the YMCA Board to negotiate a lease/purchase agreement for the Deaverview Park property.

RESOLUTION NO. 78-48 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR DEVELOPMENT OF A PARKING LOT ABUTTING INTERSTATE HIGHWAY 240

6. Consideration was given to a resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for development of a parking lot abutting Interstate Highway 240.

The City Manager read the resolution. He said this would authorize the Mayor to execute an amendment to an agreement, dated September 28, 1961, with the Department of Transportation for Encroachment Asheville Expressway. This amendment would allow the City of Asheville to utilize an additional portion of the right-of-way abutting Cherry Street between Short Street and Flint Street for parking purposes.

AMENDMENT TO MINUTES OF MARCH 16, 1978 MEETING

At the request of Vice-Mayor Horton, during the March 23, 1978 meeting, the following discussions were included in the minutes relative to Ordinance No. 1030.

Councilman Michael said he was on the Mayor's Community Development Review Committee to make recommendations on appropriations for funding for the reprogrammable funds. He said the other two members of the Committee were Vice-Mayor Horton and Councilwoman Price who both live in the West Asheville area. He said he was outnumbered for projects being funded for West Asheville.

Vice-Mayor Horton said the projects listed in the ordinance for reprogrammable funding are not totally for the benefit of the West Asheville area. He said he did not feel anyone could say that he nor Councilwoman Price had the reputation of pushing West Asheville projects and protecting West Asheville's interest anymore than they have for the entire City.

Mary Robertson, 866-1/2 Haywood Road, commented that Vice-Mayor Horton was right in that he nor Councilwoman Price had never done much for West Asheville.

In response to Mrs. Robertson, Vice-Mayor Horton said Council had just adopted an ordinance re-shuffling funding for EDA projects. He said the EDA projects were totally for the West Asheville Area. Those projects being the Deaverview Bridge Project, Patton Avenue-Smith Bridge Feeder Project, Smith Mill Creek Sewer Project and the new West Asheville Fire Station Project for a total funding for West Asheville in the amount of $905,200.

Mr. Stepp said he had signed the letter presented by Mary Robertson in support of Chief Tucker and Councilman Rainey. He said he had heard that Chief Tucker was considering reducing the police force from 150 to 140 employees. He took issue with this consideration. He said if anything the force should be increased with more patrol on the streets. He said it was also his understanding that the Chief did not consider "money" as one of the major problems with the patrolmen, which is not true. He said he had talked with many of the patrolmen and money is one of their major problems.

Mr. Stepp said he did not understand why the City of Asheville needs an Audit and Evaluation Division when the investigations could be handled through the Chief of Police. He said investigations of fraud and stealing and padding of payrolls should be turned over to the Police Department.

Mr. Stepp also said he did not favor executive sessions. He said all governmental meetings should be open.

BIDS - TWENTY-FIVE (25) PORTABLE/MOBILE RADIO UNITS - INSTALLED IN ASHEVILLE POLICE VEHICLES

9. Consideration was given to bids received March 6, 1978 for twenty-five (25) portable/Mobile Radio Units, installed in Asheville Police Vehicles.

The City Manager read a memorandum from the Purchasing Agent which stated that two bids were received: General Electric Company in the amount of $26,375.00 and Motorola Communications & Electronics, Inc. in the amount of $33,865.00. The low bid submitted by General Electric Company does not meet specifications with regard to mobile operation. The portable radio, equipped with vehicular charger console, will not operate as a mobile in the vehicular charger, but its 700 mAh battery can be charged. The Motorola unit with 'converta-com radio mobile console' or its equivalent, as specified in our Bid Request, provides complete user flexibility by combining the portable radio with matching radio console. Outside the police vehicle, constant communication is maintained using the portable. Inside the vehicle, true mobile performance is obtained by insterting the portable into the mobile console. Radio frequency power is immediately available upon insertion, even if the portable radio battery is completely discharged. Since the portable radio gets its power from both the vehicle's battery and the radio's battery, immediate communication is obtained regardless of portable battery condition. There is no waiting for the radio battery to recharge.

Police Chief Mel Tucker and the Purchasing Agent reviewed the bids and recommend the fully responsive bid submitted by Motorola Communications and Electronics, Inc. in the amount of $33,865.00 be accepted.

Police Chief Mel Tucker also said it would be good not to mix the communications system as the Police Department now has Motorola equipment.

After discussion, Councilman Rainey moved to accept the recommendation of the Purchasing Agent and award the bid to Motorola Communications and Electronics, Inc. in the amount of $33,865.00. This motion was seconded by Councilman Cole and carried unanimously.

We, the undersigned wish to go on record as supporting Dr. Eugene Rainey in his efforts to do the job he was elected to Aasheville City Council to do. We feel Dr. Eugene Rainey has shown fairness and impartiality in investigating alleged corruption and irregularities in our City Government. As a veteran member of Asheville Council, he has been in a position of assuring continuity in his ongoing investigations.

Dr. Eugene Rainey listens. He is always available to listen to the ordinary working people. He is trying his best to do the job he was elected to Asheville City Council to do. We support his effort whole heartedly.

Ray Stepp, President of the Redwood Forest Homeowners Association, made several comments to the Council members. He said the trip planned to Jackson, Mississippi to review the Jobs Corps Center in Mississippi would cost about $30,000.

B. Resolution No. 78-50 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water line on North Carolina 280 (Long Shoals Road) in Arden, North Carolina.

HIGHLIGHTS: This encroachment is for a 4-inch water service line to supply the Lakeview Apartments to be built on Long Shoals Road.

Resolution Book No. 10 Page No. 191

C. Resolution No. 78-51 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the Southern Railway Company concerning a 12-inch water line to cross railroad property near U. S. Highway I-40 and U. S. Highway 74 in Asheville, North Carolina.

HIGHLIGHTS: This encroachment agreement with Southern Railway Company is for the water line now under emergency construction at U. S. 74 and the I-40 interchange. The relocation of the railroad tracks in conflict with the highway construction has made it necessary for the City's main water line to cross under their property and a formal right-of-way agreement is required.

Resolution Book No. 10 Page No. 192

D. Resolution No. 78-52 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water line crossing U. S. 25 (Hendersonville Road) in Buncombe County.

HIGHLIGHTS: This encroachment is for the purpose of supplying a 6-inch water connection to a proposed new apartment complex to be built on Hendersonville Road just past Lutheridge on the left. This will be supplied from our 8-inch main line located on the west side of Hendersonville Road (U. S. 25).

Resolution Book No. 10 Page No. 193

E. Approval of bids received March 13, 1978 for two (2) pick-up trucks, one (1) Pick-Up Truck with four wheel drive and wench, and one (1) Station Wagon for Sanitation Division, Asheville Watershed and Water Engineering Division respectively.

HIGHLIGHTS: Two (2) bids were received:

	Bidder	Bid
Item #1 (2 Pick-Up Trucks)	Dorato Motors	$8,289.00
	Matthews Motors	8,108.50
Item #2 (1 Pick-Up Truck with 4 wheel drive and wench)	Dorato Motors	5,997.00
	Matthews Motors	5,934.49

CHIEF MELVIN TUCKER - COMMENTS

10. Chief Tucker, responding to Ray Stepp's comments, said he had no intention of reducing the force at the Police Department. He said he was considering reassigning manpower to handle the work load during peak hours, those hours being 3 p. m. to 11 p. m.

In regard to foot patrol in the downtown area, Chief Tucker said he has established a Problem Solving Task Force, consisting of employees in the Police Department, to review such problems.

In response to Councilman Michael, Chief Tucker supported the Audit and Evaluation Division stating that the Division needed the patrolman now assigned to the Division since at times the investigations of allegations require police work.

In response to Mayor Trantham, Chief Tucker said if parking meters are removed from the downtown area, this would not jeopardize the employment of the current meter maids.

50TH ANNIVERSARY AND REDEDICATION OF THE CITY HALL BUILDING

11. The City Manager said Sunday, March 19, 1978 marks the 50th Anniversary of the City Hall Building. He said the City would have a rededication ceremony on Sunday, March 19, 1978 at 3:00 p. m. in the Council Chambers. He said Councilman Cole would be Master of Ceremonies and would review the history and construction of the building. He said former members of City Council, Corporation Counsels, City Managers, City Clerks, and special guests have been invited.

APPROVAL OF THE CONSENT AGENDA

12. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City Staff any single item scheduled for approval on the consent agenda may be considered separately.

Items on the consent agenda include:

A. Resolution No. 78-49 - Resolution endorsing the Land-of-Sky Regional Council's Regional Housing Plan.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at its meeting held February 1, 1978 voted to endorse the Regional Housing Plan which was presented to the Commission by the Land-of-Sky Regional Council. The Commission further recommended approval of the plan by the City Council.

The Regional Housing Plan provides an analysis of existing conditions and presents a framework to help guide future housing within Region B in a comprehensive and orderly fashion. The plan is in general conformity with the City's Housing Assistance Plan.

Mr. Graves said the report indicates that minorities make up approximately 16 percent of the City government work force, which is only slightly lower than the percentage of minorities in the Asheville population. He said less than one percent of official and administrative positions are filled by members of a minority group. He said elevating minorities to higher positions is difficult because of a past freeze on hiring, competition from private industry and civil service regulations.

Mayor Trantham thanked Mr. Graves for the report and said Council would review it in detail in a work session.

Councilman Michael said he felt the City of Asheville remains the same in regard to the Affirmative Action Program as it did two or three years ago with only one percent of administrative positions held by a minority group.

CLAIM - NUTTALL ASSOCIATES, LTD.

The City Manager presented a claim received from Nuttall Associates, Ltd.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

ASHEVILLE HOUSING AUTHORITY - CHECK - PAYMENT IN LIEU OF TAXES

The City Manager presented a check received from Mr. David Jones, Executive Director of the Asheville Housing Authority, which represents payment in lieu of taxes.

STATEMENT BY COUNCILMAN GENE RAINEY- RE: INVESTIGATIONS - CIVIC CENTER

The following is a verbatum statement of Councilman Gene Rainey regarding investigations:

"Thank you, Mr. Mayor. I just want to mention a few things, if you don't mind. Last Thursday, I sort of felt like that famous Texas outlaw that had been condemned to the gallows and he said he didn't mind going to a public launching except where his own neck was involved.

I've gone through several moods since last Thursday, ranging all the way from anger to depression,and I'm glad to say, as a result of our Tuesday meeting and the executive session meeting that I feel, I think, fairly philosophical about last Thursday. Friends have helped quite a bit, some of those that thought that maybe my mood wasn't improving good enough, so they were glad to come along today,and I appreciate that. I appreciate very much the very good reporting by Mr. Robinson in the Sunday article which frankly raised issues better than I could have raised today and especially that very well written and hard hitting editorial in the Citizen, Monday morning or Tuesday morning, which raised again these issues.

But there are several areas I'd like to touch on. I got the impression Thursday,and correct me if I'm wrong, that essentially what the Council was saying to me was that we really don't have a problem of corruption in Asheville, we only have a problem of one Council member who talks about it. Now, I'm convinced of this problem and I think that the majority of the people in Asheville are convinced of it too. And I'd like that our response to be really that we will persevere with this problem and see it

		Bidder	Bid
E. (cont'd)	Item # 3 (1 Four Door Station Wagon)	Dorato Motors	$5,189.00
		Matthews Motors	5,916.75

Recommendation of low bidder on a per item basis:

Item # 1 - Matthews Motors - $8,108.50
Item # 2 - Matthews Motors - 5,934.49
Item # 3 - Dorato Motors - 5,189.00

Funding: Item 1 - Revenue Sharing Trust Fund-
Capital Outlay Equipment
Account 50-428.0074, budgeted $9,200.00

Item 2 - Water and Sewer Operation, Watershed-
Capital Outlay Equipment
Account 30-752.0074
budget line item -
unencumbered balance Z57,689.71

Item 3 - Water and Sewer Operation - City
Engineering Office - Capital Outlay
Equipment, Account 30-720.0074
budget line item
unencumbered balance $131,837.54

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, the consent agenda was unanimously approved.

RESOLUTION NO. 78-53 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT WITH THE STATE OF NORTH CAROLINA, DEPARTMENT OF CRIME CONTROL AND PUBLIC SAFETY, DIVISION OF CRIME CONTROL, FOR THE CITY/COUNTY AUTOMATED POLICE INFORMATION SYSTEM

13. Consideration was given to a resolution authorizing the Mayor to sign a contract with the State of North Carolina, Department of Crime Control and Public Safety, Division of Crime Control for the City/County Automated Police Information System.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, Resolution No. 78-53 was unanimously adopted.

Complete text of Resolution No. 78-53 will be found in Resolution Book No. 10 at page 194.

AFFIRMATIVE ACTION PROGRAM - REPORT

Mr. Samuel Graves, Personnel Analyst, presented a report on the progress of the City's affirmative action program. He suggested to Council that a committee be appointed to review the City's plan on hiring more minorities and women, and to recommend how improvement can be achieved in providing equal opportunity.

I say that it harass my wife won't do any good either and I wish "Jimmy" would shut up. But to me this is it and it's the key stone. Where does this leave us or where does this leave me, I suppose. My sources are discredited, my motives have been suspected. I don't see support or maybe it's there and I should see it and I'm blinded to it that we have a problem.

What do I do with a book like this, handed to me with a man who is a convicted gambler, who lists 26 number sellers with their license plates. His reputation is not going to be acceptable to anybody. Five suspected narcotics sellers. Thirteen top men in the rackets. What do I do with it? What do I do with a sheath of papers that a worker comes up and says "they're just about to throw them out, take them down to the garbage heap and I knew what they were and I reached in there and grabbed a handful of them and you can do with them what you want to." And you look at them and there are these things on it. I don't know what to do with them now.

I appreciate very much, Mr. Mayor, your kind and considerate comments during this whole episode. My estimation of this Council, and they're all good people does not at all lessen my - and especially my support of a very good man and that's what Ken Michalove is. It's not lessened by last Thursday. But philosophically looking back on a week that was, I wanted to share those comments with you. Thank you, Mr. Mayor."

Mrs. Evelyn Hicks supported Councilman Rainey's efforts and comments.

Adjournment.

Ray M. Hamilton — Frances J. Roberts

MAYOR — CITY CLERK

through. And what we don't want, of course, is sort of a major push and then a tapering off. A person called me and said that the good raids of last weekend which amounted to so many arrests were good but their opening for business again this weekend.

Only by, I think, a total mobilization of effort can we eliminate this cancer. And by total mobilization, I mean total support of the businessmen of this community, of the churches of this community, of all segments of this community. We've got to speak with one voice on this issue and we've got to speak with a loud voice on this issue. Asheville has tolerated this type of cancer, I think, for decades and I find it strange that we have- and I find it even stranger that it's the people who are not the sons and daughters of mountaineers who come into this city, such as Chief Tucker and myself and others, who are so concerned about it and so upset about it and sees the injustices of it all. But what we cannot do is to adopt the policy of the three monkeys. We can not hear no evil, see no evil, and speak no evil, because it's there. Corruption is bad for this City, not only in the terms of the image of this City to other areas, not only facts that we are primarily a tourist town and therefore we don't want this here. No one wants Asheville to be a swinging City, a wide open City just for tourists. In fact, we want to attract the type of tourists that don't want to come here for that. That's the first point.

The second point has to do with the morale among our workers. I see internal, unethical behavior as a source of the morale problem, not the investigation. The morale problem was there before and I think it will continue until we bring to an end the corruption within the bureauracy itself. I don't think that internal corruption can be solved simply by policy changes or new procedures. We can not have efficiency without cutting out this cancer, too. In a way, I think these people who have operated so long have interpreted past policies and procedures to their own benefit for years. And I have a feeling that they can continue to do that. They have built up a nucleus, again it's a minority, a confederate, to profit and this is what we have to deal with. The word that I received is that the - and it's been, I think, emphasized to me over the weekend -- that the honest and sincere majority of our workers do not fear these investigations because they don't have anything to fear from them anyway. But we're all open, or I'm open, to the same criticism that the Congress received from the banking institutions of this country when they began to investigate Burt Lance: "If you do it to him it's going to reflect on us." But they had to investigate him anyway. There is no way, I think, to get around this problem and I wish there were. But I re-emphasize my belief that a majority of our workers are sincere and honest and hard working and they applaude what we're doing.

Third; I cannot comment on my motives. As a social scientist, we've dealt with motivational analysis for so long, we finally left it behind. You can not evaluate motives. It ends up that either you like the individual and you think his motives are right or you dislike him and you think they are wrong. The motives themselves are not important. It's whether you have that element of trust. But as far as my motives are concerned, I suppose I've broken the first law of politics and the law I promised I'd never break. I've become a one issue politician and that's dangerous. But since I'm not a professional politician I guess I can break it. I see this as my calling in this area. And "Jimmy" who calls up to threaten the kids or "Jimmy" who calls up to

Mayor Trantham said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

The City Manager read the following letter:

Ballantree Homeowners Association, Incorporated
P. O. Box 5242
Asheville, N. C. 28803

March 22, 1978

To: Members of Asheville City Council

From: Board of Directors, Ballantree Homeowners Association

Mr. Roy Burchfield, a member of the Board of Directors, has been authorized by the Board of Directors to present this letter to the Asheville City Council and to represent the Board before the Council.

As Mr. Brooks stated before the Council at its meeting on Thursday, March 16, 1978, considerable confusion had arisen in the community over the zoning issue. The Board met on Tuesday evening, March 21, 1978, to determine the cause of the confusion and to decide on an appropriate action.

The Board determined that the confusion was caused by the fact that Ordinance 1028, which has been passed on first reading, contains reference to R-2 zoning, when in fact the community had requested R-1 zoning. The Board agreed that its intent had been to obtain the R-1 classification and further that Council should be requested to change the classification from R-2 to R-1 and then to proceed to approve the ordinance.

Therefore, the Board of Directors requests that the Asheville City Council take appropriate action to amend Ordinance 1028 to change the zoning to R-1 Single Family Residential District for the following reasons:

1) The community is of a character that is consistent with the R-1 zoning classification. There are 83 single family residences presently in the subdivision.

2) This zoning classification will permit development which is in conformance with existing deed restrictions applicable to subject property.

3) The homeowners signed petitions, nearly unanimously, the intent of which was to request R-1 zoning in accordance with their belief that the property should be put to its highest use; that the single family residential character is already established; and that R-1 zoning is necessary in order to best protect their investment in their property and enhance the beauty and attactiveness of the subdivision.

Very truly yours,

/s/ Robert L. Williams

President

Thursday - March 23, 1978 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Otis B. Michael, Gene E. Rainey, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman F. Jack Cole gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 16, 1978 meeting.

Councilman Rainey submitted several editorial changes to the City Clerk.

Vice-Mayor Horton said he would like the statements between Mary Robertson and himself regarding West Asheville projects included in the minutes.

Councilman Cole moved to approve the minutes of the March 16, 1978 meeting, as amended. This motion was seconded by Councilman Rainey and carried unanimously.

RESOLUTION NO. 78-54 - RESOLUTION COMMENDING ASHEVILLE HIGH SCHOOL ON THEIR PARTICIPATION IN THE INTERNATIONAL EXCHANGE PROGRAM AND RECOGNIZING THE JAPANESE STUDENTS FROM KOFU NISHI SENIOR HIGH SCHOOL THAT ARE PARTICIPATING IN THE PROGRAM

2. Consideration was given to a resolution commending Asheville High School on their participation in the International Exchange Program and recognizing the Japanese Students from Kofu Nishi Senior High School that are participating in the program.

The City Manager read the resolution.

Mr. Bill Stanley, Principal of Asheville High School, introduced the teacher of Kofu Nishi Senior High School. He introduced the students individually.

Upon motion of Councilman Morris, seconded by Councilman Cole, Resolution No. 78-54 was unanimously adopted.

Complete text of Resolution No. 78-54 will be found in Resolution Book No. 10 at page 195.

ORDINANCE NO. 1028 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Including Ballantree Subdivision in the City's Extraterritorial Zoning and Subdivision Jurisdiction)

3. Consideration was given to the second reading of Ordinance No. 1028, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, including Ballantree Subdivision in the City's Extraterritorial Zoning and Subdivision Jurisdiction.

The City Manager read a letter from the Housing Authority of the City of Asheville which states that received the following bid for Disposal Parcel 172 in the East Riverside Urban Renewal Project.

N.C.R-48

Parcel	Reuse	Price	Bid	Redeveloper
172	Residential	$600.00	$600.00	William R. Ruff

The redeveloper of Parcel 172 is an adjacent owner who plans no development, but intends to use the property in conjunction with his existing residence. The lot is too small to build on.

Councilman Michael moved to approve the sale of Disposal Parcel 172 in the East Riverside Urban Renewal Project N. C. R-48 to William R.Ruff for $600.00. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1029 - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE CAPITAL PROJECTS ORDINANCE EFFECTIVE OCTOBER 15, 1977 (EDA Contract funding)

6. Consideration was given to the second reading of Ordinance No. 1029, an ordinance amending the City of Asheville Capital Projects Ordinance effective October 15, 1977 to reflect changes in the budget regarding funding for EDA contracts.

Mayor Trantham said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1029 passed on its second reading.

ORDINANCE NO. 1030 - AN ORDINANCE REALLOCATING, AMENDING, AND APPROVING COMMUNITY DEVELOPMENT BUDGET FUNDS SET FORTH IN THE CITY OF ASHEVILLE GENERAL FUND BUDGETS FOR 1975-76, 1976-77, AND 1977-78

7. Consideration was given to the second reading of Ordinance No. 1030, an ordinance reallocating, amending, and approving Community Development Budget funds set forth in the City of Asheville General Fund Budgets for 1975-76, 1976-77, and 1977-78.

Mayor Trantham said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

The City Manager, as directed by Council, read several amendments to the ordinance relative to the language contained in the ordinance.

Councilman Morris moved to amend Ordinance No. 1030 to include the language changes as read by the City Manager. This motion was seconded by Vice-Mayor Horton, which motion carried.

On a roll call vote of 5-1, Ordinance No. 1030 passed on its second reading with Councilman Michael voting "no".

Peter Winslow, President of the Kenilworth Residents Association, said he had talked with the homeowners in the area regarding the deleting of $40,000 from the funding for fill dirt and to have the City fill in the area over a 2 to 3 year period. He said the homeowners were very emphatic about the matter and said they did not want a sanitary landfill in their neighborhood. They said Council should go ahead as planned and spend the $40,000 for the fill dirt.

Verl Emrick, Planning Director, said the existing deed restrictions for the Ballantree Subdivision are more restrictive than the proposed R-2 zoning. He said he did not think zoning the subdivision R-1 as requested by the homeowners would present any problems.

After discussion, Councilwoman Price moved to amend Ordinance No. 1028 to zone the subdivision R-1 Residential District. This motion was seconded by Councilman Cole and carried unanimously.

On a roll call vote of 6-1, Ordinance No. 1028, as amended, passed on its second reading.

PUBLIC HEARING - CLOSING OF UNNAMED ALLEYWAY NEAR BEAR CREEK ROAD AND PATTON AVENUE

RESOLUTION NO. 78-55 - RESOLUTION TO CLOSE AN UNNAMED ALLEY WAY BETWEEN CERTAIN LOTS IN THE CITY OF ASHEVILLE, BUNCOMBE COUNTY, NORTH CAROLINA

4. A public hearing was held relative to closing an unnamed alleyway near the intersection of North Bear Creek Road and the western margin of Patton Avenue.

Mayor Trantham opened the public hearing at 3:30 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication. He also presented affidavits from Mrs. Hamilton stating that the alleyway was prominently posted with copies of the resolution of intent to close the alleyway and an affidavit from Mr. Paul Kirk, owner of a portion of the adjacent property, stating that he had no objections to the closing of the alleyway.

Verl Emrick, Planning Director, said he had researched this matter and had found that the alleyway splits property entirely and that the alleyway had never been used.

Mrs. Hamilton, petitioner and owner of the property, said she owned all the property abutting the alleyway except for a small portion which is owned by Mr. Paul Kirk.

Mayor Trantham closed the public hearing at 3:35 p. m.

The City Manager read the resolution closing the alleyway in question.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 78-55 was unanimously adopted.

Complete text of Resolution No. 78-55 will be found in Resolution Book No. 10 at page 196.

SALE OF DISPOSAL PARCEL 172 - EAST RIVERSIDE URBAN RENEWAL PROJECT

5. Consideration was given to the approval of the sale of Disposal Parcel 172 in the East Riverside Urban Renewal Project.

The City Manager read the ordinance.

This ordinance amends the Capital Projects Ordinance to reflect funding of $90,000 for the Charlotte Highway Water Line Project.

Community Development Block Grant	$20,000
ARC Grant	52,000
State Grant (Clean Water Bond Funds)	9,000
Contribution from Water System Improvement Fund	9,000
	$90,000

Vice-Mayor Horton moved for the adoption of Ordinance No. 1033. This motion was seconded by Councilwoman Price.

On a roll call vote of 6-0, Ordinance No. 1033 passed on its first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 1033. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1033 passed on its second reading.

Councilman Michael again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1033. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1033 passed on its third and final reading.

Complete text of Ordinance No. 1033 will be found in Ordinance Book No. 8 at page 174.

ORDINANCE NO. 1034 - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE CAPITAL PROJECTS ORDINANCE EFFECTIVE OCTOBER 15, 1977 TO INCLUDE AN LEAA GRANT IN THE AMOUNT OF $218,076

9. Consideration was given to an ordinance amending the City of Asheville Capital Projects Ordinance effective October 15, 1977 to include an LEAA Grant in the amount of $218,076.

The City Manager read the ordinance explaining that by Ordinance No. 1020, City Council approved application for an automated police information system. The local match was approved and appropriated in the ordinance, but the project was not included in the City of Asheville Capital Projects Ordinance. A contract for the Asheville-Buncombe County Criminal Justice Information System has been received and Resolution No. 78-53 authorized the Mayor to sign documents relative to the contract and implementation of the program. This ordinance will include the project into the Capital Projects Ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1034. This motion was seconded by Councilman Rainey.

On a roll call vote of 6-0, Ordinance No. 1034 passed on its first reading.

Councilman Morris moved to suspend the rules and proceed to the third reading of Ordinance No. 1030. This motion was seconded by Councilwoman Price, which motion carried with Councilman Michael voting "no".

On a roll call vote of 5-1, Ordinance No. 1030 passed on its third and final reading, with Councilman Michael voting "no".

Complete text of Ordinance No. 1030 will be found in Ordinance Book No. 8 at page 166.

ORDINANCE NO. 1032 - AN ORDINANCE AMENDING THE CAPITAL PROJECTS ORDINANCE IN EFFECT AS OF MARCH 15, 1978 (WSIF FUNDS)

7. Consideration was given to an ordinance amending the Capital Projects Ordinance in effect as of March 15, 1978.

The City Manager read the ordinance explaining that the Asheville City Council and Buncombe County Commissioners adopted a set of procedures to be followed regarding the selection and approval of Water System Improvement Fund projects as recommended by the City Manager in a memorandum dated September 12, 1977. Implementation of these procedures has resulted in a realignment of priorities as detailed in the proposed ordinance.

Councilman Morris moved for the adoption of Ordinance No. 1032. This motion was seconded by Councilman Michael.

On a roll call vote of 6-0, Ordinance No. 1032 passed on its first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 1032. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1032 passed on its second reading.

Councilman Michael again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1032. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1032 passed on its third and final reading.

Complete text of Ordinance No. 1032 will be found in Ordinance Book No. 8 at page 171.

ORDINANCE NO. 1033 - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE CAPITAL PROJECTS ORDINANCE EFFECTIVE OCTOBER 15, 1977 (Charlotte Highway Water Line)

8. Consideration was given to an ordinance amending the City of Asheville Capital Projects Ordinance effective October 15, 1977.

RESOLUTION NO. 78-56 - RESOLUTION DECLARING MARCH 27, 1978 AS A FREE PARKING DAY FOR DOWNTOWN ASHEVILLE

11. Consideration was given to a resolution declaring March 27, 1978 as a free parking day for downtown Asheville.

The City Manager read the resolution. The resolution would allow free parking from 7:00 a. m. on March 27, 1978 to 12:01 a. m. on March 28, 1978 in any on-street metered parking space, in any metered or un-metered parking space in a City parking lot, or for daily parking in any space in the Downtown Parking Garage.

Upon motion of Councilman Michael, seconded by Councilman Rainey, Resolution No. 78-56 was unanimously adopted.

Complete text of Resolution No. 78-56 will be found in Resolution Book No. 10 at page 198.

APPROVAL OF THE CONSENT AGENDA

12. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

Items on the consent agenda include:

A. Resolution No. 78-57 - Resolution authorizing the Mayor to sign on behalf of the City of Asheville a contract with Huntley Construction Company for the project known as Louisiana Avenue-Hazel Mill Road.

HIGHLIGHTS: Huntley Construction Company, Inc. was the low bidder for the construction of water lines along Louisiana Avenue and Hazel Mill Road. This resolution would authorize the Mayor to execute such contract with Huntley Construction Company in the amount of $56,956.00

Resolution Book No. 10 Page 199.

B. Resolution No. 78-58 - Resolution authorizing the Director of Finance to sell surplus property.

HIGHLIGHTS: The Purchasing Division of the Finance Department has an IBM typewriter which is approximately twelve years old and is not presently being used by the Purchasing Division. IBM placed a trade-in value of $65 on the machine. The Secretary-Treasurer of the Asheville Municipal Employees Credit Union has expressed an interest in acquiring the typewriter. The City Charter provides that no sale or other disposition of surplus personal property of the City having a replacement cost in excess of $100 shall be made by the Director of Finance unless direction be made by the Council by resolution.

Resolution Book No. 10 Page 200.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 1034. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1034 passed on its second reading.

Councilman Michael again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1034. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1034 passed on its third and final reading.

Complete text of Ordinance No. 1034 will be found in Ordinance Book No. 8 at page 176 .

ORDINANCE NO. 1035 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78 (Emergency Generator for Police and Fire Department)

10. Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1977-78.

The City Manager read the ordinance explaining that an emergency generating system is needed at the Municipal Building for the Fire and Police Departments to maintain communications and services during power failure and the low bid for said project is $32,244 of which 50% is to be funded by a DCPA Grant. An appropriation of $12,000 is included in the Fiscal 1977-78 Revenue Sharing Trust Fund for this purpose leaving a deficit of $4,122. This ordinance will reflect such actions in the operating budget of the City of Asheville for Fiscal Year 1977-78.

Chief P. N. Ball explained that the new system will automatically start within 30 to 40 seconds after a power failure. He said this system is needed due to the police and fire communications being essential, particularly during a power failure.

Councilman Morris moved for the adoption of Ordinance No. 1035. This motion was seconded by Councilman Cole.

On a roll call vote of 6-0, Ordinance No. 1035 passed on first reading.

Councilman Morris moved to suspend the rules and proceed to the second reading of Ordinance No. 1035. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1035 passed on second reading.

Councilman Morris again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1035. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1035 passed on third and final reading.

Complete text of Ordinance No. 1035 will be found in Ordinance Book No. 8 at page 178 .

G. Approval of bids received February 6, 1978 for installation of 100 kw diesel generator and modification of existing electric system for Central Fire Department and Police Department City of Asheville Municipal Building Emergency Power.

HIGHLIGHTS: Three (3) bids were received:

M. B. Haynes Electric Corp.	$32,244.00
Electrical Constructors of America	39,950.00
Hayes and Lunsford Electric Co.	34,890.00

Recommendation of low bidder, M. B. Haynes Electric Corporation in the amount of $32,244.00.

H. Approval of bids received March 20, 1978 for five (5) dump trucks: Two (2) Cab and Chassis with 12' Dump for Sanitation Division, Two (2) Cab and Chassis with 5 to 6 yard dump, and one (1) cab and chassis with 1-1/2 yard dump bed for use in Street Division.

HIGHLIGHTS: Two (2) bids were received:

Matthews Motors, Inc.	- $57,940.23
Apple Tree Chevrolet	- 56,955.06

Recommendation of low bidder, Apple Tree Chevrolet in the amount of $56,955.06.

Funding: Revenue Sharing Trust Fund - Capital Outlay Equipment
Sanitation Division - Account Code 50-428.0074
budget line item - unencumbered balance $233,500.00

Street Division - Account Code 50-427.0074
budget line item - unencumbered balance $108,145.25

Upon motion of Councilman Cole, seconded by Councilwoman Price, the consent agenda was unanimously approved.

PROCLAMATION - "LOCK YOUR CAR WEEK" - MARCH 27, 1978

Mayor Trantham proclaimed the week of March 27, 1978 as "Lock Your Car Week".

CLAIM - LLOYD WILLIAMS AND GLORIA ANN WILLIAMS

The City Manager presented a claim received from Mr. Lloyd Williams and Gloria Ann Williams.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

C. Resolution No. 78-59 - Resolution authorizing the Director of Finance to acquire and dispose of one NCR minicomputer.

HIGHLIGHTS: The City of Asheville has leased an NCR 300 minicomputer bookkeepping machine sine March, 1975. The City has recently upgraded its financial recordkeeping to a NCR 18250 system and the City of Asheville no longer has need of the NCR 399 machine. The County of Buncombe has expressed an interest in acquiring this NCR 399 machine. A representative of NCR Corporation has informed the City and the County Finance Directors that the least expensive way for the County to acquire this machine is for the City to purchase it from NCR and then sell it to the County. This resolution would authorize such action.

Resolution No. 10 page 201.

D. Resolution No. 78-60 - Resolution calling for a public hearing for the adoption of an ordinance directing the Housing Officer to demolish 285 Westwood Place for April 20, 1978.

HIGHLIGHTS: 285 Westwood Place has been found to be unfit for human habitation, unsafe and dangerous to life and the order to repair or demolish said structure has not been complied with. Pursuant to N.C.G.S. 160A-364 a public hearing is required before the Housing Officer can proceed with the demolition and removal of the dwelling house.

Resolution No. 10 page 203.

E. Resolution No. 78-61 - Resolution calling for a public hearing for the adoption of an amendment to Section 11-46 of Chapter 11, of the Code of Ordinances entitled Permits to issue only to licensed electrical contractors for April 27, 1978.

HIGHLIGHTS: This amendment would permit property owners to perform electrical work upon his own property subject to certain requirements as detailed in the ordinance.

Resolution No. 10 page 205.

F. Resolution No. 78-62 - Resolution calling for a public hearing for the adoption of an ordinance relating to amending Section 20-2 of Chapter 20 of the Code of Ordinances, entitled Plumbing Permits - Inspections, Fees for April 27, 1978.

HIGHLIGHTS: This amendment would permit property owners to perform plumbing work upon his own property subject to certain requirements as detailed in the ordinance.

Resolution No. 10 page 206.

After discussion, Councilman Rainey moved to authorize the Mayor, the City Manager and Councilman Michael to move vigrously to have the matter pursued. This motion was seconded by Councilman Cole and carried unanimously.

JOB CORPS CENTER - COUNCILMAN RAINEY

Councilman Rainey said he felt Council should support the concept of the Job Corps Center. He said the Planning Divisions of the City and County should open up their resources to help with the project.

COUNCILMAN RAINEY - CITY TRUCKS HAULING DIRT ON PRIVATE PROPERTY

Councilman Rainey said he had been told that City trucks had been used to haul and dump six loads of dirt at a vacant lot on Woodrow Avenue. He asked the City Manager to determine who authorized the work, whether the owner paid for the dirt and whether any laws were broken.

Adjournment.

Ray M. Hamilton — Frances S. Malcolm

MAYOR — CITY CLERK

DISCUSSION - AIRPORT RUNWAY EXTENSION PROJECT

The City Manager read the following letter:

Department of Transportation
Federal Aviation Administration

Washington, D. C. 20591

March 16, 1978

Honorable Roy M. Trantham
Mayor of Asheville
Asheville, North Carolina 28801

Dear Mayor Trantham:

This is in response to your March 3 letter referencing our January 29 discussion concerning Federal funding of a runway extension at Asheville Municipal Airport.

We have now completed and analyzed our regional planned program survey. Unfortunately, our funding posture remains essentially as we discussed in our January 31 letter. In effect, we would like to participate in the extension but find ourselves financially unable to do so this fiscal year. Previous major funding commitments have substantially constrained our program forcing us to delay several worthy projects such as yours. Should slippage occur at those locations where commitments have been made, your request will receive very careful consideration for the recaptured funds. In the meantime, we must look to a future year program for possible funding.

Your continued interest is understandable and we appreciate hearing from you.

Sincerely,

/s/ William V. Vitale
for ROBERT J. AARONSON
Assistant Administrator
Office of Airports Programs

The City Manager said this letter is contrary to discussions with FAA officials in Washington. He said in December of 1977, while at a meeting with FAA in Washington, it was the City's understanding that FAA had made a commitment of $1,200,000 in grant funds for the runway extension project, plus $1,000,000 of discretionary funds. He said he had just confirmed the contents of the letter, by telephone, with an official of FAA.

He said he felt this was unfair treatment to the City of Asheville and requested that Council authorize the Mayor, City Manager, and Councilman Michael to continue an immediate effort to have this matter pursued. He suggested that the City contact the Congressional delegation as well as the Governor for their help in this matter.

Mayor Trantham said the ordinance was previously read on first and second readings and it would not be re-read in its entirety unless there was a specific request to do so.

Albert Sneed, Attorney, representing A. Burton McLelland Company, said his client was not aware of Council's action to zone the Ballantree Subdivision until this past week. He said his client owns 5.2 acres, which is included in the subdivision, and has began the process for a 50-unit apartment building on the site. He said his client has obtained a valid building permit for the construction of the apartment building but if Council zones the property as proposed, R-1 Single Family Residential, the structure would be a non-conforming use. He said his client would like for Council to consider excluding the 5.2 acres from the proposed ordinance. He said he felt it would be a hardship for his client to start out his development with a non-conforming use.

Hal Brooks, of the Ballantree Subdivision, said the residents of the area would like for Council to continue with the adoption of the ordinance zoning the entire area R-1. He said the property owners are not in favor of the apartment building but realize that, since no zoning restricting apartment buildings was in effect when the developer began his plans there would be no action for them to take. He said the residents had accepted the concept of the apartment building. He suggested that Council continue with the proposed ordinance excluding the 5.2 acres intended for development by the McLelland Company.

Verl Emrick, Planning Director, said since the developer has a valid building permit for the structure the City would not have jurisdiction over the development.

Councilman Morris said he felt Council had two alternatives; to exclude the parcel from the proposed ordinance or revert the zoning to R-2 Residential District. He suggested that the ordinance be tabled for one week giving the two parties an opportunity to work out a satisfactory conclusion to the matter.

Mr. Brooks said he did not feel the matter could be resolved without Council action.

After discussion, Councilwoman Price moved to amend Ordinance No. 1028 to zone 5.2 acres, referred to in a petition filed by Albert Sneed, Attorney for A. Burton McLelland Company, R-2 Residential District, with the remaining portion of the Ballantree Subdivision being zoned R-1 Residential District. This motion was seconded by Councilman Rainey and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1028, as amended passed on its third and final reading.

Complete text of Ordinance No. 1028 will be found in Ordinance Book No. 8 at page 162.

Thursday - March 30, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Otis B. Michael, Gene E. Rainey, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilwoman Norma T. Price gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the March 23, 1978 meeting.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, the minutes of the March 23, 1978 meeting were approved as submitted.

MRS. ROGERS - SENIOR OPPORTUNITY CENTER

Mrs. Rogers, of the Senior Opportunity Center, thanked Council for purchasing the new van for the Senior Opportunity Center. She said the new van has meant so much to the senior citizens.

PUBLIC HEARING - CLOSING OF SUGG STREET AND THREE (3) UNNAMED ALLEYS

2. A public hearing was held relative to the closing of Sugg Street and three (3) unnamed alleys.

Mayor Trantham opened the public hearing at 3:05 o'clock p. m.

The City Manager said it was the intention of several Council members to be out of town during this meeting and the published agenda stated that the public hearing would be officially opened, however, all discussion would be continued until April 6, 1978. He requested a motion continuing the public hearing.

Councilwoman Price moved to continue the public hearing relative to closing Sugg Street and three (3) unnamed alleys until April 6, 1978, without further advertisement. This motion was seconded by Vice-Mayor Horton and carried unanimously.

ORDINANCE NO. 1028 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Including Ballantree Subdivision in the City's Extraterritorial Zoning and Subdivision Jurisdiction)

3. Consideration was given to the third reading of Ordinance No. 1028, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, including Ballantree Subdivision in the City's Extraterritorial Zoning and Subdivision Jurisdiction and to zone the property R-1 Residential District.

C. Resolution No. 78-65 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a fire signal cable on U. S. 25 (Biltmore Avenue).

HIGHLIGHTS: This is for a fire signal cable for a distance of 300 feet on Biltmore Avenue.

Resolution Book No. 10 Page 209.

D. Resolution No. 78-66 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for an 8-inch water line on Town Mountain Road.

HIGHLIGHTS: It is necessary to resubmit this encroachment agreement due to the North Carolina Department of Transportation changing the wording on their encroachment forms. This resolution was passed by, Resolution No. 77-143 for an 8-inch fire line on Town Mountain Road.

Resolution Book No. 10 Page 210.

E. Resolution No. 78-67 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a 16-inch water line on State Road 3523 (Clingman Avenue).

HIGHLIGHTS: It is necessary to resubmit this encroachment agreement due to the North Carolina Department of Transportation changing the wording on their encroachment forms. This resolution was passed by, Resolution No. 77-91, for an encroachment on Clingman Avenue.

Resolution Book No. 10 Page 211.

F. Resolution No. 78-68 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for the installation of a 16-inch water line on State Road 3412 - 3414 (Sand Hill Road) in Asheville, North Carolina.

HIGHLIGHTS: It is necessary to resubmit this encroachment agreement due to the North Carolina Department of Transportation changing the wording on their encroachment forms. This resolution was passed by, Resolution No. 77-111, for a 16-inch water line on Sand Hill Road from Shelburne Road to Bear Creek Road.

Resolution Book No. 10 Page 212.

ORDINANCE NO. 1029 - AN ORDINANCE AMENDING THE CITY OF ASHEVILLE CAPITAL PROJECTS ORDINANCE EFFECTIVE OCTOBER 15, 1977 (EDA Contract funding)

4. Consideration was given to the third reading of Ordinance No. 1029, an ordinance amending the City of Asheville Capital Projects Ordinance effective October 15, 1977 to reflect changes in the budget regarding funding for EDA contracts.

Mayor Trantham said the ordinance was previously read on first and second readings and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1029 passed on its third and final reading.

Complete text of Ordinance No. 1029 will be found in Ordinance Book No. 8 at page 164.

APPROVAL OF THE CONSENT AGENDA

5. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-63 - Resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company.

HIGHLIGHTS: The Carolina Power and Light Company has requested the City of Asheville to execute right-of-way easement on property belonging to the City of Asheville bounded by lands of John F. Ledbetter on the West and by Fairview Road on the North and Murphy Street on the East for the purpose of updating an existing electric power line.

Resolution Book No. 10 Page 207.

B. Resolution No. 78-64 - Resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company.

HIGHLIGHTS: The Carolina Power and Light Company has requested the City of Asheville to execute right-of-way easement on property belonging to the City of Asheville bounded by lands of the Housing Authority of the City of Asheville on the South and by Hilliard Avenue on the North and South French Broad Avenue on the East for the purpose of updating an existing electric power line. (Aston Park)

Resolution Book No. 10 Page 208.

He said they based their petition on several considerations:

1. No need is served by the widening of the street; two vehicles can pass safely on the present width of the street. Pearson Drive comes to a dead end in the 400 block, so that there is no thru traffic on the street, the only traffic being that to and from homes. The homes are the only development of any kind served by the street.

2. Several of the homes are within fifteen feet of the paved surface of Pearson Drive. Any widening of the road-bed will increase the existing danger of a vehicle striking a house.

3. The owners are content to forego any curbing or guttering along Pearson Drive where it passes in front of their homes.

The City Manager said a staff conference was held regarding the petition since a contract has already been awarded to Ruckman Brothers for the installation of curb and gutter and resurfacing of Pearson Drive beginning at the Santee Street intersection to the end of Pearson Drive at the Weaverville Expressway (U. S. 19-23 By-pass). He said a review of the contract determined that a negotiated agreement could be pursued between the Contractor and the City to delete the curb and gutter on Pearson Drive from upper Hibriten to the end of Pearson Drive (cost: approximately $15,000) and to replace the deleted Pearson Drive section of the contract work with another element of the approved MOntford Public Works Project that would include sidewalk renewal, improvement and repair. He said the agreement to make the change in the original contract could be executed through a change order which would then become a legal part of the contract.

COMPLAINT - PURCHASING OF ANNUAL PERMITS - ASTON PARK TENNIS COURTS

Chuck Parker, of Parker Oil Company, said he was refused the privilege of purchasing an annual permit to play tennis at Aston Park Tennis Courts. He said he was not a resident of the City, but his business was located in the City of Asheville and he felt since his business paid city tax he should be allowed the privilege of purchasing an annual permit. He said Council's policy regarding this matter should be reconsidered.

After discussion, Councilwoman Price moved to refer the matter to the Asheville Parks and Recreation Advisory Board for thier consideration and recommendation. This motion was seconded by Councilman Rainey and carried unanimously.

AIRPORT RUNWAY EXTENSION - DISCUSSION

Councilman Michael suggested that the City abandon the runway extension project because it cannot get sufficient funding from the FAA. He said the available money should be spent on airport improvements and the City should be relieved of the contract by the architect for the project. He said the City of Asheville, by itself, did not need a runway extension, but Western North Carolina needed the extension. He said the City of Asheville could not afford to take on the expenses without participation from the federal government and surrounding counties.

G. Approval of bids received March 20, 1978 for four (4) garbage trucks (3) rear end loaders - 25 yard capacity, and one (1) front end loader- 30 yard capacity) for Sanitation Division.

HIGHLIGHTS: Three (3) bids were received:

Bidder	Bid
Matthews Motors, Inc.	$165,415.74
Quality Equipment & Supply Co.	169,882.40
Waste Industries, Inc.	171,502.00

Recommendation to low bidder, Matthews Motors, Inc. in the amount of $165,415.74.

Funding: Revenue Sharing Trust Fund- Capital Outlay
Equipment - Sanitation Division
Account Code 50-428.0074
Budget Line item - unencumbered balance
$213,970.00

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the consent agenda was unanimously approved.

CLAIM - ELIZABETH GAGE - 22 NORMANDY ROAD

The City Manager presented a claim received from Wesley F. Talman, Jr., Attorney for Elizabeth Gage relative to 22 Normandy Road.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - MRS. L. P. SULLIVAN

The City Manager presented a claim received from Mrs. L. P. Sullivan of 264 Montford Avenue.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

PROCLAMATION - WEEK OF THE YOUNG CHILD - APRIL 1 - 8

Mayor Trantham proclaimed the week of April 1 - 8, as Week of the Young Child.

PROCLAMATION -DOCTOR'S DAY - MARCH 30, 1978

Mayor Trantham proclaimed March 30, 1978 as "Doctor's Day".

PETITION - RE: WIDENING OF PEARSON DRIVE

Mr. Grant Tiabi, of Pearson Drive, said residents of Pearson Drive had presented a petition that the City of Asheville abandon its present Community Development project on portions of Pearson Drive, particularly the widening of Pearson Drive and the installing of curbs and gutters.

Mr. Maples, Foreman, Street Department, said Mr. Davis called and asked if the City would dump on a lot that he had purchased from the City of Asheville. He was told that an order would have to be issued to do so. Mr. Davis told Mr. Maples that he had talked with Mr. Brown about the matter and Mr. Maples asked Mr. Brown about it and was told it was o.k. if the crews were near the site. He said on March 23, 1978 a house was demolished on Valley Street and he hauled the wood to the fill. He said the City has to pay to dump fill on the property at Main Auto. The rock, concrete, foundation and some dirt was put on Woodrow Street while a road was built on Clingman Avenue with a dozer. The dirt was then hauled to Clingman Avenue. Rock could not be used on Clingman Avenue because it would not compact.

Mr. Brown has reported that in the last year, he would estimate that the City has placed at least seventy-five loads (full and partial) on private property. These loads consisted of broken pavement, rock and dirt mixed with these materials. The majority of the loads were placed behind Penland Funeral Home on Charlotte Street. This was requested and was a convenient location for most of the City's operations east of the French Broad River.

Mr. Brown said he felt the policy concerning this matter was a good policy especially if the convenience to and the best interests of the City are maintained as the criteria for decisions of this nature.

Councilman Rainey said he had inspected this property and it was not rock, it was dirt. He said the policy should be reviewed particularly as a defense against favoritism. He said he had problems with this explanation as the City has had problems in the past with this particular property and property owner.

Cecil Jackson, Attorney, representing Mr. Paul Davis of 64 Woodrow Avenue, said his client wanted to complain about the "petty harassment" he has received from the City. He mentioned such petty things as "dogs, weeds on banks, cleaning up around business, installation of a gas furnace, street lighting, gasoline in parked cars", etc. He said Paul Davis in the past had donated over 100 loads of dirt to the City, free of charge. He said his client should not be subjected to the harassment or accusations.

Upon inquiry of Councilman Rainey, Mr. Jackson said Mr. Davis was not operating a non-conforming junk yard that the vehicles are only placed on his property temporarily.

Councilman Rainey said he would like a judgment from the Physical Environmental Inspector on the property being a non-conforming junk yard.

Mayor Trantham said a closer observation would be made into the matter and would be discussed further.

Adjournment.

Ray M. Trantham — Norman J. Nolan

MAYOR — CITY CLERK

Councilman Rainey said he felt the City of Asheville needs the runway extension and suggested that, if necessary, the City should set up an airport authority with participation of other Western North Carolina counties. He also suggested that the funding of the airport extension be discussed during the April 4 meeting with the Buncombe County Board of Commissioners. He said the work and contract should be awarded now before inflation starts again.

Vice-Mayor Horton said the matter needed prompt attention with all the problems spelled out clearly. He said the division of the $6 million bond money with the county should be analysed. He said it is possible that the City could get a large portion of its cost for the extension with the bond money. He said a paper commitment is needed by the City and County to pay for the runway extension if the federal government will not. He agreed that the project needed to be started before inflation starts.

Councilwoman Price and Councilman Cole also agreed that the runway extension is needed and should be attempted.

Councilman Morris said if a contract is let for the work a legal document could be drawn up protecting the City in the case that the City ran short of funds after bids had been let.

The City Manager said a meeting is scheduled for Tuesday to further discuss the matter which should clearly show what funding is available from the federal, state, and local levels.

CITY MANAGER'S REPORT - DUMPING OF DIRT ON WOODROW AVENUE

In response to a request of Councilman Rainey at the March 23, 1978 meeting, the City Manager said he had investigated the matter of the city dumping truck loads of dirt on private property on Woodrow Avenue. He said the Street Department policy, throughout the years, has been that the City will dump rough material (broken pavement, rock, etc.) on private property if the crews are in the particular area. Clean dirt is stockpiled for later use.

According to the report from T. C. Brown, Director of Public Works, the incidents leading up to the complaint on Woodrow Avenue are as follows:

1) Mr. Brown said on the night of Tuesday, March 14, 1978, he met Paul Davis at the Police Station as he was leaving. Mr. Davis asked him about two things. One of these was for a street light on Woodrow Avenue which was referred to Paul Dutcher and the other was concerning dumping waste material on property which he had purchased on a tax deed. On the dumping, Mr. Brown told him that it would only be if the City was in the area and then it would only be rough material (broken pavement, rock, etc.) because any excess clean dirt was stockpiled for later use.

2) Paul Davis apparently contacted John Maples regarding the conversation of March 14, 1978 and when John approached Mr. Brown he was told practically the same thing told to Mr. Davis.

Mr. Holt said he had received statements from the adjacent property owners stating that they had no objection to the closing of the three (3) unnamed alleys. However, he said a letter was received from Richard B. Ford, Attorney representing Mr. P. Howard Lyda, an adjacent property owner, who requests that Sugg Street remain open due to Sugg Street providing necessary access from Choctaw Street to the front and rear of the building located on the property owned by him and that to close and withdraw Sugg Street from dedication would limit and interfere with his access from Choctaw Street to the front and rear of his building and that such limitation would be detrimental and damaging to his business.

Mr. Holt said the Housing Authority has no objection to said Sugg Street remaining as a dedicated street and open due to the interest of the Housing Authority not being effected or interferred with by Sugg Street remaining open. He said Mr. Ford had been informed of the Housing Authority's position. He said the resolution to close had been prepared for Council's consideration excluding Sugg Street from the resolution. He reviewed the location of the three (3) unnamed alleys.

Richard Ford, Attorney representing Mr. P. Howard Lyda, reiterated Mr. Holt's statements relative to the request that Sugg Street remain open.

Mayor Trantham closed the public hearing at 3:40 o'clock p. m.

The City Manager read the resolution closing the three (3) unnamed alleys.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 78-69 was unanimously adopted.

Complete text of Resolution No. 78-69 will be found in Resolution Book No. 10 at page 213 .

PUBLIC HEARING - REZONING PROPERTY HENDERSONVILLE ROAD FROM R-3 RESIDENTIAL DISTRICT TO CH COMMERCIAL HIGHWAY DISTRICT

ORDINANCE NO. 1036 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED

3. A public hearing was held relative to rezoning property on Hendersonville Road from R-3 Residential District to CH Commercial Highway District.

Mayor Trantham opened the public hearing at 3:45 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its March 1, 1978 meeting, had reviewed the request and recommended that the CH Commercial Highway District boundary be extended to a point fifty feet (50') from and paralleling the rear (easternmost) property line of Lot 124-1/4. He said this would accommodate the owner's proposed development plans and will also provide a buffer strip for adjoining residential property. He said the Planning Commission also recommended that a greenbelt planting strip be

Thursday - April 6, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Otis B. Michael, Gene E. Rainey, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Vice-Mayor Bill B. Horton gave the invocation.

APPROVAL OF MINUTES

1. Approval of the minutes of the March 30, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the March 30, 1978 meeting were approved as submitted.

PRESENTATION RELATIVE TO RECYCLING OF NEWSPAPERS

Mr. Charles Puffer, Chairman of the committee to recycle newspapers, with the Civitan Club asked Council if the City would furnish four dumpster boxes and sufficient transportation to deliver the paper to the Asheville Waste Paper Company Yard. He presented a brief synopsis of the proposed program.

In conclusion, Council said they felt they needed additional information on the program, and the item would be discussed further during the next Tuesday's work session.

PUBLIC HEARING CONTINUED - CLOSING OF SUGG STREET AND THREE (3) UNNAMED ALLEYS

RESOLUTION NO. 78-69 - RESOLUTION TO CLOSE THREE (3) UN-NAMED ALLEYS IN THE EAST RIVERSIDE URBAN RENEWAL PROJECT

2. A public hearing was held relative to the closing of Sugg Street and three (3) unnamed alleys.

Mayor Trantham said this public hearing was officially opened on March 30, 1978, however, all discussion was continued until the April 6, 1978 meeting.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Larry Holt, of the Asheville Housing Authority, said the Housing Authority is requesting the closing of the streets in accordance with the East Riverside Redevelopment Plan. He said the closings are necessary for the site preparation and disposition of disposal parcels of the East Riverside Project. He presented an affidavit stating that the streets and alleys had been prominently posted in accordance with the N. C. General Statutes. He said all adjacent property owners had been notified of the intent of Council to close the street and alleys.

RESOLUTION NO. 78-70 - RESOLUTION SUPPORTING THE JOB CORPS PROGRAM CONCEPT

5. Consideration was given to a resolution supporting the Job Corps Program Concept.

Mr. Troy Watkins, Regional Director of the Southeast Region of Job Corps, described the Job Corps Program. He said the program teaches a vocation to underprivileged and economically disadvantaged youths between the ages of 16 and 21. He said the program has a very high rate of success in other centers across the country. He said that, of the youth trained in the 12 years the program has been in existence, 92 percent were placed in jobs. He said the Department of Labor wants to put a Job Corps Center in Buncombe County for the primary purpose of serving the Appalachia youth.

He told Council that the proposed site at the Aerial Photo Lab building and Aston Park Hospital may not be approved by Department of Labor engineers. He said the hospital site leaves a lot to be desired. He said he would like to be able to consider alternative sites in addition to the South French Broad site. He said labor engineers will be studying the sites next week.

Mr. Watkins said the $2.4 million proposed center would initially train 225 youths, with a capacity for 400. He assured Council that the youths in the program would not be allowed to cause any trouble to the community. He said they would be under constant guidance in the highly structured program. He said the average enrollee is in Job Corps 6 months and a youth that is trained costs the federal government $3,000, however this youth pays back the original investment, in taxes, within 5 years. He said of the 120 staff, only 5-10 would be Job Corp personnel. He said the remainder of the staff would would available locally through the Employment Security office. He also assured Council that the youth would primarily come from Asheville and Buncombe County. He said the local youth would receive first priority if the vocation they desire is available and they are not a behavior problem.

Mr. Watkins asked Council to consider whether they wanted a Job Corps center in the area. He answered general questions regarding the program.

Councilman Rainey, who strongly supported the endorsement of the Job Corps concept said downtown businessmen would have to support the development of the center in order to have a successful revitalization of the downtown.

Councilwoman Price noted that she had contacted officials and residents from four Job Corps center areas and she did not receive any critism about the Centers.

Those speaking in support of the concept of the Job Corps program included Lonnie Burton, President of the East Riverside Community Organization, Jesse Ray, Jr., Ruben J. Dailey, and Audie Ellis. The individuals did not necessarily endorse the proposed site of South French Broad Avenue.

David Jones, Jr., Executive Director of the Asheville Housing Authority, said he supported the concept of the program but said if the Aston Park site is proposed he felt the residents of the area should be allowed input into the program.

provided along all abutting residentially zoned property lines, in accordance with Section 30-3-14, A., 2 of the City of Asheville Zoning Ordinance.

Mr. Emrick said during the Planning and Zoning Commission 4 residents of the area were in favor of the rezoning and 3 residents were in opposition.

Councilman Rainey said this was the second request along Hendersonville Road for rezoning to Commercial Highway in the past year. He said he felt the Commercial business was slowly getting into the residential Shiloh area. He said this causes a continuing conflict between the homeowners and businesses along Hendersonville Road.

After discussion, Mayor Trantham closed the public hearing at 4:03 p. m.

The City Manager read the ordinance rezoning the property as recommended by the Planning and Zoning Commission.

Councilman Morris moved for the adoption of Ordinance No. 1036. This motion was seconded by Vice-Mayor Horton.

On a roll call vote of 4-2, Ordinance No. 1036 passed on first reading, with Councilman Rainey and Councilman Cole voting "no".

COUNTY COMMISSIONERS ZEB SHEPPARD AND DORIS GEIZENTANNER AND MR. ROAK FROM SENATOR MORGAN'S OFFICE ATTENDING MEETING

Mayor Trantham recognized County Commissioners Zeb Sheppard and Doris Geizentanner and Mr. Roak from Senator Morgan's Office.

PUBLIC HEARING - REZONING PROPERTY ON SWEETEN CREEK ROAD- R-3 RESIDENTIAL DISTRICT TO HI HEAVY INDUSTRIAL DISTRICT

4. A public hearing was held relative to rezoning property on Sweeten Creek Road from R-3 Residential District to HI Heavy Industrial District.

Mayor Trantham opened the public hearing at 4:05 p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, requested that the public hearing be continued for one week. He said the Planning Staff had requested additional information from the petitioner relative to access and the petitioner has not, as of this date, furnished the information.

Councilman Morris moved to continue the public hearing until the April 13, 1978 meeting, without further advertisement. This motion was seconded by Councilman Rainey and carried unanimously.

SALE OF DISPOSAL PARCEL 3 - CIVIC REDEVELOPMENT PROJECT N. C. R-13

7. Consideration was given to the sale of Disposal Parcel 3 in the Civic Redevelopment Project N. C. R-13.

The City Manager presented a letter from the Housing Authority of the City of Asheville which stated that the Housing Authority received the following bid for Disposal Parcel 3 in the Civic Redevelopment Project N. C. R-13:

Parcel	Reuse	Price	Bid	Redeveloper
3	Office & Institutional	$32,300	$40,500	Western Carolina Bank

The redeveloper for Parcel 3 plan to construct a drive-in bank facility with tentative plans to eventually construct their main office on the site.

The Housing Authority of the City of Asheville recommend approval of the sale.

Mr. Sam Blythe, President of Western Carolina Bank, said their bid of $40,500 had been tentatively accepted by the Housing Authority of the City of Asheville on March 14, 1978. He said this parcel is needed by Western Carolina Bank for several reasons. He said they are vitally interested in the tax base for the City, they were highest bidder of the parcel on two occasions, and a banking facility in the area would attract more investment.

Mr. Blythe said Western Carolina Bank had just presented the City Attorney with a "Letter of Commitment" in that if the bid for Disposal Parcel 3 is approved for Western Carolina Bank a total cost of construction proposed on the site, including a proposed drive-in banking facility and additional construction of an office building incorporating said drive-in banking facility (exclusive of costs of acquiring land and banking equipment), shall not be less than $250,000.00, with a completion date of February 28, 1984.

Corporation Counsel William C. Moore advised that the Letter of Commitment is binding in that if Western Carolina Bank fails to comply with this commitment the City of Asheville shall have the immediate right to seek the remedy of specific performance as a means of enforcing the terms of the commitment.

Jim Baley, Attorney for Western Carolina Bank emphasized the remarks made by Mr. Sam Blythe.

Richard Wood, Jr., Attorney representing Beverly-Grant, Inc., reviewed the history of the bidding for said Disposal Parcel 3 in the Civic Redevelopment Project N. C. R-13. He said his client, Beverly-Grant, Inc. was second high bidder in the amount of $40,000. He said his client proposes to construct a 9,000 square foot building on Disposal Parcel 3 with an estimated cost, exclusive of land, of $386,000 to be constructed in 1978. He said his concern for the parcel is the enhancement of the City's tax base. He gave an example of how much city tax would be lost by waiting for a $250,000 building in 1984 compared to a $386,000 building in 1978. He said it was his understanding that the Housing Authority, in the bidding process, used an appraisal value received in 1972. He said the appraised value is probably much larger now. He suggested that Council reject all bids

Rev. Pete DeSaix said Council should consider delaying action on the endorsement of the program giving the downtown businessmen an opportunity to be heard on the matter. He said it was his understanding that the downtown businessmen felt several questions relative to the program had not been answered. He said since Council is requesting the support of these businessmen they should be given an opportunity to voice their feelings.

After discussion, Rev. DeSaix said his major questions had been answered.

Mr. Zeb Sheppard, Buncombe County Commissioner, spoke in support of the concept of the program. He said he would hate to see Buncombe County lose the opportunity of having a Job Corps center in the area. He said he had visited the Jackson, Miss. Job Corps Center as well as area residents and did not receive any opposition to the Center. He said the community was apprehensive at first but was now happy to have the Center in their area.

After discussion, the City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Councilman Michael, Resolution No. 78-70 was unanimously adopted.

Complete text of Resolution No. 78-70 will be found in Resolution Book No. 10 at page 216.

RECESS - COUNCIL

Mayor Trantham called for a five minute recess of the Council meeting.

Council reconvened at 6:05 p. m.

RESOLUTION NO. 78-71 - RESOLUTION REVISING GROUP DEVELOPMENT SITE PLAN APPROVAL REQUIREMENTS OF MARCH 13, 1975 FOR THE AMERICAN RED CROSS

6. Consideration was given to a resolution revising group development site plan approval requirements of March 13, 1975 for the American Red Cross.

The City Manager read the resolution.

Councilman Michael objected to the resolution stating that if Council approved the resolution the City would be committed to widening Edgewood Road.

It was Council's consensus that the City would not be committed to anything but the American Red Cross would be dedicating the right of way if the City did decide to widen Edgewood Road.

Mr. Emrick, Planning Director, noted that in his opinion, widening of Edgewood Road would have to occur at some point in time.

After discussion, Councilman Rainey moved for the adoption of Resolution 78-71. This motion was seconded by Councilman Cole, which motion carried with Councilman Michael abstaining.

Complete text of Resolution No. 78-71 will be found in Resolution Book 10 at page 217.

Councilman Morris moved to reschedule the public hearing for May 4, 1978. This motion was seconded by Councilman Cole and carried unanimously.

BIDS - SIX (6) ELECTRIC OPERATED PAVEMENT BREAKERS FOR WATER MAINTENANCE AND CONSTRUCTION DIVISION

10. Consideration was given to bids received March 13, 1978 for six (6) electric operated pavement breakers for Water Maintenance and Construction Division.

The City Manager presented the bids and read a memorandum from the Purchasing Agent which stated that four (4) bids were received. The low bid submitted by Supply Specialties, Inc. does not meet specifications with regard to minimum weight requirement specified. It was recommended that the second low fully responsive bid submitted by AAA Tool - Rental & Sales, Inc. in the amount of $4,014.00 be accepted.

Council questioned the low bid not meeting specifications with regard to minimum weight requirements and consented that the matter be postponed for one week.

BIDS - ONE (1) 20 INCH COMMERCIAL 'HYDR-MOWER' FOR PARKS AND RECREATION

11. Consideration was given to bids received February 6, 1978 for one (1) 20 inch commercial 'Hydr-Mower' for Parks and Recreation Department.

The City Manager presented the bids and read a memorandum from the Purchasing Agent which stated that two (2) bids were received:

Bidder	Bid
Porter Brothers, Inc.	$5,097.00
E. J. Smith & Sons	4,293.00

The low bid submitted by E. J. Smith and Sons does not meet specifications in that it is not designed for cutting banks. It was recommended that the fully responsive bid submitted by Porter Brothers, Inc. in the amount of $5,097.00 be accepted.

Councilwoman Price moved to accept the recommendation of the Purchasing Agent and award the bid to the fully responsive bidder, Porter Brothers, Inc. in the amount of $5,097.00. This motion was seconded by Councilman Cole and carried unanimously.

RESOLUTION NO. 78-72 - RESOLUTION RECOGNIZING THE LATE DR. MARTIN LUTHER KING FOR HIS CONTRIBUTIONS TO HUMAN RIGHTS

12. Consideration was given to a resolution recognizing the late Dr. Martin Luther King for his contributions to human rights.

Councilman Michael read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Cole, Resolution No. 78-72 was unanimously adopted.

and direct the Housing Authority to submit this parcel to the bidding procedure again. He said his client has commited that they would bid at least 10% higher in a new bidding process. He said Council might also want to consider requiring that the redevelopers commit to make some minimal amount of investment in improvements in the event they are high bidder. He said if Council decides the Housing Authority cannot change the redevelopment standards in the bidding proces then the Council might consider having the title of the property transferred to the City and the technique of public auction or an upset bid procedure being utilized.

Mr. Wood reviewed, by Council minutes, similar circumstances in which Council chose to enhance the tax base through a bidding process.

After discussion, Mr. Wood requested that the Council reject all bids and send them back to the Housing Authority for rebidding.

Max Cogburn, member of the Western Carolina Bank Board, presented arguments in favor of awarding the bid for Disposal Parcel 3 to Western Carolina Bank.

Councilman Michael said he would abstain from voting as he is a stockholder in Western Carolina Bank.

After discussion, Councilman Rainey moved to reject all bids and send the matter back to the Housing Authority for rebidding. This motion was seconded by Vice-Mayor Horton, which motion carried on a 4-2 vote with Councilman Cole and Councilwoman Price voting "no" and Councilman Michael "abstaining".

APPROVAL OF SIGN PERMIT - BEKINS MOVING AND STORAGE - 306 W. HAYWOOD STREET

8. Consideration was given to the approval of a sign permit for Bekins Moving and Storage Company for a free standing sign to be placed at 306 W. Haywood Street.

J. E. Johnson, Director of Inspections, presented the request for Bekins Moving and Storage Company for the approval of a 10 x 30 free standing sign to be setback 15' from the property line. He said the sign is governed by Section 30-9-3, B-7 of the Zoning Ordinance No. 322 in that no sign shall be erected within six hundred (600) feet of the right-of-way of any limited access highway within the jurisdiction of the City of Asheville until permit is submitted to and approved by the Asheville City Council.

During the discussion, Councilman Rainey suggested that Bekins Moving and Storage Company redesign the sign for a directional sign rather than a free standing sign. He said the proposed sign is strictly a billboard type sign.

Councilman Rainey moved to postpone the approval of the sign permit for two weeks. This motion was seconded by Councilman Cole and carried unanimously.

PUBLIC HEARING RESCHEDULED - REZONING PROPERTY ON CHARLOTTE STREET - DEL-RIO, INC.

9. Consideration was given to a motion rescheduling a public hearing relative to rezoning property on Charlotte Street from R-2 and R-3 Residential District to OI, Office Institutional District for May 4, 1978.

C. Approval of bids received March 28, 1978 for one (1) dump truck, five (5) pick-up trucks, and one (1) four wheel drive utility type truck for various departments of the City.

HIGHLIGHTS: Three (3) bids were received:

	Dorato Motors, Inc.	Apple Tree Chev.	Matthews Motors
Item # 1 1 Dump Truck -Water Maint.	No Bid	13,926.93	13,361.76
Item #2 2 Pick-Up Trucks Water Maint.	9,346.00	8,836.62	8,685.04
Item #3 1 Pick-Up Truck Water Maint.	4,905.00	4,619.45	4,699.45
Item #4 1 Pick-Up Truck Street Div.	4,723.00	4,430.81	4,480.02
Item #5 1 Pick-Up Truck Water Control Div.	4,723.00	4,430.81	4,480.02
Item #6 1 Four Wheel Drive Truck - Water Control Div.	5,357.00	4,797.39	4,940.23

Recommendation of low bidder on a per item basis:

Water Maintenance Division	
Item #1 - Matthews Motors, Inc.	$13,361.76
Item #2 - Matthews Motors, Inc.	8,685.04
Item #3 - Apple Tree Chevrolet	4,619.45
Street Division	
Item #4 - Apple Tree Chevrolet	4,430.81
Water Control Division	
Item #5 - Apple Tree Chevrolet	4,430.81
Item #6 - Apple Tree Chevrolet	4,797.39

Funding: Bid Items 1, 2, 3, 5, and 6 - Water Fund Accounts Capital Outlay Equipment

Bid Item 4 - Revenue Sharing Trust Fund - Street Division - Capital Outlay Equipment

Complete text of Resolution No. 78-72 will be found in Resolution Book No. 10 at page 218.

Councilman Michael instructed that a copy of the resolution be sent to Mrs. Coretta King.

APPROVAL OF THE CONSENT AGENDA

13. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adoption each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-73 - Resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

HIGHLIGHTS: The primary purpose of this application is to receive funding for the continuation of transit related studies for the Asheville Urban Area. This program will include the preparation or extension of eleven (11) technical planning studies directly related to upgrading transit operations.

For Fiscal Year 1978-79, the City is applying to UMTA for a total of $36,480 to be matched locally in the amount of $9,120. The City is also filing an application with the N. C. Department of Transportation's Public Transportation Division for funds equaling 50% of the local match or $4,560. This will reduce the City's share to $4,560 which will be provided in the form of in-kind services by the Planning Division. The total local, state and federal funding is $45,600.

Resolution Book No. 10 Page 219.

B. Resolution No. 78-74 - Resolution authorizing the Mayor to enter into an agreement with the Veterans Administration Hospital for fire protection.

HIGHLIGHTS: The present contract for fire protection at the Veterans Administration Hospital expires on June 30, 1978. The Veterans Administration Hospital has requested the City of Asheville to continue the contractual arrangement which calls for the City to furnish the necessary men and equipment to answer all calls for fire protection from the Veterans Administration Hospital. City Staff has negotiated with the hospital staff and arrived at an agreement which appears equitable to all parties.

Resolution Book No. 10 Page 220.

ASHEVILLE REVITALIZATION COMMISSION - DOWNTOWN REVITALIZATION STRATEGY AND IMPROVEMENT PLAN

The City Manager presented Council with a letter from Mr. George Tisdale, Chairman of the Asheville Revitalization Commission, explaining that the Asheville Revitalization Commission has adopted a Downtown Revitalization Strategy and Improvement Plan. He said the Commission would present one section of the plan at a time to the Council over a three week period.

AIRPORT RUNWAY EXTENSION

The City Manager noted that it had been indicated that the FAA had committed $600,000 plus for the airport runway extension. He said it should also be noted that these funds are entitlement funds which the City had already anticipated and expected in October, 1978. He thanked the Buncombe County Commissioners for their recent support in funding for the airport runway extension.

Upon inquiry of Councilman Michael, the City Manager said the 1980 entitlement funds are being reserved for airport improvements.

Adjournment.

MAYOR

CITY CLERK

D. Approval of bids received March 30, 1978 for 4000 gallons liquid Cationic Polyelectrolyte for Water Production and Quality Control Division.

HIGHLIGHTS: Two (2) bids were received:

Bidder	Bid
Calgon Corporation	$10,608.96
Nalco Chemical Company	13,271.40

Recommendation of low bid submitted by Calgon Corporation at .3084/lb., totaling $10,608.98 for 4000 gallon shipment.

Funding: Water and Sewer - Water Plant Operations Chemicals and Lab Supplies Account Code 30-751.0032 unencumbered balance $60,544.05.

Upon motion of Councilman Cole, seconded by Vice-Mayor Horton, the consent agenda was unanimously approved.

PROPOSAL FOR LOW AND MODERATE INCOME UNITS - 200 TUNNEL ROAD - WILLIE WILLIAMS

Willie Williams presented a proposal to convert the motel at 200 Tunnel Road into housing for low and moderate income families under the City's Housing Assistance Plan for 1977-78. He asked Council to consider giving his proposal first priority.

The City Manager suggested that a meeting be scheduled to meet with Mr. Williams, along with the Planning Director, to review the proposal in detail.

PROCLAMATION - APRIL 16-22 - VOLUNTEER RECOGNITION WEEK

Mayor Trantham proclaimed the week of April 16-22 as Volunteer Recognition Week.

PROCLAMATION - APRIL 9 - 16 - MEDIC ALERT WEEK

Mayor Trantham proclaimed the week of April 9 - 16 as Medic Alert Week.

CLAIM - NOTICE OF CLAIM OF LIEN BY FIRST TIER SUBCONTRACTOR - INVOLVING GILBERT ENGINEERING COMPANY AND DILLINGHAM CONSTRUCTION COMPANY

The City Manager presented a notice of claim of lien by first tier subcontractor involving Gilbert Engineering Company and Dillingham Construction Company regarding contract for Phase II - Water Treatment Facilities Plant.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

RESOLUTION NO. 78-75 - RESOLUTION OF APPRECIATION TO DEPUTY CHIEF WILLIAM F. HUDSON

2. Consideration was given to a resolution of appreciation to Deputy Chief William F. Hudson. Chief Hudson is retiring from the Asheville Fire Department after serving the City of Asheville since 1946.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilman Rainey, Resolution No. 78-75 was unanimously adopted.

Complete text of Resolution No. 78-75 will be found in Resolution Book No. 10 at page 221 .

PUBLIC HEARING - REZONING PROPERTY ON SWEETEN CREEK ROAD - R-3 RESIDENTIAL DISTRICT TO HI HEAVY INDUSTRIAL DISTRICT

3. A public hearing was held relative to rezoning property on Sweeten Creek Road from R-3 Residential District to HI Heavy Industrial District.

Mayor Trantham advised that the public hearing was officially opened on April 6, 1978 but was continued until the April 13, 1978 meeting.

Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its March 1, 1978 meeting considered the request of Thomwins, Inc., Owner and Dick Glenn, Purchaser, that the property, Ward 13, Sheet 22, Lot 126, located on Sweeten Creek Road, be rezoned from R-3 Residential District to HI Heavy Industrial District. After discussing the issues the Commission voted to recommend approval of the petition provided that:

1. That the petitioner submit more detailed information concerning the upgrading of access to both his property and adjoining residential property. (The existing driveway presently serves as joint access to petitioners property and adjacent residences.)

2. That a buffer strip be erected to separate the Thomwins property from adjoining residential property which meets the specifications set forth in the Asheville Zoning Ordinance, Section 30-3-14., A., 1.

Given the close proximity of this property to Sweeten Creek Industrial Park and other industrial and commercial activities in the immediate area, the present residential zoning classification prohibits the most reasonable use of the property.

Mr. Emrick said all adjacent property owners had been notified by registered mail of the intent of Council to consider the rezoning. He said the affected property had also been posted with copies of the Notice.

He said the petitioner plans to put a machine shop on the property.

By the use of a map, Mr. Emrick reviewed the location of the property.

Thursday - April 13, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Otis B. Michael, Gene E. Rainey, Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Ralph D. Morris, Jr.

INVOCATION

Councilman Otis B. Michael gave the invocation.

APPROVAL OF MINUTES

1. Approval of the minutes of the April 6, 1978 meeting.

Upon motion of Councilman Cole, seconded by Councilman Rainey, the minutes of the April 6, 1978 meeting were approved as submitted.

MAYOR INTRODUCED HIS SON AND DAUGHTER-IN-LAW

Mayor Trantham recognized his son and daughter-in-law, Mr. and Mrs. James Trantham.

PRESENTATION - BREVARD-I-26 CONNECTOR

Mr. Jack E. Bryant, a member of the North Carolina Board of Transportation, said he had received information that Council had some concern about the proposed routes for the connector highway between Brevard and Interstate 26. He presented Council with updated studies regarding the proposed connector. He said he felt Council's concern was based on three of the four proposed routes for the connector would either encroach on Asheville Airport property or affect the operation of the airport.

He said the proposed routes which would place the connector on Fanning Bridge Road have been ruled out by the Department of Transportation and the plan now is to connect into I-26 on Butler Bridge Road, approximately a mile and a half south of the airport. He said the Department of Transportation has no intention of harming the Asheville Airport in any way.

Councilman Michael said in his opinion the Butler Bridge Road route would interfere with the Instrument Landing System at the airport. He suggested that the Department of Transportation contact the Federal Aviation Administration to get assurance that the connector would not interfere with the landing system.

Councilwoman Price said the Department of Transportation should meet with the Planning Division to make sure the maps which the Planning Division are working from compare with the Department of Transportation's maps concerning the I-26- Brevard Connector.

Mayor Trantham thanked Mr. Bryant for presenting Council members with the information. He said he felt his presentation would help eliminate some of Council's concerns. He said the City Council does not want to stop the connector but was apprehensive about the ILS system being interfered with due to the location of the proposed connector.

On a roll call vote of 5-0, Ordinance No. 1037 passed on first reading.

Councilman Michael moved to suspend the rules and proceed to the second reading of Ordinance No. 1037. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1037 passed on second reading.

Councilman Michael again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1037. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1037 passed on its third and final reading.

Complete text of Ordinance No. 1037 will be found in Ordinance Book No. 8 at page 180.

RESOLUTION NO. 78-77 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH WOOD AND CORT, P. A. ARCHITECTS FOR TWO PHASE SITE DEVELOPMENT PLAN FOR THE COMPUTER MACHINES ROOM

6. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with Wood and Cort, P. A. Architects for two phase site development plan for the Computer Machines Room.

The City Manager read the resolution.

Upon motion of Vice-Mayor Horton, seconded by Councilwoman Price, Resolution No. 78-77 was unanimously adopted.

Complete text of Resolution No. 78-77 will be found in Resolution Book No. 10 at page 223.

RESOLUTION NO. 78-78 - RESOLUTION APPROVING FAIR MARKET VALUE FOR PARCEL NUMBER 31 OF REAL PROPERTY TO BE PURCHASED FOR THE DEVELOPMENT OF MONTFORD RECREATION COMPLEX

7. Consideration was given to a resolution approving fair market value for Parcel Number 31 of real property to be purchased for the development of Montford Recreation Complex.

The City Manager read the resolution and explained that the property was unimproved.

Upon motion of Councilman Michael, seconded by Councilwoman Price, Resolution No. 78-78 was unanimously adopted.

Complete text of Resolution No. 78-78 will be found in Resolution Book No. 10 at page 224.

Several Council members expressed concern regarding the use of the property.

After discussion, Councilman Michael moved to continue the public hearing, without further advertisement, until April 20, 1978, giving the residents and property owners an opportunity to voice their opinions on the rezoning, particularly the owner of the adjacent cemetary property. This motion was seconded by Councilwoman Price and carried unanimously.

ORDINANCE NO. 1036 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property on Hendersonville Road)

4. Consideration was given to the second reading of Ordinance No. 1036, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property on Hendersonville Road from R-3 Residential District to CH Commercial Highway District, property owned by Garrett and Garrett and leased by Rollins, Inc. (Orkin Exterminating).

Mayor Trantham said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-2, Ordinance No. 1036 passed on its second reading, with Councilmen Rainey and Cole voting "no".

RESOLUTION NO. 78-76 - RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT WITH HENNINGSON, RICHARDSON, AND DURHAM FOR A COMPREHENSIVE WATER SYSTEM DEVELOPMENT PLAN

5. Consideration was given to a resolution authorizing the Mayor to enter into an agreement with Henningson, Richardson, and Durham for a comprehensive Water System Development Plan.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Councilman Cole, Resolution No. 78-76 was unanimously adopted.

Complete text of Resolution No. 78-76 will be found in Resolution Book No. 10 at page 222.

ORDINANCE NO. 1037 - AN ORDINANCE AMENDING THE OPERATING BUDGET OF THE CITY OF ASHEVILLE FOR FISCAL YEAR 1977-78 (providing funds for the contract for Water System Development Plan)

Consideration was given to an ordinance amending the operating budget of the City of Asheville for fiscal year 1977-78 providing funding for the contract for the comprehensive Water System Development Plan.

The City Manager read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 1037. This motion was seconded by Councilwoman Price.

Location	Proposed Improvement	Estimated Cost	Municipal Share of Annual Maintenance
Fairview Street SOU 720 618A	Install Flashers Z 559	$33,000	$475

Under the program the federal government will pay 90% of the eligible cost. The municipality will be required to pay all costs not paid by federal funds.

This resolution will authorize the Mayor to execute a municipal agreement for the installation of grade crossing signals at Fairview Street under the Federal Highway Safety Program.

Resolution Book No. 10 at page 226 .

D. Resolution No. 78-81 - Resolution authorizing the Director of Finance to sell surplus property.

HIGHLIGHTS: The Street Department has on hand an old and surplus front end loader. The age and condition of this equipment is such that economical operation is not possible due to excessive and expensive maintenance cost. The City Charter provides that no sale or other disposition of surplus personal property of the City of Asheville having a replacement cost in excess of $100 shall be made by the Director of Finance unless direction by made by the Council by resolution.

Resolution Book No. 10 Page 227 .

E. Resolution No.78-82 - Resolution appointing a member to the Asheville Library Board

HIGHLIGHTS: This will be an appointment of Mr. Dale Groce to the Library Board.

Resolution Book No. 10 Page 228 .

F. Scheduling a public hearing relative to rezoning property on Tunnel Road near Craig Circle from R-2 and R-3 Residential District to CH Commercial Highway District for May 11, 1978.

HIGHLIGHTS: Mr. Gus Barlas and Ms. Dolly Kalogerakis presented a petition to rezone Ward 21, Sheet 10, Lots 50, 51, 52, 68, and 109-1/2 from R-2 and R-3 Residential Districts, property located on Tunnel Road near Craig Circle.

The Asheville Planning and Zoning Commission at its April 5, 1978 meeting recommended approval of this petition to City Council.

APPROVAL OF THE CONSENT AGENDA

8. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

A. Approval of bids received March 13, 1978 for six (6) electric operated pavement breakers for Water Maintenance and Construction Division.

HIGHLIGHTS: Four (4) bids were received. The low bid submitted by Supply Specialties, Inc. does not meet specifications with regard to minimum weight requirement specified.

Recommendation of the second low fully responsive bid submitted by AAA Tool - Rental & Sales, Inc. in the amount of $4,014.00.

Funding: Water and Sewer Operation Fund, Maintenance and Repair City Water Capital Outlay Equipment, Account Code 30-731.0074 - budget line item unencumbered balance $30,976.00.

B. Resolution No. 78-79 - Resolution authorizing the City Manager to acquire rights-of-way easements from J. W. Rutherford Estate and the Bank of Asheville for a 6-inch water line located on U. S. 19-23 at Enka-Candler, Buncombe County, North Carolina.

HIGHLIGHTS: These two water line rights-of-way are for a 6-inch line to be constructed for the Enka Market Place. This will be at the owner's expense and the water line will become the property of the City after installation is complete. This location is where the drive-in theater and flea market used to be on U. S. 19-23.

Resolution Book No. 10 at page 225.

C. Resolution No. 78-80 - Resolution authorizing the Mayor to execute an agreement with the North Carolina Department of Transportation for a railroad crossing signal installation at the Southern Railroad crossing on Fairview Road, further identified as Crossing Number 720 618 A, State Project Number 8.7684003.

HIGHLIGHTS: The Federal-Aid Highway Act of 1976 set up funds for the installation of railroad crossing signals on nonfederal-aid system roads and streets. The following is an eligible improvement under this program.

RESOLUTION NO. 78-84 - RESOLUTION AUTHORIZING THE MAYOR TO ASSURE THE STATE OF NORTH CAROLINA THAT PRESENT SCHEDULES OF RATES AND FEES ARE ADEQUATE AND WILL BE MAINTAINED FOR THE OPERATION, MAINTENANCE AND ADMINISTRATION OF WATER SUPPLY SYSTEM IMPROVEMENTS TO BE MADE IN THE AVERY CREEK SANITARY DISTRICT UNDER THE SUBJECT PROJECT

Consideration was given to a resolution authorizing the Mayor to assure the State of North Carolina that present schedules of rates and fees are adequate and will be maintained for the operation, maintenance and administration of water supply system improvements to be made in the Avery Creek Sanitary District under the subject project.

The City Manager read the resolution.

Upon motion of Councilman Michael, seconded by Vice-Mayor Horton, Resolution No. 78-84 was unanimously adopted.

Complete text of Resolution No. 78-84 will be found in Resolution Book No. 10 at page 230.

CLAIM - ELSIE LOMAX

The City Manager presented a claim received from Elsie Lomax.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

MID-CITY MERCHANTS ASSOCIATION - PARKING

The City Manager presented a letter received from Mid-City Merchants Association indicating their support to the Asheville Revitalization Commission Parking Committee relative to downtown parking.

RALPH BISHOP - COMMENTS RELATIVE TO MAYOR

Mr. Ralph Bishop made critical comments relative to the Mayor, particularly referring to his freedom of speech in the Council meetings.

PROPOSAL FOR LOW AND MODERATE INCOME UNITS - 200 TUNNEL ROAD - WILLIE WILLIAMS

Willie Williams, Developer, again presented the proposal to convert the motel at 200 Tunnel Road into housing for low and moderate income families under the City's Housing Assistance Plan for 1977-78. He said they needed Council's endorsement and approval on the site to get the program underway.

Councilman Rainey said he felt Council should approve the concept of the program. He said the developers could then try to obtain the financing needed to implement the project through Section 8 Housing. He said he did not think Council should be the one to turn such a project down.

G. Scheduling a public hearing relative to rezoning property on Fairview Road from R-3 Residential District to LI Light Industrial District for May 11, 1978.

HIGHLIGHTS: Mr. and Mrs.Keith DeWeese presented a petition to rezone Ward 7, Sheet 27, Lot 42 from R-3 Residential District to LI Light Industrial District, property located on Fairview Road.

The Asheville Planning and Zoning Commission, at its April 5, 1978 meeting recommended approval of this petition to City Council.

H. Approval of bids received February 6, 1978 for fifteen (15) 20-inch Commercial mowers for Parks and Recreation Department.

HIGHLIGHTS: Four (4) bids were received.

The low bid submitted by Farm Equipment Company does not meet specifications.

The bid request specifies 2-cycle engine (i.e., fuel operation by gas and oil mixture to assure lubrication of bearings while used on steep grades.)

The mower bid by Farm Equipment Company has a 4-cycle engine (i.e., gas and oil separate - engine will burn out from lack of lubrication on bearings during extended usage on steep grades.)

Recommendation of second low fully responsive bid submitted by Asheville Boat and Saw Company in the amount of $2,985.00.

Funding: Revenue Sharing Trust Fund, Parks and Recreation Department Capital Outlay Equipment.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, the consent agenda was unanimously approved.

RESOLUTION NO. 78-83 - RESOLUTION AUTHORIZING MAYOR TO ASSURE THE BOARD OF COMMISSIONERS OF BUNCOMBE COUNTY AND THE AVERY CREEK SANITARY DISTRICT THAT THE CITY OF ASHEVILLE WILL PROVIDE FOR THE OPERATION, MAINTENANCE AND ADMINISTRATION OF THE WATER SUPPLY SYSTEM IMPROVEMENTS TO BE MADE IN THE AVERY CREEK SANITARY DISTRICT UNDER THE SUBJECT PROJECT

Consideration was given to a resolution authorizing Mayor to assure the Board of Commissioners of Buncombe County and the Avery Creek Sanitary District that the City of Asheville will provide for the operation, maintenance and administration of the Water Supply System Improvements to be made in the Avery Creek Sanitary District under the Subject project.

The City Manager read the resolution.

Upon motion of Councilman Rainey, seconded by Councilman Cole, Resolution No. 78-83 was unanimously adopted.

Complete text of Resolution No. 78-83 will be found in Resolution Book No. 10 at page 229 .

Thursday - April 20, 1978 - 3:00 p.m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Councilwoman Norma T. Price, Councilmen F. Jack Cole, Otis B. Michael, Gene E. Rainey, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Bill B. Horton

ASHEVILLE-BUNCOMBE COUNTY YOUTH COUNCIL - YOUTH IN GOVERNMENT DAY

The Asheville Buncombe County Youth Council, in observance of their Youth in Government Day, held their own Council meering at 2:30 p.m. The Youth Council discussed the following issues:

1. New facilities for the Motor Transport Division.
2. Street repairs.
3. Improved acess into buildings for the disabled and handicapped.
4. Make the public more aware of the $1-A-Lot Program.
5. Request of $11,000 for the maintenance of baseball fields in the summer.

INVOCATION

Councilman Morris gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 13, 1978 meeting.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the minutes of the April 13, 1978 meeting were approved as submitted.

PROCLAMATION- NATIONAL YWCA WEEK - APRIL 23-29, 1978

Mayor Trantham proclaimed the week of April 23-29, 1978 as "National YWCA Week."

PROCLAMATION - SECRETARIES WEEK - APRIL 23-29, 1978

Mayor Trantham proclaimed the week of April 23-29, 1978 as "Secretaries Week."

PROCLAMATION - AMERICAN BUSINESS WOMEN'S ASSOCIATION SCHOLARSHIP MONTH - MAY, 1978

Mayor Trantham proclaimed the month of May, 1978 as "American Business Women's Association Scholarship Month."

INTRODUCTION OF MR. WILFRIDO C. BARREIRO

Mr. William DeBruhl, Utilities Operations Coordinator, introduced Mr. Wilfrido C. Barreiro from the Philippine Islands who is here studying our water facilities.

Councilwoman Price said she could not favor the location for housing units since Tunnel Road is a heavily travelled area.

Mr. Williams requested Council's assistance in receiving the financing through Urban Development Action Grant funding whereby the City would own the units and use them for Section 8 Housing Units.

The City Manager noted that Council has already started a major project in the East End-Valley Street area for Urban Development Action Grant funding. He said the requirements and guidelines consist of a long involved process including several public hearings. He said if this project is depending upon Urban Development Action Grant funding for financing, a new project would have to be implemented and the public hearing process started.

Wallace Hyde, developer, presented a letter to members of Council detailing the proposal. He said he felt the location was suitable. He said the area will be lightly travelled after the new roads are offically opened. He said the site would be within 150' of traffic lights and sidewalks could be installed from the location to the traffic lights. He said it was within 450' of the shopping areas which could be beneficial to the residents of the housing units. He asked Council to consider approving the site for the proposed project.

Councilman Rainey said if the developers were trying to obtain financing through the Urban Development Action Grant program it would be a complicated process. He said the Community Development and Urban Development Action Grant funds were locked into place by prior decisions of the City Council.

Mr. Hyde said it was his understanding that the City of Asheville has made no formal application to HUD for Urban Development Action Grant funding as of this date.

Marvin Vierra, of the Planning Staff, said the City could consider this project as an inclusion in the overall application or as a separate application for Urban Development Action Grant funding. However, if it was submitted as a separate application the two projects would be competing against each other.

Councilman Rainey said the City could submit the project into the overall Urban Development Action Grant application now being processed, giving priority to the East End - Valley Street Project.

Councilwoman Price said she did not think Urban Development Action Grant funds should be used to install sidewalks on Tunnel Road.

Mr. Hyde said they were asking Council to approve the site at 200 Tunnel Road for conversion into housing units for Section 8 Housing Assistance and to include the project into the application for Urban Development Action Grant funding.

After discussion, Vice-Mayor Horton moved to instruct the staff to make a preliminary study of the request, giving consideration to the evaluation of the site, evaluation of the funding, and recommendations for a successful type program and to give Council the alternatives relative to the project. This motion was seconded by Councilman Michael and carried on a vote of 4-2, with Councilman Cole and Councilwoman Price voting "no".

It was agreed that the staff report would be presented on April 25, 1978.

Adjournment.

MAYOR

CITY CLERK

Complete text of Ordinance No. 1036 will be found in Ordinance Book No. 8 at page 179.

PUBLIC HEARING - PROPOSED WORDING AMENDMENT - ASHEVILLE ZONING ORDINANCE - SECTION 30-11-2., ITEM D

ORDINANCE NO. 1039 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

4. A public hearing was held relative to a wording amendment to the Asheville Zoning Ordinance, Section 30-11-2., Item D.

Mayor Trantham opened the public hearing at 3:22 o'clock p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Verl Emrick, Planning Director, said that the Planning and Zoning Commission at its March 1, 1978 meeting, discussed the need for clarifying Section 30-11-2. Procedure: General, Item D., as it pertains to denial of a rezoning petition.

Mr. Emrick said that the Commission voted unanimously to recommend that City Council delete the second paragraph of Item D. and add the following paragraph:

> "If the Planning and Zoning Commission has made a negative recommendation, the petitioner may within thirty (30) days after written notification of the City Clerk request that a public hearing be held by the City Council. If the petitioner fails to request a public hearing before Council within the allotted thirty (30) day time frame then the denial shall be considered affirmed by Council and the normal administrative remedies provided by this Ordinance satisfied. Further, if the denial of said petition is confirmed by the process set forth above, the Planning and Zoning Commission shall not consider the petition for a period of at least one (1) year, unless the City Council by official action grants the petitioner an extension of time in which to file and request a public hearing on the petition. Advertisement of all public hearings shall be at the applicant's espense."

(Underscoring provided to delineate new wording added.)

Mayor Trantham closed the public hearing at 3:26 o'clock p.m.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1039. This motion was seconded by Councilman Morris.

On a roll call vote of 5-0, Ordinance No. 1039 passed on its first reading.

PUBLIC HEARING - PROPOSED WORDING AMENDMENT - ASHEVILLE ZONING ORDINANCE - ARTICLE II. DEFINITIONS

ORDINANCE NO. 1040 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

5. A public hearing was held relative to a wording amendment to the Asheville Zoning Ordinance, Article II. Definitions. Section 30-2-1. General.

PUBLIC HEARING - REZONING PROPERTY ON SWEETEN CREEK ROAD - R-3 RESIDENTIAL DISTRICT TO HI HEAVY INDUSTRIAL DISTRICT

ORDINANCE NO. 1038 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED

2. A public hearing was held relative to rezoning property on Sweeten Creek Road from R-3 Residential District to HI Heavy Industrial District.

Mayor Trantham advised that the public hearing was officially opened on April 6, 1978.

Mr. Verl Emrick, Planning Director, said the Planning and Zoning Commission, at its March 1, 1978 meeting considered the request of Thomwins, Inc., Owner and Dick Glenn, Purchaser, that the property, Ward 12, Sheet 22, Lot 126, located on Sweeten Creek Road, be rezoned from R-3 Residential District to HI Heavy Industrial District. After discussing the issues, the Commission voted to recommend approval of the petition provided that:

1. That the petitioner submit more detailed information concerning the upgrading of access to both his property and adjoining residential property. (The existing driveway presently serves as joint access to petitioners property and adjacent residences.)

2. That a buffer strip be erected to separate the Thomwins property from adjoining residential property which meets the specifications set forth in the Asheville Zoning Ordinance, Section 30-3-14., A., 1.

Mr. Emrick said that all adjacent property owners have been re-contacted and there is no objection to this rezoning request.

Mayor Trantham closed the public hearing at 3:15 o'clock p.m.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1038 concurring with the recommendations of the Planning and Zoning Commission. This motion was seconded by Councilman Rainey.

On a roll call vote of 5-0, Ordinance No. 1038 passed on its first reading.

ORDINANCE NO. 1036 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED (Rezoning Property on Hendersonville Road)

3. Consideration was given to the third and final reading of Ordinance No. 1036, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended. This ordinance rezones property on Hendersonville Road from R-3 Residential District to CH Commercial Highway District, on property owned by Garrett and Garrett and leased by Rollins, Inc. (Orkin Exterminating).

Mayor Trantham said the ordinance was previously read on first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 4-1, Ordinance No. 1036 passed on its third and final reading, with Councilman Rainey voting "no."

Mr. Emrick said that they have an ordinance drafted that would address most of Councilman Rainey's proposals and would have it at Tuesday's work session.

Mayor Trantham closed the public hearing at 3:38 o'clock p.m.

The City Manager read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 1040. This motion was seconded by Councilman Cole.

On a roll call vote of 5-0, Ordinance No. 1040 passed on its first reading.

PUBLIC HEARING - DEMOLITION OF 285 WESTWOOD PLACE

ORDINANCE NO. 1041 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 285 WESTWOOD PLACE

6. A public hearing was held relative to the adoption of an ordinance directing the Housing Officer to proceed with the demolition and removal of 285 Westwood Place and otherwise comply with the provisions of the Housing Code of the City of Asheville.

Mayor Trantham opened the public hearing at 3:45 o'clock p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Bradley of the Inspections Department, said that 285 Westwood Place has been found to be unfit for human habitation, unsafe and dangerous to life. He said the owner has not complied with orders to repair the structure or to have it demolished and removed. He said due process of law has been followed to have the structure demolished.

Mayor Trantham closed the public hearing at 3:47 o'clock p.m.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1041. This motion was seconded by Councilman Cole.

On a roll call vote of 5-0, Ordinance No. 1041 passed on its first reading.

PRESENTATION - EXPERIMENTAL PROGRAM FOR DOWNTOWN ON-STREET PARKING

7. Mr. Verl Emrick said that on February 15, 1978, the Revitalization Commission transmitted to Council several recommendations relative to amendments to parking procedures on an experimental basis, for a 90-day period. The Revitalization Commission and the City Council have met several times in attempt to answer several questions. Some questions were having to do with principally the enforcement and the authority under which the City could act. Also, the potential impace for these experimental recommendations. The authority is specifically granted to the City Manager and City Council under the Asheville City Code, Section 28-17, which states:

"The director of public safety is hereby empowered to make and enforce regulations necessary to make effective the provisions of this chapter

Mayor Trantham opened the public hearing at 3:30 o'clock p.m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. Verl Emrick said that the Planning and Zoning Commission at its March 1, 1978 meeting discussed the need to clarify the definitions of public facilities versus public utilities in the Asheville Zoning Ordinance. He said that the Commission voted unanimously to recommend that City Council amend ARTICLE II. DEFINITIONS. Section 30-2-1. General. to include the following definitions in the alphabetically appropriate places:

"Public Facility. Any structure or land use belonging to the public, purchased or constructed at public expense, maintained at public expense, being under public control and opened to the public or the community at large or being used by a specific governmental or quasi-governmental agency or body whose purpose pertains to or who is engaged in the affairs or providing services to the general public or the community.

Public Utility. Any strucute or facility transmitting a service provided by a utility company (to include private systems) such as telephone, electric, water and sewer, gas, power, etc.

Transmission Line. Any apparatus designed specifically for the act, process or instance of power transmission.

Utility Substations. Are herein defined to include electric and gas subsidiary stations in whick electric current or raw gas is transformed."

Councilman Rainey showed Council some photographs that he had taken of the regular power poles in a state of disarray. Some were crowded together on a street corner, broken, leaning and cut off altogether, leaving a stump. He said that Kimberly Avenue should be a model street for the City of Asheville because that street does not contain any poles.

Councilman Rainey then asked Council to consider adopting more extensive ordinances dealing with the following:

1) Requiring Carolina Power and Light to get City permission before putting any poles on the City right-of-way.

2) Requiring Carolina Power and Light to reduce the number of poles in the City by 10% over the next two years.

3) Requiring all new developments to put utilities underground. (He would especially like to see this applied to the downtown development.)

4) Requiring Carolina Power and Light to remove the poles on Lakeshore Drive and find another route for the transmission line.

Mayor Trantham said that these proposals would be discussed further at Tuesday's work session.

Councilman Michael noted that if anyone wanted a pole moved, they had to go through two separate departments at Carolina Power and Light Company. One department removes the wires and the other department moves the poles.

3) That a thirty minute Free Parking Zone be created between the hours of 8:00 a.m. and 9:30 a.m. on the following streets:

Broadway	N. Lexington Avenue
Eagle Street	Otis Street
Spruce Street	Post Street
Walnut Street	south side of Battery Park Avenue

4) That a one hour Free Parking Zone be created within City-County Plaza between the hours of 8:00 a.m. and 6:00 p.m.

5) That non-permitted parking in a service vehicle zone between the hours of 8:00 a.m. and 9:30 a.m. or in a loading zone between the hours of 8:00 a.m. and 6:00 p.m. be considered a violation of a no parking zone and therefore subject to a $5.00 penalty.

Mr. Thornton said that an exact cost of the program in considering the loss of revenues compared to the increase in revenue for off street parking lots had not been determined. He said that a study would be conducted during this experimental period to determine cost figures which would include revenues from the private sector.

He said that in surveying other towns that have this type program, there has been a noticable increase in retail sales over a two year period from free parking. He said a more economically vital downtown will almost immediately result in increased property values which would expand the tax base.

Mr. Bob Anthony, representing the Board members of the Mid-City Merchants Council, heartly endorsed the experimental parking proposal as proposed by the Revitalization Commission. He said that the merchants would cooperate to the fullest extent possible during this trial period. He said they would take note of extreme traffic changes, as well as take customer surveys.

Mr. Roy Birchfield, Vice-President of Mid-City Merchants Council, also spoke in support of the parking proposal. He siad the shopping centers have the advantage of the downtown merchants by providing free parking. He presented vital statistics showing increases in sales with a two hour free parking policy.

Mr. Michalove said that the idea today was to give the public a complete presentation of the proposal. This was also presented today to give the proposal a week to circulate in the community and to provide a phone number (255-5434) for someone to call if they had a question about this program. He said that City Council would consider taking action on this at next week's meeting. He said that in order to have the signs made and get adequate publicity and to put stickers on the parking meters, it would probably be June 1, 1978 before the program would be implemented.

Councilman Rainey expressed concern whether the two hour meter enforcement is a better control instrument compared to marking tires. He also expressed concern about the loss of revenue to the City since the parking meters would not be used.

Mr. Emrick pointed out that there would probably be some adjustments that would have to be made and would like all comments to be addressed to his Division.

ORDINANCE NO. 1027 - AN ORDINANCE FOR THE LEVY AND COLLECTION OF BUSINESS LICENSE TAXES

8. Consideration was given to the second reading of Ordinance No. 1027, an ordinance for the levy and collection of business license taxes.

and to make and enforce temporary regulations to cover emergencies or special conditions. For experimental purposes, the director of public safety may make temporary rules regulating traffic or test traffic-control devices under actual conditions of traffic. No such experimental rule regulating traffic shall remain in effect for more than ninety (90) days."

The 90-day experimental period was requested basically to implement three things:

1) Execution of right-of-way encroachment agreement by the Department of Transportation to provide for an additional parking lot in the area of the Flint Street Bridge in close proximity to the Civic Center. This agreement has already been executed.

2) To impose a moratorium for a no parking period between the hours of 8:00 a.m. and 9:30 a.m. for certain specified streets.

3) During this time period a complimentary experiment will go on also which should provide for a two hour free parking in the study area after 9:30 a.m. and ending at 6:00 p.m.

Mr. Emrick showed the study area by the use of a map. This included the principal area of the downtwon area district.

Mr. Richard Thornton, Project Director for the Downtown Revitalization effort, said that during the public hearings held with ARC there was an overwhelming demand from the public to do something about downtown parking, particularly free parking downtown.

The Revitalization Committee, through its Parking Study Committee, developed a series of recommendations which they feel would alleviate, on a short term basis, some of the more critical parking problems, in particular the problems of employees parking on streets and taking up the space that should normally be used by shoppers.

Mr. Thornton said the experimental program would include the following parking policies:

1) That a two hour Free Parking Zone (except between the hours of 8:00 a.m. and 9:30 a.m. on week-days) be created on the following streets:

Haywood Street	Spruce Street	O'Henry Avenue
Patton Avenue	Walnut Street	Page Avenue
College Street	N. Lexington Avenue	Rankin Avenue
Biltmore Avenue	S. Lexington Avenue	Battery Park Avenue
Broadway	Church Street	Wall Street
Eagle Street	Otis Street	Post Street

2) That only service vehicles clearly identified by an Asheville service vehicle permit or by signage permanently attached to the vehicle be permitted to park between the hours of 8:00 a.m. and 9:30 a.m. on week-days.

Haywood Street	Church Street	Page Avenue
Patton Avenue	S. Lexington Avenue	Rankin Avenue
College Street	O'Henry Avenue	north side of
Biltmore Avenue	Wall Street	Battery Park Avenue

Mayor Trantham called for a five (5) minute recess.

Mr. Larry Holt, Executive Deputy Director of the Asheville Housing Authority, explained that the Housing Authority is acting as the City's agent in the acquisition of the following property in the Kenilworth Park Project Area:

PARCEL	OWNER	ADDRESS
3	Zella Beatty, et al	Wyoming Road
4	Annie Duke, Heirs	Wyoming Road

Mr. Holt pointed out that both parcels are improved. He said that they have title problems with Parcel #3 in that the owner is elderly and basically is not capable of conducting her business. He said that her son lives with her and they are of low income and are not in a position to take care of the necessary legal procedures for him to take over and act in her behalf. Mr. Holt said the condemnation of the title is the easiest and cheapest way for them and they would not have to bear the cost of this action.

Mr. Holt said that in Parcel #4 they are dealing with a group of heirs that have executed an opition and are willing to sell but cannot give clear title.

Mr. Holt stated that Parcel #3 is owner-occupied and would be eligible for full relocation benefits including replacement of housing grants.

After some discussion as to the appointing of a guardian for Mrs. Beatty, Councilman Michael moved that Council delete Parcel #3 from the resolution until Mrs. Beatty can be legally declared competent or incompetent. He said that a statement from the physician at the Health Department would cost Mrs. Beatty nothing. This motion was seconded by Councilman Cole and carried unanimously.

Councilman Rainey moved for the adoption of Resolution No. 78-85 as amended. This motion was seconded by Councilman Cole and carried unanimously.

Complete text of Resolution No. 78-85 will be found in Resolution Book No. 10 at page 231.

RESOLUTION NO. 78-86 - RESOLUTION AUTHORIZING THE MAYOR TO FILE AN APPLICATION FOR A FEDERAL GRANT WITH THE NORTH CAROLINA DIVISION OF LAW AND ORDER FOR THE ASHEVILLE SCHOOL LIAISON PROGRAM

11. Consideration was given to a resolution authorizing the Mayor to file an application for a Federal grant with the North Carolina Division of Law and Order for the Asheville School Liaison Program.

The City Manager read the resolution and explained that they are not far enough along in the budget process to make a final decision on the cash match. He said that they have discussed the Asheville City Schools providing the cash match and Council agreeded at Tuesday's work session that the City submit this application in order that it be considered by the state. If it was determined that after they go into the budget process that we cannot provide the match, we would notify the state at that time.

In reply to Councilwoman Price's question relative to working with whatever cash match we would have available, Mr. Michalove said that it was his belief that the program could be reduced in scope to accommodate whatever the cash match available is.

Mayor Trantham said that the ordinance was previously read on the first reading and would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1027 passed on its second reading.

CERTIFICATE OF APPOINTMENT OF COMMISSIONER OF THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE

9. Mayor Trantham called for nominees for the Housing Authority of the City of Asheville due to an expiring term on the Board.

Councilman Morris nominated Mr. J. D. Jackson who is now currently serving on the Board. He feels that Mr. Jackson has attended the meetings faithfully and has been a good appointment to the Board.

Councilman Michael nominated Mr. Oscar McCoy. He pointed out that Mr. McCoy lives in the East End area which is going to be rehabilitated by the Housing Authority. Councilman Michael pointed out the various activities Mr. McCoy is active in and feels that Mr. McCoy would serve well on that Board. Councilman Michael said that the representative of the Housing Authority is supposed to be the liaison between the people in the community and the staff of the Housing Authority and feels that Mr. McCoy would be the best suited for this appointment because he does live in the area and would be available to the residents to hear complaints and suggestions everyday.

It was Councilman Rainey's opinion that we need to begin a conscious process of moving the composition of our boards into a more balanced mode with more representation by both women and blacks. He feels that since Mr. McCoy does reside in the area that is going to be rehabilitated by the Housing Authority, he would be able to bring reports from the residents and reports about the construction to the Board.

On a roll call vote, the Councilmen voted as follows:

Councilman Rainey - Oscar McCoy
Councilman Cole - J. D. Jackson
Councilwoman Price - J. D. Jackson
Vice-Mayor Horton - ABSENT
Councilman Michael - Oscar McCoy
Councilman Morris - J. D. Jackson
Mayor Trantham - J. D. Jackson

By majority vote, Mr. J. D. Jackson was reappointed to the Housing Authority Board of the City of Asheville to serve for a term of five years, term expiring June 11, 1983.

Mayor Trantham said that in the future, Council will try to come up with two or three candidates in each section of the City for appointments on the various Boards.

RESOLUTION NO. 78-85 - RESOLUTION AUTHORIZING CONDEMNATION OF PROPERTY IN THE KENILWORTH PARK PROJECT AREA

10. Consideration was given to a resolution authorizing condemnation of property in the Kenilworth Park Project area.

The City Manager read the resolution.

Upon motion of Councilman Cole, seconded by Councilman Morris, the consent agenda was unanimously approved.

EAST RIVERSIDE COMMUNITY ORGANIZATION - LIVINGSTON STREET CENTER

City Manager K. M. Michalove presented a letter to Council from the East Riverside Community Organization which indicated an interest in collaborative efforts that are being worked on between the Parks and Recreation Department and the YMCA on the operation of the Livingston Street Center.

Mr. Michalove said that he would present this in further detail at Tuesday's work session.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT - THE TENTH ANNIVERSARY OF FAIR HOUSING

Mr. Michalove presented a letter from the Department of Housing and Urban Development observing the Tenth Anniversary of the National Fair Housing Law.

CLAIM - VANN B. HAYES

The City Manager presented a claim from Vann B. Hayes.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - DONALD RUFF

The City Manager presented a claim from Donald Ruff.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

COUNCILMAN MICHAEL - BUDGET DIRECTOR AND EXECUTIVE ASSISTANT TO THE CHIEF - POLICE DEPARTMENT

Councilman Michael said that he was asked by a police officer to bring up the following matters:

1) Chief Tucker has appointed a Budget Director from Hickory, North Carolina, at a salary of $19,000 a year.

2) Chief Tucker has appointed an Executive Assistant to the Chief, Barry Bumgarner, at a salary of $16,000 a year.

3) No examinations or certifications by the Civil Service Commission was given for either of these positions.

It was Mr. Michalove's belief that all three statements are incorrect. He said that there was a proposal for the establishment of the positions. They were introduced to the Civil Service Board and examinations were given. He said that the salaries are incorrest. He pointed out that the two positions were filled through the Civil Service process and the examinations were authorized by the Civil Service Board. He stated that all departmental personnel were given an opportunity to apply for these jobs. He stated that he would have a report on these matters at Tuesday's work session.

Adjournment.

MAYOR

CITY CLERK

Councilwoman Price moved for the adoption of Resolution No. 78-86. This motion was seconded by Councilman Cole and carried unanimously.

Complete text of Resolution No. 78-86 will be found in Resolution Book No. 10 at page 232.

APPROVAL OF SIGN PERMIT - BEKINS MOVING AND STORAGE - 306 W. HAYWOOD STREET

12. Consideration of a sign permit for Bekins Moving and Storage Company for a free standing sign to be located at 306 W. Haywood Street.

The City Manager pointed out that Bekins Moving and Storage Company asked that this item be deleted from the agenda.

APPROVAL OF THE CONSENT AGENDA

13. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reaidng and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-87 - Resolution authorizing the Mayor to execute a right-of-way encroachment agreement with the North Carolina Department of Transportation for a water line on State Road 81 (Swannanoa River Road).

HIGHLIGHTS: This encroachment is for the purpose of connecting the 6-inch water line in Redwood Forest to our 8-inch line in Swannanoa River Road. This will loop the fire system installed in Redwood Forest by way of Beechwood Road and will afford more water protection and domestic use.

B. Approval of bids received April 3, 1978 to install ballfield lighting at Shiloh Recreation Center.

HIGHLIGHTS: One (1) bid was received.

Recommendation of bid submitted by M. B. Haynes Electric Corporation in the amount of $18,782.00.

Funding: Community Development Funds - Capital Outlay
Other Improvements - Account Code 65-658.0073
Budget Line Item - Unencumbered Balance $30,047.96

C. Approval of bids received April 3, 1978 to construct tennis court lighting system at Aston Park for Parks and Recreation Department.

HIGHLIGHTS: One (1) bid was received.

Recommendation of bid submitted by M. B. Haynes Electric Corporation in the amount of $16,879.00

Funding: Community Development Funds - Capital Outlay
Other Improvements - Account Code 65-664.0073
Budget Line Item - Unencumbered Balance $34,515.00

J. E. Johnson, Director of Inspections, said this amendment would open up the permit procedure to allow property owners to perform electrical work upon their own property subject to certain requirements detailed in the ordinance. He said the applicant for the permit would have to satisfy the Electrical Inspector that he is competent to perform the work for which the permit is requested in a manner which will meet all statutory and ordinances requirements.

Upon inquiry of Councilman Michael, Mr. Johnson said the City Code is no more stringent than the County Code. He said there may be some difference in enforcement.

Councilwoman Price said she felt this amendment would be lowering the standards and she would not be in favor of the amendment.

Mayor Trantham closed the public hearing at 3:29 o'clock p. m.

The City Manager read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 1042. This motion was seconded by Councilman Cole.

On a roll call vote of 5-1, Ordinance No. 1042 passed on first reading, with Councilwoman Price voting "no".

PUBLIC HEARING - AMENDMENT TO SECTION 20-2 OF CHAPTER 20 - CODE OF ORDINANCES - ENTITLED PLUMBING PERMITS - INSPECTIONS, FEES

ORDINANCE NO. 1043 - AN ORDINANCE AMENDING SECTION 20-2 OF CHAPTER 20 OF THE CODE OF ORDINANCES, ENTITLED PLUMBING PERMITS - INSPECTIONS, FEES

3. A public hearing was held relative to the adoption of an ordinance relating to amending Section 20-2 of Chapter 20 of the Code of Ordinances, entitled Plumbing Permits - Inspections, Fees.

Mayor Trantham opened the public hearing at 3:30 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

J. E. Johnson, Director of Inspections, said this amendment would also open up the permit procedure to allow property owners to perform plumbing work upon their own property subject to certain requirements detailed in the ordinance. He said the applicant for the permit would have to satisfy the Plumbing Inspector that he is competent to perform the work for which the permit is requested in a manner which will meet all statutory and ordinances requirements.

After discussion, Mayor Trantham closed the public hearing at 3:37 o'clock p. m.

The City Manager read the ordinance.

Councilman Rainey moved for the adoption of Ordinance No. 1043. This motion was seconded by Councilman Cole.

On a roll call vote of 5-1, Ordinance No. 1043 passed on first reading, with Councilwoman Price voting "no".

Thursday - April 27, 1978 - 3:00 p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Otis B. Michael, Gene E. Rainey, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Acting City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

Councilman Rainey introduced Dave Cheadle, Vice-President of the Full Gospel Businessmen's Association, who gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 20, 1978 meeting.

Upon motion of Councilman Cole, seconded by Councilman Rainey, the minutes of the April 20, 1978 meeting were approved as submitted.

RESOLUTION NO. 78-88 - RESOLUTION OF APPRECIATION TO RONALD MAYNARD McELRATH

Consideration was given to a resolution of appreciation to Ronald Maynard McElrath, Executive Director of the Asheville-Buncombe Community Relations Council who has accepted a position with the City of Clearwater, Florida.

Upon motion of Councilman Michael, seconded by Councilman Morris, Resolution No. 78-88 was unanimously adopted.

Complete text of Resolution No. 78-88 will be found in Resolution Book No. 10 at page 236.

PUBLIC HEARING -AMENDMENT TO SECTION 11-46 - CHAPTER 11 - CODE OF ORDINANCES - PERMITS TO ISSUE ONLY TO LICENSED ELECTRICAL CONTRACTORS

ORDINANCE NO. 1042 - AN ORDINANCE AMENDING SECTION 11-46 OF CHAPTER 11, OF THE CODE OF ORDINANCES, ENTITLED PERMITS TO ISSUE ONLY TO LICENSED ELECTRICAL CONTRACTORS

2. A public hearing was held relative to the adoption of an ordinance relating to amending Section 11-46 of Chapter 11 of the Code of Ordinances, entitled Permits to issue only to licensed electrical contractors.

Mayor Trantham opened the public hearing at 3:13 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1040. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1040 passed on third and final reading.

Complete text of Ordinance No. 1040 will be found in Ordinance Book No. 8 at page 184 .

ORDINANCE NO. 1041 - AN ORDINANCE DIRECTING THE HOUSING OFFICER TO DEMOLISH THE DWELLING HOUSE KNOWN AS 285 WESTWOOD PLACE

7. Consideration was given to the second reading of Ordinance No. 1041, an ordinance directing the Housing Officer to demolish the dwelling house known as 285 Westwood Place.

Mayor Trantham said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1041 passed on its second reading.

RESOLUTION NO. 78-89 - RESOLUTION PROVIDING FOR AN EXPERIMENTAL PROGRAM IN DOWNTOWN ON-STREET PARKING POLICIES

8. Consideration was given to a resolution providing for an experimental program in downtown on-street parking policies.

The City Manager read the resolution.

Richard Thornton, Project Director for the Downtwon Revitalization effort, reviewed the recommendations of the Asheville Revitalization Commission relative to an experimental parking policy for downtown. He said the Police Department would be enforcing the policy and adequate signage would be provided to detail the parking policies.

The City Manager said the cost of the experimental parking proposal would be between $500 to $1,000.

Eugene C. Ochsenreiter, Jr., former Mayor, endorsed the proposal. He said he felt this policy would bring more shoppers downtown which would enhance the tax base of the City.

J. W. "Red" Hoyle, former Councilman, also endorsed the plan. He said the shoppers should have the same privilege of parking downtown as they would in a shopping center.

Mr. Bob Anthony, representing the Board members of the Mid-City Merchants Council, again heartily endorsed the proposal.

Mr. L. E. Gibson, a citizen, also favored the proposed plan.

ORDINANCE NO. 1038 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Rezoning property on Sweeten Creek Road)

4. Consideration was given to the second reading of Ordinance No. 1038, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended rezoning property on Sweeten Creek Road owned by Thomwins, Inc.

Mayor Trantham said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1038 passed on second reading.

ORDINANCE NO. 1039 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED. (Wording changes to Section 30-11-2 Procedure: General, Item D)

5. Consideration was given to the second reading of Ordinance No. 1039, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, amending Section 30-11-2, Procedure: General, Item D as it pertains to denial of a rezoning petition.

Mayor Trantham said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1039 passed on second reading.

Councilwoman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1039. This motion was seconded by Vice-Mayor Horton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1039 passed on third and final reading.

Complete text of Ordinance No. 1039 will be found in Ordinance Book No. 8 at page 182.

ORDINANCE NO. 1040 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (Article II, Definitions, Section 30-2-1. General)

6. Consideration was given to the second reading of Ordinance No. 1040, an ordinance amending Ordinance No. 322, known as "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", as amended, amending Article II, Definitions, Section 30-2-1. General to include public facility, public utility, transmission line, and utility substation in the alphabetically appropriate places.

Mayor Trantham said the ordinance was previously read on first reading and it would not be re-read in its entirety unless there was a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1040 passed on second reading.

The petition was signed by approximately 45 homeowners within a 2 to 3 block area within the Swain property.

Mr. Jim Moody, representing residents of North Asheville who work with Little League Baseball in the area reminded Council that he had presented their problems to Council on several occasions. He said the ball program crowds some 600 young people onto two small fields, one at Weaver Park and one at St. Eugene's School. He said an extensive search of land in the North Asheville area had produced nothing. He said a federal grant is presently in the process and he would hope that the property could be used as it is desperately needed now.

Councilman Morris said he also felt the former Swain property could better lend itself for residential use. He questioned whether other property in North Asheville would be better suitable for the ball field.

Ms. Margaret Taylor, 99 Country Club Road, also opposed the ball park on the Swain property. She said with the YMCA already in the neighborhood, an additional ball park would create traffic increase and noise. She said it was their hope that a better site would be available for the young people.

Council agreed to discuss the park location further at Tuesday's agenda meeting.

RESOLUTION NO. 78-90 - RESOLUTION CONCERNING REDUCED GOLF RATES FOR SENIOR CITIZENS AT THE MUNICIPAL GOLF COURSE

10. Consideration was given to a resolution concerning reduced golf rates for Senior Citizens at the Municipal Golf Course.

The City Manager read the resolution.

Councilwoman Price moved for the adoption of Resolution No. 78-90. This motion was seconded by Councilman Michael.

Vice-Mayor Horton moved to amend the resolution to include that the "Permits sold as of May 1 will be priced on a pro-rata annual basis". This amendment was seconded by Councilman Rainey.

On a voice vote, Vice-Mayor Horton's amendment carried.

Resolution No. 78-90, as amended passed on a voice vote of 5-1, with Councilman Michael voting "no".

Complete text of Resolution No. 78-90 will be found in Resolution Book No. 10 at page 238.

RESOLUTION NO. 78-91 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SUBMIT AN APPLICATION FOR $483,200 IN STATE AIRPORT DEVELOPMENT FUNDS FOR THE AIRPORT RUNWAY EXTENSION PROJECT

11. Consideration was given to a resolution authorizing the City Manager to submit an application for $483,200 in State Airport Development funds for the Airport Runway Extension Project.

The City Manager read the resolution.

Mr. Wayne Cooper, Asheville Revitalization Commission member, endorsed the plan stating that he felt this policy would help to bring shoppers downtown and to bring about positive actions.

Councilwoman Price moved for the adoption of Resolution No. 78-89. This motion was seconded by Councilman Cole.

Councilman Rainey offered an amendment to the resolution in which at the end of the 90 day experimental program referred to in the resolution that a second 90 day period be undertaken, beginning on or about September 1, 1978 in which two hour parking meters, with a 30 minute courtesy time be installed and that the results of the two periods will be assessed by Council. This amendment was seconded by Councilman Michael.

Councilman Rainey said there is no evidence that meters deter business in downtown Asheville and there is no evidence from other cities that the free parking proposal has been beneficial.

Vice-Mayor Horton said at the end of the experimental program Council may consider several alternatives and he did not feel Council should be obligated to carry out another program if it was not needed. He said Council could use its best judgement after the 90 day time period.

On a voice vote, Councilman Rainey's amendment failed.

On a voice vote, Resolution No. 78-89 was adopted unanimously.

Complete text of Resolution No. 78-89 will be found in Resolution Book No. 10 at page 236.

PETITION REGARDING THE DEVELOPMENT OF THE NORTH ASHEVILLE PARK ON THE SWAIN PROPERTY

9. Dr. W. H. McCall read the following petition:

The residents and land owners of North Kimberly Avenueand adjacent areas respectfully request that Asheville City Council reconsider and study further the proposed transfer of land adjacent to Ira B. Jones School for use as public park, playground, or ball park.

It is felt that these grounds represent ideal and expensive residential areas. We understand this property has been evaluated at $100,000.00 which would represent sizeable revenue to the City of Asheville if sold. A study of this land clearly indicates that it lends itself to residential building, possibly to a park, but certainly not to playgrounds or ball park without expensive earth movement, removal of many beautiful trees and changes which would destroy an attractive section of land. Considering ecology, geography, topography and general aesthetic factors it appears to us to be unwise for the city, for our neighborhood, and for Ira B. Jones School to destroy this property by conversion to a ball park.

It is certainly not our desire to deny needed playgrounds for Asheville children. There seems to be fairly adequate recreational areas in North Asheville. Weaver Park on Merrimon Avenue , Ira B. Jones School grounds, YMCA property on Beaver Dam Road and others. We are told that the baseball park will be open until 10:30 P. M. when in use. The commotion, noise, glaring floodlights and associated activities will do irreparable damage to a quiet and restricted neighborhood.

ORDINANCE NO. 1044 - AN ORDINANCE AMENDING THE FISCAL 1977-78 CITY OF ASHEVILLE ANNUAL OPERATING BUDGET

14. Consideration was given to an ordinance amending the fiscal 1977-78 City of Asheville Annual Operating Budget in order to re-roof the East Asheville Community Center at an estimated cost of $10,000.

The City Manager read the ordinance.

Councilwoman Price moved for the adoption of Ordinance No. 1044. This motion was seconded by Councilman Rainey.

On a roll call vote of 6-0, Ordinance No. 1044 passed on its first reading.

Vice-Mayor Horton moved to suspend the rules and proceed to the second reading of Ordinance No. 1044. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1044 passed on its second reading.

Vice-Mayor Horton again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1044. This motion was seconded by Councilwoman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1044 passed on its third and final reading.

Complete text of Ordinance No. 1044 will be found in Ordinance Book No. 8 at page 192.

ORDINANCE NO. 1027 - AN ORDINANCE FOR THE LEVY AND COLLECTION OF BUSINESS LICENSE TAXES

15. Consideration was given to the third and final reading of Ordinance No. 1027, an ordinance for the levy and collection of business license taxes.

Mayor Trantham said the ordinance was previously read on first and second reading and it would not be re-read in its entirety unless there was a specific request to do so.

Vice-Mayor Horton said the Council and the staff is presently working on the proposed ordinance, along with the City Attorney. He said additional research is needed.

Vice-Mayor Horton then moved to postpone the third reading of Ordinance No. 1027 until May 4, 1978. This motion was seconded by Councilman Morris and carried unanimously.

Councilman Rainey requested that the staff and City Attorney also review a recommendation for a license tax on flea markets.

Upon motion of Councilman Morris, seconded by Councilman Cole, Resolution No. 78-91 was unanimously adopted.

Complete text of Resolution No. 78-91 will be found in Resolution Book No. 10 at page 240.

BIDS - SIGNS FOR ASHEVILLE CIVIC CENTER - APPROVAL OF SIGN PERMIT

12. Consideration was given to bids received April 11, 1978 for signs for the Asheville Civic Center.

The City Manager read the recommendation from the Purchasing Agent which stated that one bid was received by Crawford Sign Company in the amount of $14,631.88. It was recommended that the bid of Crawford Sign Company be accepted.

The City Manager also said if Council approves the bids a motion approving a sign permit would be in order due to the signs being within 600 feet of the Expressway as requirement by Zoning Ordinance No. 322.

Jim Evans, Civic Center Manager, said the seven (7) signs would be directional signs.

Councilman Morris moved to accept the recommendation of the Purchasing Agent and award the bids to Crawford Sign Company in the amount of $14,631.88. This motion was seconded by Councilwoman Price and carried unanimously.

Councilman Morris also moved to approve the sign permit for the signs to be located at the Asheville Civic Center. This motion was seconded by Councilwoman Price and carried unanimously.

RESOLUTION NO. 78-92 - RESOLUTION AUTHORIZING THE DIRECTOR OF PARKS AND RECREATION TO ENTER INTO AN AGREEMENT WITH THE DEPARTMENT OF AGRICULTURE AND THE DEPARTMENT OF INTERIOR THROUGH THE RECREATION DIVISION OF THE DEPARTMENT OF NATURAL RESOURCES AND COMMUNITY DEVELOPMENT OF THE STATE OF NORTH CAROLINA FOR A YOUTH EMPLOYMENT, CONSERVATION AND ENVIRONMENTAL EDUCATION PROGRAM FOR THE SUMMER OF 1978.

13. Consideration was given to a resolution authorizing the Director of Parks and Recreation to enter into an agreement with the Department of Agriculture and the Department of Interior through the Recreation Division of the Department of Natural Resources and Community Development of the State of North Carolina for a youth employment, conservation and environmental education program for the summer of 1978.

The City Manager read the resolution.

Upon motion of Councilwoman Price, seconded by Vice-Mayor Horton, Resolution No. 78-92 was unanimously adopted.

Complete text of Resolution No. 78-92 will be found in Resolution Book No. 10 at page 241.

D. Motion setting a public hearing for the East End/Valley Street Area Redevelopment Plan for May 25, 1978.

HIGHLIGHTS: To give the public an opportunity to further comment on a plan already approved by the Housing Authority of the City of Asheville and the Planning and Zoning Commission.

The plan calls for rezoning along the East side of Valley Street and the South side of Poplar Street from Commercial Service to R-3 Residential. The plan also calls for the rezoning of approximately 2.2 acres of land east of Short Pine Street from R-3 to Commercial General to accommodate neighborhood retail businesses.

To comply with G. S. 160A-513, the plan must be approved by City Council before any action to carry out the plan can be initiated. Zoning changes will be initiated as the plan is implemented in phases.

Upon motion of Councilwoman Price, seconded by Councilman Cole, the consent agenda was unanimously approved.

PROCLAMATION - LOYALTY DAY - MAY 1, 1978

Mayor Trantham proclaimed May 1, 1978 as Loyalty Day .

PROCLAMATION - MAY 1 - 6, 1978 - LIONS CLUB BROOM SALE WEEK

Mayor Trantham proclaimed the week of May 1 - 6, 1978 as Lions Club Broom Sale Week.

CLAIM - MRS. BILLIE WILSON

The City Manager presented a claim for damages received from Mrs. Billie Wilson.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

CLAIM - CAROLYN R. DACUS

The City Manager presented a claim for damages received from Ms. Carolyn R. Dacus.

Mayor Trantham referred the claim to the Corporation Counsel for investigation and recommendation.

APPROVAL OF THE CONSENT AGENDA

16. The City Manager explained that the items on the consent agenda are of a routine nature and have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items the City Council may, by the authority granted to the City Council in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council and/or a member of the City staff any single item scheduled for approval on the consent agenda may be considered separately.

A. Resolution No. 78-93 - Resolution authorizing the Mayor to execute a right-of-way agreement with the North Carolina Department of Transportation for a water line on Airport Road in Arden, North Carolina.

HIGHLIGHTS: This encroachment is for a 6-inch water line to be installed by the developer to serve a proposed apartment complex on Airport Road. This will be at the developer's expense and the water line will be deeded to the City for ownership after final inspection approval is given.

Resolution Book No. 10 Page 243 .

B. Approval of bids opened April 21, 1978 for one (1) four door sedan for the Water Maintenance and Construction Division.

HIGHLIGHTS: Two (2) bids were received.

Recommendation of the low bid submitted by Apple Tree Chevrolet in the amount of $4,450.13.

Bidder	Bid
Apple Tree Chevrolet	$4,450.13
Dorato Motors, Inc.	$4,549.00

Funding: Water and Sewer Operation Fund, Maintenance and Repair Administration Division - Capital Outlay Equipment, Account Code 30-730.0074
Budgeted $4,800.00

C. Motion scheduling a public hearing relative to rezoning property on Leicester Highway from R-3 Residential District to CS Commercial Service District for May 25, 1978.

HIGHLIGHTS: The Asheville Planning and Zoning Commission at their April 5, 1978 meeting considered the request of Mr. Reuben Caldwell, Mr. and Mrs. Clyde Ayers, Mr. and Mrs. D. J. Graham and Ms. Mildred B. Fenner that Ward 12, Sheet 13, Lots 36, 78, 36-1/4, and 10 be rezoned from R-3 Residential District to CS Commercial Service District.

After discussion the issues of this request, the Planning and Zoning Commission voted to recommend to City Council that this petition be denied.

The City Manager said he would give Council on report on Tuesday's agenda meeting on the status of the water problems on McIntosh Road.

APPROVAL OF SIGN PERMIT - BEKIN'S MOVING AND STORAGE COMPANY

Council reconsidered the sign permit for Bekin's Moving and Storage Company for a sign to be located at 306 W. Haywood Street which is within 600 feet of the expressway, requiring approval of Council pursuant to Section 30-9-3 B-7 of the Zoning Ordinance.

A representative of Bekin's Moving and Storage Company presented a detailed drawing of the proposed sign. It was revised from a billboard type sign to a directional type sign.

Councilman Morris moved to approve the sign permit for Bekin's Moving and Storage Company to be located at 306 W. Haywood Street. This motion was seconded by Vice-Mayor Horton and carried unanimously.

LETTER FROM ROBERT W. FISHER - RE: PORNOGRAPHY

Vice-Mayor Horton read the following letter and requested that it be included in the minutes:

April 25, 1978

Mr. William C. Moore
City Attorney
P.O. Box 7625
Asheville
North Carolina 28807

In re: Pornography

Dear Bill:

You had requested that we contact some of the other counties in the state relative to what they were doing in regard to the pornography statutes.

We have checked with Raleigh and they advise that they have had cases in District Court; however, the defendants had pleaded "no contest" and appealed the case to Superior Court. Gastonia has a new city ordinance which is presently on appeal. They are to advise us of any progress made in

KENILWORTH RESIDENT'S ASSOCIATION - LETTER

The City Manager presented a letter from Peter Winslow, President of the Kenilworth Resident's Association thanking the staff of the Sanitation Department for their help in the community wide clean-up program in Kenilworth.

HUGH HYDER - SOURWOOD LANE

Mr. Hugh Hyder, of Sourwood Lane, said residents of the area presented a paving petition last fall to have their road paved. He said as of this date nothing has been done.

The City Manager said temporary repair work would be done on April 29, 1978. He said he would give Council a report at Tuesday's agenda meeting as to when the residents of the area could expect the permanent work to be completed.

L. E. GIBSON - McINTOSH ROAD

Mr. L. E. Gibson, of McIntosh Road read the following letter:

Gentlemen:

This letter pertains to the water service on McIntosh and Tekview Roads in the West Asheville section. For several years we have been forced, needlessly, to live with a problem which could have been corrected long ago. There are two business concerns in this area that use very large amounts of water - Loven Concrete Company and Arden Organics.

When they turn their water on, none of the residents of this area can get a drop of water. Water is siponed from our pipes and water heaters. This causes expensive water heater damage, not to mention the inconvenience. Have any of you ever tried to drink water from an empty glass, take a shower without water, or cook without water? What if one of us should have a fire in our home? How would we put it out?

This problem has gone on long enough. We have asked for larger water lines. The present two inch water line cannot supply enough water for the community, much less a community and two business concerns that use large amounts of water. Why can't something be done? We have asked repeatedly for your help. So far we have gotten nowhere. Is this what we get for our tax dollars? Is it that you don't feel we are important enough to warrant your attention? Should we ask your help through our lawyers or our congressman? Our congressman is a busy man, yet he still has time to listen to all of us. Why don't you?

Thursday - May 4, 1978 - 3:00 o'clock p. m.

Regular Meeting

Present: Mayor Roy M. Trantham, Presiding; Vice-Mayor Bill B. Horton, Councilwoman Norma T. Price, Councilmen F. Jack Cole, Gene E. Rainey, Ralph D. Morris, Jr., Corporation Counsel William C. Moore, City Manager K. M. Michalove, Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Otis B. Michael

INVOCATION

Councilman F. Jack Cole gave the invocation.

APPROVAL OF THE MINUTES

1. Approval of the minutes of the April 27, 1978 meeting.

Councilman Rainey requested a change in the wording of the vote taken relative to Resolution No. 78-89.

Upon motion of Councilman Cole, seconded by Councilwoman Price, the minutes of the April 27, 1978 meeting were approved as amended.

PUBLIC HEARING - REZONING PROPERTY ON CHARLOTTE STREET - DEL-RIO, INC.

2. A public hearing was held relative to rezoning property on Charlotte Street from R-2 and R-3 Residential District to OI, Office Institutional District, request made by Del-Rio, Inc.

Mayor Trantham opened the public hearing at 3:07 o'clock p. m.

The City Manager presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said Del-Rio, Inc. presented a rezoning petition to rezone Ward 2, Sheet 15, Lots 98 and 100 from R-2 and R-3 Residential District to OI Office Institutional District. On November 9, 1977 the Planning and Zoning Commission recommended denial of the rezoning request for the following reason: "The rezoning is not in keeping with the neighborhood nor the zoning plan of 1975". On March 1, 1978 the Planning and Zoning Commisssion reviewed that request again and voted to reaffirm its recommendation of denial of November 9, 1977. On March 7, 1978 the City Clerk received a request for a public hearing on the matter from Mr. John A. Powell, Attorney, representing Del-Rio, Inc.

Mr. Emrick read from the Zoning Ordinance the uses permitted in the OI, Office Institutional District.

Mr. John A. Powell, Attorney, representing Del-Rio, Inc., spoke in support of the rezoning request. He said the Manor property was registered in the National Register on January 26, 1978 and the property was previously zoned Office Institutional District for more than twenty (20) years. He said he could see no problem with spot zoning. He said the planned uses of the property have not fully formulated but the possible uses could be a restaurant facility, gift shop or a grill room.

regard to same. Durham has had one misdemeanor case appealed to the Superior Court which was tried under the old statute and the case has not been heard in Superior Court to date. Fayetteville seems to be having the most activity in this field. They have acquired a per diem solicitor to fill in for Assistant District Attorney Donaldson that is handling quite a few of the cases. They are awaiting the Federal judge's ruling before proceeding further on their cases. They advised that Judge Depree would probably rule within the next two or three weeks.
